**Subject:** Measure X tax project – comment for the Measure X Citizen’s Advisory Board meeting 8/20 or 8/25

Ms. Driscoll,

Please include this in your notes regarding public comments for the Measure X tax projects.

As noted in the Oakley Outreach Newsletter 8/19/21:

“The Oakley City Council has unanimously passed a resolution asking that funding for the East County Fire Protection District be made a priority- specifically, that a fixed percentage of funding be provided for three additional fire stations.”

The Mogg Family of Oakley agrees with this resolution making the funding of the East County Fire Protection District a priority, specifically that a fixed percentage of funding be provided for three additional fire stations.

Thank you,

Dolores Mogg

1735 Cedar Court, Oakley
