Please explain why you would like to serve on this particular board, committee, or commission.

Since being an executive for a medical device company in Orange County, I have always been financially minded and like managing budgets. I've managed many of them over the years and would like to help make sure we are allocating funds according to rules and guidelines. I know my attention to detail kills and ability to work with anyone at any level would be a good match. Currently, I am a stay at home dad with a son in high school, and twin girls starting middle school. I am also on the board of directors for the local recreational sports soccer league, and as a coach here for the past three years, won the championship two years ago with my 7/8th grade boys team. Thank you for your consideration.
