Dear Honorable Members of the Board of Supervisors,

Reclamation District No. 2059 (Bradford Island) accepted nominees for two (2) District Trustee positions, which were to be filled by District election scheduled for November 12, 2019. The nomination period closed at 5:00 p.m. on September 19, 2019, in accordance with the Reclamation District election procedures set forth in Water Code section 50731.5.

At the close of the nomination period, there were only two (2) candidates nominated: Smith Cunningham and Kevin Finta. Reclamation District 2059 hereby requests that the Board of Supervisors appoint Smith Cunningham and Kevin Finta to fill the offices of District Trustees, each office having a term of four (4) years to commence December 1, 2019 and to terminate November 30, 2023. A sample Resolution is enclosed for your convenience.

Should you have any questions, District legal counsel, may be contacted at (209) 599-5003. If staff in the Clerk's office could contact me at (925) 209-5480 to let me know the date of the meeting at which the above appointments will be made at least one week in advance, I would appreciate it, as the District will have to publish notice of the appointments in the newspaper.
