**Subject:** Appeal to the Measure X Committee

Dear Lisa,

### **CRIME IN DB.**

We have all realized that crime is up in DB and we are frustrated as much of it goes unsolved due to lack of resources. There is an opportunity to have more resources available to help us right here in DB. Measure X was passed last year and will give Contra Costa County an addition \$81,000,000 per year for fire, safety and medical purposes. After several discussions with CC Sheriff's office our best bet to have more help in DB is to send a letter to the Measure X committee. HENCE, this email.

Sheriff Livingston and his Department have always served Discovery Bay and Contra Costa County the best they can. Unfortunately, with the limited manpower and resources, many of our crimes and concerns do not yield criminal arrests and therefore these crimes continue. I support the Sheriff's request for Measure X funds to acquire the much-needed resources to improve their staffing, reduce response times and investigate the crimes that occur and hopefully arrest the bad elements in our towns. The citizens of Contra Costa County will benefit from the requested Sheriff Department "Service" upgrades. Please make sure they have sufficient funds to keep us and our properties safe.

Thank you.
