	<u>First</u>	<u>Last</u>	<u>Date rec'd</u>	<u>District</u>	<u>City</u>	<u>Education</u>	<u>Current Employer</u>	<u>Volunteer Activity/Affiliation</u>	<u>Experience/Interest</u>
1	Claire	Bromberry	5/24/19	4	Concord	Laney Community College, AA General	NA	Ella Baker Center and LSPC in Oakland	Lived experience in Martinez Juvenile Hall and CYA
2	Carlos	Fernandez	4/29/19	1	Richmond	Contra Costa College, Sociology	NA	community organizing and community events / panels around foster youth. I am currently in the Richard boyd fellow ship at Safe Return Project and I am also a expert in being directly impacted.	"Because I am a Contra costa county native been personally impacted by the system and engage young folks most impacted everyday and I see the direct support and resources they need in order to have a healthy life."
3	Tiffani	Michaud	8/6/19	4	Concord	UC Davis, BA Psychology and Minor in Sociology with Emphasis in Law; Diablo Valley College, AA Psychology	NA	"My mother and I started a non-profit to help kids pay for schooling and extracurriculars called R.E.A.L."	"I just graduated from UC Davis, I am very eager to continue to expand the knowledge I have accumulated from my educational and personal experience. My goal is to help as many youths and adults as possible to prevent and rehabilitate offenders. I am currently applying to graduate schools to pursue a career in Forensic and Clinical Psychology. I think I could help this council pursue a better future for our youth due to my (1) awareness of current trends that are affecting the juvenile population and (2) commitment to more resource to youth that are considered high need."
4	Michelle	Nasise	7/24/19	2	Danville	Cal Northern School of Law, JD-Law; UC Davis, BA- Sociology	Prentice & Long, PC, Associate Attorney	Tehama SART--co-founder and co-coordinator of County's SART (Sexual Assault Response Team) and SAFE (sexual assault forensic examiner) team.	"I want to become more involved in my community and have a background in, and passion for, justice--particularly juvenile justice. I was a prosecutor in Tehama County for 4.5 years, and prior to that, worked as a counselor in the County Juvenile Hall."
5	Millad	Nooraei	8/16/19	4	Pleasant Hill	John F. Kennedy University, MA Counseling Psychology - Marriage and Family Therapy; California State University, Chico, BA Sociology - Child Development/Psychology	Sierra School of Antioch, Director	I currently volunteer for a local nonprofit organization dedicated to the socialization and care of Iranian-American senior citizens. During my practicum at the JFK Community Counseling Center, I volunteered as an intake committee member tasked with gathering vital mental health information during a telephone conversation.	"As I have made a step from direct service to administration I would also like to make a step towards involvement in my greater community. I have made my strength-based approach available to individuals, families, classrooms and schools. I would like to now make my strengths available to my county. I believe my experience in working with at-risk teens coupled with my background in mental health services gives me a unique perspective on preventative and diagnostic care. Throughout my working experience I have not only worked with troubled youth but also worked closely with their families, educators, law enforcement officials and community members. Because of this, I believe I have a more nuanced awareness of the impact on systems rather than just individuals."
6	Rebecca	Oriol	7/24/19	5	Pittsburg	Liberty University, MA Public Policy; California State Univesity East Bay, BA Political Science	Berean Christian High School, Educational Professional	Volunteer at church, Opportunity Camp counselor	"As a local high school teacher and new mother, I have an interest in seeing justice being correctly administered and see that policies are developed that will benefit the community." Education in public policy and experience in teaching; "i love working with and impacting kids for the better."

7	April	Phillips	8/8/19	3	Antioch	Los Medanos College, Office Skills	Department of Children and Family Services, Senior Clerk	When my children were of school age I actively volunteered in their elementary schools, middle schools and high schools.	"I have a great concern about the at risk youth in my community. Over the last 5 years it seems as if juvenile crime is on the rise. I would like to work with the community to help provide resources to families in order to contribute to a solution. I would like to help work to encouraging the youth population in staying in school, continuing their education, avoiding drugs and alcohol, and seek gainful employment. I want to help youth avoid the justice system." "I am a Senior Clerk with the Department of Children and Family Services. I deal with legal filings in the juvenile dependency court."
8	Melvin	Willis	5/2/19	1	Richmond	High School Diploma	Alliance of Californians for Community Empowerment (ACCE); community organizer	I have served on a number of boards, commissions, and coalitions over the past seven years. I am currently a Richmond City Councilmember. I have served on the Richmond Planning Commission, the Raise up Richmond Coalition, Housing Now, Richmond Progressive Alliance, Richmond Environmental Justice Coalition, Contra Costa County Racial Justice Coalition, and many other coalitions that focus on Racial and Economic Justice.	"I am a City Councilmember in Richmond and a community organizers. A rising concern in Richmond and Contra Costa County has been the need for more resources for youth programs and services. I want to serve on the commission to make sure that community concerns are being represented and prioritized while implementing strategies through commission."
9	Tracy	Youngston	5/30/19	1	San Pablo	Chamberlain College of Nursing, BSN, MSN-FNP, DNP	Chamberlain College of Nursing, Associate Professor, Nursing	Homeless shelter volunteer. Health education for the community (heart health), youth education (health, STI, emotional/social health).	"I currently serve African American girls in my non-profit program and would greater insight to the initiatives being formed to better serve the community and girls within my program. Bridging the gap between socio-emotional, college, and society readiness."
