**WHEREAS**, under the Federal Water Pollution Control Act, [33 U.S.C. Section 1342(p)], certain municipal storm water discharges require a permit from the appropriate federal or state authorities pursuant to the National Discharge Elimination System (NPDES) Program; and

**WHEREAS**, the City of Concord, in conjunction with other affected jurisdictions within Contra Costa County, applied to the State Regional Water Quality Control Board and received a Joint NPDES Permit to discharge storm water and developed a Storm Water Management Plan; and

**WHEREAS**, Assembly Bill 2768 (West's Water Code Appendix, Section 63-12 and 63-12.9) authorizes the Contra Costa Flood Control and Water Conservation District (DISTRICT) to establish storm water utility areas and to impose annual benefit assessments for the purpose of carrying out the activities required under the NPDES Program; and

2 **RESOLVE AS FOLLOWS:**

3           **Section 1.** Establishing the annual amount of and authorizing the Contra Costa County Flood  
4 Control & Water Conservation District to adopt SUA levies and/or assess ERUs does not constitute a  
5 "project," as defined in the California Environmental Quality Act (CEQA) and its Guidelines, under  
6 the general rule that CEQA applies only to actions that have the potential to cause a significant effect  
7 on the environment. In this case, the Council is only authorizing the amount of the annual parcel  
8 assessment for the NPDES program. Additionally, pursuant to Section 15273 of the CEQA  
9 Guidelines, the establishment of charges for the purpose of meeting operating expenses is  
10 categorically exempt. Projects funded by the annual assessment will undergo CEQA review as  
11 necessary. No unusual circumstances exist and none of the exceptions under CEQA Guidelines  
12 Section 15300.2 apply. This determination reflects the City's independent judgment and analysis.

13           **Section 2.** The annual assessment imposed by the DISTRICT within the storm water utility  
14 area for Fiscal Year 2020-21 shall be \$35.00 per Equivalent Runoff Unit (ERU).

15           **Section 3.** The City Council requests the DISTRICT to adopt storm water utility area levies
