Resolution No. 2020/124

In The Matter of: ESTABLISH the rate per equivalent runoff unit for Stormwater Utility Area 17 (Unincorporated County) for Fiscal Year 2020–2021 and request that the Contra Costa County Flood Control and Water Conservation District (FC District) ADOPT an annual parcel assessment for drainage maintenance and the National Pollutant Discharge Elimination System (NPDES) Program, as recommended by the Chief Engineer, Countywide.

The Board of Supervisors of Contra Costa County RESOLVES THAT;

WHEREAS, under the Federal Water Pollution Control Act, prescribed discharges of stormwater require a permit from the appropriate California regional water quality board under the NPDES Program; and

WHEREAS, the COUNTY of CONTRA COSTA (County) did apply for, and did receive, an NPDES permit, which requires the implementation of selected Best Management Practices (BMPs) to minimize or eliminate pollutants from entering stormwaters; and

WHEREAS, it is the intent of the County to utilize funds received from its Stormwater Utility Area (SUA) for implementation of the NPDES Program and drainage maintenance activities; and

WHEREAS, at the request of the County, the FC District has completed the process for formation of an SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance NO. 93-47; and

WHEREAS, the SUA and Program Group Costs Payment agreement between the County and the FC District requires that the County determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year in the Unincorporated County; and

NOW, THEREFORE BE IT RESOLVED, that the County Board of Supervisors does determine that the rate to be assigned to a single ERU for Fiscal Year 2020–2021 shall be set at \$30.

BE IT FURTHER RESOLVED, that the County Board of Supervisors does hereby request the FC District to adopt SUA 17 levies based on said amount.
