Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I view California's public law libraries as fulfilling three important roles. First, they are obviously resources for practicing lawyers -- and particularly for solo practitioners and those in small firms, who have limited library resources of their own. Second, they are resources for judges, court staff, and public agencies located near the library. Third, they can serve an important role in improving access to justice among underserved Californians -- a goal which members of the state judiciary, state bar, and Legislature have all recognized must be a priority for the legal profession and legal institutions as a whole. I am applying to the Public Library Board of Trustees in order to help the Library further those goals. I would look forward to speaking with Library staff about their current user-base, and considering ways to maintain, and (where appropriate) expand, the services available to those users. One step in that process might be to undertake a survey of judges, bar members, and county and municipal offices to better understand how those groups of users use the library, and the kinds of resources they may lack themselves that the library could reasonably help supply. A further step could be to confer with community groups and public legal services groups to find out ways that the library could better serve unrepresented litigants, in cooperation with the Superior Court's Self-Help Resources Centers.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I have been a licensed California lawyer since 2003. I have served as court staff, have been in private practice, and have practiced public law for both the state and federal Department of Justice. My mode of practice relies heavily on library resources, and I am well positioned to evaluate how the Public Law Library can best serve the needs of its diverse users. In addition, I have a long history of service to the bar and the profession -- including as past Chair of the Federal Courts Committee of the State Bar and the California Lawyers Association, a current member of the Executive Committee of the Appellate Section of the Bar Association of San Francisco.
