Please explain why you would like to serve on this particular board, committee, or commission.

I am interested in transportation and how it impacts quality of life/life choices. I have served on WCCTAC and as an alternate on CCTA, so am familiar with transportation issues in Contra Costa County and, more generally, in the greater Bay Area. RM3 was passed by the voters to allow for improvement in transit and help relieve congestion, which impacts quality of life in many ways. I believe my background would provide key skills for serving on the RM3 Independent Oversight Committee
