Subject: Measure X

Lisa,

I'm asking for support for Measure X.

Measure X funds received to the Sheriff's Office will have a direct impact on The Danville Police Department's ability to respond to quality of life issues in our community.

The addition of Measure X funds, the Sheriff's Office will be able to add specialized response teams to manage homeless and mental health concerns throughout the county to include the Town of Danville, freeing up Danville Officers to focus on crime and traffic incidents.
