**Subject:** Urgent Need for Vegetation Manager for 94803 zip code area

Ms. Driscoll

There is a strong need for a **Vegetation Manager** in the 94803 zip code area, a **Very High Fire Hazard Severity Zone** as it is Wildland Urban Interface.

Both the City of Richmond Fire Department and CCCFPD are underfunded.

We request for a **\$150,000** annual budget to hire a Vegetation Manager to mitigate fuels by issuing notices and citations, and enforcing abatement codes by hiring contractors in both the Unincorporated El Sobrante and Richmond under the direction of the Fire Marshals of the City and County who would work together on this project.

Please confirm receipt of this email.

Thank you,

Elaine Ng
