The County shall approve or disapprove Borrower's determination of the amount of the Net Proceeds of Permanent Financing in writing within thirty (30) days after receipt. Section 2.12 Non-Recourse.

Except as provided below, neither Borrower, nor any partner of Borrower, has any direct or indirect personal liability for payment of the principal of, and interest on, the Combined County Loan. The foregoing limitation of liability is intended to apply only to the obligation to repay the principal and interest on the Notes. Nothing contained herein is intended to relieve Borrower of its obligation to indemnify the County under the Loan Documents, and Borrower shall be personally liable for: (i) loss or damage of any kind resulting from waste, fraud, gross negligence, or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by Borrower other than in accordance with the Deed of Trust; (iv) willful or grossly negligent violation of applicable law; and (v) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

The County's Director, Department of Conservation and Development, or his or her designee, shall approve or disapprove the Bid Package within fifteen (15) days after receipt of the Bid Package by the County. If the County rejects the proposed Bid Package the reasons therefore must be given to Borrower. Borrower will then have fifteen (15) days to revise the proposed Bid Package and resubmit it to the County. The County will then have fifteen (15) days to review and approve Borrower's new or corrected Bid Package. The provisions of this Section will continue to apply until a proposed Bid Package has been approved by the County. Construction, Borrower shall submit to the County for its approval a draft of the proposed construction contract for the Development. The construction contract will include all applicable CDBG requirements set forth in Section 4.5 of the Regulatory Agreement. The County's approval of the construction contract may not be deemed to constitute approval of or concurrence with any term or condition of the construction contract except as such term or condition may be required by this Agreement.

(b) Upon receipt by the County of the proposed construction contract, the County shall promptly review same and approve or disapprove it within ten (10) days. If the construction contract is not approved by the County, the County shall set forth in writing and notify Borrower of the County's reasons for withholding such approval. Borrower shall thereafter submit a revised construction contract for County approval, which approval is to be granted or denied in ten (10) days in accordance with the procedures set forth above. Such bonds must name the County as a co-obligee.

#### Section 3.5 Commencement of Construction.

Borrower shall cause the Commencement of Construction of the Development to occur no later than June 30, 2022, or such later date that the County approves in writing, but in no event later than 1 year from date of this Agreement. The County's consent to any additions, changes, or deletions to the work does not relieve or release Borrower from any other obligations under this Agreement or relieve or release Borrower or its surety from any surety bond.

(b) Compliance with Laws. Borrower shall cause all work performed in connection with the Development to be performed in compliance with:

(i) all applicable laws, codes (including building codes and codes applicable to mitigation of disasters such as earthquakes), ordinances, rules and regulations of federal, state, county or municipal governments or agencies now in force or that may be enacted hereafter;

This obligation to indemnify survives the termination of this Agreement, the repayment of the Combined County Loan, and the reconveyance of the Deed of Trust.

Borrower shall, at a minimum, notify applicable minority-owned and women-owned business firms located in Contra Costa County of bid opportunities for the rehabilitation of the Development. A listing of minority owned and women owned businesses located in the County and neighboring counties is available from the County. Documentation of such notifications must be maintained by Borrower and available to the County upon request.

Section 3.12 Progress Reports.

Until such time as Borrower has received a certificate of occupancy (or functional equivalent) from the County for the Development, Borrower shall provide the County with quarterly progress reports regarding the status of the rehabilitation of the Development, including a certification that the actual construction costs to date conform to the Approved Development Budget, as it may be amended from time to time pursuant to Section 3.16 below.

Any review or inspection undertaken by the County with reference to the Development is solely for the purpose of determining whether Borrower is properly discharging its obligations to the County, and may not be relied upon by Borrower or by any third parties as a warranty or representation by the County as to the quality of the design or rehabilitation of the Development.

Section 3.14 Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim of lien is filed against the Property or a stop notice affecting the Combined County Loan is served on the County or any other lender or other third party in connection with the Development, then Borrower shall, within twenty (20) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to the County a surety bond in sufficient form and amount, or provide the County with other assurance satisfactory to the County that the claim of lien or stop notice will be paid or discharged.

(b) If Borrower fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Section, then in addition to any other right or remedy, the County may (but is under no obligation to) discharge such lien, encumbrance, charge, or claim at Borrower's expense. Alternately, the County may require Borrower to immediately deposit with

the County the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. The County may use such deposit to satisfy any claim or lien that is adversely determined against Borrower.

(c) Borrower shall file a valid notice of cessation or notice of completion upon cessation of construction work on the Development for a continuous period of thirty (30) days or more, and take all other steps necessary to forestall the assertion of claims of lien against the Property. If the County determines the Development is not being constructed in accordance with the Rehabilitation Standards, the County will provide Borrower with a written report of the deficiencies. Borrower shall correct such deficiencies within the timeframe set forth in the notice provided to Borrower by the County. The Development may not be occupied until such deficiencies have been corrected to the satisfaction of the County.

Written consent of the County will be required to amend the Approved Development Budget.

### Section 3.17 Developer Fee.

The maximum cumulative Developer Fee that may be paid to any entity or entities providing development services to the Development, whether paid up-front or on a deferred basis, is not to exceed the amount allowed by TCAC and as approved by the County. For the purposes of this Agreement "Developer Fee" has the meaning set forth in California Code of Regulations, Title 4, Section 10302(l). The amount of Developer Fee payable to the Developer shall not exceed Two Million Two Hundred Thousand Dollars (\$2,200,000). Any amount of Developer Fee in excess of Two Million Two Hundred Thousand Dollars (\$2,200,000) shall be contributed or loaned to the Partnership at or prior to Permanent Closing, or paid from Borrower's Share of Residual Receipts.

Section 3.18 Partnership/Asset Fee.

During the Fifteen Year Compliance Period, the Partnership/Asset Fee is not to exceed Thirty-Eight Thousand One Hundred Sixty-Nine Dollars (\$38,169) per year. After the expiration of the Fifteen Year Compliance Period, the Partnership/Asset Fee may continue but will convert to a Partnership/Asset Management Fee payable to Borrower or any partner of Borrower in an amount to be approved by the County. The Partnership/Asset Fee may accrue for a period not to exceed three (3) fiscal years following the year during which it is earned. The Partnership/Asset Fee may not escalate above the amount approved by the County without the County's prior written approval which Borrower may request annually with submission of the annual operating budget pursuant to Section 4.3 below. If approved, such escalation may not exceed three percent (3%) per year.

Section 3.19 Borrower's Share of Residual Receipts.

Any Partnership/Asset Fees above the amount approved in Section 3.18 above, escalators on the Partnership/Asset Fees (not approved by the County), the Seller Loan, and the Sponsor Loan may be paid from Borrower's Share of Residual Receipts and are not Annual Operating Expenses or qualify for repayment from Lenders' Share of Residual Receipts.

Section 3.20 Relocation.

(a) If and to the extent that acquisition and development of the Property will result in the permanent or temporary displacement of residential tenants, homeowners, or businesses, then Borrower shall comply with all applicable local, state, and federal statutes and regulations, (including without limitation the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601, et seq.), and implementing regulations at 49 C.F.R. Borrower shall be solely responsible for payment of any relocation benefits to any displaced persons and any other obligations associated with complying with such relocation laws.

(b) Borrower shall indemnify, defend and hold harmless, (with counsel reasonably acceptable to the County), the County and its board members, supervisors, directors, officers, employees, agents, successors and assigns against any claim for damages, compensation, fines, penalties, relocation payments or other amounts and expenses (including reasonable attorneys' fees) arising out of the failure or alleged failure of any person or entity (including Borrower, or the County) to satisfy relocation obligations related to the acquisition and development of the Property. This obligation to indemnify survives termination of this Agreement, repayment of the Combined County Loan and the reconveyance of the Deed of Trust.

### Section 4.1 Reserve Accounts.

(a) Replacement Reserve Account. Concurrently with Permanent Closing, Borrower shall establish and maintain an account that is available for capital expenditures for repairs and replacement necessary to maintain the Development in the condition required by the Loan Documents (the "Replacement Reserve Account"). Borrower shall make annual deposits to the Replacement Reserve Account and replenish the Replacement Reserve Account in the amounts required in the Partnership Agreement. Borrower shall capitalize the Operating Reserve Account in the amount required by TCAC (currently three months of Annual Operating Expenses); provided, however that if the Partnership Agreement requires the Operating Reserve Account to be capitalized and replenished in an amount greater than the TCAC requirement, Borrower shall capitalize and replenish the Operating Reserve Account as required by the Partnership Agreement, for as long as the Partnership Agreement is in effect. In no event may the amount held in the Operating Reserve Account exceed six (6) months gross rent from the Development (as such rent may vary from time to time).

### Section 4.2 Financial Accountings and Post-Completion Audits.

(a) No later than ninety (90) days following completion of rehabilitation of the Development, Borrower shall provide to the County for its review and approval a financial accounting of all sources and uses of funds for the Development.

(b) No later than one hundred twenty (120) days after Permanent Closing, Borrower shall submit an audited financial report showing the sources and uses of all funds utilized for the Development. This requirement may be satisfied by providing the Final Cost Certification to the County. "Final Cost Certification" means the Final Cost Certification Sources and Uses of Funds prepared by Borrower for the Development that: (i) Borrower submits to TCAC; and (ii) has been prepared using generally accepted accounting standards in effect in the United States of America from time to time, consistently applied.

### Section 4.3 Approval of Annual Operating Budget.

At or prior to the beginning of each year of the Term, Borrower shall provide to the County an annual budget for the operation of the Development. The County may request additional information to assist the County in evaluating the financial viability of the Development. If Borrower's submission of the annual operating budget includes a request to escalate the Partnership/Asset Fee pursuant to Section 3.18 above, such submission must include

projections showing the change in the amount of Residual Receipts that will be available to the County upon implementation of the escalator. Unless rejected by the County in writing within thirty (30) days after receipt of the budget, the budget will be deemed accepted. If rejected by the County in whole or in part, Borrower shall submit a new or corrected budget within thirty (30) calendar days after notification of the County's rejection and the reasons therefor. The provisions of this Section relating to time periods for resubmission of new or corrected budgets will continue to apply until such budget has been approved by the County.

Section 4.4 Information.

Borrower shall provide any information reasonably requested by the County in connection with the Development, including (but not limited to) any information required by HUD in connection with Borrower's use of the Combined County Loan funds.

Section 4.5 County Audits.

(a) Each year, Borrower shall provide the County with a copy of Borrower's annual audit, which is to include information on all of Borrower's activities and not just those pertaining to the Development.

(b) In addition, the County may, at any time, audit all of Borrower's books, records, and accounts pertaining to the Development including but not limited to the Residual Receipts of the Development. Any such audit is to be conducted during normal business hours at the principal place of business of Borrower and wherever records are kept. Immediately after the completion of an audit, the County shall deliver a copy of the results of the audit to Borrower.

(c) If it is determined as a result of an audit that there has been a deficiency in a loan repayment to the County then such deficiency will become immediately due and payable, with interest at the Default Rate from the date the deficient amount should have been paid. In addition, if the audit determines that Residual Receipts have been understated for any year by the greater of: (i) Two Thousand Five Hundred Dollars (\$2,500); and (ii) an amount that exceeds five percent (5%) of the Residual Receipts, then, in addition to paying the deficiency with interest, Borrower shall pay all of the County's costs and expenses connected with the audit and review of Borrower's accounts and records.

Section 4.6 Hazardous Materials.

(a) Borrower shall keep and maintain the Property (including but not limited to, soil and ground water conditions) in compliance with all Hazardous Materials Laws and may not cause or permit the Property to be in violation of any Hazardous Materials Law. Borrower may not cause or permit the use, generation, manufacture, storage or disposal of on, under, or about the Property or transportation to or from the Property of any Hazardous Materials, except such of the foregoing as may be customarily used in construction and operation of projects like the Development or kept and used in and about residential property of this type.

(b) Borrower shall immediately advise the County in writing if at any time it receives written notice of any Hazardous Materials Claims, and Borrower's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that

could cause the Property or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Law including but not limited to the provisions of California Health and Safety Code, Section 25220 et seq., or any regulation adopted in accordance therewith.

(c) The County has the right to join and participate in, as a party if it so elects, and be represented by counsel acceptable to the County (or counsel of its own choice if a conflict exists with Borrower) in any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Borrower.

(d) Borrower shall indemnify and hold harmless the County and its board members, supervisors, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, fine, penalty, judgment, award, settlement, expense or liability, directly or indirectly arising out of or attributable to: (i) any actual or alleged past or present violation of any Hazardous Materials Law; (ii) any Hazardous Materials Claim; (iii) any actual or alleged past or present use, generation, manufacture, storage, release, threatened release, discharge, disposal, transportation, or presence of Hazardous Materials on, under, or about the Property; (iv) any investigation, cleanup, remediation, removal, or restoration work of site conditions of the Property relating to Hazardous Materials (whether on the Property or any other property); and (v) the breach of any representation of warranty by or covenant of Borrower in this Section 4.6, and Section 5.1(l). Such indemnity shall include, without limitation: (x) all consequential damages; (y) the costs of any required or necessary investigation, repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, remedial or other required plans; and (z) all reasonable costs and expenses incurred by the County in connection with clauses (x) and (y), including but not limited to reasonable attorneys' fees and consultant fees. This indemnification applies whether or not any government agency has issued a cleanup order. Losses, claims, costs, suits, liability, and expenses covered by this indemnification provision include, but are not limited to: (1) losses attributable to diminution in the value of the Property, (2) loss or restriction of use of rentable space on the Property, (3) adverse effect on the marketing of any rental space on the Property, and (4) penalties and fines levied by, and remedial or enforcement actions of any kind issued by any regulatory agency (including but not limited to the costs of any required testing, remediation, repair, removal, cleanup or detoxification of the Property and surrounding properties). This obligation to indemnify survives termination of this Agreement, repayment of the Combined County Loan and the reconveyance of the Deed of Trust, and will not be diminished or affected in any respect as a result of any notice, disclosure, knowledge, if any, to or by the County of Hazardous Materials.

(e) Without the County's prior written consent, which will not be unreasonably withheld, Borrower may not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in the County's judgment, impair the value of the County's security hereunder; provided, however, that the County's prior consent is not necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is

not reasonably possible to obtain the County's consent before taking such action, provided that in such event Borrower shall notify the County as soon as practicable of any action so taken. The County agrees not to withhold its consent, where such consent is required hereunder, if: (i) a particular remedial action is ordered by a court of competent jurisdiction; (ii) Borrower will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Borrower establishes to the satisfaction of the County that there is no reasonable alternative to such remedial action which would result in less impairment of the County's security hereunder; or (iv) the action has been agreed to by the County.

(f) Borrower hereby acknowledges and agrees that: (i) this Section is intended as the County's written request for information (and Borrower's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5; and (ii) each representation and warranty in this Agreement (together with any indemnity obligation applicable to a breach of any such representation and warranty) with respect to the environmental condition of the Property is intended by the Parties to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

(g) In the event that any portion of the Property is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting the County's or the trustee's rights and remedies under the Deed of Trust, the County may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to: (i) waive its lien on such environmentally impaired or affected portion of the Property; and (ii) exercise, (1) the rights and remedies of an unsecured creditor, including reduction of its claim against Borrower to judgment, and (2) any other rights and remedies permitted by law. For purposes of determining the County's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Borrower will be deemed to have willfully permitted or acquiesced in a release or threatened release of Hazardous Materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of Hazardous Materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and Borrower knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the County in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the Default Rate, until paid, will be added to the indebtedness secured by the Deed of Trust and is due and payable to the County upon its demand made at any time following the conclusion of such action.

#### Section 4.7 Maintenance; Damage and Destruction.

(a) During the course of both construction and operation of the Development, Borrower shall maintain the Development and the Property in good repair and in a neat, clean and orderly condition, and in accordance with the Regulatory Agreement.

(b) Subject to the requirements of senior lenders, and if economically feasible in the County's judgment after consultation with Borrower, if any improvement now or in the

future on the Property is damaged or destroyed, then Borrower shall, at its cost and expense, diligently undertake to repair or restore such improvement consistent with the plans and specifications approved by the County with such changes as have been approved by the County. Such work or repair is to be commenced no later than the later of one hundred twenty (120) days, or such longer period approved by the County in writing, after the damage or loss occurs or thirty (30) days following receipt of the insurance or condemnation proceeds, and is to be complete within one (1) year thereafter. Any insurance or condemnation proceeds collected for such damage or destruction are to be applied to the cost of such repairs or restoration and, if such insurance or condemnation proceeds are insufficient for such purpose, then Borrower shall make up the deficiency. If Borrower does not promptly make such repairs then any insurance or condemnation proceeds collected for such damage or destruction are to be promptly delivered by Borrower to the County as a special repayment of the Combined County Loan, subject to the rights of the senior lenders, if any.

#### Section 4.8 Fees and Taxes.

Borrower is solely responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property or the Development, and shall pay such charges prior to delinquency and at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property. Borrower is also solely responsible for payment of all personal property taxes, and all franchise, income, employment, old age benefit, withholding, sales, and other taxes assessed against it, or payable by it, and shall pay such charges prior to delinquency and at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property.

However, Borrower is not required to pay and discharge any such charge so long as: (i) the legality thereof is being contested diligently and in good faith and by appropriate proceedings; and (ii) if requested by the County, Borrower deposits with the County any funds or other forms of assurance that the County in good faith from time to time determines appropriate to protect the County from the consequences of the contest being unsuccessful.

In the event Borrower exercises its right to contest any tax, assessment, or charge against it, Borrower, on final determination of the proceeding or contest, will immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges and interest.

Borrower shall not apply for a property tax exemption for the Property under any provision of law except California Revenue and Taxation Section 214(g) without the prior written consent of the County.

#### Section 4.9 Notices.

Borrower shall promptly notify the County in writing of any and all of the following:

(a) Any litigation known to Borrower materially affecting Borrower, or the Property and of any claims or disputes that involve a material risk of litigation;

(b) Any written or oral communication Borrower receives from any governmental, judicial, or legal authority giving notice of any claim or assertion that the Property or the Improvements fail in any respect to comply with any applicable governmental law;

(c) Any material adverse change in the physical condition of the Property (including any damage suffered as a result of fire, earthquakes, or floods);

(d) Any material adverse change in Borrower's financial condition, any material adverse change in Borrower's operations, or any change in the management of Borrower;

(e) That any of the statements in Section 5.1(1) regarding Hazardous Materials are no longer accurate;

(f) Any Default or event which, with the giving of notice or the passage of time or both, would constitute a Default; and

(g) Any other circumstance, event, or occurrence that results in a material adverse change in Borrower's ability to timely perform any of its obligations under any of the Loan Documents.

#### Section 4.10 Operation of Development as Affordable Housing.

Borrower shall operate the Development (i) in accordance with all applicable laws, codes, ordinances, rules and regulations of federal, state, county or municipal governments or agencies now in force or that may be enacted hereafter, and (ii) as an affordable housing development consistent with: (1) HUD's requirements for use of CDBG Funds; (2) State requirements for use of the Housing Funds; (3) the Regulatory Agreement; and (4) any other regulatory requirements imposed on Borrower including but not limited to a Regulatory Agreement associated with the Low Income Housing Tax Credits provided by TCAC, and rental subsidies provided to the Development.

#### Section 4.11 Nondiscrimination.

(a) Borrower covenants by and for itself and its successors and assigns that there will be no discrimination against or segregation of a person or of a group of persons on account of race, color, religion, creed, age, familial status (except for lawful senior housing in accordance with state and federal law), source of income (e.g. SSI), disability, sex, sexual orientation, marital status, ancestry or national origin in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor may Borrower or any person claiming under or through Borrower establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Property. The foregoing covenant will run with the land.

(b) Nothing in this Section prohibits Borrower from requiring County-Assisted Units in the Development to be available to and occupied by eligible households in accordance with the Regulatory Agreement.

Section 4.12 Insurance Requirements.

(a) Borrower shall maintain the following insurance coverage throughout the Term of the Combined County Loan:

(i) Workers' Compensation insurance to the extent required by law, including Employer's Liability coverage, with limits not less than One Million Dollars (\$1,000,000) each accident.

(ii) Commercial General Liability insurance with limits not less than Two Million Dollars (\$2,000,000) each occurrence combined single limit for Bodily Injury and Property Damage, including coverages for Contractual Liability, Personal Injury, Broadform Property Damage, Products and Completed Operations (which limits may be met through excess/umbrella coverage).

(iii) Automobile Liability insurance with limits not less than One Million Dollars (\$1,000,000) each occurrence combined single limit for Bodily Injury and Property Damage, including coverages for owned, non-owned and hired vehicles, as applicable.

(iv) Builders' Risk insurance during the course of construction, and upon completion of construction, property insurance covering the Development, in form appropriate for the nature of such property, covering all risks of loss, excluding earthquake, for one hundred percent (100%) of the replacement value, with deductible, if any, acceptable to the County, naming the County as a Loss Payee, as its interests may appear. Flood insurance must be obtained if required by applicable federal regulations.

(v) Commercial crime insurance covering all officers and employees, for loss of Combined County Loan proceeds caused by dishonesty, in an amount approved by the County, naming the County a Loss Payee, as its interests may appear, but only to the extent the Combined County Loan includes new loan proceeds.

(b) Borrower shall cause any general contractor, agent, or subcontractor working on the Development under direct contract with Borrower or subcontract to maintain insurance of the types and in at least the minimum amounts described in subsections (i), (ii), and (iii) above, except that the limit of liability for commercial general liability insurance for subcontractors must be One Million Dollars (\$1,000,000), and must require that such insurance will meet all of the general requirements of subsections (d) and (e) below.

(c) The required insurance must be provided under an occurrence form, and Borrower shall maintain the coverage described in subsection (a) continuously throughout the Term. Should any of the required insurance be provided under a form of coverage that includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit must be three times the occurrence limits specified above.

(d) Commercial General Liability, Automobile Liability and Property insurance policies must be endorsed to name as an additional insured the County and its officers, agents, employees and members of the County Board of Supervisors.

(e) All policies and bonds are to contain: (i) the agreement of the insurer to give the County at least ten (10) days' notice prior to cancellation or material change for non payment of premium, and thirty (30) days' notice prior to cancellation for any other change or cancellation in said policies; (ii) an agreement that such policies are primary and non-contributing with any insurance that may be carried by the County; (iii) a provision that no act or omission of Borrower shall affect or limit the obligation of the insurance carrier to pay the amount of any loss sustained; and (iv) a waiver by the insurer of all rights of subrogation against the County and its authorized parties in connection with any loss or damage thereby insured against.

Section 4.13 Covenants Regarding Approved Financing and Partnership Agreement.

(a) Borrower shall promptly pay the principal and interest when due on any Approved Financing.

(b) Borrower shall promptly notify the County in writing of the existence of any default under any documents evidencing Approved Financing whether or not a default has been declared by the lender, and any defaults under the Partnership Agreement, and provide the County copies of any notice of default.

(c) Borrower may not amend, modify, supplement, cancel or terminate the Partnership Agreement or any documents related to any loan that is part of the Approved Financing without the prior written consent of the County except for amendments solely to effectuate Transfers permitted under Section 6.1 of the Regulatory Agreement. Borrower shall provide the County copies of all amendments, modifications, and supplements to the Partnership Agreement and any document related to any loan that is part of Approved Financing.

(d) Borrower may not incur any indebtedness of any kind other than Approved Financing or encumber the Development with any liens (other than liens for Approved Financing approved by the County) without the prior written consent of the County.

(e) To the extent the Partnership Agreement is inconsistent with this Agreement with respect to the repayment of the Combined County Loan including, without limitation, the Residual Receipts definition and the payment provisions of Section 2.10 above, this Agreement will control. Any payments made in conflict with the Residual Receipts definition and payment requirements of this Agreement will be considered an Event of Default.

ARTICLE 5 REPRESENTATIONS AND  
WARRANTIES OF BORROWER

Section 5.1 Representations and Warranties.

Borrower hereby represents and warrants to the County as follows and acknowledges, understands, and agrees that the representations and warranties set forth in this Article 5 are deemed to be continuing during all times when any portion of the Combined County Loan remains outstanding:

(b) Authority of Borrower. Borrower has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, and to perform and observe the terms and provisions of all of the above.

(c) Authority of Persons Executing Documents. (d) Valid Binding Agreements. The Loan Documents and all other documents or instruments executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of Borrower enforceable against it in accordance with their respective terms.

(e) No Breach of Law or Agreement. Neither the execution nor delivery of the Loan Documents or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will: (i) conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission or agency whatsoever that is binding on Borrower, or conflict with any provision of the organizational documents of Borrower, or conflict with any agreement to which Borrower is a party; or (ii) result in the creation or imposition of any lien upon any assets or property of Borrower, other than liens established pursuant hereto.

(f) Compliance with Laws; Consents and Approvals. (g) Pending Proceedings. Borrower is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of Borrower, threatened against or affecting Borrower or the Development, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to Borrower, materially affect Borrower's ability to repay the Combined County Loan or impair the security to be given to the County pursuant hereto.

(h) Title to Land. At the time of recordation of the Deed of Trust, Borrower will have good and marketable fee title to the Development and there will exist thereon or with respect thereto no mortgage, lien, pledge or other encumbrance of any character whatsoever other than liens shown on the County's title policy provided pursuant to Section 2.8(h) above, or approved in writing by the County.

(i) Financial Statements. The financial statements of Borrower and other financial data and information furnished by Borrower to the County fairly and accurately present the information contained therein. As of the date of this Agreement, there has not been any material adverse change in the financial condition of Borrower from that shown by such financial statements and other data and information.

(k) Taxes. Borrower and its subsidiaries have filed all federal and other material tax returns and reports required to be filed, and have paid all federal and other material taxes, assessments, fees and other governmental charges levied or imposed upon them or their income or the Property otherwise due and payable, except those that are being contested in good faith by appropriate proceedings and for which adequate reserves have been provided in accordance with generally accepted accounting principles. There is no proposed tax assessment against Borrower or any of its subsidiaries that could, if made, be reasonably expected to have a material adverse effect on the property, liabilities (actual or contingent), operations, condition (financial or otherwise) or prospects of Borrower and its subsidiaries, taken as a whole, or which could result in (i) a material impairment of the ability of Borrower to perform under any loan document to which it is a party, or (ii) a material adverse effect upon the legality, validity, binding effect or enforceability against Borrower of any Loan Document.

(l) Hazardous Materials. To the best of Borrower's knowledge, except as disclosed in writing by Borrower to the County prior to the date of this Agreement: (i) no Hazardous Material has been disposed of, stored on, discharged from, or released to or from, or otherwise now exists in, on, under, or around, the Property; (ii) neither the Property nor Borrower is in violation of any Hazardous Materials Law; and (iii) neither the Property nor Borrower is subject to any existing, pending or threatened Hazardous Materials Claims.

## ARTICLE 6 DEFAULT AND REMEDIES

### Section 6.1 Events of Default.

Any one or more of the following constitutes an "Event of Default" by Borrower under this Agreement:

(a) Failure to Construct. If Borrower fails to obtain permits, or to commence and prosecute construction of the Development to completion, within the times set forth in Article 3 above.

(b) Failure to Make Payment. If Borrower fails to make any payment when such payment is due pursuant to the Loan Documents.

(c) Failure to Submit Plans. If Borrower fails to submit a Marketing Plan, Tenant Selection Plan, or Social Services Plan that is approved by the County in accordance with the Regulatory Agreement.

(d) Breach of Covenants. If Borrower fails to duly perform, comply with, or observe any other condition, term, or covenant contained in this Agreement (other than as set forth in Section 6.1(a) through Section 6.1(c), and Section 6.1(e) through Section 6.1(m)), or in any of the other Loan Documents, and Borrower fails to cure such default within thirty (30) days after receipt of written notice thereof from the County to Borrower.

(e) Default Under Other Loans. If a default is declared under any other financing for the Development by the lender of such financing and such default remains uncured following any applicable notice and cure period.

(f) Insolvency. If a court having jurisdiction makes or enters any decree or order: (i) adjudging Borrower to be bankrupt or insolvent; (ii) approving as properly filed a petition seeking reorganization of Borrower, or seeking any arrangement for Borrower under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction; (iii) appointing a receiver, trustee, liquidator, or assignee of Borrower in bankruptcy or insolvency or for any of their properties; (iv) directing the winding up or liquidation of Borrower if any such decree or order described in clauses (i) to (iv), inclusive, is unstayed or undischarged for a period of ninety (90) calendar days; or (v) Borrower admits in writing its inability to pay its debts as they fall due or will have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive. The occurrence of any of the Events of Default in this paragraph will act to accelerate automatically, without the need for any action by the County, the indebtedness evidenced by the Notes.

(g) Assignment; Attachment. If Borrower assigns its assets for the benefit of its creditors or suffers a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon is returned or released within ninety (90) calendar days after such event or, if sooner, prior to sale pursuant to such sequestration, attachment, or execution. The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the County, the indebtedness evidenced by the Notes.

(h) Suspension; Termination. If Borrower voluntarily suspends its business or, the partnership is dissolved or terminated, other than a technical termination of the partnership for tax purposes.

(i) Liens on Property and the Development. If any claim of lien (other than liens allowed pursuant to any Loan Document or approved in writing by the County) is filed against the Development or any part thereof, or any interest or right made appurtenant thereto, or the service of any notice to withhold proceeds of the Combined County Loan and the continued maintenance of said claim of lien or notice to withhold for a period of twenty (20) days, without discharge or satisfaction thereof or provision therefor (including, without limitation, the posting

of bonds) satisfactory to the County.

(j) Condemnation. If there is a condemnation, seizure, or appropriation of all or the substantial part of the Property and the Development other than by the County.

(k) Unauthorized Transfer. If any Transfer occurs other than as permitted pursuant to Section 6.1 of the Regulatory Agreement.

(l) Representation or Warranty Incorrect. If any Borrower representation or warranty contained in this Agreement, or in any application, financial statement, certificate, or report submitted to the County in connection with any of the Loan Documents, proves to have been incorrect in any material respect when made.

(m) Applicability to General Partner. The occurrence of any of the events set forth in Section 6.1(f) through Section 6.1(h) in relation to Borrower's managing general partner, unless the removal and replacement of Borrower's managing general partner in accordance with Section 6.1 of the Regulatory Agreement within the time frame set forth in Section 6.5 cures such a default.

## Section 6.2 Remedies.

Upon the occurrence of an Event of Default and until such Event of Default is cured or waived, the County is relieved of any obligation to disburse any portion of the New CDBG Loan. In addition, upon the occurrence of an Event of Default and following the expiration of all applicable notice and cure periods the County may proceed with any and all remedies available to it under law, this Agreement, and the other Loan Documents. Such remedies include but are not limited to the following:

(a) Acceleration of Notes. The County may cause all indebtedness of Borrower to the County under this Agreement and the Notes, together with any accrued interest thereon, to become immediately due and payable. Borrower waives all right to presentment, demand, protest or notice of protest or dishonor. The County may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the County as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. Borrower is liable to pay the County on demand all reasonable expenses, costs and fees (including, without limitation, reasonable attorney's fees and expenses) paid or incurred by the County in connection with the collection of the Combined County Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Combined County Loan.

(b) Specific Performance. The County has the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under the Loan Documents or to enjoin acts on things that may be unlawful or in violation of the provisions of the Loan Documents.

(c) Right to Cure at Borrower's Expense. The County has the right (but not the obligation) to cure any monetary default by Borrower under a loan other than the Combined County Loan. Upon demand therefor, Borrower shall reimburse the County for any funds

advanced by the County to cure such monetary default by Borrower, together with interest thereon from the date of expenditure until the date of reimbursement at the Default Rate.

Section 6.3 Right of Contest.

Borrower may contest in good faith any claim, demand, levy, or assessment the assertion of which would constitute an Event of Default hereunder. Any such contest is to be prosecuted diligently and in a manner unprejudicial to the County or the rights of the County hereunder.

Section 6.4 Remedies Cumulative.

No right, power, or remedy given to the County by the terms of this Agreement or the other Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy is cumulative and in addition to every other right, power, or remedy given to the County by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the County to exercise any such rights and remedies will operate as a waiver thereof, nor does any single or partial exercise by the County of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

Section 6.5 Notice and Cure Rights of Investor Limited Partner.

The County shall provide the Investor Limited Partner and any limited partner of Borrower who has requested written notice from the County ("Permitted Limited Partner") a duplicate copy of all notices of default that the County may give to or serve in writing upon Borrower pursuant to the terms of the Loan Documents, at the address set forth in Section 7.9, provided, the County shall have no liability to the Permitted Limited Partner for its failure to do so. The Permitted Limited Partner has the right, but not the obligation, to cure any default of Borrower set forth in such notice, during the applicable cure period described in the Loan Documents, and the County will accept tender of such cure as if delivered by Borrower. If the Permitted Limited Partner is unable to cure a default because Borrower's general partner is in bankruptcy and/or because the cure requires removal of the general partner of Borrower and the Permitted Limited Partner is proceeding diligently to remove the general partner of Borrower in order to effect a cure of the Default, the cure period will be extended for such reasonable time as is necessary for the Permitted Limited Partner to effect a cure of the Default, but in no event longer than sixty (60) days after the date of receipt by the Permitted Limited Partner of written notice of the default.

ARTICLE 7 GENERAL PROVISIONS

Section 7.1 Relationship of Parties.

The relationship of the parties to this Agreement is that of borrower and lender. Section 7.5 Non-Liability of County Officials, Employees and Agents.
