**Please explain why you would like to serve on this particular board, committee, or commission.**

I have been a member of the AAC for almost 3 years. In that time I have only missed 1 meeting. I take great interest in seeing the Byron Airport improve the services for the East County population. I have been very interested in Aviation since obtaining my private pilot certificate in 1977. I have owned a few airplanes in the past and I kept an airplane based at Buchanan Field for a number of years. I have lived in Discovery Bay since 1982 and I flew in to both Byron and Buchanan Field many times. With my participation in the AAC I have become more and more interested in the development of the Byron Airport area and I have specific interest in and experience with drones. It appears that the Byron area is a perfect location for drone tech development and testing. I would like to be involved with that development.

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)**

I have been a pilot for over 40 years. I hold single and multi-engine land and instrument ratings. I currently hold a recreational UAV rating and I am perusing a commercial part 107 rating. I have lived in the Discovery Bay/Byron area for the past 38 years and I would like to see more jobs made available in the East County with reasonable development of the Byron Airport. I don't have a current resume to upload since I have been self employed as an Independent Insurance Agent for the past 14 years. My clients are primarily police and firefighters in Northern California. Among those are the Contra Costa Deputy Sheriff's Association, Alameda DSA, Concord POA and many others.
