I. INTRODUCTION

Community Facilities District No. 2007-1

On August 14, 2007, the County of Contra Costa (the “County”) Board of Supervisors established CFD No. 2007-1. In a landowner election held on the same day, the sole owner of property within the CFD voted to authorize the levy of a Mello-Roos special tax on property within CFD No. 2007-1. Special tax revenue will fund stormwater management facilities services for the property owners of CFD No. 2007-1 as well as for property owners of territories to be annexed to the CFD in the future.

At CFD formation, the CFD boundary included only two parcels located in the north-central part of the County. The future annexation area of CFD No. 2007-1 includes all parcels in the unincorporated portion of the County. It is anticipated that new development in the unincorporated areas of the County will annex into CFD No. 2007-1.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the “Legislature”) approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district), if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, maintenance of parks, parkways and open space, flood and storm protection services, and road maintenance and street lighting services. Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

II. PURPOSE OF REPORT

This CFD Tax Administration Report (the “Report”) presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2021-22 special tax levy for CFD No. 2007-1. The Report is intended to provide information to interested parties regarding the current financial obligations of the CFD and special taxes levied in fiscal year 2021-22.

The remainder of the Report is organized as follows:

- **Section III** identifies the financial obligations of the CFD for fiscal year 2021-22.
- **Section IV** provides a summary of the special tax categories and the methodology that is used to apportion the special tax among parcels in the CFD.
- **Section V** provides an update of the development activity occurring within the CFD, including new building permit activity.
- **Section VI** provides information regarding services authorized to be funded by CFD special taxes.
- **Section VII** provides information on state reporting requirements.

III. SPECIAL TAX REQUIREMENT

Pursuant to the Rate and Method of Apportionment of Special Tax (the “RMA”), which was adopted as an exhibit to the Resolution of Formation of CFD No. 2007-1, special taxes will be levied to pay for the Tier 1 Special Tax Requirement and Tier 2 Special Tax Requirement. The Tier 1 Special Tax Requirement means the amount for each separate Tax Zone in CFD No. 2007-1 necessary in each fiscal year to (i) pay for Authorized Tier 1 Services, (ii) pay administrative expenses, (iii) cure any delinquencies in the payment of Tier 1 special taxes levied in prior fiscal years or (based on delinquencies in the payment of Tier 1 special taxes which have already taken place) are expected to occur in the current fiscal year, and (iv) to create or replenish reserve funds. The Tier 2 Special Tax Requirement means the amount for any permanent stormwater management facility (“PSWMF”) Service Area within a Tax Zone in CFD No. 2007-1 necessary in each fiscal year to (i) pay for Authorized Tier 2 Services, (ii) pay administrative expenses that have not been included in the Tier 1 Special Tax Requirement, (iii) cure any delinquencies in the payment of Tier 2 special taxes levied in prior fiscal years or (based on delinquencies in the payment of Tier 2 special taxes which have already taken place) are expected to occur in the current fiscal year, and (iv) to create or replenish reserve funds.

For fiscal year 2021-22, the Tier 2 Special Tax Requirement is \$0. The fiscal year 2021-22 Tier 1 Special Tax Requirement for Tax Zone 1 is \$59,860, as shown in the table below.

IV. SPECIAL TAX LEVY

Special taxes within CFD No. 2007-1 are levied pursuant to the methodology set forth in the RMA. The RMA establishes various special tax categories against which the special tax can be levied, the maximum special tax rates, and the methodology by which the special tax is applied. (*Capitalized terms are defined in the RMA in Appendix C of this Report.*)

Special Tax Categories

The RMA establishes tax categories based on a parcel's current development status. Developed Property is defined as any parcel of taxable property within CFD No. 2007-1 for which (i) a building permit for new construction or substantial redevelopment of a residential or non-residential structure was issued prior to June 1 of the preceding fiscal year, or (ii) land use entitlement(s) involving the creation or redevelopment of impervious surface is granted and exercised where no building permit is required. There are several different types of Developed Property in CFD No. 2007-1; they are further defined as follows:

- **Agricultural Property** means all parcels of Developed Property for which a building permit was issued for construction of a structure located on land that is designated for agricultural use pursuant to the County's General Plan.
- **Single Family Property** is defined as parcels of Developed Property for which a building permit was issued for construction of a single family residential unit that does not share a common wall with another unit, except for attached residential second units established pursuant to Section 82-24 of the Zoning Ordinance Code. A parcel of Single Family Property with an attached residential second unit established pursuant to Section 82-24 will be taxed as one parcel of Single Family Property. Parcels of Agricultural Property and parcels where single family residential use is not the primary use are not considered Single Family Property.
- **Multi-Family Property** is defined as parcels of Developed Property for which a building permit was issued for construction of a residential structure that (i) is located within a mobile home park, or (ii) consists of two or more residential units that share common walls, including duplex, triplex and fourplex units, townhomes, condominiums and apartment units. Multi-Family Property excludes residential second units established pursuant to Section 82-24 of the Zoning Ordinance Code.
- **Other Property** means parcels of Developed Property that are not Agricultural Property, Single Family Property, or Multi-Family Property.

Maximum Special Tax Rates

Each Tax Zone has its own set of maximum special tax rates applicable to each category of property in CFD No. 2007-1. As of the date of this Report, there is only one Tax Zone in the CFD. The maximum special tax rates applicable to each category of property in CFD No. 2007-1 are set forth in Section C of the RMA. The following table identifies the maximum special taxes that can be levied on property in Tax Zone 1 of CFD No. 2007-1 for fiscal year 2021-22.

Apportionment of Special Taxes

The amount of special tax levied on each parcel in the CFD each fiscal year will be determined by application of Section D of the RMA. Pursuant to this section, the Tier 1 Special Tax Requirement will be allocated as follows:

For each Tax Zone, the Tier 1 special tax will be levied until the amount of the levy equals the Tier 1 Special Tax Requirement. The first step requires the Tier 1 special taxes to be levied proportionately on each parcel of Developed Property that is not Taxable Public Property up to 100% of Maximum Tier 1 Special Tax for that Tax Zone, until the amount levied is equal to the Tier 1 Special Tax Requirement for the Tax Zone. If additional revenue is needed after the first step is completed, then the Tier 1 special tax will be levied proportionately on each parcel of Taxable Public Property up to 100% of the Maximum Tier 1 Special Tax that had applied to the parcel prior to the parcel becoming Taxable Public Property, until the amount levied is equal to the Tier 1 Special Tax Requirement for the Tax Zone. The Tier 1 special tax shall be collected in the same manner and at the same time as ordinary ad valorem taxes, provided, however, that the County may bill directly, collect at a different time or in a different manner.

Also pursuant to Section D of the RMA, the Tier 2 Special Tax Requirement shall be allocated as follows:

For each PSWMF Service Area in a Tax Zone, the Tier 2 special tax, if applicable, will be levied until the amount of the levy equals the Tier 2 Special Tax Requirement. The first step requires the Tier 2 special taxes to be levied proportionately on each parcel of Developed Property that is not Taxable Public Property up to 100% of Maximum Tier 2 Special Tax for that Tax Zone, until the amount levied is equal to the Tier 2 Special Tax Requirement for the PSWMF Service Area. If additional revenue is needed after the first step is completed, then the Tier 2 special tax will be

levied proportionately on each parcel of Taxable Public Property up to 100% of the Maximum Tier 2 Special Tax that had applied to the parcel prior to the parcel becoming Taxable Public Property, until the amount levied is equal to the Tier 2 Special Tax Requirement for the PSWMF Service Area. The Tier 2 special tax shall be billed directly to the property owner(s) within a PSWMF Service Area on an as needed basis.

Application of the Maximum Tier 1 Special Tax rate to all the parcels of Developed Property for fiscal year 2021-22 will generate Tier 1 special tax revenue of \$143,508. However, since the Tier 1 Special Tax Requirement for fiscal year 2021-22 is only \$59,860, Developed Property will not be taxed at the maximum tax rate. Only the amount needed to generate the Tier 1 Special Tax Requirement of \$59,860 will be levied, which is approximately 41.71% of the maximum. Since the tax on Developed Property fully funds the Tier 1 Special Tax Requirement for fiscal year 2021-22, no tax shall be levied on Taxable Public Property. Since the Tier 2 Special Tax Requirement for fiscal year 2021-22 is \$0, no Tier 2 special taxes shall be levied. A summary of the maximum and actual special taxes levied in fiscal year 2021-22 is presented in Appendix A.

V. DEVELOPMENT STATUS

As of May 31, 2021, 159 building permits have been issued within CFD No. 2007-1. Of these 159 permits, 124 have been issued on parcels of Single Family Property, 21 have been issued on parcels of Multi-Family Property, 1 has been issued on a parcel of Agricultural Property, and 13 have been issued on parcels of Other Property.

Based on the current status of development in CFD No. 2007-1, the following table summarizes the allocation of parcels to special tax categories defined in the RMA:

**Community Facilities District No. 2007-1
Allocation to Special Tax Categories

Type of Property	Number of Parcels
Agricultural Property	1
Single Family Property	124
Multi-Family Property	21

VI. AUTHORIZED SERVICES

The Resolution of Formation adopted on August 14, 2007, authorizes the funding of the following services within CFD No. 2007-1:

Services

The services to be funded, in whole or in part, by the CFD include all direct and incidental costs related to County oversight and enforcement of the obligations of property owners and homeowners' associations for the monitoring, inspection, reporting, operation, maintenance, repair, reconstruction, and replacement of PSWMFs for property included in the CFD:

- Tier 1. Periodic monitoring, inspection and reporting of PSWMFs, including but not limited to site visits, completion of inspection forms and records, review of property owner self-inspection and other records; provision of certification letters and/or maintenance recommendations; management of data and records related to operation and maintenance of PSWMFs; preparation and submission of National Pollutant Discharge Elimination System and other governmental reports and CFD required reports; and the accumulation of administrative and liability reserves.
- Tier 2. Code enforcement, nuisance abatement, and other activities related to the operation and maintenance of PSWMFs, including but not limited to additional site visits, letters and notices to property owners and others; hearings; lien recordation and enforcement; attorney's fees and other legal expenses; periodic maintenance activities, such as mulching, removing trash and invasive vegetation, filling soil, mowing, and trimming vegetation; repair, reconstruction, and replacement work; and the accumulation of administrative and liability reserves.

In addition to the specific services described under Tier 1 and Tier 2, the CFD may fund any other costs, expenses, or liabilities in connection with the monitoring, inspection, reporting, operation, maintenance, repair, reconstruction, and replacement of PSWMFs.

The CFD may fund any of the following related to the services described above: obtaining, constructing, furnishing, operating and maintaining equipment, apparatus or facilities, paying the salaries and benefits of personnel (including but not limited to inspection and maintenance workers and other personnel), and for payment of other related expenses (including but not limited to employee benefit expenses and an allocation of general overhead expenses). Any services to be funded by the CFD must be in addition to those provided in the territory of the CFD before the date of creation of the CFD, and may not supplant services already available within that territory when the CFD is created. It is expected that the services will be provided by the County, either with its own employees or by contract with third parties, or by the Contra Costa County Flood Control and Water Conservation District, or any combination thereof.

Administrative Expenses

The direct and indirect expenses incurred by the County in connection with the establishment and administration of the CFD (including, but not limited to, the levy and collection of the special taxes) including the fees and expenses of attorneys, any fees of the County related to the CFD or the collection of special taxes, an allocable share of the salaries of County staff directly related thereto and a proportionate amount of the County's general administrative overhead related thereto, any amounts paid by the County from its general fund with respect to the CFD or the services authorized to be financed by the CFD, and expenses incurred by the County in undertaking action to foreclose on properties for which the payment of special taxes is delinquent, and all other costs and expenses of the County in any way related to the CFD.

Other

The incidental expenses that may be financed by the CFD include: (i) all costs associated with the establishment and administration of the CFD, the determination of the amount of and collection of taxes, the payment of taxes, and costs otherwise incurred in order to carry out the authorized purposes of the CFD, (ii) any other expenses incidental to the provision of the services eligible to be funded by the CFD, and (iii) any amounts necessary to maintain a reserve required by the County for the payment of the costs of the services.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds.

B. DATA COLLECTION FOR ANNUAL TAX LEVY

Each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Parcels of Developed Property within CFD No. 2007-1 and shall determine within which Tax Zone each Assessor’s Parcel is located. Upon each annexation of property into CFD No. 2007-1, the Administrator shall update Attachment 2 of this RMA to include each new Parcel that is annexed into an existing Tax Zone or, if a new Tax Zone is created, each new Tax Zone and the Assessor’s Parcel(s) included in the Tax Zone. If a new Tax Zone is created, the Administrator shall update Attachment 1 of this RMA to include the Maximum Special Taxes for that Tax Zone. The Administrator shall also determine: (i) whether each Assessor’s Parcel of Developed Property is Agricultural Property, Single Family Property, Multi-Family Property, or Other Property, (ii) for Parcels of Agricultural Property and Single Family Property, the Parcel Square Footage of each Parcel, (ii) for Parcels of Multi-Family Property, the number of Units, the total

square footage of each Parcel, and the Unit Square Footage of each Unit, and (iii) for Other Property, the Impervious Square Footage of each Parcel. For Multi-Family Property, the number of Units shall be determined by referencing the development plan for the property or other County development records. Finally, the Administrator shall also determine the Tier 1 Special Tax Requirement for each Tax Zone.

The Administrator shall, on an ongoing basis, coordinate with County staff to determine whether a Tier 2 Special Tax levy will be required for any PSWMF Service Area. If such a levy is required, the Administrator shall determine the Tier 2 Special Tax Requirement for the PSWMF Service Area subject to the Tier 2 Special Tax levy. The Administrator shall also determine the current Assessor's Parcel number, the Parcel Square Footage of all Parcels of Agricultural Property and Single Family Property, the Unit Square Footage of all Parcels of Multi-Family Property, and the Impervious Square Footage of all Parcels of Other Property in the PSWMF Service Area subject to the levy.

In any Fiscal Year, if it is determined that (i) a parcel map for a portion of property in CFD No. 2007-1 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new Parcels created by the parcel map, and (iii) one or more of the newly-created Parcels meets the definition of Developed Property, the Administrator shall calculate the Special Tax for the property affected by recordation of the parcel map by determining the Special Tax that applies separately to each newly-created Parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map.

C. MAXIMUM SPECIAL TAXES

The Maximum Special Tax rates for each Tax Zone are shown in Attachment 1 of this RMA. The Maximum Special Taxes for a Parcel of Taxable Property shall be determined by the following:

1. Agricultural Property or Single Family Property

The Maximum Special Taxes for a Parcel of Agricultural Property or Single Family Property is the sum of the applicable Maximum Tier 1 Special Tax and the Maximum Tier 2 Special Tax rates shown in Attachment 1 of this RMA for the Tax Zone and the then current Fiscal Year.

2. Multi-Family Property

The Maximum Special Taxes for a Parcel of Multi-Family Property is the sum of (i) the number of Units on the Parcel multiplied by the applicable Maximum Tier 1 Special Tax rate for such Parcel, and (ii) the number of Units on the Parcel multiplied by the applicable Maximum Tier 2 Special Tax rate for such Parcel, as shown in Attachment 1 of this RMA for the Tax Zone and the then current Fiscal Year.

3. *Other Property*

The Maximum Special Taxes for a Parcel of Other Property is the sum of the Maximum Tier 1 Special Tax and Maximum Tier 2 Special Tax for such Parcel. The Maximum Tier 1 Special Tax for such Parcel is the sum of: (i) the base Maximum Tier 1 Special Tax for the Tax Zone, and (ii) the incremental Maximum Tier 1 Special Tax multiplied by the Parcel's Impervious Square Footage for the Tax Zone, as shown in Attachment 1 of this RMA. The Maximum Tier 2 Special Tax for such Parcel is the sum of: (i) the base Maximum Tier 2 Special Tax for the Tax Zone, and (ii) the incremental Maximum Tier 2 Special Tax multiplied by the Parcel's Impervious Square Footage for the Tax Zone, as shown in Attachment 1 of this RMA.

D. METHOD OF LEVY AND MANNER OF COLLECTION OF THE SPECIAL TAXES

The Special Taxes shall be levied and collected according to the methodology outlined below:

1. *Tier 1 Special Tax*

For each Tax Zone, the Tier 1 Special Tax shall be levied as follows until the amount of the levy equals the Tier 1 Special Tax Requirement for that Tax Zone.

Step 1: The Tier 1 Special Tax shall be levied proportionately on each Parcel of Developed Property that is not Taxable Public Property up to 100% of the Maximum Tier 1 Special Tax for that Tax Zone, as shown in Attachment 1 of this RMA, until the amount levied is equal to the Tier 1 Special Tax Requirement for the Tax Zone.

Step 2: If additional revenue is needed after Step 2, the Tier 1 Special Tax shall be levied proportionately on each Parcel of Taxable Public Property up to 100% of the Maximum Tier 1 Special Tax that had applied to the Parcel prior to the Parcel becoming Taxable Public Property, until the amount levied is equal to the Tier 1 Special Tax Requirement for the Tax Zone.

The Tier 1 Special Tax for CFD No. 2007-1 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the County may bill directly, collect at a different time or in a different manner.

2. *Tier 2 Special Tax*

For any PSWMF Service Area in a Tax Zone, the Tier 2 Special Tax, if applicable, shall be levied as follows until the amount of the levy equals the Tier 2 Special Tax Requirement for that PSWMF Service Area.

Step 1: The Tier 2 Special Tax shall be levied proportionately on each Parcel of Developed Property that is not Taxable Public Property up to 100% of the

Maximum Tier 2 Special Tax for that Tax Zone, as shown in Attachment 1 of this RMA, until the amount levied is equal to the Tier 2 Special Tax Requirement for the PSWMF Service Area.

Step 2: If additional revenue is needed after Step 1, the Tier 2 Special Tax shall be levied proportionately on each Parcel of Taxable Public Property up to 100% of the Maximum Tier 2 Special Tax that had applied to the Parcel prior to the Parcel becoming Taxable Public Property, until the amount levied is equal to the Tier 2 Special Tax Requirement for the PSWMF Service Area.

The Tier 2 Special Tax for CFD No. 2007-1 shall be billed directly to the property owner(s) within a PSWMF Service Area on an as needed basis.

E. LIMITATIONS

Notwithstanding any other provision of this RMA, no Special Tax shall be levied on Public Property that is not Taxable Public Property or property owned by a homeowner's or property owner's association.

F. INTERPRETATION OF SPECIAL TAX FORMULA

The County reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning Special Taxes. In addition, the interpretation and application of any section of this document shall be left to the County's discretion. Interpretations may be made by the County by resolution of the Board of Supervisors for purposes of clarifying any vagueness or ambiguity in this RMA.

G. APPEAL OF SPECIAL TAX LEVY

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the Administrator not later than one calendar year after having paid the Special Tax that is disputed. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and decide the appeal. If the property owner disagrees with the Administrator's decision relative to the appeal, the owner may then file a written appeal with the Board of Supervisors whose subsequent decision shall be binding. If the decision of the Administrator (if the appeal is not filed with the Board of Supervisors) or the Board of Supervisors (if the appeal is filed with the Board of Supervisors) requires the Special Tax to be modified or changed in favor of the property owner, no cash refund shall be made for prior years' Special Tax levies, but an adjustment shall be made to the next Special Tax levy. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any legal action by such owner.
