The aforementioned individual has been an ongoing board member who has requested reappointment. Due to the reorganization of the AODAB structure there is a need for additional At-Large members to support a broader county geographical representation. In accordance to the recruitment policy of the Board of Supervisors a media advisory and a Tweet was released by Health Services Department of 10/1/19. The media advisory is still posted on AODAB's homepage. We received multiple calls and received 2 applications. (Attached) AODS maintains an internal system to monitor countywide geographical and culturally representation.
