**Please explain why you would like to serve on this particular board, committee, or commission.**

As a recovering addict (2 years clean), issues that surround addiction and recovery are central to my life. I have personally navigated the system in Contra Costa County, having been homeless for nearly a decade, and understand both its strengths and the hurdles it presents to individuals seeking to heal. I am deeply connected to many people still in early recovery, so understand what they are experiencing. As a result of my personal experience, my connections, and my current work (described below), I have ideas about how the County can best serve the recovery community. It is clear to me that the AOD Advisory Board, and the County, are the decisive pillars in supporting available and future progress for recovering addicts. I want to contribute to that progress.

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)**

I am an active member of the recovery community in Contra Costa County, through personal recovery work, my employment and my volunteering. I am currently Program Manager of Seeds4Recovery, Support4Recovery's newest program, bringing services into low-income Recovery Residences. This is a program that I co-founded, and brought to S4R, which evidences my ability to envision and implement improvements in services to the recovery community. Since Fall 2019, I have been a House Manager for one of the Recovery Residences managed by Second Chance in Concord. I am active in NA, maintain service commitments and have served as Secretary (2019-2020) and as alternate GSR (2020-current). I am an alumnus of both DVR and Discovery House (from which I successfully graduated from in 2019), so am intimately familiar with living in treatment facilities in Contra Costa County. I also serve as a reporting member of the Support4Recovery board.
