## Qualifications and Volunteer Experience

**Please explain why you would like to serve on this particular board, committee, or commission.**

---

I have been a resident of Contra Costa County for my entire life. I currently live in Martinez in the vicinity of the airport. My first general aviation flight was at Buchanan Field Airport through the EAA Young Eagles when I was 12 years old. I began taking flying lessons in 2011. In 2017 I purchased an airplane which I still own and is based at Buchanan Field. Shortly after I finished my private certificate. I later decided to change careers and become a professional pilot which I have been doing for approximately 1.5 years now. I have a passion and deep knowledge base for aviation and feel I would be a valuable asset from both a pilot, instructor and resident standpoint.

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)**

---

I have been on several boards in the past, including the police officers association. I am currently a director of the Mt. Diablo Pilot's Association which caters to pilots at the Concord and Byron airports, as well as currently the Vice President of the Concord EAA Chapter 393. I am also a member of the Civil Air Patrol Squadron 44 which meets at Concord airport. I instruct for Hodge Flight Service based in Concord Jet and Valley Pilots Association which is on the east ramp of Concord Airport. I also frequently fly to the Byron Airport. Due to my vast involvement with aviation in Contra Costa County as well as my board experience in other organizations, I feel I would benefit the AAC.
