Contra Costa County

To: Board of Supervisors

From: Melinda Cervantes, County Librarian

Date: May 26, 2020

Subject: Library Pandemic Preparedness Plan to Align with Orders of the County Health Officer

RECOMMENDATION(S):

APPROVE and AUTHORIZE the County Librarian to implement the Pandemic Preparedness Plan for Contra Costa County Library, attached, a scalable plan when reopening or closing Library facilities to align with the County Health Officer's COVID-19 or other pandemic Health Order.

FISCAL IMPACT:

No impact to the Library Fund.

BACKGROUND:

On March 16, 2020, 26 County libraries closed following the County Health Officer's Order regarding COVID-19. After review and analysis of several factors, the County Librarian is recommending a phased approach to reopening. Identifying phases will allow the Library to scale services both up and down depending on the health and safety conditions in each facility, and per any future County Health Orders. Local and national discussions have resulted in new industry standards for libraries to reopen safely for both employees and the public.

BACKGROUND: (CONT'D)

New procedures for access to materials, seating, computer use and frequent sanitizing of public spaces are being developed as well as the procurement of PPE, cleaning supplies, sneeze guards for service points, signage, etc. Of the 26 libraries, as many as five library outlets (Bay Point, Crockett, Oakley, Prewett and Rodeo) are so small that reopening may be delayed until a new Health Order removing social distancing requirements can be achieved. Two of these locations are located inside middle and high schools, one inside a community center, one library and Library Administration in privately owned facilities, and the remaining in city or county owned facilities. Coordination of increased daily cleaning of all facilities has yet to be determined.

The recommended phased approach to reopening includes the following scenarios in summary. The complete description of each phase is included in the attached plan.

1) Virtual services only; employees teleworking; expanded access to eBooks, eAudiobooks, streaming video and virtual programs;
2) Limited core services: Front door service for the pick-up of items on hold and drop-off of library books and other materials;
3) Reopening with some social distancing requirements: Limited and brief access to the library of no more than 25% of regular visits;15-30 minute computer use; access to collection; no seating;
4) Full-scale reopening of the library: resumption of all core services; restore computers and seating; limited attendance at programs/meetings/assemblies;
5) Reopening followed by scaling down services or a second closure due to virus circulation.

CONSEQUENCE OF NEGATIVE ACTION:

If the Pandemic Protocol for county libraries is not approved, the health and welfare of the public and county employees will be at risk at the time of reopening.

Library Pandemic Preparedness Plan

CONTRA COSTA COUNTY LIBRARY
PANDEMIC PREPAREDNESS PLAN

During a pandemic, the Library may not serve as a critical institution, such as law enforcement or health and medical services, but it still has had an important role to play. Since pandemics spread through contact and proximity, the Library must be careful to balance need for library services against the potential for becoming a place where the pandemic can be transmitted and spread.

The COVID-19 virus of 2020 has had an unprecedented impact on libraries and the communities they serve. This plan seeks to explore several possible reopening scenarios, each dependent on factors such as recommendations from local, state and national health agencies, social distancing protocols, and critical community needs. The primary consideration in this plan is maintaining the safety of library patrons and staff while finding ways to provide necessary services that the library is uniquely positioned to perform. The most likely scenario may be a scaled reopening with an incremental easing of physical distancing measures.

In any of scenarios of reopening the library should implement the following:

1. Improved hygiene procedures for cleaning and disinfecting common areas
2. Acquiring protective gear such as masks and gloves to wear while administering public services
3. Continuing to allow teleworking where it makes sense from an operational standpoint
4. Follow Health Officer's recommendation for testing of staff for the virus and/or for immunity to the virus
5. Messaging and plans should be in place to encourage the most vulnerable populations to limit their time in the community and/or allow for service hours that accommodate their needs more specifically

Possible scenarios for phased reopening:

When the shelter in place order is lifted a variety of possible scenarios may come to pass. There is the possibility of the complete removal of restrictions, but more likely is a progressive phasing out of restrictions or a possible return to restrictions if the virus begins to spread more actively within the community. Below are some possible scenarios for reopening the library with various restrictions along with possible criteria for when each scenario might be enacted.

Scenario 1: Virtual services only – On the recommendation of public health officials or after consultation between County Librarian and the CAO, the County Board of Supervisors closes library buildings to all public use.

Criteria:

The County Health Officer issues a shelter in place order except for securing food or necessary medical, transportation and other critical services. Essential library employees working remotely with few exceptions.

Possible Services:

- Expanded access to eBooks and eAudiobooks
- Access to wireless internet broadcast from library facilities
- Access to book drops for library returns
- Virtual programs
- Assistance via email, chat service and phone

Scenario 2: Limited core services

Front Door Service where customers are met at the door to pick-up items on hold/return of books to exterior book drops.

Criteria:

1. The County shelter in place order permits libraries to open
2. Strong social distancing recommendations remain in place

3. The library has access to the necessary materials to administer some essential services
4. The library has access to enough staffing to run said services

Possible services:

- Access to wireless Internet broadcast from library facilities
- Library WiFi Hotspot lending
- Front door or self-service holds pickup outside the building
- Pre-selected books by the bag by age, genre or other interest
- Access to book drops for library returns
- Virtual programs
- Assistance via email, chat service and phone

Preparation:

- Develop a procedure for front door pick up
- Secure and schedule staffing for front door pick up
- Secure protective gear for staff working in the public
- Secure adequate stores of disinfectant wipes and hand sanitizer
- Determine a location to quarantine materials
- Post for staff and public the directions regarding face coverings
- Restore mail and package services

Scenario 3: Reopening with some social distancing requirements

Criteria:

1. Follow the direction of the County Health Order to open further
2. Strong social distancing recommendations remain in place
3. Gatherings are limited to 25% of building occupancy
4. The library has access to the necessary materials to administer some critical services
5. The library has access to enough staffing to run said services

Possible services:

- Metered access to the building by the public to ensure that social distancing is maintained and that no more than the recommended number are gathered within library facilities
- Core desk functions could resume with the possibility of staffing some desks and not others with priority given to the main public service desk at each location
- In-building hold pickup with the use of self-checkouts
- Access to library collections by the public
- Access to checkout services using self-check machines
- Access to some seating with improved social distancing measures, such as the removal of some chairs
- Access to portions of the computer areas with improved social distancing measures, such as the removal of some stations or through making some computers unavailable
- Possible computer assistance through virtual means such as screen sharing

Preparation:

- Determine library hours for each location
- Determine a method to meter access to the building
- Secure staffing for main service desks
- Develop a procedure for in-building holds pickup that allows minimal staff contact
- Post for staff and public the directions regarding face coverings
- Develop a self-check procedure that ensures social distancing
- Arrange the computer areas to allow adequate social distancing either by removing stations or placing stations out of order
- Investigate screen sharing software as a possibility for providing public computer help while maintaining social distance
- The County shelter in place order permits libraries to open

Scenario 4: Full-scale reopening of the library

Administration monitors and evaluates public health concerns, but services continue as usual. All services restored to pre-pandemic levels.

Criteria:

1. Following the County Health Order, the shelter in place order has been canceled and health officials have canceled current social distancing and gathering recommendations
2. The library has access to the necessary materials to maintain high hygiene standards
3. The library has access to enough staffing to run all its core operations

Services:

- A resumption of all core services with an increased emphasis on hygiene

Preparation:

- Restore any computers that have been removed to accommodate social distancing
- Restore all public seating
- Clear backlog of quarantined items and return to conventional turnaround on shelving items
- Re-staff and schedule for all operations
- Determine how virtual programs fit into the spectrum of services going forward

Scenario 5: Reopening followed by scaling down services or a second closure due to virus circulation

Criteria:

1. County health officials release a second order mandating social distancing or a shelter in place order
2. There is a sustained increase in community spread
3. Local hospitals are no longer able to safely treat all patients requiring hospitalization
4. Effective testing is not available within the community
5. The library is unable to maintain the hygiene or staffing necessary to operate

Services:

- What service would be accessible would depend on the restrictions inherent to any recommendation. The Library could return to Scenario 1 or 2 or revert to a full-scale closure as appropriate.

Contra Costa County

To: Board of Supervisors

From: Supervisors John Gioia and Karen Mitchoff

Date: May 26, 2020

Subject: Needs Assessment Report for Potential Half Cent General County-wide Sales Tax

RECOMMENDATION(S):

RECEIVE the attached Needs Assessment report from the Potential Sales Tax Measure Ad Hoc Committee on the various general service needs for possible funding with revenues raised by a potential half cent general county-wide sales tax, and PROVIDE staff direction regarding next steps.

FISCAL IMPACT:

No fiscal impact. This action refers the Needs Assessment Report to the Board of Supervisors.

BACKGROUND:

At the November 4th meeting of the Finance Committee of the Board of Supervisors, committee members Gioia and Mitchoff discussed the formulation of a Potential Sales Tax Measure Ad Hoc Committee and considered input from staff and community members. The Ad Hoc Committee was tasked with activating a larger, self-identified working group consisting of representatives of Community-Based Organizations, Labor Organizations, and members of the public charged with the development and formulation of a Needs Assessment. All willing participants were invited to attend and participate.

The first meeting of the Ad Hoc committee occurred on Monday, November 18, 2019. At this meeting, Supervisors Gioia and Mitchoff directed staff to work with the California Department of Tax and Fee Administration on the logistics of listing a ballot measure and setting up collection contracts. Staff also was directed to forward to the full Board of Supervisors the Committee's recommendation to begin discussions with County Lobbyists regarding special legislation required to list a measure on the ballot. Additionally, staff was directed to forward to the full Board of Supervisors the recommendation to acknowledge that the Governor would need to sign said special legislation. The Ad Hoc committee concluded by directing district staff members Chris Wikler (Supervisor Mitchoff's office) and Sonia Bustamante (Supervisor Gioia's office) to staff the working group.

The Working Group convened for its first meeting on Monday December 2, 2019. At that meeting, Mariana Moore of the Ensuring Opportunity Campaign & Josh Anijar of the Contra Costa Central Labor Council were selected by those in attendance to serve as co-chairs of the working group. The Working Group began to identify top-line vision statements and values to guide the creation of a Needs Assessment report, as well as form smaller sub-groups to study specific issues and matters relative to the larger goal of a general sales tax for County services.

The Working Group subsequently met on five occasions over the months of December, January and February. Members worked to distill and clarify the underserved needs of the county and identified several thematic areas: Health and Emergency Services, Safety Net Services, Housing, and Early Childhood Services. The group also retained Jim Ross of Telegraph LLC, a communications firm, to advise the Working Group and assist with the formulation of the Needs Assessment Report. Mr. Ross' services along with a poll of likely voters on a potential general services sales tax conducted by pollsters FM3 were funded by labor unions and CBOs who participated in the Working Group process.

On Wednesday, April 8, Senator Steve Glazer amended Senate Bill 1349 to include language providing relief to the County and cities within the County for future transaction and use tax measures. The bill was immediately referred to the Senate Governance and Finance Committee. The Senate Governance and Finance Committee hearing on SB 1349 is scheduled for Thursday, May 21. Supervisor Gioia along with Concord Mayor Tim McGallian will testify in support of the measure at the Senate committee meeting on the 21st. Additionally, Chief Assistant County Administrator Tim Ewell and Concord City Manager Valerie Barone have coordinated with cities in the County to collect letters of support for the bill.

The Potential Sales Tax Measure Ad Hoc Committee convened a meeting via video teleconference on May 13 to receive the finalized Needs Assessment Report from the Working Group and provide direction to staff. Supervisor Mitchoff noted the need for additional polling to determine the viability of the measure, as well as her perspective that public safety should be a part of any ballot measure in November. Supervisor Gioia agreed that there needs to be additional polling and suggested that the co-chairs could bring further polling information when presenting the Needs Assessment to the Board of Supervisors. Supervisors Mitchoff and Gioia agreed to direct staff to forward the Needs Assessment Report to the full Board of Supervisors, for consideration and direction to staff on next steps regarding the Potential County-wide General Sales Tax measure at the May 26th meeting of the Contra Costa County Board of Supervisors.

CONSEQUENCE OF NEGATIVE ACTION:

The Board of Supervisors will not receive the Needs Assessment report from the Potential Sales Tax Measure Ad Hoc Committee.

Needs Assessment - Final

CONTRA COSTA COUNTY
NEEDS ASSESSMENT

In March, a local emergency was declared in Contra Costa County in response to Covid-19.[1] Such poignant examples of how interconnected our health and wellness is have not been felt since the Great Depression. To date, over 30 million jobless claims have been filed in the United States. Contra Costa County is feeling the impacts as more individuals and families are finding new ways to stay housed, keep food on the table, and receive necessary medical care.

Even before the recent Covid-19 pandemic, Contra Costa County faced extreme public health risks arising from shortages in county budgeting and spending. With over 150 eligibility worker vacancies, Contra Costa County's most vulnerable residents struggle to obtain life-saving and stabilizing services. A $32 million budget gap at the County Hospital is likely to be an increasing cost and may result in the closure of invaluable health programs and staff redundancies. Coupled with a lack of funding for necessary medical practitioners at community-based health resources, it is clear that the emergency preparedness for the county and residents must be addressed.

As funding dries up and vital public and nonprofit services become less accessible, residents are experiencing increased wait times for health and safety-net services. County first responders are reporting an uptick in non-emergency call-outs as residents are lacking options on where and how to obtain the care they need.

As the adage goes, an ounce of prevention is worth a pound of cure. To shore up access to medical and behavioral health services, and bolster county safety-net programs, the Board of Supervisors has charged us with assessing the needs of our county residents in the context of a **potential 0.5% sales tax increase**.

Findings

- As many cities within, and the County overall, are struggling with budget deficits, the COVID-19 response has exposed the need for new revenue streams to support county residents during unprecedented emergencies.
- Under-investment in preventative and safety-net services is creating an increase in costs to taxpayers and county coffers.
- Without the financial resources to fund resident health, safety-net, affordable housing and early childcare services, inexorably taxpayers are spending more to address bigger problems arising from shortfalls in the accessibility and availability of early interventions.
- Targeted investments would save the county money by reducing emergency service expenditures.
- As part of County emergency medical preparedness, it is imperative that the County Hospital, medical clinics and community-based health resources remain accessible and available for residents.
- By creating a new revenue source, the county can reduce the dependence on money from the general fund in addressing county public health and safety-net needs.

Voices from the Community

"Before being enrolled in CARES, managing my diabetes was more difficult. I often missed work when my blood sugar was too high. With CARES, I don't have to worry about the cost of the appointment or lab tests. And Brookside keeps me on track by calling me when it's time for my next appointment. Having access to medicine has helped stabilize my health."

- County Resident

"During a regular check-up, I saw a child who exhibited behavioral problems and other signs of urgent mental health challenges. I initially referred the family to a mental health service provider in the same clinic, but due to restrictions the clinic was unable to treat the child without a diagnosis. I then referred them to a non-profit service provider, but their waiting list was too long. Finally, I reached out to a mental health provider that I know personally in hopes that my young patient could be seen. However, a few months later at my patient's next check-up, the child was still awaiting diagnosis as the parent had not heard from any of the providers which I attempted to refer them to."

"Since the Family Justice Center began tracking interpersonal violence data in 2015, we have observed an uptick in domestic violence, violence against children and elders, sexual assault, and human trafficking in Contra Costa County. By removing barriers to services, victims have found it easier to seek the interventions they need to change their lived experience. As we enter week 7 of the regional shelter-in-place order, we are witnessing an alarming increase in police reports of domestic abuse, and anecdotal stories of child and elder abuse. But the fact that formal child abuse reports have declined by 50% and elder abuse by 30% since shelter-in-place began makes all of us worried. In times of county emergency and prosperity, reliable public funding is critical to protect the vulnerable in our community and break cycles of abuse."

Needs Assessment: Health and Emergency Services

County health services require a new funding source to keep facilities open and preserve the accessibility of medical care so that any patient – regardless of income or background – can receive the treatment they need to maintain their wellness. The County's ability to respond to emergencies and provide crisis funding for both emergency services and medical facilities has been accentuated during COVID-19.

Even before the current pandemic, residents faced the closure of the county's only public hospital and medical clinics which provide life-saving care within our community. Already Contra Costa Regional Medical Center has seen a hiring freeze that has impacted hiring and forced some clinics to cut hours.

In addition to the county hospital, community-based health care clinics, like La Clínica de la Raza, are integral to providing quality care to vulnerable populations in Contra Costa County. More than ever, it is critical to ensure that these clinics have the funds that they need to employ appropriate numbers of healthcare professionals to meet the cultural and geographic needs of county residents.

To ensure community health, fire districts across the county must operate efficiently and effectively. Since July 2017[2], a lack of funding in East Contra Costa has resulted in the operation of only 3 east county stations covering 259 square miles and over 120,000 residents. This lack of resources has placed additional pressure on neighboring fire districts, mainly the Contra Costa County Fire Protection District, which now respond to east county emergencies four times out of every one occasion that an east county station has capacity to respond.

Determinants of wellness extend beyond physical and mental health care and are further described in the safety-net section of this report.

The needs of public and community health facilities include:

- Backfill funding for the current hospital deficit
- Adequate medical provider staffing to deliver appropriate levels of care, maintain accessible treatment hours and reflect cultural and geographic diversity
- Reopening closed fire districts to ensure efficient emergency response

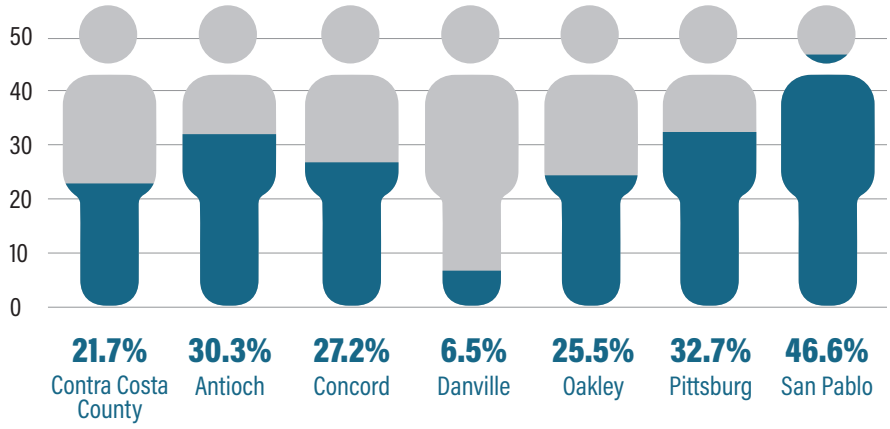
Needs Assessment: Safety Net Programs

Across Contra Costa County in 2017, **21.7%**[3] **of county residents fell below 200 percent of the poverty level**, with the worst levels (46.6%) in San Pablo. In the current pandemic, an April 2020 report from the Economic Roundtable indicated that 40% of county workers face a high risk of unemployment, with 84% deemed "not essential," 62% unable to work from home, and 40% who are not salaried employees[4].

Since 2016, Contra Costa County has lacked a combined **178 county social workers and eligibility workers** who are instrumental in assisting county residents experiencing poverty and homelessness access state and federally funded programs to help meet their needs. To comprehensively manage community needs during this medical emergency, and in times of prosperity, our food banks must have sustainable inventories, legal advocacy and community outreach require adequate staffing and funding to help residents obtain full government benefits, prevent eviction, and link residents with healthcare benefits, interpersonal violence protection, emergency housing, and job training and re-entry programs as we're able to reopen our economies.

Residents Below 200% of Federal Poverty Level



Domestic Violence Screening Calls

As income disparity grows in Contra Costa County, safety-net programs reduce economic inequities. By adding public and nonprofit **critical wraparound** services for county residents- including child and elder abuse protection, behavioral health, alcohol or substance abuse treatment programs, legal advocacy for low-income and undocumented residents, and social service and workforce development for residents re-entering society, we begin to level the playing field and navigate pathways toward holistic wellness.

County Needs for Safety Net Programs Include

- 97% of the funding for safety-net eligibility workers is provided by state and federal dollars already paid by our county taxpayers. A small, but targeted investment by the county would fill these vacancies to help our most vulnerable residents access services to meet their needs.
- Bolster county funding for safety-net providers – e.g. alcohol and substance abuse treatment, interpersonal violence prevention, and legal advocacy– struggling to operate in Contra Costa County with rising day-to-day costs.
- Increasing the availability and accessibility of county's safety-net programs will prevent vulnerable individuals from needing to rely on county fire and emergency services for lower level of care needs.

Needs Assessment: Housing

California has a serious housing crisis and Contra Costa County is experiencing more than its share of the crisis. The California Housing Partnership found that Contra Costa needs 32,000 affordable rental homes to meet demand from very-low-income and extremely-low-income residents[5]. This low-income housing scarcity, and the resulting dramatic rise in rents, is a leading cause of homelessness, with 2,295 people experiencing homelessness – more than 70% of them unsheltered – in the 2019 point-in-time count – a 43% increase since 2017.[6]

Solving our housing crisis is beyond the scope of the revenue to be generated by the proposed sales tax, but these revenues could be used as County matching funds to leverage new State funding for affordable housing production and preservation, and to alleviate homelessness.

Some of the proven programs to meet our housing needs that could be implemented or supplemented with new revenue include:

- **Greater investment in homelessness prevention** – cost-effective, one-time or short-term assistance to keep people at risk of homelessness in their homes. This strategy is used effectively by Contra Costa's homelessness Continuum of Care and should be supplemented.
- **Develop of community land trusts** or similar housing trusts for pre-development investment in land acquisition.
- **Funding for rent subsidies**, such as existing Rapid Rehousing programs, to stem the tide of displacement and help meet the housing needs of low-income residents.

In a very real sense, housing is healthcare. Unsheltered homeless people make an average of five emergency-room visits each year and providing them with housing has been shown to significantly reduce emergency-room visits and their overall healthcare costs. Numerous studies have shown that housing can be provided at less cost than the additional use of emergency-room and related healthcare and additional law-enforcement interactions that come from living on the streets.

Needs Assessment: Early Childhood

Children and Infants are one of Contra Costa County's most vulnerable populations. Research shows that **a child's brain develops most dramatically during the first five years of life**, yet far too many children in Contra Costa County lack access to high-quality early learning and care services and childhood comprehensive health needed.

Studies show that every dollar invested in early education saves seventeen dollars in reduced costs for remedial education, incarceration and social support.[7] Child care and the child care workforce are of paramount importance as a critical service for economic recovery.

Childcare

17,900 children ages 0-5 years who are eligible for subsidized child care cannot access it due to low supply. Child care shortages are caused in part by low wages of child care workers, approximately half of whom are eligible for public assistance despite working.

Mental Health

7,000-10,000 children have unserved mental health needs according to reports by Health Providers in the county.

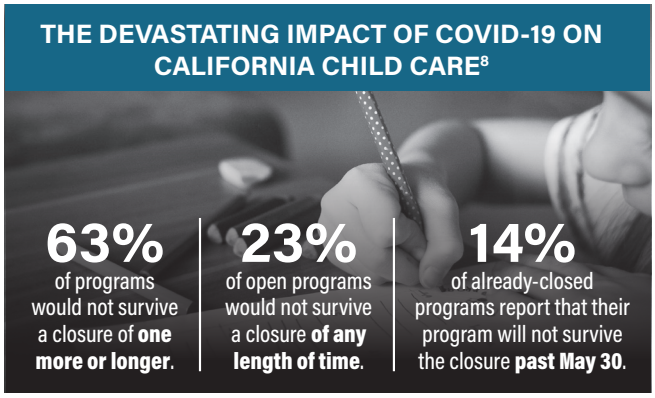
Early Learning

Only 44% of children in Contra Costa County met the definition of "fully ready" for kindergarten; 35% were partially ready; and 22% were not ready to start school. Antioch, Pittsburg and west Contra Costa have the highest concentrations of poverty and the lowest rates of children "fully ready."

With the widespread closure of child care services, during the current Shelter-in-Place order, child care services are utilizing home visiting and parent education programs to improve child outcomes and prevent child abuse during these unprecedented times.



The needs for this community include:

- **Improve ECE workforce pay to improve early learning program quality**
- **Expand parenting support and early childhood development services**
- **Expand a coordinated early ID and intervention system to improve service delivery for children up to age 5**

Needs Assessment: Proposed Solutions

Based on needs assessment discussions and county voter polling, levying a 1/2 cent sales tax in Contra Costa County can create a new revenue source that directly addresses accessibility to and availability of health resources including the County Hospital and community-based health resources, expands county emergency services, adds capacity for eligibility workers - with minimal financial investment from the county - to link our most vulnerable residents with the resources they need to stabilize and improve their lives, establishes leveraging opportunities to improve housing security, prevents interpersonal violence against residents of all ages, and ensures that the children of Contra Costa County have access to necessary health resources and enriching learning opportunities which are both accessible and affordable.

Contra Costa County

To: Board of Supervisors

From: Sharon L. Anderson, County Counsel

Date: May 26, 2020

Subject: Urgency ordinance continuing a temporary prohibition on evictions and continuing a residential rent increase moratorium.

RECOMMENDATION(S):

CONSIDER adopting Ordinance No. 2020-16, an urgency ordinance continuing and modifying a temporary prohibition on evictions of tenants in Contra Costa County impacted by the COVID-19 pandemic, and continuing and modifying a residential rent increase moratorium.

FISCAL IMPACT:

None.

BACKGROUND:

On April 21, 2020, the Board of Supervisors adopted Ordinance No. 2020-14, an urgency ordinance temporarily prohibiting evictions of residential and commercial tenants in the County who are impacted by the COVID-19 pandemic and establishing a moratorium on certain residential rent increases. The Board also directed the County Counsel's Office to return to the Board on May 26, 2020, with an update.

BACKGROUND: (CONT'D)

Attached to this Board order is a draft urgency ordinance, Ordinance No. 2020-16, that continues and modifies a temporary prohibition on evictions of certain tenants in Contra Costa County impacted by the COVID-19 pandemic, and continues and modifies a residential rent increase moratorium. The attached ordinance would supersede Ordinance No. 2020-14. The attached ordinance would apply to eviction notices and unlawful detainer actions served or filed on or after May 26, 2020, and Ordinance No. 2020-14 would apply to eviction notices and unlawful detainer actions served or filed beween March 16, 2020, and May 25, 2020.

This Board order summarizes the new provisions of the urgency ordinance. It also indicates areas where direction is needed before the Board considers adopting the ordinance, including dates when various ordinance provisions expire. As noted below, the attached ordinance does not specify when the County's temporary prohibition on residential, commercial, no fault, third party occupant, or COVID-19 related evictions, or similar matters would end. As part of its action today, the Board should specify when the ordinance expires, to replace the current expiration date of May 31, 2020.

A version of the ordinance highlighting the changes from Ordinance No. 2020-14 is attached. The Board may make changes to the attached draft ordinance at the Board meeting and can adopt the ordinance immediately thereafter.

Definition of commercial real property (Section 2(a)). The attached ordinance narrows the definition of "commercial real property." The ordinance would define it as any developed real property that is used as a place of business for a small business or a non-profit organization. A "small business" would be defined as an independently owned and operated business that is not dominant in its field of operation, has its principal office in California, has 100 or fewer employees, and has average annual gross receipts of $15 million or less over the previous three years. A "small business" also is a manufacturer with 100 or fewer employees. (See Government Code section 14837(d)(1)(A).) If the Board adopts the ordinance with this definition, the prohibitions on commercial evictions would apply only to commercial properties that are small businesses or non-profit organizations.

Prohibitions on residential and commercial evictions (Section 3(a)). An owner of residential property or commercial property is prohibited from terminating a tenancy for failure to pay rent if the tenant demonstrates that the failure to pay rent is directly related to a loss of income or out-of-pocket medical expenses associated with the COVID-19 pandemic. The tenant must provide documentation showing loss of income or out-of-pocket medical expenses.

Under Ordinance No. 2020-14, these temporary prohibitions last through May 31, 2020. The attached ordinance needs to specify when the temporary prohibition on COVID-19-related evictions ends.

No-fault evictions (Section 3(b)). An owner of residential property or commercial property is prohibited from terminating a residential tenancy for any "no-fault" reason.

Under Ordinance No. 2020-14, these temporary prohibitions last through May 31, 2020. The attached ordinance needs to specify when the temporary prohibition on no-fault evictions ends.

Immediate family members (Section 3(c)). An owner of residential real property is prohibited from terminating a tenancy on the basis that a tenant allowed an unauthorized occupant to live in the dwelling unit, if the occupant is the tenant's immediate family member living in the dwelling unit as a

result of the COVID-19 pandemic. The ordinance defines "immediate family" as a person's spouse, domestic partner, children, grandchildren, parents, or grandparents.

Under Ordinance No. 2020-14, these temporary prohibitions last through May 31, 2020. The attached ordinance needs to specify when the temporary prohibition on unauthorized occupant evictions ends.

Exceptions (Section 3(d)). The ordinance does not limit an owner's ability to terminate a tenancy for three reasons: (1) the termination is necessary to protect the owner's health and safety or any other tenant's health and safety; (2) the termination is necessary where the owner or a member of the owner's immediate family intends to occupy the residential real property; and (3) the termination is to remove the residential unit from the rental market when permitted by the Ellis Act. The Ellis Act, Government Code section 7060 et seq., preempts local governments from prohibiting landlords from removing residential units from the rental market. The Act places strict requirements on how and when these removals can occur.

Late fees (Section 5). An owner may not charge or collect a late fee for unpaid rent due from a tenant who demonstrated substantial loss of income or substantial out-of-pocket medical expenses. The attached ordinance needs to specify the length of time that an owner is prohibited from charging a late fee.

Under Ordinance No. 2020-14, an owner is prohibited from charging late fees on rent that was due during the time period between March 16, 2020, and May 31, 2020, until 120 days after that ordinance expires (i.e., September 28, 2020).

Grace period (Section 6(a)). Neither Ordinance No. 2020-14 nor this ordinance completely excuse the payment of rent. Their purpose is to give tenants a grace period to pay rent after the date it would otherwise be due, provided that the tenant follows the procedures specified in the ordinance. Under Ordinance No. 2020-14, rent that would have been paid between March 16, 2020, and May 31, 2020, must be paid by September 28, 2020. As part of an action to adopt the attached ordinance, the Board should consider the duration of any proposed grace period for the payment of rent that would otherwise be due on or after May 26, 2020.

Repayment by large businesses (Section 6(b)). The attached ordinance requires a commercial tenant that does not qualify as a small business or a non-profit organization to pay past due rent if the tenant did not pay rent in April 2020 or May 2020 under Ordinance No. 2020-14. The deadline for these businesses to pay past due rent is a decision point for the Board.

Moratorium on residential rent increases (Section 7). An owner may not increase rent on a residential real property. The attached ordinance does not specify when the moratorium ends. Under Ordinance No. 2020-14, the moratorium on rent increases lasted through September 28, 2020.

A residential property that is exempt from the rent limits imposed by the Tenant Protection Act of 2019 (Civil Code section 1947.12) is exempt from this residential rent moratorium. The rent limits under the Tenant Protection Act do not apply to residences built within the last 15 years; single family homes, townhouses, and condominiums, unless owned by an investment trust, corporation, or LLC; owner-occupied duplexes; hotels; residential care facilities for adults or the elderly; school dormitories; and group housing.

Under the Costa-Hawkins Rental Housing Act (Civil Code section 1954.50 et seq.), local governments may not regulate rents on rental units built after 1995, single-family homes, individually owned

condominiums and townhouses. Residential properties that are exempt from rent control under Costa-Hawkins are also exempt from the residential rent moratorium imposed by this ordinance.

The residential rent moratorium also does not apply to a residential property where one or more scheduled rent increases occur pursuant to a written rental agreement that was entered into before March 16, 2020.

The residential rent moratorium also does not apply when a unit becomes vacant and the owner sets the initial rent for a new tenancy, in accordance with Civil Code section 1954.53.

The ordinance would eliminate the moratorium on commercial rent increases. Local governments are preempted from controlling rents on commercial real property. (Civil Code section 1954.25 et seq.)

Ordinance term (Section 13). The attached ordinance needs to specify when it expires.

Applicability (Section 14). The regulations in the attached ordinance apply to cities within Contra Costa County and unincorporated Contra Costa County. Government Code section 8634 authorizes the Board of Supervisors to "promulgate countywide orders and regulations necessary to provide for the protection of life and property" during a local emergency. The California Attorney General has opined that when a county has declared a local emergency within its jurisdictional boundaries in an area that includes both unincorporated and incorporated territory, the county may adopt emergency rules and regulations pursuant to Government Code section 8634 that will be effective in both unincorporated and incorporated areas. (62 Ops.Cal.Atty.Gen. 701 (1979).) Under the attached ordinance, if the governing body of a city enacts an ordinance or adopts a regulation that governs the subject matter of this ordinance, that city ordinance or regulation will supersede the attached ordinance within that jurisdiction.

Eviction protections are the subject of pending legislation. One bill, proposed by Senator Toni Atkins, would grant qualifying renters 10 years to repay missed rental payments directly to the state. The state, in turn, would compensate landlords for the missed rent with tax credits.

ORDINANCE NO. 2020-16

AN URGENCY ORDINANCE CONTINUING AND MODIFYING A TEMPORARY PROHIBITION ON EVICTIONS OF RESIDENTIAL AND CERTAIN COMMERCIAL REAL PROPERTY TENANTS IN CONTRA COSTA COUNTY IMPACTED BY THE COVID-19 PANDEMIC, AND CONTINUING AND MODIFYING A MORATORIUM ON CERTAIN RESIDENTIAL RENT INCREASES

The Contra Costa County Board of Supervisors ordains as follows:

Section 1. Findings.

A. On January 30, 2020, the World Health Organization declared the outbreak of a novel coronavirus that causes the disease named coronavirus disease 2019 ("COVID-19"), a public health emergency of international concern.

B. On January 31, 2020, as the result of confirmed cases of COVID-19, the U.S. Secretary of Health and Human Services declared a public health emergency nationwide.

C. On March 3, 2020, Contra Costa Health Services announced the first case of local transmission of the virus causing COVID-19 in Contra Costa County.

D. On March 4, 2020, Governor Gavin Newsom proclaimed the existence of a state of emergency in California under the California Emergency Services Act, Gov. Code § 8550 et seq., and reported that as of that date, there were more than 94,000 cases of COVID-19 worldwide, resulting in more than 3,000 deaths, with 129 confirmed cases of COVID-19 in the United States, including 53 in California.

E. On March 10, 2020, the Board of Supervisors found that due to the introduction of COVID-19 in the County, conditions of disaster or extreme peril to the safety of persons and property had arisen, commencing on March 3, 2020. Based on these conditions, pursuant to Government Code section 8630, the Board adopted Resolution No. 2020/92, proclaiming the existence of a local emergency throughout the County.

F. The legislative bodies of a number of cities in Contra Costa County have also adopted local emergency proclamations due to COVID-19 pursuant to Government Code section 8630.

G. On March 16, 2020, the County Health Officer issued an order requiring County residents to shelter at their places of residence in order to slow community transmission of COVID-19, subject to exceptions for the provision and receipt of essential services while complying with social distancing requirements to the maximum extent possible. The County Health Officer extended the order on March 31, 2020, and on April 29, 2020.

H. On March 16, 2020, Governor Gavin Newsom issued Executive Order N-28-20, which authorizes local jurisdictions to suspend the evictions of residential and commercial tenants for the non-payment of rent if the non-payment is a result of the COVID-19 pandemic. The protections in Executive Order N-28-20 extend through May 31, 2020.

I. On March 27, 2020, Governor Gavin Newsom issued Executive Order N-37-20, which prohibits landlords throughout California from evicting residential tenants for nonpayment of rent when the inability to pay is due to COVID-19, and the tenant has provided notice to the landlord and has documentation showing the nonpayment is because of the COVID-19 pandemic. The protections in Executive Order N-37-20 extend through May 31, 2020.

J. On April 6, 2020, the Judicial Council of California adopted temporary emergency rules, effectively suspending action on or entry of default in eviction cases, and suspending judicial foreclosures, except where necessary to protect public health and safety, through 90 days after the Governor declares that the state of emergency related to the COVID-19 pandemic is lifted, or until amended or repealed by the Judicial Council.

K. On May 18, 2020, the County Health Officer extended the shelter-in-place order. The order continues to restrict many activity, travel, and business functions, but in light of progress achieved in slowing the spread of COVID-19 in Contra Costa County, the order allows a limited number of additional businesses to resume operating.

L. The COVID-19 pandemic and associated public health orders have resulted in the closure of many local small businesses, and have imposed extreme restrictions on other local small businesses.

M. The COVID-19 pandemic and associated public health orders are expected to result in a loss of income to a widespread portion of the local population that depend on wages or business income to pay rent and result in medical expenses for certain Contra Costa County residents.

N. Contra Costa County and the cities within the County are also experiencing a housing affordability crisis, which is driving homelessness and displacement of residents.

O. Many County residents are experiencing or will experience losses of income as a result of the local emergency and shelter-in-place orders, hindering their ability to pay rent and leaving them vulnerable to eviction.

P. Many of the County's renters are rent-burdened, paying over 30 percent of their income on rent, and some renters are severely rent-burdened, paying over 50 percent of their income on rent, which leaves less money for families to spend on other necessities like food, healthcare, transportation, and education.

Q. Without local protection, eviction notices, including notices for failure to pay rent, are likely to surge as residents and businesses are unable to earn income due to the COVID-19 pandemic, or are forced to pay medical expenses associated with the COVID-19 pandemic.

R. Housing displacement due to rent increases and evictions occurring during the local emergency would hinder individuals from complying with state and local directives to shelter in place, and would lead to increased spread of COVID-19, overburdening the healthcare delivery system and potentially resulting in greater loss of life.

S. On April 21, 2020, the Board of Supervisors adopted Ordinance No. 2020-14, an urgency ordinance temporarily prohibiting evictions of residential and commercial real property tenants in the County impacted by the COVID-19 pandemic and establishing a moratorium on certain rent increases.

T. There is an urgent need for the County to continue a temporary prohibition on certain evictions and continue a temporary moratorium on certain residential rent increases to protect the health, safety, and welfare of its residents in light of the emergency declared regarding the COVID-19 pandemic, including the need to keep residents in their homes during the time that they need to shelter-in-place.

Section 2. Definitions. For purposes of this ordinance, the following words and phrases have the following meanings:

(a) "Commercial real property" means any developed real property that is used as a place of business for a small business or a non-profit organization.

(b) "Immediate family" means a person's spouse, domestic partner, children, grandchildren, parents, or grandparents.

(c) "No fault cause for eviction" means any eviction for which the notice of termination of tenancy is not based on an alleged fault of the tenant.

(d) "Non-profit organization" means an organization that is exempt from taxation under Section 501(c)(3) or Section 501(c)(4) of the United States Internal Revenue Code.

(e) "Owner" means any natural person, partnership, corporate or fictitious entity, acting as a lessor or sublessor, whether as a principal or through an agent, who receives or is entitled to receive rent in exchange for the use or occupancy of any residential or commercial real property for rent.

(f) "Rent" means the financial obligation or monetary payment a tenant owes an owner for the occupancy or use of commercial or residential real property whether by written or oral agreement.

(g) "Residential real property" means any dwelling unit that is intended or used for human habitation.

(h) "Small business" has the meaning set forth in Government Code section 14837(d)(1)(A).

(i) "Tenancy" means the lawful occupancy of residential or commercial real property by agreement on a month-to-month basis or for a fixed term in excess of 30 days.

(j) "Tenant" means the lawful occupant of residential or commercial real property whether by lease, sublease, or other agreement.

Section 3. Prohibitions on Residential and Commercial Evictions.

(a) Through _____, 2020, an owner of residential real property or commercial real property shall not terminate a tenancy for failure to pay rent if the tenant demonstrates that the failure to pay rent is directly related to a loss of income or out-of-pocket medical expenses associated with the COVID-19 pandemic or any local, state, or federal government response to the pandemic.

For the protections of this subsection (a) to apply, a tenant must demonstrate through documentation or other objectively verifiable means:

(1) Loss of income from: (i) job loss; (ii) layoffs; (iii) a reduction in the number of compensable hours of work; (iv) a store, restaurant, office, or business closure; (v) a decrease in business income caused by a reduction in opening hours or consumer demand; (vi) the need to miss work to care for a homebound school-age child or a family member infected with coronavirus; or (vii) other similarly-caused loss of income, where the conditions listed in (i) through (vii) resulted from the COVID-19 pandemic or related guidance or public health orders from local, State, or federal authorities; or

(2) Out-of-pocket medical expenses for themselves or their immediate family related to the COVID-19 pandemic.

"Adequate documentation" of lost income or out-of-pocket medical expenses from the COVID-19 pandemic includes but is not limited to a declaration signed by the tenant under penalty of perjury, letters from employers citing the COVID-19 pandemic or related government action as the basis for termination of employment or reduced work, employer paycheck stubs, bank statements, or letters or notifications from schools in which the tenant has a dependent enrolled regarding COVID-19-related closures that affected the tenant's income.

The tenant must notify the owner in writing before the rent is due, or within a reasonable period of time afterwards not to exceed 14 days, that the tenant needs to delay all or some payment of rent because of an inability to pay the full amount due to reasons related to COVID-19.

(b) Through _____, 2020, an owner of residential real property or commercial real property shall not terminate a tenancy for any no fault cause for eviction.

(c) Through _____, 2020, an owner of residential real property shall not terminate a tenancy on the basis of a tenant allowing an unauthorized occupant to live in the dwelling unit, if the occupant is a member of the tenant's immediate family living in the dwelling unit as a result of the COVID-19 pandemic.

(d) Notwithstanding the foregoing, nothing in this section limits an owner's ability to terminate a tenancy for any of the following reasons:

(1) The termination is necessary to protect the owner's health or safety or any other tenant's health or safety.

(2) The termination is necessary where the owner or a member of the owner's immediate family intends to occupy the residential real property.

(3) The termination is to remove the residential real property from the rental market, but only when authorized by Government Code section 7060 et seq.

Section 4. Notices of Termination of Tenancy.

(a) An owner's failure to comply with this ordinance shall render any notice of termination of tenancy, where the termination would be in violation of this ordinance, void. Any notice of termination served on a tenant during the COVID-19 pandemic must contain the reason for the termination of the tenancy. Any notice of termination served on a tenant during the COVID-19 pandemic must also include a notice of the tenant's rights under this ordinance and a notice of emergency rental assistance programs. The owner shall provide these notices to the tenant on a form approved by the Contra Costa County Employment and Human Services Department.

(b) A tenant eligible for protection under this ordinance must provide written notice of that eligibility to the owner within 14 days after receiving a notice of termination of tenancy from the owner.

Section 5. Late Fees. Through _____, 2020, an owner may not charge or collect a late fee for unpaid rent due from a tenant who demonstrated loss of income or out-of-pocket medical expenses as required under this ordinance.

Section 6. Grace Period.

(a) Except as otherwise provided in subsection (b) of this section, a tenant who demonstrated loss of income or out-of-pocket medical expenses as required under this ordinance shall pay all past due rent no later than _____, 2020, unless the owner agrees to a longer repayment period.

(b) If a tenant at a place of business did not pay rent in April 2020 or May 2020 pursuant to Ordinance No. 2020-14, and the place of business is not a small business or non-profit organization, then the tenant shall pay all past due rent for those months no later than _____, 2020, unless the owner agrees to a longer repayment period.

(c) This ordinance does not relieve a tenant of the obligation to pay rent and does not restrict an owner's ability to recover rent due, and shall not prevent a tenant who is able to pay all or some of the rent due from paying that rent in a timely manner.

Section 7. Moratorium on Residential Rent Increases.

(a) An owner may not increase rent on a residential real property through _____, 2020.

(b) A residential real property that is exempt from the rent limits imposed by Civil Code section 1947.12 or Civil Code section 1954.50 et seq. is exempt from this section.

(c) This section does not apply to a residential real property where one or more scheduled rent increases occur pursuant to a written rental agreement that was entered into before March 16, 2020.

(d) This section does not apply when a unit becomes vacant and the owner sets the initial rent for a new tenancy.

Section 8. Remedies.

(a) The provisions of this ordinance may be asserted as an affirmative defense in an unlawful detainer action.

(b) If an owner attempts to recover possession or recovers possession of residential real property or commercial real property in violation of this ordinance, retaliates against a tenant for the exercise of any rights under this ordinance, or attempts to prevent a tenant from acquiring any rights under this ordinance, the tenant may institute a civil proceeding for injunctive relief, money damages of not more than three times actual damages (including damages for mental or emotional distress), and whatever other relief a court deems appropriate. If damages are awarded for mental or emotional distress, the award shall only be trebled if the trier of fact finds that the owner acted in knowing violation of or in reckless disregard of the provisions of this ordinance. The prevailing party shall be entitled to reasonable attorney's fees and costs pursuant to order of the court.

Section 9. Supersedes. This ordinance supersedes Ordinance No. 2020-14. This ordinance applies to eviction notices, and unlawful detainer actions based on those notices, served or filed on or after May 26, 2020, except to the extent a tenant has surrendered possession of its premises, or an unlawful detainer lawsuit was finally adjudicated before March 16, 2020. Ordinance No. 2020-14 applied to eviction notices, and unlawful detainer actions based on those notices, served or filed between March 16, 2020, and May 25, 2020.

Section 10. Applicability. Government Code section 8634 authorizes the Board of Supervisors to promulgate countywide orders and regulations necessary to provide for the protection of life and property during a local emergency. Pursuant to Government Code section 8634, the regulations in this ordinance shall apply to cities within Contra Costa County and unincorporated Contra Costa County. To the extent that the governing body of a city enacts an ordinance or adopts a regulation that governs the subject matter of this ordinance, that city ordinance or regulation shall supersede this ordinance within that jurisdiction.

Section 11. Severability. If any provision or clause of this ordinance or the application thereof to any person or circumstances is held to be unconstitutional or to be otherwise invalid by any court of competent jurisdiction, such invalidity shall not affect other ordinance provisions or clauses or applications thereof that can be implemented without the invalid provision or clause or application, and to this end the provisions and clauses are declared to be severable. The Board of

Supervisors hereby declares that it would have adopted this ordinance and each provision thereof irrespective of whether any one or more provisions are found invalid, unconstitutional, or otherwise unenforceable.

Section 12. Declaration of Urgency. This ordinance is hereby declared to be an urgency ordinance necessary for the immediate preservation of the public peace, health, and safety of the County. The facts constituting the urgency of this ordinance's adoption are set forth in Section 1.

Section 13. Effective Date. This ordinance becomes effective immediately upon passage by four-fifths vote of the Board of Supervisors. This ordinance shall expire and be repealed as of _____, 2020, unless shortened or extended by the Board of Supervisors based on the existence of a local emergency.

Section 14. Publication. Within 15 days after passage, this ordinance shall be published once with the names of the supervisors voting for and against it in the East Bay Times, a newspaper published in this County.

ORDINANCE NO. 2020-16

AN URGENCY ORDINANCE CONTINUING AND MODIFYING A TEMPORARY PROHIBITION ON EVICTIONS OF RESIDENTIAL AND CERTAIN COMMERCIAL REAL PROPERTY TENANTS IN CONTRA COSTA COUNTY IMPACTED BY THE COVID-19 PANDEMIC, AND CONTINUING AND MODIFYING A MORATORIUM ON CERTAIN RESIDENTIAL RENT INCREASES

The Contra Costa County Board of Supervisors ordains as follows:

Section 1. Findings.

A. On January 30, 2020, the World Health Organization declared the outbreak of a novel coronavirus that causes the disease named coronavirus disease 2019 ("COVID-19"), a public health emergency of international concern.

B. On January 31, 2020, as the result of confirmed cases of COVID-19, the U.S. Secretary of Health and Human Services declared a public health emergency nationwide.

C. On March 3, 2020, Contra Costa Health Services announced the first case of local transmission of the virus causing COVID-19 in Contra Costa County.

D. On March 4, 2020, Governor Gavin Newsom proclaimed the existence of a state of emergency in California under the California Emergency Services Act, Gov. Code § 8550 et seq., and reported that as of that date, there were more than 94,000 cases of COVID-19 worldwide, resulting in more than 3,000 deaths, with 129 confirmed cases of COVID-19 in the United States, including 53 in California.

E. On March 10, 2020, the Board of Supervisors found that due to the introduction of COVID-19 in the County, conditions of disaster or extreme peril to the safety of persons and property had arisen, commencing on March 3, 2020. Based on these conditions, pursuant to Government Code section 8630, the Board adopted Resolution No. 2020/92, proclaiming the existence of a local emergency throughout the County.

F. The legislative bodies of a number of cities in Contra Costa County have also adopted local emergency proclamations due to COVID-19 pursuant to Government Code section 8630.

G. On March 16, 2020, the County Health Officer issued an order requiring County residents to shelter at their places of residence in order to slow community transmission of COVID-19, subject to exceptions for the provision and receipt of essential services while complying with social distancing requirements to the maximum extent possible. The County Health Officer extended the order on March 31, 2020, and on April 29, 2020.

H. On March 16, 2020, Governor Gavin Newsom issued Executive Order N-28-20, which authorizes local jurisdictions to suspend the evictions of residential and commercial tenants for the non-payment of rent if the non-payment is a result of the COVID-19 pandemic. The protections in Executive Order N-28-20 extend through May 31, 2020.

I. On March 27, 2020, Governor Gavin Newsom issued Executive Order N-37-20, which prohibits landlords throughout California from evicting residential tenants for nonpayment of rent when the inability to pay is due to COVID-19, and the tenant has provided notice to the landlord and has documentation showing the nonpayment is because of the COVID-19 pandemic. The protections in Executive Order N-37-20 extend through May 31, 2020.

J. On April 6, 2020, the Judicial Council of California adopted temporary emergency rules, effectively suspending action on or entry of default in eviction cases, and suspending judicial foreclosures, except where necessary to protect public health and safety, through 90 days after the Governor declares that the state of emergency related to the COVID-19 pandemic is lifted, or until amended or repealed by the Judicial Council.

K. On May 18, 2020, the County Health Officer extended the shelter-in-place order. The order continues to restrict many activity, travel, and business functions, but in light of progress achieved in slowing the spread of COVID-19 in Contra Costa County, the order allows a limited number of additional businesses to resume operating.

L. The COVID-19 pandemic and associated public health orders have resulted in the closure of many local small businesses, and have imposed extreme restrictions on other local small businesses.

M. The COVID-19 pandemic and associated public health orders are expected to result in a loss of income to a widespread portion of the local population that depend on wages or business income to pay rent and result in medical expenses for certain Contra Costa County residents.

N. Contra Costa County and the cities within the County are also experiencing a housing affordability crisis, which is driving homelessness and displacement of residents.

O. Many County residents are experiencing or will experience losses of income as a result of the local emergency and shelter-in-place orders, hindering their ability to pay rent and leaving them vulnerable to eviction.

P. Many of the County's renters are rent-burdened, paying over 30 percent of their income on rent, and some renters are severely rent-burdened, paying over 50 percent of their income on rent, which leaves less money for families to spend on other necessities like food, healthcare, transportation, and education.

Q. Without local protection, eviction notices, including notices for failure to pay rent, are likely to surge as residents and businesses are unable to earn income due to the COVID-19 pandemic, or are forced to pay medical expenses associated with the COVID-19 pandemic.

R. Housing displacement due to rent increases and evictions occurring during the local emergency would hinder individuals from complying with state and local directives to shelter in place, and would lead to increased spread of COVID-19, overburdening the healthcare delivery system and potentially resulting in greater loss of life.

S. On April 21, 2020, the Board of Supervisors adopted Ordinance No. 2020-14, an urgency ordinance temporarily prohibiting evictions of residential and commercial real property tenants in the County impacted by the COVID-19 pandemic and establishing a moratorium on certain rent increases.

T. There is an urgent need for the County to continue a temporary prohibition on certain evictions and continue a temporary moratorium on certain residential rent increases to protect the health, safety, and welfare of its residents in light of the emergency declared regarding the COVID-19 pandemic, including the need to keep residents in their homes during the time that they need to shelter-in-place.

Section 2. Definitions. For purposes of this ordinance, the following words and phrases have the following meanings:

(a) "Commercial real property" means any developed real property that is used as a place of business for a small business or a non-profit organization.

(b) "Immediate family" means a person's spouse, domestic partner, children, grandchildren, parents, or grandparents.

(c) "No fault cause for eviction" means any eviction for which the notice of termination of tenancy is not based on an alleged fault of the tenant.

(d) "Non-profit organization" means an organization that is exempt from taxation under Section 501(c)(3) or Section 501(c)(4) of the United States Internal Revenue Code.

(e) "Owner" means any natural person, partnership, corporate or fictitious entity, acting as a lessor or sublessor, whether as a principal or through an agent, who receives or is entitled to receive rent in exchange for the use or occupancy of any residential or commercial real property for rent.

(f) "Rent" means the financial obligation or monetary payment a tenant owes an owner for the occupancy or use of commercial or residential real property whether by written or oral agreement.

(g) "Residential real property" means any dwelling unit that is intended or used for human habitation.

(h) "Small business" has the meaning set forth in Government Code section 14837(d)(1)(A).

(i) "Tenancy" means the lawful occupancy of residential or commercial real property by agreement on a month-to-month basis or for a fixed term in excess of 30 days.

(j) "Tenant" means the lawful occupant of residential or commercial real property whether by lease, sublease, or other agreement.

Section 3. Prohibitions on Residential and Commercial Evictions.

(a) Through _____, 2020, an owner of residential real property or commercial real property shall not terminate a tenancy for failure to pay rent if the tenant demonstrates that the failure to pay rent is directly related to a loss of income or out-of-pocket medical expenses associated with the COVID-19 pandemic or any local, state, or federal government response to the pandemic.

For the protections of this subsection (a) to apply, a tenant must demonstrate through documentation or other objectively verifiable means:

(1) Loss of income from: (i) job loss; (ii) layoffs; (iii) a reduction in the number of compensable hours of work; (iv) a store, restaurant, office, or business closure; (v) a decrease in business income caused by a reduction in opening hours or consumer demand; (vi) the need to miss work to care for a homebound school-age child or a family member infected with coronavirus; or (vii) other similarly-caused loss of income, where the conditions listed in (i) through (vii) resulted from the COVID-19 pandemic or related guidance or public health orders from local, State, or federal authorities; or

(2) Out-of-pocket medical expenses for themselves or their immediate family related to the COVID-19 pandemic.

"Adequate documentation" of lost income or out-of-pocket medical expenses from the COVID-19 pandemic includes but is not limited to a declaration signed by the tenant under penalty of perjury, letters from employers citing the COVID-19 pandemic or related government action as the basis for termination of employment or reduced work, employer paycheck stubs, bank statements, or letters or notifications from schools in which the tenant has a dependent enrolled regarding COVID-19-related closures that affected the tenant's income.

The tenant must notify the owner in writing before the rent is due, or within a reasonable period of time afterwards not to exceed 14 days, that the tenant needs to delay all or some payment of rent because of an inability to pay the full amount due to reasons related to COVID-19.

(b) Through _____, 2020, an owner of residential real property or commercial real property shall not terminate a tenancy for any no fault cause for eviction.

(c) Through _____, 2020, an owner of residential real property shall not terminate a tenancy on the basis of a tenant allowing an unauthorized occupant to live in the dwelling unit, if the occupant is a member of the tenant's immediate family living in the dwelling unit as a result of the COVID-19 pandemic.

(d) Notwithstanding the foregoing, nothing in this section limits an owner's ability to terminate a tenancy for any of the following reasons:

(1) The termination is necessary to protect the owner's health or safety or any other tenant's health or safety.

(2) The termination is necessary where the owner or a member of the owner's immediate family intends to occupy the residential real property.

(3) The termination is to remove the residential real property from the rental market, but only when authorized by Government Code section 7060 et seq.

Section 4. Notices of Termination of Tenancy.

(a) An owner's failure to comply with this ordinance shall render any notice of termination of tenancy, where the termination would be in violation of this ordinance, void. Any notice of termination served on a tenant during the COVID-19 pandemic must contain the reason for the termination of the tenancy. Any notice of termination served on a tenant during the COVID-19 pandemic must also include a notice of the tenant's rights under this ordinance and a notice of emergency rental assistance programs. The owner shall provide these notices to the tenant on a form approved by the Contra Costa County Employment and Human Services Department.

(b) A tenant eligible for protection under this ordinance must provide written notice of that eligibility to the owner within 14 days after receiving a notice of termination of tenancy from the owner.

Section 5. Late Fees. Through _____, 2020, an owner may not charge or collect a late fee for unpaid rent due from a tenant who demonstrated loss of income or out-of-pocket medical expenses as required under this ordinance.

Section 6. Grace Period.

(a) Except as otherwise provided in subsection (b) of this section, a tenant who demonstrated loss of income or out-of-pocket medical expenses as required under this ordinance shall pay all past due rent no later than _____, 2020, unless the owner agrees to a longer repayment period.

(b) If a tenant at a place of business did not pay rent in April 2020 or May 2020 pursuant to Ordinance No. 2020-14, and the place of business is not a small business or non-profit organization, then the tenant shall pay all past due rent for those months no later than _____, 2020, unless the owner agrees to a longer repayment period.

(c) This ordinance does not relieve a tenant of the obligation to pay rent and does not restrict an owner's ability to recover rent due, and shall not prevent a tenant who is able to pay all or some of the rent due from paying that rent in a timely manner.

Section 7. Moratorium on Residential Rent Increases.

(a) An owner may not increase rent on a residential real property through _____, 2020.

(b) A residential real property that is exempt from the rent limits imposed by Civil Code section 1947.12 or Civil Code section 1954.50 et seq. is exempt from this section.

(c) This section does not apply to a residential real property where one or more scheduled rent increases occur pursuant to a written rental agreement that was entered into before March 16, 2020.

(d) This section does not apply when a unit becomes vacant and the owner sets the initial rent for a new tenancy.

Section 8. Remedies.

(a) The provisions of this ordinance may be asserted as an affirmative defense in an unlawful detainer action.

(b) If an owner attempts to recover possession or recovers possession of residential real property or commercial real property in violation of this ordinance, retaliates against a tenant for the exercise of any rights under this ordinance, or attempts to prevent a tenant from acquiring any rights under this ordinance, the tenant may institute a civil proceeding for injunctive relief, money damages of not more than three times actual damages (including damages for mental or emotional distress), and whatever other relief a court deems appropriate. If damages are awarded for mental or emotional distress, the award shall only be trebled if the trier of fact finds that the owner acted in knowing violation of or in reckless disregard of the provisions of this ordinance. The prevailing party shall be entitled to reasonable attorney's fees and costs pursuant to order of the court.

Section 9. Supersedes. This ordinance supersedes Ordinance No. 2020-14. This ordinance applies to eviction notices, and unlawful detainer actions based on those notices, served or filed on or after May 26, 2020, except to the extent a tenant has surrendered possession of its premises, or an unlawful detainer lawsuit was finally adjudicated before March 16, 2020. Ordinance No. 2020-14 applied to eviction notices, and unlawful detainer actions based on those notices, served or filed between March 16, 2020, and May 25, 2020.

Section 10. Applicability. Government Code section 8634 authorizes the Board of Supervisors to promulgate countywide orders and regulations necessary to provide for the protection of life and property during a local emergency. Pursuant to Government Code section 8634, the regulations in this ordinance shall apply to cities within Contra Costa County and unincorporated Contra Costa County. To the extent that the governing body of a city enacts an ordinance or adopts a regulation that governs the subject matter of this ordinance, that city ordinance or regulation shall supersede this ordinance within that jurisdiction.

Section 11. Severability. If any provision or clause of this ordinance or the application thereof to any person or circumstances is held to be unconstitutional or to be otherwise invalid by any court of competent jurisdiction, such invalidity shall not affect other ordinance provisions or clauses or applications thereof that can be implemented without the invalid provision or clause or application, and to this end the provisions and clauses are declared to be severable. The Board of

Supervisors hereby declares that it would have adopted this ordinance and each provision thereof irrespective of whether any one or more provisions are found invalid, unconstitutional, or otherwise unenforceable.

Section 12. Declaration of Urgency. This ordinance is hereby declared to be an urgency ordinance necessary for the immediate preservation of the public peace, health, and safety of the County. The facts constituting the urgency of this ordinance's adoption are set forth in Section 1.

Section 13. Effective Date. This ordinance becomes effective immediately upon passage by four-fifths vote of the Board of Supervisors. This ordinance shall expire and be repealed as of _____, 2020, unless shortened or extended by the Board of Supervisors based on the existence of a local emergency.

Section 14. Publication. Within 15 days after passage, this ordinance shall be published once with the names of the supervisors voting for and against it in the East Bay Times, a newspaper published in this County.

Agreement

STATE MATCH PROGRAM
CALIFORNIA DEPARTMENT OF TRANSPORTATION - COUNTY

04 CONTRA COSTA
District County

Agreement No. X20-5928(159)
AMS Adv ID:0420000218

THIS AGREEMENT is made on _____, by the COUNTY of CONTRA COSTA , a political subdivision of the State of California (COUNTY), and the State of California, acting by and through the Department of Transportation (STATE).

WHEREAS Section 182.9 of the Streets and Highways Code requires the allocation of State Matching funds from the State Highway Account to COUNTY:

NOW, THEREFORE, the parties agree as follows:

I. STATE MATCH PROGRAM - Section 182.9

A. As authorized by Section 182.9 of the Streets and Highways Code, STATE agrees to pay to COUNTY $100,000.00 from the unobligated balance of COUNTY's State Matching funds for Fiscal Year 2019/2020.

B. COUNTY agrees that before COUNTY uses State Matching funds for any other lawful purpose, COUNTY shall use such funds to match federally funded transportation projects.

II. COMMON PROVISIONS

A. Subject to the availability of State funds by the State Budget Act, and upon receipt of COUNTY invoice by STATE, STATE agrees to pay to COUNTY an amount not to exceed $100,000.00 that equals the State Match funds identified in Section I.A.

B. COUNTY agrees to use all State funds paid hereunder only for transportation purposes that are in conformance with Article XIX of the California State Constitution.

C. COUNTY agrees to establish a special account within their County Road Fund for the purpose of depositing all payments received from STATE pursuant to this agreement.

For Caltrans Use Only

I hereby Certify upon my own personal knowledge that budgeted funds are available for this encumbrance		
Accounting Officer	Date 3/5/20	$100,000.00

D. COST PRINCIPLES

1. The COUNTY agrees to comply with, and require all project sponsors to comply with, Office of Management and Budget Supercircular 2 CFR Part 200, Cost Principles for STATE and LOCAL government, Uniform Administrative Requirements for Grants and Cooperative Agreements to STATE and LOCAL governments.

2. COUNTY will assure that its fund recipients will be obligated to agree that (a) Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, part 31, et seq., shall be used to determine the allowability of individual project cost items and (b) Those parties shall comply with Federal Administrative Procedures in accordance with 2 CFR Part 200, Uniform Administrative Requirements for Grants and Cooperative Agreements to STATE and LOCAL governments. Every sub-recipient receiving funds as a contractor or sub-contractor under this agreement shall comply with federal administrative procedures in accordance with 2 CFR Part 200, Uniform Administrative Requirements for Grants and Cooperative Agreements to STATE and LOCAL governments.

3. Any fund expenditures for costs for which COUNTY has received payment or credit that are determined by subsequent audit to be unallowable under Office of Management and Budget Supercircular, 2 CFR Part 200, are subject to repayment by COUNTY to STATE. Should COUNTY fail to reimburse funds due STATE within 30 days or demand, or within such other period as may be agreed in writing between the parties hereto, STATE is authorized to intercept and withhold future payments due COUNTY from STATE of any third-party source, including, but not limited to, the State Treasurer, the State Controller and the CTC.

E. THIRD PARTY CONTRACTING

1) COUNTY shall not award a construction contract over $10,000 or other contracts over $25,000 [excluding professional service contracts of the type which are required to be procured in accordance with Government Code Sections 4525 (d), (e) and (f)] on the basis of a noncompetitive negotiation for work to be performed using funds without the prior written approval of STATE.

2) Any subcontract or agreement entered into by COUNTY as a result of disbursing funds received pursuant to this Agreement shall contain all of the fiscal provisions of this Agreement; and shall mandate that travel and per diem reimbursements and third-party contract reimbursements to subcontractors will be allowable as project costs only after those costs are incurred and paid for by the subcontractors.

3) In addition to the above, the preaward requirements of third party contractor/consultants with COUNTY should be consistent with Local Program Procedures as published by STATE.

F. ACCOUNTING SYSTEM

COUNTY, its contractors and subcontractors shall establish and maintain an accounting system and records that properly accumulate and segregate fund expenditures by line item. The accounting system of COUNTY, its contractors and all subcontractors shall conform to Generally Accepted Accounting Principles (GAAP), enable the determination of incurred costs at interim points of completion, and provide support for reimbursement payment vouchers or invoices.

G. RIGHT TO AUDIT

For the purpose of determining compliance with this Agreement and other matters connected with the performance of COUNTY'S contracts with third parties, COUNTY, COUNTY's contractors and subcontractors and STATE shall each maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts, including, but not limited to, the costs of administering those various contracts. All of the above referenced parties shall make such materials available at their respective offices at all reasonable times for three years from the date of final payment of funds to COUNTY. STATE, the California State Auditor, or any duly authorized representative of STATE or the United States Department of Transportation, shall each have access to any books, records, and documents that are pertinent for audits, examinations, excerpts, and transactions, and COUNTY shall furnish copies thereof if requested.

H. TRAVEL AND SUBSISTENCE

Payments to only COUNTY for travel and subsistence expenses of COUNTY forces and its subcontractors claimed for reimbursement or applied as local match credit shall not exceed rates authorized to be paid exempt non-represented State employees under current State Department of Personnel Administration (DPA) rules. If the rates invoiced are in excess of those authorized DPA rates, then COUNTY is responsible for the cost difference and any overpayments shall be reimbursed to STATE on demand.

received a complaint from a resident regarding parked vehicles at 4365 San Pablo Dam Road. Transportation Engineering Staff responded by conducted a site visit and determined that parking should be restricted based on inadequate space for parking a standard-sized or larger vehicle between driveways. Measurements and observation reveal a standard or full-sized vehicle parking in this space would likely encroach into one or more of the successive driveways.

CONSEQUENCE OF NEGATIVE ACTION:

Parking will remain unrestricted at this location.

Subject: Construction Contract for the Drainage Area (DA) 29G Storm Drain Line A Replacement Project, Antioch area.

RECOMMENDATION(S):

(1) APPROVE plans, specifications, and design for the Drainage Area (DA) 29G Storm Drain Line A Replacement Project, Antioch area. (County Project No. 0330-6W9C14) (District V)

(2) DETERMINE that Kerex Engineering, Inc. ("Kerex") the lowest monetary bidder, has complied with the requirements of the County's Outreach Program and has exceeded the Mandatory Subcontracting Minimum for this project, as provided in the project specifications; and FURTHER DETERMINE that Kerex has submitted the lowest responsive and responsible bid for the project.

(3) AWARD the construction contract for the above project to Kerex in the listed amount ($189,870) and the unit prices submitted in the bid, and DIRECT that Kerex shall present two good and sufficient surety bonds, as indicated below, and that the Chief Engineer, or designee, shall prepare the contract.

(4) ORDER that, after the contractor has signed the contract and returned it, together with the bonds as noted below and any required certificates of insurance or other required documents, and the Chief Engineer has reviewed and found them to be sufficient, the Chief Engineer, or designee, is authorized to sign the contract for this Board.

RECOMMENDATION(S): (CONT'D)

(5) ORDER that, in accordance with the project specifications and/or upon signature of the contract by the Chief Engineer, or designee, bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for security shall be returned.

(6) ORDER that, the Chief Engineer, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(7) DELEGATE, pursuant to Public Contract Code Section 4114, to the Chief Engineer, or designee, the Board's functions under Public Contract Code Sections 4107 and 4110.

(8) DELEGATE, pursuant to Labor Code Section 6705, to the Chief Engineer, or to any registered civil or structural engineer employed by the County, the authority to accept detailed plans showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection during trench excavation covered by that section.

(9) DECLARE that, should the award of the contract to Kerex be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:
The Project will be funded by 65% County-Wide Drainage General Fund, 35% Flood Control District Fund 250500.

BACKGROUND:
The above project was previously approved by the Board of Supervisors, plans and specifications were filed with the Board, and bids were invited by the Chief Engineer. On April 21, 2020 the Public Works Department received bids from the following contractors:

BIDDER, TOTAL AMOUNT, BOND AMOUNTS

Kerex Engineering, Inc.: $189,870.00; Payment: $189,870.00; Performance: $189,870.00

W. R. Forde Associates, Inc.: $218,740.00

Pacific Coast Engineering, Inc.: $246,950.00

R. J. Gordon Construction, Inc.: $292,464.00

The Chief Engineer has reported that Kerex documented an adequate good faith effort to comply with the requirements of the County's Outreach Program and exceeded the Mandatory Subcontracting Minimum, and the Chief Engineer recommends that the construction contract be awarded to Kerex

The Chief Engineer recommends that the bid submitted by Kerex is the lowest responsive and responsible

bid, which is $28,870.00 less than the next lowest bid, and this Board concurs and so finds.

The Board of Supervisors previously determined that the project is exempt from the California Environmental Quality Act (CEQA) as a Class 2(c) Categorical Exemption, and a Notice of Determination was filed with the County Clerk on August 15, 2018.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:

Construction of the project would be delayed, and the project might not be built.

area from the Union Pacific Railroad crossing to Dainty Avenue. The Board approved the Project on November 12, 2019.

American Rivers has obtained grant funding to pay for a portion of the Project, including a grant from the State Coastal Conservancy (Conservancy). The Conservancy grant agreement requires that American Rivers enter into an Access Agreement with the District to protect the public interest by ensuring that American Rivers has permission to implement, monitor, and maintain the Project on District property. The Access Agreement terminates on January 31, 2042, and includes, among other requirements, that Conservancy funds not be used for mitigation of off-site environmental impacts unless written permission is obtained from the Conservancy, certification that there are no encumbrances on District property that would prevent Project implementation, and that after implementation, the District will maintain the Project long term in a manner consistent with the purposes of the Project. In addition, access by American Rivers to District property will be subject to terms and conditions of an encroachment permit to be issued by the District prior to the start of construction.

CONSEQUENCE OF NEGATIVE ACTION:

Without this action, the Access Agreement will not be approved.

SCOPE OF AGREEMENT (Continued)

The Three Creeks Parkway Project consists of widening approximately 4,000 linear feet of the Marsh Creek flood control channel, creating a new floodplain along the low flow portion of the channel, and restoring approximately 12.5 acres by planting native riparian and upland vegetation. The project also includes improving the Marsh Creek Trail and building a pedestrian underpass under Central Avenue that will improve safety for trail users.

The grantee shall carry out the project in accordance with this agreement and a work program, as provided in the "WORK PROGRAM" section, below. The grantee shall provide $485,780 and any funds beyond those granted under this agreement which are needed to complete the project.

CONDITIONS PRECEDENT TO CONSTRUCTION AND DISBURSEMENT

The grantee shall not begin construction of the project and the Conservancy shall not be obligated to disburse any funds unless and until the following conditions precedent have been met:

1. The Board of Directors of the grantee has adopted a resolution designating positions whose incumbents are authorized to negotiate and execute this agreement and amendments to it on behalf of the grantee.

2. The Executive Officer of the Conservancy ("the Executive Officer") has approved in writing:

   a. A work program for the project, as provided in the "WORK PROGRAM" section, below.

   b. A plan for installation of signs and acknowledgment of Conservancy support, as provided in the "SIGNS AND ACKNOWLEDGMENT" section, below.

   c. All contractors that the grantee intends to retain in connection with the project. The grantee must provide written evidence to the Conservancy that each contractor has complied with the bonding requirements described in the "BONDING" section, below.

3. The grantee has provided written evidence to the Conservancy that:

   a. All permits and approvals necessary to the completion of the project under applicable local, state and federal laws and regulations have been obtained.

   b. The grantee has provided for required insurance coverage, including additional insured endorsement, as described in the "INSURANCE" section, below.

CONDITIONS PRECEDENT TO CONSTRUCTION AND DISBURSEMENT (Continued)

c. The grantee has entered into all agreements necessary to implement, operate, and maintain the project with all applicable project partners, landowners, and easement holders including but not limited to the Contra Costa County Flood Control and Water Conservation District (District), the City of Brentwood (City), and private landowner(s). Such agreements shall include a prohibition on the use of the project for mitigation consistent with the "Mitigation" section of this agreement.

4. The grantee, the Conservancy, and the owners of property on which improvements or facilities will be constructed under this agreement, have entered into, and the grantee has recorded, agreements to protect the public interest in such improvements or facilities, as required by Public Resources Code section 31116(c).

Notwithstanding the above, the grantee may begin to prepare plans, specifications and engineering work, and other pre-construction tasks, upon meeting conditions precedent 1, 2a, 2b, and 2c as pertaining to contractors hired for those tasks, and 3b. All other work may proceed upon full completion of all other Conditions Precedent.

ADDITIONAL GRANT CONDITIONS

The grantee shall also meet the following conditions:

Prior to the release of funds for construction, the grantee shall provide evidence of completion of the following:

Riparian Area Monitoring Plan. A plan to collect and report monitoring data in a manner that is compatible and consistent with the Statewide Wetland and Riparian Area Monitoring Program framework (currently available at: https://mywaterquality.ca.gov/monitoring_council/wetland_workgroup/index.html) Baseline Condition Report. A "Level 2" baseline riparian assessment utilizing the California Rapid Assessment Method (CRAM) within the year prior to the beginning of project construction, unless otherwise agreed upon in writing by the Conservancy and the grantee. (More information is available at http://www.cramwetlands.org/). The CRAM assessment shall be completed by a certified CRAM practitioner and the data shall be uploaded at http://www.cramwetlands.org/

1. The Publication of Project Information. The grantee shall upload project information, including periodic monitoring data, to the project tracker for "EcoAtlas," an online database and web-based viewer of stream and wetland maps, restoration information, and monitoring results (currently available at https://ptrack.ecoatlas.org/), to track project information and aggregate data.

ADDITIONAL GRANT CONDITIONS (Continued)

(More information is available at http://www.cramwetlands.org/). The CRAM assessment shall be completed by a certified CRAM practitioner and the data shall be uploaded at http://www.cramwetlands.org/

3. The Publication of Project Information. The grantee shall upload project information, including periodic monitoring data, to the project tracker for "EcoAtlas," an online database and web-based viewer of stream and wetland maps, restoration information, and monitoring results (currently available at https://ptrack.ecoatlas.org/), to track project information and aggregate data.

4. Plan for Completion of Post-Construction CRAM Assessment. A budget and timeline for the collection of at least one additional CRAM assessment following construction of the project and prior to the completion date of the grant agreement in order to document the change in wetland condition at the project site.

TERM OF AGREEMENT

This agreement shall take effect when signed by both parties and received in the offices of the Conservancy together with the resolution described in the "CONDITIONS PRECEDENT TO CONSTRUCTION AND DISBURSEMENT" section of this agreement. An authorized representative of the grantee shall sign the first page of the originals of this agreement in ink.

This agreement shall run from its effective date through January 31, 2042 ("the termination date") unless otherwise terminated or amended as provided in this agreement. However, all work shall be completed by January 31, 2024 ("the completion date"). The grantee shall submit a final Request for Disbursement no later than March 15, 2024.

AUTHORIZATION

The signature of the Executive Officer of the Conservancy on this agreement certifies that at its August 22, 2019 meeting, the Conservancy adopted the resolution included in the staff recommendation attached as Exhibit B. This agreement is executed under that authorization.

Standard Provisions

WORK PROGRAM

Before beginning construction, the grantee shall submit a detailed work program to the Executive Officer for review and written approval of its consistency with the purposes of this grant agreement. The work program shall include:

1. Construction plans and specifications which have been certified by a licensed architect or registered engineer, or approved by the grantee's Public Works Director.

2. A schedule of completion for the project specifically listing the completion date for each project component and a final project completion date.

3. A detailed project budget. The project budget shall describe all labor and materials costs of completing each component of the project, including the grantee's labor and materials costs and costs to be incurred under a contract with any third party retained by the grantee for work under this agreement. For each project component, the project budget shall list all intended funding sources, including the Conservancy's grant, the grantee's required contribution and all other sources of monies, materials, or labor. The grantee shall review the plans on-site with Conservancy staff.

4. A list of best management practices that will be implemented to reduce the project's greenhouse gas emissions.

If all or any part of the project to be funded under this agreement will be performed by third parties ("contractors") under contract with the grantee, then the grantee shall, prior to initiating any contractor selection process, submit the selection package, including any applicable construction plans and specifications that have been certified or approved as described above, to the Executive Officer for review and written approval as to consistency with the purposes of this grant agreement. Upon approval by the Executive Officer, the grantee shall proceed with the contractor selection process. Prior to final selection of a contractor, the grantee shall submit to the Executive Officer for written approval the names of all contractors that the grantee intends to hire. The grantee shall then comply with the above paragraph regarding submission and approval of a work program prior to construction.

The work program shall have the same effect as if included in the text of this agreement. However, the work program may be modified without amendment of this agreement upon the grantee's submission of a modified work program and the Executive Officer's written approval of it. If this agreement and the work program are inconsistent, the agreement shall control.

The grantee shall construct the project in accordance with the approved work program.

SIGNS AND ACKNOWLEDGMENT

Prior to beginning the project, the grantee shall submit a plan to the Executive Officer for the installation of signs and acknowledgment of Conservancy support. Except as the Executive Officer agrees otherwise, the plan shall commit the grantee to mention the Conservancy's support in its project-related press releases, contacts with the media, and social media postings, and on its website.

The grantee shall install and maintain a sign or signs visible from the nearest public roadway identifying the project, acknowledging Conservancy assistance and displaying the Conservancy's logo and directing the public to the project. The Conservancy shall provide to the grantee specifications for the signs. The signs shall also acknowledge funding from the Water Quality, Supply, and Infrastructure Improvement Act of 2014 (Proposition 1) by using the official logo prepared by the California Natural Resources Agency, which the Conservancy has available in various file formats. The grantee may incorporate the required information into other signs as approved by the Executive Officer. In special circumstances, where the placement of signs or the general specifications are inappropriate, the Executive Officer may approve alternative, more appropriate methods for acknowledging the sources of funding. The grantee shall submit plans describing the number, design, placement and wording of the signs, or the specifications of a proposed, alternative method. The Conservancy will withhold final disbursement until the signs are installed as approved by the Conservancy.

BONDING AND LIEN RELEASE

If the grantee intends to use any contractors on any portion of the project to be funded under this agreement, construction shall not begin until each contractor has furnished a performance bond in favor of the grantee and in favor of the Conservancy, individually or as a co-obligee, in the following amounts: for faithful performance, one hundred percent (100%) of the contract value; and for labor and materials, one hundred percent (100%) of the contract value. This requirement shall not apply to any contract for less than $20,000.

Any bond furnished under this section shall be executed by an admitted corporate surety insurer licensed in the State of California.

For work conducted on private property, the Conservancy shall not disburse to the grantee payment for obligations incurred by the grantee with respect to any contractor or subcontractor of the grantee until the grantee submits to the Conservancy a lien release corresponding to the work invoiced (and complies with the other prerequisites to payment under this agreement).

COSTS AND DISBURSEMENTS

When the Conservancy determines that all "CONDITIONS PRECEDENT TO CONSTRUCTION AND DISBURSEMENT" have been fully met, the Conservancy shall disburse to the grantee, in accordance with the approved project budget, a total amount not to exceed the amount of this grant, as follows:

The withholding for this agreement is five percent. The Conservancy shall disburse funds for costs incurred to date, less five percent, upon the grantee's satisfactory progress under the approved work program, and upon the grantee's submission of a "Request for Disbursement" form, which shall be submitted no more frequently than monthly but no less frequently than quarterly. The Conservancy shall disburse the five percent withheld upon the grantee's satisfactory completion of construction and compliance with the "PROJECT COMPLETION" section, below, and upon the Conservancy's acceptance of the project.

The Conservancy will reimburse the grantee for expenses necessary to the project when documented by appropriate receipts. The Conservancy will reimburse travel and related expenses at actual costs not to exceed the rates provided in Title 2, Division 1, Chapter 3, Subchapter 1, Article 2 of the California Code of Regulations ("CCR"), except that reimbursement may be in excess of these rates upon documentation that these rates are not reasonably available to the grantee. Reimbursement for the cost of operating a private vehicle shall not, under any circumstance, exceed the current rate specified by the State of California for unrepresented state employees as of the date the cost is incurred. The Conservancy will reimburse the grantee for other necessary expenses if those expenses are reasonable in nature and amount taking into account the nature of the project, its location, and other relevant factors.

The grantee shall request disbursements by filing with the Conservancy a fully executed "Request for Disbursement" form (available from the Conservancy). The grantee shall include in the form its name and address, the number of this agreement, the date of the submission, the amount of the invoice, the period during which the work was actually done, and an itemized description, including time, materials, and expenses incurred of all work done for which disbursement is requested. Hourly rates billed to the Conservancy, and specified in the approved work program budget shall be equal to the actual compensation paid by grantee to employees, which may include employee benefits. The form shall also indicate cumulative expenditures to date, expenditures during the reporting period, and the unexpended balance of funds under the grant agreement.

An authorized representative of the grantee shall sign the forms. Each form shall be accompanied by:

1. All receipts and any other source documents for direct expenditures and costs that the grantee has incurred.

COSTS AND DISBURSEMENTS (Continued)

2. Invoices from contractors that the grantee engaged to complete any portion of the work funded under this agreement and any receipts and any other source documents for costs incurred and expenditures by any such contractor, unless the Executive Officer makes a specific exemption in writing.

3. A supporting progress report summarizing the current status of the project and comparing it to the status required by the work program (budget, timeline, tasks, etc.) including written substantiation of completion of the portion of the project for which the grantee is requesting disbursement.

The grantee's failure to fully execute and submit a Request for Disbursement form, including attachment of supporting documents, will relieve the Conservancy of its obligation to disburse funds to the grantee until the grantee corrects all deficiencies.

EXPENDITURE OF FUNDS AND ALLOCATION OF FUNDING AMONG BUDGET ITEMS

The total amount of this grant may not be increased except by written amendment to this agreement. The grantee shall expend funds consistent with the approved project budget. Expenditure on items contained in the approved project budget, other than overheard and indirect costs, may vary by as much as ten percent without prior approval by the Executive Officer, provided that the grantee first submits a revised budget to the Conservancy and requests disbursement based on the revised budget. Any deviation greater than ten percent, and any deviation that shifts funds from approved budget items into an overhead or indirect costs category, must be identified in a revised budget approved in advance and in writing by the Executive Officer. The Conservancy may withhold payment for items which exceed the amount allocated in the project budget by more than ten percent and which have not received the approval required above. Any increase in the funding for any particular budget item shall mean a decrease in the funding for one or more other budget items unless there is a written amendment to this agreement.

PROJECT COMPLETION

Within thirty days of completion ~~of construction~~ of the project, the grantee shall supply the Conservancy with evidence of completion by submitting a final report which includes:

1. A report certifying completion of the project according to the approved work program, including photographs documenting project completion.

PROJECT COMPLETION (Continued)

2. Documentation that signs are installed as required by the "SIGNS AND ACKNOWLEDGMENT" section of this agreement.

3. A fully executed final "Request for Disbursement."

4. A final inspection report by a licensed architect or registered engineer or the grantee's Public Works Director, and a copy of "as built" drawings of the completed project.

5. Evidence that the following activities have been completed:

   a. Post-Construction Condition Report. A "Level 2" CRAM riparian assessment following project construction and prior to the project completion date. The CRAM assessment shall be completed by a certified CRAM practitioner and the data shall be uploaded at http://www.cramwetlands.org/.

   b. Update Project Information. All relevant project information has been updated in the project tracker on EcoAtlas (currently available at http://ptrack.ecoatlas.org/) to reflect completion of the project.

Within thirty days of grantee's submission of the above, the Conservancy shall determine whether the grantee has satisfactorily completed the project. If so, the Conservancy shall issue to the grantee a letter of acceptance of the project. The project shall be deemed complete as of the date of the letter.

EARLY TERMINATION, SUSPENSION AND FAILURE TO PERFORM

Before the project has commenced, either party may terminate this agreement for any reason by providing the other party with seven days notice in writing.

Before the project is complete, the Conservancy may terminate or suspend this agreement for any reason by providing the grantee with seven days notice in writing. In either case, the grantee shall immediately stop work under the agreement and take all reasonable measures to prevent further costs to the Conservancy. The Conservancy shall be responsible for any reasonable and non-cancelable obligations incurred by the grantee in the performance of this agreement prior to the date of the notice to terminate or suspend, but only up to the undisbursed balance of funding authorized in this agreement. Any notice suspending work under this agreement shall remain in effect until further written notice from the Conservancy authorizes work to resume.

If the grantee fails to complete the project as required, or fails to fulfill any other obligations of this agreement prior to the termination date, the grantee shall be liable for immediate repayment to the Conservancy of all amounts disbursed by the Conservancy under this agreement. The

EARLY TERMINATION, SUSPENSION AND FAILURE TO PERFORM (Continued)

Conservancy may, at its sole discretion, consider extenuating circumstances and not require repayment for work partially completed. This paragraph shall not be deemed to limit any other remedies the Conservancy may have for breach of this agreement.

Before the project is complete, the grantee may terminate this agreement for any reason by providing the Conservancy with seven days notice in writing and repaying to the Conservancy all amounts disbursed by the Conservancy under this agreement. The Conservancy may, at its sole discretion, consider extenuating circumstances and allow early termination without repayment for work partially completed.

The parties expressly agree to waive, release and relinquish the recovery of any consequential damages that may arise out of the termination or suspension of this agreement under this section.

The grantee shall include in any agreement with any contractor retained for work under this agreement a provision that entitles the grantee to suspend or terminate the agreement with the contractor for any reason on written notice and on the same terms and conditions specified in this section.

OPERATION AND MAINTENANCE

The grantee shall use, manage, maintain and operate the project throughout the term of this agreement consistent with the purposes for which the Conservancy's grant was made. The grantee assumes all operation and maintenance costs of these facilities and structures; the Conservancy shall not be liable for any cost of maintenance, management, or operation. The grantee may be excused from its obligations for operation and maintenance during the term of this agreement only upon the written approval of the Executive Officer.

For purposes of this agreement, "operation costs" include direct costs incurred for material and labor needed for operations, utilities, insurance, and similar expenses. "Maintenance costs" include ordinary repairs and replacements of a recurring nature necessary to prolong the life of capital assets and basic structures, and the expenditure of funds necessary to replace or reconstruct capital assets or basic structures.

MITIGATION

Without the written permission of the Executive Officer, the grantee shall not use or allow the use for mitigation (in other words, to compensate for adverse changes to the environment elsewhere) of any portion of real property on which the Conservancy has funded construction. In providing permission, the Executive Officer may require that all funds generated in connection with any authorized or allowable mitigation on the real property shall be remitted promptly to the

MITIGATION (Continued)

Conservancy. As used in this section, mitigation includes, but is not limited to, any use of the property in connection with the sale, trade, transfer or other transaction involving carbon sequestration credit or carbon mitigation.

INSPECTION

Throughout the term of this agreement, the Conservancy shall have the right to inspect the project area to ascertain compliance with this agreement.

INDEMNIFICATION AND HOLD HARMLESS

The grantee shall be responsible for, indemnify and hold harmless the Conservancy, its officers, agents, and employees from any and all liabilities, claims, demands, damages, or costs, including, without limitation, litigation costs and attorneys fees, resulting from or arising out of the willful or negligent acts or omissions of the grantee, its officers, agents, contractors, subcontractors, and employees, or in any way connected with or incident to this agreement, except for the active negligence of the Conservancy, its officers, agents, or employees. The duty of the grantee to indemnify and hold harmless includes the duty to defend as provided in Civil Code section 2778.

The grantee waives any and all rights to any type of express or implied indemnity or right of contribution from the State, its officers, agents, or employees, for any liability resulting from, growing out of, or in any way connected with or incident to this agreement.

Nothing in this agreement is intended to create in the public or in any member of it rights as a third-party beneficiary under this agreement.

The obligations in this "INDEMNIFICATION AND HOLD HARMLESS" section shall survive termination of this agreement.

INSURANCE

The grantee shall procure and maintain insurance, as specified in this section, against claims for injuries to persons and damage to property that may arise from or in connection with any activities of the grantee or its agents, representatives, employees, volunteers, or contractors associated with the project undertaken pursuant to this agreement.

INSURANCE (Continued)

As an alternative, with the written approval of the Executive Officer, the grantee may satisfy the coverage requirement in whole or in part through: (a) its contractors' procurement and maintenance of insurance for work under this agreement, if the coverage otherwise fully satisfies the requirements of this section; or (b) the grantee's participation in a "risk management" plan, self insurance program or insurance pooling arrangement, or any combination of these, if consistent with the coverage required by this section.

The grantee shall require, in agreements with the public entities and private property owners who will ultimately own the facilities and structures constructed under this agreement, that the public entities and private property owners maintain property insurance as provided in 1.(f) throughout the term of this agreement.

Any required errors and omissions liability insurance shall be maintained from the effective date through two calendar years after the completion date. The grantee shall maintain all other required insurance from the effective date through the completion date.

1. Minimum Scope of Insurance. Coverage shall be at least as broad as:

   a. Insurance Services Office ("ISO") Commercial General Liability coverage, occurrence basis (Form CG 00 01) or comparable.

   b. Automobile Liability coverage: ISO Form Number CA 0001, Code 1 (any auto).

   c. Workers' Compensation insurance as required by the Labor Code of the State of California, and Employer's Liability insurance.

   d. Course-of-construction (also known as "Builder's Risk") insurance covering all risks of loss. (Any proceeds of loss payable under this coverage shall be used to replace, rebuild or repair the damaged portions of the facilities and structures constructed under this agreement.)

   e. Property insurance covering the loss, damage, or destruction of the facilities or structures constructed under this agreement against fire and extended coverage perils. (Any proceeds of loss payable under this coverage shall be used to replace, rebuild and/or repair the damaged portions of the facilities and structures constructed under this agreement.)

2. Minimum Limits of Insurance. The grantee shall maintain coverage limits no less than:

INSURANCE (Continued)

a. General Liability: *(Including operations, products and completed operations, as applicable)*	$2,000,000 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the activities under this agreement, or the general aggregate limit shall be twice the required occurrence limit.
b. Automobile Liability:	$1,000,000 per accident for bodily injury and property damage.
c. Worker's Compensation	As required by law with Employer's Liability of no less than $1,000,000
e. Course of Construction:	Completed value of the project with no coinsurance penalty provisions.

3. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the Executive Officer.

4. Required Provisions Concerning the Conservancy and the State of California.

   a. Each insurance policy required by this section shall be endorsed to state that coverage shall not be canceled by either party, except after thirty days' prior written notice by first class mail has been given to the Conservancy; or in the event of cancellation of coverage due to nonpayment, after ten days prior written notice to the Conservancy. The grantee shall notify the Conservancy within two days of receipt of notice that any required insurance policy will lapse or be cancelled. At least ten days before an insurance policy held by the grantee lapses or is cancelled, the grantee shall provide the Conservancy with evidence of renewal or replacement of the policy.

   b. The grantee hereby grants to the State of California, its officers, agents, employees, and volunteers, a waiver of any right to subrogation which any insurer of the grantee may acquire against the State of California, its officers, agents, employees, and volunteers, by virtue of the payment of any loss under such insurance. Grantee agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the grantee has received a waiver of subrogation endorsement from the insurer.

INSURANCE (Continued)

c. The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

(i) The State of California, its officers, agents, employees, and volunteers are to be covered as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the grantee; and with respect to liability arising out of work or operations, including completed operations, performed by or on behalf of the grantee including materials, parts or equipment furnished in connection with the work or operations.

(ii) For any claims related to this agreement, the grantee's insurance coverage shall be primary insurance as respects the State of California, its officers, agents and employees, and not excess to any insurance or self-insurance of the State of California.

(iii)The limits of the additional insured coverage shall equal the limits of the named insured coverage regardless of whether the limits of the named insurance coverage exceed those limits required by this agreement.

5. Acceptability of Insurers. Insurance shall be placed with insurers admitted to transact business in the State of California and having a current Best's rating of "B+:VII" or better or, in the alternative, acceptable to the Conservancy and approved in writing by the Executive Officer.

6. Verification of Coverage. The grantee shall furnish the Conservancy with original certificates and amendatory endorsements, or copies of the applicable policy language, effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the Executive Officer before work commences. The Conservancy may require, at any time, complete, certified copies of all required insurance policies, including endorsements affecting the coverage.

7. Contractors. The grantee shall include all contractors as insureds under its policies or shall require each contractor to provide and maintain coverage consistent with the requirements of this section. To the extent generally available, grantee shall also require each professional contractor to provide and maintain Errors and Omissions Liability insurance appropriate to the contractor's profession and in a reasonable amount in light of the nature of the project with a minimum limit of liability of $1,000,000.

8. Premiums and Assessments. The Conservancy is not responsible for premiums and assessments on any insurance policy.

AUDITS/ACCOUNTING/RECORDS

The grantee shall maintain financial accounts, documents, and records (collectively, "records") relating to this agreement, in accordance with the guidelines of "Generally Accepted Accounting Principles" ("GAAP") published by the American Institute of Certified Public Accountants. The records shall include, without limitation, evidence sufficient to reflect properly the amount, receipt, deposit, and disbursement of all funds related to the construction and implementation of the project, and the use, management, operation and maintenance of the real property. Time and effort reports are also required. The grantee shall maintain adequate supporting records in a manner that permits tracing from the request for disbursement forms to the accounting records and to the supporting documentation.

Additionally, the Conservancy or its agents may review, obtain, and copy all records relating to performance of the agreement. The grantee shall provide the Conservancy or its agents with any relevant information requested and shall permit the Conservancy or its agents access to the grantee's premises upon reasonable notice, during normal business hours, to interview employees and inspect and copy books, records, accounts, and other material that may be relevant to a matter under investigation for the purpose of determining compliance with this agreement and any applicable laws and regulations.

The grantee shall retain the required records for a minimum of three years following the later of final disbursement by the Conservancy, and the final year to which the particular records pertain. The records shall be subject to examination and audit by the Conservancy and the Bureau of State Audits during the retention periods.

If the grantee retains any contractors to accomplish any of the work of this agreement, the grantee shall first enter into an agreement with each contractor requiring the contractor to meet the terms of this section and to make the terms applicable to all subcontractors.

The Conservancy may disallow all or part of the cost of any activity or action that it determines to be not in compliance with the requirements of this agreement.

COMPUTER SOFTWARE

The grantee certifies that it has instituted and will employ systems and controls appropriate to ensure that, in the performance of this agreement, state funds will not be used for the acquisition, operation or maintenance of computer software in violation of copyright laws.

NONDISCRIMINATION

During the performance of this agreement, the grantee and its contractors shall not deny the agreement's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. The grantee shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. The grantee and contractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the Conservancy to implement such article. The grantee shall permit access by representatives of the Department of Fair Employment and Housing and the Conservancy upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or the Conservancy shall require to ascertain compliance with this clause. The grantee and its contractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

The grantee shall include the nondiscrimination and compliance provisions of this clause in all contracts to perform work under this agreement.

PREVAILING WAGE

Work done under this grant agreement may be subject to the prevailing wage and other related requirements of the California Labor Code, Division 2, Part 7, Chapter 1, sections 1720-1861. If required by law to do so, the grantee shall pay prevailing wage to all persons employed in the performance of any part of the project and otherwise comply with all associated requirements and obligations.

The grantee shall review applicable statutory provisions and the regulations adopted under the provisions and the information available on the Department of Industrial Relations website (http://www.dir.ca.gov/Public-Works/PublicWorks.html) to determine its responsibilities. The grantee may also review the Conservancy publication, *Information on Current Status of Prevailing Wage Laws for State Coastal Conservancy Grantees (March 2015)*, available from the Conservancy on request, for additional information.

DRUG-FREE WORKPLACE

The grantee's signature on this agreement constitutes the certification required by Government Code Section 8355, which requires that all state grantees provide a drug-free workplace by doing all of the following:

(1) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person's or organization's workplace and specifying actions that will be taken against employees for violations of the prohibition.

(2) Establishing a drug-free awareness program to inform employees about all of the following:

a. The dangers of drug abuse in the workplace.
b. The person's or organization's policy of maintaining a drug-free workplace.
c. Any available drug counseling, rehabilitation, and employee assistance programs.
d. The penalties that may be imposed upon employees for drug abuse violations.

(3) Requiring that each employee engaged in the performance of the grant be given a copy of the drug-free workplace statement and that, as a condition of employment on the grant, the employee agrees to abide by the terms of the statement.

INDEPENDENT CAPACITY

The grantee, and the agents and employees of grantee, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of the State of California.

ASSIGNMENT

Without the written consent of the Executive Officer, the grantee may not assign this agreement in whole or in part.

TIMELINESS

Time is of the essence in this agreement.

EXECUTIVE OFFICER'S DESIGNEE

The Executive Officer shall designate a Conservancy project manager who shall have authority to act on behalf of the Executive Officer with respect to this agreement. The Executive Officer shall notify the grantee of the designation in writing.

AMENDMENT

Except as expressly provided in this agreement, no changes in this agreement shall be valid unless made in writing and signed by the parties to the agreement. No oral understanding or agreement not incorporated in this agreement shall be binding on any of the parties.

LOCUS

This agreement is deemed to be entered into in the County of Alameda.

RESOLUTION AND FINDINGS:

Staff recommends that the State Coastal Conservancy adopt the following resolution pursuant to Sections 31160–31165 of the Public Resources Code:

"The State Coastal Conservancy hereby authorizes the disbursement of an amount not to exceed four hundred and fifty thousand dollars ($450,000) to American Rivers for the Three Creeks Parkway Restoration Project, to restore 4,000 linear feet of riparian channel and twelve and a half acres of riparian and floodplain habitat and improve portions of Marsh Creek Regional Trail along the Marsh Creek flood control channel in Brentwood, Contra Costa County, subject to the following conditions:

1. Prior to commencement of the project, American Rivers shall submit for the review and written approval of the Executive Officer of the Conservancy the following:

EXHIBIT B

a. A detailed work program, schedule, and budget.

b. The names and qualifications of any contractors retained in carrying out the project.

c. A plan for acknowledgement of Conservancy funding, and Proposition 1 as the source of that funding.

d. Evidence that all permits and approvals required to implement the project have been obtained.

e. Evidence that American Rivers has entered into all agreements necessary to implement, operate, and maintain the project with all applicable project partners, landowners, and easement holders.

2. Prior to commencing the project, American Rivers shall enter into and record agreements that the Executive Director determines are required or necessary to protect the public interest in the project.

3. In implementing the project, American Rivers shall ensure compliance with all applicable impact avoidance, minimization and mitigation measures and monitoring and reporting requirements for the project that are identified in the Initial Study and Mitigated Negative Declaration (IS/MND) and associated Mitigation Monitoring and Reporting Plan (MMRP) for the Three Creeks Parkway Restoration Project, adopted by the Contra Costa County Board of Supervisors on September 27, 2016, as well as Addendum I which was included in the Notice of Determination filed on March 29, 2019, and with any mitigation measures, monitoring, and reporting requirements required by permits, approvals or additional environmental documentation for the project."

Staff further recommends that the Conservancy adopt the following findings:

"Based on the accompanying staff report and attached exhibits, the State Coastal Conservancy hereby finds that:

1. The proposed authorization is consistent with Chapter 4.5 of Division 21 of the Public Resources Code, regarding the San Francisco Bay Area Conservancy Program.

2. The proposed project is consistent with the current Conservancy Project Selection Criteria and Guidelines.

3. The Conservancy has independently reviewed and considered the IS/MND and associated MMRP for the Three Creeks Parkway Restoration Project, adopted by the Contra Costa County Board of Supervisors on September 27, 2016, as well as Addendum 1 to that document, which was prepared in December of 2017. These documents were incorporated into the Contra Costa County Public Works Department Notice of Determination dated March 29, 2018, which is attached to the accompanying staff recommendation as Exhibit 3. The Conservancy finds that the project as mitigated avoids, reduces or mitigates any possible significant environmental effects to a level of less-than-significant and that there is no substantial

evidence that the project will have a significant effect on the environment as that term is defined by 14 Cal. Code Regs. §15382."

4. American Rivers is a nonprofit organization existing under section 501(c)(3) of the U.S. Internal Revenue Code, and whose purposes are consistent with Division 21 of the Public Resources Code."

PROJECT SUMMARY:

Staff recommends that the Conservancy disburse up to $450,000 to American Rivers to implement the Three Creeks Parkway Restoration Project ("the project"), a multi-benefit project that will improve water quality in Marsh Creek and the San Francisco Bay Delta and provide improved habitat for a diversity of avian, fish, reptile and mammalian species. The project consists of widening a flood control channel, creating a floodplain, removing non-native vegetation, and restoring native vegetation along stretches of the Marsh Creek. The project also includes relocating and improving 4,000 linear feet of the Marsh Creek Regional Trail, and construction of a pedestrian undercrossing under Central Avenue to reduce traffic and improve safety.

The Marsh Creek watershed, located in eastern Contra Costa County, is uniquely situated between the Delta and Mt. Diablo, providing an important ecological corridor in a rapidly urbanizing area. Marsh Creek flows 30 river miles from the eastern slope of Mt. Diablo through the cities of Brentwood and Oakley to the San Joaquin Delta at Big Break. American River's vision for Marsh Creek is a stream of clean, cold water, surrounded by stands of native trees and a spread of grasses and wildflowers—a vital and healthy habitat corridor between the Delta at Dutch Slough and Mt. Diablo State Park. Over the past decade, American Rivers has been working to achieve this vision through a variety of activities including organizing community members, implementing restoration and fish passage projects, and restoring a two-acre site along the creek. Unfortunately, 6.5 miles of the creek are still confined to a denuded, trapezoidal flood control channel with steep banks vegetated with non-native grasses and no riparian canopy.

Like many urban creeks, water quality in lower Marsh Creek is impaired by pollutants such as mercury, diazinon, E. coli, and toxic sediment. Previous studies have also identified excessive temperature, nitrates, and low dissolved oxygen as water quality problems. Improving water quality in Marsh Creek is particularly critical to providing ecological services to over 1,100 acres of planned tidal marsh restoration at the mouth of Marsh Creek, including the restoration of Dutch Slough.

Much of Marsh Creek's aquatic and riparian habitat is severely limited, with little complexity, no floodplain wetlands and no shade. The existing engineered channel does not filter or neutralize contaminants, and the Contra Costa Flood Control District's annual mowing program prevents growth of wood vegetation. High velocities during annual peak flow events, which are greatly increased by runoff from newly urbanized surfaces, presumably flush most of the egg and larval stages of aquatic species downstream. Poor water quality from urban runoff is made worse by the lack of wetlands, shade, and microbial activity in the channel.

EXHIBIT B

Relatively high temperatures combined with low-dissolved oxygen levels likely contributed to five major fish kills on Marsh Creek over the last nine years.

The project consists of widening 4,000 linear feet of the Marsh Creek flood control channel, creating a new floodplain along the low flow channel, and restoring 12.5 acres by planting native riparian and upland vegetation. The project includes relocation of the existing creek side trail (a segment of the Marsh Creek Regional Trail) and construction of a pedestrian underpass under Central Avenue that will improve safety for trail users.

Restoration of 4,000 linear feet of creek channel will establish an active channel width-to-depth ratio that effectively transports sediment throughout the reach without excessive aggradation or deposition. The channel bed will be designed to improve in-stream habitat complexity. Laying back the creek banks throughout the project's reach will allow for bank stabilization and will reconnect the creek to a more natural floodplain system. This modified floodplain will improve both water quality and aquatic species' habitat by encouraging the deposition of sediments on the terrace rather than in the stream bed, and will reduce the speed of water flow, which will reduce the flushing of aquatic species' eggs and larvae downstream.

Laying the slope back will widen the creek corridor throughout the project area, translating to plantable space. 12.5 acres of riparian and upland habitat will be restored and planted with native vegetation. This new area of native vegetation will increase bank stability, encourage groundwater recharge, and in alignment with the RWCQB regulatory mandates, use natural bio-filtration methods to treat runoff and improve water quality. Native vegetation will also create improved habitat for native birds and pollinators, critical players in the full restoration of Marsh Creek's riparian habitat.

In order to create room for the creek setback, the project will reestablish a segment of Marsh Creek Regional Trail in a new footprint. Native trees will be planted along the path creating a wooded creek-side trail. The project will also create a new pedestrian underpass under Central Avenue that will greatly improve trail users' safety.

To ensure the success of the project, American Rivers' science team will oversee the development and implementation of an adaptive management and monitoring plan designed to measure the project's success at achieving the following ecological and social goals: 1) increase the area of frequently inundated floodplain and native vegetation alongside the Marsh Creek flood control channel; 2) improve water quality in Marsh Creek and discharging to the Bay-Delta estuary; 3) provide habitat for a diversity of native avian, fish, reptile, and mammal species, including Swainson's hawks and other species covered by the East Contra Costa County Habitat Conservation Plan/Natural Community Conservation Plan (HCP/NCCP), and 4) improve trail user satisfaction. American Rivers will monitor progress toward the ecological and social objectives in accordance with best scientific practices and monitoring guidelines and requirements and will prepare and distribute annual monitoring reports. The monitoring plan will measure the survival, vigor, and diversity of the vegetation planted on the restoration site including the presence of unwanted invasive species; channel stability, erosion, and floodplain aggradation over time; the area, frequency, timing and duration of inundation on restored floodplain; changes in

EXHIBIT B

water quality parameters including macroinvertebrate richness, water temperature, nutrients, methylmercury, and dissolved mercury; the presence and diversity of species using the restored site; and public opinion regarding the value of the restoration. The District will monitor the project to ensure channel stability and flood conveyance capacity. American Rivers and the District have designed the project to accommodate maximum vegetation roughness while meeting flood conveyance objectives to obviate or minimize the need for future channel maintenance for flood conveyance.

The project will be maintained for a minimum of 20 years. Some aspects of the project will be maintained by American Rivers, and American Rivers will enter into agreements with land owners, easement holders, and other project partners including the District, the City, EBRPD, and the Carmel Estates HOA to maintain other aspects of the project.

Site Description: The project site is located in Brentwood, on a 4,000-foot stretch of creek channel that encompasses the confluences of Marsh, Sand, and Deer Creeks – hence the name "Three Creeks Parkway." The reach upstream of Dainty Ave. was expanded and revegetated in the 1990s, but the entire creek downstream of the site, with the exception of a 900-foot, recently restored site in Oakley, is characterized by a denuded, trapezoidal channel.

The Contra Costa Flood Control District holds a 100-foot-wide right-of-way along the entire creek corridor. Along many portions of Marsh Creek, residential subdivisions back onto the District's right-of-way, making creek widening very difficult, but this proposed 4,000-foot section of the creek still has several opportunities for creating a wider, creek-oriented parkway. The vast majority of the project will occur on property the District holds rights-of-way or drainage easements over, or properties which they own in fee. The District is the lead agency for the project under CEQA and will grant formal permission for the project in the form of an encroachment permit.

Three elements of the project will occur outside of the properties the District holds easements over or owns outright. These elements will require permission from the various landowners. First, a portion of the flood control channel widening will occur on private property owned by the Carmel Estate Homeowner's Association (HOA) in what is now a water quality basin on the HOA property. The second property, the "Griffith Parcel" which is located on the west bank of the Marsh Creek flood control channel between Deer and Sand Creeks, will serve as a staging area and as a temporary stockpile for sediment dredged in the construction of this project. The Flood Control District is also in the process of purchasing a construction and maintenance access agreement across the Griffith parcel. No restoration work will occur on the Griffith Parcel. Thirdly, some restoration will occur on small parcels of City owned property between Dainty Avenue and Central Boulevard.

American Rivers and the District have met multiple times with the City of Brentwood, Carmel Estates HOA and the owner(s) of the Griffith Parcel. All landowning parties have indicated their support for the project and preliminarily agreed to make the necessary portions of their property available for the project. American Rivers expects to obtain all final legal assurances from the various landowners in 2019.

EXHIBIT B

Grantee Qualifications: American Rivers is a national non-profit organization that works to restore the country's critical river and watershed basins. American Rivers has been developing aspects of the Three Creeks Parkway Restoration Project since 2004. In 2002, the Natural Heritage Institute (NHI), received a Conservancy grant to create the "Corridor Width Report," and the "Parcel Inventory and Conceptual Stream Corridor Master Plan for Marsh, Sand and Deer Creek," which guided this project's design. NHI staff then negotiated an agreement in 2004 with the City of Brentwood and a creek-side landowner/developer to accommodate creek restoration with a setback and linear park between Sand Creek and the Railroad. American Rivers' staff subsequently took over the project and negotiated the agreements needed to expand the project's scope and funding to its current level.

The Contra Costa Flood Control District is responsible for most of the major drainage facilities in the County and it controls the majority of the project area. American Rivers and the District have been jointly planning and raising funds for the project since July of 2015. Through that partnership the project has now obtained preliminary permission from private property owners to expand the project on the left bank into the Carmel Estates water quality basin and along the critical Hancock property between Sand and Deer Creek.

American Rivers and the Contra Costa Flood Control District have spent years collecting data on the biota, channel conditions and vegetation along Marsh Creek. In 2012, American Rivers used the same proposed restoration approach to restore a two-acre floodplain in Oakley with a unique assemblage of plants native to east Contra Costa County. American Rivers' documentation of salmon utilization of Marsh Creek dates back to the mid-1990s. The project team will continue to monitor water quality, channel habitat, and vegetation success after the project is constructed.

Created in 1934, the EBRPD, has been constructing, operating, and maintaining parks, trails and open space in the East Bay for over 80 years. The District currently manages over 121,397 acres of open space and recreation areas in Contra Costa and Alameda Counties. EBRPD manages and maintains Marsh Creek Regional Trail and will continue to maintain the Trail alongside the restoration project future public access work.

Project History: The Conservancy funded a series of conservation and management plans for the restoration of Marsh Creek, including a grant to the City of Brentwood for the 2001 *Past, Present and Future of the Marsh Creek Watershed* report, (revised 2003), as well as a grant to the Natural Heritage Institute for the 2002 (revised 2015) *Corridor Width Report, and the Parcel Inventory and Conceptual Stream Corridor Master Plan for Marsh, Sand and Deer Creek*, which was later incorporated into the City of Brentwood's Parks, Trails and Recreation Master Plan. In 2011, the Coastal Conservancy, as well as the CA Department of Fish and Wildlife funded the *East Contra Costa County Historical Ecology Study*, a critical document used for the design of the proposed project.

California Natural Resources Agency	$496,731
Project Total	**$8,368,253**

The expected source of funding for this authorization is an appropriation to the Conservancy from the "Water Quality, Supply, and Infrastructure Improvement Act of 2014" (Proposition 1, Division 26.7 of the Water Code, § 79700 et seq.). Funds appropriated to the Conservancy derive from Chapter 6 (commencing with Section 79730) and may be used "for multi-benefit water quality, water supply, and watershed protection and restoration projects for the watersheds of the state" (Section 79731). Section 79732(a) identifies the specific purposes of Chapter 6, of which the following pertain to this project: subsection (a)(3): restore river parkways and urban river greenways; subsection (a)(4): protect and restore aquatic, wetland and migratory bird ecosystems including fish and wildlife corridors; subsection (a)(9): protect and restore urban watershed health to improve watershed storage capacity, protection of life and property, storm water resource management and greenhouse gas reduction; subsection (a)(11): protect or restore natural system functions that contribute to water supply, water quality, or flood management; and finally, assist in the recovery of endangered species by improving watershed health and instream flows (subsection (a)(12)).

As required by Proposition 1, the proposed project provides multiple benefits. As described above, this project will restore 4,000 feet of flood plain channel, revegetate 12.5 acres of varied riparian and upland habitat, improve water quality in Marsh Creek and the Delta; and improve a highly used, regionally significant recreational trail.

The proposed project was selected through the sixth-round (Bay Area Urban Greening) competitive grant process under the Conservancy's *Proposition 1 Grant Program Guidelines* adopted in June 2015 (see § 79706(a)). The proposed project meets each of the evaluation criteria in the Proposition 1 Guidelines as described in the "Project Summary" and in the "Consistency with Conservancy's Project Selection Criteria & Guidelines" sections of this report.

American Rivers has organized a wide variety of other funding sources for this project. The organization has secured a total of $7,918,253 for this project, including a $1,376,623 grant from the US EPA's SF Bay Water Quality Improvement Fund ($485,780 of which the

EXHIBIT B

Conservancy considers as matching funds for purposes of project scoring under the Conservancy's Proposition 1 Guidelines), two separate Delta Conservancy grants totaling $1,827,702, $2,472,793 from Contra Costa Flood Control District, $744,404 from the California Department of Water Resources' Urban Streams Restoration Program, $496,731 from the California Natural Resources Agency California River Parkways Program, and $1,000,000 from the Pamilla Project Owner, LLC / Pulte Home Corporation.

CONSISTENCY WITH CONSERVANCY'S ENABLING LEGISLATION:

This project is undertaken pursuant to Chapter 4.5 of the Conservancy's enabling legislation, Public Resource Code Sections 31160-31165, to address resource goals in the San Francisco Bay Area. Section 31162 of the Public Resources Code authorizes the Conservancy to undertake projects and award grants in the nine-county San Francisco Bay Area, including Contra Costa County, that achieve the goals of the San Francisco Bay Area Conservancy Program. All of the proposed project area is within Contra Costa County. The proposed project will serve to achieve the objectives described in:

Section 31162(a), which authorizes the Conservancy to improve public access around the bay, coast, ridgetops, and urban open spaces through trail systems and related facilities. This project will install pedestrian and cycling improvements along Marsh Creek Trail.

Section 31162(b), which authorizes the Conservancy to protect, restore, and enhance natural habitats, connecting corridors, watersheds, scenic areas, and other open-space resources of regional significance. The proposed project will assist in the enhancement of natural habitat for a variety of listed species in the San Francisco Bay Area.

Section 31163(c), which mandates that the Conservancy use specific criteria to develop priority projects within the San Francisco Bay Area Conservancy Program. The project meets the selection criteria under 31163(c), in that it: 1) is supported by and is consistent with adopted regional plans including the Conservancy funded 2001 Past, Present and Future of the Marsh Creek Watershed (revised 2003), the 2002 (revised 2015) Corridor Width Report, and the Parcel Inventory and Conceptual Stream Corridor Master Plan for Marsh, Sand and Deer Creek, which was later incorporated into the City of Brentwood's Parks, Trails and Recreation Master Plan. The project is also consistent with creek restoration recommendations identified in the East Contra Costa County HCP/NCCP; the Contra Costa Flood Control District's 50 Year Plan – From Channels to Creeks; and the Delta Stewardship Council's Strategic Plan, and the Delta Plan; 2) serves a regional constituency by improving water quality discharged into the Bay-Delta, enhancing recreational opportunities along an important connector trail in east Contra Costa County, improving a critical habitat corridor linking Mt. Diablo to the Delta, and restoring riparian and flood plain habitat which may support state and federally protected regional species including Swainson's hawks and western pond turtles; 3) can be implemented in a timely manner; 4) provides the opportunity to implement this multi-benefit project that would be lost or have to be significantly scaled down if the project cannot be implemented in the near future; and 5) will include significant matching funds from the Delta Conservancy.

EXHIBIT B

CONSISTENCY WITH CONSERVANCY'S 2018-2022 STRATEGIC PLAN GOAL(S) & OBJECTIVE(S):

Consistent with **Goal 12, Objective F**, of the Conservancy's 2018-2022 Strategic Plan, the proposed project will enhance riparian habitats and other watershed functions and process for the benefit of wildlife.

Consistent with **Goal 13, Objective I** of the Conservancy's 2018-2022 Strategic Plan, the proposed project will improve a regionally significant public trail. The existing Marsh Creek trail is heavily used and connects the Science Center at Big Beak Regional Park on the Delta Shoreline to the John Marsh House at Marsh Creek State Park.

CONSISTENCY WITH CONSERVANCY'S PROJECT SELECTION CRITERIA & GUIDELINES:

The proposed project is consistent with the Conservancy's Project Selection Criteria and Guidelines, last updated on October 2, 2014, in the following respects:

Required Criteria

1. **Promotion of the Conservancy's statutory programs and purposes:** See the "Consistency with Conservancy's Enabling Legislation" section above.
2. **Consistency with purposes of the funding source:** See the "Project Financing" section above.
3. **Promotion and implementation of state plans and policies:**
    a. *California @ 50 Million: The Environmental Goals and Policy Report* (Governor's Office of Planning and Research, 2015) – The Project is consistent with the California @ 50 Million report's pillar of natural resource stewardship. By widening Marsh Creek and restoring its floodplain and native vegetation, this project will follow the report's strategic recommendation to "build resilience into natural systems and prioritize natural and green infrastructure solutions" (pg. 23).
    b. *CA Wildlife Action Plan* (California Department of Fish and Wildlife, 2015) – The Project is in the Bay Delta-Central Coast Province of the CA Wildlife Action Plan. The restoration will enhance and restore habitats in the region for breeding, foraging and future climate-change related shifts in habitat for a variety of focal species identified in the Plan including Swainson's hawk, the western pond turtle, and the silvery legless lizard.
    c. *Habitat Conservation Plans/Natural Community Conservation Plans.* The project will restore native vegetation along the creek, which will advance the goals of the East Contra Costa County Habitat Conservation Plan/Natural Community

Conservation Plan (HCP/NCCP) to recover several endangered species in the region, including Swainson's hawk and western pond turtle.

4. **Support of the public:** This project has received broad public support, including support from California Assemblymember Jim Frazier, Contra Costa County Supervisor Diane Burgis, the Contra Costa County Flood Control District, the City of Brentwood, the East Bay Regional Park District, and the Friends of Marsh Creek Watershed. See "Project Letters," Exhibit 4. Wilton Rancheria responded to the Conservancy's Tribal Consultation letter, and subsequent conversations led to the Rancheria's request that a tribal monitor be hired to conduct site visits during the project's construction in addition to the CEQA-required licensed archeologist. $49,500 of this total grant has been set aside for that purpose.
5. **Location:** The property is located in the City of Brentwood in Contra Costa County, within the jurisdiction of the San Francisco Bay Area Conservancy Program.
6. **Need:** This project is ready to proceed. If Coastal Conservancy funds are not secured, the project may have to be delayed unless and until additional funding is located.
7. **Greater-than-local interest:** The project will improve water quality discharged to the Bay-Delta estuary, enhance recreational opportunities along a popular trail in east Contra Costa County, and improve a habitat corridor that links Mt. Diablo to the Delta. Restoration of riparian and floodplain habitat will improve water quality in Marsh Creek and the estuary and provide a natural amenity along the most heavily used section of regional trail that connects the Science Center at Big Break on the Delta shoreline, through Oakley and Brentwood, and on to the John Marsh house at Marsh Creek State Park. The trail through the site is used by cyclists who sometime travel from the Delta to Mt. Diablo as well as a variety of pedestrians making local trips including school-aged children, parents with very young children, and exercising adults. Finally, the project will improve Marsh Creek's functionality as a wildlife corridor between two biologically important landscape features – Mt. Diablo and the Sacramento-San Joaquin Delta. Numerous native special status species including Swainson's hawk, chinook salmon, western pond turtle, burrowing owl, and river otters currently use Marsh Creek and are expected to benefit from the project.
8. **Sea level rise vulnerability:** The project is located approximately six miles inland from the Bay shoreline, at an elevation well above sea level, and is not expected to be directly impacted by sea level rise.

Additional Criteria

9. **Leverage**: See the "Project Financing" section above.
10. **Readiness**: There has been a multi-agency, multi-year planning process to bring the Three Creeks Parkway Restoration Project to readiness for implementation. CEQA was completed in 2018 and American Rivers has secured funding for project monitoring and ongoing maintenance of the project. Permit applications to resource agencies have been submitted, and some permits have been secured. The project partners expect to begin project construction in May of 2020.

11. **Realization of prior Conservancy goals**: See "Project History" above.
12. **Return to Conservancy**: See the "Project Financing" section above.
13. **Cooperation**: As elaborated upon above, this project is complex and involves a variety of partners, most importantly, the Contra Costa County Flood Control and Water Conservation District, EBRPD, City of Brentwood, Carmel Estates HOA, and a private land owner (Hancock).
14. **Vulnerability from climate change impacts other than sea level rise:** The Project will increase regional resilience to climate change by accommodating larger runoff events, providing shade along a creek, improving a wildlife corridor, and using native plants to improve habitat, reducing the irrigation demand of traditional landscaping. There are currently no trees at all along Marsh Creek and the adjacent regional trail. The project will strive to create a nearly continuous shade canopy along all 4,000 feet of trail and at least 2,400 linear feet of creek. The project will also enable the creek channel to convey water flows from larger flood events that are expected to occur as a result of climate change.
15. **Minimization of greenhouse gas emissions:** Over the short term, project construction will result in short-term emissions associated with ground disturbance and use of construction equipment and vehicles, but these emissions will not exceed the applicable BAAQMD thresholds of significance for construction emissions of criteria pollutants. Project proponents will implement BMPs to control fugitive dust and other construction-phase emissions. Over the long term, the project will be a sink for greenhouse gases and sequester atmospheric carbon and nitrogen. There are no plans to seek carbon credits for the restoration work on site.

CEQA COMPLIANCE:

Staff has independently reviewed and considered the Initial Study and Mitigated Negative Declaration (IS/MND) and associated Mitigation Monitoring and Reporting Plan (MMRP) for the Three Creeks Parkway Restoration Project, adopted by the Contra Costa County Board of Supervisors on September 27, 2016, as well as Addendum I to that document which was prepared in December of 2017. Contra Costa County Public Works Department submitted a Notice of Determination incorporating both documents on March 29, 2018. (Please see the MMRP on pgs. 121-137 of Exhibit 3.) The MND found potentially significant impacts under the categories of air quality, biological resources, cultural resources, geology and soils, and noise. The potential impacts are summarized below along with their proposed mitigation measures:

Air Quality

The construction contractor(s) will implement a variety of BMPs to reduce air quality impacts. These practices will include: watering exposed surfaces (parking areas, staging areas, soil stockpiles, unpaved access roads, etc.); covering all loose material that is hauled off-site; removing visible mud and dirt tracked out to adjacent public roads with wet power vacuum street sweepers at least once daily; prioritizing the completion of paving roadways, driveways, and sidewalks; limiting vehicle speeds on unpaved roads to 15mph; keeping all

Exhibit B

construction equipment maintained and tuned; reducing idling time to a max 5 minutes; all diesel-powered equipment larger than 50 horsepower on site for more that two continuous days shall meet US EPA emissions standards for Tier 2 engines; and finally posting a publicly visible sign with Lead Agency's point of contact for dust complaints, as well as a contact number for the air District. All of the measure listed here and in the MMRP will be included in related construction contracts.

Biological Resources

To avoid and minimize impacts to California red-legged frog, Pacific (Western) pond turtle, and silvery legless lizard during construction activities, the project will implement the following measures:

- The project proponent shall apply for coverage under the HCP/NCCP. Participation in the HCP/NCCP, including implementation of appropriate avoidance and minimization measures and payment of applicable fees would provide the project proponent with incidental take coverage for California red-legged frog, Pacific (Western) pond turtle, and silvery legless lizard.
- Seasonal Avoidance. If required by the Streambed Alteration Agreement or Water Quality Certification, work shall be limited to the dry season, from April 15 to October 15.
- Minimize Nighttime Work. If required by the Streambed Alteration Agreement or Water Quality Certification, nighttime construction shall be restricted to avoid effects on nocturnally active species such as California red-legged frog.
- Environmental Awareness Program. Prior to the commencement of construction activities, a qualified biologist shall present an environmental awareness program to all construction personnel working on site. At a minimum the training should include a description of special-status species that could be encountered, their habitats, regulatory status, protective measures, work boundaries, lines of communication, reporting requirements, and the implications of violations of applicable laws.
- Wildlife Exclusion Fencing. Prior to the start of construction, wildlife exclusion fencing (WEF) shall be installed consistent with the HCP/NCCP to isolate the work area from any habitats potentially supporting special-status animals or through which such species may move. The final project plans shall indicate where and how the WEF is to be installed. The bid solicitation package special provisions shall provide further instructions to the contractor about acceptable fencing locations and materials. The fencing shall remain throughout the duration of the work activities, be regularly inspected and properly maintained by the contractor. Fencing and stakes shall be completely removed following project completion.
- Erosion Control. Graded areas will be protected from erosion using a combination of silt fences, fiber rolls, and erosion control netting. All fill and erosion control materials will be certified to be non-toxic and weed free. Additionally, plastic mono-filament netting shall not be used within the project area. Acceptable materials will include coconut coir matting, hydroseeding, blown straw, and other organic mulching materials.

To minimize impacts to Chinook salmon and steelhead, the following measures will be implemented:

- Seasonal avoidance. In-stream work will be limited from June 1 – October 31.
- If in-stream construction or dewatering is required, a qualified biologist will be retained to implement the following measures:
    a. A preconstruction aquatic survey will be conducted
    b. Present an environmental awareness program on site, and monitor all in-stream activities.
    c. If dewatering is proposed – monitor the installation of coffer dams, and check for stranded aquatic wildlife. Dewatering pumps will be fitted with intake screens fitted with mesh no greater than 5mm, and BMPs will be installed to minimize sediment transport during the installation of the dams.
    d. Native (non-special-status fish spp.) will be relocated up or down stream of the coffer dams. All non-native spp. will be euthanized according to CDFW guidance. If listed salmonids are present NMFS shall be consulted to determine appropriate measures to ensure conformance with ESA. All wildlife encounters will be documented and reported to CDFW.

In order to avoid impacts to nesting Swainson's hawk, white-tailed kite, burrowing owls, loggerhead shrike, and other bird species protected under the Migratory Bird Treaty Act (MBTA) and California's Fish and Game Code (CFGC), a series of mitigation measures will be implemented:

- A qualified biologist will be retained to implement all measures below including presenting an environmental awareness program prior to construction which will include descriptions of special-status species that could be encountered, their habitats, regulatory status, protective measures, work boundaries, and implications of violation of various applicable laws.
- Swainson's hawk is federally listed and is covered under the HCP/NCCP. Every effort should be taken to ensure that no take occurs. Those steps will include:
    a. Project proponent will apply for coverage under the HCP/NCCP
    b. Prior to any ground disturbance during nesting season (March 15 - September 15), no more than one month prior to construction the qualified biologist will conduct a preconstruction survey will determine if there are any active Swainson's hawk nests within 1,000 ft. of the project site.
    c. If an active nest is present construction activities are not permitted within 1,000 feet of occupied nest. The qualified biologist can coordinate with CDFW and USFWS as to whether specific conditions warrant a smaller buffer.
    d. Construction activities can proceed prior to September 15 if biologist determines that the young Swainson's hawks have fledged.

White-tailed kite is a state-listed fully protected species, not covered under the HCP/NCCP. Loggerhead shrike is a state species of special concern; it is not covered under the HCP/NCCP. Incidental take of these birds is not allowed. Burrowing owl is a State species of concern and a

EXHIBIT B

covered species under the HCP/NCCP, to ensure that no take occurs the measures outlined below will be implemented:

- Prior to the removal or significant pruning of any trees, the qualified biologist will inspect them for the presence of raptor nests. This is required year-round. CDFW will be notified if a suspected raptor nest is discovered, and that agency will determine pursuant to CFGC Section 3503.5 whether the tree can be removed.
- Prior to any ground disturbance during nesting season (February 1 – August 31), no more than two weeks prior to construction, the qualified biologist will conduct a preconstruction survey and will determine if there are any active white-tailed kite or other migratory raptor nests within 250 ft. of the project site, and whether there are any active nests of loggerhead shrikes or other migratory passerine nests within 100 ft. of the project site. The biologist will also conduct a survey of all suitable burrowing owl habitat that will be impacted by the project. The survey shall be performed no more than 30 days prior to construction to determine if there are any active burrowing owl nests within 500 ft. of the project site.
- Construction activities are not permitted within the 250 ft. perimeter (or 100-foot premier for loggerhead shrike and other passerines) of an occupied nest. However, should site-specific conditions warrant a smaller buffer, the qualified biologist will coordinate with CDFW and/or USFWS to determine appropriate buffer size. Burrowing owl nest sites must be flagged and protected by a designated disturbance-free buffer zone of at least 250 ft.
- Construction activities can proceed prior to August 31 if the biologist determines that the young birds have fledged.
- Burrowing owls may be passively excluded from occupied burrows outside of breeding season (i.e. September 1- January 31) in consultation with CDFW. Passive exclusion is achieved by installing one-way doors on burrow entrances. Doors should be in place for at least 48 hours and monitored to ensure that the nest has been abandoned before construction commences.

In order to avoid, minimize and compensate for unavoidable impacts on waters of the U.S./waters of the State a variety of measures will be implemented. Staff is highlighting some of the measures below, a full list of measures can be found in the MMRP in Exhibit 3 (pg. 129-133).

- Contra Costa County Flood Control and Water Conservation District will obtain coverage under the HCP/NCCP and include BMPs in all relevant construction contracts. Those BMPs will include:
    a. Grading will be restricted to an elevation above the Ordinary High Water Mark, and long-term impacts will be minimized by limiting the use of hardened structures in preference of bio-engineering solutions as much as is practicable.
    b. Prior to construction the project will secure all necessary authorizations and permits.
    c. BMPs will be incorporated into all work within and adjacent to the stream channel and riparian habitat, including:

EXHIBIT B

- Construction staff will be trained by a qualified biologist in avoidance and minimization measures
- If dewatering is necessary, water released downstream of work areas must be as clean or cleaner than water flowing into the work area. The MMRP elaborates on specific methods to filter and settle sediment before releasing the water downstream (Exhibit 3, pg. 130).
- Grading or construction near channels will be isolated with silt fencing and other BMPs to prevent sedimentation. BMPs will be regularly inspected.
- Equipment working in channels must be in good working order and free of leaks of fuel, oil, and hydraulic fluids. Drip pans will be placed under vehicles and equipment over waterways, and spill and cleanup materials will be kept onsite.
- Newly graded earthen channel slopes will be revegetated with a native seed mix developed by a qualified restorationist. Seed mixtures applied for erosion control shall not contain invasive nonnative species and must be composed of native species or sterile nonnative species. Mulch will also be applied to all bare surfaces. Mulch and seed mix must be applied prior to the first winter-season rains.

Cultural Resources

To prevent impacts on cultural resources, the District will retain a qualified archaeologist who will implement the measures identified in the MMRP (Exhibit 3, pg. 133-135).

- A qualified archeologist will train all construction crew workers in reasons for archeological monitoring, regulatory policies and procedures, basic identification of archeological resources, and protocol to follow in case such resources are discovered, conduct initial monitoring, and determine the appropriate level of monitoring for the duration of the project.
- The archeologist will be present on the project site to monitor ground disturbing activities and inspect excavated soils to identify any cultural resources and human remains.
- Should any previously unknown historic or prehistoric resources be discovered, all work within 25 feet of these materials will be stopped until the qualified archeologist has evaluated the potential significance of the finds, and consulted with the lead agency on appropriated mitigation to protect the resources.
- In the event that human remains, or possible human remains, are encountered during project-related ground disturbance, in any location other than a dedicated cemetery, there shall be no further excavation or disturbance of the site or any nearby area reasonably suspected to overlie adjacent remains until the coroner of the county in which the human remains are discovered has determined, that the remains are not subject to the provisions of Section 27492 of the Government Code or any other related provisions of law concerning investigation of the circumstances, manner and cause of death, and the recommendations concerning treatment and disposition of

EXHIBIT B

the human remains have been made to the person responsible for the excavation, or to his or her authorized representative, in the manner provided in Section 5097.98 of the Public Resources Code.

- The County Coroner, upon recognizing the remains as being of Native American origin, is responsible to contact the California Native American Heritage Commission (NAHC) within 24 hours. The Commission has various powers and duties, including the appointment of a Most Likely Descendant (MLD) to the project. The MLD, or in lieu of the MLD, the NAHC, has the responsibility to provide guidance as to the ultimate disposition of any Native American remains.
- Paleontological resources. Prior to project construction, construction crews will be informed of the potential for encountering significant paleontological resources. Should such resources be discovered all work will stop in the area of the discovery until qualified paleontologist has assessed the significance of the find and has implemented appropriate measures to protect or scientifically remove the find.

Geology and Soils
The proposed project shall comply with all recommendations specified in Section 3.3 of the May 2015 Geotechnical Report prepared by ENGEO.

Noise
To avoid any detrimental noise impacts, the project contractor will ensure that construction activities will be limited to the hours established in the Brentwood Municipal Code, namely Mon-Fri 8am-5pm, and Saturday 9am-4pm.

Staff concurs that there is no substantial evidence that the proposed project will have a significant effect on the environment. Staff therefore recommends that the Conservancy find that the project as mitigated avoids, reduces or mitigates the possible significant environmental effects to a level of less-than-significant and that there is no substantial evidence that the project will have a significant effect on the environment as that term is defined by 14 Cal. Code Regs. §15382.

Upon approval of the project, Conservancy staff will file a Notice of Determination.

RECOMMENDATION(S):

DENY the claim for refund filed on behalf of George C. Burtt in the amount of $37,809.52, plus interest.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

In January 2000, George C. Burtt succeeded to 100% ownership of a property located at 20 Southwood Drive, Orinda (the "Property") as the sole beneficiary of his parents' living trust. On March 28, 2007, Mr. Burtt informed the Assessor's Office of the ownership transfer in 2000 by submitting a Change in Ownership statement, in which he listed his address.

On April 5, 2018, Mr. Burtt filed an appeal with the Assessment Appeals Board, challenging an escape assessment that was issued in 2007 after he notified the Assessor's Office about the change in ownership. During the hearing of his assessment appeal, the Assessor's Office contended that Mr. Burtt's appeal was untimely because the deadline to file an assessment appeal was no later than 60 days after

the date of notice of assessment, or the latter of the date of mailing of the tax bill or the postmark thereof. (Rev. & Tax Code, § 1605(b)(1).) It maintained that (1) it had sent Mr. Burtt a Notice of Proposed Escape Assessment in November 2007 at the address he listed in the Change of Ownership statement; and (2) it also sent him a Notice of Enrollment of Escape Assessment in December 2007 at the same address.

Following a hearing, the Assessment Appeals Board agreed with the Assessor's Office. The Assessment Appeals Board found that the Notice of Proposed Escape Assessment was dated and mailed on November 15, 2007, but Mr. Burtt did not appeal the escape assessment until April 5, 2018. Thus, it concluded that Mr. Burtt did not file the appeal within "60 days after the date of mailing printed on the notice of assessment, or the postmark therefore." (Id.)

On September 27, 2018, a Claim for Refund was submitted on behalf of Mr. Burtt, seeking a refund on the basis of a challenge to the Assessment Appeals Board's determination. However, a Claim for Refund is not a vehicle for appealing decisions of the Assessment Appeals Board. Because the Assessment Appeals Board decided that his assessment appeal was untimely, there is no basis for issuing a tax refund.

Additionally, the Claim for Refund does not appear to have been verified by "the person who paid the tax, his or her guardian, executor, trustee, or administrator." For this additional reason, it does not meet the requirements of a claim for refund. (Rev. & Tax Code, § 5097(a)(1).)

CONSEQUENCE OF NEGATIVE ACTION:
Failure to take the recommended action would result in the Board not acting on the Claim for Refund.

RECOMMENDATION(S):

DENY the claims filed by Pacific Bell, AT&T Mobility, LLC, AT&T Corp. and T-Mobile West LLC, in the total amount of $2,269,763.77, plus interest, in unitary property taxes paid for tax year 2015/16.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

Pacific Bell, AT&T Corp., AT&T Mobility, LLC, and T-Mobile West LLC (collectively, "Claimants") have filed claims for refund of property taxes against the County and a number of other counties, essentially alleging that a statutory formula used to calculate their property tax rate violates the California Constitution.

Contact: Rebecca Hooley (925) 335-1800

BACKGROUND: (CONT'D)

The County received Claimants' claims for refund of taxes in November 2019. The claims are as follows: Pacific Bell ($1,146,139), AT&T Mobility LLC ($916,945), AT&T Corp. ($29,745) and T-Mobile West LLC ($176,934.77). [The claims are provided in Attachments A-D.] The claims, in the collective amount of $2,269,763.77, are only for tax year 2015/2016, which is the earliest year that Claimants may seek to recover property taxes. (Rev. & Tax. Code, § 5097(a)(2).) The counties are coordinating their responses and appear to be uniformly denying the claims.

ANALYSIS:

Under the California Constitution, certain property owned or used by telecommunication companies, among others, is annually assessed by the State Board of Equalization ("BOE"). (Cal. Const., article XIII, § 19.) The amount of such "unitary property" assessments attributed to the County by the BOE are then taxed by the County in accordance with a statutory formula. (See Rev. & Tax. Code, § 100.)

The Auditor-Controller uses the amount of unitary property assessments annually provided by the BOE to calculate the amount of taxes to be levied on these properties in accordance with a formula mandated by state law (Rev. & Tax. Code, § 100). Based on this formula, the unitary tax rate for 2015/16 was 1.5859%. The Auditor-Controller has confirmed that the rate was correctly calculated pursuant to the State law, and the Office of the State Controller has deemed it correct.

Claimants argue that they are entitled to a partial refund of such taxes on the grounds that they were illegally levied because the formula used to calculate the rate is unconstitutional. However, the County is given no discretion on its calculation of the unitary tax rate; it is a mandated formula set by the State. Because of this, the Auditor-Controller has no power to declare it unenforceable "on the basis of it being unconstitutional unless an appellate court has made a determination that such statute is unconstitutional." [Cal. Const., Art. III, § 3.5(a); see also Boyer v. Ventura County (2019) 33 Cal.App.5th 49.] For these reasons, the claims should be denied.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to take the recommended action would result in the interest continuing to accrue on a potential court-ordered refund of property taxes.

CLAIM FOR REFUND OF PROPERTY TAXES

To: Board of Supervisors, County of *CONTRA COSTA,* California.

The undersigned, as *AVP-TAX* of *AT&T Services*, as delegated by the claimant herein, hereby makes this claim for refund of property tax on behalf of the claimant pursuant to Revenue and Taxation Code section 5097 and demands that the Board of Supervisors make its order directing the controller of said County to refund to claimant the sum of $ 1,146,139 in taxes levied for the fiscal year 2015-16. In support of said claim, the undersigned states:

1. Claimant is and at all times herein mentioned was *Pacific Bell*, a corporation duly organized and existing under the laws of the State of California, with its principal place of business located at 430 Bush Street, San Francisco, San Francisco County, California.
2. For fiscal year 2015-16, the California State Board of Equalization assessed the value of claimant's unitary and nonoperating California property pursuant to its authority under Article XIII, section 19 of the California Constitution and section 721 of the Revenue and Taxation Code. Pursuant to its authority under Revenue and Taxation Code section 756, the California Board of Equalization transmitted a roll showing claimant's unitary and nonoperating property in CONTRA COSTA County. On the basis of said assessment and transmittal of said roll, taxes were levied on said property for said fiscal year in the sum of $ 4,160,362 (Exhibit 1) and paid by claimant in full on or about *December 4, 2015* and *April 5, 2016* (Exhibit 2).
3. Claimant is entitled to a refund of a portion of said taxes in the amount of $ 1,146,139, plus appropriate interest, on the grounds that said taxes were erroneously or illegally collected, or illegally assessed or levied, for the following reasons:

    a. The property tax rate applied to compute claimant's property taxes was in excess of the rate applied in the same year to property in the county assessed by the assessor of *CONTRA COSTA* County, in violation of Article XIII, section 19 of the

California Constitution and *ITT World Communications v. City and County of San Francisco,* 37 Cal. 3d 859 (1985).

b. The property tax rate applied to compute claimant's property taxes exceeded the rate allowed by Article XIIIA, section 1 of the California Constitution.

4. No refund of said taxes, or any part thereof, has been previously made.

I declare under penalty of perjury that the foregoing is true and correct, and that I am authorized by claimant to make this claim for refund.

CLAIM FOR REFUND OF PROPERTY TAXES

To: Board of Supervisors, County of *CONTRA COSTA,* California.

The undersigned, as *AVP-TAX* of *AT&T Services*, as delegated by the claimant herein, hereby makes this claim for refund of property tax on behalf of the claimant pursuant to Revenue and Taxation Code section 5097 and demands that the Board of Supervisors make its order directing the controller of said County to refund to claimant the sum of $ 916,945 in taxes levied for the fiscal year 2015-16. In support of said claim, the undersigned states:

1. Claimant is and at all times herein mentioned was *AT&T Mobility LLC,* a limited liability company duly organized and existing under the laws of the State of Delaware, with its principal place of business located at 1025 Lenox Park Blvd NE, Atlanta, Fulton County, Georgia.
2. For fiscal year 2015-16, the California State Board of Equalization assessed the value of claimant's unitary and nonoperating California property pursuant to its authority under Article XIII, section 19 of the California Constitution and section 721 of the Revenue and Taxation Code. Pursuant to its authority under Revenue and Taxation Code section 756, the California Board of Equalization transmitted a roll showing claimant's unitary and nonoperating property in CONTRA COSTA County. On the basis of said assessment and transmittal of said roll, taxes were levied on said property for said fiscal year in the sum of $ 3,328,410 (Exhibit 1) and paid by claimant in full on or about *December 7, 2015* and *April 5, 2016* (Exhibit 2).
3. Claimant is entitled to a refund of a portion of said taxes in the amount of $ 916,945, plus appropriate interest, on the grounds that said taxes were erroneously or illegally collected, or illegally assessed or levied, for the following reasons:

    a. The property tax rate applied to compute claimant's property taxes was in excess of the rate applied in the same year to property in the county assessed by the assessor of *CONTRA*

COSTA County, in violation of Article XIII, section 19 of the California Constitution and *ITT World Communications v. City and County of San Francisco,* 37 Cal. 3d 859 (1985).

b. The property tax rate applied to compute claimant's property taxes exceeded the rate allowed by Article XIIIA, section 1 of the California Constitution.

4. No refund of said taxes, or any part thereof, has been previously made.

I declare under penalty of perjury that the foregoing is true and correct, and that I am authorized by claimant to make this claim for refund.

CLAIM FOR REFUND OF PROPERTY TAXES

To: Board of Supervisors, County of Contra Costa, California.

The undersigned, as Senior Vice President, Taxation of T-Mobile West LLC, the claimant herein, hereby makes this claim for refund of property tax on behalf of the claimant pursuant to Revenue and Taxation Code section 5097 and demands that the Board of Supervisors make its order directing the controller of said County to refund to claimant the sum of $176,934.77 in taxes levied for the fiscal year 2015-16. In support of said claim, the undersigned states:

1. Claimant is and at all times herein mentioned was T-Mobile West LLC, a limited liability company duly organized and existing under the laws of the State of Delaware, with its principal place of business located at 12920 SE 38th St. Bellevue, King County, Washington.
2. For fiscal year 2015-16, the California State Board of Equalization assessed the value of claimant's unitary and nonoperating California property pursuant to its authority under Article XIII, section 19 of the California Constitution and section 721 of the Revenue and Taxation Code. Pursuant to its authority under Revenue and Taxation Code section 756, the California Board of Equalization transmitted a roll showing claimant's unitary and nonoperating property in Contra Costa County. On the basis of said assessment and transmittal of said roll, taxes were levied on said property for said fiscal year in the sum of $642,254.16 (Exhibit 1) and paid by claimant in full on or about December 8th, 2015 and April 4th, 2016 (Exhibit 2).
3. Claimant is entitled to a refund of a portion of said taxes in the amount of $176,934.77, plus appropriate interest, on the grounds that said taxes were erroneously or illegally collected, or illegally assessed or levied, for the following reasons:

    a. The property tax rate applied to compute claimant's property taxes was in excess of the rate applied in the same year to property in the county assessed by the assessor of Contra

Costa County, in violation of Article XIII, section 19 of the California Constitution and *ITT World Communications v. City and County of San Francisco,* 37 Cal. 3d 859 (1985).

b. The property tax rate applied to compute claimant's property taxes exceeded the rate allowed by Article XIIIA, section 1 of the California Constitution.

4. No refund of said taxes, or any part thereof, has been previously made.

I declare under penalty of perjury that the foregoing is true and correct, and that I am authorized by claimant to make this claim for refund.

Dated: November 25th, 2019 at 12920 SE 38th St. Bellevue, Washington 98006.

2020/137

The Board of Supervisors of
Contra Costa County, California

In the matter of:

Foster Parent Recognition Month

Resolution No. 2020/137

WHEREAS, the Resource Family serves as a source of compassion, care, and nurturing, and is the very foundation of our communities in Contra Costa County; and

WHEREAS, in Contra Costa County there are approximately 900 children and youth in foster care, being provided with a safe, secure and stable home environment by compassionate and nurturing resource families; and

WHEREAS, foster care is a support system for families in need, not a substitute for parents. Children & Family Services, family support organizations, courts, faith-based communities, related agencies and professionals can help keep families together with the right mix of services and partnerships; and

WHEREAS, foster care assists families working towards safe and successful reunification, and relationships between resource families and parents can help build their protective capacity and strengthen child and family well-being; and

WHEREAS, relative, non-relative, foster and adoptive families, who open their homes and hearts to care for children whose families are in crisis, play a vital role in helping children and families heal and reconnect thereby launching young people into successful adulthood; and

WHEREAS, resource families help prepare teenagers for the transition into adult life, and offer critical support during a time when foster youth may experience heightened risk factors such as poverty, homelessness, and sometimes incarceration; and

WHEREAS, dedicated foster and relative families frequently provide permanency for foster children, resulting in a greater need for more resource families; and

WHEREAS, there are numerous individuals, public and private organizations who work to increase public awareness of the needs of children living in and leaving foster care; and

WHEREAS, we recognize the enduring and valuable contribution of foster, relative and non-relative parents, and that the foster care "system" is only as good as those who choose to be part of it.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Contra Costa County does hereby proclaim May, 2020 as "Foster Parent Recognition Month" in Contra Costa County and urges all citizens to come forward to positively impact the lives of children and youth in foster care.

FISCAL IMPACT:

The proposed assessments for Stormwater Utility Areas 1 through 18 will provide approximately $15,844,139 in funding for the cities and Unincorporated County for the National Pollutant Discharge Elimination System (NPDES) program and drainage maintenance activities. (100% Stormwater Utility Area Assessments)

BACKGROUND:

The Contra Costa Clean Water Program consists of Contra Costa County (County), its incorporated cities, and the Contra Costa County Flood Control and Water Conservation District (FC District) working collectively under a Joint Municipal Stormwater NPDES Permit issued by the State Regional Water Quality Control Board. This permit is federally mandated through the Clean Water Act, which was amended in 1987 to specifically address stormwater pollution. The current NPDES Permit, effective January 1, 2016, is in its fourth year of the five-year Municipal SF Bay Region Municipal Regional Stormwater NPDES Permit (MRP 2.0) from the San Francisco Regional Water Quality Control Board. Public education on pollution prevention, trash assessments, inspection of construction sites, as well as commercial and industrial facilities, street sweeping, catch basin cleaning and other forms of drainage maintenance are examples of actions taken to meet permit requirements. An Annual Report is written each year to summarize accomplishments.

The Contra Costa Clean Water Program is currently in its fourth year of the Joint Municipal Stormwater NPDES Permit MRP 2.0 issued by the San Francisco Regional Water Quality Control Board. The Joint Municipal Stormwater NPDES Permit issued by the Central Valley Regional Water Quality Control Board for the cities of Antioch, Brentwood, Oakley, and unincorporated East County began in September 2010. The permit includes, for each municipality, a Stormwater Management Plan outlining intended activities designed to reduce or eliminate pollutants from entering the storm drain system.

The Regional Boards indicated the need for a restricted funding source to finance implementation costs. In order to meet this need, the County proposed legislation providing a financial option for municipalities to use through the FC District. The bill, AB 2768 (Campbell), was passed by the legislature and signed by Governor Pete Wilson on August 30, 1992. The legislation specifically allowed a municipality to request formation of a Stormwater Utility Area and an assessment to pay for implementation costs.

The Board of Supervisors, acting as governing board of the FC District, provided public notice to all affected property owners before the establishment of the Stormwater Utility Areas on June 22, 1993, creating 17 Stormwater Utility Areas. This 1993 Board action also set the first-year assessment rates for each Stormwater Utility Area, as well as maximum rates. Assessments were collected for Fiscal Year 1993–1994 through 2000–2001. On May 9, 2000, the FC District separated the City of Oakley from Stormwater Utility Area 17. The City of Oakley was established as Stormwater Utility Area 18 at that time and assessments were collected for Fiscal Year 2000–2001. The FC District does not collect this assessment for the cities of Richmond and Brentwood. Richmond and Brentwood collect their NPDES levy as a sewer fee.

CONSEQUENCE OF NEGATIVE ACTION:

If the proposed assessments for Fiscal Year 2020–2021 are not implemented, the program would have to be funded by the general funds of the cities and County to ensure compliance with NPDES permit requirements.

Resolution No. 2020/138

In The Matter Of: Notification of Hearing to Adopt Stormwater Utility Assessments for Fiscal Year 2020–2021 for Stormwater Utility Area Numbers 1 through 18, Countywide.

The Board of Supervisors of Contra Costa County, as the Governing Body of the Contra Costa County Flood Control and Water Conservation District, RESOLVES THAT;

The Contra Costa County Flood Control and Water Conservation District Act, hereinafter referred to as Act, provides authority for said Governing Body to establish Stormwater Utility Areas and adopt the ordinance for Stormwater Utility Assessments; and

The Board, On June 22, 1993, established Stormwater Utility area 1 (Antioch), 2 (Clayton), 3 (Concord), 4 (Danville), 5 (El Cerrito), 6 (Hercules), 7 (Lafayette), 8 (Martinez), 9 (Moraga), 10 (Orinda), 11 (Pinole), 12 (Pittsburg), 13 (Pleasant Hill), 14 (San Pablo), 15 (San Ramon), 16 (Walnut Creek), 17 (Unincorporated County), and on May 9, 2000, established Stormwater Utility Area 18 (Oakley). These areas consist of that real property located in the incorporated limits of the cities indicated and the Unincorporated County; and

This Board also has before it the Chief Engineer's report providing an estimate of the cost of the National Pollutant Discharge Elimination System (NPDES) permit activities to be borne by property in the individual Stormwater Utility Areas. This report will be on file within 30 days of the public hearing to adopt Fiscal Year 2020–2021 Stormwater Utility Assessments and may be examined at the office of the Clerk of the Board of Supervisors, Administration Building, Martinez, California.

It is proposed that Stormwater Utility Assessments for Fiscal Year 2020–2021 be adopted for Stormwater Utility Areas 1 through 18; and

At 9:30 a.m. on June 23, 2020, in the Chambers of the Board of Supervisors, Administration Building, Martinez, California, this Board will conduct a public hearing on the adoption of Fiscal Year 2020–2021 Stormwater Utility Assessments. At the hearing, this Board will hear and pass upon any and all written and oral objections to the adoption of the proposed Fiscal Year 2020–2021 Stormwater Utility Assessments. Upon conclusion of the hearing, the Board may abandon the proposed actions or proceed with the same.

The Clerk of the Board is DIRECTED to publish a Notice of Hearing, pursuant to Government Code 6066, once a week for two (2) successive weeks prior to the hearing in the Contra Costa Times newspaper of general circulation, circulated in areas proposed to adopt Fiscal Year 2020–2021 Stormwater Utility Assessments. Publication shall be completed at least seven (7) days before said hearing and said notice shall be given for a period of not less than twenty (20) days.

The exterior boundaries of the Stormwater Utility Areas include lands within the cities indicated above. The Clerk of the Board is DIRECTED to forward to the governing body of said cities a copy of this Resolution at least twenty (20) days before the above-noted hearing. The mailing addresses and individual recipients are listed in the attached Exhibit A.

The Clerk of the Board is further DIRECTED to mail a copy of the Notice of Public Hearing to any interested party who has filed a written request for mailed notice with the Clerk of the Board or with the Contra Costa County Flood Control and Water Conservation District.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

RESOLUTION NO. 2020/28

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ANTIOCH ESTABLISHING THE RATE PER EQUIVALENT RUNOFF UNIT FOR FISCAL YEAR 2020-21 AND REQUESTING THE CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT TO ADOPT AN ANNUAL PARCEL ASSESSMENT FOR DRAINAGE MAINTENANCE AND THE NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM PROGRAM

WHEREAS, under the Federal Clean Water Act, prescribed discharges of stormwater require a permit from the appropriate California Regional Water Quality Control Board under the National Pollutant Discharge Elimination System ("NPDES") program;

WHEREAS, the City of Antioch (City) did apply for, and did receive, a NPDES permit which requires the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering stormwaters;

WHEREAS, it is the intent of the City to utilize funds received from its Stormwater Utility Area (SUA) for implementation of the NPDES program and drainage maintenance activities;

WHEREAS, at the request of the City, the Contra Costa County Flood Control and Water Conservation District ("District") has completed the process for formation of a SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs Payment agreement between City and District requires the City, by May 1st, determine the rate to be assessed to a single Equivalent Runoff Unit ("ERU") for the forthcoming fiscal year.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Antioch does determine that the rate to be assigned to a single ERU for FY 2020-21 shall be set at twenty-five dollars ($25.00).

BE IT FUTHER RESOLVED, that the City Council does hereby request the District to adopt SUA levies based on said amount.

THE CITY COUNCIL
City of Clayton, California

WHEREAS, under the Federal Water Quality Act [33 U.S.C. Section 1342 (p)], certain municipal stormwater discharges require a permit from the appropriate federal or state authorities pursuant to the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, the City of Clayton, in conjunction with other affected jurisdictions within Contra Costa County, applied to the State Regional Water Quality Control Board and received a Joint NPDES Permit which requires the implementation of a Storm Water Management Plan and Best Management Practices to minimize or eliminate pollutants from entering stormwaters; and

WHEREAS, Assembly Bill 2768 (West's Water Code Appendix, Section 63-12 and 63-12.9) authorizes the Contra Costa County Flood Control and Water Conservation District (District) to establish Stormwater Utility Areas (SUA) and to levy annual benefit assessments for the purpose of carrying our activities required under the NPDES program; and

WHEREAS, it is the intent of the City to utilize funds received from its Stormwater Utility Area (SUA) for implementation of the NPDES program and local drainage maintenance activities; and

WHEREAS, at the request of the City, the Contra Costa County Flood Control District and Water Conservation District (District) has completed the process for the formation of a SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs payment agreement between the City and the District requires that the City of Clayton annually, by May 1, determine its rate to be assigned to a single ERU for the forthcoming fiscal year; and

WHEREAS, the City Council adopted Resolution 9-93, which established the range of the annual assessment to be imposed by the District within the storm water utility area not to exceed $29 per ERU; and

WHEREAS, the City of Clayton has operated at its maximum $29 per ERU rate since FY 1999-2000 (the last nineteen fiscal years) and this same rate is proposed again for FY 2020-2021.

NOW, THEREFORE, BE IT RESOLVED the City Council of Clayton, California does hereby determine that its real property assessment rate to be assigned to a single ERU for FY 2020-2021 shall be set and assessed at $29.00; and

BE IT FURTHER RESOLVED, the City Council of Clayton, California, does hereby request the Contra Costa Flood Control and Water Conservation District to adopt the SUA levies in Clayton based on the above established rate.

BEFORE THE CITY COUNCIL OF THE CITY OF CONCORD
COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA

A Resolution Authorizing the Contra Costa County Flood Control & Water Conservation District to Establish an Annual Parcel Assessment for Fiscal Year 2020-21 for Drainage Maintenance and National Pollutant Discharge Elimination System (NPDES) Program

Resolution No. 20-16

WHEREAS, under the Federal Water Pollution Control Act, [33 U.S.C. Section 1342(p)], certain municipal storm water discharges require a permit from the appropriate federal or state authorities pursuant to the National Discharge Elimination System (NPDES) Program; and

WHEREAS, the City of Concord, in conjunction with other affected jurisdictions within Contra Costa County, applied to the State Regional Water Quality Control Board and received a Joint NPDES Permit to discharge storm water and developed a Storm Water Management Plan; and

WHEREAS, Assembly Bill 2768 (West's Water Code Appendix, Section 63-12 and 63-12.9) authorizes the Contra Costa Flood Control and Water Conservation District (DISTRICT) to establish storm water utility areas and to impose annual benefit assessments for the purpose of carrying out the activities required under the NPDES Program; and

WHEREAS, the DISTRICT has completed the process for formation of a Concord Storm Water Utility Area (SUA), including the adoption of Storm Water Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs Payment Agreement between the City of Concord and DISTRICT requires the City of Concord annually to determine the rate to be assessed per Equivalent Runoff Unit (ERU) for the forthcoming fiscal year; and

WHEREAS, the City Council adopted Resolution 93-14, which established the range of annual assessment to be imposed by the DISTRICT within the storm water utility area at an amount not to exceed $35 per ERU.

//

//

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CONCORD DOES RESOLVE AS FOLLOWS:

Section 1. Establishing the annual amount of and authorizing the Contra Costa County Flood Control & Water Conservation District to adopt SUA levies and/or assess ERUs does not constitute a "project," as defined in the California Environmental Quality Act (CEQA) and its Guidelines, under the general rule that CEQA applies only to actions that have the potential to cause a significant effect on the environment. In this case, the Council is only authorizing the amount of the annual parcel assessment for the NPDES program. Additionally, pursuant to Section 15273 of the CEQA Guidelines, the establishment of charges for the purpose of meeting operating expenses is categorically exempt. Projects funded by the annual assessment will undergo CEQA review as necessary. No unusual circumstances exist and none of the exceptions under CEQA Guidelines Section 15300.2 apply. This determination reflects the City's independent judgment and analysis.

Section 2. The annual assessment imposed by the DISTRICT within the storm water utility area for Fiscal Year 2020-21 shall be $35.00 per Equivalent Runoff Unit (ERU).

Section 3. The City Council requests the DISTRICT to adopt storm water utility area levies based on said amount per ERU.

Section 4. This resolution shall become effective immediately upon its passage and adoption.

PASSED AND ADOPTED by the City Council of the City of Concord on April 28, 2020, by the following vote:

RESOLUTION NO. 23-2020

AUTHORIZING THE CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT TO ADOPT THE FISCAL YEAR 2020/21 FEE FOR THE TOWN OF DANVILLE STORMWATER UTILITY AREA

WHEREAS, the Federal Water Pollution Control Act requires dischargers of stormwater to obtain a National Pollutant Discharge Elimination System (NPDES) permit from the San Francisco Regional Water Quality Control Board; and

WHEREAS, Danville, the Contra Costa County cities, the County, and the Contra Costa County Flood Control and Water Conservation District have joined under the Contra Costa Clean Water Program to secure the required NPDES permit; and

WHEREAS, the San Francisco Regional Water Quality Control Board adopted NPDES Permit No. CAS612008 in order to develop a Municipal Regional Permit that applies to all nine Bay Area Counties; and

WHEREAS, the Town complies with the NPDES permit requirements by operating a local Clean Water Program, participating in the Contra Costa Clean Water Program and implementing Best Management Practices to minimize or eliminate pollutants from stormwater; and

WHEREAS, in 1993 the funding necessary to implement this permit was established at a range of $22 to $30 per Equivalent Residential Unit (ERU) through the Stormwater Utility Assessment (Town of Danville Resolution No. 24-93); and

WHEREAS, said assessment rate must be set each year by the Town Council; and

WHEREAS, the Town Council appoints the City Engineer, or his/her designee, as its official representative to the Contra Costa Clean Water Program; and

WHEREAS, the Town Council wishes to continue to participate in the Clean Water program and continue to fund the program through the assessment of individual properties; now, therefore, be it

RESOLVED, that the Danville Town Council authorizes continuance of the Stormwater Utility Assessment to be set at $30 per ERU for all properties within Danville.

RESOLUTION 2020-18

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO ESTABLISHING THE ANNUAL PARCEL ASSESSMENT FOR THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PROGRAM AND DRAINAGE MAINTENANCE ACTIVITIES AT THE CURRENT RATE OF $38.00 PER EQUIVALENT RUNOFF UNIT AND AUTHORIZING THE CONTRA COSTA COUNTY FLOOD CONTROL & WATER CONSERVATION DISTRICT TO ADOPT STORMWATER UTILITY AREA LEVIES BASED ON SAID AMOUNT IN FISCAL YEAR 2020-21.

WHEREAS, under the Federal Water Pollution Control Act, prescribed discharges of stormwater require a permit from the appropriate California Regional Water Quality Board under the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, Order No. R2-2015-0049, NPDES Permit No. CAS12008, issuing waste discharge requirements under the San Francisco Bay Municipal Regional Stormwater Permit (MRP) to the Cities, Flood Control Districts and County agencies located in Alameda, Contra Costa, Santa Clara, San Mateo Counties, as well as the cities of Fairfield, Suisun and Vallejo, includes the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering storm waters; and

WHEREAS, at the request of the City of El Cerrito, the Contra Costa County Flood Control and Water Conservation District (District) has completed the process for formation of a Stormwater Utility Area (SUA), including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, it is the intent of the City of El Cerrito to utilize funds received from its SUA for implementation of the NPDES program and drainage maintenance activities; and

WHEREAS, the SUA and Program Group Costs Payment Agreement between the City of El Cerrito and the District requires that the City of El Cerrito annually, by April 15, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year.

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of El Cerrito does determine that the rate to be assigned to a single ERU for Fiscal Year 2020-21 shall be set at $38.00.

BE IT FURTHER RESOLVED, the City Council of the City of El Cerrito does hereby request the District to adopt SUA levies based on said amount.

BE IT FURTHER RESOLVED, that this Resolution shall become effective immediately upon passage and adoption.

WHEREAS, the Federal Water Pollution Control Act requires that stormwater discharges in urbanized areas be regulated by a National Pollution Discharge Elimination System (NPDES) permit; and

WHEREAS, in 1993, the City of Pleasant Hill authorized the Contra Costa County Flood Control and Water Conservation District (Flood Control District) to establish a Stormwater Pollution Management Utility District to fund NPDES permit activities; and

WHEREAS, the Flood Control District established Stormwater Utility Areas under Contra Costa County's Stormwater Utility Assessment (SUA) Drainage Ordinance No. 93-47; and

WHEREAS, in 2003, the City of Pleasant Hill and the Flood Control District executed a Stormwater Utility Area Agreement which specifies that revenue be used for NPDES activities; and

WHEREAS, the City of Pleasant Hill, as a member of the Contra Costa Clean Water Program, is required to implement NPDES permit activities that minimize the discharge of pollutants; and

WHEREAS, the Stormwater Utility Area agreement between the City of Pleasant Hill and the Flood Control District requires the City of Pleasant Hill to determine the annual SUA rate in its Stormwater Utility Area; and

WHEREAS, the SUA rate is based on the Equivalent Runoff Unit (ERU); and

WHEREAS, it is the intent of the City of Pleasant Hill to utilize funds received from its Stormwater Utility Area for complying with NPDES permit conditions (MRP 2.0), preventing stormwater pollution and performing drainage system maintenance activities.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pleasant Hill that:

1. The City Council desires to continue participation in the Stormwater Pollution Management Utility District and determines that the SUA rate to be assigned to a single ERU for fiscal year 2020/21 shall be set at $30.

2. The City Council authorizes the Flood Control District to adopt Stormwater Utility Area fees on behalf of the City of Pleasant Hill.

3. The City of Pleasant Hill shall continue to participate in the implementation of the NPDES permit activities and agrees to provide support and to share costs associated with the implementation of countywide activities.

WHEREAS, as a result of amendments to the Federal Clean Water Act, prescribed discharges of municipal stormwater require a permit from the San Francisco Regional Water Quality Control Board under the National Pollutant Discharge Elimination System (NPDES) program;

WHEREAS, the City of San Pablo NPDES permit requires the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering stormwater;

WHEREAS, it is the intent of the City to utilize funds received from its Stormwater Utility Assessment (SUA) for implementation of the NPDES program and drainage maintenance activities;

WHEREAS, at the request of the City, the Contra Costa County Flood Control & Water Conservation District (District) has completed the process for formation of a SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance 93-47;

WHEREAS, the SUA and Program Group Costs Payment agreement between the City and the District requires that the City annually by May 1, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year;

WHEREAS, in 1993 the City Council of the City of San Pablo adopted Resolution 93-21 establishing a maximum SUA rate of $45 per ERU;

WHEREAS, the SUA rate adopted for the current fiscal year (2019/20) is $45 per ERU and has remained at that rate for the last nine (9) years; and

WHEREAS, establishing the SUA does not trigger CEQA since it is not a project per Section 15378 which states that a project does not include continuing administrative or maintenance activities, or the creation of government funding mechanisms or other government fiscal activities.

NOW, THEREFORE BE IT RESOLVED, that the City Council of the City of San Pablo hereby determines that the SUA rate for Fiscal Year 2020/21 shall remain at $45 for each ERU;

BE IT FURTHER RESOLVED, that the City Council of the City of San Pablo hereby requests the District to adopt SUA levies based on the $45 per ERU; and

OAKLEY
CALIFORNIA

I, Libby Vreonis, do hereby certify that this is a true and accurate copy of Resolution No. 29-20, which was adopted by the Oakley City Council on April 14, 2020.

Libby Vreonis, City Clerk
City of Oakley, California

RESOLUTION NO. 29-20

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OAKLEY ESTABLISHING THE RATE PER EQUIVALENT RUNOFF UNIT FOR FY 2020/21 AND REQUESTING THE CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT TO ADOPT AN ANNUAL PARCEL ASSESSMENT FOR DRAINAGE MAINTENANCE AND THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PROGRAM

WHEREAS, under Federal Water Pollution Control Act, prescribed discharges of stormwater require a permit from the appropriate California regional water quality board under the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, the City of Oakley (City) did apply for, and did receive, an NPDES permit which requires the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering storm waters; and

WHEREAS, it is the intent of the City to utilize funds received from its Stormwater Utility Area (SUA) for implementation of the NPDES program and drainage maintenance activities; and

WHEREAS, at the request of the City, the Contra Costa County Flood Control & Water Conservation District (District) has completed the process for formation of an SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, The SUA and Program Group Costs Payment agreement between City and District requires that the City annually, by May 1st, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Oakley does determine that the rate to be assigned to a single ERU for FY 2020/21 shall be set at $30.00.

BE IT FURTHER RESOLVED that the City Council does hereby request the District to adopt SUA levies based on said amount.

1. RECOMMENDATION:

It is recommended that:

The Stormwater Utility Assessment Equivalent Runoff Unit (ERU) rates for Fiscal Year 2020–2021 be adopted for the Contra Costa County Flood Control and Water Conservation District (FC District) Stormwater Utility Areas (SUAs) for the following incorporated and unincorporated areas:

PROPOSED VS. EXISTING ERU RATES

Stormwater Utility Area No.	Area	Maximum ERU Rate	Existing ERU Rate for FY 2019–20	Proposed ERU Rate for FY 2020–21
1	Antioch	$25.00	$25.00	$25.00
2	Clayton	$29.00	$29.00	$29.00
3	Concord	$35.00	$35.00	$35.00
4	Danville	$30.00	$30.00	$30.00
5	El Cerrito	$38.00	$38.00	$38.00
6	Hercules	$35.00	$35.00	$35.00
7	Lafayette	$35.00	$35.00	$35.00
8	Martinez	$30.00	$30.00	$30.00
9	Moraga	$35.00	$35.00	$35.00
10	Orinda	$35.00	$35.00	$35.00
11	Pinole	$35.00	$35.00	$35.00
12	Pittsburg	$30.00	$30.00	$30.00
13	Pleasant Hill	$30.00	$30.00	$30.00
14	San Pablo	$45.00	$45.00	$45.00
15	San Ramon	$35.00	$35.00	$35.00
16	Walnut Creek	$35.00	$35.00	$35.00
17	Unincorporated County	$30.00	$30.00	$30.00
18	Oakley	$30.00	$30.00	$30.00

2. NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PROGRAM:

Congress adopted the Federal Water Pollution Control Act, generally referred to as the Clean Water Act, in 1972. It specifically prohibits the discharge of any pollutants (e.g., herbicides, pesticides, oil, and grease) to the "navigable waters of the United States." The initial focus of the Clean Water Act was to prohibit these pollutants from industrial process wastewater and municipal sewage. The Act was amended in 1987 mandating the Environmental Protection Agency (EPA) to establish regulations setting forth the National Pollutant Discharge Elimination

System (NPDES) Permit Application requirements for stormwater discharges for municipalities, industries, and construction projects. Contra Costa County (County), its incorporated cities, and the FC District joined together to form the Contra Costa Clean Water Program in order to marshal the necessary resources and develop the most cost-effective program to comply with these federally mandated requirements.

One of the requirements of the NPDES permit process is to identify funding sources for implementation of the program activities. The Contra Costa Clean Water Program Management Committee identified the formation of stormwater utilities as the most practical method for meeting the funding requirements. Sixteen city councils and the County Board of Supervisors adopted resolutions requesting that the FC District form an SUA for their city territory. The governing board of the FC District established SUAs 1 through 17 on June 22, 1993, and Area 18 on May 9, 2000.

3. STORMWATER UTILITY:

A stormwater utility is similar to other utilities. It has a purpose, a geographic boundary, and a method for spreading the utility costs to benefiting properties or recipients. The purpose of the stormwater utility is to fund the implementation of the NPDES program activities required by the permit and the maintenance of the government-owned storm drain systems. In development of the stormwater utility legislation, the construction of capital improvements was excluded from this purpose. Stormwater utility assessment revenues can only be spent on the NPDES program activities and storm drain system maintenance. Replacement of a failing storm drain system is considered a maintenance activity as long as the replacement facility is equal in capacity and a comparable type of facility, i.e., pipe storm drain is replaced by another pipe storm drain.

The NPDES program activities have been tailored to meet the respective city or County NPDES problems based on their land use activities; thus, each program is different. Also, the cities and County, on an individual basis, will perform most of the NPDES activities. Consequently, each city comprises a separate SUA. This facilitates the setting of the utility rates and the transfer of funds to the cities who perform most of the work. The same applies for the unincorporated County NPDES program, which is implemented by County staff.

Stormwater utilities generally distribute program costs to the benefiting landowners on the basis of stormwater runoff quantity or the amount of impervious surface associated with various land uses. The SUAs utilize the latter method. Staff prepared the report entitled "Report on Stormwater Utility Assessment (March 1993)," which is incorporated into this Engineer's Report by reference. The report explains in detail the rationale for using impervious surface area as the basis for allocating costs, the development of the utility rate standard of one ERU and the relationship between land use, parcel size, and the number of ERUs assigned to individual parcels in each SUA. A typical single-family residence (5,000 SF to 20,000 SF lot) is used as the standard for one ERU. The cost to the typical single-family landowner will be the ERU rate shown in Section 1(a) above.

4. PROPOSED STORMWATER UTILITY BUDGETS FOR FY 2020–2021:

Indicated below are the estimated budgets for each SUA. The FC District's administration and collection costs are estimated at $2 per parcel, which includes the County Tax Collector's line item cost for the tax bills.

Each year, the FC District provides city staff with an estimate of the number of ERUs assessable in the new year. The agency corresponding with each SUA then prepares a budget for their NPDES and drainage maintenance program for the forthcoming fiscal year. Using this budget, plus the estimated cost for entity administration and assessment collection, city staff calculates the required ERU rate by dividing the estimated total cost by the estimated ERUs in the SUA. The agency governing board approves the rate and requests that the FC District approve and implement the desired assessment. The ERU rate in future years cannot exceed the maximum rate shown in Section 1(a) without completing the public notice/hearing process required by SB 1977 (Bergenson) and Proposition 218 (California Constitution, Article XIII D, Section 4).

(1) Agency funding for NPDES includes storm drain system maintenance and contingency costs.

5. ESTIMATED STORMWATER UTILITY ASSESSMENT REVENUES IN FY 2020–2021:

Indicated below are the estimated revenues for Fiscal Year 2020–2021 based on the proposed assessment rates in Section 1(a). The proposed ERU rate is the rate recommended in each municipality's resolution requesting adoption of Stormwater Utility Assessments for their municipal area. A listing of each assessor parcel number and proposed 2020–2021 assessment is on file with the Clerk of the Contra Costa County Board of Supervisors.

The complete parcel assessment roll as estimated for FY 2020-2021 is available for review at the Contra Costa County Clerk of the Board.
