**SEWER EASEMENT AGREEMENT**

This Sewer Easement Agreement ("**Agreement**") is dated \_\_\_\_\_, 2022 (the "**Effective Date**") and is between the **COUNTY OF CONTRA COSTA**, a political subdivision of the State of California ("**Grantor**"), and **WEST COUNTY WASTEWATER DISTRICT**, a sanitary district organized and existing pursuant to the Sanitary District Act of 1923, California Health and Safety Code Section 6400 *et seq.* ("**WCW**"). Grantor and WCW are each a "**Party**" and together are the "**Parties**."

Grantor is the owner of real property, Assessor's Parcel No. 433-242-018 ("**Property**"). WCW intends to construct a sanitary sewer pipeline across the Property.

1. Grant of Sewer Easement. Grantor hereby grants to WCW, its agents, successors, and assigns, a ten-foot wide sewer easement in, on, under, over, through, along, and across the Property to construct, replace, upsize, remove, operate, maintain, and use a sewer pipeline and its appurtenances ("**Sewer Easement**"), as described in Exhibit A and depicted in Exhibit B (the "**Easement Area**"). This Sewer Easement also includes the right of WCW and its agents to enter upon and to pass and repass over and along the Property, and the right to deposit tools, implements, and other materials on the Easement Area for the purposes described in this Agreement.

2. Rights and Obligations of Grantor.

2.1 Grantor may use the Easement Area for any purposes that will not unreasonably interfere with WCW's use of the Easement Area.

2.2 Grantor may landscape the Easement Area in a manner consistent with WCW's use, subject to the rights of WCW in Section 3 of this Agreement.

2.3 Grantor shall not place or permit to be placed any building or structure in or on the Easement Area.

2.4 Grantor shall not plant trees within the Easement Area and shall not change the existing surface elevation (grade) of the Easement Area by more than one foot without WCW's prior written consent.

3. Rights and Obligations of WCW.

3.1 WCW may, but does not have the duty to, install, maintain, and use gates in all fences which now cross or will cross over the Easement Area.

3.2 WCW may allow its employees and agents to access and enter upon the Easement Area to construct, replace, repair, upsize, operate, maintain, use, and remove sewers and appurtenances as WCW in its sole discretion deems reasonably required for sewer purposes.

3.3 WCW may trim, cut, and clear away any and all trees, brush, fences, and obstructions in the Easement Area that WCW in its sole opinion deems to be a hazard to or unreasonable interference with the construction, inspection, and maintenance of the sewers and appurtenances, provided that the things which WCW is authorized to cut and remove of timber, wood, or brick, if valuable, will continue to be the property of Grantor, but all brush, refuse wood, and debris will be removed by WCW.

3.4 WCW will have the right to mark the location of the Easement Area by suitable markers set in locations which will not unreasonably interfere with Grantor's use of the Property.

4. Notices. All notices, demands, invoices, payments, and other correspondence (each a "**Notice**") required to be given under this Agreement shall be in writing, and shall be delivered in person, by overnight delivery, or by U.S. Mail, to the following address for each Party:

Grantor:

Attn: Principal Real Property Agent

A Notice shall be deemed given on the same day if it is personally delivered, on the next business day if it is delivered by overnight carrier, or on the fifth (5<sup>th</sup>) day after the postmark date if it is sent by U.S. Mail.

5. Run with the Land; Successors. This Agreement runs with the land, and is binding upon and will inure to the benefit of the respective heirs, personal representatives, successors, and assigns of the Parties.
