- (vii) Developing procedures for how members of the Policy Council will be elected; and
- (viii) Recommendations on the selection of delegate agencies and the service areas for such agencies.

IV. Policy Council Membership

A. Composition

The Policy Council consists of 36 member seats represented by parents of currently enrolled children, past parents and community agency representatives. Policy Council

composition is reviewed annually to ensure that it meets the general membership guidelines of Head Start Performance Standards and that the representatives are proportionately selected according to program option (Head Start, Early Head Start, Full-Day, Part-Day, and Home-Based).

1. Parents of Currently Enrolled Children

At least 51 percent of the Policy Council seats must be filled by parents of children currently enrolled in Head Start (“HS”) and Early Head Start (“EHS”). (See 45 CFR 1305.2 for the definition of “parent”). The number of seats allocated to each childcare center is based on the center’s number of funded HS and EHS slots with one seat for every 60 slots rounded up or down to the nearest whole number. Parents, and their alternates, are nominated and elected by the parent committee of the center at which their children are enrolled.

The parent nominee who receives the most votes is elected to serve as the primary representative of the center where his or her child attends. The parent nominee who receives the second highest vote number of votes is elected to serve as the alternate representative. When the primary representative is unable to attend a meeting, the alternate representative will attend the meeting and vote in the primary representative’s place. Each childcare center shall maintain a list of its primary and alternate representatives, which it shall send to the Policy Council Secretary.

2. Past Parent Representatives

Parents of children who formerly attended HS and EHS programs may serve on the Policy Council for a total of five years, inclusive of terms served while their children were enrolled in HS/ EHS. Past parents interested in serving as representatives may submit a letter of interest to the Policy Council and are elected during the Policy Council Orientation Meeting.

3. Community Agency Representatives

Community Agency Representatives are members of local community agencies, selected by the Policy Council, that serve low-income children and families.

B. Term of Membership

Members are elected each year to a one-year term that commences on September 1 and ends on August 31 of the following calendar year. Members may serve on the Policy Council for a total of five years.

C. Absences

Policy Council members are required to attend all meetings. If a member provides less than a 24-hour notice of his or her absence, the absence will be considered unexcused. If a parent of a currently enrolled child will be absent, he or she must confirm that his or her alternate will attend on his or her behalf. The member must give twenty-four hours’ notice of his or her absence to the alternate, Policy Council Secretary, and childcare site supervisor of the center the parent’s child attends. If a parent of a currently enrolled child has two unexcused absences, the center that he or she represents will be notified, and the center will make the determination as to whether

the parent will remain on the Policy Council or if the parent will step down and the center will elect a new representative. The center must notify the Policy Council Secretary of any changes in representation.

If a past parent or community representative has two unexcused absences, the Policy Council may choose to terminate his or her membership. Community representatives may be terminated only after the Policy Council notifies the agency represented.

D. Resignation

If a member wishes to resign from the Policy Council, or a parent representative is no longer eligible to serve because his or her children are no longer enrolled in the HS or EHS program, the member must submit his or her resignation in writing to the Policy Council Secretary.

E. Termination

A Policy Council member may be terminated by two-thirds (2/3) vote at any regular meeting for reasons of misconduct or excessive absenteeism. If the termination is for excessive absenteeism, this vote will take place only after notice has been sent to the childcare center the member represents and the childcare center has provided a response. The member will be notified in writing of his or her termination from the Policy Council. Any decision to terminate a Past Parent or Community Representative is made by the Policy Council itself, with the member being notified in writing.

F. Vacancy

If the seat of a parent of a currently enrolled child becomes vacant, the vacant seat will be filled by the member's alternate until the parent committee of the center represented by the member elects a new representative to fill the vacant seat. If a seat held by a community agency representative becomes vacant, the agency must appoint a replacement as soon as possible. The Policy Council Chair will announce vacancies of past parent representative seats.
