Project Description: The purpose of this project is to improve pedestrian infrastructure in the unincorporated community of Bay Point in East Contra Costa County. The project will install twelve Americans with Disabilities Act (ADA)-compliant curb ramps at the following locations:

• Project Location 2 (Mariners Cove Drive): Four curb ramps and two crosswalks at the intersection of Mariners Cove Drive and Mariners Court (Cove Court). Four curb ramps and three crosswalks at the intersection of Mariners Cove Drive and Riverside Drive. Two of the curb ramps on the northern side of the intersection will be reconstructed as the existing ones do not meet current ADA standards.

The curb ramps will have detectable warning surfaces, and the stop bars at both intersections will be set back to minimize pedestrian conflicts with vehicles.
