Carrying a large caseload of over 450 children in East County, Marilyn was the key PHN in Foster Care in EHSD. During this time Marilyn also worked within Child Health Prevention and Disability (CHDP) assuring that children were linked into needed medical services; and

Whereas, in 2013, Marilyn promoted to a Public Health – Nurse Program Manager. In this position Marilyn managed a team of Public Health Nurses for the Central/East part of Contra Costa County serving the pediatric population providing comprehensive case management services. During her tenure in this position Marilyn was key in obtaining and maintaining a grant to obtain books for all ages that Public Health Nurses could give to the clients and families receiving services. Marilyn also was key in finding funding and developing the program within Public Health Nursing that installs car seats and distributes new car seats; and

Whereas, Marilyn also was on the Los Medanos Community Hospital Board for over 13 years, and was key in the development and building of the community garden that still graces the grounds of our Pittsburg Health Center campus today; and

Whereas, Marilyn has two sons – Alex and Ryan. She lived in Pittsburg for many years, and is recently a new resident of Clayton.

Now, Therefore, Be It Resolved that the Contra Costa County Board of Supervisors does hereby express its deep appreciation and sincere gratitude to Marilyn Condit for her 40 years of dedicated service to the health and well-being of children and all residents in Contra Costa County, and we celebrate her accomplishments as she begins her retirement.
