Dear Ms. Roa:

Contra Costa County is pleased to partner with Delta Diablo Sanitation District (DDSD) and other East County cities on the Fiscal Year 2020-2021 CalRecycle Household Hazardous Waste Grant (Grant) for a Marine Flare Collection Program (Program). Unincorporated East County is home to almost 40 marinas and this Grant opportunity is a profoundly necessary resource for the East County communities in the DDSD service area.

This letter authorizes DDSD to apply for and act as Lead Agency on the County's behalf in the implementation and administration of the Grant. If awarded, DDSD may also execute all documents necessary to implement this regional Grant.

Thank you for your continued diligence in providing the East County communities and cities critical services to safely manage hazardous waste in our region.

Best Regards,

John Kopchik
Conservation and Development Director
