Subject: Support for Measure X

Lisa-in order keep Contra Costa's regional hospital open and staffed; fund community health centers; provide timely fire and emergency response; support crucial safety-net services; invest in early childhood services; protect vulnerable populations; and for other essential county services, I support the Contra Costa County measure X. These services need to be adequately funded at this time-more than ever before.

Please feel free to get in touch if you'd like more information.

Thanks,

Mike
