Auditor – Controller
Contra Costa County

SUBJECT: Request for 40 day Extension to Complete Local Assessment Roll

Dear Mr. Campbell:

The State Controller's Office (SCO) is in receipt of your letter dated May 28, 2020, requesting a time extension due to the fact the State Board of Equalization granted an extension of time for the Assessor of Contra Costa County to submit the local assessment roll.

Pursuant to Revenue and Taxation Code section 155.3, the SCO is granting the requested extension of 40 days, as the act of the Auditor-Controller and Treasurer-Tax Collector are dependent on the local assessment roll for which the time has been extended.

Sincerely,

A handwritten signature in black ink, appearing to read "Lacey Baysinger", is written over a horizontal line.
