ASK:

Consider multi-year commitment (\$12 million/year) to fund and staff a Local Housing Trust Fund.

- Priority to build permanent housing for people below 50% Area Median Income (AMI).
- Dedicated interdisciplinary interdepartmental team focused on production, incl. using County surplus land.
- Technical assistance to build capacity of non-profit housing developers and homeless service providers to expand to underserved geographic areas.
- Dedicated funds for homelessness prevention, including legal support and rental assistance.
 - Ongoing funding for supportive services necessary to maintain housing.
 - Leverage resources for preservation of affordable housing.
