Have you ever attended a meeting of the advisory board for which you are applying?

Yes No

If you have attended, how many meetings have you attended?

Please explain why you would like to serve on this particular board, committee, or commission.

In light of the current climate I believe I would bring a different perspective to these committees to work to solve some of the systemic issues related to minority groups like women and people of color. I have a unique perspective because I know what it is like to live near the poverty line and now live in middle class. I am also part of an under represented generation in local government and politics.

This the first time I am applying for a position such as this.

I have worked and lived in Contra Costa for the last 13 years. I completed both of my degrees here and have been a major part of building a successful local business for the last 11 years. I have unique experience that would add a new voice.
