**Subject:** Support for ECCFPD to receive priority Measure X Funding

Hello,

I am a resident of Discovery Bay and urge the Committee to prioritize Measure X funding for the ECCFPD. As I'm sure the Committee knows, East Contra Costa is woefully underserved in fire protection services. Just look around at all the fires in California, and things are getting worse with climate change. Yet Brentwood, a city of about 65,000, has 1 fire station. The entire east county area, including Brentwood, Discovery Bay, Oakley, and the vast expanses of land including Byron, Knightsen and Morgan Territory, have a combined 3 stations. Just one call and there are no resources left for the entirety of the District. This is a life and safety issue - not a nice to have but a must have. Also, the residents of East County are paying a significant amount for Measure X. This is our desire for a return on our investment.

Thanks,  
Kerry Breen
