23. Affordable-Accessible Transportation for Seniors, Veterans, and People with Disabilities:

An Accessible Transportation Service (ATS) Strategic Plan will be developed and periodically updated during the term of the Measure. No funding under the Affordable Transportation for Seniors, Veterans, and People with Disabilities category will be allocated until the ATS Strategic Plan has been developed and adopted. No funds may be distributed to a service provider before it adopts the plan except as noted below. The development and delivery of the ATS Strategic Plan will establish a user-focused system, with a single point of entry, ~~on~~ using mobility management to ensure coordination and efficiencies in accessible service delivery. The ATS Strategic Plan will address both Americans with Disabilities Act (ADA) and non-ADA services. The ATS Strategic Plan will deliver a streamlined, affordable and unified experience for the customer ~~evaluate the appropriate model for our local structure and including address~~ how accessible services are delivered by all service providers and where appropriate coordination can improve transportation services, eliminate gaps in service and find efficiencies in the service delivered. The ATS Strategic Plan will also determine the investments and oversight of the program funding and identify timing, projects, service delivery options, administrative structure, and fund leverage opportunities.
