**Please explain why you would like to serve on this particular board, committee, or commission.**

The Aviation Advisory Committee At Large position provides an excellent opportunity to connect the public with the vital work of both Buchanan and Byron airports. Airports should never be "just for pilots," but rather a community resource for County funding, educational opportunities, industry training, economic development, job creation, and community events. As Central San's Communications and Government Relations Manager, my work allows me to be in Contra Costa County communities and accessible to the public to listen to their input on the airports. I do not simply want to provide information to people when inquires or concerns arise, but rather connect the public with the work of the airports, increasing communication and understanding of airport business, procedures, and operations. Likewise, I will continue to share the public's input with the airports' Administration, further developing the positive relationship between the two.
