---

**Board and Interest**

**Which Boards would you like to apply for?**

---

Fish & Wildlife Committee: Submitted

**Seat Name**

---

at-large member

**Have you ever attended a meeting of the advisory board for which you are applying?**

---

Yes  No

**If you have attended, how many meetings have you attended?**

**Please explain why you would like to serve on this particular board, committee, or commission.**

---

I have a strong interest in wildlife management, especially as it relates to one health and conservation medicine, similar disciplines that focus on the relationship between humans, wildlife and the environment. My background has primarily been in veterinary medicine and environmental biology, but I am looking to get increasingly more involved in policy and wildlife management.

---

## **Qualifications and Volunteer Experience**

**I would like to be considered for appointment to other advisory boards for which I may be qualified.**

---

Yes  No

**Are you currently or have you ever been appointed to a Contra Costa County advisory board, commission, or committee?**

---

Yes  No

**List any volunteer or community experience, including any advisory boards on which you have served.**

---

My primary volunteer experience is in wildlife medicine (marine, backyard wildlife, avian/raptor). I hope to become more involved in local wildlife medicine and wildlife management in the years to come.

---

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)**

---

My undergraduate degree is in environmental biology and my graduate degree is in veterinary medicine. My professional experience includes 16 years as a practicing veterinarian focusing primarily on critical care and pain management in companion animal species. I also have had experience with many different facets of wildlife medicine, including marine mammals, aquatic medicine, backyard wildlife and raptors. As a veterinary student, I interned at the EPA for two summers studying emerging marine diseases in the North Atlantic and I have a strong interest in wildlife management and policy.
