Annual Report County of Contra Costa Housing Successor

Introduction

This document represents the annual report of the Housing Successor of the County of Contra Costa, acting as housing successor to the former Contra Costa County Redevelopment Agency, which entity was dissolved in 2012 (“Former Agency”). This report is required pursuant to Section 34176.1 of the Health and Safety Code which was effective January 1, 2014 and replaces other types of annual reporting required of former redevelopment agencies. The report summarizes revenues, expenditures and fund balances included in the County’s Consolidated Annual Financial Report (“CAFR”) and also includes a review of Housing Successor’s status on meeting certain housing related requirements. The items to be included in this annual report are specific and are enumerated in Section 34176.1(f) of the Health and Safety Code. Changes to the reporting requirements in Section 34176.1(f) were included in SB 107, which was enacted in September 2015 and became effective immediately. This annual report includes the reporting requirements added by SB 107 and covers the 2018-19 fiscal year.

Redevelopment Dissolution Act

In December 2011, the California Supreme Court issued its opinion in the case of *California Redevelopment Association, et al., v. Matosantos, et al.* The Court upheld the right of the state to dissolve redevelopment agencies pursuant to Part 1.85 (commencing with Section 34170) of Division 24 of the California Health and Safety Code, enacted by AB x1 26, and as amended on June 27, 2012 by AB 1484 (the “Dissolution Act”). Based on modified time lines approved by the Court, all redevelopment agencies, including the Former Agency, were dissolved effective February 1, 2012. The County of Contra Costa elected to serve as the governing body for the Former Agency’s low and moderate income housing assets (“Housing Successor”). Under the Dissolution Act, successor agencies are charged with winding down the affairs of the former redevelopment agencies and paying their obligations. Housing successors are different legal entities and have different duties under the Dissolution Act. Housing successors received the non-cash housing assets¹ of former redevelopment agencies and are charged with monitoring and maintaining existing low-and moderate income housing assets and meeting outstanding requirements for former redevelopment agencies.

Under the Dissolution Act, housing successors have no ongoing revenue source except for program income (revenue generated by non-cash housing assets) and 20 percent of loan repayments, if any, made by successor agencies to cities or counties as repayment of loans the cities made to the former redevelopment agencies under the special repayment provisions of the Health and Safety Code (Section 34191.4).

Definition of Income Levels

Housing successors are required to spend their funds to assist low income households obtain decent, safe and sanitary housing. These requirements define various types of low income households. The definitions categorize households with like incomes into groups and label them according to how their income compares to the median income of households in the region. These categorizations are as follows:

¹ In addition to non-cash housing assets, the Housing Successor/County was able to retain any cash that was encumbered for specific housing obligations.

Annual Report
Contra Costa County Housing Successor

Extremely Low Income	incomes at or below 30% of area median income, adjusted for family size
Very Low Income	incomes between 31% and 50% of area median income, adjusted for family size
Low Income	incomes between 51% and 80% of area median income, adjusted for family size
Moderate Income	incomes between 81% and 120% of area median income, adjusted for family size

Current Housing Successor Requirements

SB 341 was enacted in 2013 and imposed new housing requirements on entities acting as housing successors to former redevelopment agencies beginning January 1, 2014, including but not limited to new reporting requirements. Specifically, SB 341 amended Section 34176 and added Section 34176.1 to the Health and Safety Code, which clarified the provisions for the Health and Safety Code that pertain to housing successors and outlined some significant new housing-related requirements. These requirements apply to unencumbered funds held by housing successors and provide that these funds must be used as was previously required for monies in former redevelopment agencies' low and moderate income housing funds. This clarification was needed because the 2012 dissolution of all redevelopment agencies in the state, including the Former Agency, raised a number of questions as to which part of the housing provisions of the Health and Safety Code were applicable to housing successors.

SB 341, as amended by SB 107 in 2015, made a number of changes to the regulations governing housing related expenditures. Five of the biggest changes that impact this report include:

- **Administrative Costs:** Administrative costs can equal up to 5.0 percent of a housing successor's real property value. From January 1, 2014 to January 1, 2015, administrative costs were capped at 2.0 percent of a housing successor's real property value. Prior to January 1, 2014, the amount spent on administration needed to be "reasonable", but was not quantified.
- **Senior Housing:** The formula for limiting senior housing is loosened somewhat from previous requirements, and is discussed under "Expenditure Targeting by Age, Section 34176.1(f)(11)" below.
- **Excess Surplus:** The formula for excess surplus and the requirements for housing successors that have a surplus were revised and are discussed under "Excess Surplus, Section 34176.1(f)(12)" below.
- **Time Limitations for Land:** The requirements for the length of time Housing Successors may hold land purchased were modified somewhat from prior law and are discussed under "Duration of Land Held: 34176.1(f)(8)" below.
- **Expenditure Targeting:** Dollar targeting requirements were significantly tightened and essentially prohibit expenditures for moderate income households. In addition, the updated requirements provide new targets on which income levels housing successors must spend their funds to assist. Eighty percent of unencumbered funds must be geared for those households earning 60 percent or less of the median income. The balance is to be spent on households earning 61 to 80 percent of median income. This differs from previous requirements when percentages were different and expenditures for Moderate Income households were permitted. Demonstration of compliance with these requirements is required to be reported for the first time in 2019.

Annual Report Contra Costa County Housing Successor

As discussed above, the Contra Costa County Redevelopment Agency was dissolved as of February 1, 2012. This process ceased the Agency's receipt of 20 percent of tax increment revenues to fund housing projects. In addition, unencumbered cash in the possession of the Former Agency as of dissolution was required to be distributed to the base year taxing entities rather than be used for additional housing projects. The only source of annual funding available to the Housing Successor is income received from assets held: principal and interest payments on any funds the Agency/Successor has loaned, land sale proceeds, and interest income. In addition, the Housing Successor has available for eligible expenditures the proceeds of bonds that were issued by the Former Agency for housing purposes.

Reporting for Section 34176.1

The current Section 34176.1 reporting requirements include 13 separate items on which the Housing Successor must report. Many of the requirements involve simply reporting a number or numbers included in the Housing Successor's latest audited financial statements, which are included in the County's Comprehensive Annual Financial Report (CAFR). This report is based on the CAFR for the 2018-19 fiscal year and includes specific reporting for the Housing Successor. For the convenience of the reader, responses to all 13 items are included in Table 1. Those items which require additional calculations to document are included in Tables 2 through 5 and Appendix A. A brief description of each of the reporting requirements as they apply in Contra Costa County is also included below.

County Loan Repayments: 34176.1 (f) (1)

SB 107 added an additional requirement to the reporting requirements outlined by SB 341. The annual report is to include any housing revenue housing successors received from successor agencies. Specifically, an amount equal to 20 percent of certain loan repayments between counties or cities and successor agencies that are subject to Health and Safety Code Section 34191.4 is to be separately reported. Any loans between the Successor Agency and the County of Contra Costa have been repaid: there are no outstanding loan balances.

Housing Fund Deposits: 34176.1 (f) (2)

The annual report is to include reporting on the amounts deposited in the Housing Fund each year. Any amounts received from the Successor Agency for items included on the ROPS are to be reported separately from other funds. As shown on Table 1, the Housing Successor received \$192,844 in revenue during 2018-19, which amount consisted of interest earnings, loan payments and miscellaneous income.

Housing Fund Balance: 34176.1 (f) (3)

SB 341 requires that the annual report include the fund balance in the Housing Fund as of the end of the year. The balance in the fund as of June 30, 2019 was approximately \$8.2 million, of which \$6.0 million is bond proceeds issued prior to dissolution for affordable housing purposes, as shown in Table 1. The value associated with outstanding housing loans and any land owned by the Housing Successor are not included in this balance as they do not represent cash available to the Housing Successor.

Annual Expenditures: 34176.1 (f) (4)

The annual report is to include a description of expenditures from the Housing Fund by category. As required, a description of expenditures from the Housing Fund by category is included as items 4 and 7 on Table 1. No expenditures were made by or on behalf of the Housing Successor that were ROPS-related. During 2018-19, the Housing Successor spent \$160,513 for housing monitoring and administrative costs for the 2018-19 fiscal year, which is well below the administrative costs limit of 5.0 percent of assets, or over \$700,000, imposed by Health and Safety Code 34176.1(a)(1).

Non-administrative expenditures from the Housing Fund were focused on expenditures related to Heritage Point Affordable Housing Project. This project will consist of a four-story multifamily apartment

Annual Report
Contra Costa County Housing Successor

building, with 47 one to three bedroom units that will be available to Extremely Low and Very Income Households. When completed, residents can take an AC Transit bus ride directly from the site to the Richmond BART Station, approximately 2 miles away.

Real Property: 34176.1 (f) (5)

SB 341 requires that the Housing Successor report on the statutory value of any real property that it received from the Former Agency.

The value of real property owned by the Housing Successor is included in Table 1, item 5, and equals the total of loans and grants receivable and the statutory value of land held by the Housing Successor, as required. Pursuant to Health and Safety Code 34176.1, statutory value is the value of the property as reported to the state Department of Finance in its formal Housing Asset Transfer form (the “statutory value”). For the Housing Successor, the statutory values of its current land holdings vary somewhat from amounts included in the CAFR. As a result, both the statutory value and the value included in the CAFR have been included in the detail shown in Table 2 and Appendix A-2. The amounts shown in Table 1 are the statutory values, as required by the statute.

Transit Housing: 34176.1 (f) (6)

Housing Successors that are in compliance with housing regulations are permitted under SB 341 to develop transit housing and are to separately report such expenditures in the annual report. For 2018-19, the Housing Successor did not develop or assist in the development of any Transit Housing and thus has no expenditures to report.

ROPS Funding for Housing: 34176.1 (f) (7)

The annual report is to include a description of any project for which the Housing Successor receives revenue through the ROPS process and the status of that project, which description is included directly below. The Housing Successor does not have any projects that it is funding through the ROPS process.

The Successor Agency did request and receive approval through the ROPS process to spend Successor Agency reserves to pay for some of the Housing Successor’s property maintenance and development costs. These monies were paid directly to the vendors by the Successor Agency on behalf of the Housing Successor and were never actually transferred to or spent by the Housing Successor. The last of those expenditures ended in 2015-16. There are no ROPS-related expenditures to report for the 2018-19 fiscal year.

Duration of Land Held: 34176.1 (f) (8)

SB 341 requires that the Agency report on its compliance with new requirements on the amount of time the Housing Successor can hold property acquired for future development from monies in the Housing Fund per 33334.16, as modified by SB 341.

A listing of the properties the Housing Successor held as of June 30, 2019 is included in Table 3. Pursuant to Health and Safety Code Sections 33334.16, housing successors have 5 years to initiate activities consistent with the development of housing for low and moderated income housing purposes for any properties that it purchased for that purpose before February 1, 2012. The date that the 5 years is counted against is the date that is 5 years after the Department of Finance approved the transfer of the properties to the Housing Successor, or prior to February 6, 2018. The statutory value of the properties owned by the Housing Successor are shown in Table 2 along with the current status of activities the Housing Successor has undertaken to realize the development of low income housing. While development-related activities have been initiated for most properties owned, the Housing Successor plans on seeking a 5-year time extension for those properties still under its ownership as of June 30, 2019, as allowed by Health and Safety Code 33334.16.

Housing Production and Housing Replacement: 34176.1 (f) (9)

SB 341 requires the annual reporting by the housing successor to contain a description of any progress that has been made on meeting any of the outstanding replacement housing obligations and/or housing production requirements (pursuant to Health and Safety Code Section 33413) that were outstanding at the time transfer to the housing successor on February 1, 2012. Housing Successor staff estimate that the housing projects assisted by the Former Agency and/or the Housing Successor more than met of the housing production obligation.

The Former Agency did have one replacement housing obligation to meet when it was dissolved in 2012. Twenty-seven affordable units were supposed to be built to replace the units displaced at the Orbisonia Heights Project in the former Bay Point Project Area. Those units were, and are still, intended to be replaced onsite in the newly constructed Orbisonia Heights project. Development of the site was delayed by both the real estate market and the disruption of redevelopment dissolution. As such, due diligence and development entitlements are being completed and an executed disposition and development agreement (DDA) is expected to be completed by the summer 2020, with construction starting in 2021. When the development is completed, the replacement housing obligations for the project and for the Housing Successor will be fully met.

It should be noted that housing production and replacement requirements ceased when the Former Agency was dissolved. As such, the Housing Successor does not need to demonstrate its compliance with these requirements on an annual basis, but will continue to report on the progress in meeting its outstanding replacement housing requirement.

Expenditure Targeting by Income Level: 34176.1 (f) (10)

Unencumbered funds in the Housing Fund that are not spent on allowable administrative costs must be spent primarily on extremely low and very low income households.² In fact, at least 30 percent of unencumbered funds are to be for extremely low income households, and 80 percent of must be geared for those households earning 60 percent or less of the median income. This differs from previous requirements when expenditures for Moderate Income households were permitted. Demonstration of compliance with these requirements is required to be reported every five years, starting in 2019.

The only project-related expenditures the Housing Successor has made since the enactment of this requirement in 2014 are dollars related to the Heritage Point Affordable Housing Project (Heritage Point), which is rental housing geared for Extremely Low and Very Low Income Households. The Heritage Point project was initially approved on April 5, 2011, which is prior to the date that Section 34176.1 of the Health and Safety Code became effective. As such, expenditures for this project should be considered exempt from the targeting requirements of the legislation.

Year by year expenditures for housing projects are shown in Table 3. It should be noted that Table 3 does not include expenditures made on behalf of the Housing Successor by the Successor Agency through the ROPS process, which expenditures occurred in fiscal years 2013-14 through 2015-16.

Expenditure Targeting by Age: 34176.1 (f) (11)

Section 34176.1(b) provides that previous age targeting requirements no longer apply but rather requires adherence to new restrictions. If the number of assisted units that are restricted for seniors and assisted individually or jointly by the housing successor, its former redevelopment agency and/or the County within the previous 10 years exceeds 50 percent of all units assisted, then the housing successor cannot assist any more senior housing until the number of units assisted for families equal at least 50 percent of total units.

² As of September 2015, the statutes allow the expenditure of up to 5 percent of the value of the Housing Successor's assets to be spent on administering and monitoring housing projects.

Annual Report Contra Costa County Housing Successor

For the County, the Former Agency and the Housing Successor, the last affordable housing project restricted to seniors was completed in 2002. As such, the Housing Successor is in compliance with this requirement.

Excess Surplus: 34176.1 (f) (12)

SB 341 changes the definition of excess surplus and the penalties for noncompliance. The term “excess surplus” applies to any monies in the Housing Fund that are greater than \$1 million or the total of the deposits into the Housing Fund in the previous 4 years. If a housing successor does not spend excess surplus funds within 3 years after they become excess surplus, the housing successor will have to transfer the funds to the state Department of Housing and Community Development for use in specified statewide housing programs. SB 341 requires that the Housing Successor report on the amount of any excess surplus and its plans for expenditure of those surplus funds, if applicable. As shown in Table 4, the Housing Successor did not have an excess surplus as of July 1, 2018 or July 1, 2019 because the deposits to the Housing Fund in the four prior years exceed the adjusted balance in the fund. For the purpose of calculating the excess surplus, the amount of bond proceeds held by the Housing Successor is first deducted as they should not be a part of the excess surplus calculation.

Homeownership Unit Inventory: 34176.1 (f) (13)

SB 341 requires that the Housing Successor report on the number of affordable for-sale housing units (Homeownership Units) the Former Agency or the Housing Successor has assisted that are subject to covenants and restrictions. The annual reporting is to include the number, reason and dollars received by the Housing Successor as a result of the loss of any units that has occurred since July 1, 2013 and annually thereafter. This information is included for the Housing Successor in Table 5 and Appendix A-2.

The Homeownership Units directly assisted by the Former Agency through loans that were transferred to the Housing Successor as of February 1, 2012 were primarily units assisted by the Agency’s First Time Homebuyers Program: 21 of the 30 Homeownership Units with Loans were for the First Time Homebuyer’s Program. In addition to the First Time Homebuyer’s Program, the Agency also transferred land to Habitat to Humanity for the construction or rehabilitation of nine affordability restricted Homeownership Units. The Housing Successor loaned money to the Habitat for Humanity for these units, but did not make individual loans to homeowners. While some of the First Time Homebuyer units contain equity sharing provisions, many of these loan agreements required the homeowners to sell the units to income restricted buyers at affordable housing costs when moving. As a result, none of the Housing Successor’s Homeownership Units were lost to the County’s affordable housing portfolio during the 2018-19 fiscal year.

In addition to the Homeownership Units for which the Housing Successor has or had loans outstanding as of February 1, 2012, there are 66 Homeownership Units for which the Housing Successor does not have any loans outstanding. It does, however, have covenants recorded on the properties that contain restrictions on the resale of these units.

If both categories of Homeownership Units are combined, there were a total of 96 restricted Homeownership Units as of June 30, 2018 in the County of Contra Costa County’s jurisdiction that contain deed restrictions, some of which had received direct assistance from the Successor or Former Agency.

Disclosure

This Report was prepared by DHA Consulting from historical records and other information provided by Former Agency staff. DHA Consulting did not independently verify or otherwise confirm the legality or accuracy of the data provided.

- (1) The Successor Agency has no loans from the County that are outstanding.
- (2) Does not include land sale proceeds as no properties sold during 2018-19.
- (3) Excluded from the fund balance shown above are loans receivables and land held for resale, which are shown separately under 5. above.
- (4) Costs associated with maintaining and preserving the Successor's assets are included with amounts reported for other administrative costs.
- (5) Equals the total value for all properties held for resale at the end of the fiscal year as reported to the state Department of Finance (DOF) in the Housing Successor's formal Housing Asset Transfer form, which was approved by DOF on February 6, 2013. This amount varies from the CAFR.
- (6) See preceding narrative for a description of the Housing Successor's compliance with these requirements.
- (7) Pertains to requirements to target expenditures towards households earning 80% or less of the median income, as outlined in Health and Safety Code 34176.1(a)(3). See Table 3.

Total Carrying Value/Land Held for Resale					6,672,782	6,746,187

- (1) Includes properties held by the Housing Successor for transfer to public or private parties for future low and moderate income housing purposes. See Appendix A-2 for parcel level detail.
- (2) The "Effective Acquisition Date" for properties acquired by the Former Agency prior to dissolution is the date the transfer was approved by DOF, which is February 6, 2013. A housing successor is to have initiated activities related to the future development of affordable housing on these properties within 5 years of the effective date of acquisition, unless certain findings are made. See preceding report.
- (3) Represents current development related activities. See "Duration of Land Held" in the preceding report for a discussion of the timing of the Housing Successor's disposition plans.
- (4) Values shown are the values carried in the Housing Successor's accounting records, or Consolidated Annual Financial Report (CAFR).
- (5) Values shown are the same as those included in the Housing Asset Transfer (HAT) forms that the Former Agency was required to send to the state for approval before property transfers to the Housing Successor could be finalized. These values vary from those included in the Successor's CAFRs for certain properties.
- (6) The "Carrying Asset Values" shown above may not be reflective of the current market values for the properties.

Extremely Low (30% or Below)									
Very Low (30% to 60%)									
Low (60^ to 80%)									
TOTAL FUTURE PROJECT #1			-	-	-	-	-	-	-
GRAND TOTAL (Memo Only)	47	N/A	34,540	231,832	251,974	376,120	273,394	3,178,290	4,346,150

(1) Costs have been allocated between the various applicable income categories based on the percentage of units in that category to the total number of assisted units. The actual costs to provide housing for Extremely Low Income Households is higher than Very Low Income Housing because the resulting subsidy requirement is larger.

(2) Excludes monies spent by the Successor Agency on the Housing Successor's behalf for items, which expenditures were obligations of the Former Redevelopment Agency at the time of redevelopment dissolution.

(3) Costs shown exclude the value of land sold to the developer for less than the amount the Agency spent to acquire the property in years prior to 2013-14.

2018-19	N/A	192,844	CAFR 2018-19 / All Income
Four Year Total	4,483,357	4,600,020	Various
Difference ⁽⁴⁾	(320,877)	(2,377,086)	No Excess Surplus

- (1) Values shown for land represent the book values included in the CAFR, which is slightly lower than the statutory value. See Table 2.
- (2) These are funds that are on deposit with the Fiscal Agent and represent bond proceeds, which must be spent in accordance with the bond document restrictions.
- (3) Varies from the CAFR in that the above number includes 100 percent of the revenue received for property transfers without offset to account for the loss of an asset.

Table 5
 Contra Costa County Housing Successor
 Homeownership Inventory Reporting per 34176.1(f)(13)
 June 30, 2019

34716.1(f) (13), subsection:

A.	An inventory of homeownership units assisted by the Housing Successor (See Appendix)	30
	Units where loans were outstanding as of 2/1/2012	0
	Units that were added after 2/1/2012	66
	Units where loans where no monies were or are outstanding	96
	Total Number of Single Family Homes Restricted	96
B.1	Number of units lost lost during 2018-19	No Units Lost
B.2	Reasons for the Losses	Not Applicable
C.	Any funds returned to the Housing Successor	Not Applicable
D.	Management of Single-Family Housing Units:	County Staff

Many of the Former Agency's Single Family Housing Programs resulted in single-family residential units that contained covenants that required the homes to remain in low and moderate income homeownership even after the units are sold by the original homeowners. Thus, no revenues that were received by the Housing Successor from any refinancings are revenues received as the result of losses to the portfolio.
