

ORDINANCE NO. 2021-38

(Organic Waste Disposal Reduction)

The Contra Costa County Board of Supervisors ordains as follows:

SECTION I. SUMMARY. This ordinance adds Chapter 418-20 to the Contra Costa County Ordinance Code to establish a program to regulate the handling of organic waste in accordance with State of California regulations.

SECTION II. AUTHORITY. This ordinance is adopted pursuant to Chapter 12 of Division 7 of title 14 of the California Code of Regulations, section 42652.5, subdivision (b), of the California Public Resources Code and article XI, section 7 of the California Constitution.

SECTION III. FINDINGS AND PURPOSE.

(a) On September 19, 2016, Governor Gavin Newsom approved Senate Bill No. 1383 (“SB 1383”). SB 1383 contains legislative findings regarding public health and other impacts caused by short-lived climate pollutants such as black carbon, fluorinated gases, and methane.

(b) Among other things, SB 1383 added chapter 13.1 (commencing with section 42652) to part 3 of division 30 of the California Public Resources Code.

(c) Public Resources Code section 42652.5, subdivision (a), directed the California Department of Resources Recycling and Recovery (“CalRecycle”) to adopt regulations to achieve specified organic waste reduction goals; specifically, a 50-percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020, and a 75-percent reduction from the same level by 2025.

(d) In October 2020, CalRecycle adopted regulations under the mandate of SB 1383 (“SB 1383 Regulations”). Along with revising certain existing provisions of title 14 of the California Code of Regulations, the SB 1383 Regulations include a new chapter within division 7 of title 14, entitled “Short-lived Climate Pollutants,” commencing with section 18981.1 (“Chapter 12”), effective January 1, 2022.

(e) Among the requirements in Chapter 12 are several regulatory mandates on local jurisdictions, including counties, cities, and specified special districts that provide solid waste collection services. These mandates include Section 18981.2, subdivision (a), which requires a local jurisdiction, by January 1, 2022, to “adopt enforceable ordinance(s), or similar enforceable mechanisms that are consistent with the requirements of this chapter, to mandate that organic waste generators, haulers, and other entities subject to the requirements of this chapter that are subject to the jurisdiction’s authority comply with the requirements of this chapter.”

(f) The purpose of this ordinance is to implement the regulatory mandates described in Chapter 12 and provide for the establishment and collection of fees to pay for associated regulatory costs.

SECTION IV. Chapter 418-20 is added to the County Ordinance Code, to read:

Chapter 418-20 Organic Waste Disposal Reduction

418-20.202 Limits of application.
