Morning Lisa,

That the Contra Costa Sheriff Office be granted \$12.8M annually and \$1.1M one-time costs for 25 additional patrol deputies, five sergeants, and four detectives to focus on quality of life crimes. They requested technology upgrades to include Body Worn Cameras, in-car cameras, three professional staff to support the Public Records Act (PRA) requests for videos, as well as a GPS-enabled dispatching system.

Subject: Support of Measure X Funds

Good Morning Lisa,

Wanted to say I very much support the **Measure X** Funds initiative. We so much need the funds to properly support this cause.

Please help us get these funds.

Regards,
