The Political Reform Act, Government Code Section 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations, previously called the California Administrative Code, Section 18730, which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix in which members and employees are designated and disclosure categories are set forth, constituting the conflict of interest code for the Contra Costa County Library.

Designated employees shall file statements of economic interests with the agency who will make the statements available for public inspection and reproduction. (Government Code Section 81008). Upon receipt of the statements of the County Librarian, the agency shall make and retain a copy and forward the original of these states to the Clerk of the Board of Supervisors.
