Present: Mariana Moore, Chair; BK Williams, Vice Chair; Edith Pastrano; Kathryn Chiverton; Jim Cervantes; Odessa LeFrancois; David Cruise; Sharon Quezada Jenkins; Michelle Stewart; Ali Saidi; Jerry Short; Kimberly Aceves-Iniquez; Ruth Fernandez; Debbie Toth; Sandra Wall; Cathy Hanville; Pello Walker; Gigi Crowder; Geneveva Calloway; Diana Honig; Lindy Lavender; Peter Benson; Steven Bliss

Absent: Dr. Michelle Hernandez; Susun Kim; Sandro Trujillo; Melissa Stafford Jones

Staff Present: Lisa Driscoll, County Finance Director; Enid Mendoza, Senior Deputy County Administrator

### 1. Roll Call

*Staff provided instruction for access to English live transcription (automated closed captioning), and live simultaneous Spanish and ASL interpretation and then conducted roll call. There were approximately 81 participants.*

### 2. Accept attached written public comments.

*Public comments were received from 35 participants in two languages. All comments were advocating service priorities. As a correction to the video record, please note that during the interpretation for "Clara" 'East County' was mistakenly interpreted as 'East Coast'.*

### 3. Staff recommends MXCAB receive the Record of Action for the August 13, 2021 meeting.

*The record of action was accepted as presented. Following this item, at approximately 6:31 PM, the MXCAB took a 7 minute break.*

### 4. Accept attached updated tracking spreadsheets and list of potential funding buckets.

*Chair Moore introduced the topic and explained that a google form had been produced with three questions to help the MXCAB to begin to reach consensus on priorities. The questions were: 1) Please rate each issue area from 1-5, with 5 being strongest, in the context of the importance and appropriateness of investing Measure X funds; 2) Please rate each issue area from 1-5, with 5 being strongest, in the context of the importance and appropriateness of investing Measure X funds to meet the needs of these residents; and 3) Please rate on scale of 1-5 (5 = strongly agree), the following broad strategy focuses for investing Measure X dollars this year. Prior to the instrument being deployed, several MXCAB members expressed their concern regarding breadth of the identified buckets. After discussion the consensus was to move forward with the ratings and provide further break-out at the next meeting. The results of this initial ranking is shown below:*

<b>Safety Net Services (housing, food access, health, etc.)</b>	4.43
<b>Mental Health/Substance Use Treatment</b>	4.35
<b>Fire/Emergency Response</b>	4.26
<b>Community-based health services</b>	4.22
<b>Transportation</b>	3.78
<b>Violence prevention</b>	3.74
<b>Regional hospital</b>	3.70
<b>Environment</b>	3.39
<b>Justice Systems</b>	3.30
<b>Library</b>	3.30
<b>Arts</b>	3.13
<b>Agriculture</b>	2.09
<b>Black, Indigenous, People of Color (BIPOC)</b>	4.48
<b>Seniors</b>	4.39
<b>Low income</b>	4.26
<b>Young Children</b>	4.26
<b>Disabled</b>	4.13
<b>Youth/Young Adults</b>	4.04
<b>Immigrants</b>	3.91
<b>Veterans</b>	3.78
<b>LGBTQ+</b>	3.65
<b>All county residents</b>	3.00
<b>Prevention</b>	4.09
<b>Meeting basic needs/service gaps</b>	4.04
<b>Community-driven investments (e.g. community equity fund)</b>	4.00
<b>New/transformational ideas</b>	3.70

*Following the ranking a discussion took place regarding improvement to the process, plans for the next two meetings, and the proposed timeline for*

*presentation to the Board of Supervisors. Note that the MXCAB viewed this ranking as a first step in beginning to set priorities and not as an elimination round.*

*Public comments were asked for and received from two individuals.*

*Chair Moore asked the MXCAB to review the ranking and compare to their own evaluation of priority issue areas and be ready to participate in a more detailed ranking at the next MXCAB meeting. A new polling document will be developed for use at the next MXCAB meeting with more break-down of the individual buckets (using the MXCAB tracking spreadsheet categories developed in early meetings).*

5. The next meetings are currently scheduled for August 20th at noon and August 25th at 5:00 PM

*There were no changes to the current meeting schedule.*

6. Adjourn

*The meeting adjourned at approximately 8:16 PM.*

---

*The Measure X Community Advisory Board will provide reasonable accommodations for persons with disabilities planning to attend Measure X meetings. Contact the staff person listed below at least 72 hours before the meeting.*

Re: The Urgent Need for Investments in Senior Services

Dear Measure X Community Advisory Board,

We implore you to consider investing in the needs of our county's older adults as you determine the sales tax distribution plan. For several decades, Contra Costa Senior Legal Services (CCSLS) has been helping low-income seniors with urgent legal issues. Seniors in our county are often on fixed incomes and highly vulnerable to evictions, rent increases, debt collection, and scams. Seniors cannot respond to such financial and life setbacks like most adults, since they often cannot increase their income through work. Many of the serious problems seniors face requires a legal solution, and yet low-income seniors cannot afford private legal representation.

This means seniors are especially at-risk of homelessness and falling through the cracks. Too many older adults find themselves in highly stressful and even traumatic situations in their fragile states. Over 1,000 seniors approach us for help each year on average, demonstrating the extent of the problem and the large demand for legal assistance. With Covid restrictions easing, the need for help is on the rise. In recent months we have fielded about 80 calls per week. At that pace we would need to respond to 4,000 calls this year. Housing, either protecting affordable housing or defending against unlawful eviction, is the area with the greatest need. It is vital for each client given the high cost of housing in our County. Imagine trying to rent a safe, dignified home on a fixed income of less than \$1,800 per month.

We assist approximately 450 seniors with housing issues each year, on average. Elder abuse cases have jumped about 30% since the Coronavirus pandemic began, keeping our elder abuse attorney extremely busy with elder abuse restraining order filings and hearings. Scams targeting seniors are skyrocketing.

Our community partners and the new Master Plan on Aging have elaborated on the rapid growth of the senior population and the inadequate state of caregiving, transportation, housing placement services, and other supports for our dear seniors.

Mahatma Gandhi said: "the true measure of any society can be found in how it treats its most vulnerable members." We are measured by how we treat our elderly citizens. Now is the time and, if we make the right choices, future generations can look back at this as a groundbreaking moment for progress. The needs of our seniors are real, and we must do better. By putting this new funding toward improved care for our vulnerable seniors, we will take an important step towards a county we can all feel proud of.

Sincerely,

Jason Schwarz  
Executive Director

## **RESOLUTION NO. 12-21**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OAKLEY ADVOCATING FOR CONTRA COSTA COUNTY TO OBLIGATE A FIXED PERCENTAGE OF MEASURE X FUNDS TO THE EAST CONTRA COSTA FIRE PROTECTION DISTRICT TO FULLY OPERATE THREE ADDITIONAL FIRE STATIONS TO ENHANCE THE DISTRICT'S FIRE SERVICE RESPONSE**

**WHEREAS**, the East Contra Costa Fire Protection District (ECCFPD or District) provides emergency medical response, firefighting, fire prevention, hazardous waste response, and other services relating to the protection of lives and property; and

**WHEREAS**, during the time ECCFPD has existed in its service area, including Oakley, it has seen population growth, and the costs associated with ECCFPD services have exceeded increases in funding, so that ECCFPD is unable to adequately respond to the community's emergency medical and fire protection needs; and

**WHEREAS**, the resulting public safety emergency is well-documented, such that ECCFPD does not have sufficient funding to pay for the personnel, stations, and equipment necessary to adequately protect the community; and

**WHEREAS**, Oakley and the region expect growth to continue, increasing the ECCFPD service area population to nearly 200,000 by the year 2040, which will generate even greater need and demand; and increase the pressure on the severely under-funded District; and

**WHEREAS**, the County Board of Supervisors submitted a half-cent sales tax measure to the voters at an election held on November 3, 2020; and

**WHEREAS**, as passed, the measure ("Measure X") is expected, for 20 years, to annually generate, an estimated \$81 million in new County general fund revenues that the Board of Supervisors can allocate to address a wide array of community needs; and

**WHEREAS**, Measure X revenues are expected to support essential County services, such as fire and emergency medical response services and other crucial safety-net services, some of which are provided directly by County agencies and some of which are provided by special-purpose agencies such as ECCFPD; and.

**NOW, THEREFORE BE IT RESOLVED**, that the City Council of the City of Oakley, does request that the County Board of Supervisors dedicate a fixed percentage of the proceeds of Measure X, sufficient to provide for three additional fire stations in the ECCFPD service area, to benefit the residents of Oakley and East Contra Costa County.

**Subject:** Fire Funding via Measure X

Dear Mrs. Driscoll, I am unable to attend tonight's meeting as I have a previous engagement but I wanted to send in my public comment. One of the biggest reasons constituents in East Contra Costa County voted for Measure X is that in every piece of literature distributed to us ( and there was a lot!), we were assured that if it passed we would be guaranteed to receive substantial funding for desperately needed fire funding. The Fire District was THE POSTER CHILD for Measure X. So we voted for it.

Now we are being told that if we don't speak up at meetings, we're not going to get fire funding? What kind of bait and switch is this? We voted in overwhelming numbers! That is our voice! The county made a promise to us in East Contra Costa with Measure X. Now we expect this committee to keep the promise made. Fund fire appropriately or you will not get measures approved by East Contra Costa in the future.

Saludos,

M. Carolina Villaseca

It's baffling to me why seniors and disabled folks in our county don't get the attention they need to address their mobility. Our County has so many transportation options and they all appear to work in their own silos without any leadership to work on ways to improve transit options for this rapidly growing population. Our county is so spread out, and there is no way one transit company can meet the needs of these folks. I strongly urge the funding that forms Measure X make accessible transportation one of its top priorities! The aging and disabled populations are not going to disappear. Let's provide the services they need!! This email letter is being written by a 84 year old senior citizen. I care about my aging colleagues and sincerely hope funds from Measure X will care as well!

Ms Driscoll,

I am writing to urge you to give your support to us senior citizens . I am in my 85th year and can no longer get out-and-about as i used to. I live alone and need help with transportation, especially for my medical needs...

As Lamorinda Citizens, we need assistance for people in wheelchairs, people with disabilities, people living in poverty older adults who need assistance, people with dementia and Alzheimer's.

We hope Measure X will provide funding for programs like the Lamorinda Spirit, Mobility Matters, Choice in aging and Meals on Wheels.

Thank you very much,

**Subject:** Measure X comments for tonight...

Lisa,

I am advocating for funding services that support community living, in Contra Costa, for seniors and people with disabilities:

- ❖ Seniors are the largest and fastest growing demographic in California...Currently there is more Seniors than children in our state
- ❖ 1 in 4 adults, in the US, have a disability and 2 in 5 are seniors making them the largest segment of the disability community
- ❖ Affordable services are needed that help individuals to live with dignity and at home and prevent having to live in institutional settings:
  - in-home caregiving • Housing • Healthcare • Transportation
  - Equity in service provision • Accessible communities for all ages and abilities and abilities

I am hoping the Measure X committee votes to support our seniors, people with disabilities their families and caregivers.

Thank you for considering my request...Bill Pelter, a District 1 West Contra Costa Resident (510) 809-6654

**Subject:** Measure X Funding Support for Contra Costa County Office of the Sheriff

Hi Lisa,

I am writing to support Measure X funding for the Contra Costa County Sheriff's Office. Please make sure your office appropriate the requested \$12.8M annual budget and the \$1.1M one-time costs for 25 additional patrol deputies, five sergeants, and four detectives to focus on quality of life crimes. And the requested technology upgrades to include Body Worn Cameras, in-car cameras, three professional staff to support the Public Records Act (PRA) requests for videos, as well as a GPS-enabled dispatching system.

Thank you very much.

Best regards,  
Chee Lu
