Subject: 2022 TRUTH ACT COMMUNITY FORUM

RECOMMENDATION(S):

1. HOLD a community forum regarding the provision of access of certain individuals to the federal Immigration and Customs Enforcement Agency, pursuant to Government Code section 7283.1(d);
 - a. RECEIVE opening staff report from the County Administrator's Office (*Paul Reyes, Senior Deputy County Administrator*);
 - b. RECEIVE report from the Sheriff-Coroner; (*Hon. David O. Livingston, Sheriff-Coroner*);
 - c. OPEN Public Comment

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

In 2016, Governor Brown signed into law the Transparent Review of Unjust Transfers and Holds Act, commonly referred to as the "TRUTH Act." Beginning in 2018, the TRUTH Act required the governing body of any county, city, or county and city, such as Contra Costa County, to hold a community forum if a "local law enforcement agency" operated by the governmental entity provided the federal Immigration and Customs Enforcement (ICE) agency with "ICE access" to individuals for civil immigration enforcement purposes during the prior calendar year. BACKGROUND: (CONT'D)

The TRUTH Act defines a "local law enforcement agency" in a broader context than other areas of statute. Specifically, the Act defines a "local law enforcement agency", as a department that:

1. enforces criminal laws, regulations or local ordinances;
2. operates a jail or juvenile detention facility;
3. maintains custody of individuals in a jail or in a juvenile detention facility; OR
4. monitors compliance with probation or parole conditions

In addition, the term "ICE access" is defined by the TRUTH Act as any of the following:

1. Responding to an ICE hold, notification, or transfer request;
2. Providing ICE with advance notice of detention facility release information that is not otherwise available to the public;
3. Providing ICE with non-public information regarding detention facility release dates, home or work addresses;
4. Permitting ICE to interview an individual; OR
5. Providing ICE with probation or parole check-in dates and times

County Process to Determine Necessity of Community Forum

The County held its first TRUTH Act community forum in July 2018. At that time, because the definition of "local law enforcement agency" described above is broad and the definition of "ICE access" is so specific, the County Administrator's Office determined that each department within the County would be required to certify the following to determine whether a community forum was required to be held pursuant to the statute:

1. Whether the department was a "local law enforcement agency" as defined by the TRUTH Act; and
2. If the department is a "local law enforcement agency", then did the department provide "ICE access" during the prior calendar year.

On May 6, 2022, the County Administrator again sent correspondence to department heads requesting that each certify to the above two questions and provided for a six-week due diligence period before responding. A copy of the County Administrator's letter and Certification Form are included in today's agenda packet as Attachment A.

The Sheriff's Office reported as having met the statutory definition for providing ICE access in calendar year 2021, which requires the Board of Supervisors to convene a community forum pursuant to Government Code section 7283.1(d). No other County departments reported as having provided ICE access in calendar year 2021.

As a reminder, on July 9, 2018, the Sheriff's Office informed ICE and the United States Marshals Service (the "Service") of the determination to terminate agreements with the Service related to the housing of ICE Agency detainees. The County has not entered into subsequent contracts and does not house ICE Agency detainees within the adult or juvenile detention facility systems.

Community Forum Requirements and Request for Information

Once it has been determined that a community forum is necessary, statute provides that the community forum be scheduled with thirty-days advance notice to the public and that local law enforcement agencies participating in the forum may provide to the local governing board certain information. Specifically, participating agencies may provide the number and demographic characteristics of individuals whose information was disclosed to ICE through a hold, transfer, or notification request or through other means. Further, the data may be provided in the form of statistics or, if such statistics are not maintained, individual records, provided that personally identifiable information is redacted.

Consistent with prior years, on June 25, 2022 the East Bay Times, a newspaper of general circulation within Contra Costa County, published formal notice of the forum in compliance with the thirty-day public notice requirement. A copy of the Proof of Publication issued by the East Bay Times is attached to today's agenda packet as Attachment B.

In addition to this formal notice, the date and time of the County's community forum has been circulated with the assistance of members of the Board of Supervisors, the Contra Costa Immigrant Rights Alliance and the Office of Reentry and Justice. In addition, information regarding the forum has been listed on the front page of the County website and was distributed to local media. Flyers describing this year's Forum were made available in English and Spanish.

Public Accessibility

Following the conclusion of the 2018 TRUTH Act community forum, the Board of Supervisors directed staff to provide interpretation in Spanish at the 2019 community forum. Simultaneous interpretation of Forum proceedings in Spanish was successfully integrated at the 2019 community forum and continues to be available this year.

For today's forum, the County is providing the following enhancements to public accessibility and language access to maximize community involvement and participation during the forum:

1. **Written Public Comment:** Allow for written public comment to be submitted and published with agenda materials. This ensures that comments submitted in written format are published for review by all parties participating in today's forum. To maintain compliance with the Better Government Ordinance, only those written comments received as of Thursday, July 21, 2022 at 4:00 PM were to be included as attachments. No written public comment was received related to this item.
2. **Simultaneous Interpretation in Spanish:** The County has engaged Continental Interpreting Services, Inc., a provider of interpreting and translation services, to provide simultaneous interpretation of today's forum in Spanish. During the forum, two interpreters will ensure that reports and commentary delivered in English will be interpreted in Spanish via the County's stream services. In addition, during public comment, the interpreters will be available to provide consecutive interpretation from Spanish to English.

For reference, the American Translators Association defines each type of interpretation referred to above as the following:

- **Simultaneous Interpretation:** Simultaneous interpreting requires the interpreter to listen and comprehend in one language (source) while "simultaneously" providing an interpretation in a second language.
 - **Consecutive Interpretation:** Consecutive interpreting requires the interpreter to hear several complete sentences in one language (source) before the speaker stops to allow the interpreter to provide an interpretation in a second language.
3. **Consecutive Interpretation for Public Comment (upon request):** In addition to providing simultaneous interpretation in Spanish, the County has offered to provide consecutive interpretation in other languages, upon request, for delivery of public comment to the Board of Supervisors. This language accommodation was announced through outreach previously outlined. Due to the logistics involved with securing a professional interpreter for an unknown set of languages, the County requested notice from members of the public by Tuesday, July 19, 2022. As of Thursday, July 21, 2022 at 4:00 PM, the County had not received a request for additional language accommodations. For these reasons, only interpretation in Spanish will be provided during public comment at today's forum, as described in paragraph 2. above.
 4. **Closed Captioning in Spanish:** Board of Supervisors' meetings provide for closed captioning in English during live broadcast and on video posted on the County website. At today's forum, closed captioning will be provided real-time in Spanish to complement the simultaneous interpretation of the proceedings in Spanish. This will also be available on the video archive of today's forum on the County website.
 6. **Translation of PowerPoint Presentations:** In addition to providing interpretation of the spoken word, the County has requested and made provision for the translation of PowerPoint presentations to be used at today's forum from English to Spanish. Two PowerPoint presentations are scheduled for today's forum:
 - **Sheriff's Office:** Copies of the Sheriff's Office PowerPoint presentation are attached to this agenda item in both English (Attachment C) and Spanish (Attachment D).
 7. **Immigration Advocacy:** The County has traditionally allowed for a coordinated presentation by the immigration advocacy community which, in past years, had been presented by senior attorneys from Criminal Justice Reform Program at Asian Americans Advancing Justice - Asian Law Caucus (ALC) in partnership with the Contra Costa Immigrant Rights Alliance (CCIRA). County staff had reached out to both ALC and CCIRA to provide a presentation, but neither organization were able to provide a presenter for this year's TRUTH Act forum. In lieu of a presentation, CCIRA has provided a letter to the Board of Supervisors and the Sheriff-Coroner outlining their concerns with the Office of the Sheriff's interaction with ICE. A copy of the letter received from CCIRA is included as Attachment E.

Finally, the text of the TRUTH Act is included as Attachment F for reference.

CONSEQUENCE OF NEGATIVE ACTION:

The TRUTH Act community forum is required to be held by the governing board of a local agency pursuant to Government Code section 7283.1(d) if a local law enforcement agency within that jurisdiction has provided ICE access to an individual. The statute only requires that the community forum be convened and does not require that any action be taken by the local governing board. Should the Board choose not to hold the community forum it must be scheduled for a future date to comply with state law.

CHILDREN'S IMPACT STATEMENT:

No impact.

OFFICE OF THE COUNTY ADMINISTRATOR
MEMORANDUM

DATE: May 6, 2022 *Via Electronic Mail*

TO: DEPARTMENT HEADS

FROM: MONICA NINO, County Administrator
By: Paul Reyes, Senior Deputy County Administrator PR

SUBJECT: **COMPLIANCE WITH TRUTH ACT – ASSEMBLY BILL 2792 (Chapter 768, Statutes of 2016)**

In 2016, then Governor Brown signed into law Assembly Bill 2792 (Chapter 768, Statutes of 2016) also known as the “TRUTH Act” (the “Act”). This legislation further regulated the cooperation of state and local governments with the federal government related to immigration enforcement activities.

Beginning in 2018, the Act required governing bodies of local governments to hold a “Community forum” if a law enforcement agency within that local government provided the U.S. Immigration and Customs Enforcement (ICE) agency access to individuals during the prior calendar year. For purposes of counties, several departments may be considered “local law enforcement agencies” pursuant to the Act through enforcement of “criminal statutes, regulations, or ordinances” as part of mandated service delivery to the public. Specifically, local law enforcement agencies are defined by the Act as:

“... any agency of a city, county, city and county, special district, or other political subdivision of the state that is authorized to enforce criminal statutes, regulations, or local ordinances; or to operate jails or to maintain custody of individuals in jails; or to operate juvenile detention facilities or to maintain custody of individuals in juvenile detention facilities; or to monitor compliance with probation or parole conditions.”

Similarly, the Act defines “ICE Access” very broadly to mean:

“...for the purposes of civil immigration enforcement, including when an individual is stopped with or without their consent, arrested, detained, or otherwise under the control of the local law enforcement agency, all of the following:

- (1) Responding to an ICE hold, notification, or transfer request.*
- (2) Providing notification to ICE in advance of the public that an individual is being or will be released at a certain date and time through data sharing or otherwise.*
- (3) Providing ICE non-publicly available information regarding release dates, home addresses, or work addresses, whether through computer databases, jail logs, or otherwise.*

(4) Allowing ICE to interview an individual.

(5) Providing ICE information regarding dates and times of probation or parole check ins.

To ensure compliance with the community forum requirement of the Act, I am requesting that each department head complete the attached certification form to determine the following for the period January 1, 2021 through December 31, 2021: 1) Did your department qualify as a local law enforcement agency as defined by the Act, and 2) If yes, did your department provide ICE with access, as defined above.

Based on your responses the County Administrator's Office will be reaching out to you in preparation for a TRUTH Act Community Forum, which has been scheduled for Tuesday, July 26, 2022.

Please complete the attached TRUTH Act Certification Form and return to Senior Deputy County Administrator Paul Reyes via email at paul.reyes@cao.cccounty.us **no later than close of business on Friday, June 3, 2022.** Should you have any questions regarding the definitions described above, whether or not your department enforces criminal statutes as defined by the Act or any other issues related to the TRUTH Act, please contact Senior Deputy County Administrator Paul Reyes at (925) 655-2049 or Assistant County Counsel Cynthia Schwerin at (925) 655-2274 prior to completing and returning your certification form.

RE: 2022 TRUTH Act Forum

Dear Contra Costa County Supervisors and Sheriff Livingston,

The undersigned organizations provide vital services and support to Contra Costa County's most underserved communities, and are committed to promoting health, economic stability, and racial equity. We write to you in anticipation of the County's 2022 TRUTH Act Forum on July 26, 2022.

Unfortunately, the Contra Costa Immigrant Rights Alliance (CCIRA) has not received a timely response from the Sheriff's Office through the California Public Records Act process. The information requested is highly relevant to the TRUTH Act Forum. On June 29, 2022, CCIRA requested the following information from the Contra Costa County Sheriff's Office: 1) the number of ICE notification and transfer requests the Sheriff received from June 29, 2021 to the present; 2) the number of ICE notification and transfer requests the Sheriff responded to by either providing release date information or allowing ICE into any non-public area of a county jail; 3) the charge, conviction, or other rationale that served as the basis for each of the ICE requests the Sheriff's Office responded to; and 4) a copy of the current policy on immigration status ("Office of the Sheriff's Policy Section 1.02.28 - Immigration Status"). CCIRA submitted the CPRA request again on July 11, 2022. As of the date of this letter, CCIRA has not received the requested information.

Last year, we notified the Sheriff’s Office and County supervisors that the Sheriff responded to over 30 ICE requests for notification between 11/2020 and 8/2/2021. Based on the Sheriff’s Office’s “AB 4 (TRUST ACT) IMMIGRATION NOTIFICATION ELIGIBILITY” worksheets provided to CCIRA through Public Records Act requests, 23% of the ICE notifications in this time period raise legal concerns. Of the 30 notifications, it appears that at least 5 were based on straight misdemeanor offenses, which is impermissible under SB 54. Three notifications involved old convictions dated 1990, 1994, and 2006 (see chart, attached). It’s disheartening to see that immigrant community members continue to be double punished by Contra Costa County for convictions that are decades old.

Therefore, the undersigned organizations continue to urge the Sheriff’s Office to end all collaboration with ICE, including responding to ICE requests for release time notifications. Given the complicated nature of SB 54, continuing ICE notifications opens up the county to liability. Further, folks released from jail should be connected to resources, if needed, that address the root causes of violence and harm: stable housing, food security, self-help programs, drug treatment programs, etc. Detention and deportations, in contrast, tear families and communities apart, perpetuate trauma, and deeply harm multiple generations within a family. Multiple California counties such as Los Angeles, Santa Clara, San Francisco, San Mateo, Humboldt, Marin, and San Joaquin have ended ICE notifications and transfers.

Lastly, while the Sheriff codified his office’s existing practice of ending direct ICE transfers, some of the language from the prior policy remains in the version of the policy CCIRA received last year. “Transfers to immigration authorities are permitted under this subsection only in accordance with California Government Code 7283.6(a)(4).” (Sheriff’s Policy Section 1.02.28, III. A. 1.) We request that your office delete this sentence because it undercuts your office’s language prohibiting ICE transfers in IV. G, and causes confusion. Please let us know whether you will make this amendment.

Sincerely,

Assembly Bill No. 2792

CHAPTER 768

An act to add Chapter 17.2 (commencing with Section 7283) to Division 7 of Title 1 of the Government Code, relating to local government.

[Approved by Governor September 28, 2016. Filed with
Secretary of State September 28, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2792, Bonta. Local law enforcement agencies: federal immigration policy enforcement: ICE access.

Existing federal law authorizes issuance of an immigration detainer that serves to advise another law enforcement agency that the federal department seeks custody of an alien presently in the custody of that agency, for the purpose of arresting and removing the alien. Existing federal law provides that the detainer is a request that the agency advise the department, prior to release of the alien, in order for the department to arrange to assume custody in situations when gaining immediate physical custody is either impracticable or impossible.

Existing law, commonly known as the TRUST Act, prohibits a law enforcement official, as defined, from detaining an individual on the basis of a United States Immigration and Customs Enforcement hold after that individual becomes eligible for release from custody, unless, at the time that the individual becomes eligible for release from custody, certain conditions are met, including, among other things, that the individual has been convicted of specified crimes. Existing law defines specified terms for purposes of these provisions.

This bill, the Transparent Review of Unjust Transfers and Holds (TRUTH) Act, would require a local law enforcement agency, prior to an interview between the United States Immigration and Customs Enforcement (ICE) and an individual in custody regarding civil immigration violations, to provide the individual a written consent form, as specified, that would explain, among other things, the purpose of the interview, that it is voluntary, and that the individual may decline to be interviewed. The bill would require the consent form to be available in specified languages. The bill would require a local law enforcement agency to provide copies of specified documentation received from ICE to the individual and to notify the individual regarding the intent of the agency to comply with ICE requests. The bill would require that the records related to ICE access be public records for purposes of the California Public Records Act. The bill, commencing January 1, 2018, would require the local governing body of any county, city, or city and county in which a local law enforcement agency has provided ICE access to an individual during the last year, to hold at

least one public community forum during the following year, as specified, to provide information to the public about ICE's access to individuals and to receive and consider public comment. By requiring these local agencies to comply with these requirements, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.

This bill would make legislative findings to that effect.

The people of the State of California do enact as follows:

SECTION 1. This act shall be known, and may be cited, as the Transparent Review of Unjust Transfers and Holds (TRUTH) Act.

SEC. 2. (a) Transparency and accountability are essential minimum requirements for any collaboration between state and federal agencies.

(b) Recent immigration enforcement programs sponsored by the United States Immigration and Customs Enforcement (ICE) agency have suffered from a lack of transparency and accountability.

(c) For example, a federal judge found that ICE "went out of [its] way to mislead the public about Secure Communities," a deportation program in which ICE collaborated with local law enforcement agencies to identify people for deportation.

(d) The Legislature further found that Secure Communities harmed community policing and shifted the burden of federal immigration enforcement onto local law enforcement agencies.

(e) Although ICE has terminated the Secure Communities program, it continues to promote a number of similar programs, including the Priority Enforcement Program, the 287(g) Program, and the Criminal Alien Program.

(f) The Priority Enforcement Program has many similarities to Secure Communities, including the checking of fingerprints for immigration purposes at the point of arrest; the continued use of immigration detainers, which have been found by the courts to pose constitutional concerns; and the reliance on local law enforcement to assist in immigration enforcement.

(g) Just as with Secure Communities, numerous questions have been raised about whether ICE has been transparent and accountable with respect to its current deportation programs.

(h) This bill seeks to address the lack of transparency and accountability by ensuring that all ICE deportation programs that depend on entanglement with local law enforcement agencies in California are subject to meaningful public oversight.

(i) This bill also seeks to promote public safety and preserve limited local resources because entanglement between local law enforcement and ICE undermines community policing strategies and drains local resources.

SEC. 3. Chapter 17.2 (commencing with Section 7283) is added to Division 7 of Title 1 of the Government Code, to read:

CHAPTER 17.2. STANDARDS FOR PARTICIPATION IN UNITED STATES
IMMIGRATION AND CUSTOMS ENFORCEMENT PROGRAMS

7283. For purposes of this chapter, the following terms have the following meanings:

(a) “Community forum” includes, but is not limited to, any regular meeting of the local governing body that is open to the public, where the public may provide comment, is in an accessible location, and is noticed at least 30 days in advance.

(b) “Hold request” means a federal Immigration and Customs Enforcement (ICE) request that a local law enforcement agency maintain custody of an individual currently in its custody beyond the time he or she would otherwise be eligible for release in order to facilitate transfer to ICE and includes, but is not limited to, Department of Homeland Security (DHS) Form I-247D.

(c) “Governing body” with respect to a county, means the county board of supervisors.

(d) “ICE access” means, for the purposes of civil immigration enforcement, including when an individual is stopped with or without their consent, arrested, detained, or otherwise under the control of the local law enforcement agency, all of the following:

(1) Responding to an ICE hold, notification, or transfer request.

(2) Providing notification to ICE in advance of the public that an individual is being or will be released at a certain date and time through data sharing or otherwise.

(3) Providing ICE non-publicly available information regarding release dates, home addresses, or work addresses, whether through computer databases, jail logs, or otherwise.

(4) Allowing ICE to interview an individual.

(5) Providing ICE information regarding dates and times of probation or parole check-ins.

(e) “Local law enforcement agency” means any agency of a city, county, city and county, special district, or other political subdivision of the state that is authorized to enforce criminal statutes, regulations, or local ordinances; or to operate jails or to maintain custody of individuals in jails; or to operate juvenile detention facilities or to maintain custody of individuals

in juvenile detention facilities; or to monitor compliance with probation or parole conditions.

(f) “Notification request” means an Immigration and Customs Enforcement request that a local law enforcement agency inform ICE of the release date and time in advance of the public of an individual in its custody and includes, but is not limited to, DHS Form I-247N.

(g) “Transfer request” means an Immigration and Customs Enforcement request that a local law enforcement agency facilitate the transfer of an individual in its custody to ICE, and includes, but is not limited to, DHS Form I-247X.

7283.1. (a) In advance of any interview between ICE and an individual in local law enforcement custody regarding civil immigration violations, the local law enforcement entity shall provide the individual with a written consent form that explains the purpose of the interview, that the interview is voluntary, and that he or she may decline to be interviewed or may choose to be interviewed only with his or her attorney present. The written consent form shall be available in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean. The written consent form shall also be available in any additional languages that meet the county threshold as defined in subdivision (d) of Section 128552 of the Health and Safety Code if certified translations in those languages are made available to the local law enforcement agency at no cost.

(b) Upon receiving any ICE hold, notification, or transfer request, the local law enforcement agency shall provide a copy of the request to the individual and inform him or her whether the law enforcement agency intends to comply with the request. If a local law enforcement agency provides ICE with notification that an individual is being, or will be, released on a certain date, the local law enforcement agency shall promptly provide the same notification in writing to the individual and to his or her attorney or to one additional person who the individual shall be permitted to designate.

(c) All records relating to ICE access provided by local law enforcement agencies, including all communication with ICE, shall be public records for purposes of the California Public Records Act (Chapter 3.5 (commencing with Section 6250)), including the exemptions provided by that act and, as permitted under that act, personal identifying information may be redacted prior to public disclosure. Records relating to ICE access include, but are not limited to, data maintained by the local law enforcement agency regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means.

(d) Beginning January 1, 2018, the local governing body of any county, city, or city and county in which a local law enforcement agency has provided ICE access to an individual during the last year shall hold at least one community forum during the following year, that is open to the public, in an accessible location, and with at least 30 days’ notice to provide information to the public about ICE’s access to individuals and to receive

and consider public comment. As part of this forum, the local law enforcement agency may provide the governing body with data it maintains regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means. Data may be provided in the form of statistics or, if statistics are not maintained, individual records, provided that personally identifiable information shall be redacted.

7283.2. Nothing in this chapter shall be construed to provide, expand, or ratify the legal authority of any state or local law enforcement agency to detain an individual based upon an ICE hold request.

SEC. 4. The Legislature finds and declares that Section 3 of this act, which adds Chapter 17.2 (commencing with Section 7283) to Division 7 of Title 1 of the Government Code, furthers, within the meaning of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the purposes of that constitutional section as it relates to the right of public access to the meetings of local public bodies or the writings of local public officials and local agencies. Pursuant to paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the Legislature makes the following findings:

By requiring public meetings relating to the manner in which local law enforcement entities cooperate with federal authorities in enforcing federal immigration laws and making related documents open to public inspection, this act furthers the purposes of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district under this act would result from a legislative mandate that is within the scope of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution.

From: David O. Livingston, Sheriff-Coroner
Date: July 26, 2022

Subject: Assembly Bill 481 Ordinance

RECOMMENDATION(S):

INTRODUCE Ordinance No. 2022-29, an ordinance adopting and approving a military equipment use policy for the Contra Costa County Sheriff's Office, as authorized by Government Code sections 7070 et. seq.; WAIVE reading; and FIX August 2, 2022 for adoption.

FISCAL IMPACT:

There is no fiscal impact associated with the adoption of the proposed ordinance.

BACKGROUND:

Assembly Bill 481

The Office of the Sheriff is requesting that the Board adopt an ordinance, as required by Assembly Bill 481 (AB 481), related to the use and acquisition of certain types of equipment. AB 481, enacted in 2021, requires law enforcement agencies to obtain governing body approval of a "Military Equipment Use Policy" by an ordinance before the agency can use existing qualifying equipment or obtain new qualifying equipment. "Military equipment" is defined in Government Code 7070(c), and includes equipment such as drones, robots, certain firearms, and mobile command vehicles. There is some indication that AB 481 was intended to only apply to equipment actually used by the military or purchased as military surplus items. The Office of the Sheriff has no such equipment. However, many law enforcement agencies have interpreted the law more broadly to include the types of equipment listed in AB 481, which are not purchased from military sources. In the interest of transparency, the Office of the Sheriff has created a military equipment use policy that covers the types of equipment listed in AB 481, even if not purchased from military sources, and is bringing it to the Board for approval.

The policy will ultimately be found within the Contra Costa County Office of the Sheriff General Policy and Procedure Section 1.07.30. The draft policy and associated appendix of inventory (acquired before January 1, 2022) have been publicly available on the Office of the Sheriff's website since May 2, 2022:

BACKGROUND: (CONT'D)

<https://www.cocosherriff.org/community-information/government-code-section-7070-defined-equipment>.

The Office of the Sheriff is now submitting the policy and ordinance to the Board for approval and adoption pursuant to Government Code section 7071. Pursuant to Government Code section 7071(c), the Board shall approve the policy only if the Board determines that:

- (1) the military equipment is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety;
- (2) the proposed military equipment use policy will safeguard the public's welfare, safety, civil rights, and civil liberties;
- (3) if purchasing the equipment, the equipment is reasonably cost effective compared to available alternatives that can achieve the same objective of officer and civilian safety; and
- (4) prior military equipment use complied with the military equipment use policy that was in effect at the time, or if prior uses did not comply with the accompanying military equipment use policy, corrective action has been taken to remedy nonconforming uses and ensure future compliance.

Military Equipment Use Policy and Equipment

The draft policy meets these conditions and complies with all AB 481 requirements, which include:

- (1) a description of each type of equipment, the quantity sought, its capabilities, expected lifespan, and manufacturer product descriptions;
 - (2) the purposes and authorized uses for which the Office of the Sheriff proposes to use each type of equipment;
 - (3) the fiscal impact of each type of equipment, including the initial costs of obtaining the equipment and estimated annual costs of maintaining the equipment;
 - (4) the legal and procedural rules that govern each authorized use;
 - (5) the training that must be completed before an officer is allowed to use each specific type of equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties;
 - (6) the mechanisms to ensure compliance with the policy; and
 - (7) the procedure by which members of the public may register complaints or concerns or submit questions about the use of the equipment.
- The policy also provides for the preparation and publishing of the annual equipment report, and the hosting of the annual community engagement meeting.

The appendix reflects that the Office of the Sheriff owns and uses (on occasion) the following items that are listed in AB 481:

- (1) Unmanned, remotely piloted, powered aerial or ground vehicles. This includes small unmanned aircraft systems (sUAS) and robots.
- (2) Wheeled vehicles, commonly referred to as "BearCats," with entry apparatus attached.
- (3) A command vehicle used as a mobile office for critical incidents, search and rescue missions, natural disasters, and other events.
- (4) Breaching apparatuses attached to each BearCat and apparatuses that can be explosive in nature.
- (5) Specialized firearms, including assault weapons as defined in Sections 30510 and 30515 of the Penal Code.
- (6) Diversionary "flashbang" grenades, "tear gas," and "pepper balls."
- (7) Long Range Acoustic Devices (LRADs).
- (8) 40mm projectile launchers and associated munitions.

The sUAS (drones) and robots allow Office of the Sheriff personnel to obtain real-time vital situational awareness in a quick and safe manner. Drones are used to find missing persons or search for suspects, map crime scenes, respond to major incidents and events, and gather evidence. Staff utilize robots during dangerous situations to assess the situation before sending in personnel.

BearCats are used to transport personnel to and from hostile situations and assist with the recovery and protection of civilians in harm's way. The vehicles have the ability to mount a breaching apparatus to the front of the vehicle to create an entry point into the location, as well as safely deploy a chemical agent into a location while maintaining the safety of personnel.

The Mobile Command Vehicle (MCV) is essential to coordinate public safety units at large-scale events, frequently involving personnel from various agencies and disciplines. The MCV serves as a command post that allows for a unity of command during law enforcement incidents, search and rescue missions, and natural disasters such as fires and flooding. The command vehicle is equipped with mobile dispatching equipment.

Breaching equipment, including breaching shotguns, nonelectric delay detonators, and detonating cords, are utilized in high-risk operations to facilitate entry into locations to ensure the safety of innocent persons, suspects, officers, and the public. This equipment is deployed only by tactical personnel trained in its proper use.

The specialized firearms as defined by Government Code 7070(c)(10) in the Office of the Sheriff's inventory are used only by tactical personnel trained in the firearms' proper use. Two of the models in the inventory, HK G36C and HK MP5, are only used for training purposes. The .308 rifles are utilized by tactical personnel who attend ongoing specialized training. These firearms protect both law enforcement and the public with their high degree of accuracy during violent assaults or hostage situations involving heavily armed or armored suspects.

The pepper ball launchers, chemical (tear gas) munitions and associated launchers, less lethal munitions and launchers, and diversionary devices are all considered less lethal tools designed to be used in situations where lethal force may be avoided.

The Long Range Acoustical Devices (LRADs) are portable communication systems used to communicate critical announcements safely and deescalate critical incidents by ensuring communications are clear and effectively delivered. Office of the Sheriff personnel typically use the

LRADs during high-risk operations, but they can also be used for search and rescue missions or other situations as needed for clear communication of information.

The policy and appendix reference the specific and authorized uses of the equipment. Personnel must be trained on the equipment before any deployment. The Office of the Sheriff's use of force policy requires employees to exercise any use of force judiciously and with respect for human rights, dignity, and life. Deputies may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of threat. It is the policy of the Office of the Sheriff not to interfere with, harass, intimidate, or discriminate against persons engaged in the lawful exercise of their rights. All use of force incidents are also documented and reviewed to ensure compliance with agency policy and the law. Any use of the sUAS must comply with constitutional and privacy rights and FAA regulations.

Much of the equipment included in the policy is highly specialized and designed to perform a specific task as described above. Frequently, there is no cost-effective alternative available. When there are alternatives available, staff members will conduct testing on and research regarding similar products from different manufacturers to determine the most cost-effective product, while considering performance and durability.

Prior to the creation of this policy, the use of equipment defined by Government Code section 7070 was regulated by the internal policies of the Office of the Sheriff and applicable law. Any use of the equipment was reviewed and investigated. If the use was deemed outside of policy, corrective action would have been taken through retraining or disciplinary action.

Anticipated Equipment Purchases

For this initial ordinance adoption, the Office of the Sheriff is providing a list of projected equipment purchases for the next fiscal year.

Annual Report and Community Engagement Meeting

Pursuant to Government Code section 7072, beginning in 2023, the Office of the Sheriff will prepare an annual military equipment report and present the ordinance to the Board for annual review and renewal. The Office of the Sheriff will also hold annual community engagement meetings related to the release of the equipment report. The annual report will address any use of AB 481 equipment during the prior year and will include information regarding any complaints, the costs associated with the equipment, and the quantity of each type of equipment. If applicable, the report will address any requests for changes to the inventory.

CONSEQUENCE OF NEGATIVE ACTION:

The Office of the Sheriff would not be able to perform its requisite public safety duties to safeguard the lives of Contra Costa citizens.

ORDINANCE NO. 2022-29

AN ORDINANCE ADOPTING AND APPROVING A MILITARY EQUIPMENT USE
POLICY FOR THE CONTRA COSTA COUNTY SHERIFF'S OFFICE PURSUANT TO
ASSEMBLY BILL 481

The Contra Costa County Board of Supervisors ordains as follows:

Section 1. Purpose and Recitals.

- A. On September 30, 2021, Governor Gavin Newsom signed into law Assembly Bill 481, effective January 1, 2022, relating to the use of qualifying military equipment, as defined, by law enforcement agencies;
- B. Assembly Bill 481, codified at California Government Code sections 7070 through 7075, requires law enforcement agencies to obtain approval of the governing body, by an ordinance adopting a military equipment use policy, at a regular public meeting, before taking certain actions relating to the funding, acquisition, or use of military equipment. The term "military equipment" is defined in Government Code section 7070;
- C. Assembly Bill 481 allows the governing body of a county to approve the funding, acquisition, or use of military equipment within its jurisdiction if it makes certain determinations; and
- D. The proposed military equipment use policy, titled "Government Code § 7070 Defined Equipment," is located in the Contra Costa County Office of the Sheriff Policy and Procedures Manual as Policy No. 1.07.30 ("Policy").

Section 2. Findings and Adoption of Policy.

- (a) The Contra Costa Office of the Sheriff published the Policy on its website for at least 30 days prior to the public meeting concerning the military equipment at issue.
- (b) The military equipment inventoried and presented to the Board of Supervisors is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
- (c) The Policy will safeguard the public's welfare, safety, civil rights, and civil liberties.
- (d) Purchased equipment is reasonably cost-effective compared to available alternatives that can achieve the same objective of officer and civilian safety.
- (e) Prior military equipment use complied with the applicable equipment use policy that was in effect at the time, or if prior uses did not comply with the accompanying military

equipment use policy, corrective action has been taken to remedy nonconforming uses and ensure future compliance.

- (f) The Policy was considered by the Board of Supervisors as an agenda item in an open session of a regular meeting, noticed in accordance with the Ralph M. Brown Act.
- (g) Pursuant to Assembly Bill 481 and Government Code sections 7070-7075, the Board of Supervisors approves the use of and hereby adopts the Policy, and finds that it satisfies the requirements of Government Code section 7070(d).
- (h) The Policy shall be publicly available on the Sheriff's Office website for as long as the military equipment is available for use.

Section 3. Reports.

Within one year of approval of the Policy, and annually thereafter as long as the military equipment is available for use, the Sheriff's Office shall submit a military equipment report to the Board of Supervisors, containing the information required in Government Code section 7072.

Section 4. Annual Review and Meeting.

The Board of Supervisors shall review this ordinance, and vote on whether to renew it, on an annual basis at a regular meeting, in accordance with Government Code section 7071(e)(1)-(2).

Section 5. Severability.

If any provision of this ordinance is declared invalid or unconstitutional by a court of competent jurisdiction, it is the intent of the Board of Supervisors that such invalid provision(s) be severed from the remaining provisions of this ordinance.

Section 6. Effective Date.

Contra Costa County Office of the Sheriff General Policy and Procedure	CCCSO	NUMBER: 1.07.30
	RELATED ORDERS: Government Code §§ 7070-7075; Appendix 16	
ISSUE DATE: 4-29-2022 REVISION DATE:	CLEARANCE: Office of the Sheriff	
CHAPTER: Equipment and Property Management	SUBJECT: Government Code § 7070 Defined Equipment	

I. POLICY.

- A. The Office of the Sheriff shall conduct its public safety functions in an atmosphere of openness in its relationship with the public. The provisions in this policy are to ensure each piece of equipment listed in Assembly Bill 481 (“AB 481”) (Government Code §§ 7070-7075) as “military equipment” is used in accordance with department policies and the law. Decisions regarding use and acquisition of military equipment will take into consideration the public’s welfare, safety, and civil rights, and allow for community input and engagement.
- B. This policy has been created in accordance with the requirements of AB 481 and is designed to meet the requirements of reporting and accountability required by AB 481. These requirements include, but are not limited to, seeking Governing Body approval of specific items deemed to be military equipment and requirements related to use, compliance, annual reporting, cataloging, complaints, and community engagement regarding these items.

II. DEFINITIONS.

- A. **GOVERNING BODY:** The Contra Costa County Board of Supervisors.
- B. **MILITARY EQUIPMENT:** Any of the items as listed in California Government Code section 7070, subsections (c)(1) through (c)(16).
- C. **DEPLOYMENT AND USE:** The deployment or use of military equipment shall refer to the use of the military equipment for an authorized purpose. The handling of a firearm or a less lethal device is not considered a deployment. These primer-based items must be fired during an incident to be considered a deployment. Training with any of the items listed in Government Code §7070(c)(1) through (c)(16) is excluded and is not considered a “deployment” or “use” pursuant to Government Code section 7072.

III. PROCEDURE.

- A. The Office of the Sheriff shall obtain approval of the Governing Body annually prior to engaging in any of the following activities:
 - 1. Requesting military equipment made available pursuant to Section 2576a of Title 10 of the United States Code.

2. Seeking funds for military equipment including, but not limited to, applying for a grant, soliciting, or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
 3. Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
 4. Collaborating with another law enforcement agency in the deployment or other use of military equipment within the territorial jurisdiction of the Governing Body.
 5. Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the Governing Body.
 6. Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of, military equipment.
- B. In seeking the approval of the Governing Body, the Office of the Sheriff shall submit a proposed military equipment use policy, or subsequent amendment(s), to the Governing Body and the public via the Office of the Sheriff's internet website at least 30 days prior to any public hearing concerning the military equipment at issue.
- C. The military equipment acquired and authorized by the Office of the Sheriff is:
1. Necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
 2. Reasonably cost-effective compared to available alternatives that can achieve the same objective of officer and civilian safety.
- D. The Office of the Sheriff shall submit an annual military equipment report to the Governing Body.
1. The annual military equipment report shall, at a minimum, include the following information for the immediately preceding calendar year for each type of military equipment:
 - a. A summary of how the military equipment was deployed and the purpose of its deployment.
 - b. A summary of any complaints or concerns received regarding the military equipment.
 - c. The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.
 - d. The total annual cost for each type of military equipment, including acquisition, personnel, training, maintenance, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.
 - e. The quantity possessed for each type of military equipment.

- f. If the Office of the Sheriff intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.
 2. The Office of the Sheriff shall also make each annual military equipment report publicly available on its internet website for as long as the military equipment is available for use.
 3. Within 30 days of submitting and publicly releasing an annual military equipment report, the Office of the Sheriff shall hold at least one well-publicized and conveniently located community engagement meeting, at which the general public may discuss and ask questions regarding the annual military equipment report and the Office of the Sheriff's funding, acquisition, or use of military equipment.
- E. All military equipment kept and maintained by the Office of the Sheriff shall be cataloged in a way to address each of the following requirements:
 1. The manufacturer's description of the equipment.
 2. The capabilities of the equipment.
 3. The purposes and authorized uses for deployment by trained Office of the Sheriff personnel.
 4. The expected lifespan of the equipment.
 5. The fiscal impact of the equipment, both initially and for on-going maintenance.
 6. The quantity of the equipment, whether maintained or sought.
 7. The training requirements for the particular equipment.
- F. Any member of the public can register a question or concern regarding military equipment by contacting the Sheriff's Office via email at webmaster@so.cccounty.us or by mail attention of the Professionals Standards Division at 1850 Muir Road, Martinez CA 94533. A response to the question or concern shall be completed by the appropriate Division and routed to the Professional Standards Captain in a timely manner.
- G. Any member of the public can register a complaint regarding military use equipment by using the Citizen Report Procedure Form which can be found at <https://www.cocosherriff.org/community-information/citizen-complaint-form>. All complaints received will be sent to Internal Affairs for handling.

IV. EQUIPMENT USE

- A. Each Division Commander, or designee, will ensure that each deployment or use of a piece of military equipment covered by this policy will be documented in a report. Each completed report will be forwarded to the Professional Standards Division Commander for tracking.
- B. All confirmed instances of non-compliance will be reported to the Governing Body via the annual military equipment report.

V. MUTUAL AID

- A. The Office of the Sheriff acknowledges that all critical incidents are unique, and incidents may arise which overwhelm local resources. These incidents may make

it necessary to call on outside agencies for assistance. Nothing in this policy shall restrict the Office of the Sheriff from calling on the assistance of allied agency partners, whether they be federal, state, county, or local agencies, and their resources being used during critical incidents. These agencies should have their own Military Equipment Use policies which have been approved by their own governing bodies, with which the agencies are to comply.

VI. MILITARY EQUIPMENT INVENTORY

- A. Each Division Commander, or designee, is responsible for ensuring an accurate inventory of each make, model, and quantity of military equipment is maintained for each work location and/or unit under their command.
- B. See Appendix 16 of this policy manual for the equipment inventory.

I. GOVERNMENT CODE § 7070 DEFINED EQUIPMENT INVENTORY

Equipment Name / Category: Small Unmanned Aircraft System (sUAS) – Government Code § 7070(c)(1)	
Quantity Owned: See description below	Lifespan: 10 years
Manufacturers Product Description(s): <p>DJI Matrice M200v2 with Z30 and XT2 cameras, approx. cost \$35,000, quantity: 1. The ultimate platform for aerial productivity combines a rugged design and simple configurability to work as a solution for a variety of industrial applications. Improvements to the M200 Series V2 enhance intelligent control systems, flight performance, and add flight safety and data security features. https://www.dji.com/matrice-200-series-v2 Additional description: An enterprise platform UAV that provides up to 45 minutes of flight time and around 3 miles of range. This UAV has interchangeable zoom and thermal imaging cameras that record video and still pictures. The Matrice can be tethered to the ground for unlimited flight.</p> <p>DJI Mavic 2 Enterprise Advanced, approx. cost \$7,000 each, quantity: 6. Capture accurate details in any mission with the Mavic 2 Enterprise Advanced – a highly versatile yet compact tool that packs a whole lot of performance upgrades. With high-resolution thermal and visual cameras, the M2EA supports up to 32× digital zoom and is capable of centimeter-level positioning accuracy with the RTK module. https://www.dji.com/mavic-2-enterprise-advanced Additional description: An enterprise platform UAV that provides up to 30 minutes of flight time and around 2 miles of range. This UAV has fixed color and thermal imaging cameras that can record video and still pictures. This UAV can be outfitted with a loudspeaker or spotlight. This UAV has an approximate weight of 899 grams.</p> <p>DJI Phantom 4 Pro, approx. cost \$2,000 each, quantity: 4. An uprated camera is equipped with a 1-inch 20-megapixel sensor capable of shooting 4K/60fps video and Burst Mode stills at 14 fps. The adoption of titanium alloy and magnesium alloy construction increases the rigidity of the airframe and reduces weight, making the Phantom 4 Pro similar in weight to the Phantom 4. The Flight Autonomy system adds dual rear vision sensors and infrared sensing systems for a total of 5-direction of obstacle sensing and 4-direction of obstacle avoidance. https://www.dji.com/phantom-4-pro?from=p4p-or-p4a Additional description: A prosumer UAV that provides up to 30 minutes of flight time and around 2 miles of range. This platform is dated, but still has one of the best camera systems available, as the camera has a mechanical shutter for optimal picture quality. This UAV is mostly used for overhead mapping and 3D imaging.</p> <p>DJI Mavic Mini 1, approx. cost \$500 each, quantity: 4. DJI Mavic Mini - Drone FlyCam Quadcopter UAV with 2 7K Camera 3-Axis Gimbal GPS 30min Flight Time less than 0 55lbs Gray. Charging Temperature Range - 5° to 40°C (41° to 104°F). https://www.dji.com/mavic-mini</p>	

Additional description: A consumer UAV that provides up to 20 minutes of flight time and around 1 mile of range. This UAV has a color camera that can record video and still images. The Mavic Mini 1 is an extremely small platform that can be fitted with propellor guards and flown inside buildings and tight spaces.

DJI Mavic Mini 2, approx. cost \$600 each, quantity: 19. DJI Mini 2 is beginner-friendly, powerful, and well, mini. Impressive performance, stunning image quality, and creative videos are just a few taps away. Explore an entirely new perspective, capturing the moments that make your life truly yours. <https://www.dji.com/mini-2> Additional description: A consumer platform UAV that provides up to 25 minutes of flight time and around 1 mile of range. This UAV has a 4K color camera that can record video and still images. Like its predecessor, the Mini 1, this is a very small platform UAV that is ideally suited for flying inside buildings and tight spaces, especially when fitted with propellor guards. The Mini 2 weighs 249 grams.

DJI Mavic Pro, approx. cost \$1500, quantity: 1. The DJI Mavic Pro is a portable and powerful drone with a 3-axis gimbal 4K camera, a max transmission range of 4.1 mi (7 km), and a sophisticated design. <https://www.dji.com/mavic> Additional description: This consumer platform UAV is dated but still has an excellent camera system. This UAV weighs approximately 1.5 pounds and has a 30-minute flight time.

Wingtra Gen 1, approx. cost \$45,000, quantity: 1. The Wingtra is a professional fixed-wing platform UAV that can take off and land from a vertical position. The Wingtra has around 60 minutes of flight time and is only used for overhead imaging. The primary purpose of this UAV is to rapidly map large areas during disaster response. The Wingtra cannot record video and flights must be pre-programmed before takeoff.

DJI Mavic Enterprise Zoom, approx. cost \$2200 each, quantity: 2. The DJI Mavic 2 Enterprise is a foldable, portable, long-range flying camera and accessory system that adapts well to uses by first responders and businesses that routinely inspect hard-to-reach assets.

<https://www.dji.com/mavic-2-enterprise> Additional description: An enterprise level UAV that has a color camera as well as an audible speaker and light. As the name implies, this UAV has good zooming capability, which enables it to fly higher, as to not agitate potential suspects on the ground. This UAV is capable of video recording and weighs approximately 2 pounds. The Mavic Zoom offers up to a 30-minute flight time.

DJI Mavic Enterprise Dual, approx. cost \$2500 each, quantity: 2. Mavic 2 Enterprise Dual features a three-axis gimbal stabilized camera housing a side-by-side 4K sensor for capturing visible light and a FLIR imaging sensor for capturing thermal data. Together these sensors allow pilots to perform flights at night, as well as fly in complex daytime conditions like fog and smoke. <https://www.dji.com/mavic-2-enterprise> Additional description: UAV that has a color "Day" camera as well as infrared nighttime capabilities. This UAV also has an audible speaker and light. This UAV is the predecessor to the more robust Mavic 2 Enterprise Advanced, which has a much better infrared and zoom camera system. This UAV weighs approximately 2 pounds and offers up to a 30-minute flight time.

DJI FPV, approx. cost \$1500 each, quantity: 2. DJI FPV has a built-in imaging system, high-definition, low-latency transmission with a range of up to 10 km, and a battery life of approximately 20 minutes. <https://www.dji.com/dji-fpv> Additional description: This unique "First Person View" UAV offers an immersive flying experience and is currently being tested for indoor flying. The pilot wears a headset and can view a live feed of the UAV as if walking through the building it is being flown through. This UAV also serves as a training platform, as it requires a much higher level of skill to fly than most other UAVs.

Purpose: To be deployed when its view would assist officers or incident commanders with the following situations, which include but are not limited to: (1) major collision investigations, (2) search for missing persons, (3) natural disaster management, (4) crime scene photography, (4) SWAT, tactical, or other public safety and life preservation mission, and (6) in response to specific requests from local, state, or federal fire authorities for fire response and/or prevention.

Authorized Use: Only assigned operators who have completed the required training shall be permitted to operate the drones during approved missions.
Fiscal Impact: Annual maintenance and battery replacement cost is approximately \$500 per unit
Training: All Sheriff's Office sUAS operators are licensed by the Federal Aviation Administration for sUAS operation as remote pilots under FAA Part 107. In addition, each operator must attend Sheriff's Office approved ongoing training.
Legal and Procedural Rules: Use is established under General Policy 1.06.84 (Small Unmanned Aircraft Systems) and FAA Regulation 14 CFR Part 107. It is the policy of the Sheriff's Office to utilize UAS only for official law enforcement or training purposes, and in a manner that respects the privacy of our community, pursuant to applicable law.

Equipment Name / Category: Unmanned, remotely piloted, powered ground vehicles – Government Code § 7070(c)(12)	
Quantity Owned: 4	Lifespan: All robots, 8-10 years
Manufacturer's Product Description(s): ROBOTEX Avatar II , cost \$12,500, quantity: 2. The AVATAR® enhances the capabilities of SWAT and tactical response teams by allowing them to inspect dangerous situations quickly and safely, there is no longer a need to send personnel in before you have had a chance to assess the situation.	
<p>The AVATAR® saves lives by keeping first responders out of harm's way, and it does so at a fraction of the price of other robots. The AVATAR® Robots are regarded by tactical teams as a standard operational tool, like a firearm, vehicle, or piece of body armor. Departments across the United States and internationally are using the AVATAR® Robots.</p> <p>https://robotex.com/products/avatar-tactical-robot/</p>	
TRANSCEND TACTICAL Vantage , cost \$16,900, quantity: 1. Transcend's Vantage robot is the world's only double-patented automatic stair and obstacle climbing robot for First Responders. It's the only option for First Responders that want their robot to "just figure it out" on the first attempt to climb stairs, clothes, and junk without the burden of tedious manual controls associated with flippers and other limb systems. This means the Vantage can be used without prior training to enter a house or building to see, hear and learn what's happening before sending officers inside. https://www.transcendrobotics.com/transcendproduct/vantage-patrol-robot/#overview	
RECON ROBOTICS Throwbot 2 , cost \$2,000, quantity: 1. The Recon Robotics Throwbot 2 is a throwable micro-robot platform that enables operators to obtain instantaneous video and audio reconnaissance within indoor or outdoor environments. https://reconrobotics.com/products/throwbot-2-robot/	
Purpose: This robot is used in response to critical incidents to enhance officer and community safety. They can be used to remotely gain visual/audio data, deliver the Hostage Negotiation Team throw phone, open doors, and clear buildings.	
Authorized Use: Only personnel who have been trained in the use of the robots will be authorized to use them.	
Fiscal Impact: Annual maintenance cost is approximately \$500	
Training: All operators must have completed a familiarization training in the set-up, control, and safe deployment of the robots. All operators are also members of the SWAT team who have completed an 80-hour POST-certified Special Weapons and Tactics Course.	
Legal and Procedural Rules: It is the policy of the Sheriff's Office to utilize a robot only for official law enforcement purposes, and in a manner that respects the privacy of our community,

Quantity Owned: 2	Lifespan: 25 years
Manufacturers Product Description(s): LENCO BEARCAT, G2 , cost: \$244,043.42, quantity: 1. The Lenco BearCat G2 is the standard tactical armored vehicle for special operations units within the US Law Enforcement community. Since the early 2000s, agencies such as LAPD, LASD SEB, NYPD ESU, Boston PD and hundreds of Federal, State and Local Law Enforcement agencies have made the BearCat G2 part of their standard operating procedure. The G2 has excellent on-road driving characteristics and maneuverability in tight urban settings. The large floor plan seats 10 – 12 fully equipped officers with a long list of tactical features <u>only</u> found on the Lenco BearCat line of armored SWAT vehicles for Police and Government. https://www.lencoarmor.com/model/bearcat-g2-police-government/ LENCO BEARCAT, G3 , cost: \$291,283, quantity: 1. The BearCat G3 provides Lenco’s proven armor system in a ruggedized off-road platform. The G3 utilizes the same body design, interior features, and tactical options as the G2, but it comes standard with a heavier duty upgraded suspension and off-road tires, rims & run flats to provide enhanced off-road performance. The increased ground clearance and robust suspension allows for emergency response in rural regions and natural disaster scenarios where standard armored SWAT vehicles would experience challenges. If your mission takes you off-road, the Lenco BearCat G3 will get you where you need to go. Available with mission-specific design features for Police and Government, Medical and Fire Response. https://www.lencoarmor.com/model/bearcat-g3-police-government/	
Purpose: To be used in response to critical incidents to enhance officer and community safety, improve scene containment and stabilization, and assist in resolving critical incidents.	
Authorized Use: The use of armored rescue vehicles shall only be authorized by a SWAT commander, Assistant SWAT commander, or designee, based on the specific circumstances of a given critical incident. The Patrol Division Commander will be notified of the deployment of the armored vehicle as soon as practical. Armored rescue vehicles shall be used only by personnel trained in their deployment and in a manner consistent with Patrol Division policy 3.01.72.	
Fiscal Impact: Annual maintenance cost of approximately \$2,500 each.	
Training: Operators are required to participate in initial and yearly Sheriff’s Office approved training to demonstrate familiarity with the operation and controls of the armored vehicle.	
Legal and Procedural Rules: Use is established under General Policy 1.06.24 and Patrol Division policy 3.01.72, as well as applicable law.	
Additional Information: The Lenco Bearcat G2 was purchased in 2007 with Homeland Security grant funding.

Equipment Name / Category: Specialized firearms and ammunition – Government Code § 7070(c)(10)

Quantity Owned: See description below

Lifespan: Approximately 5 to 15 years depending on usage

Manufacturers Product Description(s):

The Office of the Sheriff has the following rifles in its inventory which are capable of firing .223/5.56mm caliber rifle rounds. These rifles are used by SWAT personnel.

HK G36C, approx. cost \$1,900, quantity: 4. With its short 8.98-inch (228 mm) barrel and buttstock folded, the G36C (compact carbine) has an overall length of less than 20 inches—shorter than an MP5 submachine gun. It is the perfect 5.56 mm weapon for use in confined areas such as a vehicle. The G36C can even be fired with its buttstock folded. With the installation of an HK G36 magazine conversion magazine well, the G36C can use widely available AR/M16/M4 type magazines. <https://hk-usa.com/hk-models/g36c/>

The Office of the Sheriff has the following rifles in its inventory which are capable of firing .308 caliber rifle rounds:

GA Precision .308 rifles, cost \$4,986, quantity: 8.

Remington 700 .308 rifles, Cost is unknown as the last one was purchased in 2006, quantity: 8. The Model 700 SPS Tactical is a highly maneuverable member of the family. It's built for tack-driving accuracy with a 20" heavy-contour tactical-style barrel and dual-point pillar bedding in its black synthetic stock. Hogue® over moldings on the stock facilitate sure handling, and it has a semi-beavertail fore-end for added stability off a rest. <https://www.remarms.com/rifles/bolt-action/model-700/model-700-sps-tactical>

The Office of the Sheriff has the following firearms in its inventory that are capable of firing 9mm rounds:

HK MP5, approx. Cost \$2,000, quantity: 2. Developed by Heckler & Koch in the mid-1960s, the 9 mm MP5 submachine gun uses the same delayed blowback operating system found on the famous HK G3 automatic rifle. Reliability, accuracy, ease of handling, simple maintenance, and safety - all the elements of HK excellence are highlighted on the MP5. Firing from the closed-bolt position in all modes of fire make MP5 submachine guns extremely accurate and controllable. <https://hk-usa.com/hk-models/mp5-2/>

HORNADY .308 WIN TAP ELD, approx. cost: \$1.25 per round, quantity: 10,000. Hornady 308 WIN TAP 168 gr. ELD MATCH TAP PRECISION ammunition was designed as an improvement on the 168 gr. A-MAX TAP PRECISION load by incorporating the new ELD Match bullet. The 168 gr. ELD Match bullet with Heat Shield tip delivers the excellent terminal performance TAP Precision is known for, but features a resilient, heat resistant polymer tip that improves the ballistic coefficient, resulting in higher impact velocities, less drop, less wind drift, and more energy on target. <https://www.hornadyle.com/rifle-ammunition/168-gr-eld-match-tap-precision#!/>

Purpose: The rifle can be more effective than a sidearm when dealing with certain critical and life-threatening situations including overcoming heavily armed resistance, achieving containment, and saving lives. Such situations include but are not limited to: (1) Violent and armed suspects

wearing body armor, (2) Subjects armed with high-capacity automatic or semi-automatic weapons, (3) Multiple armed suspects, (4) Distance is beyond the capabilities of handgun, and (5) Hostage situation where precision is necessary and is beyond the capabilities of a handgun.

Authorized Use: All full-time sworn peace officers are trained in its proper use for law enforcement purposes.

Fiscal Impact: Approximately \$6,000 per year for ammunition and \$1,000 per year for maintenance on the GA Precision rifles.

Training: All personnel issued a rifle capable of firing a .308 caliber round are members of the SWAT team, have attended an 80-hour POST-certified Special Weapons and Tactics Course and a 40-hour Rifle Marksmanship and Sniper/Observer Course. These personnel attend SWAT team training and an additional 8-hour training day each month specifically for the deployment of the .308 rifle.

Legal and Procedural Rules: Use is established under General Policy 1.06.61, 1.07.32, and as well as applicable law.

Additional Information: The HK G36C rifles and HK MP5 firearms are only used for training and demonstration purposes and have not been assigned to a SWAT team member as their primary rifle for several years.

Five of the Remington 700 rifles are no longer in service.

Three of the Remington 700 rifles recently had their barrels and their triggers replaced. The three recently refurbished rifles can be used if a GA Precision rifle is being serviced and is unable to be used during a SWAT operation.

This is a smaller, lighter device with the same output. <https://www.defense-technology.com/product/low-roll-12-gram-non-reloadable-distraction-device/>

Purpose: The diversionary device is designed to temporarily incapacitate an individual through sound and light.

Authorized Use: The device is utilized in situations where it is necessary to gain a tactical advantage or provide a distraction, to overcome a situation where the threat of violence or danger exceeds the capabilities of standard Office of the Sheriff equipment. Examples are a hostage or barricaded subject incident and a high-risk warrant where there may be extreme hazards to personnel.

Fiscal Impact: They will be purchased as needed to replenish existing supply as they are used during deployments and training. It is anticipated that 20 diversionary devices will be purchased for a cost of \$1,000.

Training: All members of the SWAT team who have completed an 80-hour POST-certified Special Weapons and Tactics Course and personnel who have attended a course for diversionary devices are authorized for use. All SWAT team members receive refresher training from personnel who have attended an instructor course for diversionary devices.

Legal and Procedural Rules: It is the policy of the Sheriff's Office to utilize noise flash diversionary devices (NFDD) only for official law enforcement or training purposes and pursuant to applicable law.

Additional Information: None.

Equipment Name / Category: Tear gas and pepper balls – Government Code § 7070(c)(12)

Quantity Owned: See description below

Lifespan: 5 years

Manufacturers Product Description(s):

DEFENSE TECHNOLOGY Spede-Heat CS Grenade, cost approx. \$20 each, quantity: 33.

The Spede-Heat™ CS Grenade is a high volume, continuous burn it expels its payload in approximately 20-40 seconds. The payload is discharged through four gas ports on top of the canister, three on the side and one on the bottom. This launchable grenade is 6.12 in. by 2.62 in. and holds approximately 2.9 oz. of active agent. <https://www.defense-technology.com/product/spede-heat-continuous-discharge-chemical-grenade-cs/>

DEFENSE TECHNOLOGY Riot Control CS Grenade, cost approx. \$25, quantity: 169. The Riot Control CS Grenade is designed specifically for outdoor use in crowd control situations with a high-volume continuous burn that expels its payload in approximately 20-40 seconds through four gas ports located on the top of the canister. This grenade can be used to conceal tactical movement or to route a crowd. The volume of smoke and agent is vast and obtrusive. This launchable grenade is 6.0 in. by 2.35 in. and holds approximately 2.7 oz. of active agent. <https://www.defense-technology.com/product/riot-control-continuous-discharge-grenade-cs/>

DEFENSE TECHNOLOGY Riot Control OC Grenade, cost approx. \$25, quantity: 5. The Riot Control OC Grenade is designed specifically for outdoor use in crowd control situations with a high-volume continuous burn that expels its payload in approximately 20-40 seconds through four gas ports located on the top of the canister. This grenade can be used to conceal tactical movement or to route a crowd. The volume of smoke and agent is vast and obtrusive. This launchable grenade is 6.0 in. by 2.35 in. and holds approximately 0.88 oz. of active agent. <https://www.defense-technology.com/product/riot-control-continuous-discharge-grenade-oc/>

DEFENSE TECHNOLOGY Pocket Tactical CS Grenade, cost approx. \$20, quantity: 1. The Pocket Tactical CS Grenade is small, and lightweight. The 0.9 oz. of active agent will burn approximately 20-40 seconds. At 4.75 in. by 1.4 inches in size, it easily fits in most tactical pouches. This is a launchable grenade; however, it is normally used as a signaling or covering device. Though this device is slightly over four inches in length, it produces a smoke cloud so fast it appears to be an enveloping screen produced by a full-size tactical grenade. <https://www.defense-technology.com/product/pocket-tactical-grenade-cs/>

DEFENSE TECHNOLOGY Instantaneous Blast CS Grenade, cost approx. \$35, quantity: 21. The Instantaneous Blast CS Grenade is designed for indoor or outdoor use; this grenade's powder is expelled upon initiation of a small internal detonator that has sufficient force to split the canister at six machined grooves on the outside surface. this device is well suited for affecting numerous subjects grouped within a contained portion of a prison yard or area, using wind to the advantage. This 6.12 in. by 2.62 in. grenade will deliver approximately 1.5 oz. of active agent. <https://www.defense-technology.com/product/instantaneous-blast-cs-grenade/>

DEFENSE TECHNOLOGY Instantaneous Blast OC Grenade, cost approx. \$20, quantity: 100. The Instantaneous Blast OC Grenade is designed for indoor or outdoor use; this grenade's powder is expelled upon initiation of a small internal detonator that has sufficient force to split the canister at six machined grooves on the outside surface. This device is well suited for affecting numerous subjects grouped within a contained portion of a prison yard or area, using wind to the advantage. This 6.12 in. by 2.62 in. grenade will deliver approximately 1.5 oz. of active agent. <https://www.defense-technology.com/product/instantaneous-blast-oc-grenade/>

DEFENSE TECHNOLOGY Flameless Tri-Chamber Grenade, cost approx. \$35, quantity: 15. The design of the Tri-Chamber Flameless CS Grenade allows the contents to burn within an internal can and disperse the agent safely with reduced risk of fire. The grenade is designed

primarily for indoor tactical situations to detect and/or dislodge a barricaded subject. This grenade will deliver approximately .70 oz. of agent during its 20-25 seconds burn time. The Tri-Chamber Flameless Grenade can be used in crowd control as well as tactical deployment situations by Law Enforcement and Corrections but was designed with the barricade situation in mind. Its applications in tactical situations are primarily to detect and/or dislodge barricaded subjects. The purpose of the Tri-Chamber Flameless Grenade is to minimize the risks to all parties through pain compliance, temporary discomfort, and/or incapacitation of potentially violent or dangerous subjects. The Tri-Chamber Flameless Grenade provides the option of delivering a pyrotechnic chemical device indoors, maximizing the chemicals' effectiveness via heat and vaporization, while minimizing or negating the chance of fire to the structure. <https://www.defense-technology.com/product/flameless-tri-chamber-cs-grenade/>

DEFENSE TECHNOLOGY Triple-Chaser CS grenade, cost approx. \$33, quantity: 50. The Triple-Chaser® CS consists of three separate canisters pressed together with separating charges between each. When deployed, the canisters separate and land approximately 20 feet apart allowing increased area coverage in a short period of time. This grenade can be hand thrown or launched from a fired delivery system. The grenade is 6.5 in. by 2.7 in. and holds an approximately 3.2 oz. of active agent payload. It has an approximate burn time of 20-30 seconds. <https://www.defense-technology.com/product/triple-chaser-separating-canister-cs/>

DEFENSE TECHNOLOGY Triple-Chaser Smoke grenade, cost approx. \$43, quantity: 33. The Triple-Chaser® Saf-Smoke™ consists of three separate canisters pressed together with separating charges between each. When deployed, the canisters separate and land approximately 20 feet apart allowing increased area coverage in a short period of time. This grenade can be hand thrown or launched from a fired delivery system and is an effective way to quickly deploy a wide blanket of agent. The grenade is 6.5 in. by 2.7 in. and delivers Saf-Smoke™. It has an approximate burn time of 20 seconds. <https://www.defense-technology.com/product/triple-chaser-separating-canister-saf-smoke/>

DEFENSE TECHNOLOGY Stinger CS rubber ball grenade, cost approx. \$43, quantity: 79. The Stinger® CS Rubber Ball Grenade is a maximum effect device that delivers four stimuli for psychological and physiological effects: rubber pellets, light, sound, and CS. The Stinger® Grenade is most widely used as a crowd management tool by Law Enforcement and Corrections. The Stinger® Grenade has an initial 1.5 second delay that initiates fuze assembly separation, followed by another .5 second delay before the blast which is sufficient to project the rubber balls and chemical agent in a 50-foot radius. <https://www.defense-technology.com/product/stinger-cs-rubber-ball-grenade/>

DEFENSE TECHNOLOGY Stinger OC rubber ball grenade, cost approx. \$40.50, quantity: 16. The Stinger® OC Grenade is a maximum effect device that delivers four stimuli for psychological and physiological effects: rubber pellets, light, sound, and OC. The Stinger Grenade is most widely used as a crowd management tool by Law Enforcement and Corrections. The Stinger Grenade has an initial 1.5 second delay that initiates fuze assembly separation, followed by another .5 second delay before the blast which is sufficient to project the rubber balls and chemical agent in a 50-foot radius. <https://www.defense-technology.com/product/stinger-rubber-ball-grenade-oc/>

DEFENSE TECHNOLOGY Inert rubber ball grenade, cost approx. \$36, quantity: 91. The Inert Rubber Blast Ball Grenade can be used effectively in both training and crowd management situations. It simulates the dispersion of Riot Control Agents from a CS, CN, or OC Blast Ball in a training environment, but without the actual chemical exposure. Deployed in crowd management /custodial situations to deliver light/sound stimuli from a rubber ball style grenade without chemical agent exposure <https://www.defense-technology.com/product/rubber-ball-blast-grenade-inert/>

DEFENSE TECHNOLOGY Military-style SAF-Smoke grenade (White), cost approx. \$26, quantity: 37. The Saf-Smoke™ Grenade was designed for training, but may also be used in

operations. The Saf-Smoke Grenade offers the same approximate burn times as the Spede-Heat™ Grenade in CN or CS and the Riot Control Grenade in CN or CS. The similar burn times may make it the appropriate choice for training or simulation deployment of chemical agent canisters. The Saf-Smoke formulation is considered to be less toxic than Hexachloroethane (HC) smoke. The Saf-Smoke Grenade emits a very white smoke. <https://www.defense-technology.com/product/military-style-saf-smoke-grenade/>

DEFENSE TECHNOLOGY Military-style Green smoke grenade, cost approx. \$37, quantity: 15. The Maximum Smoke Grenade is designed specifically for outdoor use in crowd control situations with a high volume continuous burn that expels its payload in approximately 30-40 seconds through four gas ports located on the top of the canister. This grenade can be used to conceal tactical movement or to route a crowd. The volume of smoke and agent is vast and obtrusive. This launchable colored smoke grenade is 6.0 in. by 2.35 in. and holds approximately 2.9 oz. of active agent. <https://www.defense-technology.com/product/military-style-green-smoke-grenade/>

DEFENSE TECHNOLOGY Maximum HC Smoke, cost approx. \$39, quantity: 22. The Maximum Smoke Grenade is designed specifically for outdoor use in crowd control situations with a high volume continuous burn that expels its payload in approximately 1.5 – 2 minutes through four gas ports located on the top of the canister. This grenade can be used to conceal tactical movement or to route a crowd. The volume of smoke and agent is vast and obtrusive. This launchable grenade is 6.0 in. by 2.6 in. and holds approximately 2.9 oz. of active agent. <https://www.defense-technology.com/product/maximum-smoke-hc-large-style-canister/>

DEFENSE TECHNOLOGY CS Powder 40mm Ferret, cost approx. \$20, quantity: 51. The ferret 40mm round is non-burning and suitable for indoor use. Used primarily by tactical teams, it is designed to penetrate barriers, such as windows, hollow core doors, wallboard, and thin plywood. Upon impacting the barrier, the nose cone ruptures and instantaneously delivers a small chemical payload inside the structure or vehicle. Defense Technology no longer makes this type of ferret.

DEFENSE TECHNOLOGY CS Barricade Penetrating 40mm Ferret, cost approx. \$20, quantity: 20. The Ferret® 40 mm Barricade Penetrating Round is filled with a CS powder chemical agent. It is a frangible projectile that is spin stabilized utilizing barrel rifling. It is non-burning and designed to penetrate barriers. Primarily used to dislodge barricaded subjects, it can also be used for area denial. Primarily used by tactical teams, it is designed to penetrate barriers, such as windows, hollow core doors, wallboard, and thin plywood. Upon impact the nose ruptures and instantaneously delivers the agent payload inside a structure or vehicle. <https://www.defense-technology.com/product/ferret-40-mm-powder-barricade-round-cs/>

DEFENSE TECHNOLOGY Liquid CS 40mm Ferret, cost approx. \$20, quantity: 33. The Ferret® 40mm Round is non-burning and suitable for indoor use. Used primarily by tactical teams, it is designed to penetrate barriers, such as windows, hollow core doors, wallboard, and thin plywood. Upon impacting the barrier, the nose cone ruptures and instantaneously delivers a small chemical payload inside of a structure or vehicle. In a tactical deployment situation, the 40mm Ferret is primarily used to dislodge barricaded subjects from confined areas. Its purpose is to minimize the risks to all parties through pain compliance, temporary discomfort and/or incapacitation of potentially violent or dangerous subjects. <https://www.defense-technology.com/product/ferret-40-mm-liquid-barricade-penetrator-round-cs/>

DEFENSE TECHNOLOGY Direct impact 40mm OC crushable foam round, cost \$20 each, quantity: 81. The 40mm Direct Impact® munition is a point-of-aim, point-of-impact direct-fire round. An excellent solution whether you need to incapacitate a single subject or control a crowd. When loaded with OC powder, the Direct Impact combines blunt trauma with the effects of an irritant powder, maximizing the potential for incapacitation. <https://www.defense-technology.com/product/direct-impact-40-mm-oc-crushable-foam-round/>

COMBINED TACTICAL SYSTEMS 5210 White Smoke Grenade, cost \$40.90, quantity 6.

<p>Pyrotechnic smoke grenade used for concealment or as a signaling device. https://www.combinedsystems.com/product/5210-white-smoke-canister-grenade/ COMBINED TACTICAL SYSTEMS 5230 Jet Lite CS Grenade, cost \$40.90, quantity 9. A large diameter burning grenade designed to discharge a high volume of smoke and chemical agent rapidly through multiple emission ports. The smoke composition is formulated to burn rapidly decreasing the possibility that the grenade can be picked up and thrown back at crowd management officers. The Jet-Lite should not be deployed on rooftops, in crawl spaces or indoors due to fire producing capability. Can be hand thrown or launched. https://www.combinedsystems.com/product/5230jl-cs-baffled-canister-grenade-pyro-low-flame-potential-copy/</p>
<p>COMBINED TACTICAL SYSTEMS 5430 Flameless CS Grenade, cost \$40.90, quantity 6. Large diameter flameless grenade posing no risk of fire and discharging a large powder payload instantaneously through multiple emission ports. Provides best results when used indoors. https://www.combinedsystems.com/product/5430-cs-flameless-expulsion-canister-grenade/</p>
<p>Purpose: The chemical irritant causes discomfort and encourages subjects to retreat from its vicinity so officers can safely resolve a critical incident, such as a situation involving a barricaded subject.</p>
<p>Authorized Use: Only personnel who have received training by an instructor who has attended a POST chemical agent or less lethal instructor course may use.</p>
<p>Fiscal Impact: Munitions will be purchased as needed to replenish existing supply as they are used during deployments and training. It is anticipated that the Sheriff's Office will spend approximately \$6,000 this year on munitions.</p>
<p>Training: All operators will receive training by an instructor who has attended a POST certified chemical agent instructor or less lethal course.</p>
<p>Legal and Procedural Rules: Use is established under General Policy 1.06.24, 1.06.60, 1.06.61, and 1.07.32, as well as applicable law.</p>
<p>Additional Information: The Mutual Aid Mobile Field Force (MAMFF) has additional munitions in its inventory that have expired and are only for training purposes.</p>

<p>Equipment Name / Category: Long Range Acoustic Device (LRAD) – Government Code § 7070(c)(13)</p>	
<p>Quantity Owned: 2</p>	<p>Lifespan: 25 years</p>
<p>Manufacturers Product Description(s): LRAD 100x, cost approx. \$15,000, quantity: 2. The LRAD 100X is a self-contained, portable communication system for on-scene and tactical communication. With unparalleled vocal clarity and up to 30db louder than bullhorns, megaphones, and vehicle P.A. systems, the LRAD 100X is also four to six times louder than other acoustic hailers of comparable size and weight. LRAD's optimized driver and waveguide technology ensures every message is clearly broadcast, heard and understood, even above engine, crowd, siren, and background noise. The LRAD warning tone commands attention to the voice messages that follow and provides a safer alternative to non-lethal and kinetic measures for changing behavior. https://genasys.com/wp-content/uploads/Datasheet_LRAD_100X_2021_QR.pdf</p>	
<p>Purpose: To safely communicate critical announcements and de-escalate critical incidents by ensuring communications are clear and effectively delivered. They are typically used by the Office of the Sheriff during high-risk search/arrest warrant service and barricaded subject incidents but can be used in other situations as needed when it is necessary to ensure information and messages are clearly communicated. The LRAD may also be used to issue a warning tone.</p>	
<p>Authorized Use: The LRAD shall only be used by personnel trained in its deployment and used in a manner consistent with that training.</p>	
<p>Fiscal Impact: Annual maintenance cost of approximately \$400.</p>	

Training: All operators will receive Sheriff's Office approved training prior to operating any of the LRADs in the field.

Legal and Procedural Rules: It is the policy of the Sheriff's Office to utilize the LRAD only for official law enforcement or training purposes and pursuant to applicable law.

Equipment Name / Category: 40mm projectile launchers and munitions – Government Code § 7070(c)(14)

Quantity Owned: See product description

Lifespan: 15 years

Manufacturers Product Description(s):

PENN ARMS GL6-40, approx. cost \$1500, quantity: 3. A 40MM spring-advance magazine drum launcher with a six-shot capacity and a rifled barrel and six-inch cylinder.

<https://www.combinedsystems.com/product/1640-1-40mm-spring-wound/>

DEFENSE TECHNOLOGY 4 SHOT 40mm launcher, approx. cost \$1500, quantity: 2. Designed for riot and tactical situation, the Defense Technology 1440 40mm Tactical 4-Shot Launcher is low-profile and lightweight, providing multi-shot capability in an easy to carry launcher.

<https://www.defense-technology.com/product/40mm-tactical-4-shot-launcher/>

DEFENSE TECHNOLOGY 40mm single shot launcher, approx. cost \$900, quantity: 52.

Manufactured exclusively for Defense Technology®, the 40LMTS is a tactical single shot launcher that features an expandable ROGERS Super Stoc and an adjustable Integrated Front Grip (IFG) with light rail. The ambidextrous Lateral Sling Mount (LSM) and QD mounting systems allow both a single and two point sling attachment. The 40LMTS will fire standard 40mm less lethal ammunition, up to 4.8 inches in cartridge length. The Picatinny Rail Mounting System will accept a wide array of enhanced optics/sighting systems.

DEFENSE TECHNOLOGY Direct impact 40mm marking crushable foam round, cost \$18 each, quantity: 150. A 40mm sponge round that is a point-of-aim, point-of-impact direct-fire

round. The direct impact round has a green marking agent that can be used to indicate the aggressor in a crowd or riot situation to the team on the ground. <https://www.defense-technology.com/product/direct-impact-40-mm-marking-crushable-foam-round/>

DEFENSE TECHNOLOGY Stinger 40mm 60-caliber rubber balls, cost \$19 each, quantity: 305. The Stinger® 40 mm 60-Caliber Round is most widely used as a crowd management tool by Law Enforcement and Corrections. The round contains approximately eighteen 60-Caliber rubber balls. It utilizes smokeless powder as the propellant and has more consistent velocities and tighter patterns compared to its 37 mm counterpart. It is suitable for administering a means of pain compliance over a greater distance than its 32-Caliber Stinger® counterpart. Used for routing crowds or groups that are mildly resistive. <https://www.defense-technology.com/product/stinger-40-mm-60-caliber-rubber-balls-round/>

DEFENSE TECHNOLOGY 40mm warning/signaling munition, cost \$39 each, quantity: 275. The 40mm Aerial Warning/Signaling Munition, 50 meters, is intended for use in situations where stand-off distance is desired, giving the operator the ability to engage crowds, vehicles, or vessels. Launched from a 40mm platform, the munitions deflagrate at a set distance of 50 meters to deliver 170 dB of sound and 5 million candelas of light, noticeable in day or night conditions. A tactile feature on the nose of the cone indicates the designated distance. <https://www.defense-technology.com/product/40-mm-warning-signaling-munition-50-meter/>

DEFENSE TECHNOLOGY Drag Stabilized 12-gauge bean bag round, cost \$5.50 each, quantity: 22. The Drag Stabilized 12-gauge round is a translucent 12-gauge shell loaded with a 40-gram tear shaped bag made from a cotton and ballistic material blend and filled with #9 shot. This design utilizes four stabilizing tails and utilizes smokeless powder as the propellant. The 12-Gauge Drag Stabilized Round has secured its place as the Law Enforcement Communities' number one choice for specialty impact munitions. This round has a velocity of 270 fps with a maximum effective range of 75 feet. <https://www.defense-technology.com/product/drag-stabilized-12-gauge-bean-bag-round/>

PEPPERBALL PAVA ammunition, approx. cost: \$2.25 per round, quantity: 958. .68 caliber A powerful concentration of 5% PAVA pepper powder. One round of LIVE-X™ contains the equivalent PAVA irritant chemical agent in more than 2 classic PepperBall LIVE™ rounds. Excellent for direct impact, area saturation and crowd control.

<https://pepperball.com/projectiles/live-x/>

FN 303 marking projectile, approx. cost \$5 per round, quantity: 296. This projectile is intended for marking suspects and objects with an indelible colorant for later identification, arrest or questioning. <https://fnamerica.com/products/less-lethal/projectiles/?referrer=law-enforcement>

FN 303 PAVA/OC POWDER projectile, approx. cost \$5 per round, quantity: 300. This projectile is intended as an irritant for individual suspects, point-specific targets or small-area denial. The active ingredient is 0.5% PAVA/OC in a powder form for ease of storage, deployment, and clean-up. <https://fnamerica.com/products/less-lethal/projectiles/?referrer=law-enforcement>

Purpose: The 40mm and less lethal launchers are a necessary de-escalation tool which can reasonably result in use of a lesser level of force being used against a subject. Less lethal munitions may also be deployed when other levels of force are not proportional or are inappropriate because of the surroundings or situation. The goal of less lethal deployment is to exert control over a subject(s) with increased safety and with a lower potential for injury.

Authorized Use: Personnel trained in its proper use for law enforcement purposes.

Fiscal Impact: Each type of munition will be purchased as needed to replenish existing supply as they are used during deployments and training. It is anticipated that the Sheriff's Office will be spend approximately \$2,000 on munitions this year.

Training: All operators will receive training by an instructor who has attended a POST certified less lethal course.

Legal and Procedural Rules: Use is established under General Policy 1.06.24, 1.06.60, 1.06.61, and 1.07.32, as well as applicable law.

Additional Information: The Defense Technology 40mm chemical agent rounds are listed in the inventory for Government Code § 7070(c)(12) equipment.

The Mutual Aid Mobile Field Force (MAMFF) has additional Stinger rounds, 40mm bean bag rounds, and 12-gauge bean bag rounds which are all expired and are being disposed of. They also have 6 Pepper Ball launchers which are no longer used.

**Contra
Costa
County**

To: Board of Supervisors
From: Monica Nino, County Administrator
Date: July 26, 2022

Subject: Contra Costa County Fire Management Resolution No. 2022/264 which Supersedes Resolution No. 2021/4

RECOMMENDATION(S):

ADOPT Resolution No. 2022/264, which supersedes Resolution No. 2021/4, regarding compensation and benefits for unrepresented fire safety management classifications in the Contra Costa County Fire Protection District.

FISCAL IMPACT:

The fiscal impact for adding section 9.12 to provide overtime to fill an absent 56-hour Assistant Fire Chief position is approximately \$88,000 annually. Depending on the circumstance that caused the absence, such as an Assistant Fire Chief being deployed on a state mutual aid response, the District will be reimbursed by the state for the overtime backfill costs.

The fiscal impact for adding section 10.12 to add a longevity differential of 2.5% for 20 years of service in the District, to be consistent with other agreements whose classifications promote into unrepresented fire safety management classifications, totals approximately \$57,000 annually. Effective August 1, there will be six members in unrepresented fire safety management classifications who qualify for this differential.

BACKGROUND:

The Resolution is being modified in the following ways:

By: , Deputy

BACKGROUND: (CONT'D)

1. Sections 1.11, 1.12, 1.16, 1.17, and 1.18 were amended to add a 56-hour work schedule and incorporate the vacation, sick leave, personal holiday, and management administrative leave accrual rates for employees on a 56-hour schedule
2. Section 1.22. Elective Leave Limit for Assistant Fire Chiefs was added to ensure sufficient operational coverage as determined by the Fire Chief
3. Section 9.12 was amended to add an additional special circumstance for overtime reason to fill in for an absent Assistant Fire Chief 56-Hour paid at the 40-Hour straight time rate. The remainder of Section 9.12 was re-lettered accordingly.
4. Section 10.12. Twenty years of Service was added to provide for a longevity differential of 2.5% for 20 years of service in the District.

CONSEQUENCE OF NEGATIVE ACTION:

Unrepresented Fire management employees will not be subject to elective leave limits, will not be eligible for overtime to fill in for the Assistant Fire Chief, and will not be eligible for longevity at 20 years of service.

Resolution No. 2022/264

Compensation and Benefits for Contra Costa County Fire Protection District Unrepresented Fire Safety Management Employees.

The Contra Costa County Board of Supervisors acting solely in its capacity as the governing board of the Contra Costa County Fire Protection District **RESOLVES THAT:** Effective on July 1, 2022, and continuing, and until further Order of the Board, the Board adopts the attached program of compensation and benefits for Contra Costa County Fire Protection District Unrepresented Fire Safety Management employees in the classifications listed below. Except for Section 3 of Resolution No. 2002/615, this Resolution supersedes all previous resolutions providing compensation and benefits for the employees in classifications listed below, including but not limited to Resolution No. 2021/4.

- Assistant Fire Chief-Exempt (RPB1)
- Assistant Fire Chief- Exempt 56 Hour (RPB3)
- Assistant Fire Chief-Group 1 (RPBA)
- Deputy Fire Chief-Exempt (RPB2)
- Fire Marshal (RJGA)
- Fire Chief-Contra Costa (RPA1)
- Supervising Fire Inspector (RJHC)

Unless expressly provided otherwise, this Resolution is subject to the provisions of appropriate Administrative and Personnel Bulletins, the 1937 County Employees Retirement Act, the County Salary Regulations, and the County Personnel Management Regulations.

Unrepresented safety management employees include employees in classified, exempt, and project classifications. This Resolution is organized in two parts to distinguish those general Fire District benefits provided to unrepresented fire safety management employees (Part I) and those benefits provided exclusively to the Fire Chief (Part II). Unless otherwise expressly provided, compensation and benefits under this Resolution are authorized only for permanent and project employees who work full time or part time, no less than twenty (20) hours per week.

The full text of this Resolution is attached.

The attached Contra Costa County Fire Management Resolution be ADOPTED.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

I. BENEFITS FOR UNREPRESENTED SAFETY MANAGEMENT EMPLOYEES IN THE CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

1. Leaves With and Without Pay

1.10 Holidays: The District will observe the following holidays during the term covered by this Resolution:

New Year's Day	Labor Day
Martin Luther King Jr. Day	Veteran's Day
Washington's Birthday	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Independence Day	Christmas Day

Such other days as the Board of Supervisors may designate by Resolution as holidays.

Any holiday observed by the District that falls on a Saturday is observed on the preceding Friday and any holiday that falls on a Sunday is observed on the following Monday.

1.11 Definitions:

Regular Work Schedule: The regular work schedule is eight (8) hours per day, Monday through Friday, inclusive, for a total of forty (40) hours per week.

Flexible Work Schedule: A flexible work schedule is any schedule that is not a regular, alternate, 9/80, or 4/10 work schedule and where the employee is not scheduled to work more than 40 hours in a "workweek" as defined below.

Fifty-Six (56) Hour Work Schedules: For employees working in 56-hour assignments, the regular schedule consists of a six-day tour of duty that includes two (2) regularly scheduled 24-hour workdays and four (4) days off, commonly referred to as 48/96.

Workweek for Employees on Regular and Flexible Work Schedules: For employees on regular and flexible work schedules, the workweek begins at 12:01a.m. on Monday and ends at twelve midnight on Sunday.

1.12 Holidays Observed:

Employees on a Regular and Flexible Work Schedule: Employees on regular and flexible work schedules are entitled to observe a holiday (day

off work), without a reduction in pay, whenever a holiday is observed by the District.

Employees on a 56-Hour Work Schedule: In observance of holidays, employees on a fifty-six (56) hour work schedule accrue four (4) hours of personal holiday credit, up to a maximum of eighty (80) hours, as defined in section 1.16, below.

- 1.13 Holidays – Flexible Work Schedules: When a holiday falls on the regularly scheduled day off of any employee who is on a flexible work schedule, the employee is entitled to take the day off, without a reduction in pay, in recognition of the holiday. These employees are entitled to request another day off within the same work week in recognition of their regularly scheduled day off. The requested day off must be within the same work week as the holiday and it must be pre-approved by the employee's supervisor. If the day off is not approved by the supervisor, it is lost. If the approved day off is a nine (9) hour workday, the employee must use one (1) hour of non-sick-leave accruals. If the approved day off is a ten (10) hour workday, the employee must use two (2) hours of non-sick-leave accruals. If the employee does not have any non-sick-leave accrual balances, leave without pay (AWOP) will be authorized.
- 1.14 Holidays – Part-Time Employees: Permanent, part-time employees are entitled to observe a holiday (day off work) in the same ratio as the number of hours in the part-time employee's schedule bears to forty (40) hours.
- 1.15 No Overtime Pay, Holiday Pay, or Comp Time: Employees are not entitled to receive overtime pay, holiday pay, overtime compensatory time, or holiday compensatory time. Employees who are unable or not permitted to observe a holiday (take the day off), are authorized to receive overtime pay ONLY IF the employee is on the Overtime Exempt Exclusion List (see Section 9.10). This section does not apply to Special Circumstance Overtime Compensation provided in Section 9.12.
- 1.16 Personal Holiday Credit:

Employees on a Regular and Flexible Work Schedule: Employees on a regular and flexible work schedule are entitled to accrue two (2) hours of personal holiday credit each month. This time is prorated for part-time employees. No employee may accrue more than forty (40) hours of personal holiday credit. On separation from District service, employees are paid for any unused personal holiday credits at the employee's then current rate of pay, up to a maximum of forty (40) hours.

Employees on a 56-Hour Work Schedule: Employees on a fifty-six (56) hour work schedule are entitled to accrue four (4) hours of personal holiday credit per month, up to a maximum accrual of eighty (80) hours. No employee may accrue more than eighty (80) hours of personal holiday credit. On separation from District service, employees are paid any unused personal holiday credits at the employee's then current rate of pay, up to a maximum of eighty (80) hours. When moving between 40-hour and 56-hour work schedules, accrual rates and balances will be converted.

1.17 Vacation: Employees are entitled to accrue paid vacation credit not to exceed the maximum cumulative hours as follows:

Employees on 40-Hour Work Schedules:

<u>Length of Service</u>	<u>Monthly Accrual Hours</u>	<u>Maximum Cumulative Hours</u>
Under 11 years	10	240
11 years	10-2/3	256
12 years	11-1/3	272
13 years	12	288
14 years	12-2/3	304
15 through 19 years	13-1/3	320
20 through 24 years	16-2/3	400
25 through 29 years	20	480
30 years and up	23-1/3	560

Employees on 56-Hour Work Schedules:

<u>Length of Service Completed</u>	<u>Monthly Accrual Hours</u>	<u>Maximum Cumulative Hours</u>
Under 11 years	14	336
11 years	16	384
13 years	17	408
14 years	18	432
15 through 19 years	19	456
20 through 24 years	24	576
25 through 29 years	28	672
30 years and up	33	792

Each employee is eligible to accrue increased vacation hours on the first

day of the month following the employee's Service Award Date.

An employee's Service Award Date is the first day of his/her temporary, provisional, or permanent appointment to a position in the County. If an employee is first appointed to a temporary or provisional position and then later appointed to a permanent position, the Service Award Date for that employee is the date of the first day of the temporary or provisional appointment.

When moving between 40-hour and 56-hour schedules/assignments, accrual rates and balances will be converted.

- 1.18 Sick Leave: Employees are entitled to accrue paid sick leave credit in accordance with the provisions of the County Salary Regulations and District Personnel Bulletin No. 21 (Sick Leave Policy) adopted on August 10, 1995, as periodically amended. Sick leave for employees on forty (40) hour work schedules shall be accrued at the rate of eight (8) hours for each completed month of service and sick leave for employees on fifty- six (56) hour work schedules shall be accrued at the rate of twelve (12) hours for each completed month of service. When moving between 40-hour and 56-hour schedules/assignments, accrual rates and balances will be converted.
- 1.19 Part-Time Employees: Part-time employees are entitled to accrue paid vacation and sick leave credit on a pro-rata basis.
- 1.20 Family Care Leave: The provisions of Section 1006.3 of the Contra Costa County Personnel Management Regulations and Resolution No. 94/416, as amended, relating to Leaves of Absence and Family Care Medical Leave apply to all employees covered by this Resolution.
- 1.21 Leave Without Pay - Use of Accruals: The provisions of Section 1006.6 of the Contra Costa County Personnel Management Regulations, as amended, relating to use of accruals while on leave without pay, apply to all employees covered by this Resolution.
- 1.22 Elective Leave Limit for Assistant Fire Chiefs: Only one Assistant Fire Chief-Exempt 56-Hour will be permitted to take time off on vacation, administrative leave, or personal holiday leave at one time provided, however, the Fire Chief, at their sole discretion, may approve more than one Assistant Fire Chief-Exempt 56-Hour off at one time.

2. Health, Dental and Related Benefits

2.A. Health Plans

- 2.10 Health Plan Coverages: Group health benefits through the California Public Employees' Retirement System (CalPERS) are provided for all permanent full-time employees.

The CalPERS health care program, as regulated by the Public Employees' Medical and Hospital Care Act (PEMHCA), regulations issued pursuant to PEMHCA and the administration of PEMHCA by CalPERS, controls on all health plan issues, including but not limited to eligibility, benefit levels, benefit plans, minimum premium subsidies, and costs.

- 2.11 Contra Costa Health Plan (CCHP): Because CCHP has met the minimum standards required under PEMHCA and is approved as an alternative CalPERS plan option, employees and COBRA counterparts may elect to enroll in CCHP under the CalPERS plan rules and regulations.

- 2.12 Health Plan Monthly Premium Subsidy: The District's subsidies to the CalPERS monthly health plan premiums are as provided below. The employee must pay any Health Plan premium costs that are greater than the District's subsidies identified below.

a. Health Plan Premium Subsidy:

1. District Premium Subsidy through November 30, 2015. Beginning on January 1, 2010, and through November 30, 2015, the amount of the District premium subsidy that is paid for employees and eligible family members is a set dollar amount and is not a percentage of the premium charged by the plan. The District will pay the CalPERS statutory minimum employer monthly health plan premium subsidy or the following monthly health plan premium subsidy, whichever is greater:

Employee/Retiree/Survivor Only	\$478.69
Employee/Retiree/Survivor & One Dependent	\$957.38
Employee/Retiree/Survivor & Two or more Dependents	\$1228.67

2. District Premium Subsidy through November 30, 2016. For the plan year that begins on January 1, 2016, the District will contribute up to an amount equivalent to eighty percent (80%) of the 2016 CalPERS Kaiser premium at each level (employee only, employee + 1, employee + 2 or more) towards the covered employee's CalPERS or CalPERS Alternative Plan (CCHP) premium.

3. District Premium Subsidy On and After December 1, 2016. For the plan year that begins on January 1, 2017, the District will pay a monthly premium subsidy for each health plan that is equal to the actual dollar monthly premium subsidy that is paid by the District for that plan as of

November 30, 2016. In addition, if there is an increase in the monthly premium charged by a health plan for 2017, the District and the employee will each pay fifty percent (50%) of that increase. For each plan year thereafter, and for each plan, the District and the employee will each pay fifty percent (50%) of the monthly premium increase above the 2016 plan premiums.

b. In the event that the District premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any health or dental plan, for any plan year, the District's subsidy will not exceed one hundred percent (100%) of the applicable plan premium.

- 2.13 Retirement Coverage: Government Code section 22892 applies to all employees covered by this Resolution.
- 2.14 Premium Payments: Employee participation in any health plan is contingent upon the employee authorizing payroll deduction by the District of the employee's share of the premium cost. If an employee's compensation in any month (including during a leave of absence) is not sufficient to pay the employee share of the premium, the employee must pay the difference to the Auditor-Controller. The responsibility for this payment rests solely with the employee.

2.B. Dental and Life Insurance Plans

- 2.15 Dental Program: Every permanent employee may participate in any available County Group Dental Plan. The District may change dental plan providers at any time during the term of this resolution.
- 2.16 Dental Plan Premium Subsidy: The dental plan premium subsidies set forth below are provided only for permanent full-time employees and permanent part-time employees regularly scheduled to work at least twenty (20) hours per week. The employee will pay any dental plan costs that are greater than the District's premium subsidies set forth below.

a. Beginning on January 1, 2010, and for each calendar year thereafter, the amount of the District premium subsidy that is paid for employees and eligible family members is a set dollar amount and is not a percentage of the premium charged by the dental plan. The District will pay the following monthly dental plan premium subsidies:

Delta Dental with CCHP A or B:
Single: \$41.17
Family: \$93.00

Delta Dental with any CalPERS health plan
Single: \$34.02
Family: \$76.77

Delta Dental without a health plan
Single: \$43.35
Family: \$97.81

DeltaCare (PMI) with CCHP A or B
Single: \$25.41
Family: \$54.91

DeltaCare (PMI) with any CalPERS health plan
Single: \$21.31
Family: \$46.05

DeltaCare (PMI) without a health plan
Single: \$27.31
Family: \$59.03

b. If the District contracts with another dental plan, the District will determine the monthly dollar premium subsidy that it will pay to that dental plan for employees and their eligible family members.

c. In the event that the District premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any dental plan, for any plan year, the District's contribution will not exceed one hundred percent (100%) of the applicable plan premium.

2.17 Retirement Coverage:

a. Upon Retirement:

1. Upon retirement and for the term of this resolution, employees and their eligible family members may remain in their District dental plan, but without District-paid life insurance coverage, if immediately before their proposed retirement the employees and dependents are either active subscribers to one of the District contracted dental plans, or if while on authorized leave of absence without pay, they have retained continuous coverage during the leave period. The District will pay the dental plan monthly premium subsidies set forth in Section 2.16, subsection a., for eligible retirees and their eligible family members.

2. For employees hired on or after January 1, 2009 and their eligible family members, no monthly premium subsidy will be paid by the District

for any dental plan after they separate from District employment. Upon completion of fifteen (15) years of service as an employee of the District, an employee who retires under the Contra Costa County Employees' Retirement Association ("CCCERA") may retain continuous coverage of any District dental plan, provided that (i) he or she begins to receive a monthly retirement allowance from CCCERA within 120 days of separation from District employment and (ii) he or she pays the full premium cost under the chosen dental plan without any District premium subsidy. For purposes of retiree dental eligibility, one year of service is defined as one thousand (1,000) hours worked within one District anniversary year.

3. For purposes of this section 2.17 only, "eligible family members" does not include Survivors of employees or retirees.

- 2.18 Life Insurance Benefit Under Health and Dental Plans: For employees who are enrolled in a District sponsored health or dental plan as either the primary insured or a dependent, term life insurance in the amount of ten thousand dollars (\$10,000) will be provided by the District.
- 2.19 Supplemental Life Insurance: In addition to the life insurance benefits provided by this resolution, employees may subscribe voluntarily and at their own expense for supplemental life insurance. Employees may subscribe for an amount not to exceed five hundred thousand dollars (\$500,000), of which one hundred thousand dollars (\$100,000) is a guaranteed issue, provided the election is made within the required enrollment periods.
- 2.20 Premium Payments: Employee participation in any dental or life insurance plan is contingent upon the employee authorizing payroll deduction by the District of the employee's share of the premium cost. The District's subsidy to the dental and life insurance premium is payable monthly. If an employee's compensation in any month (including during a leave of absence) is not sufficient to pay the employee share of the premium, the employee must pay the difference to the Auditor-Controller. The responsibility for this payment rests solely with the employee.
- 2.21 Family Member Eligibility Criteria: The following persons may be enrolled as the eligible Family Members of a dental plan Subscriber:
1. Eligible Dependents:
 - a. Employee's legal spouse
 - b. Employee's qualified domestic partner

- c. Employee's unmarried child who is:
 - (1) under age 19; or
 - (2) Age 19 or above, but under age 24; and who
 - i. Resides with the employee for more than 50% of the year, excluding time living at school; and,
 - ii. Receives at least 50% of support from employee; and
 - iii. Is enrolled and attends school on a full-time basis, as defined by the school.
 - d. Employee's disabled child who is over age 19, unmarried, and incapable of sustaining employment due to a physical or mental disability that existed prior to the child's attainment of age 19.
2. "Employee's child" includes natural child, step-child, adopted child, child of a qualified domestic partner, and a child specified in a Qualified Medical Child Support Order (QMCSO) or similar court order.

2.C. General Provisions

2.22 Extended Coverage:

- a. An employee on approved leave without pay for more than thirty (30) days may continue his/her health/dental/life insurance coverage provided that the employee pays his/her share of the monthly premium during said leave.
- b. An employee who separates from District employment is covered by his/her District health and/or dental plan through the last day of the month in which he/she separates. Employees who separate from District employment may continue Group health and/or dental plan coverage to the extent provided by the COBRA laws and regulations.

2.23 Rate Information: The County-Benefits Service Unit will make dental plan rate information and, to the extent possible, CalPERS health plan rate information available to employees and departments, upon request. In addition, the County Benefits Service Unit will publish and distribute to employees and departments information about rate changes as they occur during the year.

2.24 Dual Coverage:

- a. Each employee and retiree may be covered only by a single District health (or dental) plan, including a CalPERS plan. For example, a District

employee may be covered under a single District health and/or dental plan as either the primary insured or the dependent of another District employee or retiree, but not as both the primary insured and the dependent of another District employee or retiree.

b. All dependents may be covered by the health and/or dental plan of only one spouse or one domestic partner. For example, when both husband and wife are District employees, all of their eligible children may be covered as dependents of either the husband or the wife, but not both.

c. For purposes of Section 2.24, only, "District" includes the County of Contra Costa, the Contra Costa County Fire Protection District, and all other special districts governed by the Board of Supervisors.

- 2.25 Catastrophic Leave Program: All employees are included in the District's Program and may designate a portion of their accrued vacation, administrative leave or personal holiday credit to be deducted from existing balances and credited to a specific eligible employee. To utilize this program, all recipient requests must be submitted to the Fire Chief for review and recommendation to the County Administrator. The County Administrator will make final decision as to approval or denial of the request to use accruals in the Catastrophic Leave Bank.
- 2.26 Health Care Spending Account: After six (6) months of permanent employment, employees may elect to participate in a Health Care Spending Account (HCSA) Program designated to qualify for tax savings under Section 125 of the Internal Revenue Code, but such savings are not guaranteed. The HCSA Program allows employees to set aside a pre-determined amount of money from their pay, before taxes, for health care expenses not reimbursed by any other health benefit plan. HCSA dollars can be expended on any eligible medical expenses allowed by Internal Revenue Code Section 125. Any unused balance is forfeited and cannot be recovered by the employee.
- 2.27 PERS Long-Term Care: The District will deduct and remit monthly premiums to the PERS Long-Term Care Administrator for employees who are eligible and voluntarily elect to purchase long-term care at their personal expense through the PERS Long-Term Care Program.
- 2.28 Dependent Care Assistance Program: The District will continue to offer the option of enrolling in a Dependent Care Assistance Program (DCAP) designed to qualify for tax savings under Section 129 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to set aside up to five thousand dollars (\$5,000) of annual salary (before taxes) per calendar year to pay for eligible dependent care

(child and elder care) expenses. Any unused balance is forfeited and cannot be recovered by the employee.

- 2.29 Premium Conversion Plan: The District will continue to offer a Premium Conversion Plan (PCP) designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to use pre-tax dollars to pay health and dental premiums.
- 2.30 Prevailing Section: To the extent that any provision of this Section (Section 2. Health, Dental and Related Benefits) is inconsistent with any provision of any other District or County enactment or policy, including Administrative Bulletins, County Salary Regulations, and County Personnel Management Regulations, or any other resolution or order of the Board of Supervisors, acting in any of its various capacities including as the Governing Board of the Contra Costa County Fire Protection District, the provisions of this Section (Section 2. Health, Dental and Related Benefits) will prevail.
- 2.31 Voluntary Vision Plan: Beginning no earlier than the 2018 plan year, active permanent full-time and active permanent part-time employees will be offered the opportunity to enroll in a voluntary vision plan. Employees will pay the full premium costs of the plan. The District will contract with a provider for a voluntary vision plan with no co-pays. The vision plan is not available to temporary or permanent intermittent employees.

3. Transportation Expense

- 3.10 Mileage Reimbursement: The District will pay a mileage allowance for the use of personal vehicles on District business at the rate allowed by the Internal Revenue Service (IRS) as a tax deductible expense, adjusted to reflect changes in this rate on the date it becomes effective or the first of the month following announcement of the changed rate by the IRS, whichever is later.
- 3.11 Commuter Benefit Program: The District will offer employees the option of enrolling in an employee-funded qualified transportation (commuter) benefit program designed to qualify for tax savings under section 132 (f) of the Internal Revenue Code, but such savings are not guaranteed. The Commuter Benefit Program will allow employees to set aside pre-tax dollars for qualified transportation expenses to the extent and amount allowed by the Internal Revenue Service.

4. Retirement Benefits

- 4.10 Contribution. Employees are responsible for the payment of one hundred percent (100%) of the employees' basic retirement benefit contribution determined annually by the Board of Retirement of the Contra Costa County Employees' Retirement Association, without the District paying any part of the employees' share. Employees are also responsible for payment of the employees' contribution for the retirement cost-of-living program as determined annually by the Board of Retirement, without the District paying any part of the employees' contribution.
- 4.11 Safety Employees Retirement- Tier A- Employees Who Became Safety Members of CCCERA Before January 1, 2013. The retirement formula of "3 percent at 50" applies to all employees who became Safety members of the Contra Costa County Employees Retirement Association (CCCERA) on or before December 31, 2012. The cost-of-living adjustment (COLA) to the retirement allowances of these employees will not exceed three percent (3%) per year. The final compensation of these employees will be based on a twelve (12) consecutive month salary average. This retirement benefit will be known as Safety Tier A.
- a. Until December 1, 2017, each employee will pay nine percent (9%) of his/her retirement base to pay part of the employer's contribution for the cost of Safety Tier A retirement benefits.
 - b. For the period of December 1, 2017, through and including June 30, 2018, each employee in Tier A will pay six percent (6%) of his/her retirement base to pay part of the employer's contribution for the cost of Safety Tier A retirement benefits.
 - c. For the period of July 1, 2018, through and including June 30, 2019, each employee will pay three percent (3%) of his/her retirement base to pay part of the employer's contribution for the cost of Safety Tier A retirement benefits.
 - d. Effective on July 1, 2019, each employee's payment of three percent (3%) of his/her retirement base to pay part of the employer's contribution for the cost of Safety Tier A retirement benefits will cease.
 - e. "Retirement base" means base salary and other payments, such as salary differential and flat rate pay allowances, used to compute retirement deductions.
- 4.12 Employees with More Than 30 Years of Continuous Service as Safety Members- Tier A. Beginning on January 1, 2008 and pursuant to Government Code section 31664.1, current and future employees in classifications that are governed by this Resolution and designated by the

Contra Costa County Employees' Retirement Association as safety members with credit for more than thirty (30) years of continuous service as safety members, will not make payments from their retirement base to pay part of the employer's contribution towards the cost of Safety Tier A.

4.13 Safety Employees Retirement- Safety PEPRA Tier- Employees Who Become Safety Members of CCCERA on or after January 1, 2013.

a. For employees who become Safety members of the Contra Costa County Employees Retirement Association (CCCERA) on or after January 1, 2013, retirement benefits are governed by the California Public Employees Pension Reform Act of 2013 (PEPRA) (Chapters 296 and 297, Statutes of 2012) and PEPRA Safety Option Plan Two (2.7% @ 57) applies. To the extent that this resolution conflicts with any provision of PEPRA, PEPRA governs.

b. For employees who, under PEPRA, become Safety New members of CCCERA on or after January 1, 2016, the cost of living adjustment to the retirement allowance will not exceed two percent (2%) per year, and the cost of living adjustment will be banked.

c. Sections 4.11 and 4.12, above, apply to employees who, under PEPRA, become reciprocal Safety Members of CCCERA in Tier A, as determined by CCCERA.

5. 414H2 Participation

The District will continue to implement Section 414(h) (2) of the Internal Revenue Code which allows the Auditor-Controller to reduce the gross monthly pay of employees by an amount equal to the employee's total contribution to the County Retirement System before Federal and State income taxes are withheld, and forward that amount to the Retirement System. This program of deferred retirement contribution is universal and non-voluntary.

6. Training

6.10 Career Development Training Reimbursement: All full-time employees are eligible for career development training reimbursement not to exceed seven hundred fifty dollars (\$750) per fiscal year. The reimbursement of training expenses includes books and is governed by any Administrative Bulletins on Travel or Training.

6.11 Management Development Policy: Employees are authorized to attend professional training programs, seminars, and workshops, during normal work hours at the discretion of their Fire Chief, for the purpose of developing knowledge, skills, and abilities, in the areas of supervision, management, and County/District policies and procedures. Up to thirty

(30) hours of such training time is recommended annually.

a. The District is encouraged to provide for professional development training exceeding thirty (30) hours annually for people newly promoted to positions of direct supervision.

b. Priority is given to professional training programs offered through the County Training Institute. Other related and appropriate training/education resources approved by the District are also allowable.

c. To encourage personal and professional growth, the District provides reimbursement for certain expenses incurred by employees for job-related training (required training and career development training/education). Provision for eligibility and reimbursement identified in Administrative Bulletin 112.9.

d. The Fire Chief is responsible for authorization of individual professional development reimbursement requests. Reimbursement is through the regular demand process with demands being accompanied by proof of payment (copy of invoice or canceled check).

7. Bilingual Pay Differential:

A monthly salary differential will be paid to incumbents of positions requiring bilingual proficiency as designated by the Fire Chief and the Contra Costa County Director of Human Resources. The differential will be prorated for employees working less than full time and/or on an unpaid leave of absence during any given month. The differential is one hundred dollars (\$100.00) per month.

The designation of positions for which bilingual proficiency is required is the sole prerogative of the District/County, and such designations may be amended or deleted at any time.

8. Higher Pay for Work in a Higher Classification:

The County Salary Regulations notwithstanding, when an employee is required to work in a higher paid classification, the employee will receive the higher compensation for such work, pursuant to the County Salary Regulations, plus any differentials and incentives the employee would have received in his/her regular position. Unless the Board has by Resolution otherwise specified, the higher pay entitlement will begin on the 41st consecutive hour in the assignment.

9. Other Terms and Conditions of Employment:

- 9.10 Overtime Exempt Exclusion: Employees in unrepresented classifications are overtime exempt and are not eligible for overtime pay, holiday pay, overtime compensatory time, or holiday compensatory time. Instead, these employees are awarded Annual Management Administrative Leave in recognition of the extra burden their job responsibilities may sometimes place on their work schedules. However, unrepresented employees may be made eligible for overtime pay if their names are placed on the Overtime Exempt Exclusion List by the County Administrator's Office. Employees on the Overtime Exempt Exclusion List are authorized to receive overtime pay only. These employees are NOT eligible for holiday pay, overtime compensatory time, or holiday compensatory time. Employees on the Overtime Exempt Exclusion List are also NOT eligible for Annual Management Administrative Leave for the quarter they are on the Overtime Exempt Exclusion List. The policies and procedures for the Overtime Exempt Exclusion List are set forth in the County Administrator's memo of November 6, 2002. This section does not apply to Special Circumstance Overtime Compensation provided in Section 9.12.
- 9.11 Overtime: Employees on the Overtime Exempt Exclusion List will be compensated at one and one-half (1.5) times their base rate of pay (excluding differentials) for authorized work exceeding eight (8) hours in a day or forty (40) hours in a week.
- 9.12 Special Circumstance Overtime Compensation. Straight-time pay for special circumstance overtime will be paid at 1.0 times the employee's base rate of pay (including differentials) for hours worked that exceed normal work hours only when an employee is assigned during any of the following special circumstances:
- a. Any incident lasting more than 12 hours within the Operational Area. In such circumstance, the employee will be paid for all hours worked during the incident exceeding their normal work hours that occur before the twelfth hour of the incident; or
 - b. Mutual aid responses outside of the Operational Area where the California Fire Assistance Agreement or other reimbursement mechanism normally applies. Trainee assignments that are self-initiated and are not reimbursable to the District shall not be compensated under this section; or
 - c. At the Fire Chief's discretion, a Deputy Fire Chief or forty (40) hour Assistant Fire Chief may backfill an absent fifty-six (56) hour Assistant Fire Chief. When this occurs, the backfill shall be compensated at a forty (40) hour straight time rate of pay; or

- d. At the Fire Chief's discretion for anticipated weather events, high fire danger, increased overhead support for planned events, city or county Emergency Operations Center (EOC) staffing, or for District Operations Center (DOC) staffing.

The decision to provide or not provide straight-time compensation for overtime work in these special circumstances is fully vested in the Fire Chief, whose decision shall be final.

- 9.13 Length of Service Credits: Length of service credit will date from the beginning of the last period of continuous County/District employment, including temporary, provisional and permanent status and absences on an approved leave of absence; except that when an employee separates from a permanent position in good standing and is subsequently re-employed in a permanent County/District position within two (2) years from date of separation, the period of separation will be bridged. Under these circumstances, the service credits will include all credits accumulated at time of separation but will not include the period of separation. The service credits of an employee are determined from employee status records maintained by the Human Resources Department.
- 9.14 Mirror Classifications: As determined by the Director of Human Resources, employees in unrepresented job classifications that mirror management, represented or unrepresented job classifications may receive the salary and fringe benefits that are received by employees in the comparable mirror classifications.
- 9.15 Deep Classes: No provision of this Resolution regarding terms and conditions of employment supersedes any provision in any Deep Class Resolution.
- 9.16 Administrative Provisions: The County Administrator may establish guidelines, bulletins or directives as necessary to further define or implement the provisions of this resolution.

10. Management Longevity Pay

- 10.10 Ten Years of Service: Employees who have completed ten (10) years of service for the District are eligible to receive a two and one-half percent (2.5%) longevity differential effective on the first day of the month following the month in which the employee qualifies for the ten (10) year service award.
- 10.11 Fifteen Years of Service: Employees who have completed fifteen (15) years of service for the District are eligible to receive an additional two and

one-half percent (2.5%) longevity differential effective on the first day of the month following the month in which the employee qualifies for the fifteen (15) year service award. For employees who completed fifteen (15) years of service on or before January 1, 2008, this longevity differential will be paid prospectively only from January 1, 2008.

10.12 Twenty Years of Service: Effective July 1, 2022, employees who have completed twenty (20) years of service for the District are eligible to receive a two and one-half percent (2.5%) longevity differential effective on the first day of the month following the month in which the employee qualifies for the twenty (20) year service award. For employees who completed twenty (20) years of service before July 1, 2022 this longevity differential will be paid prospectively only from July 1, 2022.

11. Deferred Compensation

A. Deferred Compensation Incentive. The District will contribute eighty-five dollars (\$85) per month to each employee who participates in the County’s Deferred Compensation Plan. To be eligible for this incentive, the employee must contribute to the deferred compensation plan as indicated below:

<u>Employees with Current Monthly Salary of:</u>	<u>Qualifying Base Contribution Amount</u>	<u>Monthly Contribution Required to Maintain Incentive Program Eligibility</u>
\$2,500 and below	\$250	\$50
\$2,501 - 3,334	\$500	\$50
\$3,335 - 4,167	\$750	\$50
\$4,168 - 5,000	\$1,000	\$50
\$5,001 - 5,834	\$1,500	\$100
\$5,835 - 6,667	\$2,000	\$100
\$6,668 and above	\$2,500	\$100

Employees who discontinue contributions or who contribute less than the required amount per month for a period of one (1) month or more will no longer be eligible for the eighty five dollar (\$85) District supplement. To reestablish eligibility, employees must again make a Base Contribution Amount as set forth above based on current monthly salary. Employees with a break in deferred compensation contributions either because of an approved medical leave or an approved financial hardship withdrawal will not be required to reestablish eligibility. Further, employees who lose eligibility due to displacement by layoff, but maintain contributions at the required level and are later employed in an eligible position, will not be required to

reestablish eligibility.

B. Eligibility for Loan Program. All employees are eligible to apply for loans from the Contra Costa County Deferred Compensation Plan loan program established by the Board of Supervisors on June 26, 2012, by Resolution No. 2012/298.

12. Annual Management Administrative Leave

a. On January 1st of each year, full-time employees on a forty (40) hour schedule will be credited with ninety-four (94) hours of paid Management Administrative Leave and full-time employees on a fifty-six hour schedule will be credited with one hundred and thirty-two (132) hours of paid Management Administrative Leave. This time is non-accruable and all balances will be zeroed out on December 31 of each year.

b. Permanent part-time employees are eligible for Management Administrative Leave on a prorated basis, based upon their position hours. Permanent-intermittent employees are not eligible for Management Administrative Leave.

c. Employees appointed (hired or promoted) to unrepresented management positions are eligible for Management Administrative Leave on the first day of the month following their appointment date and will receive Management Administrative Leave on a prorated basis for that first year.

d. Employees on the Overtime Exempt Exclusion List are authorized to receive overtime pay; therefore, their Management Administrative Leave will be reduced by twenty-five percent (25%) each time the employee is on the List. The twenty-five percent (25%) reduction will be deducted from the employee's current leave balance, but if there is no balance, it will be deducted from future awarded Annual Management Administrative Leave.

13. Management Life Insurance

Employees are covered at District expense by term life insurance in the amount of fifty seven thousand dollars (\$57,000) in addition to the insurance provided under Section 2.18.

14. Vacation Buy Back

A. For Employees Hired Before October 1, 2011:

Until close of business on September 30, 2011, employees hired before October 1, 2011, may elect payment of up to one-third (1/3) of their annual

vacation accrual, subject to the following conditions: (1) the choice can be made only once in each calendar year; (2) payment is based on an hourly rate determined by dividing the employee's monthly salary by 173.33; and (3) the maximum number of vacation hours that may be paid in any calendar year is one-third (1/3) of the annual accrual.

On and after October 1, 2011, employees hired before October 1, 2011, may elect payment of up to one-third (1/3) of their annual vacation accrual, subject to the following conditions: (1) the choice can be made only once every thirteen (13) months and there must be at least 12 full months between each election; (2) payment is based on an hourly rate determined by dividing the employee's monthly salary by 173.33 (242.66 for employees working a 56-hour schedule); and (3) the maximum number of vacation hours that may be paid in any one sale is one-third (1/3) of the annual accrual.

Where a lump-sum payment is made to employees as a retroactive general salary adjustment for a portion of a calendar year that is subsequent to the exercise by an employee of the vacation buy-back provision herein, that employee's vacation buy-back will be adjusted to reflect the percentage difference in base pay rates upon which the lump-sum payment was computed, provided that the period covered by the lump-sum payment includes the effective date of the vacation buy-back.

B. For Employees Hired On and After October 1, 2011:

Employees hired on and after October 1, 2011, may not elect payment of their vacation accruals, unless the employee was eligible for a Vacation Buy Back benefit before being promoted into any classification covered by this Resolution.

15. Professional Development Reimbursement

With the exceptions of the Fire Chief, Assistant Chief(s), and Deputy Fire Chief, employees are eligible for reimbursement of up to six hundred twenty-five dollars (\$625) for calendar year 2008 and for each two (2) year period thereafter, for memberships in professional organizations, subscriptions to professional publications, attendance fees at job-related professional development activities, and purchase of job-related computer hardware and software (excludes automation connectivity, support, or subscription fees) from a standardized County-approved list or with Fire Chief approval, provided each employee complies with the provisions of the County's Computer Use and Security Policy adopted by the Board of Supervisors and manuals. In order to receive reimbursement, the employee must have been in an eligible classification when the expense was incurred.

Individual professional development reimbursement requests must be approved by the Fire Chief. Reimbursement will occur through the regular demand process with demands being accompanied by proof of payment (copy of invoice or canceled check).

16. Sick Leave Incentive Plan

Employees may be eligible for a payoff of a part of unused sick leave accruals at separation. This program is an incentive for employees to safeguard sick leave accruals as protection against wage loss due to time lost for injury or illness. Payoff must be approved by the Director of Human Resources, and is subject to the following conditions:

- a. The employee must have resigned in good standing.
- b. Payout is not available if the employee is eligible to retire.
- c. The balance of sick leave at resignation must be at least seventy percent (70%) of accruals earned in the preceding continuous period of employment, excluding any sick leave use covered by the Family and Medical Leave Act, the California Family Rights Act, or the California Pregnancy Disability Act.
- d. Payout is by the following schedule:

<u>Years of Payment Continuous Service</u>	<u>Payment of Unused Sick Leave Payable</u>
3 – 5 years	30%
5 – 7 years	40%
7 plus years	50%

e. No payoff will be made pursuant to this section unless the Contra Costa County Employees' Retirement Association has certified that an employee requesting a sick leave payoff has terminated membership in, and has withdrawn his or her contributions from, the Retirement Association.

f. It is the intent of the Board of Supervisors that payments pursuant to this section preclude County retirement benefits resulting from employment by this County/District governed by the Board.

17. Video Display Terminal (VDT) Users Eye Examination

Employees are eligible to receive an annual eye examination on District time and at District expense provided that the employee regularly uses a video display terminal at least an average of two (2) hours per day as certified by

the Fire District.

Employees certified for examination under this program must make their request through the Benefits Service Unit of the County Human Resources Department. Should prescription VDT eyeglasses be prescribed for the employee following the examination, the District agrees to provide, at no cost, basic VDT eyewear consisting of a fifty dollar (\$50) frame and single, bifocal or trifocal lenses. Employees may, through individual arrangement between the employee and the employee's doctor and solely at the employee's expense, include blended lenses and other care, services or materials not covered by the Plan.

18. Long-Term Disability Insurance

The County will continue in force the Long-Term Disability Insurance program with a replacement limit of eighty-five (85%) of total monthly base earnings reduced by any deductible benefits.

19. Uniform Allowance

Effective October 1, 2015, the monthly uniform allowance for all employees in classes for which a uniform is required shall be fifty-four dollars and fifty cents (\$54.50) per month.

20. Fire Management Educational Allowance Program

Employees in the specified Fire District management classifications who possess the certificates or educational degrees set forth below and/or meet the continuing educational requirements set forth below, are eligible for professional development educational allowances under the conditions set forth below. This program is intended to encourage the professional development of eligible Fire District Management personnel. Only the following classifications are eligible to participate in this educational allowance program:

- Fire Chief- Contra Costa (RPA1)
- Assistant Fire Chief-Exempt (RPB1)
- Deputy Fire Chief- Exempt (RPB2)
- Fire Marshal (RJGA)
- Supervising Fire Inspector (RJHC)

Only the following job-related certificates and degrees are eligible for this program:

- a. A Certificate of Achievement in Fire Technology, Business Administration,

Management and Supervision, or a related field from an accredited college.

b. An Associated of Arts or Science Degree from an accredited college with a major in Fire Technology, Business Administration, Management and Supervision, or a related field.

c. A Chief Officer Certificate issued by the Office of the State Fire Marshal.

d. A Baccalaureate Degree from an accredited college or university with a major in Business, Public Administration, or a related field.

All allowances will be designated as either temporary or permanent and will be awarded in increments of two and one-half percent (2.5%) times the employee's base rate of pay. The combined temporary and permanent educational allowances awarded to any employee may not exceed seven and one-half percent (7.5%) times the employee's base rate of pay.

The following conditions must be satisfied in order to earn the designated allowance:

Temporary Allowance

A temporary allowance of two and one-half percent (2.5%) times the employee's base rate of pay may be awarded for annually completing at least forty (40) hours of pre-approved education or training or at least three (3) pre-approved college semester units (or equivalent quarter units), or a pre-approved combination thereof, in pursuit of any one of the certificates or degrees set forth in options (a) through (d) above or as pre-approved by the Fire Chief.

A temporary allowance is effective for a period of only twelve (12) months, commencing on the first day of the month after proof of completion of course work is received and approved by the Fire Chief or designee. Temporary allowances automatically terminate at the end of month twelve (12).

A temporary allowance of two and one-half percent (2.5%) times the employee's base rate of payment may be awarded to the Fire Chief for annually completing the above conditions, except that verification of eligibility must be approved by the County Administrator or designee.

Permanent Allowances

A permanent allowance of two and one-half percent (2.5%) times the employee's base rate of pay may be awarded for possession of one (1) of the certificates or degrees set forth in options (a) through (d) above. Only one (1)

two and one-half percent (2.5%) permanent allowance is available within this category.

In the alternative, a permanent allowance of five percent (5%) may be awarded for possession of those certificates or degrees in the following combinations only: (1) options (b) and (c) or (2) options (a) and (d). An employee receiving the five percent (5%) permanent allowance may not also receive the two and one-half percent (2.5%) permanent allowance.

This program is subject to appropriate administrative guidelines and controls promulgated by the Fire Chief and approved by the Director of Human Resources to ensure that the standards set forth herein are met. Verification of an employee's eligibility must be by the Fire Chief or designee.

A permanent allowance of two and one-half percent (2.5%) times the employee's base rate of pay or the alternative five percent (5%) times the employee's base rate of pay may be awarded to the Fire Chief subject to the same conditions described above for a permanent allowance, except that the Fire Chief's eligibility must be approved by the County Administrator or designee.

Payment of any of the allowances set forth herein begins on the first day of the month following the month in which: a) the Fire Chief verifies the employee's eligibility for that allowance, or b) the County Administrator or designee verifies the Fire Chief's eligibility for that allowance.

21. Fire Services Standby Duty with Emergency Recall Differential

All classifications covered by this Management Resolution, with the exception of the Fire Chief-Contra Costa (RPA1), are required to do standby duty with emergency recall for a minimum total of ten (10) days each month. A salary differential in the amount of five percent (5%) of monthly base salary shall be in effect for personnel assigned to standby duty with emergency recall.

22. Executive Professional Development Reimbursement

In lieu of the benefits provided in Section 15, the Fire Chief, Assistant Chief(s), and Deputy Fire Chief are eligible for reimbursement of up to nine hundred twenty-five dollars (\$925) for calendar year 2008 and for each two (2) year period thereafter, for memberships in professional organizations, subscriptions to professional organizations, subscriptions to professional publications, attendance fees at job-related professional development activities, and purchase of job-related computer hardware and software (excludes automation connectivity, support, or subscription fees) from a standardized County-approved list or with Fire Chief approval, provided each

employee complies with the provisions of the County's Computer Use and Security Policy adopted by the Board of Supervisors and manuals. In order to receive reimbursement, the employee must have been in an eligible classification when the expense was incurred.

Individual professional development reimbursement requests must be approved by the Fire Chief. Reimbursement will occur through the regular demand process with demands being accompanied by proof of payment (copy of invoice or cancelled check). Certifications regarding compliance with County's Computer Use and Security Policy may be required.

II. BENEFITS FOR FIRE CHIEF

As the Chief Officer of the Fire District and an Appointed Department Head, the Fire Chief receives the benefits provided under Part I, except as modified below:

23. Automobile

The District will provide the Fire Chief with an appropriate vehicle. The Fire Chief is not eligible for an Automobile Allowance.

24. Executive Life Insurance

In lieu of the insurance provided in Part I, Section 13, the Fire Chief is covered, at District expense, by term life insurance in the amount of sixty thousand dollars (\$60,000), additional to the insurance provided under Section 2.18.

25. Fire Management Educational Reimbursement

The Fire Chief is entitled to be reimbursed by the District for all Fire Management educational expenses (tuition, fees, books, and the like) incurred by the Fire Chief during his tenure as Fire Chief.

26. No Fire Services Standby Duty with Emergency Recall Differential

The Fire Chief is not eligible for the Fire Services Standby duty with Emergency Recall Differential set forth in Part I, Section 21 of this Resolution.

27. No Vacation Buy Back

The Fire Chief is not eligible for the Vacation Buy Back plan set forth in Part I, Section 14 of this Resolution.

Contra
Costa
County

To: Board of Supervisors
From: Mary Ann Mason, County Counsel
Date: July 26, 2022

Subject: Continuing Teleconference Meetings (AB 361, Government Code § 54953(e))

RECOMMENDATION(S):

1. FIND that the Board of Supervisors has reconsidered the circumstances of the Statewide state of emergency proclaimed by the Governor on March 4, 2020, and the Countywide local emergency proclaimed by the Board of Supervisors on March 10, 2020.
2. FIND that the following circumstances exist: (a) the Statewide state of emergency and the Countywide local emergency continue to directly impact the ability of the Board of Supervisors in all its capacities, its committees, and its advisory bodies to meet safely in person because the highly transmissible Omicron variant of COVID-19 and its subvariants are present in the County, and within the County the COVID-19 case rate, test positivity numbers, related hospitalizations, and wastewater surveillance amounts are increasing; and (b) the County Health Officer's recommendations for safely holding public meetings, which recommend virtual meetings and other measures to promote social distancing, are still in effect.
3. AUTHORIZE the Board of Supervisors, in its capacity as the governing board of the County, the Contra Costa County Fire Protection District, the Housing Authority of the County of Contra Costa, the Contra Costa County Flood Control and Water Conservation District, and the Contra Costa County In-Home Supportive Services Public Authority, and its subcommittees, to continue teleconference meetings under Government Code section 54953(e) for the next 30 days.
4. AUTHORIZE all advisory bodies, committees, and commissions established by the Board in all its capacities, including but not limited to municipal advisory councils and the Measure X Community Advisory Body, to continue teleconference meetings under Government Code section 54953(e) for the next 30 days.
5. REQUIRE advisory bodies, commissions, and committees whose jurisdiction extends into all Supervisorial districts ("Countywide bodies") that hold in-person meetings to conduct these meetings in a "hybrid" format that permits members of the Countywide body, staff, and members of the public to access the meetings both remotely and in person.
6. ENCOURAGE advisory bodies whose jurisdiction does not extend into all Supervisorial districts ("limited jurisdiction bodies") to conduct any live meetings in a "hybrid" format that permits members of the limited jurisdiction body, staff, and members of the public to access the meetings both remotely and in person.
7. REQUEST that the Planning Commission, Merit Board, and Assessment Appeals Board consider holding teleconference meetings under

Government Code section 54953(e) for the next 30 days, or holding meetings in a "hybrid" format that permits members of the body, staff, and members of the public to access the meetings both remotely and in person.

RECOMMENDATION(S): (CONT'D)

8. DIRECT the County Administrator/Clerk of the Board and staff to the various Board advisory bodies to take all actions necessary to implement the intent and purpose of this Board order, including conducting open and public meetings in accordance with Government Code section 54953(e) and all other applicable provisions of the Brown Act.

9. DIRECT the County Administrator/Clerk of the Board to return to the Board acting in all its capacities, no later than 30 days after this Board order is adopted, with an item to reconsider the state of emergency and whether to continue authorizing virtual meetings under the provisions of Government Code section 54953(e) and to make required findings as to all bodies covered by this Board order.

FISCAL IMPACT:

This is an administrative action with no direct fiscal impact.

BACKGROUND:

On October 5, 2021, the Board adopted Resolution No. 2021/327, which authorized the Board, in all its capacities, and certain subcommittees and advisory bodies, to conduct teleconferencing meetings under Government Code section 54953(e). This section of the Brown Act, which was added by Assembly Bill 361, allows a local agency to use special teleconferencing rules during a State declared state of emergency. When a legislative body uses the emergency teleconferencing provisions under Government code section 54953(e), the following rules apply:

- The agency must provide notice of the meeting and post an agenda as required by the Brown Act and Better Government Ordinance, but the agenda does not need to list each teleconference location or be physically posted at each teleconference location.
- The agenda must state how members of the public can access the meeting and provide public comment.
- The agenda must include an option for all persons to attend via a call-in or internet-based service option.
- The body must conduct the meeting in a manner that protects the constitutional and statutory rights of the public.
- If there is a disruption in the public broadcast of the meeting, or of the public's ability to comment virtually for reasons within the body's control, the legislative body must stop the meeting and take no further action on agenda items until public access and/or ability to comment is restored.
- Local agencies may not require public comments to be submitted in advance of the meeting and must allow virtual comments to be submitted in real time.
- The body must allow a reasonable amount of time per agenda item to permit members of the public to comment, including time to register or otherwise be recognized for the purposes of comment.
- If the body provides a timed period for all public comment on an item, it may not close that period before the time has elapsed.
- AB 361 sunsets on January 1, 2024.

Under Government Code section 54953(e), if the local agency wishes to continue using these special teleconferencing rules after adopting an initial resolution, the legislative body must reconsider the circumstances of the state of emergency every 30 days and make certain findings. The agency must find that the state declared emergency continues to exist and either that it continues to directly impact the ability of officials and members of the public to meet safely in person, or that state or local officials continue to impose or recommend measures to promote social distancing.

The Board last considered these matters on July 12, 2022, made the required findings and authorized continued use of special teleconferencing rules. The Board can again find that the Statewide state of emergency continues to exist, that the state and Countywide local emergencies continue to directly impact the ability of the Board of Supervisors in all its capacities, and its subcommittees, and advisory bodies to meet safely in person, and that state or local officials continue to impose or recommend measures to promote social distancing.

The Public Health Officer has advised that the highly transmissible Omicron variant of COVID-19 and its subvariants are present in the County, and the COVID-19 case rate, test positivity numbers, and related hospitalizations are increasing. Increased amounts of COVID-19 are also showing up in wastewater surveillance data. In addition, on July 5, 2022, the County Health Officer again issued recommendations for safely holding public meetings that included recommended measures to promote social distancing. (See Attachment A, Health Officer's Recommendations). Among the Health Officer's recommendations: (1) on-line meetings (teleconferencing meetings) are encouraged as those meetings present the lowest risk of transmission of SARS-CoV-2, the virus that causes COVID-19; (2) if a local agency determines to hold in-person meetings, offering the public the opportunity to attend via a call-in option or an internet-based service option is recommended when possible to give those at higher risk of and/or higher concern about COVID-19 an alternative to participating in person; (3) a written safety protocol should be developed and followed, and it is recommended that the protocol require social distancing - i.e., six feet of separation between attendees; (4) seating arrangements should allow for staff and members of the public to easily maintain at least six-foot distance from one another at all practicable times; and (5) all meeting attendees should be strongly encouraged to wear masks and to be up to date on COVID-19 vaccinations.

CONSEQUENCE OF NEGATIVE ACTION:

The Board, in all its capacities, and its subcommittees and advisory bodies, would no longer conduct teleconferencing meetings under Government Code section 54953(e).

ATTACHMENTS

Attachment A, Health Officer's Recommendations

Recommendations for safely holding public meetings

Each local government agency is authorized to determine whether to hold public meetings in person, on-line (teleconferencing only), or via a combination of methods. The following are recommendations from the Contra Costa County Health Officer to minimize the risk of COVID 19 transmission during a public meeting.

1. Online meetings (i.e. teleconferencing meetings) are encouraged, where practical, as these meetings present the lowest risk of transmission of SARS CoV-2, the virus that causes COVID 19. This is particularly important when community prevalence rates are high. Our current trends as of July 5, 2022 in Covid-19 case rate, test positivity, Covid-19 hospitalizations, and Covid-19 wastewater surveillance are increasing at this time. In addition to this, the predominant variant of Covid-19 being identified continues to be the Omicron variant and it's subvariants the impact of which on the spread of Covid-19 has shown to dramatically increase COVID-19 transmission.
2. If a local agency determines to hold in-person meetings, offering the public the opportunity to attend via a call-in option or an internet-based service option is recommended, when possible, to give those at higher risk of and/or higher concern about COVID-19 an alternative to participating in person.
3. A written safety protocol should be developed and followed. It is recommended that the protocol require social distancing, where feasible – i.e. six feet of separation between attendees; and consider requiring or strongly encouraging face masking of all attendees and encouraging attendees to be up-to-date on their COVID-19 vaccine.
4. Seating arrangements should allow for staff and members of the public to easily maintain at least six-foot distance from one another at all practicable times.
5. Consider holding public meetings outdoors. Increasing scientific consensus is that outdoor airflow reduces the risk of COVID-19 transmission compared to indoor spaces. Hosting events outdoors also may make it easier to space staff and members of the public at least 6 feet apart. If unable to host outdoors, consider ways to [increase ventilation and flow](#) of the indoor space to reduce the risk of COVID-19 while indoors.
6. Current evidence is unclear as to the added benefit of temperature checks in addition to symptom checks. We encourage focus on symptom checks as they may screen out individuals with other Covid-19 symptoms besides fever and help reinforce the message to not go out in public if you are not feeling well.
7. Consider a voluntary attendance sheet with names and contact information to assist in contact tracing of any cases linked to a public meeting.

Resolution No. 2022/246

The Board of Supervisors RESOLVES that:

Owner (sole): Contra Costa County, 255 Glacier Drive, Martinez, CA 94553

Nature of Stated Owner: fee and/or easement

Project No.: 0672-6U2151

Project Name: 2021 Countywide Surface Treatment Project

Date of Work Completion: May 10, 2022

Description: Contra Costa County on June 8, 2021 contracted with Pavement Coatings Co. for the work. The work to be done generally consisted of applying an asphalt rubber chip seal covered with a type II slurry seal to various roads in the unincorporated areas of North Richmond, Castle Hill, Alamo, Clyde and Concord. Select roads in El Sobrante and in the North Richmond and Clyde area required a Mill and Overlay. Work also included surface preparation including, weed spray, edge grinding, pavement failure repair work, striping removal, adjusting survey monuments, and placement of thermoplastic striping and pavement markings, all in accordance with the plans, drawings, special provisions and/or specifications prepared by or for the Public Works Director and in accordance with the accepted bid proposal. The project was located countywide, with The Ohio Casualty Insurance Company, as surety, for work to be performed on the grounds of the County; and The Public Works Director reports that said work has been inspected and complies with the approved plans, special provisions and standard specifications and recommends its acceptance as complete as of May 10, 2022.

Subject: Consulting Services Agreement with Terracon Consultants, Inc., Countywide.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) with Terracon Consultants, Inc., in an amount not to exceed \$800,000, for the period July 26, 2022 through June 21, 2025, to provide on-call geotechnical engineering services, Countywide. (Project Nos. Various) (All Districts)

FISCAL IMPACT:

Work performed under this on-call contract will be funded by 100% Local Road and Flood Control Funds.

BACKGROUND:

The Public Works Department is involved in various projects in the County that require geotechnical engineering services for road and flood control projects. After a solicitation process, Terracon Consultants, Inc. was selected as one of eight firms to provide geotechnical engineering services on an “on-call” basis. Terracon Consultants, Inc. will be used to provide geotechnical engineering service as in-house expertise is not available. This on-call contract will be in effect for thirty-five months.

Government Code Section 31000 and 4525 authorizes the County to contract for services, including the type of geotechnical engineering services that Terracon Consultants, Inc. provides.

BACKGROUND:

Pacific Gas and Electric (PG&E) wishes to enter into a license agreement (Agreement) with Contra Costa County (County) in connection with their Oleum North Tower Christie 115kV Electric Transmission Reconductoring Project (Project). PG&E's Project consists of replacing transmission structures and installing new electrical conductor wires in Contra Costa County.

The Agreement would include areas over and across portions of Assessor's Parcel Number 358-040-015 (Property), which was acquired by the County as part of the SR4 West Gap Project. Site A (3,326 SF) would allow PG&E ingress and egress along a gravel path for access to Site B. Site B (25,251 SF) will provide PG&E with electric overhead access (sway) adjacent to an existing 40,000 SF easement previously granted by the County. The Agreement expires in its fifth year or when title of the Property has been recorded in the State's name, whichever occurs first. PG&E will be required to pay the County \$5,000 plus administrative costs related to the Agreement.

PG&E has acknowledged, in the Agreement, that the licensed area will be transferred to the State in the future and operated as part of the state highway system. After the Property is transferred to the State, the Agreement will expire, and PG&E will need to obtain permission from the State to continue to occupy the licensed area.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval by the Board of Supervisors, PG&E will not have the rights required for their project.

License Agreement

LICENSE AGREEMENT

This license agreement ("Agreement") is dated June 1, 2022, and is between CONTRA COSTA COUNTY, a political subdivision of the State of California (the "County"), and PACIFIC GAS AND ELECTRIC COMPANY, a California corporation ("Licensee").

RECITALS

- A. The County is the owner of the real property identified as Assessor's Parcel Number 358-040-015, located on the northerly side of State Highway 4, across from Barry Hill Road, in the unincorporated area of Rodeo, California (the "Property").
- B. Licensee desires to obtain the County's permission to use two portions of the Property for the limited purposes described in this Agreement. The County is willing to grant Licensee a license to use those portions of the Property described in Exhibits A and A-1 and shown on Exhibits B and B-1 (such route or location, collectively referred to as the "Licensed Premises") upon the terms and conditions set forth in this Agreement.
- C. Licensee acknowledges that the Licensed Premises is within an area that will be transferred to the State of California ("State") and operated as part of the state highway system. After the Property is transferred to the State, the Agreement will expire and Licensee will need to obtain permission from the State to continue occupying and using the Licensed Premises.

The parties, therefore, agree as follows:

AGREEMENT

1. **Grant of License.** Subject to the terms and conditions of this Agreement, the County hereby grants to Licensee, a nonexclusive revocable license to enter the Licensed Premises for the purposes described in Section 2 below and for no other purpose without County's prior written consent.
2. **Use of Premises.**
 - a. Licensee may use the Licensed Premises for the purpose of constructing, reconstructing, maintaining, and using a gravel road for ingress and egress within the Licensed Premises, along with suspending, replacing, removing, maintaining, inspecting, and using crossarms, wires, and cables as Grantee shall from time to time deem to be reasonably required for the transmission and distribution of electric energy, and for telecommunication purposes.
 - b. Licensee may, from time to time as Licensee deems necessary to avoid interference with its facilities, or as required by law or local fire district or fire code, trim trees and brush within Licensed Premises.
 - c. Licensee may use gates in all fences which now cross or that are constructed over and through the Licensed Premises.

- d. Notwithstanding the foregoing, Licensee may not fence the Licensed Premises.
3. **Term.** The term of this Agreement commences on June 1, 2022. The term of this Agreement expires on the earlier of (a) the date title to the Property is accepted by the State, or (b) May 31, 2027. The County and Licensee each have the right to terminate this Agreement at any time, for any reason, or for no reason, with thirty (30) days advance written notice to the other party. In addition, the County may terminate this Agreement on 10 days advance written notice to Licensee if Licensee is in material breach of any term or condition of this Agreement.
4. **License Fee.** On or before June 1, 2022, Licensee shall pay the County a non-refundable fee of Ten Thousand and NO/100 Dollars (\$10,000) for the use of the Licensed Premises. Additionally, PG&E agrees to reimburse the County for staff time and process any future amendments to this Agreement, and for staff time to respond to inquiries connected with this Agreement. Payment is to be addressed to Contra Costa County, Public Works Department, Attention: Real Estate Division, 255 Glacier Drive, Martinez, California 94553. If this Agreement is terminated prior to its expiration, Licensee shall not be entitled to a refund of any portion of Licensee's payment under this Section.
5. **Improvements to the Premises.**
- a. Licensee may not construct any improvements on the Licensed Premises without prior written consent from the County. For the purposes of this Agreement, any improvements Licensee is expressly permitted to install on the Licensed Premises under Section 2 is not considered to be an improvement to the Property or the Licensed Premises for purposes of this Section.
 - b. Any improvements to the Licensed Premises by Licensee (with or without the consent of the County), including but not limited to the improvements referenced in Section 2, must be removed by Licensee, at its sole cost, except those improvements that the County and Licensee agree are not required to be removed, upon the expiration or termination of this Agreement. Licensee shall repair, at its sole cost, any damage caused by the removal of its improvements or equipment.
 - c. If Licensee fails to remove any improvements or equipment it is required to remove, the County may remove them at Licensee's expense, and Licensee shall immediately reimburse the County upon Licensee's receipt of an invoice from the County. Licensee's obligation to reimburse the County for those removal costs shall survive the expiration or termination of this Agreement.
6. **Maintenance.** Licensee is responsible for repairing any damage to the Licensed Premises, including but not limited to private roads, lanes, fences and gates, that results from Licensee's use of the Licensed Premises under this Agreement.

7. **Permits and Approvals**. Licensee is responsible for obtaining any permits or approvals from any agency having jurisdiction. This Agreement does not constitute governmental approval by Contra Costa County of this use.
8. **Nonexclusive Right of Use**. This Agreement is nonexclusive. The County reserves the right to issue licenses, easements, and permits to others that could affect the Property or the Licensed Premises.
9. **Existing Facilities**. It is understood and agreed that the County has leases, licenses, and/or easements with others for all or a portion of the Property. The holders of the leases, licenses, and/or easements granted by the County have the right to enter on the Property and maintain their facilities. Licensee will not be compensated for damage resulting from such maintenance.
10. **Surface Rights Only; Damage**. The rights granted under this Agreement are surface rights and aerial rights only and no subsurface excavation is allowed. It is the responsibility of Licensee to contact property owners and holders of easements, leases, and licenses to determine if any real property over which Licensee wishes to use a vehicle is able to support the vehicle without damage to subsurface or surface facilities. If Licensee's use of real property pursuant to this Agreement causes damage to that real property, the Property, the Licensed Premises, or their vegetation, subsurface or surface facilities, Licensee shall repair the damage and return the affected property to a neat and safe condition satisfactory to the County and the affected users.
11. **Pollution**. Licensee, at its expense, shall comply with all applicable laws, regulations, and rules with respect to the use of the Property, regardless of when they become or became effective, including, without limitation, those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality, and shall furnish satisfactory evidence of such compliance upon request by the County.
 - a. Licensee may not permit hazardous materials to be handled at any time on the Property. Should any discharge, leakage, spillage, emission or pollution of any type occur upon or from the Property due to Licensee's use and occupancy of the Property, Licensee, at its expense, shall clean all the property affected thereby, whether owned or controlled by the County or any third person, to the satisfaction of the County (insofar as the property owned or controlled by the County is concerned) and any governmental body having jurisdiction.
 - b. To the extent permitted by law, Licensee shall indemnify, hold harmless, and defend the County and the holders of rights to use the Property (each, an "Indemnitee") against all liability, cost, and expense (including, without limitation, any fines, penalties, judgments, litigation costs, and attorneys' fees) incurred by any Indemnitee as a result of any discharge, leakage, spillage, emission or pollution, regardless of whether the liability, cost or expense arises during or after the term of this Agreement, unless such liability, cost or expense is proximately caused solely by the active negligence of the County.

- c. Licensee shall pay all amounts due to the County under this section within ten (10) days after any demand therefor. Licensee's obligations under this Section shall survive the termination or expiration of this Agreement.

- 12. **Hold Harmless.** Licensee shall defend, indemnify, save, and keep harmless the County, its officers, employees, contractors, agents, and representatives ("**County Parties**") from and against all liabilities, judgments, costs, fees, penalties, damages, and expenses ("**Liabilities**") that arise from, are connected to, or are attributable to the negligence, willful misconduct, or strict liability of Licensee, its officers, employees, contractors, agents, or representatives, including but not limited to claims in inverse condemnation, in connection with Licensee's occupancy or use of the Licensed Premises under this Agreement. Notwithstanding the foregoing, Licensee shall have no obligation to defend, indemnify, save, and keep harmless the County Parties from the proportion of any Liabilities that arise from the negligence or willful misconduct of the County Parties. This Section shall survive and remain enforceable following the termination or expiration of this Agreement.
- 13. **Insurance.** Licensee agrees, at no cost to the County, to obtain and maintain during term of this Agreement, commercial general liability insurance with a minimum limit coverage of \$1,000,000 for each occurrence and \$2,000,000 aggregate for all claims or loses due to bodily injury, including death, or damage to property, including loss of use, and to **name Contra Costa County, its officers, agents, and employees as additional insured thereunder.** The coverage must provide for a thirty-day written notice to the County of cancellation or lapse. Licensee shall provide evidence of the coverage to the County prior to execution of this Agreement. All required endorsement(s) shall either be attached to the Certificate or certified as issued on the Certificate.

Licensee further agrees, at no costs to the County, to obtain and maintain during the term of this Agreement Automobile Liability Insurance with respect to any vehicles owned, non-owned, leased or hired by or on behalf of the Licensee with a combined single limit of not less than \$1,000,000 for bodily injury or death to any person and damages to the property, including the loss of use thereof arising out of each accident or occurrence and as above to name the **County, its officers, agents, and employees as additional insured thereunder.**

Licensee further agrees, at no cost to the County, to obtain and maintain during the term of this Agreement Worker's Compensation and Employer's Liability Insurance coverage of not less than \$1,000,000 per occurrence for all of its employees engaged in services arising out of the operations conducted by Licensee in the County's Property; and provide a waiver of subrogation in favor of Contra Costa County, its officers, agents, and employees. Licensee shall require any subcontractor to provide it with evidence of Worker's Compensation and Employer's Liability Insurance, all in strict compliance pursuant to California State Law.)

- 14. **No Assignment.** Licensee may not assign its rights under this Agreement.
- 15. **County's Title.** Licensee hereby acknowledges County's fee title in and to the Property and agrees never to assail or to resist the County's title. Licensee agrees that it has not, and never will, acquire any rights or interest in the Property as a result of this Agreement, and that Licensee has not, and will not, obtain any right or claim to the use of the Property beyond

that specifically granted in this Agreement. Construction of any improvements by Licensee on or about the Property does not give rise to an agreement coupled with an interest. The foregoing does not preclude Licensee from purchasing the Property under a separate agreement with the County.

16. **Notices.** Notices under this Agreement must be in writing and will be effective either when delivered in person or deposited as certified mail, postage prepaid, return receipt requested, or sent by a recognized overnight courier service, and directed to the other party at its address as stated below, or to such other address as the party may designate by written notice.

Commencing at the found 2 1/2 inch California Department of Highways disk marked "C 262" set midspan, on the westerly side of the bridge abutment of the Cummings Skyway overpass intersecting Highway 4 described in the National Geodetic Survey Data Sheet with PID AE7870, and running thence

a) south 68°23'40" west 3279.12 feet
to a point within the boundary lines of the parcel of land described in said deed dated February 22, 2001, also being the TRUE POINT OF BEGINNING; thence

1) north 19°03'58" west 166.30 feet, more or less
to a point in the northwesterly boundary line of the parcel of land described in said deed dated February 22, 2001.

Containing an area of 3,326 square feet, more or less (0.076 acre).

Reviewed by County Counsel 5/11/22

CATEGORY: Consent

SUB-CATEGORY: Road & Transportation

SUBJECT: Approve License Agreement with Pacific Gas and Electric for the Oleum North Tower Christie 115kV Electric Transmission Reconductoring Project, Rodeo area.

AGENDA LANGUAGE: APPROVE and AUTHORIZE the Public Works Director, or his designee, to execute a license agreement with Pacific Gas and Electric Co., requiring PG&E to pay the County \$10,000, for land use and administrative costs, for use approximately 28,777 square feet of County-owned property along State Route 4, identified as Assessor's Parcel No. 358-040-015, for a period of up to five years commencing June 1, 2022, in connection with PG&E's Electric Oleum North Tower Christie 115kV Electric Transmission Reconditioning Project, Rodeo area. (100% Local Road Funds)

RECOMMENDED ACTION: APPROVE and AUTHORIZE the Public Works Director, or his designee, to execute a license agreement with Pacific Gas and Electric Co., requiring PG&E to pay the County \$10,000 for land use and administrative costs, for use of two portions (28,577 SF) of County-owned property along State Route 4, identified as Assessor's Parcel No. 358-040-015, for a period of up to five years commencing June 1, 2022, in connection with PG&E's Electric Oleum North Tower Christie 115kV Electric Transmission Reconditioning Project, Rodeo area. (Project No.: 4500-6X5841)

DETERMINE that this conveyance is in the public interest and that the license will not substantially conflict or interfere with the use of the property by the County.

FISCAL IMPACT: 100% Local Road Funds will receive a one-time fee of \$10,000.

REASONS FOR RECOMMENDATIONS AND BACKGROUND:

Pacific Gas and Electric (PG&E) wishes to enter into a license agreement (Agreement) with Contra Costa County (County) in connection with their Oleum North Tower Christie 115kV Electric Transmission Reconductoring Project (Project). PG&E's Project consists of replacing transmission structures and installing new electrical conductor wires in Contra Costa County.

The Agreement would include areas over and across portions of Assessor's Parcel Number 358-040-015 (Property), which was acquired by the County as part of the SR4 West Gap Project. Site A (3,326 SF) would allow PG&E ingress and egress along a gravel path for access to Site B. Site B (25,251 SF) will provide PG&E with electric overhead access (sway) adjacent to an existing 40,000 SF easement previously granted by the County. The Agreement expires in its fifth year or when title of the Property has recorded in the State's name, whichever occurs first. PG&E will be required to pay the County \$5,000 plus administrative costs related to the Agreement.

PG&E has acknowledged, in the Agreement, that the licensed area will be transferred to the State in the future and operated as part of the state highway system. After the Property is transferred to the State, the Agreement will expire, and PG&E will need to obtain permission from the State to continue to occupy the licensed area.

CONSEQUENCES OF NEGATIVE ACTION:

Without approval by the Board of Supervisors, PG&E will not have the rights required for their project.

Subject: Consulting Services Agreement with KCM Engineering Inc., dba Knight CM Group, Clayton and Brentwood areas.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) with KCM Engineering, Inc., dba Knight CM Group, in an amount not to exceed \$1,554,737 to provide construction management services for the Marsh Creek Road Bridges Replacement Project, for the period July 26, 2022, through December 31, 2024, Clayton and Brentwood areas. (Project No. 0662-6R4083; Federal Project No. BRLS-5928(125)) (District III)

FISCAL IMPACT:

Work performed under this contract will be funded by 79% Highway Bridge Program Grant Funds, 20% Local Road Funds, and 1% East County Area of Benefit Funds.

BACKGROUND:

The project will construct two new bridges and roadway improvements along Marsh Creek Road over Marsh Creek. Existing Bridge #28C-143, with nearest address 16711 Marsh Creek Road in the Clayton area, will be replaced with new Bridge #28C-519. Existing Bridge #28C-145, approximately 0.2 miles west of the intersection

of Camino Diablo in the Brentwood area, will be replaced with new Bridge #28C-520. The existing bridges will be demolished and the new bridges will be constructed. Roadway approaches will be reconstructed, up to approximately 1,000 ft. away from the bridge, including drainage and traffic improvements.

KCM Engineering, Inc. dba Knight CM Group was selected to provide construction review management services for the project after completing a request for proposal solicitation and technical proposal review process. Public Works has successfully negotiated with KCM Engineering, Inc. dba Knight CM Group to provide the construction management services.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, this Consulting Services Agreement will not be in effect. A delay in construction of the Project will occur, ultimately delaying the completion of the Project. Project delay may also result in substantial additional project costs and jeopardize the funding.

BACKGROUND:

The Road Maintenance and Rehabilitation Account (RMRA) project list was approved by the Board on June 21, 2022, but now needs to be revised to remove one project deemed ineligible to receive RMRA funding by California Transportation Commission staff. The project that will be removed is a maintenance project entitled, "Emergency Response/Standby," previously listed under Item No. 6, Miscellaneous Operations, in the amount of \$70,500. The proposed RMRA amount of \$70,500 will be reallocated to Proposed Project No. 8A, Countywide Surface Treatment project.

California cities and counties are seeing a significant influx of new revenue to invest in the local road system from Senate Bill 1 (Beall and Frazier), a landmark transportation funding package that was signed by Governor Brown in 2017. This measure was in response to California's significant funding shortfall to maintain the state's multimodal transportation network.

SB1 increased several taxes and fees to raise over \$5 billion annually in new transportation revenues. SB1 also includes inflationary adjustments in the revenue to local agencies so that the purchasing power of the funds does not decrease as it has in the past. SB1 prioritizes funding towards maintenance, rehabilitation and safety improvements on state highways, local streets and roads, and bridges and to improve the state's trade corridors, transit, and active transportation facilities.

SB1 Funds are comprised of two parts - an increase in the annual gas tax revenue that local agencies have historically been receiving and a new funding source called Road Maintenance and Rehabilitation Account (RMRA) program funds. The California State Association of Counties (CSAC) annually provides an estimate of the total gas tax revenues the County can expect to see from transportation bill, including the total estimated revenue from RMRA program funds. CSAC estimates the County will receive about \$46.3 million in total transportation funding for FY 2022/2023 from SB1, approximately double what the County received just a few years ago. About \$19.1 million of that amount is from the RMRA program. This amount will continue to grow in future years with the built-in inflationary index.

SB1 emphasizes the importance of accountability and transparency in the delivery of California's transportation programs. Therefore, in order to be eligible for RMRA funding, state statute requires cities and counties to provide basic RMRA project reporting to the California Transportation Commission (CTC).

Prior to receiving an apportionment of RMRA funds from the State Controller in a fiscal year, the County must submit to the CTC a list of projects proposed to be funded with these funds. All projects proposed to receive funding must be reviewed and approved by the County Board of Supervisors at a public meeting.

The list of projects must include a description and location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement. The project list does not limit the flexibility of an eligible city or county to fund projects in accordance with local needs and priorities so long as the projects are consistent with RMRA priorities as outlined in the applicable code sections. Some example projects and uses for RMRA funding include, but are not limited to the following:

- Road Maintenance and Rehabilitation
- Safety Projects
- Railroad Grade Separations
- Complete Streets Components (including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and stormwater capture projects in conjunction with any other allowable project)
- Traffic Control Devices

Streets and Highways Code Section 2030(b)(2) states that funds made available by the program may also be used to satisfy a match requirement in order to obtain state or federal funds for projects authorized by this subdivision.

Staff has developed a recommended list of projects the Board of Supervisors to consider for submitting to CTC.

The following criteria will be used by staff when developing the current and future project lists for RMRA funds:

- Eligibility criteria for RMRA funds
- Emergency storm damage projects that exceeded existing road fund revenue capacity
- Maintenance and rehabilitation priorities
- Roadway safety
- Expiring grants where local funds are necessary to complete the funding package
- Geographic equity
- Projects where expenditures had already occurred for design of the project and had been shelved due to declining gas tax revenues
- Multi-modal benefits in accordance with the Board of Supervisor's Complete Streets policy
- Positive impact to Road Program performance metrics
- Clearing the queue of delayed projects that were a result of declining gas tax revenues
- Meeting customer expectations

With the passage of SB1, the County will now receive about \$46.3 million in total transportation funding in FY 2022/23, with approximately \$19.1 million of that amount from the RMRA program. The County currently uses the majority of the Gas Tax funds towards public roadway maintenance and repair for approximately 660 miles of the roadway network in the unincorporated areas of Contra Costa County to ensure a safe and convenient public travel in a variety of modes: driving, walking and bicycling. These funds are also used to improve traffic safety throughout the County by using it as the local match to leverage funds from state and federal grant programs.

The majority of the RMRA funds are designated for maintenance activities but the range of proposed projects in future years is expected to broaden as the amount of RMRA funds increases. It should be noted that the project list below is a small subset of projects in the overall road program and only focuses on how the RMRA funds will be expended as required by the Commission.

PROPOSED PROJECTS (Total RMRA = \$19,085,600)

Proposed Project No. 1: Road Drainage Maintenance (RMRA = \$1,678,100)- Countywide

Description:

- **Ditch Cleaning** – This routine item is to perform drainage ditch cleaning to remove debris and vegetation, which may obstruct the passage of storm water and cause local flooding. (RMRA = \$550,000) County Project No.: 0672-6U2303
- **Flush Culvert** – This routine item is to perform work associated with the cleaning of culverts by flushing with water and removing debris to ensure proper drainage and reduce flooding (RMRA = \$500,000) County Project No.: 0672-6U2306
- **Clean Catch Basin** – This routine item is to perform cleaning of sediment and prevent obstructions of catch basins (drainage inlets) and related pipe systems. The County has thousands of catch basins throughout the unincorporated areas. (RMRA = \$328,100) County Project No.: 0672-6U2308
- **Inspect Catch Basin** – This routine item is to perform inspections of catch basins and associated systems. This includes a visual inspection of the drainage inlet and any clean water inserts. Follow-up video inspections may be required for deeper inlets and/or suspected structural issue concerning the inlets. (RMRA = \$300,000) County Project No.: 0672-6U2316

RMRA Priority

- Road Maintenance and Rehabilitation

Location:

- Countywide

Proposed Schedule for Completion:

- Anticipated construction year – FY22/23

Estimated Useful Life:

- 15 - 40 years (ditch – dirt roadway to concrete V-ditch)
- 40 years (concrete structures)

Proposed Project No.2: Traffic Safety Devices Maintenance (RMRA = \$1,600,000) - Countywide

Description:

- **Traffic Signing** – This routine item is to perform sign repair, replacement, and installation along the roadway. (RMRA = \$450,000) County Project No.: 0672-6U2504
- **Traffic Striping** – This routine item is to perform new painting, routine painting and replacement of pavement striping along the roadway to enhance public safety. (RMRA = \$350,000) County Project No.: 0672-6U2505
- **Paint Pavement Marking** – This routine item is to perform all work associated with new painting, routine painting, and replacement of existing pavement markings along the roadway. (RMRA = \$200,000) County Project No.: 0672-6U2506

- **Inspect & Maintain Guardrails** – This routine item is to perform all work associated with the annual/periodic inspection and maintenance of County-maintained guardrails, which includes inspection of condition, tightening of nuts and bolts, and other adjustments to ensure that the guardrails perform as designed (RMRA = \$100,000) County Project No.: 0672-6U2527
- **Thermoplastic Pavement Markings** – This routine item is to perform all work associated with the new application, routine maintenance, and replacement of existing thermoplastic pavement markings. (RMRA = \$100,000) County Project No.: 0672-6U2537
- **Safety Lighting** – This routine item is to perform the repair, installation, and replacement of County-maintained safety lighting. (RMRA = \$100,000) County Project No.: 0672-6U2801
- **Signals and Flashers** – This routine item is to perform the repair, installation, and replacement of County-maintained signals and flasher. (RMRA = \$300,000) County Project No.: 0672-6U2802

RMRA Priority:

- Road Maintenance and Rehabilitation

Location:

- Countywide

Proposed Schedule for Completion:

- Anticipated construction year – FY22/23

Estimated Useful Life:

- 10 years (roadway signage)
- 2 - 4 years (roadway striping - thermoplastic)

Proposed Project No. 3: General Housekeeping (RMRA = \$2,810,000) – Countywide

Description:

- **Machine Sweeping** -This routine item is machine sweep areas around traffic islands, intersections, bike lanes, curbs and bridge desk. (RMRA = \$200,000), County Project No.: 0672-6U2301
- **Tree Trimming** –This routine item involves removing tree branches from the County right of way around street name signs, and anything blocking roadway and pedestrian areas. (RMRA = \$600,000) County Project No.: 0672-6U2302
- **Debris Pickup** –This routine maintenance item is to remove debris, litter and nonhazardous materials within right of way. (RMRA = \$510,000) County Project No.: 0672-6U2304
- **Litter Pickup (West, Central and East)** –This work includes pick up of litter within road right of way (RMRA = \$600,000) County Project Nos.: 0672-6U2309, 2420 and 2411)
- **Weed Spray** –This routine item includes all work associated with an integrated pest management program by applying chemical herbicides to road shoulders, road ditches and access roads to control growth of vegetation for reduction of fire and sign obstruction hazards. (RMRA = \$350,000) County Project No.: 0672 – 6U2501
- **Road Median Landscape Maintenance** –This routine item includes all work associated with maintaining median island within right of way to provide a pleasing aesthetic appearance by keeping island weed free and ensure all plants are pruned on a regular basis. (RMRA = \$150,000) County Project No.: 0672-6U2811
- **Tree Removal** -This item is to remove trees within right of way on an as-needed basis. (RMRA = \$200,000) County Project No.: 0672-6U2814
- **MRP 2.0 Compliance: Street sweeping**: This item is to machine sweep roadway to ensure compliance with the Municipal Regional Permit issued by the California Regional Water Quality Control Board.

(RMRA = \$200,000) County Project No.: 0672-6U2319

RMRA Priority:

- Road Maintenance and Rehabilitation

Location:

- Countywide

Proposed Schedule for Completion:

- Anticipated construction year – FY22/23

Estimated Useful Life:

- 1 year

Proposed Project No. 4: Structure Maintenance (RMRA = \$1,500,000) – Countywide

Description

- **Bridge Repair** – This routine item is the repair of existing bridges to restore rails and surfaces. (RMRA = \$225,000) County Project No.: 0672-6U2507
- **Repair/Replace Curbs & Sidewalks** – This routine item includes all work associated with the removal of badly cracked or broken sidewalk sections such as limited access areas, around drainage structures, islands or County property. This is performed only when sidewalks become badly cracked, broken or displaced. The curb, gutter and sidewalk areas are the property owners responsibility. (RMRA = \$200,000) County Project No.: 0672-6U2511
- **Repair/Replace Culverts** – All routine work associated with the repair and replacement of culvert and drainage facilities that are collapsed, rusted out, nonstandard or damaged. (RMRA = \$500,000) County Project No.: 0672 – 6U2512
- **Repair/Replace Retaining Walls** – All routine work associated with the repair or replacement of damaged or deteriorated sections of retaining walls. (RMRA = \$75,000) County Project No.: 0672 -6U2514
- **Repair Drainage Structure** – All routine work associated with repair and revamping of existing drainage structures. This is done to restore the facility to original condition. (RMRA = \$100,000) County Project No.: 0672 – 6U2545
- **Repair Minor Landslides** – All routine work to restore roadway due to minor landslide. (RMRA = \$300,000) County Project No.: 0672 – 6U2546
- **Repair/Replace Fence** – This routine maintenance item is to repair or replace chainlink, wire, cable, and wood fencing including gates on roads. (RMRA = \$100,000) County Project No.: 0672 – 6U2547

RMRA Priority:

- Road Maintenance and Rehabilitation

Location:

Proposed Project No. 5: Road Shoulder Maintenance (RMRA \$1,270,000) – Countywide

Description

- **Spot Shoulder Repair**– This routine item is to perform isolated shoulder repair such as drop offs or rutting. Work is performed where shoulder section has a drop off of 1.25” or more as a result of traffic or loss of material. (RMRA = \$400,000) County Project No.: 0672 – 6U2201
- **Major Shoulder Repair** –The routine item involves rehabilitating continuous sections of roadway shoulders by adding fill material, reshaping and compacting to replace extensive shoulder material lost over a period of time. (RMRA = \$150,000) County Project No.: 0672 – 6U2202
- **Reshaping Shoulder** –This routine item involves all work associated with grading and reshaping shoulders adding minimal material to correct pavement edge drop offs, rutting of shoulders, buildup of material and excessive weed growth to ensure a roadside surface with proper drainage. (RMRA = \$270,000) County Project No.: 0672 – 6U2203
- **Embankment Grading**– The routine item involves grading of the roadway embankment to restore to original condition when damaged. (RMRA = \$100,000) County Project No. 0672 – 6U2204
- **Erosion Control** –This routine item includes placing erosion control along edges roadway to prevent future erosion due to storm water runoff. (RMRA = \$100,000) County Project No.: 0672 – 6U2206
- **Cut Bench Maintenance** –This routine item is to perform grading and maintenance of benches, associated access points and adjacent ditches to restore proper line and grade. Repair damaged surface and isolated low spots by replacing, spreading, shaping and compacting of aggregate base and fill material. (RMRA = \$150,000) County Project No.: 0672 – 6U2813
- **Slide Material Removal**– This routine item is to remove material along the roadway due to a slide. (RMRA = \$100,000) County Project No.: 0672 – 6U2205

Proposed Project No. 6 – Miscellaneous Operations (RMRA \$760,000) – Countywide

Description

- **Road Patrol**– This routine item involves all work associated with hand cutting, removing and disposing of roadside and pedestrian walkway brush, tree branches and limbs to restore sight distances, eliminate traffic hazards and remove undesirable vegetation. (RMRA = \$150,000) County Project No.: 0672 – 6U2305
- **Other General Maintenance**– This item includes all routine work for activities not defined elsewhere. (RMRA = \$300,000) County Project No.: 0672 - 6U2021
- **R/W Mowing** –This routine item includes all work associated with machine mowing, hand abatement, and/or spraying of right of way or County parcels. (RMRA = \$100,000) County Project No.: 0672 – 6U2402

- **Equipment Transport** – This item is the labor and equipment cost for transporting equipment in support of Maintenance programs. (RMRA = \$110,000) County Project No.: 0672 – 6U2406
- **Graffiti Removal** – This routine work involves the removal or painting over of graffiti on County maintained fences, signs and streets. (RMRA = \$100,000) County Project No.: 0672 – 6U2414

Proposed Project No. 7: Pavement Repairs and Preparation (RMRA = \$2,472,000) - Countywide

Description:

- **Pot Hole Patching** – This routine maintenance item is to perform spot pavement repairs of pot holes along the roadway to eliminate surface hazards. (RMRA = \$250,000) County Project No.: 0672-6U2101
- **Pavement Fabric Patching** – This routine maintenance item is to perform pavement fabric patching along the roadway to correct minor pavement defects and prevent further cracking. An area of existing damaged asphalt will be removed and excavated to allow a fabric patch to be placed. The roadway base will be compacted and leveled to support the new fabric layer and asphalt layer. (RMRA = \$550,000) County Project No.: 0672-6U2102
- **Pavement Failure Repair - Backhoe** – This routine maintenance item is to conduct pavement failure repair along the roadway. This task requires the removal of a larger area of cracked or damaged pavement with a backhoe. The roadway base will be compacted and overlaid with new asphalt. (RMRA = \$250,000) County Project No.: 0672-6U2103
- **Pull Box Paving** – This is a roadway paving operation to place asphalt on localized roadway depressions to provide a smooth riding surface for the motorized public along the roadways. (RMRA = \$300,000) County Project No.: 0672-6U2104
- **Hand Patching** – This is similar to pot hole patching to conduct spot pavement repairs along the roadway, but on a smaller scale. (RMRA = \$300,000) County Project No.: 0672-6U2105
- **Crack Sealing** – This pavement preservation task is to seal cracks in the roadway. Cracks are typically filled in to seal the roadway structural section from water penetration. The goal is to prolong the service life of the pavement and/or prepare the roadway surface for an overlay. (RMRA = \$350,000) County Project No.: 0672-6U2106
- **Leveling** – This task is associated with leveling of large settlements, depressions, surface irregularities and recent large pavement repairs. This is to provide a smooth riding surface for the motorized public.. (RMRA = \$300,000) County Project No.: 0672-6U2107
- **Grinder Follow-up Paving** – This routine maintenance item is to place a thin layer of bituminous premixed material on localized settlements and base failure repairs as a follow up to the grinding operation in order to provide a smooth riding surface. (RMRA = \$80,000) County Project No.: 0672-6U2115
- **Pavement Failure Repair – Grinder** – This task is to remove badly cracked or broken pavement. The

roadway is then replaced with new asphalt and roadway base rock. This task supports pavement preservation operations and also extends the service life of the roadway pavement. (RMRA = \$92,000)

Proposed Project No. 8B: Countywide Chip Seal Projects – (RMRA = \$2,225,000)

Description:

- **Single Chip Seal Project (2022)** – This project will apply a single chip seal to various roads as a pavement preservation project. Work will also include surface preparation and pavement striping and markings. (RMRA = \$425,000) County Project No. 0672-6U2111
- **Double Chip Seal Project (2022)** – This project will apply a double chip seal to various roads as a pavement preservation project. Work will also include surface preparation and pavement striping and markings. (RMRA = \$1,800,000) County Project No. 0672-6U2113

RMRA Priority:

- Road Maintenance and Rehabilitation

Location:

- Countywide (Pacheco - 13 streets, Unincorporated Orinda - 3 streets, Unincorporated El Sobrante – 4 streets)

Proposed Schedule for Completion:

- Anticipated construction year – 2022

Estimated Useful Life:

RECUSE:

Resolution No. 2022/256

IN THE MATTER OF ADOPTING a list of projects for Fiscal Year 2022/23 funded by Senate Bill 1 (SB 1): The Road Repair and Accountability Act of 2017.

WHEREAS, SB 1, the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the County must adopt by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project’s completion, and the estimated useful life of the improvement; and

WHEREAS, the County, will receive an estimated \$19.1 million in RMRA funding in Fiscal Year 2022/23 from SB 1; and

WHEREAS, this is the sixth fiscal year in which the County is receiving SB 1 funding and will enable the County to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the County has undergone a public process to ensure public input into our community’s transportation priorities/the project list; and

WHEREAS, the County used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities’ priorities for transportation investment; and

Whereas, the funding from SB 1 will help the County maintain and rehabilitate its roadways at a significantly higher level, add active transportation infrastructure throughout the County this fiscal year and hundreds of similar projects into the future; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND by the Contra Costa County Board of

Supervisors, State of California, as follows:

1. The foregoing recitals are true and correct.
2. The following list of proposed projects will be funded in-part or solely with Fiscal Year 2022/23 Road Maintenance and Rehabilitation Account revenues:

PROPOSED PROJECTS (Total RMRA = \$19,085,600)

Proposed Project No. 1: Road Drainage Maintenance (RMRA = \$1,678,100)- Countywide

Description:

- **Ditch Cleaning** – This routine item is to perform drainage ditch cleaning to remove debris and vegetation, which may obstruct the passage of storm water and cause local flooding. (RMRA = \$550,000) County Project No.: 0672-6U2303
- **Flush Culvert** – This routine item is to perform work associated with the cleaning of culverts by flushing with water and removing debris to ensure proper drainage and reduce flooding (RMRA = \$500,000) County Project No.: 0672-6U2306
- **Clean Catch Basin** – This routine item is to perform cleaning of sediment and prevent obstructions of catch basins (drainage inlets) and related pipe systems. The County has thousands of catch basins throughout the unincorporated areas. (RMRA = \$328,100) County Project No.: 0672-6U2308
- **Inspect Catch Basin** – This routine item is to perform inspections of catch basins and associated systems. This includes a visual inspection of the drainage inlet and any clean water inserts. Follow-up video inspections may be required for deeper inlets and/or suspected structural issue concerning the inlets. (RMRA = \$300,000) County Project No.: 0672-6U2316

Proposed Project No.2: Traffic Safety Devices Maintenance (RMRA = \$1,600,000) - Countywide

Description:

- **Traffic Signing** – This routine item is to perform sign repair, replacement, and installation along the roadway. (RMRA = \$450,000) County Project No.: 0672-6U2504
- **Traffic Striping** – This routine item is to perform new painting, routine painting and replacement of pavement striping along the roadway to enhance public safety. (RMRA = \$350,000) County Project No.: 0672-6U2505
- **Paint Pavement Marking** – This routine item is to perform all work associated with new painting, routine painting, and replacement of existing pavement markings along the roadway. (RMRA = \$200,000) County Project No.: 0672-6U2506
- **Inspect & Maintain Guardrails** – This routine item is to perform all work associated with the annual/periodic inspection and maintenance of County-maintained guardrails, which includes inspection of condition, tightening of nuts and bolts, and other adjustments to ensure that the guardrails perform as designed (RMRA = \$100,000) County Project No.: 0672-6U2527
- **Thermoplastic Pavement Markings** – This routine item is to perform all work associated with the new application, routine maintenance, and replacement of existing thermoplastic pavement markings. (RMRA = \$100,000) County Project No.: 0672-6U2537
- **Safety Lighting** – This routine item is to perform the repair, installation, and replacement of County-maintained safety lighting. (RMRA = \$100,000) County Project No.: 0672-6U2801
- **Signals and Flashers** – This routine item is to perform the repair, installation, and replacement of County-maintained signals and flasher. (RMRA = \$300,000) County Project No.: 0672-6U2802

RMRA Priority:

- Road Maintenance and Rehabilitation

Location:

- Countywide

Proposed Schedule for Completion:

- Anticipated construction year – FY22/23

Estimated Useful Life:

- 10 years (roadway signage)

- 2 - 4 years (roadway striping - thermoplastic)

Proposed Project No. 3: General Housekeeping (RMRA = \$2,810,000) – Countywide

Description:

- **Machine Sweeping** - This routine item is machine sweep areas around traffic islands, intersections, bike lanes, curbs and bridge desk. (RMRA = \$200,000), County Project No.: 0672-6U2301
- **Tree Trimming** – This routine item involves removing tree branches from the County right of way around street name signs, and anything blocking roadway and pedestrian areas. (RMRA = \$600,000) County Project No.: 0672-6U2302
- **Debris Pickup** – This routine maintenance item is to remove debris, litter and nonhazardous materials within right of way. (RMRA = \$510,000) County Project No.: 0672-6U2304
- **Litter Pickup (West, Central and East)** – This work includes pick up of litter within road right of way (RMRA = \$600,000) County Project Nos.: 0672-6U2309, 2420 and 2411)
- **Weed Spray** – This routine item includes all work associated with an integrated pest management program by applying chemical herbicides to road shoulders, road ditches and access roads to control growth of vegetation for reduction of fire and sign obstruction hazards. (RMRA = \$350,000) County Project No.: 0672 – 6U2501
- **Road Median Landscape Maintenance** – This routine item includes all work associated with maintaining median island within right of way to provide a pleasing aesthetic appearance by keeping island weed free and ensure all plants are pruned on a regular basis. (RMRA = \$150,000) County Project No.: 0672-6U2811
- **Tree Removal** - This item is to remove trees within right of way on an as-needed basis. (RMRA = \$200,000) County Project No.: 0672-6U2814
- **MRP 2.0 Compliance: Street sweeping**: This item is to machine sweep roadway to ensure compliance with the Municipal Regional Permit issued by the California Regional Water Quality Control Board. (RMRA = \$200,000) County Project No.: 0672-6U2319

FISCAL IMPACT: (CONT'D)

for the continued operation and maintenance of street lighting services. The CSA L-100 total revenue (inclusive of ad-valorem, service charges, and other) is projected to be \$1,791,641.53 for Fiscal Year 2021-2022 and will be \$1,868,685.48 for Fiscal Year 2022-2023. In Fiscal Year 2021-2022 the basic service charge was \$14.94/year per equivalent dwelling unit for a single-family home and will remain the same for Fiscal Year 2022-2023.

BACKGROUND:

On June 7, 2022, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2022/121 confirming the Fiscal Year 2022-2023 Tentative Annual Report on proposed service charges for CSA L-100. CSA L-100 provides street lighting services.

On July 1, 2022, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2022-2023. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the class or land use of a parcel. Upon review of the official assessment roll, staff determined that revisions to the Tentative Annual Report were required to conform to the official assessment roll. These included changes in the use code of parcels. The Tentative Annual Report as revised is the Final Annual Report. See Attachment 1.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2022/232 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2022-2023.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2022-2023 Final Annual Report is not adopted, service charges for CSA L-100 would not be levied or collected in Fiscal Year 2022-2023 and street lighting would have to be selectively eliminated throughout the County to meet decreased funding levels.

Resolution No. 2022/232

IN THE MATTER OF: Confirmation of Fiscal Year 2022-2023 Final Annual Report for County Service Area L-100 and levy of service charges (Countywide Street Lighting)

WHEREAS, the Board on June 7, 2022, adopted Resolution No. 2022/121, confirming the Fiscal Year 2022-2023 Tentative Annual Report for County Service Area (CSA) L-100.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2022-2023 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2022-2023, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and hereby modifies the Final Annual Report as follows: The Final Annual Report includes the Final Roll which lists all parcel changes to the Tentative Roll submitted in the Tentative Annual Report on June 7, 2022. The Final Roll shows the current lists of parcels with updated use codes.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2022-2023 Final Annual Report for CSA L-100, as modified, and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2022-2023.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

BACKGROUND INFORMATION

On October 31, 1978, the Board of Supervisors instructed the Public Works Director to develop an alternate means to supplement ad valorem property taxes to fund street lighting in unincorporated County Service Areas. This report recommends the levying of a street lighting charge as provided in the County Service Area Law, Government Code, Sections 25210.1 and following, and in accordance with Ordinance No. 79-42, adopted by the Board of Supervisors on March 27, 1979.

County Service Area (CSA) L-100 was formed on September 10, 1986, as a dependent special district of the County and as the consolidation of four street-lighting CSAs. The purpose for consolidating the four CSAs into one district was to provide more efficient and cost-effective street-lighting services throughout the County by having one new county service area with a single management structure and operational area throughout the County and in order to finance the cost of lighting services more equitably utilizing a common service charge structure.

CSA L-100 provides street lighting operations and maintenance services throughout the County's unincorporated developed areas and pays for utility costs.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2022/121, on June 7, 2022, and conducted a Public Hearing in connection with the proceedings for CSA L-100.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's general taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of the annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Street Light Capital Project Implementation

As of late 2015, Contra Costa County has completed the conversion of County-owned standard street lights from high-pressure sodium vapor to light-emitting diode (LED) lights.

In 2021, a capital street light installation project was completed in Bay Point. The project installed street lighting along Suisun and Pullman Avenues to decrease illegal dumping in the area. The project was funded by the Contra Costa County Illegal Dumping Initiative.

In Fiscal Year 2021-2022, CSA L-100 plans on continuing an inspection program to assess, identify, and replace obsolete, damaged, and leaning street light poles. In addition, the district currently administers an active Asset Management project that integrates the accounting, inspection, and on-going repair of street light assets. CSA L-100 is also implementing an analysis of the long-term fiscal requirements for the area so that it remains financially stable while providing the proper levels of service.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2021-2022 projected and Fiscal Year 2022-2023 proposed revenues and expenditures are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA L-100. The total cost to provide the street lighting services can be recovered from the collection of service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the street lighting services may also be included.

When CSA L-100 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed street lighting operations and maintenance services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Although the District's annual service charges are generally collected on the property tax rolls, the District's service charges are not "taxes." Service charges are distinct from the regular one percent (1%) property tax and property tax debt override in that assessment rates are not levied on an ad valorem basis. The service charges contained in this report are considered assessments under Proposition 218.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap), then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation, maintenance, and capital replacement costs associated with street lighting improvements as described herein, if they receive a special and direct benefit from the improvements. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA L-100.

In the absence of the annual service charge, the street light improvements within CSA L-100 would not be provided, therefore the enhanced public services provided within CSA L-100 confer a special benefit on the properties within the boundaries of CSA L-100 because only the parcels located within the boundaries of the CSA are served. Without the services, the property located in the unincorporated area would receive no street lighting and no special benefits. Therefore, the services in CSA L-100 are 100 percent special benefit to the parcels within the CSA.

Special benefits conferred on property within the CSA from the public street lighting improvements include:

- Providing for safe vehicular and pedestrian access to property,
- Providing improved livability, appearance, and desirability of property within the CSA, and
- Providing safety and security to property due to enhanced illumination of the property.

Properties outside of CSA L-100 do not enjoy the close proximity to the street light improvements provided by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. Although these improvements may be available to the public at large, the public street lighting within the CSA was specifically designed, located, and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the

public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the improvements.

In addition to the special and direct benefits the property owners receive within the CSA from the street lighting improvements, it has been determined that no general benefits are associated with street lighting within CSA L-100. Furthermore, any benefits conferred by the street lights to the public at large are considered to be incidental, negligible, and non-quantifiable benefits. The street light improvements described herein within this report, confer special benefits that affect the assessed property in a way that is distinct from their effects on other parcels and which real property in general and the public at large do not share.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The proper functioning of street lighting is imperative for the welfare and safety of the property owners throughout the County. Proper operation, maintenance, and servicing of a street-lighting system benefits properties by providing increased illumination for ingress and egress, safety for traveling at night, improved security, protection of property and the reduction of traffic accidents.

The degree of benefit is determined by the use of each individual parcel, the intensity of illumination provided, the number of pedestrians generated, and the enhanced security during hours of darkness. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor. The single-family residential parcel is considered one unit of benefit (1.00 EDU). All other land uses have been analyzed to determine the benefit they receive from the intensity of illumination provided, the number of pedestrians generated by their property and the enhanced security to their property during hours of darkness.

The single-family residential parcel has been selected as the basic unit for the calculation of service charge since it represents approximately 72 percent of the parcels within the County. Therefore, the single-family residential parcel is defined as one Equivalent Dwelling Unit (EDU). The methodology used to assign EDUs to the land uses in proportion to the benefit they receive relative to the single family residential parcel is based on the intensity of the street lighting illumination adjacent to the parcel, the amount of pedestrian traffic generated from the parcel, and the security received from the street lighting to the parcel.

FISCAL IMPACT: (CONT'D)

for the continued operation and maintenance of a water supply system. The CSA M-28 annual service charge was \$112,561.78 for Fiscal Year 2021-2022 and will be \$118,407.56 in Fiscal Year 2022-2023. This increase is based on the change in the Consumers Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The annual service charges for CSA M-28 will be levied on one parcel in Fiscal Year 2022-2023.

BACKGROUND:

Since 1991 the CPI for the San Francisco Bay Area (All Urban Consumers) and the costs to operate and maintain the water supply system improvements have increased; however, the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased per parcel with an allowance for an adjustment each subsequent year based upon the All Urban Consumers CPI.

On June 7, 2022, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2022/122 confirming the Fiscal Year 2022-2023 Tentative Annual Report on proposed service charges for CSA M-28. CSA M-28 provides continued operation and maintenance of a water supply system.

On July 1, 2022, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2022-2023. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The service charges in the Final Annual Report are higher than the charges levied in Fiscal Year 2021-2022 because they incorporate an automatic adjustment approved by the property owner in CSA M-28 in 2007. The annual adjustment provision allows for an increase each year based upon the change in the CPI for the San Francisco Bay Area (All Urban Consumers). For Fiscal Year 2022-2023 the increase is 5.19% over the Fiscal Year 2021-2022 service charge rates. The Board approved this provision on August 7, 2007.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2022/233 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2022-2023.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2022-2023 Final Annual Report is not adopted, service charges for CSA M-28 would not be levied or collected in Fiscal Year 2022-2023 and CSA M-28 would be unable to provide continued operation and maintenance of a water supply system and an alternate source of funding would have to be identified.

BACKGROUND INFORMATION

The Willow Mobile Home Park is located on Bethel Island and consists of one (1) 23-acre parcel that includes 172 mobile homes. In order for safe water services to be provided, it was recommended that a Community Service Area (CSA) be formed.

On December 10, 1991, the Contra Costa Board of Supervisors approved County Resolution 91/807 which formed CSA M-28 (Willow Mobile Home Park Water District). CSA M-28 was formed pursuant to the County Service Area Law to ensure the proper flow of funds for the ongoing operation, maintenance, and servicing of community water system services within the Bethel Island Area.

CSA M-28 has been given the power to acquire, construct, operate, replace, maintain, and repair a water supply and distribution system as authorized by California Government Code Section 25210.4(d) and 25120.4a(1). The funding for CSA M-28 comes from service charges which are obtained from the users of the water system, in accordance with former Government Code Section 25210.77a, Government Code Section 25210.9 and County Ordinance Section 1012-2.6.

CSA M-28 owns and operates a well and a reverse osmosis (RO) system. Water is pumped from the well and is treated through a RO system. The treated water is stored in a 20,000 gallon tank. From the tank, the water is supplied via a single point to the Willow Mobile Home Park.

In October 2014, a town hall meeting was held at the Willow Mobile Home Park to discuss the future of CSA M-28. The main issue discussed was that the existing aging RO system was becoming more expensive to maintain and in need of significant capital improvements. The cost of maintaining this system exceeded the annual funding available. Without a major investment, it was anticipated that the RO system could eventually fail. Alternatives were introduced (status quo, increase service charge to pay for the necessary improvements, connect to Diablo Water District, and request State waiver for secondary standards). It appeared that the majority of the residents at the meeting preferred CSA M-28 to move toward reduction in service by requesting a waiver for secondary standards from the State. This alternative included removing the RO system and providing the minimum allowable water treatment.

By removing the RO treatment, the water would only meet the primary standards and would meet most, but not all, of the secondary standards. CSA M-28 would seek a waiver from the State for the secondary standards. Of all the alternatives presented at the town hall meeting, reducing water treatment allows the rate to be the lowest. It will also allow each individual mobile home to decide what type of treatment they prefer. Whereas, maintaining a more expensive community treatment system, such as the RO, forces everyone to pay for the same level of treatment.

Subsequent to the town hall meeting, on December 16, 2014, the Board of Supervisors authorized a vote by the parcel owner. CSA M-28 requested the mobile home park owner, the single rate payer to CSA M-28, to vote if they would be willing to pay a higher rate to fix the existing RO system or reject the rate increase and move toward reduced services. The mobile home park owner informed the County that they took a survey of the mobile home park residents and the survey indicated the mobile home park residents wanted them to vote against the rate increase. In early

***CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2022-2023***

2015, the mobile home park owner submitted the ballot and voted against a rate increase. On March 3, 2015, the ballot was opened and the Board determined that there was a majority protest against a rate increase and directed staff to seek a waiver from the State.

Based on the vote to reject the rate increase, CSA M-28 began the process to move toward reducing the water treatment service. As required by the regulations to obtain the waiver for secondary standards, CSA M-28 contracted with a consultant to provide the necessary report.

In late 2015, when staff visited the CSA M-28's facility to perform a site review and obtain test samples, it was discovered that the RO system was not operating. The previous operator had turned off the RO system without informing CSA M-28 staff. The site review revealed that the water from the well was bypassing the RO system. However, the previous operator did install a chlorination system. Although the water had not gone through the RO system, the water did receive treatment. This revised system is similar to CSA M-28's proposal to the State to replace the RO system.

Despite the fact that the revised system is similar to what the CSA M-28 staff planned to present to the State, the unilateral decision to make the changes and lack of communication by the previous operator were not acceptable to CSA M-28. CSA M-28 staff directed test samples to be taken by the consultant to make sure the water complied with the primary standards. It was anticipated that the water would comply with primary standards because historically the raw water from the well has complied. This is the reason why a reduced service was a viable option being considered in 2014 when the County met with the residents. The consultant subsequently reported that the water under the revised system complied with the primary standards. CSA M-28 staff also replaced the operator. Lastly, CSA M-28 staff communicated with County Environmental Health, the regulatory agency, of the discovery and the actions taken.

Changes at CSA M-28 have resulted in a new system operator and movement toward the same goals as discussed at the town hall meeting:

- 1) Obtain waiver from regulatory agency,
- 2) Reduce the level of community water treatment, and
- 3) Allow each resident to establish the appropriate system at their own mobile home.

In Fiscal Year 2015-2016, CSA M-28 made improvements to the aging system and infrastructure. Some of the improvements completed included the upgrade of the auto-dialer alarm system, installation of a flow-based chlorine injection pump system, and installation of new wiring to the well pump. In Fiscal Year 2016-2017, CSA M-28 also replaced the existing well pump and upgraded its emergency response options by entering into an agreement with a nearby water district and contract with a water delivery/hauling company, to supply water to the Willow Mobile Home Park during emergency events.

In Fiscal Year 2016-2017 a draft study was completed per state requirement in order to obtain a waiver. Some of the tasks completed in this study included; conducting additional water samples and analyzing additional alternatives. Future tasks will include compiling additional survey data, meeting with the State, and constructing some capital improvements.

***CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2022-2023***

In Fiscal Year 2017-2018 task orders were issued to the consultant for the preparation of a design memorandum, which documents the design philosophy for the proposed modifications, and design plans and specifications. The design memorandum was completed in January of 2020.

CSA M-28 has implemented several improvements to the facility in Fiscal Years 2018-2019 and 2019-2020 to make operations and maintenance more resilient and sustainable. These improvements include:

- Installation of a double-contained and seismically-restrained sodium hypochlorite tank with a 50-gallon reservoir capacity to assure sustained operation;
- Purchase of a second sodium hypochlorite dispensing pump as a backup;
- Purchase of a spare parts kit for the primary sodium hypochlorite dispensing pump to assure continuous operations and quick repairs;
- Improvements to electrical service to improve operational resilience; and
- Installation of a water flow meter to accurately measure the amount of groundwater pumped.

In Fiscal Year 2020-2021, CSA M-28 installed an emergency generator connection to the aging water treatment system so that a generator can be used to provide electrical power in case of a power outage or emergency. Facility improvements were ongoing and continued in 2021.

In Fiscal Year 2021-2022, CSA M-28 installed new metal doors and a sign identifying the ownership and operation of the facility. By the end of the fiscal year, CSA M-28 will install a new Verbatim autodialer that has improved messaging features and functionality giving the facility a better messaging system to match the needs of the water system and facility.

On September 8, 2021, the Contra Costa Local Agency Formation Commission (LAFCO) voted to approve the annexation of the mobile home park to the Contra Costa Water District (CCWD) and the Diablo Water District (DWD). The annexation brought the mobile home park into the service boundaries of both CCWD and DWD, and will allow for the eventual extension of municipal water service to the 172 mobile homes. CCWD could provide the wholesale water and DWD could provide treated water to the mobile home park with the extension of the waterline.

DWD is currently evaluating State Water Resources Control Board grant funding for the design and construction of the water line extension. The mobile home park owner supports the extension of the municipal water service to the mobile home park. The Contra Costa Board of Supervisors also submitted a letter supporting the annexation to CCWD and DWD.

Pending DWD connecting to the mobile home park, CSA M-28 will continue to operate the existing water system and provide water to the mobile home park and will continue to seek a waiver from the State. Future projects at CSA M-28 will include the demolition and removal of the non-operable portions of the treatment plant, such as the RO system, and facility upgrades as needed to maintain operability.

The COVID-19 pandemic began in late 2019 and has continued through the reporting period. There has not been any impact to the operations of CSA M-28 due to COVID-19.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2022/122, on June 7, 2022, and conducted a Public Hearing in connection with the proceedings for CSA M-28.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2021-22 projected and Fiscal Year 2022-23 proposed revenues and expenditures for CSA M-28 are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA M-28. The total cost of construction, operation, and maintenance and servicing of the water system can be recovered from the collection of charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the construction, operation and maintenance, and servicing of the water system may also be included.

When CSA M-28 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed operation, maintenance and servicing of extended community water system services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

In Fiscal Year 2022-2023, CSA M-28 plans to continue the efforts to obtain the waiver from the State. Obtaining the waiver from the State is a significant effort that may include taking additional water samples, analyzing additional alternatives, compiling additional survey data, meeting with the State, etc. All the information gathered will be documented in an Engineer's Report and presented to the State.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation, maintenance, and capital replacement associated with the water system serving the Bethel Island community, as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-28.

Special benefits are conferred on property within the CSA from the water system by enhancing the desirability of property within the CSA due to lower costs associated with the treatment of drinking water, removing contaminants from the water being provided to the property, increases in health and wellness, and an improved quality of life.

Properties outside of CSA M-28 are not served by the water system being operated and maintained from service charge revenues, therefore property outside the boundary of the CSA do not receive special benefits. The services within the CSA was specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the water system, it has been determined that no general benefits are associated with the water system provided within CSA M-28 because the conferred special benefits that are provided to the charged property are not provided to property outside of the CSA or the public at large.

The annual service charges pay for the operation of the water system provided within CSA M-28. The enhanced water system provided to property within CSA M-28 confer a special benefit and only serve those parcels within the boundary of the CSA. Without the services, the property located in the unincorporated area would not have a localized water system to treat their water. Therefore, the services in CSA M-28 are 100% special benefit to the parcels within the CSA.

**CSA M-28 Willow Mobile Home Park Water District Final Annual Report
Fiscal Year 2022-2023**

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The maximum charge rate was previously set at \$75,300 per parcel (1991 dollars). Since 1991 the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers and the costs to operate and maintain the improvements increased, however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased to \$79,818 per parcel with an allowance for an increase each subsequent year based upon the San Francisco Bay Area – All Urban Consumers commencing with April 2007 (215.842). In Fiscal Year 2008-09 the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year.

Due to an aging system, the cost of operating and maintaining water facilities continues to increase. It was proposed in Fiscal Year 2010-2011 that the charge rate be increased to \$95,500 per parcel (8.5% increase). However, this increase was not supported by the property owner, and therefore the 8.5% increase was not imposed.

A rate increase was proposed again in Fiscal Year 2014-2015, so that the charge rate be increased from \$91,937 to \$335,939 per parcel. However, this increase was not supported by the property owner, and therefore the increase was not imposed.

Rate

The February 2022 CPI Index is 320.195, therefore the maximum rate for Fiscal Year 2022-2023 can be increased 5.19% to \$118,407.56 per parcel. CSA M-28 proposes to levy charges at the maximum rate for Fiscal Year 2022-2023.

In Fiscal Year 2022-2023, it is recommended based upon projected expenditures, that the maximum rate of \$118,407.56 per parcel be collected. The estimated \$118,407.56 in revenue will be needed to provide the services referenced above in Fiscal Year 2022-2023. There is one parcel that is included in the CSA. If the charge of \$118,407.56 is divided by one (1) parcel, the service charge per parcel is \$118,407.56.

FISCAL IMPACT:

The levy of the annual service charges in CSA M-30 will provide revenues for police services, park and roadside landscape maintenance, public street maintenance and street lighting services. The CSA M-30 total annual service charge was \$57,320.00 for Fiscal Year 2021-2022 and will be \$61,502.40 in Fiscal Year 2022-2023. This increase is based on the approved annual escalator outlined in the CSA M-30 formation documents. The annual escalator is equal to the annual change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers) plus two (2) percent. There are 40 developed parcels in the CSA. The service charge per parcel for CSA M-30 was \$1,433.00 for Fiscal Year 2021-2022 and will be \$1,537.57 for Fiscal Year 2022-2023.

BACKGROUND:

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers plus two percent (2%).

On June 7, 2022, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2022/123 confirming the Fiscal Year 2022-2023 Tentative Annual Report on proposed service charges for CSA M-30. CSA M-30 provides police services, park and roadside landscape maintenance, public street maintenance and street lighting services.

On July 1, 2022, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2022-2023. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2022/234 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2022-2023.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2022-2023 Final Annual Report is not adopted, service charges for CSA M-30 would not be levied or collected in Fiscal Year 2022-2023. Therefore, CSA M-30 would be unable to provide police services, park and roadside landscape maintenance, public street maintenance and street lighting services and an alternate source of funding would have to be identified.

BACKGROUND INFORMATION

In August 1989, the Town of Danville (“Town”) and the County of Contra Costa (“County”) entered into a Memorandum of Agreement to undertake a joint-jurisdiction General Plan and project review for the Alamo Springs Project (“Project”), which is located north of Interstate 680 off Alamo Springs Drive. The project originally provided for the development of 53 single-family homes, of which 11 were to be located within the Town of Danville and 42 were to remain in the unincorporated portion of Contra Costa County.

After certification of an Environmental Impact Report (EIR) for the Project, the Board of Supervisors on December 8, and 15, 1992, approved the Project. The unincorporated area of the Project was simultaneously rezoned to a planned unit development. On January 23, 1996, the Town and County entered into a new Memorandum of Agreement, superseding the August 1989 Memorandum of Agreement, to establish procedures for joint review and approval of the project.

During the planning process, it was decided that the Town would provide extended services in the form of police, public street maintenance, park and roadside landscape maintenance to the homes in the unincorporated area. Public Street lighting would be provided by Contra Costa County. It was decided that a benefit assessment or service charge collected on the property tax bills via a County Service Area (CSA) was the best funding mechanism to pay for the increased services.

On September 3, 1997, Danville Town Council adopted Resolution No. 124-97, requesting Contra Costa County Local Agency Formation Commission (“LAFCO”) approve formation of County Service Area (CSA) M-30. On November 17, 1997, LAFCO approved formation of CSA M-30.

On May 5, 1998, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 1998/235, which authorized the annual levy of service charges on the parcels located within CSA M-30 to fund extended public services.

The services provided by CSA M-30 are:

1. **Police Services.** All police services provided to residents by Town police, including without limitation, community services, crime prevention, investigation, patrol, and traffic enforcement.
2. **Park and Roadside Landscape Services.** All park and roadside landscape services provided to residents including without limitation, maintenance of parks and other public facilities, such as the Danville Library and Community Center, and maintenance of all roadside and median landscaping.
3. **Public Street Maintenance.** All public street maintenance, including without limitation, repair and replacement of asphalt on public streets, crack sealing, and other maintenance measures to protect and prolong the life of the public streets, repair and replacement of street signs, stop signs, etc.
4. **Street Lighting.** The operation, maintenance and servicing of public streetlights and appurtenant facilities as required to provide safe lighting along public streets. Maintenance is provided by Contra Costa County.

There has not been any impact to the operations of CSA M-30 due to COVID-19.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board conducted a Public Hearing and then made a determination on each estimated service charge in the tentative report. Contra Costa County Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2022/123, on June 7, 2022, and conducted a Public Hearing in connection with the proceedings for CSA M-30.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2021-2022 projected and Fiscal Year 2022-2023 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and coding of expenditures for CSA M-30. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the extended services may also be included.

When CSA M-30 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed services. This analysis was based on the estimated expenses for each service component (police, parks, roadside landscape, street maintenance, and street lighting). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if future increases in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA M-30 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the homes located in the unincorporated area would receive standard County police services, limited park and roadside landscape services, limited public street maintenance, and no County public street lighting. Standard County police services are characterized by 1.1 officers per 1,000 residents, and traffic enforcement would be provided by the California Highway Patrol on an as requested basis. Therefore, the services in CSA M-30 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. The parcels of the Project that make up CSA M-30 are all designated for residential use. The projects Covenants, Conditions and Restrictions (CC&R's) require that most parcels be developed with a main residential unit of at least 3,500 square feet. While the parcel sizes vary, they all have substantially the same size building pads. It is anticipated that homes built on these lots will be similar in size and that the size of families who live in these homes will be similar. For these reasons, the need for, and the use of each of the services (miscellaneous police, park and roadside landscaping maintenance, public street maintenance and County public street lighting) will be substantially the same for each parcel. Therefore, the same service charge will be levied on each developed parcel within CSA M-30. In order for a parcel to be classified as developed, a building permit must be issued prior to April 30.

***CSA M-30 Alamo Springs Final Annual Report
Fiscal Year 2022-2023***

The methodology for calculating the service charge per parcel for each of the services is similar. In Fiscal Year 1997-98 the service charge per parcel was set at \$467.13 per parcel. To determine the cost per parcel, the total budget for providing service to the current service area was divided by the total number of parcels or units within the current service area. Please refer to Contra Costa County Resolution 1998-235 for a detailed report that includes the initial calculation of this service charge.

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for San Francisco-Oakland-San Jose plus two percent (2%). The base CPI index used in annual calculations began with April 1997 (159.6). However, starting in Fiscal Year 2010-2011, the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year. Any change in the rate per developed parcel, which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

Rate

For Fiscal Year 2021-2022 the allowed maximum rate was \$1,433.00 per developed parcel. The Fiscal Year 2022-2023 rate has been calculated as follows:

\$1,433.00 per developed parcel in Fiscal Year 2021-2022
+5.19% CPI increase for FY 2022-2023 = \$1,507.42
+2.00% increase for FY 2022-2023 = \$1,537.57.

In Fiscal Year 2022-2023, it is recommended, based upon projected expenditures, that the maximum rate of \$1,537.57 be collected. It is estimated \$61,502.40 in revenue will be needed to provide the services referenced above in Fiscal Year 2022-2023. There are 40 parcels that have had a building permit issued. If you divide \$61,502.40 by 40 homes, the service charge per parcel is \$1,537.57. The charge per parcel may vary slightly due to rounding adjustments.

Subject: ADOPT Resolution No. 2022/235 confirming Fiscal Year 2022-2023 Final Annual Report for County Service Area M-31 and Levying the Service Charges.

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2022-2023 Final Annual Report on service charges in County Service Area (CSA) M-31 (“Final Annual Report”), a copy of which is attached.
2. ADOPT Resolution No. 2022/235, confirming the Final Annual Report and levying the service charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2022/235 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the service charges on the assessment roll for Fiscal Year 2022-2023, the service charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

FISCAL IMPACT:

The levy of the annual service charges in CSA M-31 will provide revenues for transportation demand management services. The CSA M-31 total revenue was \$351,344.56 for Fiscal Year 2021-2022 and will be \$369,591.16 in Fiscal Year 2022-2023. This increase is based on the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The service charges for CSA M-31 were \$76.59/developed residential unit and \$0.1348 per developed commercial square foot in Fiscal Year 2021-2022. The service charges for CSA M-31 are \$80.57/developed residential unit and \$0.1418 per developed commercial square foot in Fiscal Year 2022-2023.

BACKGROUND:

The maximum service charges may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers.

On June 7, 2022, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2022/124 confirming the Fiscal Year 2022-2023 Tentative Annual Report on proposed service charges for CSA M-31. CSA M-31 provides transportation demand management services.

On July 1, 2022, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2022-2023. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the class or land use of a parcel. Upon review of the official assessment roll, staff determined that no revisions were required. The Tentative Annual Report is the Final Annual Report.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2022/235 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2022-2023.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2022-2023 Final Annual Report is not adopted, service charges for CSA M-31 would not be levied or collected in Fiscal Year 2022-2023. Therefore, the District would be unable to provide transportation demand management services and an alternate source of funding would have to be identified.

IN THE MATTER OF: Confirmation of Fiscal Year 2022-2023 Final Annual Report for County Service Area M-31 and levy of service charges (Contra Costa Centre Transit Village)

WHEREAS, the Board on June 7, 2022, adopted Resolution No. 2022/124, confirming the Fiscal Year 2022-2023 Tentative Annual Report for County Service Area (CSA) M-31.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2022-2023 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2022-2023, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2022-2023 Final Annual Report for CSA M-31 as presented and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2022-2023.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

BACKGROUND INFORMATION

In 2002 it was recognized that the area commonly known as Contra Costa Centre Transit Village, in the unincorporated portion of Contra Costa County, would be redeveloped, creating a need for new transit services. Contra Costa Centre Transit Village is located east of Interstate 680.

The Contra Costa Centre Transit Village benefits residents and employees with a variety of travel mode options. A core element of the travel mode options for residents and employees, and a key traffic mitigation measure in the California Environmental Quality Act (CEQA) documents certified at the time of adoption and amendment of the Contra Costa Centre Transit Village Specific Plan, was the establishment of Transportation Demand Management (TDM) programs. TDM programs include carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc. The property owners within Contra Costa Centre Transit Village collectively had a mandate to achieve at least 30% TDM performance (i.e. 30% or more of the area employees arrive at work via something other than a single-occupied car).

The Contra Costa Centre Transit Village Association is the collective mechanism by which the developer/property owner's obligation for TDM programs is achieved. The Contra Costa Centre Transit Village Association is a private non-profit corporation whose membership consists of the property owners in the area. It has been in existence since the mid-1980s.

On April 23, 2002, the Board of Supervisors approved Resolution Nos. 2002/256 and 2002/257 which recommended to the Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) M-31, Contra Costa Centre Transit Village.

The properties within CSA M-31 receive a special and distinct benefit over and above the general benefits received by the public at-large in the form of extended TDM services. These extended transportation services consist of the implementation of TDM programs as discussed in this report and in the Plan for Providing Services for CSA M-31, which is on file with LAFCO. Resolution 2002/256 further stated that CSA M-31 services should be supported by a benefit assessment, service charge or special tax levy on parcels that receive this special and distinct benefit from the CSA M-31 services.

On June 11, 2002, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2002/362 which authorized the annual levy of benefit assessments or service charge on the parcels located within CSA M-31 to fund TDM programs.

On July 10, 2002, LAFCO conducted a public hearing and subsequently approved Resolution 02-19 which formed CSA M-31.

For each year since Fiscal Year 2002-2003, benefit assessments or service charges have been levied within CSA M-31.

On June 3, 2008, by Resolution No. 2008/366, the Board of Supervisors approved the annexation of Subdivision 05-8950 (Pleasant Hill BART Redevelopment Property) into CSA M-31. This annexation was subsequently approved by LAFCO Resolution 08-19 on August 13, 2008.

The following is a list of programs and services that have been proposed to be funded in Fiscal Year 2022-2023 by CSA M-31:

- 1) Transit Subsidy Program: Load on Clipper card \$50 value BART fare for \$20. Must pledge to take BART to work a minimum of three days per week.
 - 80 participants for nine months
- 2) Carpool Incentive Program: Provide two \$15 Chevron gas cards per carpool per month for nine months.
 - 20 participants for nine months
- 3) Bus Subsidy Program: Purchase a \$60 value monthly County Connection bus pass or reimbursement of other transit bus pass for \$30.
 - 15 participants for nine months
- 4) Bike/Walk to Work Incentive Program: Bike or walk to work at least three times per week per month, a minimum of 12 times each month, and receive a \$15 voucher.
 - 10 participants for nine months
- 5) Guaranteed Ride Home Program: This program is managed by Contra Costa Centre Transit Village. The program is an “insurance policy” against being stranded without a way to get home for commuters who take a commute alternative (carpool, vanpool, public transit, bicycle or walk) to work and have a qualified emergency which does not allow them to use the commute alternative to return home.
- 6) Mid-Day Shuttle: The mid-day shuttle, a clean air natural gas shuttle, runs from 10:30 a.m. – 2:10 p.m., Monday through Friday, with stops at all Centre buildings between the Contra Costa Centre Transit Village, the Countrywood Shopping Mall and Kohl’s, free of charge.
- 7) Green Fleet Program: The Contra Costa Centre Transit Village (CCCTV) provides employees with access to local vehicles (e.g. bicycles, electric bicycles, electric and hybrid cars) to use through the Contra Costa Centre Transit Village and vicinity during the workday. Employees are able to check-out vehicles online or electronically at various kiosk locations. The Green Fleet programs are free to CCCTV employees.
- 8) Marketing Plan: The Contra Costa Centre Transit Village markets the program through newsletters, posters, brochures and promotional handouts. Additionally, they meet with employers and employees directly, and host events and transportation fairs to ensure Centre area workers are informed of the various commute alternatives, subsidies and incentives available to them through the Contra Costa Centre Transit Village TDM Program.

These TDM services may be amended annually, including the addition or deletion of the services as required to meet the 30% TDM performance goal as determined by Contra Costa County in consultation with the Contra Costa Centre Association or its successor.

COVID-19 Impact

Contra Costa Centre Association closed TDM services on March 16, 2020 to comply with the Contra Costa County Health Officer Order regarding COVID-19. On June 1, 2020, Contra Costa Centre Association reopened TDM services with the following procedures in place:

- Shuttle service resumed with the two seats nearest the driver roped off to provide social distancing;

- The shuttle driver will wear a mask and will disembark prior to passenger boarding to minimize contact;
- Shuttle passengers are required to wear masks;
- The shuttle driver will frequently wipe down contact surfaces with disinfectant wipes;
- The fleet of electric vehicles has been sent out for deep cleaning and subsequent users will be provided with sanitary wipes to clean contact surfaces;
- Disinfectant wipe will be provided to bicycle users;
- Issuance of transportation passes and subsidies, which formerly took place in the Contra Costa Centre office, will now take place outside the office on the sidewalk at the office entrance;
- Social distancing markers on the sidewalk will be provided to keep users at the appropriate spacing; and
- New signage will be posted in the Contra Costa Centre lobby informing users of the above-noted changes.

Based on the available reserves, CSA M-31 will be able to sustain operations and manage its budget despite the implementation of safety procedures due to COVID-19.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board conducted a Public Hearing and then made a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2022/124, on June 7, 2022, and conducted a Public Hearing in connection with the proceedings for CSA M-31.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs, the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services are spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2021-2022 projected and Fiscal Year 2022-2023 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and the coding of expenditures for CSA M-31. The total cost to provide the TDM services can be recovered from the collection of these service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the TDM services may also be included.

When CSA M-31 was formed for the ongoing funding of the Contra Costa Centre Transit Village's TDM Program, a financial analysis was performed to provide the framework for an operating budget for the proposed extended transportation demand management services. This was based on the estimated expenses for each TDM service program component (carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc.). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be assessed for the operation and services associated with the TDM Program as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-31.

Special benefits are conferred on property within the CSA from the TDM Program and associated services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to property, by increasing access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA M-31 do not enjoy the Transportation Demand Management Program and the associated services by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA was specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the services.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with TDM services within CSA M-31 because the conferred special benefits that are provided to the assessed property are not provided to other parcels and which real property in general and the public at large do not share.

The annual service charge pays for the TDM Program and associated services provided within CSA M-31. The enhanced public services provided within CSA M-31 confer a special benefit to property in the CSA. Transportation Demand Management services associated with CSA M-31 are only provided to parcels within the CSA and are not provided to the general public. Without the charges, the parcels located in the unincorporated area would receive no Transportation Demand Management Program services. Therefore, the services provided in CSA M-31 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Developed Residential Property: Developed Residential Property consists of property which has had a residential building permit issued prior to April 30 and is classified by the County Assessor's office as single-family residential, multi-family residential, apartment, condominium, townhome, townhouse, co-op, cluster home, or any other type of property which has been developed for residential use for which occupants live and occupy for extended periods of time. Developed Residential Property does not include hotel and motel use.

Developed Commercial Property: Developed Commercial Property consists of property which has had a commercial building permit issued prior to April 30 and is classified by the County Assessor's office as commercial property. Developed Commercial Property includes, but is not limited to, retail stores and shopping centers, office buildings, conference centers, hotels and motels, or any other type of property which has been developed for commercial use.

Exempt Property: Exempt Property consists of property not classified as Developed Residential Property or Developed Commercial Property. However, Exempt Property does include property that has been previously classified as Developed Residential Property or Developed Commercial Property which has subsequently had the building structure located on the parcel demolished prior to April 30. This parcel would then remain as an Exempt Property until such time another building permit is issued prior to April 30 to reclassify the parcel as Developed Residential Property or Developed Commercial Property. Exempt Property also includes: parking lots, parking garages, roadways, open space and undeveloped property for which a building permit has not been issued prior to April 30.

The methodology for calculating the service charge per parcel for the Services is explained below.

Developed Residential Property - It is anticipated that not all of the TDM programs will be provided to the Developed Residential Property owners. The most viable programs to reduce the number of single occupied vehicular trips are the Shuttle Program in conjunction with the Marketing Program. The cost to provide these programs to the Developed Residential Property owners at build-out was estimated to be \$28,386.36 per year (in FY 2007-2008 dollars). Since each residential unit is similar in size and receives the same degree of benefit from the residential TDM programs, each residential unit is charged an equal share of the Residential TDM program costs. It is anticipated that there will be 522 residential units at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual charge was set at \$54.38 per residential unit.

Developed Commercial Property - It is anticipated that all TDM programs will be provided to the Developed Commercial Property owners. The cost to provide these TDM services to Developed Commercial Property owners at build-out was estimated to be \$238,121.84 per year (in Fiscal Year 2007-08 dollars). For Developed Commercial Property, the amount of building floor area directly correlates to the number of potential employees located on each parcel. These total floor area numbers are used to calculate the proportional special benefit received by each Developed Commercial Parcel within the District. Building floor area is defined by the gross square footage of the buildings exclusive of parking. The building square footage is shown on the Service Charge List in the following pages and serves as the basis for calculation of the annual charges for Developed Commercial Property. It is anticipated that there will be 2,487,190 square feet of commercial development at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual charge rate was set at \$0.0957 per square foot.

Service Charge Rate

The maximum charge rates may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose. The base CPI used was June 2007 (216.123). Starting in Fiscal Year 2008-2009 the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year. Any change in the rate, which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

For Fiscal Year 2022-2023 the allowed maximum rate is shown below and has been calculated as follows:

The February 2022 CPI is 320.195; this is a 5.19% increase over the February 2021 CPI.

Developed Residential

\$76.59/residential unit in Fiscal Year 2021-2022
+5.19% CPI increase for FY 2022-2023 = \$80.57

Developed Commercial

\$0.13480/square foot in Fiscal Year 2021-2022
+5.19% CPI increase for FY 2022-2023 = \$0.1418

In Fiscal Year 2022-2023, it is recommended based upon projected expenditures, that the maximum rate of \$80.57/residential unit and \$0.1418/square foot be collected. It is estimated \$369,591.16 in revenue will be needed to provide the services referenced above in Fiscal Year 2022-2023. The charge per parcel may vary slightly due to rounding adjustments.

From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 26, 2022

Subject: ADOPT Resolution No. 2022/236 confirming Fiscal Year 2022-2023 Final Annual Report for County Service Area T-1 and Levying the Service Charges.

RECOMMENDATION(S):

1. ACCEPT the filing of the Fiscal Year 2022-2023 Final Annual Report on service charges in County Service Area (CSA) T-1 (“Final Annual Report”), a copy of which is attached.
2. ADOPT Resolution No. 2022/236, confirming the Final Annual Report and levying the service charges set forth in the report.
3. DIRECT the Clerk of the Board to file certified copies of the Final Annual Report and Resolution No. 2022/236 with the County Auditor-Controller.
4. DIRECT the County Auditor-Controller to include the service charges on the assessment roll for Fiscal Year 2022-2023, the service charge for each parcel to appear as a separate item on the tax bill, pursuant to County Ordinance Code section 1012-2.614.

FISCAL IMPACT:

The levy of the annual service charges in CSA T-1 will provide revenues for public transit services. The CSA T-1 annual total revenue was \$625,649.20 for Fiscal Year 2021-2022 and will be \$658,134.88 in Fiscal Year 2022-2023. The increase is based on the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The annual service charges for CSA T-1 will be levied on 1,187 parcels in Fiscal Year 2022-2023. The service charge was \$475.69/developed equivalent dwelling unit in Fiscal Year 2021-2022 and will be \$500.39/developed equivalent dwelling unit in Fiscal Year 2022-2023.

BACKGROUND:

The maximum service charge may be adjusted annually to reflect 2% or the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers, whichever is greater.

On June 7, 2022, the Board of Supervisors conducted a public hearing and adopted Resolution No. 2022/125 confirming the Fiscal Year 2022-2023 Tentative Annual Report on proposed service charges for CSA T-1. CSA T-1 provides public transit services.

On July 1, 2022, the County Assessor released the official assessment roll for Contra Costa County for Fiscal Year 2022-2023. Thereafter, pursuant to Section 1012-2.612 of the County Ordinance Code, the Public Works Director directed staff to determine whether the Tentative Annual Report required revision to conform to the official assessment roll. Any change to an estimated basic service charge or estimated service charge notated in the Tentative Annual Report may only be accommodated as a result of changes in ownership, changes of address, the subdivision of an existing parcel or changes in the land use code of a parcel. Upon review of the official assessment roll, staff determined that no revisions to the Tentative Annual Report were required to conform to the official assessment roll. The Tentative Annual Report is the Final Annual Report. See Attachment 1.

The Board may confirm the Final Annual Report by resolution. Resolution No. 2022/236 serves to confirm the Final Annual Report and constitutes the levy of the service charge for Fiscal Year 2022-2023.

CONSEQUENCE OF NEGATIVE ACTION:

If a resolution confirming the Fiscal Year 2022-2023 Final Annual Report is not adopted, service charges for CSA T-1 would not be levied or collected in Fiscal Year 2022-2023. Therefore, the District would be unable to provide public transit services and an alternate source of funding would have to be identified.

Resolution No. 2022/236

IN THE MATTER OF: Confirmation of Fiscal Year 2022-2023 Final Annual Report for County Service Area T-1 and levy of service charges (Public Transit)

WHEREAS, the Board on June 7, 2022, adopted Resolution No. 2022/125, confirming the Fiscal Year 2022-2023 Tentative Annual Report for County Service Area (CSA) T-1.

WHEREAS, the Public Works Director has presented to the Board a Fiscal Year 2022-2023 Final Annual Report conforming to the County's official assessment roll for Fiscal Year 2022-2023, pursuant to County Ordinance Code section 1012-2.612; and

WHEREAS, the Board has reviewed and finds no cause to modify the Final Annual Report.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby CONFIRMS the Fiscal Year 2022-2023 Final Annual Report for CSA T-1 as modified and DECLARES that this Resolution constitutes the levy of the service charges therein for Fiscal Year 2022-2023.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

BACKGROUND INFORMATION

In 2008 a development project commonly known as the Integrated Project (“Project”) was permitted in the unincorporated area of Contra Costa County, just east of the Town of Danville. The project is also known as Alamo Creek/Intervening Properties Development and constitutes approximately 767 acres located south of Camino Tassajara between Hansen Lane and Finley Road.

Wilbur Smith Associates (WSA) completed a Transit Improvements Study of the Project in March 2005. The study acknowledged that a limited market for transit services and consequently a limited transit service is offered in the study area. The study concluded that a latent demand for transit could be satisfied if a regular commuter service were provided. Given the size of the Integrated Project and the workplace destination and commuting behavior of the adjacent census tracts as outlined by a census-based demographic analysis, a weekday rush-hour commuter service would provide the greatest benefit of transit services under consideration. Specifically, the report recommended that the proposed transit service include the Walnut Creek Bay Area Rapid Transit (BART) station and Bishop Ranch business park as destinations. The desired level of service was based on an analysis of demand performed by WSA. Based on census information and a rider survey performed by BART in 1998, approximately 77 transit trips per day were expected when the project development was completed. The transit trip total was calculated by WSA as follows:

- As presented in the final Environmental Impact Report (EIR) for the Project, 10,048 daily vehicle trips would be generated at the development;
- Assuming an average vehicle occupancy of 1.05 persons per vehicle and a 92.5% vehicle mode share (automobiles constitute 92.5% of transit trips to and from the households), 13,338 person trips would be generated daily by the development;
- Based on census information, 5.37% of commuter trips to and from adjacent census tracts used public transit (716 trips);
- Approximately 97% of public transit trips used rail (assumed to be exclusive to BART; 694 trips);
- Approximately 7% of BART riders at stations nearest to the project (Dublin/Pleasanton, Walnut Creek, Lafayette) used public transit to travel to and from the station (48 trips);
- Approximately 4% of transit-based commuter trips used bus service as the primary means of transportation (29 trips); and
- Total bus demand (77 trips) includes the sum of transit trips to BART stations (48 trips) and bus trips to work (29 trips).

On June 14, 2005, the Board of Supervisors approved Resolution No. 2005/357 which recommended to Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) T-1, Public Transit in the Danville Area.

The services provided by CSA T-1 are:

1. Extended public transit services.
2. Implementation of Transportation Demand Management programs as discussed in this report and in the Plan for Providing Services for CSA T-1 which is on file with LAFCO.

On September 14, 2005, LAFCO conducted a public hearing and subsequently approved Resolution 05-15 which formed CSA T-1.

On October 18, 2005, Resolution 2005/674 stated that the transit services should be supported by a benefit assessment or service charge on parcels that receive this special and distinct benefit.

On January 17, 2006, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2006/21 which authorized the annual levy of assessments or service charges on the parcels located within CSA T-1 to fund extended public transit services.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report was filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board conducted a Public Hearing and then made a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors reviewed the Tentative Annual Report in accordance with Resolution No. 2022/125, on June 7, 2022, and conducted a Public Hearing in connection with the proceedings for CSA T-1.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Final Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Transit Service Implementation

Two transportation studies were previously conducted to understand potential transit usage and travel patterns in CSA T-1. The transportation studies are Alamo Creek/Intervening Properties Transit Improvement Study by WSA in 2005 and Transit Service Survey and Report for CSA T-1 Transit District by DKS Associates in 2010.

Based on these studies, the following transit service plan is to be implemented in three phases as summarized below:

1. **Short – Term (completed in 2012): Community Outreach**
The short-term strategy focused on community outreach to educate the residents about existing transportation options in Contra Costa County, and to seek their feedback. The community outreach program involved flyer preparation, flyer distribution, and resident feedback. This outreach effort attempted to identify commuter destinations for potential vanpools, in advance of a vanpool/shuttle transit program.

2. Mid-Term: Vanpool/Shuttle Transit Program

Based on the feedback provided by the residents, the mid-term strategy would involve a vanpool and/or shuttle service since the market for a full scale fixed route Central Contra Costa Transit Authority (County Connection) bus is not warranted at this time.

CSA T-1’s plan is to engage the residents to try public transit and build up the necessary public transit demand for a full-scale fixed bus route. In response to CSA T-1’s plan, County Connection agreed to provide a demand response and a flexible shuttle for CSA T-1 residents during the commute hours. The exact routes were to be determined by demand. Riders must be traveling from or to CSA T-1. The service area is limited to the 1.5-mile corridors along Camino Tassajara (between CSA T-1 and I-680) and I-680 (between Walnut Creek and Pleasant Hill BART stations). Riders contact County Connection to request and reserve services. Based on the demand, County Connection will determine the most efficient route for the shuttle.

The table below summarizes the ridership data since the service began on January 24, 2014. With the exception of a decrease in ridership during the COVID-19 pandemic, the table shows a constant increase in rider annually and the positive effect the public transit of CSA T-1 has on removing peak hours and daily trips from local and regional roadways.

Summary of ridership data per year*		
Year of Service	Riders per day	Estimated number of peak hours & daily trips removed from roadways
2014	16	16
2015	17 to 18	17 to 18
2016	19	19
2017	21	21
2018	24	24
2019	25	25
2020	4.5	4.5
2021	4.6	4.6

* Ridership data is provided by County Connection.

The riders get picked up from their home in the CSA T-1 service area during the morning period and get picked up from the Walnut Creek BART station during the evening period. The average operating cost per passenger is comparable to the average cost for County Connection’s Paratransit (LINK) service. With the exception of the 2020-2022 COVID-19 pandemic, CSA T-1 has observed the ridership increase overtime, as more residents are utilizing the public transit service provided by CSA T-1. However, the ridership demand has not achieved the level that warrants a full-scale fixed bus route. CSA T-1 will continue this mid-term program to provide the shuttle service until there is enough public transit demand for a full-scale fixed bus route. CSA T-1 has amended the service agreement with County Connection to continue the shuttle service.

In addition to County Connection's shuttle, CSA T-1 will also fund another service with the Measure J Traffic Congestion Relief Agency (TRAFFIX). TRAFFIX is a traffic congestion relief program implemented in 2009 and operated cooperatively by Contra Costa County, City of San Ramon, San Ramon Valley Unified School District (SRVUSD), and Town of Danville to reduce traffic congestion caused by children being driven to and from school in the San Ramon area. As mentioned above, although the demand for a full-scale fixed route County Connection bus is not warranted at this time, CSA T-1 recognized there is already a demand for school bus services. While waiting for transit demand to increase, CSA T-1's interim plan is to participate in providing school bus services as an interim method to reduce congestion. TRAFFIX provided data indicating there are approximately 205 students residing within CSA T-1 who attend Monte Vista High School. TRAFFIX considers 50 students as a full bus. If approximately 25 percent of the eligible students participated, a bus would be full. It was anticipated that at least 50 students would participate, resulting in a full bus. This service began in the Fall of 2014 for the 2014-2015 school year. TRAFFIX reported 70 passes were sold for both the 2014-2015 and 2015-2016 school years. This is the equivalent of removing approximately 280 trips from the roadway each school day. In 2017, funds were allocated to fund a second TRAFFIX bus to provide services to the CSA T-1 area. This decision was based on the increased demand for seats in the route. Rider counts by the TRAFFIX show an average of 59 riders in the morning and 95 riders in the evenings per typical bus runs for the period of August 2018 through December 2018. In December 2018, there were approximately 170 riders enrolled on a wait list for the limited number of bus passes. As a result of an increase in demand for services in 2019, the County added a third TRAFFIX bus to provide services to the CSA T-1 area.

COVID-19 Impact

- a. Shuttle service ridership was greatly reduced during the 2020-2022 COVID-19 pandemic.
- b. Although shuttle service ridership sharply declined during the 2020-2022 COVID-19 pandemic, County Connection shuttle busses have continued operating. Based on current operations, the County does not expect a significant impact to the County Connection shuttle operations busses for the coming year; however, some additional costs for PPE may have to be passed on to CSA T-1.
- c. During the pandemic in 2020, school busses did not circulate due to the SRVUSD following state guidelines regarding school attendance and the resulting school closures. SRVUSD has reported that middle and high schools reopened for attendance on March 17, 2021, and that the TRAFFIX school bus program reopened at full capacity at the same time. Bus pass sales resumed during the week of March 15, 2021, and school bus services resumed in August 2021 when the current 2021-2022 academic year began.
- d. The TRAFFIX School Bus Service currently serves 140 pass holders on its three routes and is approaching the 176 pass holders served prior to the pandemic.

e. In 2021, CSA T-1 sent residents informational postcards of the ridership programs to motivate and restore rider confidence. It is expected that more marketing efforts will be provided for residents in 2022.

3. Long-Term Goal (2018 and beyond): County Connection Service

The long-term strategy would involve expanding the vanpool/shuttle service and providing full-scale County Connection bus service if the existing service proves successful and more commuter transit demand is demonstrated. An approximate yearly operating cost of running a full-length bus service with County Connection is estimated to be \$204,000 per bus. This estimate is based on \$100 per hour for 8 hours a day during morning and evening peak commute hours for 255 days a year.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2021-2022 projected and Fiscal Year 2022-2023 proposed revenues and expenditures are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA T-1. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the Public Transit services may be included.

When CSA T-1 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed transit service. This was based on the estimated expenses for continuing operations provided by WSA. In preparation of the budget, several factors were considered including:

- Level of transit service
- Phasing of service
- Equal benefit (and equal charge) to residents based on projected resident population

In order to establish a reasonable reserve in the early years following formation of the CSA, revenues have been collected since Fiscal Year 2006-2007.

For Fiscal Year 2022-2023 it is estimated there will be a surplus of funds. These funds are being set aside into Capital Reserves to purchase vehicles or fund a full-scale fixed route County Connection bus to provide the services to this area when applicable.

Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation and services associated with the transit services provided as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA T-1.

Special benefits are conferred on property within the CSA from transit services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to and from property, by providing increased access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA T-1 in other parts of the County may not enjoy the transit services made available by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA were specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with the transit services provided within CSA T-1 because the conferred special benefits that are provided to the charged property are not provided to the public at large.

The annual service charge pays for the transit related services provided within CSA T-1. The enhanced public services provided within CSA T-1 confer a special benefit and only serve the parcels with the ability to utilize the transit related services provided. Without the services, the property located in the unincorporated area would not receive any transit services. Therefore, the services in CSA T-1 are 100 percent special benefit to the parcels within the CSA.

Methodology

The total operation, maintenance and servicing cost for Public Transit are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If service charges were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

No commercial or industrial parcels are planned be included within CSA T-1, therefore a methodology has not been created for those uses.

The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is shown below.

Developed Single Family Residential - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments or service charges. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are charged one (**1.00**) EDU. In addition, those parcels that are designated as “vacant” single family residential per the Contra Costa County land use code but have a building permit issued prior to April 30 are charged one (1.00) EDU.

Developed Multiple Residential – The developed multi-family designation includes parcels designated as apartments, townhomes, and condominiums per the Contra Costa County land use code. Apartments are charged a factor of **0.723270448** EDU per dwelling unit. For example, a parcel with a 100-unit apartment would be charged 72.33 EDUs. Townhomes and condominiums are charged a factor of **0.795597484** EDU per dwelling unit. In addition, those parcels that are designated as “vacant” multi-family residential per the Contra Costa County land use code, but have a building permit issued prior to April 30, are charged on a per unit basis as shown above.

Exempt Property - Consists of property not classified as developed residential property and includes commercial, industrial, recreational, and institutional property; parking lots; parking garages; roadways; open space and undeveloped property on which a building permit has not been issued prior to April 30. In addition, Senior Housing is classified as exempt. Residents of Senior Housing will be provided with separate shuttle service not included within the scope of the CSA.

In Fiscal Year 2006-2007 the maximum annual service charge was set at \$318.00 per EDU. To determine the cost per parcel, the total budget for providing service to the current total service area was divided by the total number of EDU’s within the service area. Please refer to Contra Costa County Resolution 2006-21 for a detailed report that includes the initial calculation of this rate.

The maximum rates may be adjusted annually to reflect 2% or the prior year’s change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose, whichever is greater. The base CPI index to be used for future calculations is February

***CSA T-1 Public Transit Final Annual Report
Fiscal Year 2022-2023***

2006 (207.1). Any change in the rate per EDU, which is the result of the change in the CPI shall not be deemed an increase subject to the requirements of Proposition 218.

For Fiscal Year 2022-2023 the allowed maximum rate is \$500.39/EDU. This rate has been calculated as follows:

\$475.69 per developed EDU in Fiscal Year 2021-2022
+5.19% increase for Fiscal Year 2022-2023 = \$500.39

In Fiscal Year 2022-2023, it is recommended based upon \$658,134.88 in revenue will be needed to provide the services referenced above in Fiscal Year 2022-2023. There are 1,315.27 EDUs that have had a building permit issued. If you divide \$658,134.88 by 1,315.27 EDUs, the service charge per parcel is \$500.39. The charge per parcel may vary slightly due to rounding adjustments.

water. Many of the monitoring wells were installed in Flood Control right of way along the Walnut Creek Flood Control Channel, adjacent to 150 Solano Way, in Martinez, California under the Flood Control Permit (FCP) #620-07. This license agreement will replace the permit and allow Licensee to continue sampling and monitoring groundwater quality, and to perform related activities and maintenance. The permit will be closed once the license agreement is executed. In consideration for the ability to maintain monitoring wells on District property under the license agreement, Licensee will provide the District data, reports, and information about groundwater quality within and adjacent to District property. Upon termination or expiration of the license agreement, Tesoro will be responsible for removing the wells from District property.

CONSEQUENCE OF NEGATIVE ACTION:

Licensee will be unable to remain in compliance with the RWQCB requirements and the District will not have access to water quality information gathered by Licensee.

License Agreement

LICENSE AGREEMENT

This license agreement ("Agreement") is dated January 1, 2022, ("Effective Date") and is entered into by and between COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, a flood control district organized under the laws of the State of California (collectively referred to as the "Licensor") and Tesoro Refining & Marketing Company LLC, a Delaware limited liability company and a subsidiary of Marathon Petroleum Company, LP, a Delaware limited partnership ("Licensee").

RECITALS

- A. Licensor owns real property at the Walnut Creek Flood Control Channel, adjacent to 150 Solano Way, in Martinez California, (the "Property").
- B. Under Flood Control Permit (FCP) # 620-07, Licensee has installed monitoring wells at various locations on the Property, as more particularly depicted in Exhibit A and listed in Exhibit A-1, attached hereto and incorporated herein. Licensee uses the wells for groundwater monitoring required by the Regional Water Quality Control Board (RWQCB). The areas of the Property on which the wells listed in Exhibit A-1 are on located are referred to herein as the "Premises").
- C. Licensee desires to obtain Licensor's permission to use the Premises for the limited purpose described in this Agreement. Licensor is willing to grant a license to use the portion of the Premises upon the terms and conditions set forth in this Agreement. As consideration, Licensee will provide Licensor certain well monitoring information that Licensor will use to evaluate the potential for adverse effects at the Refinery Perimeter adjacent to the Walnut Creek Channel, and to evaluate that there is no longer a potential threat to water quality to the nearby Walnut Creek Channel. The County desires to allow Licensee to use the Premises for the purposes described in this Agreement.

The parties therefore agree as follows:

AGREEMENT

1. **Grant of License.** Subject to the terms and conditions of this Agreement, Licensor hereby grants to Licensee, a nonexclusive revocable license to enter the Premises for the purposes described in Section 2 below and for no other purpose without Licensor's prior written consent. Flood Control Permit (FCP) # 620-07 is terminated as of the Effective Date.
2. **Use of Premises.** Licensee may use the Licensed Premises for the purpose of access to sample, monitor and maintain the existing monitoring wells and to add or remove wells or probes per Section 5.a.
3. **Term.** The term of this Agreement is ten years, beginning January 1, 2022, and ending December 31, 2031. Licensor and Licensee each have the right to terminate this Agreement at any time, for any reason, or for no reason, with thirty (30) days advance written notice. In

addition, Licensor may terminate this Agreement with fifteen (15) days advance written notice if Licensee violates any term or condition of this Agreement.

4. **Monitoring and Reporting.** Licensee shall submit to Licensor Semiannual and Annual Inspection Reports for the Self-Monitoring and Reporting Program (SM&RP), as described in the San Francisco Bay Regional Water Quality Control Board (RWQCB) Updated Waste Discharge Requirements, Order 99-083 (RWQCB 1999). The site monitoring requirements also include the Resource Conservation and Recovery Act (RCRA) 3008(h) Order Number 09-89-0013a and the Part B Post Closure Permit Number 98-NC-005 for Solid Waste Management Unit 17 (SWMU-17), also known as the Oily Waste Impoundment (OWI). Licensor benefits from Licensee's well monitoring and reporting by not having to commit Licensor resources to the following activities that Licensee will perform in connection with its obligations under this section: evaluation of the effectiveness of the FPLH recovery system; facility-wide groundwater elevation measurements; perimeter groundwater monitoring; groundwater sampling and analysis; system upgrades; and decommissioning of wells.
5. **Improvements to the Premises.**
 - a. Licensee must notify Licensor at least 30 days prior to installation of additional or removal of existing groundwater monitoring wells from the groundwater monitoring well/soil vapor probe location(s), including map coordinates and submittal of their approved Contra Costa Health Services permits.
 - b. Licensee may not construct any improvements on the Premises without prior written consent from Licensor. For the purposes of this Agreement, any equipment Licensee is permitted to install on the Premises is not considered an improvement to the Property or the Premises.
 - c. Any improvements to the Premises by Licensee (with or without the consent of Licensor) must be removed by Licensee, at its sole cost, except those improvements that Licensor and Licensee agree are not required to be removed upon the termination of this Agreement. Licensee shall repair, at its sole cost, any damage caused by the removal of its improvements or equipment.
 - d. If Licensee fails to remove any improvements or equipment it is required to remove, Licensor may remove them at Licensee's expense, and Licensee shall immediately reimburse Licensor upon Licensee's receipt of an invoice from Licensor.
6. **Bond.** Upon execution of this license agreement, Licensee shall deliver to Licensor a performance bond naming Licensor as obligee ("**Performance Bond**") in the amount of ONE HUNDRED THOUSAND AND NO/100 DOLLARS (\$100,000), which Performance Bond shall guarantee performance of removing the groundwater monitoring wells installed by the Licensee, restoring the License Premises to Licensor standards, reimbursing Licensor for all staff time spent performing necessary inspections, and paying costs and fees incurred by Licensor for necessary inspections and peer review of the Licensed Premises following the

restoration. Activities covered by the Performance Bond, include, without limitation, the following (together, "Covered Activities"):

- a. Complete removal of groundwater monitoring wells and any other monitoring items placed on the Licensed Premises by Licensee:
- b. Compaction of soil and grading of the Licensed Premises to Licensor standards:
- c. Final inspection of the Licensed Premises after Licensee has vacated the Licensed Premises: and
- d. Peer review of final sign-off by RWQCB, Contra Costa County Health Department, Department of Toxic Substance Control Board and any other agency having jurisdiction over the Licensed Premises or the subject matter of this agreement.

On January 1, 2027, and every five years thereafter, the Licensor may provide written notice to Licensee that a new Performance Bond is required in an amount Licensor's Chief Engineer, or designee, determines is sufficient to cause the Covered Activities to be completed. Licensee shall deliver that new Performance Bond to Licensor within 30 days after Licensor's written notice to Licensee.

7. **Permits and Approvals**. Licensee is responsible for obtaining any permits or approvals from any agency having jurisdiction and will provide copies of said permits and approvals to Licensor upon request. This Agreement does not constitute governmental approval by Licensor of this use.
8. **Nonexclusive Right of Use**. This Agreement is nonexclusive. Licensor reserves the right to issue licenses, easements, and permits to others that could affect the Property or the Premises.
9. **Existing Facilities**. It is understood and agreed that Licensor has leases, licenses, and/or easements with others for all or a portion of the Property.

The holders of the leases, licenses, and/or easements granted by Licensor have the right to enter on the Property and maintain their facilities. Licensee will not be compensated for damage resulting from such maintenance.

10. **Damage**. It is the responsibility of Licensee to contact property owners and holders of easements, leases, and licenses to determine if any real property over which Licensee wishes to use a vehicle is able to support the vehicle without damage to subsurface or surface facilities. If Licensee's use of real property pursuant to this Agreement causes damage to that real property, the Property, the Premises, or their vegetation, subsurface or surface facilities, Licensee shall repair the damage and return the affected property to a neat and safe condition satisfactory to Licensor and the affected users.
11. **Pollution**. Licensee, at its expense, shall comply with all applicable laws, regulations, and rules with respect to the use of the Property, regardless of when they become or became

effective, including, without limitation, those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality, and shall furnish satisfactory evidence of such compliance upon request by the Licensor.

Licensee may not permit hazardous materials to be handled at any time on the Property. Should any discharge, leakage, spillage, emission or pollution of any type occur upon or from the Property due to Licensee's use and occupancy of the Property, Licensee, at its expense, shall clean all the property affected thereby, whether owned or controlled by Licensor or any third person, to the satisfaction of the Licensor (insofar as the property owned or controlled by Licensor is concerned) and any governmental body having jurisdiction.

To the extent permitted by law, Licensee shall indemnify, hold harmless, and defend the Licensor and the holders of rights to use the Property (each, an "Indemnitee") against all liability, cost, and expense (including, without limitation, any fines, penalties, judgments, litigation costs, and attorneys' fees) incurred by any Indemnitee as a result of any discharge, leakage, spillage, emission or pollution, regardless of whether the liability, cost or expense arises during or after the term of this Agreement, unless such liability, cost or expense is proximately caused solely by the active negligence of the Licensor.

Licensee shall pay all amounts due to the Licensor under this section within ten (10) days after any demand therefor.

12. **Hold Harmless.** As partial consideration for the rights granted hereunder, Licensee shall defend, indemnify, save, and keep harmless Licensor and Licensor's officers, employees, and agents from and against any and all claims, demands, liabilities, judgments, orders, costs, penalties, fines, fees, expenses, attorney's fees, and attorney's fee and cost awards (collectively, "Liabilities") arising from or connected with the occupancy or use of the Property or Premises by Licensee, any parent or subsidiary of Licensee, or Licensee's officers, employees, contractors, or agents, or as a result of Licensor granting Licensee a license under this Agreement, save and except for any Liabilities arising from the sole negligence or sole willful misconduct of Licensor, or Licensor's officers, employees, or agents. Licensee's obligations under this Section 12 shall survive the termination or expiration of this Agreement.

13. **Insurance.**

- a. Licensee agrees, at no cost to the Licensor, to obtain and maintain during term of this Agreement, commercial general liability insurance including coverage for owned and non-owned automobiles with a minimum combined limit coverage of \$1,000,000 for each occurrence and \$2,000,000 aggregate for all claims or losses due to bodily injury, including death, or damage to property, including loss of use, and to **name Contra Costa County and Contra Costa County Flood Control & Water Conservation District, its officers, agents, and employees as additional insured** thereunder. The coverage must provide for a thirty-day written notice to the Licensor of cancellation or lapse. Licensee shall provide evidence of the coverage to the Licensor prior to execution of this Agreement.

b. Licensee shall require all contractors involved with the ground watering wells or the soil vapor probes to maintain Contractors Pollution Liability and/or Errors & Omissions applicable to the work being performed, with a limit no less than \$2,000,000 per claim or occurrence and \$2,000,000 aggregate per policy period of one year. If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County shall be entitled to the broader coverage and/or the higher limits maintained by the contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County. Self-Insured Retentions or Deductibles must be declared to and approved by the County. The claims retroactive date must be shown and must be prior to 12/1/2020. Pollution insurance must be maintained for a period of five years after completion of the Contractors work. All Contractors shall name **Contra Costa County and Contra Costa Flood Control & Water Conservation District, and their officers, agents, and employees as additional insureds** under said pollution policies.

14. **Assignment.** Licensee may not assign its rights under this Agreement.

15. **Licensor's Title.** Licensee hereby acknowledges Licensor's fee title in and to the Property and agrees never to assail or to resist Licensor's title. Licensee agrees that it has not, and never will, acquire any rights or interest in the Property as a result of this Agreement, and that Licensee has not, and will not, obtain any right or claim to the use of the Property beyond that specifically granted in this Agreement. Construction of any improvements by Licensee on or about the Property does not give rise to an agreement coupled with an interest.

16. **Notices.** Notices under this Agreement must be in writing and will be effective either when delivered in person or deposited as certified mail, postage prepaid, return receipt requested, or sent by a recognized overnight courier service, and directed to the other party at its address as stated below, or to such other address as the party may designate by written notice.

T-HANGAR AND SHADE HANGAR RENTAL AGREEMENT

1. **PARTIES:** **June 26, 2022** (“Effective Date”), the COUNTY OF CONTRA COSTA, a political subdivision of the State of California (“Airport”), **One Niner Right, LLC** (“Renter”), hereby mutually agree and promise as follows:

2. **RENTER AND AIRCRAFT INFORMATION:** Simultaneous with the execution of this T-Hangar and Shade Hangar Rental Agreement (“**Rental Agreement**”) by Renter, Renter shall complete the Renter and Aircraft Information Form. A completed copy of the Renter and Aircraft Information Form is attached hereto as Exhibit “A” and incorporated herein. Renter must also provide to Airport at that time, for inspection and copying, (1) the original current Aircraft Registration or, if the aircraft described in Exhibit A is under construction, the plans for and proof of ownership of such aircraft; and (2) the insurance information required by Section 16 below.

3. **PURPOSE:** The purpose of this Rental Agreement is to provide for the rental of a T-Hangar or Shade Hangar space at the Contra Costa County - Buchanan Field Airport for the storage of the aircraft described in the Renter and Aircraft Information Form (“**Renter’s Aircraft**”).

4. **PREMISES:** For and in consideration of the rents and faithful performance by Renter of the terms and conditions set forth herein, Airport hereby rents to Renter and Renter hereby rents from Airport that T-Hangar or Shade Hangar shown as # **AA-1** on the T-Hangar and Shade Hangar Site Plan, attached hereto as Exhibit B and incorporated herein. This T-Hangar or Shade Hangar is part of the T-Hangar and Shade Hangar Site (“**T-Hangar Site**”) and shall hereinafter be described as the “**T-Hangar.**”

Renter has inspected the T-Hangar and hereby accepts the T-Hangar in its present condition, as is, without any obligation on the part of Airport to make any alterations, improvements, or repairs in or about the T-Hangar.

5. **USE:** The T-Hangar shall be exclusively by Renter for the storage of Renter’s Aircraft. In addition to the storage of Renter’s Aircraft, Renter may use the T-Hangar for (1) the homebuilding, restoration and/or maintenance of Renter’s Aircraft, provided that such homebuilding, restoration and/or maintenance is performed by Renter only and in conformance with all applicable statutes, ordinances, resolutions, regulations, orders, circulars (including but not limited to FAA Advisory Circular 20-27) and policies now in existence or adopted from time to time by the United States, the State of California, the County of Contra Costa and other government agencies with jurisdiction over Buchanan Field Airport; (2) the storage of and materials directly

related to the storage, construction of homebuilt planes homebuilding, restoration, and/or maintenance of Renter's Aircraft; (3) the storage of one boat, or one recreational vehicle, or one motorcycle, or one automobile, provided that Renter first provides to Airport proof of Renter's ownership and original registration of any stored boat or vehicle, for inspection and copying; and/or (4) the storage of comfort items (such as a couch, small refrigerator, etc.) that the Director of Airports, in his sole discretion, determines will not impede the use of the hangar for the storage of Renter's Aircraft, and are not prohibited by applicable building and fire codes. The T-Hangar shall not be used for any purpose not expressly set forth in this Section 5. Use.

The use of all or a portion of the T-Hangar for the storage of aircraft not owned or leased by Renter is prohibited. ("Aircraft not owned or leased by Renter" means any aircraft in which Renter does not have an ownership interest or which is not directly leased to Renter). Renter shall present proof of said ownership interest or lease to Airport upon request in addition to that information provided in Exhibit A.

If Renter's Aircraft is or becomes non-operational, it may be stored in the T-Hangar only if it is being homebuilt or restored by Renter. Prior to the commencement of any such homebuilding or restoration, Renter shall provide to Airport (1) a copy of the purchase agreement or (2) a valid federal registration number. If Renter's Aircraft is not registered as of the Effective Date, upon completion of construction, Renter shall register and apply for an airworthiness certificate for Renter's Aircraft in accordance with all applicable federal statutes and regulations and provide the original registration and certification to Airport, for inspection and copying, immediately upon receipt by Renter. On or before January 1 of each year, if the homebuilding or restoration has not been completed, Renter shall provide a written annual report to the Director of Airports that details the homebuilding or restoration activity performed, work still required to be completed and an estimate of time of completion.

6. **TERM:** This Rental Agreement shall be from month to month commencing **June 26, 2022**, and shall continue until terminated. This Rental Agreement may be terminated by any party upon thirty (30) days written notice to the other party.

7. **RENT:**

A. Monthly Rent and Additional Rent. Renter shall pay \$ **380.00** in rent per month ("**Monthly Rent**") due and payable in advance on the first day of each calendar month, beginning on the commencement date of this Rental Agreement. Unless directed to do otherwise by Airport, Renter shall pay rent only in cash or by personal check, certified check, or money order. If the term of this Rental Agreement begins on a day other than the first day of the month, the Monthly Rent stated above for the first month shall be prorated

From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 26, 2022

Subject: Accept Quitclaim Deed, Convey Grant of Easement and Execute the Real Property Agreement between the District and Fujii Nursery Company, et al.

RECOMMENDATION(S):

Acting as the governing body of the Contra Costa County Flood Control and Water Conservation District (“District”), ACCEPT the Quitclaim Deed from Fujii Nursery Company, et al. (“Grantee”) as necessary to remedy access for 541 Davilla Road, in the unincorporated area of the City of Richmond, as recommended by the Chief Engineer. (Project No. 7505-6F8336)

APPROVE the conveyance of a Grant of Easement over a portion of APN 409-300-036 to Grantee for access to 451 Davilla Road, in the unincorporated area of the City of Richmond.

DETERMINE that the conveyance of the easement will not substantially conflict or interfere with District’s use of the property. The California Environmental Quality Act (CEQA) applies to those activities that are considered “projects” under the law. A project is defined as an action that has the potential for direct physical change in the environment or reasonably foreseeable indirect physical change in the environment (Section 15378, CEQA Guidelines). Simple transfers of ownership from the District to Fujii Nursery Company, et al, where operation and maintenance of the property remains the same has no potential for direct physical change in the environment or reasonably foreseeable indirect physical change in the environment; therefore, the action (transfer of ownership) would not be considered a project and would not be subject to CEQA.

RECOMMENDATION(S): (CONT'D)

AUTHORIZE the Chief Engineer, or designee, to execute the Real Property Exchange Agreement between the District and Grantee, pursuant to Section 31 of the Contra Costa County Flood Control and Water Conservation District Act.

DIRECT the Real Estate Division of the Public Works Department to deliver a certified copy of this Board Order with the Grant of Easement to the Grantee for acceptance and recording in the Office of the County-Clerk Recorder, and DIRECT the Real Estate Division to have the Quitclaim Deed from the Grantee recorded in the Office of the County-Clerk Recorder.

FISCAL IMPACT:

100% Flood Control District Funds.

BACKGROUND:

In order for the District to remedy the lack of access to the Fujii Nursery Company, et al. property, the District has agreed to grant an easement to Grantee along a portion of Davilla Road, identified as APN 409-300-036. In exchange, the Grantee, has to quitclaim their interest in a portion of APN 409-300-002 to the District and enter into a Real Property Exchange Agreement with the District.

In 1986, the District purchased ±2.7 acres of real property identified as APN 409-300-011, described as Parcels 1 and 2 in the Grant Deed, recorded on December 31, 1986, Book 13359 Page 667, which became current APN 409-300-036 from Fujii Nursery to construct a basin and widen the channel at Wildcat Creek in the Richmond area. Prior to the District acquiring the land, the Grantee possessed a 30-foot wide "Right of Way for Road Purposes" along the easterly boundary of the District's property for access to the adjacent property identified as APN 409-300-002. Following the District's purchase of the property, the prior easement was physically terminated by the District due to the construction of the basin and widening of the channel. In addition, the bridge spanning Wildcat Creek was removed leaving Grantee with no legal access to their property.

CONSEQUENCE OF NEGATIVE ACTION:

If the District does not convey the Grant of Easement, the Grantee's property will continue to be landlocked, and they will not have legal access to their property.

GRANT OF EASEMENT

THIS INDENTURE, made by and between **CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT**, a flood control district organized under the laws of the State of California, hereinafter called the "GRANTOR," and **Fujii Nursery Company, a California corporation, and Tokumaru Raymond Fujii, Ungyo Lynn Sugiyama, Erica Satoko Sugiyama-Hill, and Enid Takako Sugiyama-Murray, Executors of the Estate of Kaoru Fujii Sugiyama also known as Kaye Sugiyama, also known as Kaoru Kay Sugiyama deceased, pursuant to the Letters of Testamentary filed January 9, 2018 in the Superior Court of California, County of Contra Costa, Case No. P17-01644 and Karen K. Suyama, Executor of the Estate of Jiro Fujii, deceased, pursuant to the Letters of Testamentary filed January 9, 2018 in the Superior Court of California, County of Contra Costa, Case No. P17-01643** collectively hereinafter called the "GRANTEES,"

WITNESSETH:

That the GRANTOR, for value received, hereby grants to the GRANTEES and all successor owners of the Grantee Property (defined in Section 1), a non-exclusive, perpetual easement, and right of way ("Easement"), for access purposes, upon, over, and across a portion of that certain real property owned by GRANTOR and commonly identified as Assessor's Parcel No. 409-300-036 ("Grantor Property"), located in the County of Contra Costa, State of California, described as follows ("Easement Area"):

FOR DESCRIPTION OF THE EASEMENT SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF; FOR A DEPICTION OF THE EASEMENT SEE EXHIBIT "B" ATTACHED HERETO AND MADE A PART HEREOF.

This Grant of Easement is subject to the following terms:

1. **Purpose.** The Easement herein granted shall include the right by GRANTEES, their officers, employees, agents, contractors, representatives, licensees, or invitees, or any lessee of the Grantee Property (defined below), (together, "Grantee Parties") to enter upon the Easement

Area with personnel and vehicles to access that certain real property commonly identified as Assessor's Parcel No. 409-300-002, located at 541 Davilla Road, in the Richmond area of Contra Costa County ("Grantee Property"). The GRANTEES shall ensure that the Grantee Parties use the Easement only for said purposes. Grantor Parties' use of the Easement for access purposes, at all times, shall be secondary and subordinate to the GRANTOR's use of the Grantor Property for flood control purposes and other public purposes of the GRANTOR, which shall constitute the primary use of the Grantor Property. Grantor Parties (defined in Section 3) may use the Easement Area for the primary purpose of the Grantor Property, and GRANTOR may grant licenses and easements within the Easement Area to other persons and entities, provided that any future licenses or easements do not unreasonably interfere with the Grantee Parties' use of the Easement Area under this Grant of Easement.

2. **Maintenance of Easement Area; Improvements and Access.**

(a) GRANTOR shall regularly maintain the Easement Area.

(b) At their discretion, GRANTEES may utilize the existing gate across the Easement Area, or, alternatively, GRANTEES may install and maintain, at GRANTEES' sole cost and expense, a commercial grade gate across the Easement Area following the District's review and approval of gate design and operation. If any Grantee Parties place any lock on any gate across the Easement Area, GRANTEE shall provide the GRANTOR a key for the lock, and GRANTEES shall ensure that the lock is not changed unless the GRANTOR first receives a key for the new lock. Except as provided in this section, GRANTEES shall ensure that the Grantee Parties do not obstruct the Easement Area or interfere with the GRANTOR's access and use of the Easement Area. GRANTEES shall be solely responsible for ensuring that any vehicles or equipment brought on or across to the Easement Area by Grantee Parties will not damage any subsurface facilities within or adjacent to the Easement Area; and, if any such damage occurs, GRANTEES shall repair all such damage and return the Easement Area to a neat and safe condition satisfactory to GRANTOR and any other users of the Easement Area.

(c) Subject to the foregoing, GRANTEES shall not be liable for any damage to the Easement Area or any facilities within the Easement Area caused by the sole negligence or willful misconduct of the GRANTOR or by any other easement holder.

3. **As-Is Condition; Release.** The Easement is being conveyed by the GRANTOR, and accepted by the GRANTEES, on an "as is" basis, and GRANTOR makes no warranty, claim or guaranty, of any kind, as to the condition and/or possible uses of the land or any improvements thereon. Effective upon the recording of this Grant of Easement, GRANTEES, on behalf of themselves, the Grantee Parties, and any successor owners of the Grantee Property, hereby release the GRANTOR, and its officers, employees, agents, contractors, and representatives, (collectively, "Grantor Parties") from any claims, demands, liabilities, damages, costs, and expenses, including without limitation attorney's fees and costs, (collectively, "Liabilities") related to, arising from or under, or in connection with any of the following: (a) the GRANTOR's conveyance of this Grant of Easement to the GRANTEES; (b) the GRANTEES' acquisition of the Grant of Easement or the exercise of GRANTEES' rights hereunder; (c) the occupancy or use of the Easement Area by the Grantee Parties; (d) the physical condition of the Easement Area or the property thereunder, whether latent or patent; and (e) the suitability of the Easement Area for use by any Grantee Parties. The GRANTEES, on behalf of themselves and all Grantee Parties, knowingly waive their right to make any claim against any Grantor Parties for any

Liabilities discussed in this Section, and, as to those Liabilities, GRANTEES, on behalf of themselves and all Grantee Parties, expressly waive all rights provided by section 1542 of the California Civil Code, which provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

This Section 3 shall survive the expiration, termination, vacation, or assignment of the Easement.

4. **Indemnification.** GRANTEES shall indemnify, defend, and hold harmless the Grantor Parties from and against any Liabilities that arise from or are connected with (a) the occupancy, use, or improvement of the Easement Area by any Grantee Parties, or (b) the GRANTEES' exercise of their rights hereunder. However, notwithstanding the foregoing GRANTEES shall have no obligation to indemnify, defend, or hold harmless any Grantor Parties for any Liabilities that arise from the sole negligence or sole willful misconduct of any Grantor Parties. This Section 4 shall survive the expiration, termination, vacation, or assignment of the Easement.
5. **Easement Appurtenant; No Assignment.** This Easement is granted for the sole and private use as access to the Grantee Property, and it shall be and remain appurtenant thereto. This Easement shall not be assigned or transferred separate from the Grantee Property; and any purported transfer or assignment of this Easement separate from the Grantee Property shall be invalid and shall cause the immediate termination of this Easement. This Easement shall not be apportioned.
6. **Termination.** If GRANTEES develop another legal means access to the Grantee Property, within one year following the completion of that means of access GRANTEES shall quitclaim all right, title, and interest under this Grant of Easement to the GRANTOR and this Easement shall be deemed terminated.
7. **Construction.** This Grant of Easement shall not be construed as if it had been prepared by one of the parties, but, rather, as if both parties prepared it. The parties to this Grant of Easement and their attorneys have reviewed this Grant of Easement and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply to the interpretation of this Grant of Easement.
8. **Successor Owners of Grantee Property.** This Grant of Easement shall inure to the benefit of and be binding upon any and all successor owners of the GRANTEE Property. Upon the conveyance of the GRANTEE Property to any person or entity, any such persons or entities shall become GRANTEES for the purpose of this Grant of Easement.
9. **Governing Law.** This Grant of Easement shall be governed by, and construed in accordance with, the laws of the State of California.

REAL PROPERTY EXCHANGE AGREEMENT

THIS AGREEMENT is made and entered into this _____ day of _____, 2022 ("Effective Date") by and between Contra Costa County Flood Control and Water Conservation District, a flood control district organized under the laws of the State of California, hereinafter called "District," and Fujii Nursery Company, a California corporation, and Tokumaru Raymond Fujii, **Ungyo Lynn Sugiyama, Erica Satoko Sugiyama-Hill, and Enid Takako Sugiyama-Murray, Executors of the Estate of Kaoru Fujii Sugiyama also known as Kaye Sugiyama, also known as Kaoru Kay Sugiyama deceased, pursuant to the Letters of Testamentary filed January 9, 2018 in the Superior Court of California, County of Contra Costa, under Case No. P17-01644 and Karen K. Suyama, Executor of the Estate of Jiro Fujii, deceased, pursuant to the Letters of Testamentary filed January 9, 2018 in the Superior Court of California, County of Contra Costa, under Case No. P17-01643** (together, "Grantees"). The District and the Grantees are sometimes referred to herein together as the "Parties," and each as a "Party."

RECITALS

- A. In 1986, the District purchased a ±2.7 acres of real property identified as APN 409-300-011 described as Parcels 1 and 2 in the Grant Deed, recorded on December 31, 1986, Book 13359 Page 667, which became current APN 409-300-036 and is hereinafter called "District's Property", from Fukushima Nursery, a California Corporation, to construct a basin and widen the channel at Wildcat Creek, in the Richmond area of Contra Costa County. Before the District acquired the District's Property, Grantees possessed a 30-foot-wide "Right of Way for Road Purposes" ("Prior Easement") along the easterly boundary of the District's Property for access to the adjacent Grantee's property identified as APN 409-300-002 ("Grantee Property").
- B. Following the District's purchase of the District Property, the Prior Easement was physically terminated by the District due to the construction of the basin and the widening of the channel. Further, the bridge spanning Wildcat Creek was removed, leaving Grantees with no legal access to the Grantee Property.
- C. The District will agree to Grantees' request to convey to Grantees a nonexclusive 25-foot-wide access easement, ("New Access Easement") over an area known as Parcel 5132, in Richmond, California, and described and depicted in the Grant of Easement attached hereto as Exhibit "A." The New Access Easement is upon, over, and across a private road on the District's Property and is currently maintained by the District. In consideration for the granting of the Access Easement, the Grantees will quitclaim to the District any remaining right, title, and interest they may have in the Prior Easement area by that quitclaim deed attached as Exhibit "B" ("Quitclaim Deed"). The Parties agree that the exchange of such property rights between the Parties shall be subject to the terms of this Agreement.

AGREEMENT

In consideration of the covenants and conditions hereinafter contained, and for good and valuable consideration the receipt and adequacy of which are hereby acknowledged, it is mutually agreed as follows:

1. **Exchange of Easements.** Subject to the terms of this Agreement, District will convey to the Grantees the New Access Easement by that Grant of Easement attached hereto and incorporated herein as Exhibit "A." As partial consideration for the conveyance of the New Access Easement, Grantees shall quitclaim all of their right, title, and interest in and to Parcel 5133 by the Quitclaim Deed attached hereto and incorporated herein as Exhibit "B."
2. **Internal Escrow.** Grantees shall deliver to the Real Estate Division at the address specified in Section 6, this Agreement, the Grant of Easement, and the Quitclaim Deed, all executed by Grantees and with all signatures duly acknowledged by a notary public. Within 10 days thereafter, Real Estate Division staff, on behalf of the District, will do the following: (a) return to Grantee a fully-executed copy of this Agreement, and (b) cause the fully executed Grant of Easement and Quitclaim Deed to be recorded in the Official Records of Contra Costa County. District will pay all recording fees and other fees incurred to process this transaction.
3. **Title.** Grantees hereby acknowledge and agree that the right, title, and interest in the property to be conveyed to Grantees by the Grant of Easement shall not exceed that vested in the District, and said property interest is conveyed subject to all existing easements, covenants, conditions, restrictions, reservations, and all other encumbrances, whether the same be recorded or unrecorded.
4. **Board Approval Required.** District shall have no obligation under this Agreement unless and until this Agreement is approved by the Contra Costa County Board of Supervisors, acting as District's governing body.
5. **Release.** As partial consideration for District's performance of its obligations under this Agreement, Grantees, on behalf of themselves, their agents, subsidiaries, affiliates, successors and assigns, hereby release and discharge District, its employees, agents, attorneys, officers, divisions, related agencies and entities, affiliates, successors and assigns, ("District Parties") from any and all claims, demands, causes of action, obligations, damages and liabilities, including without limitation, attorneys' fees and costs, (collectively, "Liabilities") that Grantees, now have or could assert in any manner related to or arising from the conveyance of the Access Easement, the Quit Claim Deed, or relating to or arising from District's acquisition of District's Property and Grantees' Prior Easement. Grantees knowingly waive their right to make any claim against any District Parties for any Liabilities discussed in this Section, and, as to those Liabilities, Grantees expressly waive all rights provided by section 1542 of the California Civil Code, which provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

This Section 5 shall survive the recording of the Grant of Easement and the Quitclaim Deed and shall remain enforceable thereafter.

6. **Notices.** All notices, communications, and other writings exchanged between the parties shall be delivered personally, by overnight carrier with delivery charges for next day prepaid, or by U.S. Mail with all postage charges prepaid, and delivered or addressed as follows:

To District:

Contra Costa County Flood Control and Water Conservation District
C/o Real Estate Division, Public Works Department
255 Glacier Drive
Martinez, CA 94553

To Grantees:

Tokumaru Raymond Fujii, Trustee
812 Duncardine Way
Sunnyvale, CA 84087

Each notice, communication, or other writing shall be deemed delivered immediately if personally delivered, on the next business day after deposit with an overnight carrier with delivery charges for next day delivery prepaid, or on the fifth day after mailing if mailed by U.S. Mail with postage prepaid. Any party may change its address for deliveries by providing written notice to the other party in the manner required by this Section 6.

7. **Entire Agreement.** This Agreement, inclusive of its exhibits, contains all the terms and conditions agreed upon by the parties. Except as expressly provided herein, no other understanding, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto. The terms of this Agreement shall remain enforceable after the recording of the Grant of Easement and Quitclaim Deed and shall not merge into those deeds.
8. **Governing Law.** This Agreement shall be governed by the laws of the State of California. Any action to enforce or interpret this Agreement shall be filed in a California state court where jurisdiction and venue are proper.
9. **Successor Owners.** This Agreement shall inure to the benefit of and shall be binding upon the Parties and their successors, including all successor owners of the Grantee Property.
10. **Counterparts.** This Agreement may be executed in counterparts.

[Signatures on next page.]

The parties herein have set forth the whole of their agreement and the performance of this agreement shall relieve the District of all further obligations or claims on this account.

Subject: On-Call Contract Amendment 2 with Balance Hydrologics, Inc., Countywide.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Chief Engineer, Contra Costa County Flood Control and Water Conservation District (FC District), or designee, to execute a Consulting Services Agreement (Contract) Amendment with Balance Hydrologics, Inc., effective July 1, 2022, to increase the payment limit by \$170,000 to a new payment limit of \$370,000 for on-call professional engineering services relating to hydrology/hydraulic studies and modeling, with no change to the term of May 14, 2019 through May 14, 2023, Countywide.

FISCAL IMPACT:

This project, including the Contract Amendment, will be funded by 100% FC District Funds (Project No.: Various).

BACKGROUND:

The FC District provides regional flood protection, technical information, hydrology data and education to cities and residents, and environmental stewardship for over 70 miles of streams and several detention basins as part of the County's flood protection system. The FC District is increasing the payment limit of its on-call support for hydrology/hydraulic studies for continued services.

RECOMMENDATION(S):

RECEIVE this report concerning the final settlement of Kristy Trindade and AUTHORIZE payment from the Workers' Compensation Internal Service Fund in an amount not to exceed \$80,000, less permanent disability advances.

FISCAL IMPACT:

Workers' Compensation Internal Service Fund payment of \$80,000, less permanent disability advances.

BACKGROUND:

Attorney Christian P. Kerry, defense counsel for the County, has advised the County Administrator that within authorization an agreement has been reached settling the workers' compensation claim of Kristy Trindade v. Contra Costa County. The Board's July 12, 2022 closed session vote was: Supervisors Gioia, Andersen, Burgis Mitchoff and Glover - Yes. This action is taken so that the terms of this final settlement and the earlier July 12, 2022 closed session vote of this Board authoring its negotiated settlement are known publicly.

Subject: Adopt Ordinance No. 2022-026 to exclude from the merit system the Health Services Personnel Manager-Exempt classification

RECOMMENDATION(S):

ADOPT Ordinance No. 2022-026 amending the County Ordinance Code to exclude from the merit system the new classification of Health Services Personnel Manager-Exempt and delete the classification of Health Services Personnel Officer-Exempt.

FISCAL IMPACT:

There is no fiscal impact from this action.

BACKGROUND:

In December 2021, the incumbent in the Assistant Director of Health Services - Exempt position that was allocated to oversee the Personnel and Payroll Division in Health Services retired. Upon further review of the position as it compares to the County as a whole, it was determined that it was not the appropriate classification to oversee this division due to countywide salary equity concerns. The establishment of the Health Services Personnel and Payroll Manager - Exempt will ensure that we have a classification that is equitably positioned in the broader County structure and will allow the County to hire employees with the appropriate qualifications since it is not a broad classification that could cover an array of functions.

BACKGROUND:

On December 12, 2000, the Board of Supervisors approved a policy on the process for recruiting applicants for selected advisory bodies of the Board. This policy requires an open recruitment for all vacancies to At Large seats appointed by the Board. The Board also directed that the IOC personally conduct interviews of applicants for At Large seats on several boards, committees, and commissions including the Contra Costa County Fire Protection District Advisory Commission.

The Contra Costa County Fire Protection District Advisory Fire Commission includes ten (10) seats that are appointed by the Contra Costa County Board of Supervisors: Five (5) Supervisors District seats, Two (2) At-Large seats, and Three (3) Alternate seats that are filled in the same manner at At Large seats.

The Advisory Fire Commission's purpose is to review and advise on annual operations and capital budgets, review Fire District expenditures; advise the Fire Chief on district service matters; and serve as liaison between the Board of Supervisors and the community served by the fire district.

On June 16, 2022, the IOC conducted interviews and considered the applicants listed below to fill vacancies in the At-Large #2 (area covered by the former East Contra Costa Fire Protection District) and Alternate #3 (Countywide) seats on the CCCFPD Advisory Fire Commission for four-year terms that will expire on June 30, 2026.

HELP PROTECT YOUR COMMUNITY! WOULD YOU LIKE TO SERVE ON THE ADVISORY FIRE COMMISSION?

The Contra Costa County Board of Supervisors is seeking individuals to serve as At Large or At Large Alternate members of the Contra Costa County Fire Protection District's (CCCFPD) Advisory Fire Commission. The Commission is responsible for confirming cost of abatement reports; conducting weed abatement appeal hearings; approving surplus equipment declarations; reviewing CCCFPD operations and budget reports; and advising the Fire Chief on District service matters. The Commission also serves as a liaison between the Board of Directors and the community, and may be asked to perform other duties by the Board of Directors. Applicants must reside or work within the boundaries of the Fire District to be considered for appointment.

Regular meetings of the Advisory Fire Commission are held on the second Monday of even-numbered months at 7:00 p.m. in Concord. The appointments will be for full four-year terms beginning on July 1, 2022 and ending June 30, 2026. Commissioners are not compensated.

Application forms can be obtained from the Clerk of the Board of Supervisors by calling (925) 655-2000 or by visiting the County webpage at www.contracosta.ca.gov. Applications should be returned to the Clerk of the Board of Supervisors, County Administration Building, 1025 Escobar St., Martinez, CA 94553 no later than 5 p.m. on Friday, April 22, 2022. Applicants should plan to be available for public interviews in Martinez on Monday, May 9, 2022.

Further information about the Advisory Fire Commission can be obtained by contacting Latonia Ellingberg at lelli@cccfd.org or (925) 941-3300 x1200 or by visiting the website <https://www.cccfd.org/advisory-fire-commission>.

Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

With the recent consolidation of fire services, it is important that East County continue to be represented at the county level on policy decisions involving fire protection, prevention and weed abatement services.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I am grateful to have a long history of voluntary local government public service in Contra Costa County including member and chair of the Town of Moraga Planning Commission, member of the county's Airport Advisory Committee, member of the Alamo Police Services Advisory Committee and I currently serve as a member of the City of Brentwood Planning Commission. Additionally, I have worked for five California cities including two as city manager. Finally, I understand the landowner and developer perspective on fire protection matters having been both. The attached bio provides further detail about additional volunteer work.

David Dolter

California's development project approval process is complex, expensive, and time-consuming. David mitigates this by thorough due diligence and extensive land planning and project management experience. His practice includes real estate acquisition, project management and asset recovery for private, institutional, and public sector clients for projects located in Northern California and the Central Valley.

He has held senior development executive positions with large community developers and secured approvals for over 8,500 units and seven master planned communities. In addition, Dave is a recognized manager and team builder. He has managed organizations with over 1,100 employees, including co-founding a successful development company.

Integrating environmental protection with development is an area of expertise for Dave. He was one of the leaders in the conservation effort known as the San Bruno Mountain Area Habitat Conservation Plan (HCP) as a member of its Steering Committee. Also, he was the principal author of the Northeast Ridge Specific Plan, a land use protocol that included HCP implementation. Dave implemented the North Village Specific Plan for 2,500 homes, a community college campus, and 500 acres of preserved habitat and wetlands.

Prior to real estate development, Dave was the City Manager of Redondo Beach and the Executive Director of its redevelopment agency leading a team that developed the \$50M Harbor Center project consisting of a 175-room hotel and the acquisition/refurbishing of a blighted shopping center.

He has been active in many land planning organizations including the American Planning Association, the American Institute of Certified Planners ("AICP"), and the California Planning Roundtable. His extensive record of community service includes the City of Brentwood and Town of Moraga Planning Commissions, Contra Costa County Aviation Advisory Committee, Alamo Police Services Advisory Committee, Trilogy Vineyards Veterans Association, and Regent, John F. Kennedy University (JFKU). He is a licensed California Real Estate Broker with a BA in Political Science from CSU Fullerton.

Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

Since October 2016, I have served as a Fire Board Director for the East Contra Costa Fire Protection District (ECCFPD). Initially appointed by the City of Oakley, serving the dependent special district and then elected in November 2018, as the district became an independent special district. As ECCFPD is expected to annex into the Contra Costa County Fire Protection District (CCCFPD) in July 2022 and the current ECCFPD Fire Board will be dissolved, I believe that I can provide historical perspective and value, from my time served on the Board. I have also built strong relationships with community members in East Contra Costa County, as well as Elected Officials throughout the State of California. I believe that I am level headed, have excellent communication skills and the ability to build consensus. For all of the reasons above, I would respectfully ask that you consider my appointment to this commission.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

In June 2017 I was appointed as the Vice President of the ECCFPD Fire Board. I served in that position until January 2018, when I was appointed as the Board President. I have continuously served as the Board Chair since 2018 and have been humbled by the confidence of my fellow Board Directors, to keep me in Chair position. During that time I have attended the 2017 and 2018 Special District Leadership Academy and have received recognition in Special District Governance. In March 2020, I received the EMS Advocate of the year award, from the National Association of Emergency Medical Technicians. As you will see from my CV, I have a significant amount of experience and understanding of the Fire Service, Emergency Medical Services and Public Safety. I have been identified as a Subject Matter Expert in the related fields above and believe I would blend nicely with the current Advisory Fire Commission.

PROFESSIONAL EXPERIENCE

CITY OF OAKLAND FIRE DEPARTMENT, Oakland, CA

09/2000-present

Captain/Paramedic (02/2015-present)

Lieutenant/Paramedic (12/2005-02/2015)

Firefighter/Paramedic (09/2000-12/2005)

Captain/Paramedic (02/2015-present)

Managed emergency response preparedness and daily scheduling (Telestaff Officer) for 25 fire stations in the City of Oakland. Managed operations for assigned stations. Led pre-incident planning and equipment, facilities maintenance, local building inspections, and in-service training for station personnel. Assumed command in absence of Battalion Chief, established supervision on calls, and enforced discipline, rules and regulations. Oversaw incident documentation, records management, and community relations. Volunteered in various leadership roles including Aircraft Rescue Firefighter Program Manager and Terrorism Liaison Officer Program Coordinator.

- Managed daily shift scheduling and forecasting for 25-station, 500-member Oakland Fire Department, ensuring adequate staffing and efficient allocation of public resources.
- Qualified and served as Acting Battalion Chief when needed.
- As Aircraft Rescue Firefighter Program Manager, established several committees that improved communication and collaboration between multiple agencies for more effective and unified emergency response while getting more people involved to spread heavy workloads, generate innovative ideas, and facilitate succession planning. Ensured consistent compliance with FAR-139 requirements.
- Continued serving as Terrorism Liaison Officer Program Coordinator.

Lieutenant/Paramedic (12/2005- 02/2015)

As first-line working supervisor, oversaw operational and administrative functions for assigned fire stations. Coordinated staffing schedules, ordered station supplies, supervised local building inspections, and provided in-service training for station personnel. Assumed command in absence of Captain, established supervision on calls, and enforced discipline, rules and regulations. Participated in emergency medical, rescue, fire suppression, and clean-up operations. Maintained logs, completed forms, and prepared reports and correspondence.

- As Terrorism Liaison Officer Program Coordinator, recognized by the Northern California Regional Intelligence Center for most active fire department after growing program from 20 to 115 members engaged in training and continuous professional development for effective response and information gathering to prevent terrorism.
- Established and managed Tactical Emergency Medical Support group and active-shooter training program to improve Unified Response to Violent Incidents rescue task force. Coordinated with local and state agencies, developed curriculum, and delivered training to entire fire department.
- As part of Urban Shield program for 13 years, participated in annual 72-hour training of SWAT teams in active-shooter response and multi-casualty incidents for Alameda County.
- Secured over \$300K in FEMA funding for equipment, supplies, and training, providing triage kits to every fire truck and engine in Oakland, plus PPE including ballistic vests and helmets for firefighters to enable more active and coordinated violent-incident response.
- Quickly developed rapport with new fire chiefs and maintained consistent communication within multiple agencies under continuously changing leadership.

- Earned Certificate of Appreciation in recognition for outstanding service to Oakland Fire Department as volunteer Oral Board Panelist (2008).

Firefighter/Paramedic (09/2000-12/2005)

Performed full range of duties related to the protection of life and property under emergency and hazardous conditions, including fire suppression, fire prevention, rescue, Basic and Advanced Life Support and emergency care, public education, incident clean-up, and salvage and overhaul. Served as first responder to emergency calls requiring basic and advanced emergency medical services. Performed related duties as assigned.

- Received numerous commendations from leadership for valor and outstanding job performance.

EAST CONTRA COSTA FIRE PROTECTION DISTRICT, Contra Costa County 10/2016-present

Elected Director (11/2018-present)

President of Fire Board (01/2018-present)

Vice President of Fire Board (06/2017-01/2018)

Appointed Director (10/2016-11/2018)

Appointed and later elected to serve as a Fire Board Director for the East Contra Costa Fire Protection District (ECCFPD). Established in 2002 with the consolidation of the Bethel Island, East Diablo, and Oakley-Knightsen Fire Protection Districts, the ECCFPD provides firefighting personnel and emergency medical services to the residents and businesses in Brentwood, Oakley, Discovery Bay, Bethel Island, Knightsen, Byron, Marsh Creek, and Morgan Territory, protecting more than 128,000 residents over 249 square miles.

- As elected Director of 5-member Board, developed policy and provided direction to fire chiefs of East Contra Costa Fire Protection District.
- Initiated consolidation of ECCFPD into Contra Costa County Fire Protection District, responding to long-term community appeals and driving resolution to more than two decades of operational problems and service level deficits.
- Led Board in strategic reorganization of District and funding structure for financial stability and sustainable allocation of resources to support future fire response for projected population growth. Updated developer impact fees and established centralized Community Facility District to ensure adequate funding for future staffing of fire stations. Addressed retention and succession planning to ensure future stability in labor and leadership.
- Engaged elected officials and agency representatives at local, state and federal level, established business partnerships, and involved EMS professionals in public education and advocacy to support legislation that benefits local communities.
- Recognized with EMS Advocate of the Year Award, 2020: National Association of Emergency Medical Technicians.

Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I currently work as a firefighter in a neighboring county. I feel my professional knowledge and experience in all realms of the fire service sets me up to be a valuable contributing member of this commission. My knowledge of the state weed abatement recommendations and requirements directly translates to the county in which I live and enjoy. I feel that my experience in the mitigation and management of wildland fires will directly correlate to the position in which I am applying.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

In the state of CA I am a certified fire Officer and Emergency Medical Technician, as well as certified wild land fire firefighter by CalFire. I serve as a fire trainer for my current fire department in all facets of fire service. I have a degree in fire administration with an emphasis in fire investigation, I also hold a degree in fire science. My qualifications for this position are all gained with real world knowledge and experience of the fire danger here in Contra Costa County.

Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I want to serve on this commission to represent my community in Eastern Contra Costa County, which will shortly be annexed into the Contra Costa County Fire Protection District. Additionally I would like to support and help direct the fire service in the entire district. I grew up in the service area of the CCCFPD as it exists today, and I am familiar with its citizens and topography.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I have previously served as a Director of the East Contra Costa Fire Protection District. During my time on the board of the ECCFPD, I attended every board meeting, as well as numerous committee meetings. I helped guide the development of the ECCFPD strategic plan, as well as assisted in the rewriting of the District's bylaws. Prior to the pandemic, I attended the meetings of the Diablo Firesafe Council for several years, and assisted in drafting the Contra Costa County Community Wildfire Protection Plan. After serving on the Board of the ECCFPD, I attended California State University at San Marcos and received a Bachelor of Science degree in Wildfire Science and the Urban Interface. I have worked with both the California State Parks and the East Bay Regional Parks District on successful fuels reduction and mitigation projects, as well as with private property owners and other stakeholders. Additionally, I have made recommendations to Contra Costa County staff regarding fuels reduction projects on County owned lands that were potential hazards to the community or had experienced abnormal fire frequency, and those projects have become a regular part of the County's annual fire mitigation program.

Contra
Costa
County

To: Board of Supervisors
From: Greg Baer, Director of Airports
Date: July 26, 2022

Subject: DECLARE A VACANCY ON THE AVIATION ADVISORY COMMITTEE NEIGHBOR OF BYRON AIRPORT SEAT

RECOMMENDATION(S):

ACCEPT the resignation of Steve Starratt, and DECLARE a vacancy in the Neighbor of Byron Airport Seat on the Aviation Advisory Committee to complete the term with an expiration date of February 29, 2024.

FISCAL IMPACT:

None.

BACKGROUND:

The purpose of the Contra Costa County Aviation Advisory Committee is to provide advice and recommendations to the Board of Supervisors on aviation issues related to the economic viability and security of airports in Contra Costa County. The Committee may initiate discussions, observations, and conduct research in order to make its recommendations to the Board. The Committee may hear comments on airport and aviation matters from the public or other agencies for consideration and possible recommendations to the Board of Supervisors or their designees. The Aviation Advisory Committee shall cooperate with local state, and national aviation interests for the safe and orderly operation of airports. The Committee shall also advance and promote the interests of aviation and protect the general welfare of the people living and working near the airport and the County

in general. In conjunction with all of the above, the Aviation Advisory Committee shall provide a forum for the Director of Airports regarding policy matters at and around the airports.

The Aviation Advisory Committee consists of thirteen members, one of which that lives or works in the vicinity of the Byron Airport, i.e., Brentwood Byron, Knightsen or Discovery Bay. This Committee position is commonly referred to as the Neighbor of Byron Airport Seat.

Mr. Starratt, the outgoing Neighbor of Byron Airport Committee member was originally appointed to a term ending February 29, 2024. On June 22, 2022, Mr. Starratt submitted his letter of resignation, prompting staff to initiate a recruitment for this position.

CONSEQUENCE OF NEGATIVE ACTION:

The Neighbor of Byron Airport Seat will not be able to replace the current representative and therefore will not have representation at Aviation Advisory Committee meetings.

To: Board of Supervisors
From: FAMILY & HUMAN SERVICES COMMITTEE
Date: July 26, 2022

Subject: Appointments to the Advisory Council on Aging

RECOMMENDATION(S):

APPOINT Ramapriya Raju to the Alternate Member seat on the Contra Costa Advisory Council on Aging (ACOA) with a term expiring September 30, 2023, as recommended by the Family and Human Services Committee.

FISCAL IMPACT:

There is no fiscal impact.

BACKGROUND:

On January 7, 2020, the Board of Supervisors adopted Resolution No. 2020/1 to amend governing requirements and policies for making appointments to advisory bodies to the Board of Supervisors. This resolution supercedes Resolution No. 2011/497. Section III.A. of Resolution No. 2020/1, Type 2: At Large/Countywide Appointments, states that when an advisory body conducts interviews, the body’s recommendation will be provided to a Board Committee for further review, along with all applications received for the applicable seat. In all cases, the Board Committee decides which applicants to nominate for full Board action.

The Contra Costa Advisory Council on Aging (ACOA) provides a means for county-wide planning, cooperation and coordination for individuals and groups interested in improving and

BACKGROUND: (CONT'D)

developing services and opportunities for the older residents of this County. The Council provides leadership and advocacy on behalf of older persons and serves as a channel of communication and information on aging. The Advisory Council on Aging consists of 40 members serving 2-year staggered terms, each ending on September 30. The Council consists of representatives of the target population and the general public, including older low-income and military persons; at least one-half of the membership must be made up of actual consumers of services under the Area Plan. The Council includes: 19 representatives recommended from each Local Committee on Aging, 1 representative from the Nutrition Project Council, 1 Retired Senior Volunteer Program, and 19 Members at-Large. Article III, 3.1 of the ACOA Bylaws states that the ACOA may recommend for appointment up to four (4) alternate Member-At-Large (MAL) members, who shall serve and vote in place of members (City or MAL) who are absent from, or who are disqualifying themselves from participating in a meeting of the ACOA.

The Area Agency on Aging (AAA), the ACOA and the Clerk of the Board, using Contra Costa TV (CCTV), assisted with recruitment. AAA staff has encouraged interested individuals, including minorities, to apply through announcements provided at the Senior Coalition meetings and at the regular monthly meetings of the ACOA. The Contra Costa County Employment and Human Services Department (EHSD) website contains dedicated web content where interested members of the public are encouraged to apply. The website provides access to the Board of Supervisors official application with instructions on whom to contact for ACOA related inquiries, including application procedures.

At the June 27, 2022 Family and Human Services Committee meeting, the Committee recommended that the Board of Supervisors appoint Ramapriya Raju to the Alternate Member seat on the ACOA with a term expiring September 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to appoint an alternate member is likely to reduce public participation in advising policy development.

Costa
County

To: Board of Supervisors
From: FAMILY & HUMAN SERVICES COMMITTEE
Date: July 26, 2022

Subject: Appointment to the Contra Costa Commission for Women and Girls

RECOMMENDATION(S):

APPOINT Destiny Briscoe to the At-Large 10 Seat on the Contra Costa Commission for Women and Girls for a term ending February 28, 2026, as recommended by the Family and Human Services Committee.

FISCAL IMPACT:

There is no fiscal impact.

BACKGROUND:

The Contra Costa Commission for Women and Girls (CCCWG) was formed to educate the community and advise the Contra Costa County Board of Supervisors on issues relating to the changing social and economic conditions of women in the County, with particular emphasis on the economically disadvantaged. The Commission's mission is, "to improve the economic status, social welfare, and overall quality of life for women in Contra Costa County." The Commission consists of 15 members and one Alternate At-Large member including: five district representatives (one from each supervisorial district), ten At-Large members, and one Alternate.

At the June 27, 2022 Family and Human Services Committee meeting, the Committee recommended the appointment of Destiny Briscoe to the At-Large Seat on the CCCWG for a term expiring February 28, 2026.

Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

The Contra Costa Commission for Women and Girls' mission is "to improve the economic status, social welfare, and overall quality of life for women in Contra Costa County." This mission greatly aligns with my views. We are living in times where women's rights are being infringed upon, and something must be done. Being on the commission will allow me to continue to carry out the work that the Contra Costa Commission for Women and Girls continues to do in our county. It is imperative that we continue to uplift, and enrich our young girls and women in our county, and I want to be a part of the work that this commission brings forth in our county.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I am dedicated to enriching the lives of our youth. I am a member of the Pittsburg Kiwanis club that provides scholarships to children in our Pittsburg community. I am also a member of the United Kiwanis Club of Antioch which is organizing to provide free hygiene kits to young girls in the Antioch School district. I have also mentored students at the De Anza High School Law Academy to help introduce them to the aspects of the criminal justice system. In September 2019, I participated in a campaign by the Contra Costa County District Attorney's Office, along with Antioch and Pittsburg City Council, to bring awareness to the Human sex and labor Trafficking issues that plague young children, and adults in Pittsburg and Antioch, California. During the one-day campaign, I went to numerous businesses to speak with business owners about placing fliers in their storefront window with information about resources to help Human trafficking victims escape their perpetrators. I also talked with the Pittsburg business owners about the importance of mitigating human trafficking in our community. Specifically, I spoke with them about providing victims with the information on the flier, which included case management, therapy, and emergency housing. As a result, I was able to get several restaurants, a book store, and clothing stores to place the flier in their storefront window. I am dedicated to enriching the lives of our young children and would love to have an opportunity to serve on the commission.

Would you like to be considered for appointment to other advisory bodies for which you may be qualified?

Yes No

Do you have any obligations that might affect your attendance at scheduled meetings?

Yes No

If Yes, please explain:

Are you currently or have you ever been appointed to a Contra Costa County advisory board?

Yes No

If Yes, please list the Contra Costa County advisory board(s) on which you are currently serving:

If Yes, please also list the Contra Costa County advisory board(s) on which you have previously served:

List any volunteer or community experience, including any advisory boards on which you have served.

I am a member of the Pittsburg Kiwanis Club, and it is a volunteer position. As a member of the Pittsburg Kiwanis Club we dedicate our time and need to uplifting children, and working to help them succeed. Some of the Pittsburg Kiwanis activities I have participated in have included: The Senior Sunrise breakfast at Pittsburg High School, the key jeopardy tournaments where I helped to raise money for Pittsburg student school clubs through jeopardy tournaments with other organizations in Pittsburg. I also volunteered at the Stuff the Bus Back To School Giveaway organized by Claryssa Wilson for students in East Contra Costa County, where I helped pass out free school supplies for students in our county. I am also a part of the Pittsburg ACCE Education Committee. It is a volunteer position. As a member of the Pittsburg ACCE Education Committee, the committee meets and speaks with ACCE parents in Pittsburg about student educational success. I have also volunteered at Loaves and Fishes in Pittsburg, in which I worked in the kitchen to help prepare meals for people in need. I have also made free COVID-19 care baskets for Pittsburg households in need that were battling COVID-19. This was an initiative I took on my own, where I provided families (including families with school-aged children) who had tested positive for COVID-19 and needed supplies to help them while dealing with Covid-19. These baskets included masks, disinfectant wipes, plastic cutlery, paper plates, etc. I am also a member of the Racial Justice Coalition where I advocated that some of measure X funds be used for youth services in East Contra Costa County. I assisted the Community Outreach committee at the Contra Costa County District Attorney's office with the community academy, which is a program that helps bridge the gap between the Contra Costa County community and the district attorney's office. This was volunteer work. I also assisted the outreach committee with seeking to establish a youth academy in connection with the District Attorney's Office to help Contra Costa youth. This was also volunteer work. Additionally, I served and volunteered as a De Anza High School Law Academy mentor. I also was a member of both, the BLAST Outreach Program and Black Recruitment and Retention Center, at UC Berkeley where we brought disadvantaged high school students on campus to UC Berkeley to engage in educational experiences on campus. I also served as a Liaison of Destination College to Think College Now Elementary School, which was a paid position. I am on the Antioch Rotary subcommittee for Kimball elementary where we sought to provide resources to Kimball Elementary students. The subcommittee is a volunteer position.

To: Board of Supervisors
From: FAMILY & HUMAN SERVICES COMMITTEE
Date: July 26, 2022

Subject: Appointments to the Workforce Development Board

RECOMMENDATION(S):

APPOINT Jerry L. Aranas to the Business Seat #2, and REAPPOINT Terry Curley to the Business Seat #4 of the Workforce Development Board with terms expiring June 30, 2026, as recommended by the Family and Human Services Committee.

FISCAL IMPACT:

None.

BACKGROUND:

On January 7, 2020, the Board of Supervisors (BOS) adopted Resolution No. 2020/1 revising policy governing appointments to boards, committees, and commissions that are advisory to the BOS. Section III.A. of this resolution states that when an advisory body conducts interviews for at-large/countywide seats, the body's recommendation will be provided to a Board committee for further review, along with all applications received for the applicable seat(s). In all cases, the Board Committee decides which applicants to nominate for full Board action.

The Workforce Development Board implements federal requirements for programs to address the education, skills, and employment needs for a skilled workforce, and that lead to an increase in the skills and earnings of Contra Costa residents.

BACKGROUND: (CONT'D)

On March 14, 2016, the Family and Human Services Committee (FHS) accepted the Employment and Human Services Department's recommendation to decertify the then-current Workforce Investment Act local Board and re-certify a new board structure in compliance with the new Workforce Innovation and Opportunity Act (WIOA). FHS approved these recommendations, and the Board did the same at its March 29, 2016 meeting. Under new standards in WIOA (2016) and as adopted by the Board on March 29, 2016, the new Workforce Development Board structure is: a total of 23 required seats and 2 "optional seats", consisting of: 13 Business representatives, 5 Workforce representatives, and 5 Education and Training representatives as follows: (1) Adult Education/Literacy; (2) Higher Education; (3) Economic & Community Development; (4) Wagner Peyser representative; (5) Vocational Rehabilitation. Also two additional "optional" seats that may be filled from any of the 3 categories above.

At the June 27, 2022 FHS meeting, the Committee approved the recommendations of the Workforce Development Board, as approved at their June 8, 2022 Executive Committee meeting, to appoint Jerry L. Aranas to the Business Seat #2, and reappoint Terry Curley to the Business Seat #4 of the Workforce Development Board with terms expiring June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:

The seats will remain unfilled.

MEMORANDUM

DATE: June 27, 2022
TO: Family and Human Services Committee
CC: Lara Delaney, CAO Sr. Deputy County Administrator
Enid Mendoza, CAO Sr. Deputy County Administrator
FROM: Tamia Brown, Executive Director
SUBJECT: **Appointment to Workforce Development Board**

This memorandum requests the Family and Human Services Committee recommend to the Contra Costa County Board of Supervisors the appointment of the following candidates to the new WIOA compliant Workforce Development Board of Contra Costa County.

Background:

Local board structure and size:

Compared to predecessor legislation, the Workforce Innovation and Opportunity Act (WIOA) substantially changes Local Board composition by reducing local workforce development board size while maintaining a business and industry majority and ensuring representation from labor and employment and training organizations.

To meet the categorical membership percentages, the WDB recommended a board of twenty-five (25) members. This option represents the minimum required local board size under WIOA plus an additional six (6) optional representatives in the following enumerated categories: 1) business; 2) workforce; 3) education and training.

Category – Representatives of Business (WIOA Section 107(b)(2)(A))

- Thirteen (13) representatives (52%)

Category – Representatives of Workforce (WIOA Section 107(b)(2)(A))

- Five (5) representatives (20%)

Category – Representatives of Education and Training (WIOA Section 107(b)(2)(C))

- One (1) Adult Education/Literacy Representative (WIOA title II)
- One (1) Higher Education Representative
- One (1) Economic and Community Development Representative
- One (1) Wagner Peyser Representative
- One (1) Vocational Rehabilitation Representative

Two (2) additional seats from the above categories, including constituencies referenced in Attachment III of Training Employment & Guidance Letter (TEGL) 27-14.

Recommendation:

- a) Recommend approval of local board candidate for the vacant board seat. *(Attached application and board roster) - Approved on June 8, 2022 at the Executive Committee Meeting*
 - **Jerry L. Aranas**– Business Seat # 2
- b) Recommend approval of local board candidate for the re-appointment for the board seat. *(Attached application and board roster) - Approved on June 8, 2022 at the Executive Committee Meeting*
 - **Terry Curley** – Business Seat # 4

***No other candidate competed for the Business Seat #2 & #4*

To: Board of Supervisors
From: Federal D. Glover, District V Supervisor
Date: July 26, 2022

Subject: RE-APPOINT Laura Griffin to the Contra Costa County Mental Health Commission, District V, Seat 2

RECOMMENDATION(S):

RE-APPOINT the following individual to the District V, Seat 2 on the Contra Costa County Mental Health Commission for a term ending July 1, 2025, as recommended by Supervisor Federal D. Glover.

Laura Griffin

FISCAL IMPACT:

None.

BACKGROUND:

The Contra Costa County Mental Health Commission was established by order of the Contra Costa County Board of Supervisors on June 22, 1993, pursuant to the Welfare & Institutions Code 5604, also known as the Bronzan-McCorquodale Act, Stats. 1992, c. 1374 (A.B. 14). The primary purpose of the Commission is to serve in an advisory capacity to the Board of Supervisors and to the Mental Health Division and its staff. Commissioners are appointed by members of the County Board of Supervisors from each of the five districts for a term of three years. Each district has a consumer of mental health services, family member and an at-large representative on the Commission, for a total of 15 members plus a representative from the Board of Supervisors.

To: Board of Supervisors
From: Monica Nino, County Administrator
Date: July 26, 2022

Subject: DECLARE a vacancy on the Local Planning and Advisory Council for Early Care and Education (LPC)

RECOMMENDATION(S):

ACCEPT the resignation of Candida Duperroir, DECLARE a vacancy in the Discretionary Appointee 1 - East County seat on the Local Planning and Advisory Council for Early Care and Education (LPC), and DIRECT the Clerk of the Board to post the vacancy, as recommended by the Contra Costa County Office of Education.

FISCAL IMPACT:

None.

BACKGROUND:

The mission of the Contra Costa County Local Planning and Advisory Council for Early Care and Education (LPC) is to promote quality childcare through community assessment, advocacy, resource development, and collaboration with other organizations. The LPC coordinates programs and services affecting early child care and education, including recommendations for the allocation of Federal Funds to local early child care and education programs.

Upon taking a new position with Alameda County, the incumbent resigned on June 6, 2022 with an effective resignation date of June 30, 2022. The term for this seat will expire on April 30, 2024.

To: Board of Supervisors
From: INTERNAL OPERATIONS COMMITTEE
Date: July 26, 2022

Subject: RECOMMENDATION FOR APPOINTMENTS TO THE HAZARDOUS MATERIALS COMMISSION

RECOMMENDATION(S):

APPOINT Jack Bean to the General Public Alternate seat to complete the current term that will expire on December 31, 2023 and Maureen Brennan to the Environmental Justice seat to complete the current term that will expire on December 31, 2024 on the Hazardous Materials Commission.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

The Hazardous Materials Commission was established in 1986 to advise the Board, County Staff and the mayor's council members, and staffs of the cities within the County, on issues related to the development, approval and administration of the County Hazardous Waste Management Plan. Specifically, the Board charged the Commission with drafting a Hazardous Materials Storage and Transportation Plan and Ordinance, coordinating the implementation of the Hazardous Materials Release Response Plan and inventory program, and to analyze and develop recommendations regarding hazards materials issues with consideration to broad public input, and report back to the Board on Board referrals.

The General Public Alternate seat was declared vacant by the Board of Supervisors on February 22, 2022 (item C. 19) due to the resignation of the seat holder, Tim Bancroft, who was appointed to the General Public Seat. The bylaws of the Commission provide for one representative of the general public seat and an alternate, appointed by the Board of Supervisors.

The Environmental Justice seat was declared vacant by the Board of Supervisors on February 22, 2022 (item C.17) due to the resignation of the seat holder, Sara Gurdian. The bylaws of the Commission provide for one representative of an Environmental Justice community and an alternate, appointed by the Board of Supervisors.

The Hazardous Materials Commission advertised for the open General Public Alternate seat via the County's web site, social media and other venues. The flyer is attached. The Commission received three applications for the seat (attached) and interviewed all three candidates. The Hazardous Materials Commission met on June 23, 2022 and voted unanimously to recommend that the Board of Supervisors appoint Jack Bean to the General Public Alternate seat. The term for the seat expires on December 31, 2023.

BACKGROUND: (CONT'D)

The Hazardous Materials Commission advertised for the open Environmental Justice seat via the County’s web site, social media and other venues. The flyer is attached. The Commission received two applications for the seat (attached) and but only interviewed one candidate because the other missed her interview appointment. The Hazardous Materials Commission met on June 23, 2022 and voted unanimously to recommend that the Board of Supervisors appoint Maureen Brennan to the seat. The term for the seat expires on December 31, 2024.

The Internal Operations Committee, at its regular meeting on July 11, 2022, reviewed and approved the two nominations for the Board's consideration today.

Subject: Youth Early Intervention Program Appropriation Adjustment

RECOMMENDATION(S):

APPROVE FY 2021-22 Appropriation & Revenue Adjustment No. 005066 authorizing new revenue in the amount of \$221,550 from Probation Juvenile Justice Crime Prevention Act funds, and appropriating it to the Public Defender's Office for the Youth Early Intervention Program.

FISCAL IMPACT:

The fiscal impact of this action is net zero. Appropriations in the Public Defender's Office for Permanent Salaries will increase by \$221,550, and the Intrafund -Transfer Services account will decrease by \$221,550. The appropriations in Probation for Other Departmental Charges will increase by \$221,550, and the Reimbursement revenue account will increase \$221,550.

BACKGROUND:

The Youth Early Intervention Partnership (YEIP) is a collaborative program between several County Departments (Public Defender, Probation, District Attorney), law enforcement agencies, the Contra Costa County Office of Education and community-based service providers. The overarching objective of the YEIP is to divert youth from the justice system providing legal advocacy, connection to services, case management, and other support to youth at risk of justice system involvement. The program is designed to prevent or minimize system involvement for youth whose contact with law enforcement has not yet resulted in formal processing in the youth justice system.

BACKGROUND: (CONT'D)

This appropriation will fund the entire salary of a YEIP Attorney that will provide holistic legal services to youth who are at risk of formal justice system involvement at the time of initial contact, but have not yet been charged with a crime.

CONSEQUENCE OF NEGATIVE ACTION:

The Public Defender's Office and the Probation Department's appropriations will not be properly allocated.

Subject: CSB Appropriation and Revenue Adjustment – Child Care Alternative Payment Programs-CAPP

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Employment and Human Services Department Director, or designee, to execute a revenue agreement amendment (CAPP-1009 Amendment-2) with the California Department of Social Services (CDSS), to increase the payment limit by \$522,193 to a new payment limit of \$8,058,703, for an increase in the Regional Market Rate (RMR) in FY 21-22 to the Childcare Alternative Payment Programs, with no change in the term.

APPROVE Fiscal Year 2021/22 Appropriations and Revenue Adjustment No. 5071 authorizing additional revenue from CDSS in the amount of \$522,193 to the Employment and Human Services Department, Community Service Bureau (0589), for an increase in the RMR in FY 21-22 to the Childcare Alternative Payment Programs.

FISCAL IMPACT:

This action is to adjust estimated revenue and appropriated expenditures based on additional funding approved by the California Department of Social Services (CDSS) Child Care and Development Division. County is to receive an increase of \$522,193, resulting in a new agreement amount not to exceed \$8,058,703.

FISCAL IMPACT: (CONT'D)

\$4,861,459 (60% Federal with AL/CFDA #93.575 and 93.596)

\$3,197,244 (40% State)

No County match is required

State Contract Number: CAPP-1009-02

County Contract Number: 29-212-46

BACKGROUND:

The County receives funds from the California Department of Social Services (CDSS) to provide California Alternative Payment Program (CAPP) to program-eligible families for children ages 0-12 years old. Families must meet at least one of these eligibility criteria to meet program eligibility: receiving cash aid, income eligible, experiencing homelessness, or recipients of protective services or at risk of being abused, neglected or exploited, and have an established need for child care.

The Employment and Human Services Department (EHSD) received notification of amendment from CDSS on May 18, 2022, to amend Agreement Number CAPP-1009 (Amendment 2). The amendment reflects the changes to the Regional Market Rate (RMR) ceilings increase effective January 1, 2022 per Assembly Bill 131, Chapter 116, Statutes of 2021, Section 3.

The original revenue agreement was approved by the Board on July 13, 2021 (C. 48). The first amendment to increase payment limit from \$4,287,288 to \$7,536,510 was approved by the Board on February 1, 2022 (C. 44). This board order is to accept additional funds from the State in the amount of \$522,193 to a new payment limit of \$8,058,703 and to adjust the FY 21-22 budget.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, program eligible families and children will not receive child care under this program and appropriations and estimated revenues will not be properly reflected in the FY 21/22 budget.

CHILDREN'S IMPACT STATEMENT:

The Employment and Human Services Department Community Services Bureau supports three (3) of Contra Costa County's community outcomes – Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.

KIDS (CALWORKS) STAGES TWO AND THREE CHILD CARE
ALTERNATIVE PAYMENT PROGRAMS (CAPP)

REFERENCE: [ASSEMBLY BILL \(AB\) 131 \(CHAPTER 116, STATUTES OF 2021\)](#);
[CHILD CARE BULLETIN \(CCB\) 21-21](#); [CCB 21-17](#)

Purpose

The purpose of this Child Care Bulletin (CCB) is to provide contractors augmentations pursuant to [W&IC Section 10374.5](#) for January 1, 2022, rate changes for Child Care Alternative Payment Programs (CAPP). Commencing January 1, 2022, the Regional Market Rate (RMR) ceilings shall be established at the greater of the 75th percentile of the 2018 RMR survey for the county or the RMR ceiling that existed on December 31, 2021. More information regarding these changes can be found in [Child Care Bulletin 21-21](#).

Alternative Payment Programs (CAPP)

Attachment I displays the augmentations related to the January 1, 2022, RMR changes for CAPP. Rate increases resulting from these changes are funded by the American Rescue Plan Act of 2021 (ARPA). Funds for the FY 2021-22 Cost of Living

Adjustments, Hold Harmless (reimbursement based on the maximum certified hours of care rather than attendance), additional child care slots, and waived family fees were provided in Budget Act Amendments detailed in Attachment I of [Child Care Bulletin 21-17](#).

The FY 2021-22 budget includes \$67.8 million for CAPP RMR increases effective January 1, 2022. As data associated with enrollment characteristics for new slots in FY 2021-22 is unknown, \$20 million of the total funding for CAPP is set aside to ensure availability based on projections as reported by agencies, for actual and allowable costs incurred for additional services. Consistent with current processes, agencies should work with their assigned [fiscal analyst](#) when they project they will over earn their contracts.

For the remaining \$47.8 million, caseload and characteristic data reported for October 2021 was used to determine the cost difference from the ceilings in place December 31, 2021, compared to the ceilings in place January 1, 2022. Augmentations provided in Attachment I are distributed based on each agency's percentage of the total statewide augmentation.

CalWORKs Stages Two and Three

Consistent with existing process, because CalWORKs Stage Two is an entitlement program and CalWORKs Stage Three is treated consistently to the extent Budget Act appropriations are provided, Stage Two and Stage Three contracts are updated on an as-needed basis. Agencies should work with their assigned [fiscal analyst](#) when they project they will over earn their contracts.

Subject: Los Medanos Appropriation Adjustment

RECOMMENDATION(S):

APPROVE and AUTHORIZE fiscal year 2021/22 Appropriations and Revenue Adjustment No.005077, authorizing new revenue in the amount of \$971,871 and appropriating it for costs related to transition of the former Los Medanos Community Healthcare District to the County.

FISCAL IMPACT:

Approval of this action will establish revenues and appropriations of \$971,871 in Special Revenue Fund 113800, Department 0480 (Los Medanos Community Healthcare District). There is no fiscal impact to the County General Fund. (100% Los Medanos Community Healthcare District)

BACKGROUND:

On September 12, 2018, the Contra Costa Local Agency Formation Commission (LAFCo) adopted Resolution No. 17-13B, approving the dissolution of the Los Medanos Community Healthcare District and appointing Contra Costa County as sucsessory agency to the District once the dissolution became effective.

On March 9, 2022, the Local Agency Formation Commission (LAFCo) recorded a Certificate of Completion (Document No. 2022-0042380) with the County Clerk-Recorder dissolving the Los Medanos Community Healthcare District. The recording was completed following action by the California Supreme Court, which denied the Los Medanos Community Healthcare District's challenging of the dissolution approved by

BACKGROUND: (CONT'D)

LAFCo and petition requesting review of the Court of Appeal's decision in Los Medanos Community Healthcare District v. Contra Costa LAFCO and Contra Costa County.

The terms and conditions of the dissolution, among other things, appoint Contra Costa County to serve as successor agency of the dissolved District and charges the County with winding up the former District's affairs. This includes taking possession and disposing of District assets and liabilities. Since the March 9, 2022 dissolution of the District by LAFCo, the County has been working with entities to gain control of the District's financial assets.

On March 29, 2022, the Board of Supervisors took action to authorize the closure of the former Los Medanos Community Healthcare District financial, investment, and business accounts as part of its responsibility as successor agency to the former District. Additionally, any remaining proceeds in such accounts were authorized to be remitted to the County Treasury for use in the former District area.

Approval of the requested revenue and appropriation adjustments will establish the fiscal year 2021/22 budget for costs related to the transition of the former Los Medanos Community Healthcare District to the County. Due to the timing of the District's dissolution, a budget for fiscal year 2022/23 has not been established. It will be submitted for Board approval and authorization in October.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, appropriations will not be properly allocated in FY 2021/22 for the costs related to the transition of the former Los Medanos Community Healthcare District to the County.

Subject: Add one Mental Health Specialist II, one Mental Health Community Support Worker II, & one Substance Abuse Counselor position in Health Services

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 26000 to add one (1) Mental Health Specialist II (VQVA) position at salary plan and grade TC2-1284 (\$4,977- \$7,033), one (1) Mental Health Community Support Worker II (VQVB) position at salary plan and grade TC5- 0968 (\$3,533-\$4,294), and one (1) Substance Abuse Counselor (VHVC) position at salary plan and grade TC5- 1436 (\$5,616- \$6,826) in the Health Services Department. (Represented)

FISCAL IMPACT:

Upon approval, this action will result in an annual cost of approximately \$384,958 with \$84,483 in pension costs included. These positions will be fully funded by the Mental Health Realignment.

BACKGROUND:

The Behavioral Health Division in the Health Services Department is requesting to add one (1) Mental Health Specialist II position, one (1) Mental Health Community Support Worker II position, and one (1) Substance Abuse Counselor position. These positions will be assigned to the Behavioral Health Division’s Housing Services Program which provides mentally ill adults with a continuum of housing care and mental health services from the least restrictive to locked facility settings.

BACKGROUND: (CONT'D)

The Housing Services Program offers a large spectrum of resources ranging from the inpatient psychiatric setting, where medical necessity drives the decision-making process – to community placements which include crisis residential treatment, transitional housing, permanent supportive housing, and homeless shelters. The addition of these positions will provide intensive outpatient mobile crisis stabilization and mental health support to clients receiving services through the Housing Services Program. The Mental Health Specialist II will provide intensive support, crisis intervention, and stabilization to prevent community crises. The Mental Health Community Support Worker II will perform similar duties alongside the Mental Health Specialist II and will provide support from a peer perspective. The Substance Abuse Counselor will provide substance use counseling and stabilization. The addition of these positions will help mentally ill residents with the necessary mental health support and linkages to appropriate community services.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the Behavioral Health Division's Housing Services Program will struggle to provide the necessary intensive behavioral health and substance use services to their clients in a timely manner.

To: Board of Supervisors
From: Ellen McDonnell, Public Defender
Date: July 26, 2022

Subject: Add four (4) Deputy Public Defender II Positions to the Public Defender's Office

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 26002 to add four (4) full-time Deputy Public Defender II (25VA) (represented) positions at salary plan and grade JD5 1872 (\$9,208 - \$11,193), effective July 27, 2022, and cancel one (1) part-time Deputy Public Defender - Fixed Term (25WB) position number 17812 at salary plan and grade JDX 2197 (\$8,685 - \$9,336), effective December 31, 2022.

FISCAL IMPACT:

This action will result in an additional annual cost of approximately \$712,271. There are savings from a new interdepartmental agreement that will now fund a previously General Funded attorney, and anticipated savings from the Conflicts Program contract that will cover part of this increase in cost. The County Administrator's Office will return to the Board mid-year to adjust the Public Defender's budget to appropriately reflect these new costs.

BACKGROUND:

The Public Defender's Office represents indigent individuals charged with crimes in local criminal courts. Legal obligations have expanded dramatically due to criminal legal reform measures that mandate increased obligations for attorneys throughout the criminal process, including mental health litigation, robust sentencing preparation, and post-conviction litigation. Additionally, voluminous electronic discovery and complicated forensics have increased the complexity of attorney case preparation and time spent on each case. As a result, attorneys in the felony, misdemeanor, and mental health units remain consistently at or above maximum caseload capacity.

The Office has 82.0 Deputy Public Defender attorney positions covering various programs in the Department. A majority of the attorneys cover felonies, misdemeanors, juvenile and mental health cases, while others cover more specialized program areas. The felony and misdemeanor case referral trends from the Superior Court remain high. In May of this year, the average misdemeanor caseload was 142 clients. As of July, the average misdemeanor caseload was 149 clients. Similarly, the average felony caseload increased from 29.75 clients to 31.48 clients during the same time period. Therefore, attorneys assigned to the felony unit have experienced a caseload average increase of 6% between May and July of this year, and attorneys assigned to the misdemeanor unit have experienced a caseload average increase of 5%.

BACKGROUND: (CONT'D)

The Public Defender's Office has been working closely with the County Administrator's Office to ensure the staffing needs of the office are met and that the office maintains sufficient attorney capacity in order to fulfill its constitutional obligations and to ensure that all cases possible remain with the department. In order to address the increased legal obligations and caseload capacity concerns, four Deputy Public Defender II positions are needed to increase attorney bandwidth in the felony and misdemeanor units.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, the Public Defender will lack sufficient attorney bandwidth to accept all case referrals from the superior court.

ADOPT Position Adjustment Resolution No. 22499 to reclassify position #14377 from Pharmacist I (VYWA) (represented) at salary plan and grade level TC5-1998 (\$11,756 - \$13,609) to Clinical and Drug Information Coordinator (VYSD) (represented) at salary plan and grade level TC5-1923 (\$10,915-\$13,929) in the Health Services Department.

FISCAL IMPACT:

Upon approval there is an annual cost increase of approximately \$25,287 with pension costs of \$6,903 already included. The entire cost will be funded 100% by Mental Health Services Act.

BACKGROUND:

A classification study was conducted on a single position currently allocated to the Pharmacist I classification assigned to the Behavioral Health Unit of the Health Services Department. In 2011, the Behavioral Health Unit had a need for someone with a Pharmacist background to conduct medication monitoring part-time and utilized the Pharmacist I classification to hire someone for this task. The responsibility grew from three clinics to 11 clinics and the position changed to full-time in 2013. Additionally, the position scope included consultation, education and training.

ADOPT Position Adjustment Resolution No. 25980 to establish the Program and Project Coordinator-Project (APH1) classification, and add one (1) position at a salary plan and grade ZA2 1771 (\$8,061-\$9,822) in the Probation Department.

FISCAL IMPACT:

Upon approval, this request has an annual cost of approximately \$165,428 which includes \$25,552 in pension costs. This action is funded 100% by Measure X revenue.

BACKGROUND:

Over the course of several months from the Fall of last year to the Spring of this year, the Board of Supervisors held community meetings in which proposals for Measure X funding allocations were received. As a result of these meetings, Probation was allocated one-time funding of \$2 million for the creation of a Restorative Justice project. As part of Probation’s proposal, the Department requested partial use of these one-time funds for staffing and administration of the Restorative Justice project. The Department seeks to hire a Programs and Project Coordinator-Project position to provide oversight and support the implementation of the project for the next three years.

FISCAL IMPACT:

Upon approval, this action will result in an annual savings to the Library Fund of approximately \$21,276. No fiscal impact to the County general fund.

BACKGROUND:

The Library has been working on a reallocation of resources to create more efficient staffing at its branch locations. As part of that plan, the Library has increased or modified hours at various locations, including at the Walnut Creek Library. As a result of this change, the Library has determined that the Walnut Creek community would be better served with a full-time clerk at that location.

Following the beginning of the COVID-19 pandemic, the Library worked on evaluating its staffing and scheduling plans to best meet the needs of patrons. Following this evaluation, the Library determined that its community libraries should each have at least a Tuesday through Saturday schedule. As part of that determination, the Library has been working to adjust schedules of its vacant positions to align with this new scheduling plan.

The Library has determined that the part-time Clerk-Experienced Level positions located at the Walnut Creek Library would better serve the needs of the public if they were combined into a single full-time position. This will allow for more time for the clerical services to be available in the branch and to provide needed flexibility in service to the community. Additionally, recruitment and retention for a full-time position will be easier than for two part-time positions.

Subject: Increase the hours of one (1) part-time Library Assistant-Journey Level

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 25992 to increase the hours of one (1) vacant part-time Library Assistant-Journey Level (3KVB) (represented) position #12994 at salary plan and grade QXX 1030 (\$3,746.66 - \$4,784.63) from part time (20/40) to full time (40/40) in the Library Department, at the Hercules Library.

FISCAL IMPACT:

Upon approval, this action will result in an annual cost to the Library Fund of approximately \$29,472. No fiscal impact to the County general fund.

BACKGROUND:

The Library has been working on a reallocation of resources to create more efficient staffing at its branch locations. As part of that plan, the Library has increased or modified hours at various locations, including the Hercules Library. As a result of this change, the Library has determined that the Hercules community would be better served with a full-time Library Assistant-Journey Level at that location.

Following the beginning of the COVID-19 pandemic, the Library worked on evaluating its staffing and scheduling plans to best meet the needs of patrons. Following this evaluation, the Library determined that its community libraries should each have at least a Tuesday through Saturday schedule. As part of that determination, the Library has been working to adjust schedules of its vacant positions to align with this new scheduling plan.

The Library has determined that these two full-time positions will better serve the needs of the public. They will allow for more services at the branch and will provide needed flexibility in service to the community. Additionally, recruitment and retention for full-time positions are better than for part-time positions.

CONSEQUENCE OF NEGATIVE ACTION:

If this position change is not approved, the Library will have difficulties with recruitment and retention, as well as providing services to the public.

Subject: Add Fifteen (15) Firefighter Recruit Positions in the Contra Costa County Fire Protection District

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 26001 to add fifteen (15) Firefighter Recruit (RPWD) (represented) positions at salary plan and grade 4N5 1201 (\$6855.11) in the Contra Costa County Fire Protection District.

FISCAL IMPACT:

The estimated cost of adding fifteen Firefighter Recruit positions for a 16-18 week academy is \$603,000. Recruits are not enrolled into CCCERA until they successfully complete the academy and become either a Firefighter or Firefighter-Paramedic. Recruits are also not eligible for holiday or scheduled FLSA pay. They are eligible to receive medical and dental group insurance coverage. Those costs are included in the estimate. At the conclusion of the academy, it is anticipated that recruits will replace 56-hour line personnel at the rank of Firefighter or Firefighter-Paramedic. Firefighters will replace Fire Engineers, Fire Engineers will replace Fire Captains, and so forth.

BACKGROUND:

The Contra Costa County Fire Protection District (District) is requesting these positions to have vacant positions to hire

BACKGROUND: (CONT'D)

recruits into fire academies. The District typically starts its annual recruit academy in October. Recruit academies run for 16-18 weeks. Recruits are then promoted to Firefighter or Firefighter-Paramedic and begin provisional assignments and one-year probationary periods. The District generally experiences most of its retirement-related attrition in March.

It takes approximately one year to advertise and post a recruitment, conduct a Merit System examination to promulgate a hiring eligible list, schedule and conduct District-level interviews from the eligible list, select candidates, and do pre-employment assessments (background investigations and medical examinations). All of these steps must take place prior to beginning a recruit academy, which again, is generally 16-18 weeks of rigorous classroom and physical training.

If the District waits for positions to become vacant prior to recruitment and selection, pre-employment assessments, and academy training processes, minimum staffing goals will never be achieved. That will result in mandatory overtime, fatigued and injured personnel, and an inability to assist other agencies with mutual aid.

By having a cache of vacant positions available to use for recruit hiring, the District can fill positions at approximately the time they become vacant.

CONSEQUENCE OF NEGATIVE ACTION:

If this request is not approved the Fire Protection District will not have vacant positions available to hire recruits into the fire academy.

Subject: Cancel one 20/40 Clerk-Senior Level position and increase hours on one 20/40 Clerk-Senior Level position to 40/40 at the Dougherty Station Library

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 25988 to cancel one 20/40 Clerk Senior Level (JWXC) (represented) position #12697 and increase the hours of one 20/40 Clerk Senior Level (JWXC) (represented) position #12698 to full time in the Library Department, Dougherty Station Library branch.

FISCAL IMPACT:

Upon approval, this action will result in an annual savings to the Library Fund of approximately \$21,276. No fiscal impact to the County general fund.

BACKGROUND:

The Library has been working on a reallocation of resources to create more efficient staffing at its branch locations. As part of that plan, the Library has increased or modified hours at various locations, including at the Dougherty Station Library. As a result of this change, the Library has determined that the Dougherty Station community would be better served with a full-time clerk at that location.

The Library has determined that the part-time Clerk-Senior Level positions located at the Dougherty Station Library would better serve the needs of the public if they were combined into a single full-time position. This will allow for more time for the clerical services to be available in the branch and to provide needed flexibility in service to the community. Additionally, recruitment and retention for a full-time position will be easier than for two part-time positions.

CONSEQUENCE OF NEGATIVE ACTION:

If this position change is not approved, the Library will have difficulties with recruitment and retention, as well as providing services to the public.

Adopt Position Adjustment Resolution No. 25999 to add one (1) Health Services Reimbursement Accountant (VCTA) in salary plan and grade ZA5 1854 (\$8,495.30 - \$11,384.51) in the Health Services Department. (Represented)

FISCAL IMPACT:

This position will incur a total annual cost of \$225,645.69 which includes \$52,978.94 in pension cost. This position will be supported 100% by CCHP Member Premiums.

BACKGROUND:

On January 1, 2022, the State required Health Plans to submit a new Quarterly Financial Report to the Department of Health Care Services (DHCS) State oversight agency. New State mandates also require Medi-Cal Managed Care Health Plans to report information related to plan members who have Other Health Care Coverage (OHC), and account for refunds due from providers for medical claim overpayments. The department must also address the additional work created by CalAIM and the additional work associated with a proposal to convert the Contra Costa Health Plan from a Medi-Cal two plan model to a single plan County Organized Health System model. The department plans to add additional accounting staff to absorb these new mandates

and reporting requirements.

Management has determined the addition of a Health Services Reimbursement Accountant will provide the appropriate level of management to bring on new staff, provide appropriate training and cross-training to staff, and carve out some of the routine monthly and quarterly work to enable the unit to address the new State reporting requirements in a timely manner, which is critical to the proposal to convert CCHP to a single plan model. This additional position would enable the unit manager to focus on the critical rate development reporting and the quarterly financial reporting. There are also increased state and federal reporting obligations for the Community Health Plan. This plan includes commercial coverage for County employees and retirees, and the State-sponsored coverage available to in-home supportive service providers in Contra Costa County. Supervisory oversight is needed to manage the process for setting premium rates and monitoring Pharmacy costs.

CONSEQUENCE OF NEGATIVE ACTION:

If this request is not approved, the Department will not have the proper management staffing levels to meet the financial reporting requirements mandated by the State.

Subject: Grant Agreement #28-798-12 from the United States Department of Housing and Urban Development

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Grant Agreement #28-798-12 (CA0189L9T052113) from the United States Department of Housing and Urban Development (HUD) to receive McKinney-Vento funding, payable to the County in an amount up to \$274,606 for the County's Permanent Connections Supportive Housing Program for the period from July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

This grant will result in \$274,606 of funding from HUD, including a required 25% County match of \$68,652 (budgeted).

BACKGROUND:

Permanent Connections Supportive Housing provides housing sites for homeless, transition-age youth, between the ages of eighteen (18) and twenty-four (24), with disabilities. Ten (10) units are set aside for youth, who are disabled by mental illness, substance abuse, HIV/AIDS, or dual/multiple diagnoses. The program is designed to provide on-going supportive services with an emphasis on families maintaining their permanent, safe, and affordable housing. The County has been receiving grant funds for Permanent Connections since 2008.

On May 18, 2021, the Board of Supervisors approved Grant Agreement #28-798-11 to receive funds in an amount not to exceed \$284,206 for the County's Permanent Connections Supportive Housing Program for the period from July 1, 2021 through June 30, 2022.

Approval of Grant Agreement #28-798-12 will allow the County to continue to perform all responsibilities in relation to receipt of the funding for the Permanent Connections Supportive Housing Program through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County will not receive funding to support the Permanent Connections Supportive Housing Program.

BACKGROUND:

The Employment and Human Services Department (EHSD) received notification from the California Department of Community Services and Development (CSD) on June 6, 2022, to amend the 2022 Low Income Home Energy Assistance Program (LIHEAP) agreement. This amendment (Amendment 1) is for the remaining allocation of 2022 LIHEAP Agreement that CSD is releasing for the grant award. Contra Costa County routinely receives funding from CSD wherein the County provides energy bill assistance payments and/or weatherization services to residents who are income eligible through LIHEAP and the Energy Crisis Intervention Program (ECIP). First priority for services are to those households with the lowest income and highest energy burden. LIHEAP priority is to service those households with the following vulnerable populations: young children (ages five years or under), disabled, and elderly persons (ages 60 years or older). Since the execution of the 2022 LIHEAP agreement, 649 residents have received energy bill assistance and 75 homes have received weatherization services.

The program is operated by the EHSD, Community Services Bureau (CSB). The Board of Supervisors approved the original revenue agreement to accept funds for the Program Year 2022-2023 in the amount of \$3,389,218 on January 11, 2022 ([C.52](#)).

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, County may not provide services to additional residents eligible for LIHEAP in Contra Costa County to meet their energy needs.

CHILDREN'S IMPACT STATEMENT:

LIHEAP funding supports one (1) of the community outcomes established in the Children's Report Card: #4 "Families that are Safe, Stable and Nurturing" by the provision of home energy assistance to keep households warm in winter and to increase household energy efficiency.

Resolution No. 2022/262

IN THE MATTER OF: 2022-2023 State of California Department of Community Services and Development, Low Income Home Energy Assistance Program (LIHEAP) Amendment 1.

WHEREAS, on June 6, 2022, the County received notification of amendment from the California Department of Community Services and Development (CSD) for the 2022 Low Income Home Energy Assistance Program (LIHEAP) agreement, and **WHEREAS**, the amendment is the remaining allocation of 2022 LIHEAP Agreement that CSD is releasing for the grant, and **WHEREAS**, the County routinely receives funding from CSD wherein Contra Costa County provides energy bill assistance payments and/or Weatherization services to residents who are income eligible through LIHEAP and the Energy Crisis Intervention Program (ECIP), and **WHEREAS**, first priority for services are to those households with the lowest income and highest energy burden, and **WHEREAS**, LIHEAP priority is to service those households with the following vulnerable populations: young children (ages five years or under), disabled, and elderly persons (ages 60 years or older), and **WHEREAS**, this Board is to accept additional funds for the Program year 2022-2023 in the amount of \$1,057,688.

NOW, THEREFORE, BE IT RESOLVED: the Contra Costa County Board of Supervisors ADOPT Resolution No. 2022/XXX to approve and authorize the Employment and Human Services Director, or designee, to execute an amendment to the Low Income Home Energy Assistance Program (LIHEAP) revenue agreement to accept additional funds in the amount of \$1,057,688 and increase the total funding limit in an amount not to exceed \$4,446,906 with the State of California Department of Community Services and Development (CSD) with no changes to term period of November 1, 2021 through June 30, 2023.

Subject: Grant Agreement #28-928-1 with Physicians for a Healthy California

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Grant Agreement #28-928-1, including mutual indemnification, with Physicians for a Healthy California (PHC), a non-profit corporation, to pay the County an amount not to exceed \$150,000 to increase training of primary care and emergency physician residents at Contra Costa Regional Medical Center and Contra Costa Health Centers, for the period from July 1, 2022 through September 30, 2025.

FISCAL IMPACT:

Approval of this agreement will result in a total of \$150,000 from PHC for the Family Practice Residency Program. \$100 County match is required and will be funded by Hospital Enterprise Fund I.

BACKGROUND:

PHC is authorized by the California Healthcare, Research and Prevention Tobacco Tax of 2016 (Proposition 56) and the University of California to issue grants for the purpose of increasing the number of primary care and emergency physicians trained in California. The goal of the grant is to sustain, retain and expand graduate medical education programs based on workforce needs and priorities.

On July 28, 2020, the Board of Supervisors approved Grant Agreement #28-928 with Physicians for a Healthy California, to pay the County an amount not to exceed \$150,000, for training of primary care and emergency physician residents at Contra Costa Regional Medical Center and Contra Costa Health Centers, for the period from July 1, 2020 through September 30, 2023.

Approval of Grant Agreement #28-928-1 will allow continuation of the Family Practice Residency Program at Contra Costa Regional Medical Center, including training for additional family practice residents through September 30, 2025. This agreement includes mutual indemnification.

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Novation Contract #28-705-20 containing mutual indemnification with the City of Hercules, a government agency, to pay County in an amount not to exceed \$15,000, to provide congregate meal services for County's Senior Nutrition Program, for the period from July 1, 2022 through June 30, 2023, which includes a three-month automatic extension through September 30, 2023.

FISCAL IMPACT:

The City of Hercules will pay the County the voluntary contributions it receives from participating seniors, after it has paid its authorized expenses. Total payments during the term of the contract are not expected to exceed \$15,000. No County match of funds is required.

BACKGROUND:

This contract meets the social needs of the County's population by providing an average of 35 congregate meals per day, five days per week for senior citizens at the Hercules Senior Center. The County has been contracting with the City of Hercules since October 1, 2002.

On June 8, 2021, the Board of Supervisors approved Novation Contract #28-705-19 with the City of Hercules for the provision of congregate meal services for County's Senior Nutrition Program, for the period from July 1, 2021 through June 30, 2022, which included a three-month automatic extension through September 30, 2022.

Approval of Novation Contract #28-705-20 replaces the automatic extension under the prior contract and allows the City of Hercules to pay the County a portion of the voluntary contributions from seniors, while they continue providing services through June 30, 2023. This contract includes mutual indemnification.

BACKGROUND:

On July 8, 2002 the Board of Supervisors (Board) adopted a Resolution to authorize the exchange of County Real Property with the Pinole Redevelopment Agency for the West County Animal Shelter Facility located at 910 San Pablo Avenue in Pinole. The shelter building was underutilized because it does not have an outdoor exercise area and was built without surgical facilities for small animals. In August, 2020, the Board directed the County Administrator's Office to take steps to permanently close the Pinole Animal Shelter. Animal Services stopped offering adoption services at the shelter in October 2020 . In August, 2021, the Board declared the property to be surplus and not needed for County or other public purposes.

To further the mission of the Animal Services Department and fill a gap in animal services in the Pinole area, a request for proposals was sent to 501c3 animal welfare organizations to bid on the property. The organization that was chosen, Fix Our Ferals, will provide low-cost spay/neuter services and veterinary medicine to the community.

CONSEQUENCE OF NEGATIVE ACTION:

The County would continue to own and be liable for the maintenance of property that is not needed for County or public purposes.

**OPTION AGREEMENT BETWEEN
CONTRA COSTA COUNTY
AND FIX OUR FERALS (dba ANIMAL FIX CLINIC)**
(Not to be Recorded)

This agreement (“Agreement”) is dated July 26, 2022, and is between the COUNTY OF CONTRA COSTA, a political subdivision of the State of California, (the “County”) and FIX OUR FERALS (DBA ANIMAL FIX CLINIC), a California nonprofit corporation (“Optionee”).

RECITALS

- A. The County owns an approximately .40-acre parcel at 910 San Pablo Avenue, Pinole, California (PN 402-240-022), as more particularly described in Exhibit A (the “Property”). The Property is improved with a one-story building consisting of approximately 5,213 square feet, a parking lot and landscaping.
- B. Optionee is a non-profit organization that provides low cost, outpatient surgical practice for cats and dogs, offering high volume spay/neuter services and other life-saving surgeries. Optionee is exempt from taxation pursuant to Section 501(c) (3) of the Internal Revenue Code.
- C. The County has determined that the Property is surplus and no longer required for County use. In accordance with Government Code section 26227, the County desires to sell, and Optionee desires an option to purchase the Property from the County to operate a free or low-cost community animal shelter.

The parties therefore agree as follows:

AGREEMENT

- 1. **Effective Date.** This Agreement is effective on the date signed by both parties (the “Effective Date”).
- 2. **Conveyance of Option.** In consideration of Optionee’s promises herein:
 - a. Grant of Option. The County hereby grants to Optionee the exclusive option to purchase the Property on the terms and conditions in this Agreement (the “Option”).

- b. Option Term. The term of the Option begins on the Effective Date and expires thirty days after the Effective Date (the “Option Term”). The County may extend the Option Term in its sole discretion.
- c. Grant Deed. If Optionee exercises the Option, the County shall convey title to the Property to Optionee in fee simple absolute by grant deed, in the form attached hereto as Exhibit B (“Grant Deed”), subject to all covenants, conditions, and restrictions, whether recorded or unrecorded, and deposit the Grant Deed into escrow on or before the closing date. Under the Grant Deed, the County will reserve a power of termination, as defined in Civil Code section 885.010, that will enable the County to take the Property back if it is used for anything other than activities, including administration, that directly relate to providing free or low-cost services to animals during the twenty-five-year period that begins on the date the Grant Deed is recorded.

3. **Consideration for Option.**

- a. **Payment**. As consideration for the Option, Optionee shall pay the County One Thousand Dollars (\$1,000.00) (the “Option Consideration”) within five business days after the Effective Date. The Option Consideration will be applied to the purchase price if Optionee exercises the Option. Optionee shall cause the Option Consideration to be paid by a check made payable to Contra Costa County that is delivered to the County at the address for the County shown in Section ___ below.
- b. **Retention of Option Consideration**. Except as provided in Section 10 below (Informalities; Cancellation of Sale), the Option Consideration belongs to the County and will be retained by the County, whether or not Optionee exercises the Option. The County has no obligation to account for the Option Consideration to Optionee.

4. **Terms and Purchase Price.**

- a. **Escrow**. If the Optionee exercises its Option, at the County’s election, the sale of the Property will be consummated through an escrow (“Escrow”) at a title company to be selected by the County (the “Title Company”). If for any reason, the named Title Company is unable to handle this transaction through the Close of Escrow, the County’s Real Property Agent assigned to oversee this transaction will select an alternate title company to handle the transaction and notify Optionee in writing of the identity and address of the successor title company and the new escrow number. Thereafter, the successor company will be the “Title Company” for purposes of this Agreement.
- b. Optionee hereby authorizes the County to prepare and file escrow instructions with the Title Company on behalf of Optionee in accordance with this Agreement, subject to Optionee’s advance notice and consent, which may not be unreasonably withheld, conditioned or delayed.

- c. Escrow will be deemed to be closed and the Property will be deemed to be conveyed on the date the Grant Deed to Optionee is recorded (“Closing Date”). All escrow fees, recording fees, documentary transfer taxes or other real estate transaction taxes or fees, by whatever name known, including broker’s commission, if any, and personal property sales taxes where applicable, will be paid solely by Optionee. If title insurance is desired by the Optionee, Optionee will be solely responsible to pay the premium charged.
 - d. **Purchase Price.** The purchase price for the Property during the Option Term is Forty-Two Thousand Dollars (\$42,000.00) (the “Purchase Price”). The County shall credit the Option Consideration to the Purchase Price. Optionee shall cause the Purchase Price to be delivered to the County at the Public Works Department, Real Estate Division, 40 Muir Road, Second Floor, Martinez, California 94553, and made payable to Contra Costa County.
5. **Exercise.** From and after the Effective Date and prior to the expiration of the Option Term, Optionee may exercise the Option by delivering to the County a written notice exercising the Option.
6. **Condition of the Property.** Neither the County nor its agents or employees have made any warranty, guarantee, or representation concerning any matter or thing affecting or relating to the Property, nor does County assume any responsibility for the conformance the codes or permit regulations of the city or County within which the Property is located. Optionee shall take title to the Property in its “AS-IS” condition. The County has not made and does not make any representation as to the physical condition of the Property. Optionee relies solely on its own judgment, experience, and investigations as to the present and future condition of the Property or its suitability for Optionee’s intended uses and is not relying on any disclosure or representation from County.

As partial consideration for this Option, Optionee hereby releases and discharges County and its employees, agents, attorneys, officers, divisions, related agencies and entities, affiliates, successors, and assigns from any and all claims, demands, causes of action, obligations, damages, and liabilities, which Optionee now has or could assert in any manner related to or arising from the condition of the Property, the presence of any hazardous substance in or around the Property, and the Optionee’s present or future use of the Property. Optionee knowingly waives the right to make any claim against the County for such damages and expressly waives all rights provided by section 1542 of the California Civil Code, which provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR”

7. **Right of Entry.** During the term of this Option and prior to the Closing Date, Optionee, its agents, contractors and employees, have the right to enter the Property at all reasonable times for the purpose of performing reasonable tests, engineering studies, surveys, soil and environmental tests and other tests, surveys, studies, and investigations of the Property as Optionee determines necessary or desirable. Optionee will defend, indemnify, and hold the County harmless from any claim, loss or liability in connection with any entry by Optionee, its contractors, agents or employees and Optionee is solely responsible for all costs incurred in connection with these activities or Optionee's investigation of the Property.
8. **Informalities; Cancellation of Sale.** The County reserves the right to waive any informality or irregularity on any offer or cancel the sale at any time prior to recording the Grant Deed. In the event of cancellation of sale by the County, through no fault, action, or inaction of Optionee, all monies deposited shall be refunded without payment of interest.
9. **Notices.** All notices (including requests, demands, approvals or other communications) under this Agreement must be in writing.

a. Notice will be sufficiently given for all purposes as follows:

- i. When delivered by first class mail, postage prepaid, notice will be deemed delivered three (3) business days after deposit in the United States Mail.
- ii. When mailed by certified mail with return receipt requested, notice will be effective on receipt if delivery is confirmed by a return receipt.
- iii. When delivered by overnight delivery by a nationally recognized overnight courier, notice will be deemed delivered one (1) business day after deposit with that courier.
- iv. When personally delivered to the recipient, notice will be deemed delivered on the date personally delivered.

b. The place for delivery of all notices given under this Agreement is as follows:

County: Public Works Department
 Real Estate Division
 40 Muir Road, Second Floor
 Martinez, CA 94553
 Telephone: 925-313-2000

Optionee: Fix Our Ferals
 12226 San Pablo Avenue
 Richmond, CA 94805
 Telephone: (510) 215-9300

or to such other addresses as Optionee and the County may respectively designate by written notice to the other.

10. **Assignment, Successors and Third-Party Rights.** This Agreement binds and inures to the benefit of the parties, and their respective heirs, personal representatives, successors and assigns. Nothing in this Agreement, express or implied, is intended to confer on any person, other than the parties and their respective successors and assigns, any rights or remedies under or by reason of this Agreement.
11. **Construction.** The section headings and captions of this Agreement are for the sole convenience of the parties to this Agreement. The section headings, captions and arrangement of this instrument do not in any way affect, limit, amplify or modify the terms and provisions of this Agreement. This Agreement may not be construed as if it had been prepared by one of the parties, but rather as if both parties prepared it. The parties to this Agreement and their counsel have read and reviewed this Agreement and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party do not apply to the interpretation of this Agreement.
12. **Further Assurances.** Whenever requested to do so by the other party, each party shall execute, acknowledge and deliver all further conveyances, assignments, confirmations, satisfactions, releases, powers of attorney, instruments of further assurance, approvals, consents and all further instruments and documents that are necessary, expedient, or proper in order to complete all conveyances, transfers, sales, and assignments under this Agreement, and do all other acts and to execute, acknowledge, and deliver all documents requested in order to carry out the intent and purpose of this Agreement.
13. **Governing Law.** This Agreement is governed by California Law. The venue for any legal action pertaining to this Agreement will be Contra Costa County, California.
14. **Severability.** If any term, portion or provision of this Agreement is finally decided to be in conflict with any law of the United States or of the State of California, or otherwise to be unenforceable or ineffectual, the validity of the remaining parts, terms, portions or provisions of this Agreement will be deemed severable and not affected thereby, provided that such remaining parts, terms, portions or provisions can be construed in substance to constitute the Agreement that the parties intended to enter into in the first instance.
15. **Indemnification.** As partial consideration for this Agreement, Optionee shall defend, indemnify, protect, save and hold harmless the County, its officers, agents, and employees, from any and all claims, costs and liability for any damages, sickness, death or injury to persons or property, including without limitation all consequential damages, from any cause whatsoever, including the sole or joint negligence of the County, its agents, officers or employees, arising directly or indirectly from or connected with the repairs or any present or future condition of the Property or use of the Property that is the subject of this Agreement, or any representations, misrepresentations or non-

representations regarding its condition or use, and shall make good to and reimburse the County for any expenditures, including reasonable attorneys' fees that the County may make by reason of such matters and, if requested by the County, shall defend any such suits at the Optionee's sole expense.

16. **Survival.** All of the terms, provisions, representations, warranties and covenants of the parties under this Agreement shall survive the close of escrow of the Property, shall be fully enforceable after the Closing Date in accordance with their terms and shall not merge in the deed or other documents following the delivery and recordation of said deed or other documents.
17. **Negation of Optionee or Partnership.** No provision of this Agreement may be construed as making either party an agent or partner of the other party.
18. **Time of Essence.** Time is of the essence for this Agreement. If the Option is not exercised in the manner provided in Section 5 before the expiration of the Option Term, Optionee shall have no interest in the Property and the Option may not be revived by any subsequent payment or further action by Optionee.
19. **Waivers.** No waiver of any breach of any covenant or provision in this Agreement is a waiver of any other covenant or provision in this Agreement and no waiver will be valid unless in writing and executed by the waiving party.
20. **Amendment.** This Agreement may not be amended or altered except by a written instrument executed by the County and Optionee.
21. **Entire Agreement.** This Agreement contains the entire agreement between the parties with respect to the matters set forth, and expressly supersedes all previous or contemporaneous agreements, understandings, representations, or statements between the parties with respect to this matter.

To: Board of Supervisors
From: Marla Stuart, Employment and Human Services Director
Date: July 26, 2022

Subject: Revenue Contract - Foundation for California Community Colleges

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, on behalf of the Workforce Development Board (WDB), to accept grant funding from the Foundation for California Community Colleges in coordination with the California Department of Rehabilitation, in an amount not to exceed \$250,000, to increase access to year-round work-readiness training and paid work-experience opportunities for students with disabilities, for the period July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

County to receive grant funding in the amount of \$250,000, funded 100% by Federal Workforce Innovation and Opportunity Act (WIOA) Title IV Vocational Rehabilitation funds (no County cost and no required County match).

BACKGROUND:

Contra Costa County Workforce Development Board was a successful respondent to California Department of Rehabilitation and Foundation for California Community Colleges Summer Training and Employment Program for Students (STEPS) 2022 Solicitation for Proposals (SFP). A Confirmation Award Letter was received on April 26, 2022.

BACKGROUND: (CONT'D)

County to receive grant funding from a collaboration between the California Department of Rehabilitation and the Foundation for California Community Colleges (Foundation). Funds will be used to support and enhance work-readiness instruction and paid work-experience for youth with disabilities through an existing partnership with Contra Costa County Office of Education Youth Development Services Department.

CONSEQUENCE OF NEGATIVE ACTION:

Without this additional revenue, vulnerable populations may not have access to paid work-experience, job readiness training and employment support.

CHILDREN'S IMPACT STATEMENT:

The revenue and services funded under this agreement supports all five of Contra Costa County's community outcomes: (1) Children Ready for and Succeeding in School; (2) Children and Youth Healthy and Preparing for Productive Adulthood; (3) Families that are Economically Self-Sufficient; (4) Families that are Safe, Stable and Nurturing; and (5) Communities that are Safe and Provide a High Quality of Life for Children and Families.

Subject: Grant Agreement #78-001 with the State of California Department of Public Health

RECOMMENDATION(S):

A. APPROVE and AUTHORIZE the Health Services Director, or designee, to execute Grant Agreement #78-001 (State #21-10738) with the State of California Health and Human Services Agency, California Department of Public Health (CDPH), to pay the County an amount up to \$157,665, for the California Home Visiting Project American Rescue Plan (CHVP ARP), effective upon approval of the agreement through September 30, 2023.

B. APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of the Health Services Director, a purchase orders totaling an amount not to exceed \$157,665, to be used toward providing up to 788 prepaid Walmart and grocery gift cards, with a value of up to \$200 each, to Maternal Infant Early Childhood Home Visiting Nurse Family Partnership (NFP) Program clients for the purpose of meeting the emergency needs of the family.

FISCAL IMPACT:

Acceptance of the grant agreement will result in payment to the County of up to \$157,665 in funding for the 15-month grant from the CDPH. No County match is required.

BACKGROUND:

The Health Services Department's Public Health Division's Family, Maternal, and Child Health NFP Program works by having specially trained nurses regularly visit young, first-time moms-to-be, starting early in the pregnancy, continuing through the child's second birthday. Through individualized goal planning, life coaching, and education, NFP nurses support our mothers to successfully transform their lives and that of future generations.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Amendment Agreement #29-820-4 with the City of San Pablo, a government agency, to amend Grant Agreement #29-820, as amended by Amendment Agreements #29-820-1 through #29-820-3, to increase the amount payable to the County by \$100,416, from \$184,063 to a new amount up to \$284,479 and to extend the termination date from June 30, 2022 to June 30, 2023, to continue to provide the Coordinated Outreach, Referral and Engagement (CORE) Program homeless outreach services.

FISCAL IMPACT:

Approval of this contract amendment will allow the County to receive an amount of up to \$100,416 for FY 2022-2023 from the City of San Pablo to provide additional homeless outreach services. No County match is required.

BACKGROUND:

The CORE Program locates and engages homeless clients throughout Contra Costa County. CORE teams serve as an entry point into the County’s coordinated entry system for unsheltered persons and work to locate, engage, stabilize and house chronically homeless individuals and families. The County has been providing these services to the City of San Pablo since December 1, 2018.

On February 26, 2019, the Board of Supervisors approved Grant Agreement #29-820 to receive funds in an amount of \$60,570 from the City of San Pablo to operate the CORE Program and provide services to the City of San Pablo through November 30, 2019.

On January 14, 2020, the Board of Supervisors approved Grant Amendment #29-820-1 to receive additional funds up to \$40,000 to a new total of \$100,570 and extend the termination date from November 30, 2019 to November 30, 2020.

On March 30, 2021, the Board of Supervisors approved Grant Amendment #29-820-2 to receive additional funds up to \$25,000 to a new total of \$125,570 and extend

On June 7, 2022, the Board of Supervisors approved Grant Amendment #29-820-3 to receive additional funds up to \$58,493 to a new total of \$184,063 and extend the termination date from November 30, 2021 to June 30, 2022.

Approval of Amendment Agreement #29-820-4 will allow the County to receive additional funds to operate the CORE Program and provide additional services to the City of San Pablo through June 30, 2023. This contract includes mutual indemnification to hold harmless both parties for any claims arising out of the performance of this contract. This amendment was submitted late to the division not receiving the document from the contractor in a timely manner.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment agreement is not approved, the County will not receive additional funding and without such funding, the CORE program may have to operate at a reduced capacity.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to accept Grant Award #78-004 with the State of California Health and Human Services Agency, California Department of Public Health (CDPH), to pay the County an amount not to exceed \$390,488, for Immunization Champions – Supporting Schools with Immunization Workforce Development funding, for the period from July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

Acceptance of the grant award will result in payment to the County of up to \$390,488 from the CDPH. No County match is required.

BACKGROUND:

In the wake of the pandemic, many children in California are behind on their routine immunizations. In addition, immunization rates against COVID-19 in ages 5-11 remain low. There are about 1,000 schools in California with kindergarten immunization rates below 90%, making them vulnerable to vaccine-preventable disease, such as measles, pertussis and chicken pox.

These grant funds will allow the Health Services Department to follow-up with families whose students are behind on immunizations, conduct back-to-school immunization events, support schools with any future COVID-19 vaccine mandates, and provide technical assistance to schools with regard to reporting immunization coverage levels for students as required by California law, through June 30, 2023.

BACKGROUND:

The purpose of Amendment 1 is to add funding for Supplemental Nutrition Assistance Program - Education (SNAP-Ed), also known as CalFresh Healthy Living in California, a federal program funded by the U.S. Department of Agriculture to improve the health of low-income persons aged 60 and older by providing evidence-based nutrition education and obesity prevention services.

CDA awarded the County \$98,141 to implement SNAP-Ed/CalFresh Healthy Living in Contra Costa through Agreement SP-2122-07, adopted by Resolution No. 2021/274 by the Board of Supervisors on September 14, 2021.

The Area Agency on Aging (AAA), a division of the Employment and Human Services Department (EHSD), implements the program through a contract with a community-based agency to improve the nutritional health of low-income older individuals receiving home-delivered meals or attending congregate lunch programs at multiple sites in the county by providing CalFresh Healthy Living nutrition education literature, information, and activities. Amendment 1 to the County's SP-2122-07 agreement with CDA increases funding by \$39,512 for a new total contract amount of \$137,653 to be expended by September 30, 2022 to augment SNAP-Ed/CalFresh Healthy Living services in Contra Costa administered by EHSD's AAA.

CONSEQUENCE OF NEGATIVE ACTION:

Without this funding, the Employment and Human Services Department would not be able to provide nutritional health and obesity prevention education services for low-income older adults.

Resolution No. 2022/260

In The Matter Of: Amendment 1 to Agreement Number SP-2122-07 between the California Department of Aging and Contra Costa County for the Supplemental Nutrition Assistance Program – Education (SNAP-Ed)

WHEREAS, SNAP-Ed, a federal program launched in 1992 funded by the U.S. Department of Agriculture, Food and Nutrition Services educates communities to promote health and increase nutrition security, and **WHEREAS**, SNAP-Ed, known as CalFresh Healthy Living in California, is implemented in Contra Costa County by the Employment and Human Services Department’s Area Agency on Aging (AAA) to support the nutritional health of residents age 60 or older who are at or below 185 percent of the Federal Poverty Level, and **WHEREAS**, through its partnership with community-based organizations, the AAA prioritizes recipients of Older Americans Act Title IIIC congregate meal and home-delivered meal programs to deliver SNAP-Ed evidence-based nutrition education and obesity prevention services, and **WHEREAS**, Amendment 1 to Agreement Number SP-2122-07 increases the funding amount under this Agreement to augment nutrition education services and activities for low-income older adults in Contra Costa County.

Now, Therefore, Be It Resolved: the Contra Costa County Board of Supervisors approve and authorize the Employment and Human Services Director, or designee, to accept additional funding in the amount of \$39,512 for a new total contract amount not to exceed \$137,653 from the California Department of Aging for Agreement Number SP-2122-07 Amendment 1 for the period October 1, 2021 through September 30, 2022.

BACKGROUND: (CONT'D)

On December 14, 2021, the Board of Supervisors approved Novation Contract #74-452-12 with La Clinica De La Raza, Inc., in an amount not to exceed \$683,904 for the provision of mental health services for SED minority children and their families in East Contra Costa County, for the period from January 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022 in an amount not to exceed \$341,952.

On February 1, 2022, the Board of Supervisors approved Contract Amendment Agreement #74-452-13, effective January 1, 2022, to increase the per minute billing rates due to COVID-19, with no change to the original payment limit of \$683,904 or original term of July 1, 2021 through June 30, 2022 and no change in the automatic extension through December 31, 2022 in an amount not to exceed \$341,952.

Approval of Novation Contract #74-452-14 replaces the automatic extension under the prior contract and will allow the contractor to continue providing mental health services for SED minority children and families through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there will be fewer mental health services available for minority SED children in East Contra Costa County as the County solicits and engages an alternative contractor.

CHILDREN'S IMPACT STATEMENT:

This Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

Subject: Novation Contract #24-927-34 with Community Health for Asian Americans

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Novation Contract #24-927-34 with Community Health for Asian Americans, a non-profit corporation, in an amount not to exceed \$2,309,222, to provide school and community based mental health services including wraparound and outpatient treatment to children in West and East Contra Costa County for the period from July 1, 2022 through June 30, 2023, which includes a six-month automatic extension through December 31, 2023, in an amount not to exceed \$1,154,611.

FISCAL IMPACT:

Approval of this contract will result in budgeted expenditure of up to \$2,309,222 and will be funded by 50% Federal Medi-Cal (\$1,154,611) and 50% Mental Health Realignment (\$1,154,611) revenues. (No rate increase)

BACKGROUND:

This contract meets the social needs of the County’s population by providing school and community based mental health services, including: assessments, individual, group and family therapy; medication support, case management, outreach, and crisis intervention services, to an underserved Asian population and will result in greater home, community, and school success. Community Health for Asian Americans have been providing mental health services to the County since December 1997.

BACKGROUND: (CONT'D)

On December 7, 2021, the Board of Supervisors approved Novation Contract #24-927-32 with Community Health for Asian Americans, in an amount not to exceed \$1,999,292, for the provision of school and community based mental health services in West and East Contra Costa County for the period from July 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022, in an amount not to exceed \$999,646.

On February 1, 2022, the Board of Supervisors approved Contract Amendment Agreement #24-927-33 with Community Health for Asian Americans, effective January 1, 2022, to increase the per minute billing rates with no change to the original payment limit of \$1,999,292 or original term of July 1, 2021 through June 30, 2022 and no change to the automatic extension through December 31, 2022, in an amount not to exceed \$999,646.

Approval of Novation Contract #24-927-34 replaces the automatic extension under the prior contract and allows the contractor to continue providing mental health services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Asian American and other ethnic groups receiving services at our programs in West and East County would have reduced access to mental health services in school, drug court and clinic settings.

CHILDREN'S IMPACT STATEMENT:

This Early and Periodic Screening Diagnostic and Treatment Program supports the following Board of Supervisors' community outcomes: "Children Ready for and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS) and a decrease in juvenile offender recidivism as measured by probation database information.

From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 26, 2022

Subject: AUTHORIZE Contra Costa County's enrollment in Marin Clean Energy's PeakFLEX Market Program, Countywide

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute an agreement, including indemnification, with Marin Clean Energy (MCE) for enrollment in the PeakFLEX Market Program for Marin Clean Energy to pay the County for implementing energy savings projects, effective August 1, 2022, through September 30, 2023, Countywide.

FISCAL IMPACT:

There is no cost to enroll in the program. Participation in the program provides the County with avoided cost savings and potential financial incentive revenue. MCE will pay County for energy savings achieved in accordance with program criteria.

BACKGROUND:

On July 10, 2018, the Board of Supervisors adopted a Distributed Energy Resources (DER) Plan for County operations, noting that implementation of DERs in County facilities is the most expedient, efficient, and effective way to meet the statutory renewable energy goals and the carbon reduction requirements of SB350 (Clean Energy & Pollution Reduction Act), as well as the objectives of the County's Climate Action. A key part of the DER Plan involves strategic demand management of electricity usage. Marin Clean Energy's PeakFLEX Program provides technical assistance and financial incentives to customers that reduce electricity load during peak periods. The program structure encourages the County to set up building system schedules in the County's Building Management System that reduce or shift load. MCE's program works closely with County staff to operationalize these schedules to maximize economic benefits while minimizing thermal comfort impacts to building occupants.

Public Works recommends that the County participate in this program, which is implemented by Marin Clean Energy and funded by the California Public Utilities Commission (CPUC). Potential revenue

MCE PeakFLEX Participation Agreement

MCE PeakFLEX Program Flyer

MCE Peak FLEXmarket Direct Participation Enrollment Form Summer 2022-23

The Peak FLEXmarket Program (“Program”) is aimed at reducing peak energy demand in the evenings, and making the grid more resilient. At times when there is peak energy demand – when California’s electrical grid is overwhelmed and electricity costs are high – MCE will pay incentives to participants for shedding or shifting their energy consumption using clean energy strategies. Qualifying clean energy strategies (interventions) can include but are not limited to: behavioral changes, building or equipment controls and/or scheduling, and battery storage. MCE, through the Peak FLEXmarket Program, will pay incentives to participating aggregators or participating MCE customers (“Participant(s)”) who work directly with an MCE business relationship manager. Incentives will be paid for two different types of peak energy impacts: flex savings and demand response.

The Peak FLEXmarket Program utilizes meter data and analytics to accurately quantify energy impacts – and when the need to reduce energy is the greatest, participants are compensated the most. Those customers who are able to participate during the daily peak hours can rely on a consistent performance-based incentive. When Demand Response Events are forecasted, MCE will send out email notifications roughly 24 hours in advance to allow customers time to prepare for the event.

Flex Savings: Daily energy load shedding or shifting may generate flex savings. Flex savings – paid on an average of \$0.35/kWh – are the energy impacts of load shifted or shed on a daily basis during summer peak hours, 4-9 PM, from June 1st until September 30th. A premium rate of roughly \$0.46/kWh is applied to the 7-9pm hours.

Demand Response: Measured the same as Flex savings, Demand Response is the energy impact of load shifted or shed during an extreme weather event, when California Independent System Operator (“CAISO”) Flex Alerts are forecasted. During Demand Response (“DR”) events, MCE will pay an incentive valued \$2,000/MWh. Participants are notified via email by MCE roughly 24 hours in advance of the DR event.

The methodology for determining Flex Savings and/or Demand Response is outlined in the [Peak FLEXmarket’s Implementation and M&V Plan](#)¹. The Peak FLEXmarket leverages site level interval meter data to determine energy impacts, and does not review device or sub-meter level data.

Incentive payments for qualifying peak energy demand reduction by MCE will occur on a quarterly basis as described in the Program’s Implementation and M&V Plan. Incentive payment amounts will be based on energy load shedding or shifting that is measured at the meter by MCE’s authorized contractor. Measurements will take place both before the clean energy strategy is used, and after the clean energy strategy is used. Please refer to the [Peak FLEXmarket’s Implementation and M&V Plan](#) for additional details on how peak energy demand reduction is quantified.

In order to establish Program eligibility, MCE will confirm with the Participant that a given project site meets the data sufficiency criteria outlined in the Program plan.²

1 <https://www.demandflexmarket.com/peak-event.html#!directory>

2 Data Sufficiency will be assessed by MCE upon site intake – Participants will be alerted within two weeks of eligibility.

Brief description of the energy demand reduction intervention(s). Additional supporting documentation may be included separately.

Intervention Savings Forecast

Forecasted savings should be as accurate as possible. Understanding that intervention strategies may vary on a daily/weekly/monthly basis, please use a conservative approach in your calculations. MCE staff are available to assist in the formulation of savings forecast, if necessary. Simplified program assumptions are below:

- Forecasted energy reduction = participating hours X average kW saved in one hour
- 610 hours in program period (4-9pm, June 1st-September 30th)

Forecasted energy reduction for program period _____ (kWh)

Forecasted energy demand reduction during demand response events _____ (kW)

**Participant must generate a reasonable, substantiated forecast of peak period energy savings. Customers who are not able to demonstrate net positive energy savings during the peak hours on a monthly basis, or during Demand Response Events, may be excluded from the program at MCE's discretion.*

Customer Self Certification

To be eligible to participate in the Program, Participant must certify that, for the duration of the Program:

- Project site is located in the MCE service area;
- Participant has a SmartMeter and generates interval data;
- Participant has a staff member with the ability to influence energy usage at Participant site(s)
- Participant meets the following Program-specific data requirements:

For Flex Savings Participants (full participation), Participant must also certify that the Participant:

- Has not participated in a California Public Utility Commission-funded energy efficiency program within the past 12 months;
- Has not installed solar at least 12 months prior to intervention.

For Demand Response Participants (no credit for daily load shifting), Participant must also certify that the Participant:

- Has a SmartMeter with ongoing data collection starting 45 days prior to any event, and continuing through 15 days post event.

To enroll in the Peak FLEXmarket Program as a direct Participant, sign below and complete the above form which captures all relevant service address identification numbers (“SAIDs”) for your facility and acknowledges any current participation in other demand response programs.

By signing below, Participant will be enrolled in the Peak FLEXmarket Program and hereby authorizes the provision of this enrollment form and relevant data (including SAIDs) to its authorized contractor (Recurve). Participant also agrees to allow MCE and its authorized contractors/implementers to use usage and non-usage data gathered as a part of participation in the Peak FLEXmarket Program for use in regulatory reporting, ordinary business use, industry forums, case studies or other similar activities, in accordance with applicable laws and regulations.

MCE Peak FLEXmarket Pilot Terms and Conditions

By participating in the MCE Peak FLEXmarket program, Participant agrees to following terms and conditions:

1. **PERMISSION TO USE DATA:** Participant agrees to allow MCE and its authorized contractors to use usage and non-usage data gathered as a part of the MCE Peak FLEXmarket Program for use in regulatory reporting, ordinary business use, industry forums, case studies or other similar activities, in accordance with applicable laws and regulations.
2. **INCENTIVE PAYMENTS:** The amount paid as an incentive payment consisting of each MWh or fractional MWh of energy load shed or shifted, daily or during an event. Participant must meet and maintain Program eligibility to receive incentive payments.
3. **QUALIFYING PEAK ENERGY DEMAND REDUCTION:** Customer's shifting or shedding of load to achieve energy demand reduction that qualifies for incentive payments must be accomplished via clean energy strategies and be detectable as per the Implementation and M&V Plan. Demand reduction achieved from a fossil fuel-based strategy (i.e., gas back-up generators) does not qualify for incentive payments.
4. **TAX LIABILITY and CREDITS:** MCE is not responsible for any taxes which may be imposed on Participant as a result of the rebates provided within the MCE Peak FLEXmarket Program.
5. **DISPUTES:** Except where otherwise limited by law, MCE reserves the right, at its sole discretion, to make final determinations regarding any disputed issues about the MCE Peak FLEXmarket Program, including but not limited to eligibility and payment amounts.
6. **PROGRAM CHANGES:** MCE reserves the right to change, modify, or terminate the MCE Peak FLEXmarket Program at any time without any liability except as expressly stated herein. MCE will honor participation in all Resiliency Events in which Participant participated prior to the date of any change, modification or termination of this Program, provided that Participant remained eligible to participate in the MCE Peak FLEXmarket Program through the date of any change, modification or termination.
7. **PROGRAM EXPIRATION:** The MCE Peak FLEXmarket Program will expire upon September 1, 2023, unless terminated earlier by MCE.
8. **DISCLAIMER:** MCE makes no guarantee, representations or warranties, expressed or implied, regarding the savings achieved pursuant to this MCE Peak FLEXmarket Program. MCE will use best efforts to notify all participants enrolled in the Peak FLEXmarket Program of a particular event, but makes no guarantee Customer will receive notification of any particular event. MCE has no responsibility to ensure Customer participates in the daily peak hours or a called event, and MCE has no liability to Customer if Customer does not participate in a notified event.
9. **INDEMNIFICATION:** Customer agrees to indemnify, defend, and hold MCE, its employees, officers, and agents, harmless from any and all liabilities including, but not limited to, litigation costs and attorney's fees arising from any and all claims and losses to anyone who may be injured or damaged by reason of Customer's negligence, recklessness or willful misconduct while participating in the MCE Peak FLEXmarket Program.

SUPPORT A CLEAN AND RELIABLE CALIFORNIA GRID

MCE's Peak FLEXmarket program pays you to shift or reduce your electricity use throughout the summer during peak hours of 4–9 p.m. and demand response events, when the grid is most constrained.

The Peak FLEXmarket program uses meter data and analytics to accurately calculate your hourly energy savings.¹ You're compensated the most when the need to reduce energy is the greatest.

BENEFITS

- ⚡ Flex Savings:** Payment for daily energy load shedding or shifting during peak hours (4–9 p.m. from June 1–September 30) is based on the value of energy at the time you reduce your usage. The average value of energy saved is \$0.35 per kWh.²
- ⚡ Demand Response:** Payment for energy load shedding or shifting during demand response events is valued at \$2.00 per kWh. You will receive email notifications approximately 24 hours in advance to prepare for the event.

Subject: Contract #23-512-4 with Philips Healthcare, a division of Philips North America LLC

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #23-512-4 with Philips North America LLC, a limited liability company, in an amount not to exceed \$172,646 to provide software, services, and maintenance and support to Contra Costa Regional Medical Center’s (CCRMC) Cardiology Unit for Philips’ echocardiogram (ECG) system, for the period July 26, 2022 through July 25, 2027.

FISCAL IMPACT:

Approval of this contract will result in contractual service expenditures of up to \$172,646 over a 5-year period and will be funded 100% by Hospital Enterprise Fund I. (No rate increase).

BACKGROUND:

This contract meets the needs of the County's population by providing an ECG system for CCRMC’s cardiology unit. The current version is End of Life, requiring replacement to allow CCRMC to continue providing ECG to its patients. CCRMC currently utilizes the Philips TraceMasterVue standard edition application software, with OrderVue, including a historical database of approximately 250,000 ECGs configured to support a single location. Under this contract, Philips' will implement its ECG Management system allowing ECGs to easily be retrieved and accessed from other point-of-care applications for review, comparison, and printing. The services provided under this contract include; replacing TraceMasterVue with IntelliSpace ECG Application Software and OrderVue with IntelliBridge Enterprise Software, project management, workflow, integration, training, testing, and go-live support. Philips was chosen as the sole source provider and the preferred vendor for these products and services. This contract includes a provision limiting Philips' liability to an amount not to exceed the amount paid by the County under the contract, but the limitation does not apply to (1) third party claims for bodily injury or death caused by Philips’ negligence or willful misconduct, (2) out of pocket costs incurred by the County to provide patient notifications required by law to the extent such notices are caused by Philips’ unauthorized disclosure of protected health information, and (3) fines/penalties levied against the County by government agencies citing Philips’ unauthorized disclosure of protected health information as the basis of the fine/penalty. Approval of Contract #23-512-4 will allow the contractor to continue to provide services through July 25, 2027.

This agreement will result in budgeted expenditures not to exceed \$900,000 over a 3-year period and will be funded 100% by County MAA/TCM funds.

BACKGROUND:

MAA is a program which allows local governing agencies (LGA), including Contra Costa County, to receive federal reimbursement for activities necessary for the proper and efficient administration of the Medi-Cal State plan. TCM allows LGAs to receive federal funds for providing services which assist a Medi-Cal individual in a defined target population to gain access to needed medical, social, educational, and other services. To participate in the MAA and TCM programs, each LGA must pay a participation fee. The participation fee is paid to the "host" (County of Santa Cruz). The "host" county administers the supporting funds for the state program that oversees the MAA/TCM programs and for the activities of the LGA consortium. The "host" county invoices each participating LGA on an annual basis. The participation fee is calculated yearly from base year, claiming amounts for county-based MAA/TCM for each participating LGA.

On March 10, 2020, the Board of Supervisors approved Agreement #72-142 with the County of Santa Cruz in an amount not to exceed \$900,000 to provide MAA/TCM host county services for the period July 1, 2019 through June 30, 2022.

Approval of Agreement #72-142-1 will allow the County of Santa Cruz to continue providing MAA/TCM host county services through June 30, 2025, including mutual indemnification and self-insurance for all participating agencies.

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Contract #76-593-6 with Per Diem Staffing Systems, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute Contract #76-593-6 with Per Diem Staffing Systems, Inc., a corporation, in an amount not to exceed \$2,000,000, to provide temporary medical, pharmacy and other ancillary staffing services at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers for the period July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

Approval of this contract will result in annual expenditures of up to \$2,000,000 and will be funded as budgeted by the department in FY 2022-23 by 100% Hospital Enterprise Fund I allocations. (Rate increase)

BACKGROUND:

CCRMC and Contra Costa Health Centers have an obligation to provide medical staffing services to patients. Therefore, the county contracts with temporary help firms to ensure patient care is provided during peak loads, temporary absences, vacations and emergency situations where additional staffing is required. The county has been using the contractor's temporary staffing services since July 1, 2017.

On June 22, 2021, the Board of Supervisors approved Contract #76-593-4 with Per Diem Staffing Systems, Inc., in an amount not to exceed \$1,500,000 for the provision of temporary radiology technicians, licensed vocational nurses and other categories of medical staffing services to cover employee sick leaves, vacations and workers compensation leaves, at CCRMC and Contra Costa Health Centers for the period from July 1, 2021 through June 30, 2022.

On September 7, 2021, the Board of Supervisors approved Amendment Agreement #76-593-5 with Per Diem Staffing Systems, Inc., effective March 1, 2022, to decrease the payment limit by \$300,000 to a new payment limit of \$1,200,000 and modify the rate schedule with no change in the term July 1, 2021 through June 30, 2022.

Approval of Contract #76-593-6 will allow the contractor to continue providing temporary radiology technicians, licensed vocational nurses and other categories of medical staffing services through June 30, 2023. This contract includes services provided by represented classifications and the county has met its obligations with the respective labor partner(s).

To: Board of Supervisors
From: John Kopchik, Director, Conservation & Development Department
Date: July 26, 2022

Subject: Keller Canyon Mitigation Fund FY 2022/23 Allocation Plan

RECOMMENDATION(S):

1. APPROVE the FY 2022/23 Keller Canyon Mitigation Fund (KCMF) allocation plan in the amount of \$1,624,400 for specified projects as recommended by the KCMF Review Committee (Exhibit A); and
2. AUTHORIZE the Department of Conservation and Development (DCD) Director, or designee, to execute contracts with the nonprofit organizations and public agencies as specified in Exhibit A for the period July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

100% Keller Canyon Landfill Mitigation Funds, a special purpose fund dating from 1992. The FY 2022/23 KCMF allocation plan is consistent with the latest KCMF policies adopted by the Board of Supervisors on May 24, 2011, including: (1) the projected FY 2022/23 revenue amount is based on the revenue trend over the last ten years; (2) staff has considered any anticipated changes in the amount of waste expected to be deposited at the Keller landfill site during the year; (3) the projected revenue amount has been reduced by 20% to minimize the likelihood that proposed expenditures will exceed actual revenue. The amount proposed to be allocated is less than the sum of the previous year's ending fund balance of \$1,531,115, and 80% of the projected revenues for FY 2022/23 and is therefore consistent with KCMF policies regarding expenditure limits (e.g., Policy IIG; see additional detail below).

BACKGROUND:

In 1990, the Board of Supervisors (Board) approved the Keller Canyon Landfill land use permit and franchise agreement which included the establishment of three fees to mitigate the following impacts of the landfill: traffic generated on the County's road system, the impacts of the landfill on open space, existing and proposed recreational facilities and agricultural land, and general impacts of the landfill upon the surrounding community.

The Keller Canyon Mitigation Fund (KCMF) process was established in August 1992, and the first allocation of funds occurred in November 1992. In 1994, the Board amended the land use permit and the franchise agreement to combine the above mitigation fees as well as to provide additional flexibility in the use of funds, specifying that the fee shall be used by the Board in its sole discretion. The current program categories considered for funding include youth services, code enforcement, public safety, community beautification, and community services.

BACKGROUND: (CONT'D)

On May 24, 2011, the Board approved new policies governing the implementation and administration of the KCMF. The Department of Conservation and Development is the fiscal and contract manager for the fund. FY 2022/23 is the twelfth year that the new policies have governed the allocation process. Listed below are the applicable policies and a description of how they were applied during the FY 2022/23 allocation process:

1. Policy IA: The composition of the KCMF Review Committee shall include the following individuals: District V Supervisor, District V Chief of Staff (or other person assigned by the Supervisor), a representative of the Bay Point Municipal Advisory Committee (MAC) appointed by the Bay Point MAC, a Principal (or other senior school official) from a school located in the Bay Point area, and a representative from the Bay Point Chamber of Commerce. The representatives from the MAC, Bay Point area school, and Chamber of Commerce shall be appointed to minimum two-year terms.

Action: The KCMF Review Committee was composed of the District V Supervisor, Federal Glover; Chief of Staff, David E. Fraser; Mount Diablo Unified School District Board Member, Debra Mason; Bay Point Municipal Advisory Committee Member, Marcia Lessley; and Bay Point Chamber of Commerce Representative, Khurram Shah. It should be noted that Debra Mason is also a member of the MAC.

2. Policy ID: The KCMF Review Committee's funding recommendations shall be guided by the KCMF Target Area Map that establishes "Primary" and "Secondary" target areas for the use of KCMF funds. One hundred percent of KCMF funds shall be used for programs/projects/services directly serving those within the "Primary" and "Secondary" target areas. In addition, no less than 70% of the KCMF funds shall be used to fund programs/projects/services directly serving those in the "Primary" target area.

Action: The KCMF Review Committee's proposed FY 2022/23 funding recommendations result in at least 84% of the funds being used for programs/projects/services that will directly serve those residents in the "Primary" target area, and the remainder is within the "Secondary" target area.

3. Policy IE: Funding recommendations from the KCMF Review Committee shall be presented at a Board of Supervisors regularly scheduled meeting. The Board Order will list all of the applicants, the amount of funding requested, the amount recommended, and a short description of the proposed program/project and the proposed outputs and/or outcomes.

Action: See Exhibit A.

4. Policy IIA: To increase the public's knowledge on how, where, and when to apply for KCMF funding, the funding timeline, request for proposal (KCMF application), and other applicable materials shall be placed on the District V and County websites. The websites shall also allow organizations and interested persons to add their contact information to ensure notification on matters related to KCMF.

Action: The District V Supervisor's office and the Department of Conservation and Development staff engaged in a comprehensive outreach effort to notify the public of the availability of funds. In addition to posting the Request for Proposals (RFP) and the application on the District V and County's websites, emails announcing the RFP were also sent to the KCMF interested parties list and to previous KCMF applicants. Moreover, a "Bidders Conference" was held on May 2, 2022, to inform prospective applicants of the application requirements, process, and timeline. KCMF applications were due on May 20, 2022. A total of 68 applications/funding requests were submitted by the deadline and an additional 12 County projects/programs were considered. The KCMF Review Committee met on four separate occasions in June 2022 to review the applications, interview applicants, and develop final funding recommendations.

5. Policy IIC: To ensure the tax-exempt status of a nonprofit agency requesting funds is valid and in good standing, KCMF applicants shall submit their current non-profit status determination letter from the IRS, a copy of their most recent tax return, and the printout from the California Business Portal.

Action: Any applications that did not contain the requisite documents, including the printout from the California Business Portal, were deemed to be incomplete and therefore not accepted. Prior to entering into contract with grantees, staff will verify that all grantees are still in good standing.

6. Policy IIF: Any deficit in the KCMF after the end of each fiscal year shall be eliminated by allocating the necessary amount from next year's projected revenue.

Action: Not applicable. The KCMF has a projected FY 2021/22 ending fund balance of \$1,531,115. See Exhibit B, Available Allocation Calculation.

7. Policy IIG: When estimating the amount of KCMF funds to be made available for projects in future fiscal years, staff shall analyze the revenue trend lines from previous years, and the KCMF Review Committee shall only allocate 80% of the anticipated revenue for the upcoming year. This protocol will reduce the likelihood that expenses will be greater than actual revenue received during the year. Any revenue in excess of expenses in one year may be added to the amount made available in the following year.

Action: The KCMF Committee is recommending the allocation of \$1,624,400. See Exhibit B for the calculation. The KCMF Review Committee has recommended allocating the FY 2021/22 ending fund balance of \$1,531,115 and \$1,334,609 of projected revenue from FY 2022/23, which totals \$2,865,724 and is greater than the limit of \$2,598,802. If during the year, additional funds become available, and one or more of the funded agencies is in need of additional funds to complete an approved program/project or a new, viable program/project emerges, the Committee will reconvene to consider any request(s) for additional funding up to the amount held in reserve and return to the

Board with any funding recommendation(s).

CONSEQUENCE OF NEGATIVE ACTION:

Not approving the recommended allocations will result in delays in implementing important projects/programs that directly benefit the residents of the KCMF target areas.

CHILDREN'S IMPACT STATEMENT:

All of the recommended projects and programs support at least one of the five community outcomes established in the Children's Report Card.

From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: July 26, 2022

Subject: First Amendment to Purchase and Sale Agreement Between County and Davidon Homes for Property Located at 1750 Oak Park Blvd., Pleasant Hill.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute an amendment to the Purchase and Sale Agreement with Davidon Homes effective February 1, 2022, to add a payment limit of \$25,000, for demolition of a Pacific Gas and Electric Company (PG&E) vault at 1750 Oak Park Blvd., Pleasant Hill area. Project No.: WH113B.

FISCAL IMPACT:

Expenses incurred in connection with the sale of the property were funded by the County General Fund and were reimbursed through proceeds from the sale.

BACKGROUND:

The terms of the Purchase and Sales Agreement (PSA) dated July 17, 2020, between the County and Davidon Homes (Buyer) for the sale of the real property located at 1750 Oak Park Boulevard in Pleasant Hill required the County to remove all structures and improvements shown on the site plan at the County's expense. Due to no fault of the County, the County was not able to remove a concrete PG&E vault and connected concrete building footings (Vault). In order to expedite the removal of the Vault and facilitate the Buyer's ability to construct residential housing on the property, the Buyer removed the Vault.

BACKGROUND: (CONT'D)

The purpose of the amendment to the PSA is to enable the County to reimburse the Buyer for the cost of the demolition that was originally to be performed by the County at County expense.

On March 10, 2020, the Board of Supervisors approved the sale of the land and made related CEQA findings.

CONSEQUENCE OF NEGATIVE ACTION:

Without Board approval, Davidon Homes cannot be reimbursed for services provided on behalf of the County.

Amendment

**FIRST AMENDMENT TO
AGREEMENT FOR PURCHASE AND SALE OF
REAL PROPERTY AND ESCROW INSTRUCTIONS**

This first amendment to agreement for purchase and sale of real property and escrow instructions (“**First Amendment**”) is dated as of February 1, 2022 (the “**Agreement Date**”) and is between the COUNTY OF CONTRA COSTA, a political subdivision of the State of California (“**County**”), and DAVIDON HOMES, a California limited partnership (“**Buyer**”).

RECITALS

A. County was the owner of approximately 4.8 acres of real property in Pleasant Hill, California, commonly known as 1750 Oak Park Boulevard (the “**Land**”).

B. The County sold the Land to Buyer pursuant to an Agreement for Purchase and Sale of Real Property and Escrow Instructions dated July 17, 2020 (the “**PSA**”).

C. The PSA required the County to remove all structures and improvements shown on the Site Plan at the County’s expense (such work, the “**Demolition/Site Preparation**”).

D. Due to no fault of the County, the County has not been able to remove one improvement from the Land that is shown on the Site Plan, a concrete PG&E vault and connected concrete building footings (the “**Vault**”).

E. In order to expedite removal of the Vault and facilitate Buyer’s ability to construct residential housing on the Land, the County and Buyer desire to amend the PSA to shift responsibility for removing the Vault to Buyer, in exchange for a payment from the County to Buyer in the amount of \$25,000.00.

The parties therefore agree as follows:

AGREEMENT

1. Section 3.5 Demolition/Site Preparation of the PSA is amended to include the following:

3.5.4. Demolition of PG&E Vault. Notwithstanding anything to the contrary set forth in this Section 3.5, Buyer shall complete the demolition of the PG&E concrete structure and connected concrete building footings located on the Land.

2. As consideration for this First Amendment, the County shall pay Buyer the sum of \$25,000.00 within 30 days after the execution of this First Amendment.

3. All other terms of the PSA remain unchanged.

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Contract #26-378-15 with Concord Yellow Cab, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Service Director, or designee, to execute on behalf of the County Contract #26-378-15 with Concord Yellow Cab, Inc., a corporation, in an amount not to exceed \$360,000 to provide non-emergency taxicab transportation services for Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers, for the period from July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

Approval of this contract will result in annual budgeted service expenditures of up to \$360,000 for FY 2022-23 and will be funded 100% by Hospital Enterprise Fund I revenues. (Rate increase)

BACKGROUND:

CCRMC and Contra Costa Health Centers have an obligation to provide medical staffing services to patients. In the event that county patients are unable to navigate public transit services to attend medical appointments, county contracts with non-emergency transport services firms to ensure patients have opportunity to ensure care is provided. The county has been using this contractor's non-emergency transport services since July 1, 2002.

On July 13, 2021, the Board of Supervisors approved Contract #26-378-13 with Concord Yellow Cab, Inc., in the amount of \$240,000 to provide taxicab transportation of patients unable to transport themselves to medical appointments due to medical conditions, including verifiable seizure disorders or other physical disabilities which make it unsafe for patients to travel on public transportation, or may have been prescribed medication which has or could, impair patient mobility, for the period July 1, 2021 through June 30, 2022.

On May 17, 2022, Board of Supervisors approved Contract Amendment Agreement #26-378-14 to add \$120,000 to the contract payment limit to a new total of \$360,000 to provide additional non-emergency transport services for patients unable to transport themselves to medical appointments due to medical conditions with no change in the term July 1, 2021 through June 30, 2022.

Approval of Contract #26-378-15 will allow the contractor to continue providing non-emergency taxicab transportation services to patients unable to transport themselves to medical appointments due to medical conditions to and from CCRMC and Health Centers to specific destinations, through June 30, 2023.

Subject: Amendment Agreement #77-340-2 with Behavior Treatment & Analysis, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract Amendment Agreement #77-340-2 with Behavior Treatment & Analysis, Inc, a corporation, effective August 1, 2022, to amend Contract Amendment Agreement #77-340-1, to increase the payment limit by \$2,000,000, from \$3,000,000 to a new payment limit of \$5,000,000, to provide additional behavioral health treatment – applied behavioral analysis services for Contra Costa Health Plan (CCHP) members and County recipients, with no change in the original term of July 1, 2021 through June 30, 2023.

FISCAL IMPACT:

Approval of this amendment will result in additional annual expenditures of up to \$2,000,000 and will be funded as budgeted by the department in FY 2022-23, by 100% CCHP Enterprise Fund II revenues. (No rate increase)

BACKGROUND:

Contra Costa Health Plan (CCHP) has an obligation to provide certain specialized Behavioral Health Treatment (BHT) – Applied Behavioral Analysis (ABA) services including, but not limited to: treatment plans to improve the functioning of CCHP members with pervasive developmental disorder or autism under the terms of their Individual and Group Health Plan membership contracts with the County. This contractor has been providing BHT-ABA services to CCHP members for several years, formerly under a Memo of Understanding and converted to a County contract in July 2021.

On July 13, 2021, the Board of Supervisors approved Contract #77-340 with Behavior Treatment & Analysis, Inc, in an amount not to exceed \$2,000,000 for the provision of ABA services for CCHP members and County recipients, for the period July 1, 2021 through June 30, 2023.

BACKGROUND: (CONT'D)

On October 5, 2021, the Board of Supervisors approved Contract Amendment Agreement #77-340-1 with Behavior Treatment & Analysis, Inc, effective October 1, 2021, to amend Contract #77-340 to increase the payment limit by \$1,000,000, from \$2,000,000 to a new payment limit of \$3,000,000, to provide additional ABA services for CCHP members and County recipients, with no change in the original term of July 1, 2021 through June 30, 2023.

This contractor's utilization has been higher than anticipated, therefore, the department requests the contract payment limit be increased to ensure proper compensation for utilization of services for CCHP members and County recipients.

Approval of Contract Amendment Agreement #77-340-2 will allow the contractor to provide additional BHT-ABA services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, additional BHT-ABA services will not be provided to CCHP members under this contract with the County.

FISCAL IMPACT:

This contract will result in contractual service expenditures of up to \$600,000 over a three-year period and will be funded 100% by Hospital Enterprise Fund I revenues. (No rate Increase)

BACKGROUND:

CCRMC and Contra Costa Health Centers have an obligation to provide medical health services to patients, including, but not limited to emergency department medical health services. This contractor has been providing these specialized services at CCRMC since August 1, 2021.

In July 2021, the County Administrator approved and the Purchasing Services Manager executed Contract #76-747, with Matthew J. Tafoya, M.D., in the amount of \$197,000 for the provision of medical services at the Emergency Department at CCRMC, for the period August 1, 2021 through July 31, 2022.

Approval of contract #76-747-1 will allow contractor to continue providing medical services at the Emergency Department at CCRMC through July 31, 2025.

FISCAL IMPACT:

Approval of this contract will result in annual expenditure of up to \$350,000 for FY 2022-2023 and will be funded 100% by American Rescue Plan Act allocations.

BACKGROUND:

This contract establishes a relationship between CCHS and the contractor to increase the County's ability to process laboratory specimens related to COVID-19 testing collected throughout the County and reduce delays in receiving test results. Fulgent Therapeutics LLC is an independent laboratory that has the facilities and expertise to provide COVID-19 testing to physicians, hospitals, laboratories and other entities including employers qualified to purchase and provide COVID-19 testing services to individuals. This contractor has been providing services since March 15, 2021.

On March 23, 2021, the Board of Supervisors approved Contract #23-710 with Fulgent Therapeutics LLC, in an amount of \$350,000, to provide COVID-19 clinical laboratory services, for the period from March 15, 2021 through June 14, 2021.

On June 8, 2021, the Board of Supervisors approved Extension Agreement #23-710-1 with Fulgent Therapeutics LLC to extend the termination date from June 14, 2021 through June 30, 2022 with no change in the payment limit, to continue to provide COVID-19 clinical laboratory services.

Subject: Contract Amendment with Placeworks Inc. for Envision Contra Costa 2040

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Conservation and Development Director, or designee, to execute a contract amendment with Placeworks, Inc., to increase the payment limit by 266,453 from \$3,722,333 to \$3,988,786, with no change to the term August 15, 2018 through December 31, 2024, and revise the scope of work to include consulting services related to environmental review of the General Plan Housing Element and support for the Measure X Housing Trust Fund.

FISCAL IMPACT:

In August 2018, the Board authorized a contract with Placeworks for General Plan 2040, Zoning Code Update, and Climate Action Plan (CAP) for a total payment limit of \$3,190,376. In November 2021, this was amended to add additional consulting work to write the Housing Element, write Objective Design Standards, and conduct more CAP outreach. The proposed second amendment would increase the total payment limit by \$266,453 to \$3,988,786 for additional work related to the Housing Element environmental review, not originally scoped at the same level, additional technical work on Housing Element requirements that are new from the State since the contract was scoped, and facilitation, research, and other support for the Measure X Housing Trust Fund.

The additional work will be funded from the Land Development Fund (ORG #2601).

BACKGROUND:

The Envision Contra Costa 2040 project started in December 2017 under Board direction. In August 2018, the Board authorized a contract with Placeworks for General Plan 2040, Zoning Code Update, and Climate Action Plan (CAP) for a total payment limit of \$3,190,376. In November 2021, this was amended to add additional consulting work to write the Housing Element, write Objective Design Standards, and conduct more CAP outreach. Since that time, the necessary work to complete the Housing Element has increased to comprise a planned Environmental Impact Report (EIR) rather than the lesser-level environmental review originally contemplated, because the environmental work for Envision Contra Costa 2040 is not yet complete and can't be used for the Housing Element, which has a mandatory completion date of January 2023. Placeworks is also recommending additional work be done in the area of fair housing analysis, based on what their staff has seen in the State's comments on other jurisdictions' housing elements, not known at the time of contract approval. Finally, since Measure X funding allocations were approved by the Board in November 2021, an interdepartmental staff group has been meeting regularly to develop an outreach plan and funding

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Contract #74-630-2 with The Contra Costa Clubhouses, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-630-2 with The Contra Costa Clubhouses, Inc., a non-profit corporation, in an amount not to exceed \$1,369,730, to provide community-based mental health support services to adults, including Wellness and Recovery Centers (Putnam Peer Connection Centers), and the Service Provider Individualized Recovery Intensive Training (SPIRIT) program, for the period from July 1, 2022 through June 30, 2023, which includes a six-month extension through December 31, 2023 in an amount not to exceed \$684,685.

FISCAL IMPACT:

Approval of this contract will result in service expenditures of up to \$1,369,730 for FY 2022-23 and will be funded by 78% Mental Health Services Act and 22% Mental Health Realignment funds. (Rate increase)

BACKGROUND:

For a number of years, the County contracted with Recovery Innovations, Inc. for the operation of Wellness and Recovery Centers in East, Central and West County, as well as, for the organization and operation of the SPIRIT program to provide training to clients interested in working with in the local mental health service delivery system. The Contra Costa Clubhouses, Inc. began taking over these services on July 1, 2021.

On July 13, 2021 the Board of Supervisors approved Contract #74-630, in the amount of \$1,290,630 with The Contra Costa Clubhouses, Inc. for the provision of community-based mental health support services including operation of Putnam Peer Connection Centers and the SPIRIT program, for the period from July 1, 2021 through June 30, 2022.

On February 1, 2022 Board of Supervisors approved Contract Amendment Agreement #74-630-1 effective July 1, 2022, to increase the payment limit by \$38,719 to a new payment limit of \$1,329,349 to allow additional mental health support services through June 30, 2022.

BACKGROUND: (CONT'D)

Approval of Contract #74-630-2 will allow this contractor to continue providing community-based mental health support services to adults, including Wellness and Recovery Centers (Putnam Peer Connection Centers), and the SPIRIT program, through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County's adult mental health clients will not have access to the services provided by this contractor, leading to reduced levels of mental health support and training services throughout the County.

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Contract #24-933-45 with Crestwood Behavioral Health, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #24-933-45 containing mutual indemnification with Crestwood Behavioral Health, Inc., a corporation, in an amount not to exceed \$4,189,081, to provide subacute skilled nursing care services for the period July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

Approval of this contract will result in annual expenditures of up to \$4,189,081 and will be funded as budgeted by the department in FY 2022-23, by 100% Mental Health Realignment. (Rate increase)

BACKGROUND:

The County has been contracting with Crestwood Behavioral Health, Inc., since July 1997 for sub-acute skilled nursing care for the County's Severely and Persistently Mentally Ill (SPMI) and neurobehavioral clients of the Behavioral Health Division.

On June 8, 2021, the Board of Supervisors approved Contract #24-933-43 with Crestwood Behavioral Health, Inc., in an amount not to exceed \$8,389,976 to provide sub-acute skilled nursing care for SPMI and neurobehavioral clients, for the period from July 1, 2021 through June 30, 2022.

On June 7, 2022, the Board of Supervisors approved Contract Amendment Agreement #24-933-44 with Crestwood Behavioral Health, Inc., to increase the payment limit by \$1,100,000, from \$8,389,976 to a new payment limit of \$9,489,976, for the provision of additional sub-acute skilled nursing care for SPMI and Neurobehavioral clients for the period from July 1, 2021 through June 30, 2022.

Subject: Phamatech, Incorporated FY 22-24 Amendment to Incorporate Fentanyl into Mandatory Child Welfare Substance Abuse Testing

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract amendment with Phamatech, Incorporated, with no change to the total contract limit of \$632,520, to modify the substances included in the standard testing panel for court mandated substance abuse testing and related services for Contra Costa County child welfare cases, with no change to term July 1, 2022 through June 30, 2024.

FISCAL IMPACT:

No fiscal impact. The amendment will not change the original contract amount of \$632,520 (70% State and 30% County).

BACKGROUND:

Substance abuse can indicate a significant risk of abuse and/or neglect toward any children under the care of the addicted individual. When such a risk is identified, individuals receiving services through Employment and Human Services Department (EHSD) Children and Family Services (CFS) are required to drug test in order to assure compliance with treatment plans and/or court orders.

substance abuse testing and related services to EHSD CFS clients. Contractor provides randomized scheduled drug testing, ensures the availability of specimen collection sites, screens test specimens, provides test results, provides “on-demand” sample testing when requested by CFS, and provides monthly statistics and reports to CFS for clients referred for drug testing. Laboratory results are submitted for inclusion in Child Welfare dependency, Family Reunification and Family Maintenance case files.

At times, it is necessary to modify the substances included in the standard drug testing panel. Fentanyl is an addictive, synthetic opioid that is similar to morphine, however 50 to 100 times more potent than morphine. When abused or used illegally, Fentanyl can impact an individual’s emotional and physical state, increasing the risk of abuse and/or neglect toward children under the care of the impacted individual. With the increased usage of Fentanyl in an illegal and abusive manner, coupled with its impact on an individual’s state of being whereby increasing risk of children in the home, it is necessary to include this substance as part of the standard drug testing panel performed by Contractor for referred, court mandated child welfare cases.

Approval of the contract amendment will allow the Contractor and CFS to include Fentanyl as an additional substance included in the standard drug testing panel for court mandated child welfare cases.

CONSEQUENCE OF NEGATIVE ACTION:

CFS will not be including a known addictive substance in the standard drug testing panel which could result in potential risk of abuse and/or neglect toward children left in the home or children on track to reunify with parents and guardians.

Date: July 26, 2022

Subject: Contract #24-680-41 with Telecare Corporation

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #24-680-41 with Telecare Corporation, a corporation, in an amount not to exceed \$1,909,065, to provide gero-psychiatric and subacute mental health care services to severely and persistently mentally ill (SPMI) clients, for the period from July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

Approval of this contract will result in budgeted expenditures of up to \$1,909,065 and will be funded by 71% Mental Health Realignment (\$1,361,874), 19% Hospital Enterprise Fund I (\$360,139) and 10% County General Fund (\$187,052) allocations. (Rate increase)

BACKGROUND:

The County has been contracting with Telecare Corporation since July 1997 to provide gero-psychiatric services and subacute care for SPMI County residents at the contractor's Villa Fairmont Mental Health Center, Garfield Neuro-Behavioral Center, Gladman Psychiatric Health Facility, and Morton Bakar Center. This contract is part of the Department's cost saving plan to reduce the number of high-cost State Hospital beds by developing alternative placements.

On June 8, 2021, the Board of Supervisors approved Contract #24-680-40 with Telecare Corporation, in an amount not to exceed \$1,909,065, for the provision of gero-psychiatric and subacute mental health care for SPMI clients, for the period from July 1, 2021 through June 30, 2022.

Approval of Contract #24-680-41 will allow this contractor to continue providing gero-psychiatric and subacute mental health care services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County's SPMI adults will not have access to this contractor's gero-psychiatric and subacute care services resulting in placements in State Hospital facilities at greater cost to the County.

FISCAL IMPACT:

Approval of this contract will result in expenditures of up to \$1,870,475 over a two year period and will be funded by 77% (\$1,440,265.75) Workforce Development Board of Contra Costa County and 23% (\$430,209.25) American Rescue Plan Act .

BACKGROUND:

On March 10, 2020, the Board of Supervisors requested that the Governor proclaim a State of Emergency in Contra Costa County (Gov. Code Section 8625) due to COVID-19. The Health Department must use all available preventative measures to combat the spread of COVID-19 which includes testing and vaccine administration. The Department must enter into contracts for these services and competitive bidding requirements are suspended to the extent necessary to address the effects of COVID-19.

The Health Workforce Ambassador Program will put previously unemployed individuals from under-served neighborhoods to work promoting COVID-19 vaccine distribution and logistics in their own communities. Program participants, who are primarily people of color, earn immediate income

(dba Fremont Hospital), a corporation, in an amount not to exceed \$700,000, to provide inpatient psychiatric hospital services to County-referred adults and adolescents for the period from July 1, 2022 through June 30, 2023, which includes a six-month automatic extension through December 31, 2023, in an amount not to exceed \$350,000.

FISCAL IMPACT:

Approval of this contract will result in budgeted expenditures of up to \$700,000 for fiscal year 2022-2023 and will be funded 100% by Mental Health Realignment funding. (Rate increase)

BACKGROUND:

Assembly Bill (AB) 757, (Chapter 633, Statutes of 1994), authorized the transfer of state funding for Fee-For-Service/Medi-Cal (FFS/MC) acute psychiatric inpatient hospital services from the Department of Health Services (DHCS) to the Department of Mental Health (DMH). On January 1, 1995, the DMH transferred these funds and the responsibility for authorization and funding of Medi-Cal acute psychiatric inpatient hospital services to counties that chose to participate in this program. The County has been contracting with St. Helena Hospital under this contract since January 1998.

On November 23, 2021, the Board of Supervisors approved Novation Contract #24-794-12(11), for the provision of inpatient psychiatric hospital services in an amount not to exceed \$700,000, for the period from July 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022.

BACKGROUND: (CONT'D)

The Board of Supervisors appoints representatives to the FACT Committee; five (5) representatives come from local committees and groups, such as the Mental Health Commission, Local Planning Council and First Five Commission. One representative from each of the five (5) Supervisorial Districts, with each Supervisor recruiting and appointing one representative and (5) at-large members would come from community groups, including, but not limited to, service clubs, faith-based organizations, civic organizations, ethnic/cultural clubs and groups and Parent/Teacher Associations.

The FACT Committee is recommending funding for the Crossroads High School Project (Project). The Project will serve pregnant and parenting youth and their children through a culturally and linguistically appropriate approach to inspire academic achievement, intellectual development, and self-sufficiency. Collaboration between the school-based comprehensive program, County, and community agencies allows the Project to create comprehensive strategies to improve, not only the future of the parent-student, but the future of their children. The Project will focus on literacy, intervention, healthy lifestyles, mental health support, and college pathways with a goal to ensure positive parenting and self-reliance to break the cycles of poverty, abuse and violence.

CONSEQUENCE OF NEGATIVE ACTION:

Services could not be provided to support the Crossroads High School Project, supporting pregnant and parenting youth in the Mount Diablo Unified School District.

CHILDREN'S IMPACT STATEMENT:

This agreement will support three of the five community outcomes established in the Children's Report Card: 3) "Families that are Economically Self Sufficient"; 4) "Families that are Safe, Stable and Nurturing"; and 5) "Communities that are Safe and Provide a High Quality of Life for Children and Families" by providing education and building self-esteem for pregnant and parenting youth and their families.

Subject: Novation Contract #74-491-7 with Tides Center

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of County Novation Contract #74-491-7 with Tides Center, a non-profit corporation, in an amount not to exceed \$238,280, to provide Mental Health Services Act (MHSA) Prevention and Early Intervention (PEI) services for the period from July 1, 2022 through June 30, 2023, which includes a six-month automatic extension through December 31, 2023, in an amount not to exceed \$119,140.

FISCAL IMPACT:

Approval of this agreement will result in annual budgeted expenditures of up to \$238,280 for FY 2022-2023 and will be funded 100% by MHSA - PEI Funds. (No rate increase)

BACKGROUND:

This contract meets the social needs of the County's population by providing improved access to health care, education, mental health and suicide prevention to more than 1,000 residents from diverse households in the Iron Triangle neighborhood of Richmond. Tides Center has been providing MHSA-PEI services for the County since July 1, 2015.

BACKGROUND: (CONT'D)

On December 7, 2021, the Board of Supervisors approved Novation Contract #74-491-6 with Tides Center, in an amount not to exceed \$231,340 to provide MHSA-PEI services for residents in the Iron Triangle neighborhood of Richmond, for the period July 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022.

Approval of Novation Contract #74-491-7 replaces the automatic extension under the prior contract and allows the contractor to continue providing MHSA-PEI services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, residents of Richmond’s Iron Triangle will not receive the MHSA-PEI services to influence factors that bear upon the healthy development and education of children from the community and improve community participation in education and health promotion, health protection, and violence prevention efforts.

CHILDREN'S IMPACT STATEMENT:

This MHSA-PEI program supports the following Board of Supervisors’ community outcomes: “Families that are Safe, Stable, and Nurturing”; and “Communities that are Safe and Provide a High Quality of Life for Children and Families”. Expected program outcomes include increases in social connectedness, communication skills, parenting skills, and knowledge of the human service system in Contra Costa County.

Subject: Master Service Agreement with Corelogic Solutions, LLC to provide property detail services to the Public Works Real Estate Division.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Master Services Agreement containing mutual indemnification with Corelogic Solutions, LLC, a limited liability company, in an amount not to exceed \$2,100.00 to provide access to RealQuest software system for property information services during the period from August 1, 2022 through July 31, 2023. (Project No.: 4510-910SAS)

FISCAL IMPACT:

The contract will result in contractual service expenditures of up to \$2,100 for a 12-month period and will be funded by various Road, Flood Control, and Special Districts funds.

BACKGROUND:

The Public Works Real Estate Division is in need of a property research service that provides historical and current details about properties county and statewide, in connection with composing appraisals and conducting research related to county infrastructure. The execution of the Master Service Agreement will allow the Real Estate Division to obtain these services.

Statement of Work

MASTER SERVICES AGREEMENT

This Master Services Agreement (“MSA”) is entered into between CoreLogic Solutions, LLC, a California limited liability company, having its principal place of business at 40 Pacifica, Suite 900, Irvine, California 92618 (“CoreLogic”) and Contra Costa County, a political subdivision of the State of California, on behalf of its Public Works Department (“Customer”) (collectively, the “Parties,” or individually, a “Party”). This MSA is effective as of **August 1, 2022** (the “Effective Date”).

This MSA consists of: (i) this signature page; (ii) this MSA; (iii) any addendum that may be executed by the Parties from time to time setting forth additional terms related to specific CoreLogic services (each, an “Addendum”); and (iv) any written orders for CoreLogic services, together with any related exhibits or purchase orders thereto, executed by the Parties under this MSA (“SOWs”), all of which are incorporated herein by this reference.

This MSA is the complete agreement between the Parties and replaces any prior or contemporaneous oral or written communications between the Parties concerning the subject matter of the SOW(s). There are no conditions, understandings, agreements, representations or warranties, express or implied, which are not specified herein. This MSA may only be modified by a written document expressly stated for such purpose and executed by the Parties.

IN WITNESS WHEREOF, the Parties have caused this MSA to be duly executed. Each Party warrants and represents that its respective signatories whose signatures appear below have been and are on the date of signature duly authorized to execute this MSA.

1. Agreement Structure.

1.1 Each SOW executed by the Parties under this MSA is subject to these terms and conditions as well as any additional terms and conditions set forth in an Addendum hereunder applicable to such SOW, if any. Each SOW shall specifically reference this MSA, the Addendum to which such SOW is subject, if any, the specific services provided by CoreLogic to Customer (together with any applicable documentation, corrections, bug fixes, updates or other modifications, the “**Services**”), delivery methods, and Fees; and set forth, to the extent applicable: (1) the authorized use of the Services (“**Permitted Applications**”); (2) any third parties authorized to use the Services or Customer’s products incorporating or relying on the Services, as permitted in the Permitted Applications, for their own internal purposes only (“**End Users**”); (3) any entities authorized to use the Services as long as such entity controls, is controlled by, or is under common control with Customer (“**Permitted Affiliate**”); and (4) any independent entities authorized to store, access, process, or use the Services solely on behalf of Customer (“**Permitted Processor**”) (End Users, Permitted Affiliates, and Permitted Processors collectively and as applicable, “**Permitted Users**”).

1.2 When fully executed by authorized signatories of the Parties, each SOW shall be incorporated into, and shall form a part of, this MSA. Only the CoreLogic entity executing a specific Addendum or SOW shall incur any obligation or liability to Customer under such Addendum or SOW. Only the Customer entity executing a specific Addendum or SOW or named as a Permitted Affiliate shall incur any rights under such Addendum or SOW. The provisions of the various MSA documents shall, to the extent possible, be interpreted so as to supplement each other and avoid any conflict between them. In the event of a conflict between this MSA, the Addendum and the applicable SOW, the order of precedence shall be as follows, listed in descending order of priority: the SOW; the Addendum; and this MSA.

2. Ownership. CoreLogic or its third party licensors own and hold all right, title and interest in and to the Services, including without limitation, all underlying data compilations and information, all materials related to the Services and all patents, trademarks, copyrights and trade secrets (collectively, “**Intellectual Property**”) derived from the Services, notwithstanding that portions of the Services may be derived in whole or in part from publicly available sources. For the avoidance of doubt, CoreLogic does not own or have any right in and to Customer’s data and other materials received by Customer from its other suppliers.

3. Fees; Taxes.

3.1 **Fees.** Customer shall pay CoreLogic the fees for the Services (“**Fees**”) as set forth in each SOW within thirty (30) days of the date of CoreLogic’s invoice via check, electronic check, wire transfer/ACH, credit card (“**Card**”), or other payment method agreed by the Parties. If Customer elects to pay any Fees using a Card or via any electronic invoicing system or portal, it may be subject to additional fees. In the event that Customer reasonably disputes any portion of an invoice and provides written notice and documentation of such dispute, the Parties shall resolve such dispute in good faith, provided that in all cases, Customer shall timely pay the undisputed portion of any disputed invoice. If Customer does not deliver a notice of dispute within such thirty (30) day period, Customer shall be deemed to have agreed to the Fees set forth therein. If full

payment is not made in compliance with this Section 3.1 (Fees) or the applicable SOW, Customer may be assessed a late charge equal to one and one half (1½%) percent of the unpaid amount per month, or the maximum limit permitted by law, whichever is less. If Customer fails to pay any past due Fees not reasonably in dispute within thirty (30) days of CoreLogic’s written notice of such delinquency, CoreLogic, at its sole option, may suspend access or delivery of any Services provided under this MSA until all past due charges and any related late charges are paid, or terminate the applicable SOW(s). During any period for which access or delivery of the Services is suspended, Customer shall continue to incur and pay any Fees due.

3.2 **Taxes.** Fees are exclusive of taxes. Customer shall be responsible for all legally required taxes, duties, or other assessments imposed upon the Services, exclusive of any income taxes imposed upon CoreLogic. When CoreLogic has the legal obligation to collect taxes, the appropriate amount shall be added to CoreLogic’s invoice via a separate line item and paid by Customer, unless Customer provides CoreLogic with a valid tax exemption certificate prior to issuance of the invoice. Such certificate must be in a form authorized by the appropriate taxing authority.

4. Trademarks. No right or license for either Party to use the trademarks or service marks (collectively, the “**Marks**”) of the other Party is granted under this MSA, except that Customer shall have the limited right to use the Marks solely as they appear in the Services. Neither Party shall use the Marks of the other in any advertising or promotional material nor shall Customer disclose CoreLogic as a data source to any third party, except for such disclosures required by federal, state or local government law or regulations, or as otherwise may be prior authorized in writing by the other Party. Customer shall not remove, alter or obscure any Marks or proprietary notices contained in the Services or other materials provided by CoreLogic. For purposes of clarification, maintaining such Marks or proprietary notices in the Services or other materials provided by CoreLogic shall not be considered by CoreLogic to be a disclosure by Customer of CoreLogic as a data source.

5. Compliance with Law; CCPA.

5.1 **Compliance with Law.** CoreLogic’s provision of the Services and Customer’s use of the Services shall comply with all applicable laws, statutes, ordinances and regulations. Unless otherwise expressly stated in a SOW, Customer agrees and acknowledges that the Services are not “consumer reports” as defined in the Fair Credit Reporting Act, 15 U.S.C. 1681i, et. seq., and Customer shall not use, or permit any End User to use, the Services in whole or in part for the purpose of serving as a factor in establishing a consumer’s eligibility for credit, insurance, employment purposes, or any other purpose enumerated in 15 U.S.C. 1681b.

6. Confidentiality.

6.1 **Confidential Information.** Each Party may obtain nonpublic information from the other Party that is confidential and proprietary in nature including, but not limited to, the Services and any information relating thereto, information regarding a Party’s current, future and proposed products and services, product designs, plans and roadmaps, prices and costs, trade secrets, patents, patent applications, development plans, ideas, samples, media, techniques, works of authorship, models, inventions, know-how, processes, algorithms, software schematics, code and source documents, data, formulas, financial information, procurement requirements, customer lists, suppliers, investors, employees, business and contractual relationships, sales and marketing plans,

Personal Information, nonpublic personal information of consumers as defined by the Gramm-Leach-Bliley Act (15 U.S.C. Section 6809) and any implementing regulations or guidelines, and any other information the receiving Party knows or reasonably ought to know is confidential, proprietary, or trade secret information of the disclosing Party (“**Confidential Information**”). Confidential Information may be written or verbal. Confidential Information also includes any and all third-party nonpublic information provided to the receiving Party by the disclosing Party.

6.2. **Obligations.** The Parties agree that at all times, and notwithstanding the termination or expiration of this MSA, they shall hold all Confidential Information of the other Party in strict confidence and trust, and shall not use, reproduce or disclose the Confidential Information of the other Party to any person or entity except as specifically permitted in this MSA. Any reproduction of Confidential Information shall remain the property of the disclosing Party and shall contain all confidential or proprietary notices or legends which appear on the original, unless otherwise authorized in writing by the disclosing Party. Each Party may disclose Confidential Information of the other Party only to those of its contractors, consultants and advisors (collectively, “**Representatives**”) who have previously agreed in writing to be bound by confidentiality terms and conditions at least as restrictive as those set forth in this MSA and who have a need to know such information. The receiving Party shall be responsible for any use of the disclosing Party’s Confidential Information by the receiving Party’s Representatives. The receiving Party shall promptly notify the disclosing Party upon confirming any loss or unauthorized disclosure of the disclosing Party’s Confidential Information. Within thirty (30) days of the disclosing Party’s request, the receiving Party shall destroy the disclosing Party’s Confidential Information and certify such destruction in writing signed by an authorized representative of the receiving Party.

6.3. **Exclusions to Confidentiality.** The restrictions on use and disclosure of Confidential Information set forth in Section 6.2 (Obligations) shall not apply to the extent the Confidential Information: (i) is or becomes generally available to the public through no fault of the receiving Party (or anyone acting on its behalf); (ii) was previously rightfully known to the receiving Party free of any obligation to keep it confidential; (iii) is subsequently disclosed to the receiving Party by a third party who may rightfully transfer and disclose the information without restriction and free of any obligation to keep it confidential; (iv) is independently developed by the receiving Party or a third party without reference or access to the disclosing Party’s Confidential Information; or (v) is otherwise agreed upon in writing by the Parties not to be subject to the restrictions set forth in Section 6.2 (Obligation). Notwithstanding that portions of the Services may be derived in whole or in part from publicly available sources, the Services and any of CoreLogic’s databases used in deriving the Services are proprietary, copyrighted and trade secrets of CoreLogic and, for the avoidance of doubt, are not excluded under this Section 6.3 (Exclusions to Confidentiality) from the restrictions on use and disclosure set forth in Section 6.2 (Obligations). For clarification purposes, the foregoing sentence applies only to the Services and does not limit Customer’s ability to use information obtained from other sources.

6.4. **Disclosures Required by Law.** The receiving Party may disclose Confidential Information if required to do so as a matter of law, regulation, subpoena or court order, provided that, to the extent legally permitted: (i) the receiving Party shall provide the disclosing Party with at least ten (10) days’ prior written notice of such disclosure, (ii) the receiving Party shall

disclose only that portion of the Confidential Information that is legally required to be furnished, (iii) the receiving Party shall use reasonable efforts to seek from the party to which the information must be disclosed confidential treatment of the disclosed Confidential Information; and (iv) the receiving Party allows the disclosing Party to intervene in the action at its own cost.

7. **Information Security.** Each Party shall implement and maintain an information security program that includes appropriate administrative, technical, and physical safeguards reasonably designed to: (i) ensure the security and confidentiality of consumer information; (ii) protect against any anticipated threats or hazards to the security or integrity of consumer information; (iii) protect against unauthorized access to or use of consumer information that could result in substantial harm or inconvenience to any consumer; (iv) notify the other Party of a security breach that materially impacts such Party’s Confidential Information; and (v) ensures disposal of the consumer information in a secure manner. CoreLogic will furnish copies of applicable SSAE 18 or equivalent reports it has in its control for processing Services to Customer upon request. Customer is responsible for all activities that occur within Customer’s assigned CoreLogic account(s), excluding CoreLogic’s actions within such accounts. Customer shall: (a) prevent unauthorized access to, or use of, the CoreLogic provided applications (if any), and notify CoreLogic promptly of any such unauthorized access or use of which Customer becomes aware; (b) ensure that a user login is used by only one person (a single login shared by multiple persons is not permitted); and (c) maintain the security of its users’ CoreLogic account names and passwords.

8. **Business Continuity.** CoreLogic shall maintain appropriate contingency plans providing for continued operation in the event of a catastrophic event affecting CoreLogic business operations. CoreLogic will furnish a summary of its business continuity policies and practices to Customer upon request.

9. **Indemnification.**

9.1. **Indemnification by CoreLogic.**

(a) CoreLogic shall indemnify, defend and hold Customer harmless from and against any losses, liabilities, damages, costs and expenses (including, without limitation, reasonable attorneys’ fees) arising from a claim, suit or proceeding brought against Customer by a third party to the extent it is based on a claim that the Services infringe a United States Intellectual Property right (each, an “**Infringement Claim**”). CoreLogic’s obligations with respect to this Section 9.1 are conditioned upon: (i) Customer providing CoreLogic prompt written notice of the Infringement Claim or threat thereof unless CoreLogic is first aware of the Infringement Claim; (ii) Customer giving CoreLogic full and exclusive authority to conduct the defense and settlement of the Infringement Claim and any subsequent appeal; and (iii) Customer giving CoreLogic all information and assistance reasonably requested by CoreLogic in connection with the conduct of the defense and settlement of the Infringement Claim and any subsequent appeal.

(b) In addition to CoreLogic’s indemnification obligations under Section 9.1(a) above, if an Infringement Claim has been made, or in CoreLogic’s opinion is likely to be made, CoreLogic shall, at its sole option and expense: (i) procure for Customer the right to continue using the Services; (ii) replace the applicable Services with substantially similar services; (iii) modify the Services so that it becomes non-infringing but maintains substantially similar functionality; (iv) instruct Customer to terminate its use of the affected Services and, in such instance, refund to Customer a pro-rata amount of any prepaid Fees actually

paid by Customer for the unused portion of such Services. If Customer does not accept or comply with CoreLogic's chosen option, CoreLogic shall have no obligation to indemnify Customer for the Infringement Claim to the extent resulting from such refusal or noncompliance.

(c) Notwithstanding the foregoing, CoreLogic shall have no obligation to indemnify Customer to the extent an Infringement Claim arises from (i) the combination, operation or use of the Services with any other software, data, products or materials not supplied by CoreLogic, (ii) the use of the Services other than as expressly provided in the Permitted Applications or otherwise in violation of the terms and conditions of this MSA; (iii) the alteration or modification of the Services by any person other than CoreLogic; (iv) CoreLogic's compliance with Customer's designs, specifications or instructions.

(d) THIS SECTION 9.1 (INDEMNIFICATION BY CORELOGIC) SETS FORTH CORELOGIC'S ENTIRE LIABILITY AND SOLE INDEMNIFICATION OBLIGATIONS TO CUSTOMER WITH RESPECT TO ANY THIRD PARTY CLAIMS.

9.2. Indemnification by Customer. Except for CoreLogic's indemnity obligations set forth in Section 9.1 (Indemnification by CoreLogic), Customer shall indemnify, defend and hold CoreLogic harmless from and against all losses, liabilities, damages, costs and expenses (including, without limitation, reasonable attorneys' fees) arising from a claim, suit or proceeding brought against CoreLogic by a third party to the extent it is based on the use of the Services by Customer or its Permitted Users (as defined in the applicable Addendum or set forth in the applicable SOW).

10. Term; Termination.

10.1. Term. The term of this MSA is from the Effective Date until all SOWs have expired or been terminated according to this MSA. Provided there are no active SOWs in place, either Party may terminate this MSA without cause upon notice to the other Party. The term of each SOW is as specified in such SOW.

10.2. Termination for Cause. A SOW may be terminated by either Party if the other Party breaches any provision of such SOW, including a provision of this MSA: (i) upon at least 30 days' notice to the breaching Party if such breach is capable of being cured and the breaching Party does not cure such breach within the thirty (30) day period; or (ii) immediately upon notice to the breaching Party for a breach of any license grant, breach of Section 5 (Compliance with Law), or if such breach is not capable of being cured. Additionally, in the event of a breach of any license grant by Customer, CoreLogic may immediately suspend access to or delivery of the Services and/or all obligations of CoreLogic under this MSA related to such Services shall cease until such breach is remedied. During any period for which access or delivery of the Services is suspended, Customer shall continue to incur and pay any Fees due.

10.3. Termination for Insolvency. Either Party may immediately terminate this MSA upon written notice to the other Party in the event the other Party: (i) becomes insolvent; (ii) files, submits, initiates, agrees to or is subject to any bankruptcy petition, conservatorship, request or petition for appointment of a receiver, or demand or application for voluntary or involuntary dissolution; or (iii) makes a general assignment for the benefit of its creditors..

10.4. Effects of Termination. Upon expiration or termination of a SOW, all license rights granted by CoreLogic to Customer pursuant to such SOW shall terminate and

Customer shall promptly pay CoreLogic in full for all Services accessed, ordered, or delivered. Customer acknowledges that Fees are based on a minimum term. If any SOW is terminated due to Customer's breach, Customer shall, if applicable, promptly pay CoreLogic the full amount of any outstanding Fees for the remainder of the applicable term, provided however, that if this MSA is terminated due to CoreLogic's breach, Customer is only obligated to pay for Services provided by CoreLogic prior to the termination of such SOW.. Notwithstanding the foregoing, the Parties agree that if Customer orders or continues to use the Services after the expiration or termination of the applicable SOW, and CoreLogic accepts such orders or delivers such Services, then such orders and use of the Services shall be governed by the terms and conditions of this MSA; provided, however, that acceptance by CoreLogic of any order or delivery of any Services after the expiration or termination of the SOW shall not be considered an extension or renewal of the applicable SOW, nor obligate CoreLogic to accept any future orders or continue to deliver the Services.

11. Warranty; Disclaimer. CUSTOMER ACKNOWLEDGES THAT CERTAIN SERVICES ARE BASED UPON DATA COLLECTED FROM PUBLIC RECORDS SOURCES AND CORELOGIC MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING THE PUBLIC RECORDS EXCEPT AS SET FORTH IN THIS MSA, AN ADDENDUM OR SOW.

CORELOGIC WARRANTS TO CUSTOMER THAT THE SERVICES DELIVERED TO CUSTOMER HEREUNDER AND INFORMATION CONTAINED THEREIN WILL BE AS COMPLETE, ACCURATE AND CURRENT AS IS REASONABLY OBTAINABLE IN VIEW OF COMMERCIALY REASONABLE METHODS OF COMPILATION AND THE NATURE OF ACCURACY OF CORELOGIC'S SOURCES. EXCEPT FOR THE FOREGOING WARRANTY, THE SERVICES ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY, ACCURACY, COMPLETENESS, AVAILABILITY, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE (EVEN IF THAT PURPOSE IS KNOWN TO CORELOGIC), OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE.

12. Limitation of Liability. EXCEPT FOR CORELOGIC'S INDEMNIFICATION OBLIGATIONS UNDER THIS MSA, GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR FRAUD, CORELOGIC'S TOTAL LIABILITY AND CUSTOMER'S EXCLUSIVE REMEDY UNDER OR RELATED TO ANY SOW UNDER THIS MSA IS LIMITED TO DIRECT MONEY DAMAGES NOT EXCEEDING THE AMOUNT PAID BY CUSTOMER TO CORELOGIC UNDER SUCH SOW DURING THE TWELVE MONTHS PRECEDING THE EVENT OR CIRCUMSTANCE GIVING RISE TO SUCH CLAIM (SUCH AMOUNT, THE "GENERAL CAP"). WITH RESPECT TO CORELOGIC'S INDEMNIFICATION OBLIGATIONS UNDER THIS MSA, CORELOGIC'S TOTAL LIABILITY AND CUSTOMER'S EXCLUSIVE REMEDY UNDER OR RELATED TO ANY SOW UNDER THIS MSA IS LIMITED TO DIRECT MONEY DAMAGES NOT EXCEEDING TWO TIMES THE GENERAL CAP ("SUPER CAP"). THESE LIMITS ARE CUMULATIVE AND ALL PAYMENTS UNDER THE APPLICABLE SOW ARE AGGREGATED TO CALCULATE SATISFACTION OF THE LIMITS. THE EXISTENCE OF MULTIPLE CLAIMS DOES NOT ENLARGE THE LIMITS. IN NO EVENT SHALL CORELOGIC BE LIABLE FOR THE

SAME CLAIM UNDER BOTH THE GENERAL CAP AND THE SUPER CAP, AND IF THERE ARE MULTIPLE CLAIMS SUBJECT TO EACH OF THE CAPS, THE MAXIMUM TOTAL LIABILITY FOR ALL CLAIMS IN THE AGGREGATE SHALL NOT EXCEED THE SUPER CAP. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL CORELOGIC BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES, LOST PROFITS OR REVENUE, OR LOST OR DAMAGED DATA, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EVEN IF CORELOGIC IS AWARE OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

13. Customer Oversight; Regulatory Oversight; Pre-Screening of CoreLogic Personnel.

13.1. **Customer Oversight.** CoreLogic shall provide Customer with an annual due diligence package which will include: (i) an information security program overview; (ii) a business continuity program overview; and (iii) a SSAE 18 or equivalent SOC report. Customer, upon request, is entitled to review via a secure data portal, CoreLogic's policies, standards, and collateral evidence of security controls. In addition, CoreLogic agrees to conduct quarterly client audits (each a "Quarterly Audit") for its clients to verify that CoreLogic understands and is capable of complying with its obligations under this MSA and applicable law. Customer may participate in the Quarterly Audit once per calendar year, which will include the ability for Customer to perform a limited inspection of CoreLogic's premises under CoreLogic's supervision, provided that Customer shall not have access to files or systems that contain information of other customers, and which is subject to the confidentiality provisions of this MSA. If any Quarterly Audit results in a finding that the Parties agree constitutes CoreLogic's noncompliance with the material terms of this MSA, CoreLogic shall take reasonable steps to remedy such finding or provide Customer with a detailed report as to why it cannot be remedied.

13.2. **Regulatory Oversight.** If Customer is required to grant audit rights to a regulator having jurisdiction over Customer under applicable law to verify CoreLogic's performance under this MSA, Customer shall promptly provide written notice to CoreLogic of such request, and any information provided by CoreLogic shall be treated as CoreLogic's Confidential Information. CoreLogic shall reasonably cooperate with such examination.

13.3. **Pre-Screening of CoreLogic Personnel.** CoreLogic shall, prior to any employee providing Services to Customer pursuant to this MSA, to the extent permitted by applicable law, have administered the following background screening guidelines: (i) social security number verification (verifies and analyzes social security numbers to match previous address information and potential alias); (ii) criminal background check (for the past ten (10) years or to the extent permitted by applicable law); (iii) employment verification; (iv) education verification (highest degree attained); (v) where required by applicable law, employee's enrollment in and participation in the requisite federal work authorization program; (vi) 5-panel drug screen, (vii) Extended Global Sanctions Search (including an Office of Foreign Asset Control (OFAC) check); (viii) credit history (for certain positions) and (ix) driving record history (for certain positions).

14. GENERAL PROVISIONS.

14.1. **Relationship of Parties.** The Parties acknowledge
0320994629-74826 EXECUTABLE DC/JEC/MT/ES 06.29.22
(SR0004356609)

that this MSA represents a business relationship based on the express provisions of this MSA, they are independent of each other, and no partnership, joint venture, agency, fiduciary or employment relationship is intended or created by this MSA. Neither Party is the legal representative or agent of, nor has the power or right to obligate, direct or supervise the daily affairs of the other Party, and neither Party shall act, represent or hold itself out as such. Notwithstanding any use of the term "partner" in this MSA or any Services, product or programs made available to Customer, the Parties do not intend to create any legal relationship or partnership between each other, and neither Party will assert to any third party or otherwise claim that such a legal relationship exists between each other.

14.2. **Notices.** All notices required under this MSA shall be sent to the addresses on the signature page of this MSA, and, if the notice relates to a specific SOW, to any additional addresses listed in such SOW, to the attention of the signatories, with a copy to the Legal Department of the Party. All notices under this MSA shall be deemed given: (i) one day after being sent by commercial overnight courier with written verification of receipt; or (ii) five days after being sent by registered or certified mail, return receipt requested, postage prepaid. Either Party may change its address for notification purposes by giving the other Party written notice of the new address and the date upon which it will become effective.

14.3. **Assignment.** Neither Party shall assign or transfer this MSA or any rights or obligations under this MSA without the other Party's prior written consent, which shall not be unreasonably withheld. CoreLogic may assign this Agreement or any SOW or any rights therein to any party who controls, is controlled by or is under common control by CoreLogic or to a successor in interest by merger or acquisition, by operation of law, or purchase of the majority of the assets of CoreLogic's business. Any unauthorized assignment or transfer of this Agreement or any rights or obligations thereunder, shall be void and constitutes ground for immediate termination of this MSA by CoreLogic. This MSA binds and inures to the benefit of the Parties and their respective permitted successors and permitted assigns.

14.4. **Severability.** If any provision, or part thereof, of this MSA becomes or is declared invalid, illegal or unenforceable in any respect under any law, such provision, or part thereof, shall be null and void, and deemed deleted from this MSA. The validity, legality and enforceability of the remaining provisions of this MSA shall not in any way be affected or impaired.

14.5. **No Waiver.** Any waiver is only valid to the extent expressly set forth in writing. No waiver by either Party of any right under this MSA shall constitute a subsequent or continuing waiver of such right or any other rights under this MSA.

14.6. **Injunction.** Customer acknowledges that the Services are a valuable commercial product, the development of which involved the expenditure of substantial time and money. Any violation of the licenses granted hereunder, confidentiality obligations or infringement or misappropriation of CoreLogic's intellectual property rights may result in irreparable harm to CoreLogic, for which CoreLogic may not have adequate remedy in money or damages, and CoreLogic may seek injunctive relief, in addition to (and not in lieu of) such further relief as may be granted by a court of competent jurisdiction.

14.7. **Force Majeure.** Neither Party shall be liable for any failure or delay in its performance under this MSA or interruption of service, resulting directly or indirectly, from circumstances beyond its reasonable control (including, but not limited to, act of terrorism, war (declared or not declared), act of any government,

any acts of God, pandemic, civil or military authority, labor disputes, shortages of suitable parts, materials or labor, or any similar cause); provided that it notifies the other Party as soon as practicable and uses commercially reasonable efforts to resume performance.

14.8. **Governing Law.** This MSA is governed by and construed in accordance with the laws of the State of California, without giving effect to its principles of conflicts of law. Any litigation arising out of this MSA shall be brought by either Party in a court of competent jurisdiction located in Orange County, California, and each Party hereby waives any defenses it may have before such courts based on a lack of personal jurisdiction or inconvenient forum. Each Party hereby expressly and irrevocably waives the right to a jury trial. The prevailing party shall be awarded its reasonable attorneys' fees and costs in any proceeding arising out of or related to this Agreement.

14.9. **Insurance.** CoreLogic shall carry and maintain at all times during the term of this Agreement, the lines of insurance coverage with minimum policy limits as follows: (i) Workers' Compensation with limits as required by applicable statute; (ii) Employers' Liability with limits of \$1,000,000.00, per accident or disease and policy limit; (iii) Commercial General Liability with limits of \$1,000,000.00, combined single limit bodily injury and property damage, per occurrence and \$2,000,000 in the aggregate; (iv) Business Automobile Liability with limits of \$1,000,000.00, combined single limit, each accident; and (v) Professional (Errors and Omissions) and Cyber Liability coverage with a minimum combined single limit of \$2,000,000. CoreLogic shall use an insurance provider having an A.M. Best Company rating of A- or better with financial size category of X or higher.

14.10. **No Third-Party Beneficiaries.** CoreLogic and Customer agree that this Agreement, including each Addendum and each SOW, are for the benefit of the entities executing such document(s) and are not intended to confer any rights or benefits on any third party, including any employee or client of either entity executing such document(s), and that there are no third party beneficiaries as to this Agreement or any part or specific provision of this Agreement.

14.11. **Survival.** The following sections shall survive the expiration or termination of this Agreement: 2 (Ownership); 3 (Fees; Taxes); 6 (Confidentiality); 9 (Indemnification); 10.4 (Effects of Termination); 11 (Disclaimer); 12 (Limitation of Liability); and 14 (General Provisions).

14.12. **Construction.** Section headings of this Agreement have been added solely for convenience of reference and shall have no effect upon construction or interpretation of this MSA. Unless the context otherwise requires, words importing the singular include the plural and vice-versa. The words "include," "includes" and "including" mean "include without limitation," "includes without limitation" and "including without limitation," it being the intention of the Parties that any listing following thereafter is illustrative and not exclusive or exhaustive. All references to "days" mean calendar days, unless otherwise specified. The Parties acknowledge that this Agreement was prepared by both Parties jointly, and any uncertainty or ambiguity shall not be interpreted against any one Party.

14.13. **Counterparts.** This MSA and each Addendum and SOW may be executed in any number of counterparts, each of which is deemed an original, and all taken together constitute one and the same instrument. If this MSA is executed in counterparts, no signatory is bound until all Parties have duly executed this MSA. Any signature executed and/or transmitted

by electronic means, facsimile or e-mail (in .pdf, .tif, .jpeg, or a similar format), or a photocopy of such transmission, is deemed to constitute the original signature of such Party to this MSA.

**LICENSING ADDENDUM
TO
MASTER SERVICES AGREEMENT**

This Licensing Addendum (“**Licensing Addendum**”) is entered into between CoreLogic Solutions, LLC (“**CoreLogic**”) and Contra Costa County, a political subdivision of the State of California, on behalf of its Public Works Department (“**Customer**”) (collectively, the “**Parties**,” or individually, a “**Party**”). This Licensing Addendum is subject to the Master Services Agreement and all subsequent amendments, exhibits, or attachments thereto (“**MSA**”) between CoreLogic and Customer to which it is attached. Capitalized terms used without definition in this Addendum have the meanings ascribed to them in the MSA. This Licensing Addendum is effective as of **August 1, 2022**.

1. LICENSE.

- 1.1 **License Grant.** Subject to the terms and conditions of this Licensing Addendum and the MSA, CoreLogic hereby grants to Customer and Permitted Users a non-exclusive, non-transferable, limited license to use the Services set forth in each SOW solely for the Permitted Applications for each of the Services. There are no implied licenses under this Licensing Addendum or the MSA. All rights not expressly granted herein are reserved.
- 1.2 **License Restrictions.** Customer and Permitted Users shall not use the Services for any purposes other than the Permitted Applications in the applicable SOW. Without limiting the foregoing, and except to the extent expressly authorized in the Permitted Applications in the applicable SOW, Customer and Permitted Users shall not: (i) disclose, disseminate, reproduce or publish any portion of the Services in any manner; (ii) use the Services to create models, analytics, derivative products or other derivative works; (iii) disassemble, decompile or reverse engineer CoreLogic’s Confidential Information or any portion of the Services; (iv) allow access to the Services through any servers located outside of Customer’s or any Permitted Users’ network; (v) use or store the Services outside the United States or Canada; or (vi) use the Services in any way that is defamatory, threatening or harassing.
- 1.3 **Destruction of Services.** Within 30 days of expiration or termination of a SOW, Customer shall, to the extent reasonably practicable, destroy all Services-related documentation in Customer’s possession or control delivered under the terminated SOW(s) and, upon request by CoreLogic, certify in writing signed by an officer of Customer that all Services-related documentation have been destroyed. If such Services-related documentation is not destroyed in accordance with the foregoing, Customer shall pay CoreLogic the Fees ordinarily and reasonably charged by CoreLogic for the Services until such time as such Services-related documentation is destroyed by Customer. Notwithstanding the foregoing, Customer may retain a copy of the Services-related documentation in an archival database, as required for regulatory compliance or internal record-keeping, and for no other use, commercial or otherwise.

2. CUSTOMER ACKNOWLEDGMENTS.

Customer acknowledges and agrees to the following:

- 2.1 **Availability of Data.** The availability of data elements in the Services varies substantially from area-to-area, and circumstances may exist or arise that prevent CoreLogic from providing such data or achieving complete representation of all data elements in the Services. Notwithstanding anything to the contrary, CoreLogic may limit or discontinue the provision of the Services for geographic locations where: (i) CoreLogic is restricted by rules, regulations, laws or governmental entities; (ii) CoreLogic has discontinued the collection of data; or (iii) CoreLogic is prohibited by third party providers. In addition, CoreLogic may discontinue any Services it no longer generally provides to its customers, and upgrade or change the support, delivery and maintenance of any Services so long as any change does not result in a material reduction in the quality of the support, delivery or maintenance of any Services.
- 2.2 **Limitations of Services.**
- 2.2.1 The Services do not constitute an appraisal of any subject property, and do not include a physical or visual inspection of any subject property or an analysis of current market conditions by a licensed or certified appraiser. The condition of any subject property and current market conditions may greatly affect the validity of the Services. Customer shall not use the Services in lieu of a walk-through appraisal or other form of appraisal by a certified appraiser.

2.2.2 Customer shall not construe the Services as a representation by CoreLogic as to the condition of title to real property. The Services may not include all recorded conveyances, instruments or documents that impart constructive notice with respect to any chain of title described in the Services.

2.3 **Use of Data.** CoreLogic may use information provided by Customer for statistical purposes, product enhancement, marketing analysis and related purposes only if CoreLogic has aggregated and anonymized the data so that it does not identify a specific person or organization or could be used to identify a specific person or organization.

3. PERMITTED USERS.

Customer shall require all Permitted Users to using the Services to comply with the Permitted Applications use restrictions contained in the applicable SOW. Customer is fully responsible for any use of the Services by its Permitted Users.

4. AUDITS.

Upon ten (10) days' prior written notice, CoreLogic may audit Customer for purposes of ensuring Customer's compliance with the terms and conditions of the MSA. CoreLogic may choose the auditor in its sole discretion. CoreLogic or its designee may, during the course of such examination, make copies or extracts of Customer's books and records relating to Customer's compliance with the terms of the MSA. CoreLogic shall treat all information reviewed during an audit as confidential. Any such audit shall take place during regular business hours, shall not unreasonably disrupt Customer's operations, and shall be conducted under Customer's supervision. If the audit indicates there is a breach in Customer's compliance with this MSA, Customer shall pay for the cost of such audit. Additionally, in the event CoreLogic finds that Customer has underpaid the Fees due to CoreLogic, Customer shall, within 30 days of discovery of such underpayment, remit to CoreLogic the full amount of such underpayment. Customer's failure to reasonably cooperate with CoreLogic's request to audit for compliance is a breach of this MSA, for which CoreLogic may immediately terminate this MSA.

5. SURVIVAL.

The following sections shall survive the expiration or termination of this Licensing Addendum: 1.2 (License Restrictions), Section 4 (Audits) and Section 5 (Survival).

IN WITNESS WHEREOF, the Parties have caused this Licensing Addendum to be duly executed. Each Party warrants and represents that its respective signatories whose signatures appear below have been and are on the date of signature duly authorized to execute this Licensing Addendum.

**STATEMENT OF WORK SR000442470602
FOR RISK ANALYSIS SERVICES**

This Statement of Work SR000442470602 for Risk Analysis (“SOW”) is between CoreLogic Solutions, LLC, a California limited liability company (“CoreLogic”) and Contra Costa County, a political subdivision of the State of California, on behalf of its Public Works Department (“Customer”) (collectively, the “Parties”, or individually, a “Party”). This SOW is subject to the Master Services Agreement and the Licensing Addendum (the “Licensing Addendum”) dated August 1, 2022 between Customer and CoreLogic, and all subsequent amendments, exhibits, or attachments between the Parties (collectively, the “Agreement”). This SOW is effective as of August 1, 2022 (“SOW Effective Date”). The Parties agree as follows:

I. SERVICES, DELIVERY & FEES: CoreLogic shall provide Customer with the Services listed in the attached Fee Schedule Exhibit detailing Services, delivery and fee information (“Fee Schedule”) via the specified delivery method. If the Fee Schedule indicates that an exhibit is attached, the additional terms and conditions set forth in the exhibit apply to the Service.

II. ADDITIONAL FEE INFORMATION:

A. Monthly Flat Fee with Overage: Customer shall pay to CoreLogic a monthly flat fee for packages as set forth in the Fee Schedule. The base fees and overage fees are in addition to the monthly flat fee and do not carry-over towards satisfying the fees for any other month.

B. Annual Fee Increase: The Fees for the Services under this SOW shall increase 3% annually, rounded to the nearest \$0.01, on the first day of each SOW Renewal Term.

III. PERMITTED APPLICATIONS: The Services shall be used solely for the applications specified below in accordance with the terms and conditions of this Agreement.

A. Customer’s Use:

1. Internal Use: Customer shall use the Services solely for Customer’s own internal business purposes of risk management. Customer shall not resell, relicense or redistribute the Services in whole or in part.

IV. SOW TERM AND RENEWAL: The term of this SOW is for 12 months, commencing on the SOW Effective Date, and thereafter shall automatically renew for additional successive 12 month terms (each a SOW Renewal Term”) unless either Party gives the other Party at least 60 day’s written notice of termination prior to the expiration of the then-current term.

V. EXECUTION: This SOW may be executed in any number of counterparts, each of which is deemed an original, and all taken together constitute one and the same instrument. If this SOW is executed in counterparts, no signatory is bound until all Parties have duly executed this SOW and all Parties have received a fully executed SOW. The Parties acknowledge that any signature transmitted by facsimile or e-mail (in .pdf, .tif, .jpeg, or a similar format), or a photocopy of such transmission, is deemed to constitute the original signature of such Party to this SOW. The individuals signing below represent that they are authorized to do so by and on behalf of the Party for whom they are signing.

Subject: Contract extension with Great-West Life & Annuity Insurance Company for Administrative Services of the 457 Deferred Compensation Plan

RECOMMENDATION(S):

APPROVE and AUTHORIZE the County Administrator, or Designee, to execute a contract amendment with Great-West Life & Annuity Insurance Company, d/b/a Empower Retirement to extend the term from August 1, 2022 through July 31, 2023, for recordkeeping and administrative services for the 457 Deferred Compensation Plan.

FISCAL IMPACT:

The contract is funded by an \$18 administration fee charged to participant 457 Deferred Compensation Plan accounts. There is no fiscal impact beyond overhead administrative support costs, which are offset through the Contra Costa County Deferred Compensation Plan (I.R.C. § 457) ("the Plan").

BACKGROUND:

In July of 2019, the County approved a contract with Great-West Life & Annuity Insurance Company, d/b/a Empower Retirement, with regards to the Contra Costa County Deferred Compensation Plan (I.R.C. § 457) ("the Plan").

Empower provides specific administrative and recordkeeping services in connection with the Plan. Empower provides enrollment support to the County and its employees. Empower also provides for initial and ongoing education for new hires and those who choose to participate in the Plan ("Participants"), including face-to-face group sessions and on-on-one consultations. Participants are provided access to a participant website that is customized to their needs and will provide Plan Participants with powerful tools that they can use 24/7. Among other options, Participants are able to do the following on the participant website:

transfer assets;

- make beneficiary designations;
- calculate estimated health care expenses based on individualized information;
- calculate estimated monthly retirement income and goals based on Participant's financial data;
- access information about investment options, such as prospectuses.

Participants are able to contact Empower through various means:

- Through the participant website. Participants can access real time conversations with customer service representatives using Live Chat.
- By phone. Participants are able to contact Empower service representatives through the toll-free number 833-457-2626. Empower's toll free customer service hours include evenings and Saturdays.
- By a toll-free automated voice response system, Participants are able to inquire or make account changes from a touch-tone telephone. Inquiry services available from the automated voice response system will use share prices, unit values and account balances that are as of the last calculated unit value/share price.

Empower's customer service representatives and field onsite representatives are required to hold Financial Industry Regulatory Authority Series 6 and 63 licenses, meaning that, when authorized, they have the capacity to provide professional financial advice to Plan Participants.

Empower provides educational and communication materials to Participants regarding financial investing, retirement options, and planning tools pursuant to the Plan. In addition, Empower makes quarterly benefit statements available to Participants, including on the participant website, and circulates Plan notices.

Empower offers fully automated loan administration, making it easy for Participants to monitor as well as apply for loans. They also administer distributions to Participants, process Participant rollover contributions and provide Participants with transaction and investment statements.

Empower provides annual reports to the County concerning the services it has provided, as well as other information such as investment-related and benefit payment information. The County, as the Plan Sponsor, has access to Empower's online recordkeeping system which allows for communication regarding inquiries or changes.

The agreement with Empower contains modified indemnification language. Following the expiration of this extension, an additional option to renew the contract for one more year will remain under the parties' contract.

CONSEQUENCE OF NEGATIVE ACTION:

Without the contract amendment, the County will not have a contract in place for the performance of necessary recordkeeping and administrative services in connection with its 457 Plan.

BACKGROUND: (CONT'D)

Under the trust agreement, the Great-West Trust Company, LLC, maintains a trust in connection with the Plan. The trust was established and operates for the exclusive benefit of trust funds for the Plan, which includes Plan contributions and assets. The Great-West Trust Company, LLC serves as the Trustee under the trust and, in this capacity, manages and invests the trust fund for the exclusive benefit of Plan participants and their beneficiaries. The trust agreement sets forth the general duties and powers of Great-West Trust Company, LLC. Such duties and powers include, but are not limited to, receiving contributions; administering the exclusive benefit trust fund; making payments from the trust; transferring and accepting property for eligible rollovers; and various ministerial acts. The Trust Agreement contains modified indemnification language and a limitation of liability.

Following the expiration of this extension, an additional option to renew the contract for one more year will remain under the parties' contact.

CONSEQUENCE OF NEGATIVE ACTION:

Without the contract amendment, the County will not have a contract in place for the maintenance of the trust fund in connection with the 457 Plan.

Subject: Novation Contract #24-707-67 with Contra Costa ARC (DBA VistAbility)

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Novation Contract #24-707-67 with Contra Costa ARC (DBA VistAbility), a non-profit corporation, in an amount not to exceed \$2,490,676, to provide wrap-around services including community-based mental health treatment, case management and crisis intervention for children who are Seriously Emotionally Disturbed (SED) in East Contra Costa County, for the period from July 1, 2022 through June 30, 2023, which includes a six-month automatic extension through December 31, 2023, in an amount not to exceed \$1,245,338.

FISCAL IMPACT:

Approval of this contract will result in budgeted expenditures of up to \$2,490,676 and will be funded by 50% Federal Medi-Cal (\$1,245,338) and 50% Mental Health Realignment (\$1,245,338) revenues. (No rate increase)

BACKGROUND:

This contract meets the social needs of the County's population by providing mental health services for preschoolers with measurable delays in interpersonal, social/emotional, language and cognitive development, and for children who are at risk for such delays, including abused, developmentally delayed, SED and environmentally deprived children who do not meet the criteria for any categorical funding source for services. The County has been contracting with Contra Costa ARC (DBA VistAbility) since July 1974.

BACKGROUND: (CONT'D)

On December 14, 2021, the Board of Supervisors approved Contract #24-707-65, with Contra Costa ARC (DBA VistAbility), in an amount not to exceed \$2,414,250 for the provision of wrap-around and mental health treatment services for SED children and their families in East Contra Costa County for the period from July 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022, in an amount not to exceed \$1,207,125.

On February 1, 2022, the Board of Supervisors approved Contract Amendment #24-707-66, effective January 1, 2022 to increase the per minute billing rates due to COVID-19, with no change in the original payment limit or term.

Approval of Novation Contract #24-707-67 will replace the automatic extension under the prior contract and allow the contractor to continue providing services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, severely emotionally disturbed children within East Contra Costa County will have reduced access to mental health services as the County solicits and engages an alternative contractor.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready for and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #24-639-2 with Shelter, Inc. a non-profit corporation, in an amount not to exceed \$335,152 to provide specialty housing for adults participating in substance use disorder treatment, for the period from July 1, 2022 through June 30, 2023.

FISCAL IMPACT:

Approval of this contract will result in budgeted expenditures of up to \$335,152 and will be funded by 78% Substance Abuse Prevention and Treatment Block Grant (\$261,500) and 22% Substance Abuse Prevention and Treatment Block Perinatal Grant (\$73,652) revenues. (Rate increase)

BACKGROUND:

The county has been contracting with Shelter, Inc., since October 2021 to provide specialty housing for adults participating in substance use disorder treatment.

In December 2021, the County Administrator approved and the Purchasing Services Manager executed Contract #74-639 with Shelter, Inc., in an amount not to exceed \$166,861, to provide specialty housing for adults participating in substance use disorder treatment, for the period October 1, 2021 through June 30, 2022.

On June 21, 2022, the Board of Supervisors approved Amendment Agreement #74-639-1 to increase the payment limit from \$166,861 to \$216,612, effective May 1, 2022, to provide additional specialty housing for adults participating in substance use disorder treatment with no change in the term October 1, 2021 through June 30, 2022.

Approval of Contract #74-639-2 will allow the contractor to continue providing services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

BACKGROUND: (CONT'D)

On April 12, 2022, the Board of Supervisors approved Amendment Agreement #24-243-75 to increase the payment limit from \$1,274,284 to \$1,346,995, effective January 1, 2022, to provide additional drug abuse prevention and treatment services with no change in the term July 1, 2021 through June 30, 2022.

On June 21, 2022, the Board of Supervisors approved Amendment Agreement #24-243-76 to increase the payment limit from \$1,346,995 to \$1,817,155, effective January 1, 2022, to provide additional drug abuse prevention and treatment services with no change in the term July 1, 2021 through June 30, 2022.

Approval of Contract #24-243-77 will allow the contractor to continue providing services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County's clients will not receive substance abuse treatment from this contractor, resulting in an overall reduction of services to a community at risk for incarceration.

CHILDREN'S IMPACT STATEMENT:

This prevention and treatment program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include addicted youth being provided an opportunity to prevent or recover from the effects of alcohol or other drug use, become self-sufficient, and return to their families as productive individuals.

BACKGROUND: (CONT'D)

On September 27, 2016, the Board of Supervisors approved Contract #27-277-20 with Kaiser Foundation Health Plan, Inc., in an amount not to exceed \$600,000,000 to provide health care services for Medi-Cal recipients enrolled in the Kaiser Foundation Health Plan, for the period from October 1, 2016 through September 30, 2019.

On July 10, 2018, the Board of Supervisors approved Contract Amendment Agreement #27-277-21, to add a Delegation Agreement with no change in the payment limit of \$600,000,000 or term of October 1, 2016 through September 30, 2019.

On September 10, 2019, the Board of Supervisors approved Contract Amendment/Extension Agreement #27-277-22, to extend the term from September 30, 2019 to September 30, 2021, with no change in the payment limit of \$600,000,000, to allow the contractor to continue to provide additional Medi-Cal services to Medi-Cal members enrolled in the Kaiser Health Plan through September 30, 2021.

On September 21, 2021 the Board of Supervisors approved item C.34 to clarify incorrect term language as previously approved by the Board on September 27, 2016, July 10, 2018 and September 10, 2019 to correct the term to match the agreement so it will automatically be renewed for successive two-year periods, until such time it is terminated by either party.

On January 18, 2022 the Board of Supervisors approved Contract Amendment Agreement #27-277-25 to modify the Delegation Agreement, to include data exchange requirements per the Department of Health Care Services All Plan Letter 20-017, and revise reporting requirements for continuing Medi-Cal services for CCHP members enrolled in the Kaiser Health Plan with no change in the payment limit of \$600,000,000 or term.

Approval of Contract Amendment Agreement #27-277-26 will modify the Delegation Agreement, to include current NCQA accreditation standards, and revise reporting requirements, for continuing Medi-Cal services for CCHP members enrolled in the Kaiser Health Plan with no change in the term of the agreement that is renewed for successive two-year periods, until such time it is terminated by either party.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, current NCQA accreditation standards, will not be included in the current agreement and the County may be out of compliance with NCQA standards.

If this contract is not approved, the County's clients will not receive substance use disorder treatment from this contractor, resulting in an overall reduction of services to a community at risk for incarceration.

CHILDREN'S IMPACT STATEMENT:

This Alcohol and Drug Abuse prevention program supports the Board of Supervisors' "Families that are Safe, Stable, and Nurturing" and "Communities that are Safe and Provide a High Quality of Life for Children and Families" community outcomes by providing individual, group, and family counseling; substance abuse education; rehabilitation support services; and substance abuse prevention services. Expected outcomes include increased knowledge about the impact of addiction; decreased use of alcohol, tobacco and other drugs; increased use of community-based resources; and increased school and community support for youth and parents in recovery.

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Contract #74-651 with Bay Area Alliance for Youth and Family Services

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-651 with Bay Area Alliance for Youth and Family Services, a corporation, in an amount not to exceed \$200,000 to provide a Short Term Residential Therapeutic Program (STRTP) for Medi-Cal eligible youth, for the period July 1, 2022 through June 30, 2023, including a six-month automatic extension through December 31, 2023 in an amount not to exceed \$100,000.

FISCAL IMPACT:

Approval of this agreement will result in budgeted expenditures of up to \$200,000 and is funded by 50% Federal Medi-Cal and 50% Mental Health Realignment revenues.

BACKGROUND:

This contract meets the social needs of the County’s population by providing mental health services to youth with emotional and behavioral problems to improve school performance, reduce unsafe behavioral practices, and reduce the need for out-of-home placements.

Approval of this new Contract #74-651 allows the contractor to provide STRTP services through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Medi-Cal eligible youth may experience reduced or discontinued behavioral health services.

CHILDREN'S IMPACT STATEMENT:

The recommendation supports the following children's outcome(s): Children and Youth Healthy and Preparing for Productive Adulthood; Families that are Safe, Stable and Nurturing; and Communities that are Safe and Provide a High Quality of Life for Children and Families.

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #77-251-3 with Premier Surgery Center, L.P., a limited partnership, in an amount not to exceed \$6,000,000, to provide ambulatory surgery center (ASC) services for Contra Costa Health Plan (CCHP) members, for the period from September 1, 2022 through August 31, 2024.

FISCAL IMPACT:

This contract will result in contractual service expenditures of up to \$6,000,000 over a two-year period and will be funded 100% by CCHP Enterprise Fund II revenues. (No rate increase)

BACKGROUND:

CCHP has an obligation to provide certain ambulatory surgery center services for its members according to the terms of their Individual and Group Health Plan membership contracts with the County. This contractor has been a member of the CCHP Provider Network since September 1, 2019.

On July 28, 2020, the Board of Supervisors approved Contract #77-251-1 with Premier Surgery Center, L.P., in the amount of \$5,000,000, for the provision of ASC services for CCHP members for the period September 1, 2020 through August 31, 2022.

FISCAL IMPACT:

Approval of this 8-month contract will result in expenditures of up to \$800,000 and will be funded 63% by American Rescue Plan Act (\$500,000) and 37% by Contra Costa Health Plan Incentive Funding (\$300,000).

BACKGROUND:

The goal of the Contra Costa CARES Program is to provide comprehensive primary health care coverage and medical homes to low income, uninsured adults residing in Contra Costa County who are ineligible for full-scope Medi-Cal or Covered California and whose household gross income does not exceed 138% of the Federal Poverty Level. Specialty care, dental, vision, emergency care and hospitalization are not covered benefits of the program.

Richmond Community Foundation will recruit, retain, and coordinate with CBOs including faith-based organizations, to perform outreach and education activities with undocumented and/or uninsured adults ages 27-49 who are ineligible for health insurance. The primary objective is to target, educate/inform, pre-enroll, enroll, and follow up with low-income, immigrant undocumented, and/or uninsured communities who have been frontline workers in Contra Costa County into the Contra Costa CARES Program.

FISCAL IMPACT:

Approval of this contract will result in expenditures of up to \$1,211,136 over a three-year period and will be funded by 100% Mental Health Services Act.

BACKGROUND:

In 2006, the Center for Medicare and Medicaid Services made it clear that a psychiatric advance directive (PAD)s should be part of psychiatric care. Approximately twenty-seven states have enacted laws and policies recognizing PADs. However, PADs are often written with a focus on physical health, with little to no room for psychiatric health, plans, arrangements, or instructions to assist in the event of a mental health crisis. Californians living with mental illness continue to face high rates of recidivism, inpatient non-voluntary hospitalization, homelessness, and incarceration.

mental health services act innovation project in the State of California, which will engage Syracuse University, whose Burton Blatt Institute has expertise in the field of evaluation, disability rights, technology, and legislative efforts and will assist in the development and implementation of the PADS Project. The PADS Project seeks to make PADS accessible to mental health consumers, first responders, emergency departments and inpatient psychiatric units. The platform will operate in real-time, allowing consumers to create, access, store and share their PAD with healthcare providers and first responders across the state, giving them mediate access to consumer's PAD during a crisis. This Project is approved by the Mental Health Services and Accountability Commission.

This contract was submitted late to Contra Costa County, on May 31, 2022, due to Syracuse University collaborating on specifics of the project with multiple counties in the State of California.

Approval of this new contract #74-653 with Syracuse University will allow contractor to assist with the development and implementation services for the PADS in Contra Costa County including, but not limited to, project management, training, evaluation, media/marketing, technology and peer advocacy, through June 30, 2025.

CONSEQUENCE OF NEGATIVE ACTION:

BACKGROUND: (CONT'D)

In March 2021, the County Administrator approved and the Purchasing Services Manager executed Contract Amendment Agreement #77-159-3, effective March 1, 2021 to increase the payment limit by \$50,000 to and new payment limit of \$200,000 to include home health services in addition to hospice services for CCHP members with no change in the original term of August 1, 2020 through July 31, 2022.

Approval of Contract #77-159-4 will allow this contractor to continue providing home health care and hospice services to CCHP members through July 31, 2025.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, certain specialized home health care and hospice services for CCHP members under the terms of their Individual and Group Health Plan membership contracts with the County will not be provided.

RECOMMENDATION(S): (CONT'D)

AUTHORIZE the Public Works Director, or designee, to sign any escrow agreements prepared for this project to permit the direct payment of retention into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 2230.

AUTHORIZE the Public Works Director, or designee, to order changes or additions to the work pursuant to Public Contract Code Section 20142.

DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the functions under Public Contract Code Sections 4107 and 4110.

FISCAL IMPACT:

100% General Fund Capital Facilities Budget

BACKGROUND:

The Martinez Detention Facility (MDF) and West County Detention Facility's (WCDF) current security surveillance systems, which includes cameras, video management software, intercoms, and door controls systems, are currently operating on an overly proprietary and outdated platform with reduced functionality and reliability.

With the reduced reliability there is a need to update the existing security surveillance systems and associated technology infrastructure to ensure the continued safety and security of the corrections facility, its employees, and the incarcerated population. The Sheriff's Office would like to upgrade and replace the proprietary and obsolete systems with a comprehensive, turn-key security surveillance system. The new systems will have an intuitive approach and use the latest, best in class audio-visual information technology systems that fully integrate within the existing detention facilities.

Upgrading the two existing facilities' security surveillance systems will result in increased visual coverage within the housing units and on and around the facilities, improved monitoring of incarcerated population activities, and reduced frequency of self-harm, assaults, and illicit behavior. The upgraded systems will provide reliable evidence in response to allegations of misconduct, lawsuits, and other complaints, ultimately reducing the County and Sheriff's Office annual litigation expenses.

The original construction cost estimate was \$2,690,000. After further site investigations and scoping discussions, it was determined that the previously approved budget amount would be insufficient to facilitate the complete security surveillance system and technology infrastructure needs of the two facilities. As such, a Best Value Design-Build procurement process was used to acquire qualified Design-Build Teams. General prevailing wage rates will be the minimum wage rates paid on this project. Request for Proposals were opened to qualified design-build teams by the Public Works Department on April 21, 2022, and their bids were received on June 17, 2022.

The best responsive and value responsible bid for this project were scored as follows:

BIDDER	BEST VALUE BID SCORE
Accurate Controls, Inc.	281:500
CML Security	268:500

The Public Works Director recommends that the Board award the construction contract for this project to Accurate Controls, Incl, with the best responsive and value responsible bid, in the amount of \$4,319,238.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, new security systems will not be installed and the Sheriff's Office will continue to operate aging security systems with reduced functionality and reliability that may compromise the safety of the facilities, the employees, and the incarcerated population.

Subject: Novation Contract #74-543-10 with YWCA of Contra Costa/Sacramento

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Novation Contract #74-543-10 with YWCA of Contra Costa/Sacramento, a non-profit corporation, in an amount not to exceed \$764,468, to provide mental health services for Seriously Emotionally Disturbed (SED) children and adolescents, for the period July 1, 2022 through June 30, 2023, which includes a six-month automatic extension through December 31, 2023, in an amount not to exceed \$382,234.

FISCAL IMPACT:

Approval of this contract will result in budgeted expenditures of up to \$764,468 and will be funded by 50% Federal Medi-Cal (\$382,234) and 50% Mental Health Realignment (\$382,234) revenues. (No rate increase)

BACKGROUND:

This contract meets the social needs of the County's population by providing mental health services to adolescents with emotional and behavioral problems to improve school performance, reduce unsafe behavioral practices, and reduce the need for out-of-home placements. The County has been contracting with YWCA of Contra Costa/Sacramento since April 2017.

On December 14, 2021, the Board of Supervisors approved Novation Contract #74-543-8 with YWCA of Contra Costa/Sacramento,

in an amount not to exceed \$594,970, to provide mental health services for SED children and adolescents for the period July 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022, in an amount not to exceed \$297,485.

On February 1, 2022, the Board of Supervisors approved Contract Amendment Agreement #74-543-9, effective January 1, 2022, to increase the per minute billing rates due to COVID-19, with no change in the original payment limit of \$594,970 or original term of July 1, 2021 through June 30, 2022 and no change in the automatic extension through December 31, 2022 in an amount no to exceed \$297,485.

Approval of Novation Contract #74-543-10 replaces the automatic extension under the prior contract and will allow the contractor to continue providing mental health services for SED children and adolescents through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, SED children and adolescents will not have access to mental health services provided by this contractor.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

Subject: Correct June 21, 2022 Board Order Item #C.187 with the Mental Health Services Act Program (Proposition 63): Expenditure Plan Update Fiscal Year 22-23

RECOMMENDATION(S):

APPROVE clarification of the Board Action of June 21, 2022, (Item C.187) which adopted the Mental Health Services Act (MHSA) Three Year Program and Expenditure Plan Update for Fiscal Year 2022-23 to reflect a continued MHSA funding amount of \$63,270,000 instead of the erroneous amount of \$63,214,544 as previously requested by the department.

FISCAL IMPACT:

Adoption of the Mental Health Services Act Three Year Program and Expenditure Plan Update, Fiscal Year 2022-23 assures continued MHSA funding in the amount of \$63,270,000, which is \$54,456 more than previously submitted to the Board.

BACKGROUND:

Proposition 63 was passed by California voters in the November 2004 election. Now known as the Mental Health Services Act (MHSA), the legislation provides public mental health funding by imposing an additional one percent tax on individual taxable income in excess of one million dollars. There are a total of five MHSA components which have been enacted out over time by the State with the goal of creating a better program of mental health services and supports in California's public mental health systems. The five components include: Community Services and Supports; Prevention and Early Intervention; Workforce Education and Training; Capital Facilities and Technology; and Innovation. There are multiple programs operated within each component. This

is a State mandated program under Welfare & Institutions Code.

On June 21, 2022, the Board of Supervisors adopted the Mental Health Services Act (MHSA) Three Year Program and Expenditure Plan Update for Fiscal Year 2022-23 with a funding amount of \$63,214,544. Due to an oversight the funding amount specified on the Board Order did not match the amount listed in the Mental Health Services Act (MHSA) Three Year Program and Expenditure Plan Update for Fiscal Year 2022-23. The purpose of this Board Order is to correct the funding amount from \$63,214,544 to \$63,270,000.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the Board Order will not match the funding outlined in the Mental Health Services Act (MHSA) Three Year Program and Expenditure Plan Update for Fiscal Year 2022-23.

CHILDREN'S IMPACT STATEMENT:

Mental health impacts people of all ages and impacts entire family systems and communities.

This recommendation supports all of the following children's outcomes:

- Children Ready for and Succeeding in School;
- Children and Youth Healthy and Preparing for Productive Adulthood;
- Families that are Safe, Stable and Nurturing; and
- Communities that are Safe and Provide a High Quality of Life for Children and Families.

Additionally

- Preventing mental health problems in children and youth from developing and becoming severe and disabling.
- Children and youth recovering from impact of trauma, severe emotional disturbance, and mental illness.

Subject: CONTINUE EXTENSION OF EMERGENCY DECLARATION REGARDING HOMELESSNESS

RECOMMENDATION(S):

CONTINUE the emergency action originally taken by the Board of Supervisors on November 16, 1999 regarding the issue of homelessness in Contra Costa County.

FISCAL IMPACT:

There is no fiscal impact for this action.

BACKGROUND:

On November 16, 1999, the Board of Supervisors declared a local emergency, pursuant to the provisions of Government Code Section 8630 on homelessness in Contra Costa County.

Government Code Section 8630 requires that, for a body that meets weekly, the need to continue the emergency declaration be reviewed at least every 60 days until the local emergency is terminated. The Board of Supervisors last reviewed and continued the emergency declaration on May 24, 2022. Nevertheless, with the continuing high number of homeless individuals and insufficient funding available to assist in sheltering all homeless individuals and families, the emergency situation still exists and it is, therefore, appropriate for the Board to continue the declaration of a local emergency regarding homelessness.

Subject: REVISED RETIREMENT CONTRIBUTION RATES FOR THE CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT FOR FISCAL YEAR 2022/2023

RECOMMENDATION(S):

ADOPT Resolution No. 2022/266, which establishes retirement plan contribution rates approved by the Retirement Board for the period July 1, 2022 through June 30, 2023, for the Contra Costa County Fire Protection District, as recommended by the County Administrator.

FISCAL IMPACT:

The employer contribution rates for Cost Groups #5 and #8 will be reduced, effective July 1, 2022.

BACKGROUND:

At its May 25, 2022 meeting, the Contra Costa County Employees Retirement Board (“CCCERA”) approved revised employer and employee contributions for the Contra Costa Fire Protection District (“CCCFPD”) for fiscal year 2022/23. The revised rates, which were calculated by its actuary, Segal Consulting, and based on a December 31, 2020 valuation were requested due to CCCFPD’s anticipated assumption of most of the duties and obligations of the East Contra Costa Fire Protection District (the “ECCFPD”) on July 1, 2022, following ECCFPD’s dissolution.

Immediately prior to ECCFPD’s dissolution, CCCERA received a \$3,344,436.71 prepayment of the Unfunded Actuarial Accrued Liability (UAAL) from ECCFPD on June 30, 2022. In accordance with CCCERA’s Actuarial Funding Policy, employer contribution rate reductions resulting from additional employer UAAL payments are applied “starting on July 1 following receipt of the payment.” Based on the prepayment, CCCERA’s actuary recalculated the employer contribution rates for CCCFPD for fiscal year 2022/23. At its July 13, 2022 meeting, CCCERA approved the newly revised employer contribution rates, which take into account this prepayment. Copies of the letters from Segal Consulting, which calculated the rates, are available from CCCERA online.

By adopting this resolution, the Board adopts the most recent employer and employee contribution rates for fiscal year 2022/23 for CCCFPD as approved by CCCERA.

CONSEQUENCE OF NEGATIVE ACTION:

Retirement plan contribution rates for fiscal year 2022/23 for CCCFPD will not reflect those adopted by CCCERA.

Subject: Payment for Services Provided by Hobbs Investments, Inc. (dba AM-TRAN)

RECOMMENDATION(S):

AUTHORIZE the Auditor-Controller, or designee, to pay up to \$96,774 to Hobbs Investments, Inc. (dba AM-TRAN) for courier services provided during the period of December 1, 2021, through January 31, 2022.

FISCAL IMPACT:

This action will result in expenditures of up to \$96,774 and will be funded by 51% Hospital Enterprise Fund I revenues and 49% American Rescue Plan Act funding.

BACKGROUND:

The routine utilization of courier services throughout the Health Services Department has been significantly impacted by the COVID19 pandemic. In 2021, the department experienced a 49% increase of courier services usage over the previous year. Laboratory courier services are responsible for maintaining regulatory requirements for proper handling of bio-hazardous material during transport and ensuring the integrity of the specimen until it reaches its final destination. This includes providing a continuous temperature-controlled environment; specimen tracking and timely deliveries. Due to COVID-19 physicians are ordering significantly more lab tests to accurately diagnose and treat their patients. Diagnostic Imaging has also experienced a growth in their volume as the need for courier services to transport films and images to and from other hospitals has increased. The Pharmacy courier volume has grown as they continue to courier stat medication orders to the clinics and jails all over the county.

Due to this oversight, AM-TRAN was not paid by CCRMC for services provided in good faith. Therefore, CCRMC has determined that Hobbs Investments, Inc. (dba AM-TRAN) is entitled to payment for the value courier services provided under the equitable relief theory of quantum meruit. The theory provides that where a vendor has been requested to provide products or services without a valid purchase order, and the vendor does so to the benefit of the recipient, the vendor is entitled to recover the reasonable value of those products or services.

CONSEQUENCE OF NEGATIVE ACTION:

If this request is not approved, CCRMC will be unable to pay Hobbs Investments, Inc. (dba AM-TRAN) for courier services provided in good faith and could cause a disruption to CCRMC's reliance on this vendor's support for the transport of specimens, films, and medication throughout the county.

Subject: Changes to Solid Waste Collection Rates in the unincorporated areas served by Mt. Diablo Resource Recovery under County Franchise Agreement

RECOMMENDATION(S):

1. ACCEPT report from consultant Crowe, LLP (Crowe), dated May 16, 2022, summarizing the results of its review of the rate application for service changes submitted by Mt. Diablo Resource Recovery (MDRR), attached as Exhibit A.
2. APPROVE and direct MDRR to implement the following recommended service change and associated rate adjustment effective September 1, 2022, resulting in a 7.35% solid waste collection rate increase for commercial customers in unincorporated areas served by MDRR under County's Franchise Agreement based on staff and Crowe's review of MDRR's rate application:
 - incorporate organics collection into the basic services provided to commercial customers, and
 - eliminate the previously approved stand-alone organics collection rate.

FISCAL IMPACT:

There is no impact to the County General Fund. The costs for County staff time spent and any related consulting services focused on administering the Franchise Agreement with MDRR, including rate setting process, are covered by solid waste/recycling collection franchise fee.

BACKGROUND:

On September 19, 2016, Governor Jerry Brown signed into law the Short-lived Climate Pollutant Reduction Act ("SB 1383"). SB 1383 required the California Department of Resources Recycling and Recovery ("CalRecycle") to develop regulations to reduce organics in landfills as a source of methane. The regulations developed by CalRecycle under SB 1383 revised numerous provisions of division 7 of title 14 of the California Code of Regulations and added Chapter 12, entitled "Short-lived Climate Pollutants," effective January 1, 2022. The SB 1383 Regulations require counties, cities and other local jurisdictions to adopt enforceable ordinances or other enforceable mechanisms to mandate that organic waste generators, haulers, and other entities comply with requirements in the SB 1383 Regulations. The SB 1383 Regulations generally address requirements applicable to organic waste collection services, inspection of waste containers for prohibited contaminants, regulation of commercial edible food generators, provision of education and outreach information to generators, reporting to CalRecycle on

BACKGROUND: (CONT'D)

compliance with the SB 1383 Regulations, and maintenance of records of compliance with SB 1383 Regulations, with the goal of achievement of statewide organic waste disposal reduction targets. This MDRR rate review was initiated at the County's request due to new costs and services required to comply with the SB 1383 Regulations.

COUNTY RATE REGULATION

The County establishes and regulates collection rates that MDRR can charge for residential and commercial collection services provided in their Franchise Area. These rates are established in accordance with the adopted rate setting methodology (Rate Manual) approved by the County and updated in 2011 for use in setting rates for the County's Franchise Agreement with Mt. Diablo Resource Recovery. The Rate Manual provides for recovery of the reasonable costs that MDRR will incur in performing services under the Franchise Agreement, plus allowable profit. When there are proposed rate changes that do not involve any proposed change in services, the Rate Manual establishes a process with the following components:

- Every four (4) years: Base Year rate reviews. Such reviews rely upon data submitted in detailed rate applications and accompanying audited financial statements; and
- Intervening years between Base Years (Interim Years): The Franchisee may request no change, or a change based on one of the following options:
 - One, a rate change which does not exceed the annual change in Consumer Price Index (CPI) (no Board approval required). The hauler is not required to submit audited financial data with the interim year rate application. Therefore, the Interim Year Rate Review is less rigorous than that carried out in a Base Year.
 - The other option is for extraordinary circumstances, where either the County or franchise hauler may initiate an extraordinary rate adjustment process. Generally the hauler experiences significant changes in costs or revenues not under its control, in which case, a rate application and appropriate documentation can be submitted for staff review and Board approval.

SERVICE CHANGE RATE REVIEW

This is an Interim Year for rate setting purposes. Since there is no proposed change in services for residential customers, MDRR only requested the allowable CPI rate adjustment for residential customers (3.15%), which does not require County approval. MDRR is also allowed to pass-through the same CPI rate adjustment for commercial customers, however there is an additional recommended rate increase of 4.2% associated with proposed change to basic commercial services which requires Board approval (total increase of 7.35%).

This rate review only looked at commercial rates in the unincorporated communities served by the MDRR Franchise Agreement. Crowe reviewed the Rate Application submitted by MDRR for consistency with the Rate Manual, County policies, and waste management industry practices. Crowe relied upon information provided by MDRR without investigation, but the information in their analysis was based on estimates, assumptions and other data developed by Crowe, knowledge of and participation in other studies, data supplied by the County, and other sources deemed to be reliable. There are multiple factors contributing to the changes in the projected costs and revenue which drive the recommended rate adjustment. Some of these are routine factors associated with existing services (e.g., increased wages and benefits, CPI increase, adjustments to various other categories of operational costs, including trucking and equipment).

Mandatory Commercial Organics Recycling (MORE) is required under SB 1383 regulations. The primary consideration of this rate review was to consolidate the collection of all three waste streams (garbage/recycling/organics) into a single rate for the basic services to be provided to commercial customers. Currently, commercial customers in the unincorporated County served by MDRR pay an additional 75% of their garbage and recycling rate for the collection/processing of organics. By consolidating the collection of all three waste streams into one rate, commercial customers will not be able to opt in or opt out of organics collection service, a requirement of SB 1383 regulations. Through Crowe's analysis of the rates for those customers paying the additional organics collection charge and those that currently do not have service, the rate increase spread across all commercial customers is a 4.2% increase. Adding the allowable CPI increase of 3.15%, the total recommended rate increase is 7.35% for commercial customers. Therefore, staff is recommending that MDRR be directed to implement the elimination of the extra charge for commercial organics collection (75% of commercial solid waste collection rate), in conjunction with the recommended 7.35% rate increase, effective September 1, 2022.

As a result of eliminating the stand-alone organics collection service rate, there will be an overall cost savings for those commercial customers that are already subscribing to organics collection service (approximately 30).

RATE COMPARISON

The proposed rate change percentage for commercial customers is 7.35%. In Table 1 below are the current MDRR area commercial rates for the 96-gallon cart and 2-yard bin. It shows what the rates would be with the recommended 7.35% increase, the average of the other three unincorporated County franchise commercial rates for same cart/bin sizes, and the last column shows the difference in rates from the average of other unincorporated franchise areas and the recommended rate increase. Compared to other unincorporated areas franchised directly by the County, current MDRR commercial rates, recommended to take effect on September 1, 2022, the new MDRR commercial collection rates for the 96-gallon cart would remain below the average County franchise rates by 27% and for the 2-yard bin, the rates will be 18% above the average. Additionally, by consolidating the three waste streams into one rate, all the unincorporated franchise haulers will be providing comparable services.

TABLE 1

Cart/Bin Size	Current Monthly Rate	7.35% Rate Increase	New Monthly Rate (eff. 9/1/22)	Average Unincorp. County Rates	Difference: New Rate vs. Avg UI County Rates
96-Gallon	\$77.80	\$5.72	\$83.52	\$114.66	-27%
2-yd bin 1 x per week	\$344.42	\$25.31	\$369.73	\$312.68	18%

CONSEQUENCE OF NEGATIVE ACTION:

If the Board of Supervisors does not approve the recommended rate increase of 7.35% for commercial customers, the collection rates would still be increased by the allowable CPI (3.15%) and commercial customers would continue to pay an additional 75% of garbage rates for organics collection service. The County would be in jeopardy of not complying with statewide mandatory commercial organics recycling requirements and would fail to meet milestone dates in the County's action plan submitted to CalRecycle.

Subject: Final Report – Analysis of CPI-Based Rate Increase and Inclusion of Separate Commercial Organics Rate in Total Commercial Rate for Mt. Diablo Resource Recovery

Dear Ms. Dingman:

This report provides the results of Crowe LLP's (Crowe) analysis of the CPI-based rate application (Application) submitted by Garaventa Enterprises (dba Mt. Diablo Resource Recovery – Contra Costa County ("MDRR")) to Contra Costa County (County). This analysis also includes the impact of combining the commercial organics collection rate (currently a separate charge) into a single total commercial collection rate. Garaventa provides refuse, organics, and recycling collection services in unincorporated Contra Costa County. This letter report is organized into four (4) sections as follows:

- A. Purpose of Analysis
- B. Summary
- C. Background and Scope of Analysis
- D. Results of Analysis.

There are three (3) attachments to this report, as follows:

- A. Rate Application
- B. Applicable Consumer Price Index Data
- C. History of Collection Rates.

A. Purpose of Analysis

The purpose of this analysis (Analysis) is to assist the County with establishing rates for refuse and recycling collection. This Analysis was conducted in accordance with the County's *Rate Setting Process and Methodology Manual Solid Waste Collection Charges* (Manual), dated July 15, 2011.

In the course of preparing this Analysis, we have not conducted an audit, review, or compilation of any financial or supplemental data used in the accompanying Analysis. We have made certain projections which may vary from actual results because events and circumstances frequently do not occur as expected and such variances may be material. We have no responsibility to update this Analysis for events or circumstances occurring after the date above.

Our procedures and work product are intended for the benefit and use of the County. This engagement was not planned or conducted in contemplation of reliance by any other party or with respect to any specific transaction and is not intended to benefit or influence any other party. Therefore, items of possible interest to a third party may not be specifically addressed or matters may exist that could be assessed differently by a third party.

This Analysis is substantially different from an audit, examination, or review in accordance with Generally Accepted Auditing Standards, the objective of which is to express an opinion regarding MDRR financial

statements. Accordingly, we do not express such an opinion. Crowe’s services and work product were performed in accordance with the Standards for Consulting Services established by the American Institute of Certified Public Accountants (“AICPA”) and do not constitute an audit, examination, or review in accordance with standards established by the AICPA.

In the preparation of this Analysis, Crowe relied upon the information provided to Crowe without verification or investigation. The information in this Analysis is based on estimates, assumptions and other data developed by Crowe from information provided by MDRR, knowledge of and participation in other studies, data supplied by the County, and other sources deemed to be reliable.

Crowe worked at the direction of the County in providing our services and preparing this Analysis. The County determined and approved the scope included within Crowe’s work. The County will review this report and will determine to accept this Analysis and how to implement the results of Crowe’s services.

The consulting services did not contemplate obtaining the understanding of MDRR internal controls or assessing control risks, tests of accounting records and responses to inquiries by obtaining corroborating evidential matter, and certain other procedures ordinarily performed during an audit, examination, or review. Thus, this engagement was not intended to provide assurance that we would become aware of significant matters that would be disclosed in an audit, examination, or review.

The County agreed to be responsible to make all management decisions and perform all management functions; designate an individual who possesses suitable skill, knowledge, and/or experience, preferably within senior management to oversee these services; evaluated the adequacy and results of the services performed; and accepted responsibility for the results of the services.

Crowe’s fees are not dependent upon the outcome of this report and Crowe is independent with respect to any other economic interests.

B. Summary

In its Application, MDRR requested a CPI-based rate increase of 3.15 percent. Based on the analysis of the Application, and applying the methodology contained in the Manual, we determined the 3.15 percent CPI is consistent with the Manual specifications. We also evaluated the impact of 1) consolidating the current separate commercial organics collection rate into a combined total commercial collection rate and 2) providing current “non SB 1383 compliant” commercial customers with organics collection service. This calculation would result in an additional increase to commercial customers of 4.20 percent, resulting in a total combined commercial rate increase of 7.35 percent.

Table 1 below shows the rate increase for typical residential customer service levels which ranges between \$1.00 and \$1.71 per customer, per month, depending on the residential service level. **Table 2** shows the calculated rate increase for typical commercial customers, depending on the service level.

C. Background and Scope of Analysis

On April 22, 2022, MDRR submitted a request for a residential and commercial CPI-based rate increase. The Rate Manual allows MDRR to adjust rates up to the CPI. The applicable CPI is the prior year June to June index (Rate Manual, page 81).

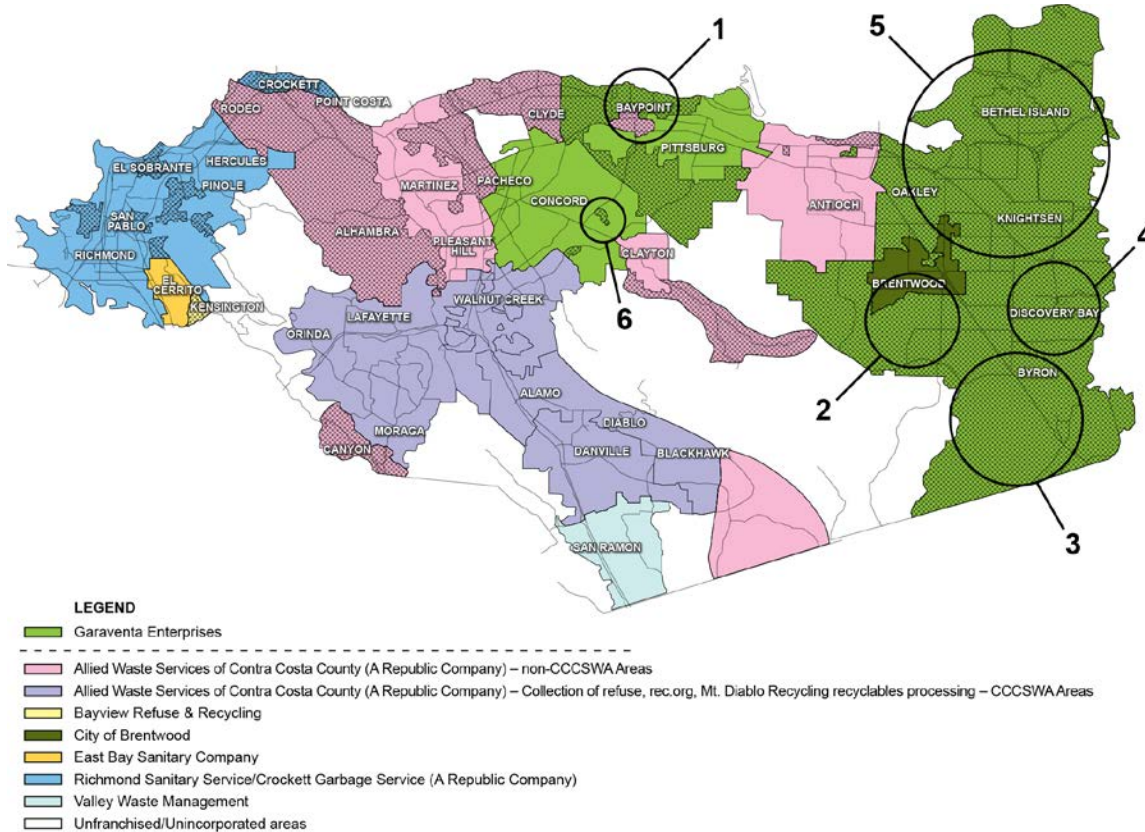

MDRR operates under an exclusive franchise with the County to collect, and remove for disposal and recycling, residential, commercial, and light industrial solid waste, recyclable materials, and green waste (organics). On May 9, 1995, the County signed a twenty (20) year franchise agreement with MDRR. On August 9, 2011, the County approved the Third Amendment to the Franchise Agreement which extended the franchise term an additional ten (10) years through May 8, 2025 or until termination of the 3-cart system, whichever is shortest. The MDRR franchise includes the following six (6) service areas in unincorporated Contra Costa County (**Exhibit 1** shows the location of each service area):

1. Bay Point
2. Brentwood, unincorporated
3. Byron
4. Discovery Bay
5. Bethel Island, Knightsen & Oakley, unincorporated
6. North Concord, unincorporated.

MDRR consolidates refuse collected from unincorporated County areas at the Recycling Center and Transfer Station (RCTS) in Pittsburg, California. MDRR then transports the refuse to Keller Canyon Landfill (located in unincorporated Contra Costa County) for disposal. MDRR provides curbside recycling services to unincorporated County areas.

Residential customers commingle all of their recyclable materials into one 96-gallon cart (except customers located on Marsh Creek Road who place their recyclables out for collection in special company issued blue bags). MDRR collects residential curbside recyclables bi-weekly. MDRR takes recyclable materials to its RCTS facility where they are separated on a Materials Recovery Facility (MRF) sort line. MDRR also provides residential customers with bi-weekly green waste collection service.

Exhibit 1
Unincorporated Contra Costa County
Map of Mt. Diablo Resource Recovery Service Areas

The scope of this Analysis included the following two (w) primary tasks:

1. Analyze MDRR’s CPI-Based Rate Request
2. Determine the Impact of Combining the Current Commercial Organics Collection Rate into a Single Total Commercial Collection Rate.

D. Results of Analysis

The company requested a 3.15 percent CPI based on the most recent June to June change in the Consumer Price Index the San Francisco-Oakland-San Jose (Bay Area). We determined that this is the correct CPI to use for this calculation for 2022.

The County requested we determine the impact of consolidating the separate commercial organics charge within a combined commercial rate. We estimate the current total amount of annual commercial organics collection revenue at \$47,375. Under the assumption that this revenue requirement is spread across the commercial/light industrial rate base, the rate increase to cover the lost revenue when removing this separate charge would equal 2.25 percent.

The County also requested that we determine the impact of providing organics collection services to those commercial customers that currently don’t subscribe to organics collection but will be required to do so under SB 1383. Under the assumption that these 55 currently customers are provided 96-gallon cart service for organics, the additional revenue requirement is \$41,092, equivalent to a 1.95 percent increase

to commercial customers. The combined commercial rate increase would be 7.35 percent (2.25 percent + 1.95 percent +3.15 percent CPI).

Re: Request for Residential & Commercial CPI Rate Adjustment

Dear David,

Garaventa Enterprises, Inc., dba Mt. Diablo Resource Recovery – Contra Costa County (“MDRR”), appreciates our long-standing partnership. We also appreciate the way we have been able to work collaboratively with you and your staff over the years in exploring longer term and more sustainable solutions pertaining to the services we provide to the County and its ratepayers.

As you know, in September of last year, we submitted an incremental rate application for additional requested services and enhancements. The rate application mainly focused on the incremental costs associated with the unfunded “State Mandates” of SB1383 implementation, and additional services requested via email from the County dated July 29th, 2021. In addition, the application also reflected a proposed change as to how the cost of recycling is paid for in the current collection rates, which was approved as part of our last rate adjustment back in 2020 pertaining to the China National Sword. Just for background, prior to the 2020 rate adjustment, our rates were last adjusted in 2017.

Last month on March 29th, we received the draft findings from the County’s consultant which we have been diligently reviewing. Our team has been going back and forth with questions pertaining to this draft report, however we are still a while away from providing a comprehensive response. Notwithstanding that comprehensive response, I am confident that the result will be several back-and-forth conversations with the consultant, and County staff which I anticipate taking several months until we can come to a mutually agreeable position. Please understand that we are committed to working out the details and implementing the services as set forth in our July 2021 rate application, but we feel it is going to take longer than we both previously anticipated. Our main concern continues to be the very short remaining term of our Agreement in relation to the timing and implementation of new required services as set forth in our application.

Ms. Deidra Dingman
July 14, 2022

Page 8

Pursuant to our Franchise Agreement, residential and commercial rates are able to be adjusted by the Consumer Price Index (CPI). Due to the anticipated timing of our existing application, at this time we are respectfully requesting the County's consideration of adjusting our residential and commercial rates by a 3.15% CPI. As you will see in the below calculations, and after applying the prescribed calculations, this proposed adjustment translates into an average residential increase of approximately \$1.35 per month.

	20 Gallon	32 Gallon	64 Gallon	96 Gallon	
Current rates	\$ 31.62	\$ 39.45	\$ 45.76	\$ 54.44	
CPI increase	3.15%	3.15%	3.15%	3.15%	
Proposed Rates	\$ 32.62	\$ 40.69	\$ 47.20	\$ 56.16	
Difference	\$ 1.00	\$ 1.24	\$ 1.44	\$ 1.72	Average \$ 1.35

Enclosed with this letter you will find the prescribed CPI Adjustment Calculation and the proposed adjusted residential & commercial rates (Attachment 1). As always please do not hesitate should you have any questions or need additional information in order to process consideration of this request.

Best Regards,

Salvatore N. Evola
Director of Environmental & Regulatory Affairs

Subject: Call to Action Work Group Members

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Auditor-Controller, or designee, to make one-time payments to eight organizations in an amount not to exceed \$15,491 per organization, for a total of \$123,927 for their 2019-2020 participation in the Call to Action Work Group.

FISCAL IMPACT:

\$123,927 total of the one-time payments are funded 100% by the Blue Shield Foundation.
No county match required.

BACKGROUND:

Employment and Human Services Department (EHSD), The Alliance to End Abuse Division (Alliance), received a grant from the Blue Shield Foundation to implement the “Leveraging Collaboration to End Domestic Violence Project” from January 1, 2019 to December 31, 2020. Due to the COVID19 pandemic and shifting priorities, the Blue Shield Foundation granted the Alliance a no cost extension to allocate the remaining funds to the eight partner agencies by March 31, 2023.

In the implementation phase of the project, the Alliance and community partner agencies formed the Call to Action Work Group to share the common goal of promoting safety and reducing interpersonal violence (domestic violence, family violence, sexual violence, elder abuse, child abuse, and human trafficking). As a result of the Work Group, the Call to Action framework was published in February 2020. The Call to Action is a living document, intended to be used by individual leaders and organizations to guide action in a coordinated and strategic manner to correct the epidemic of interpersonal violence.

BACKGROUND: (CONT'D)

To recognize the important contributions from the eight Work Group members and to close out the Blue Shield Foundation grant, the Department requests the Board to authorize the Auditor-Controller to issue one-time payments to each of the following agencies in the amount indicated below by the end of the FY 22-23 fiscal year.

- Center for Human Development, \$15,491
- Contra Costa Family Justice Center, \$15,491
- East Bay Center for the Performing Arts, \$15,491
- Empowered Aging, \$15,491
- First 5 Contra Costa, \$15,491
- Monument Crisis Center, \$15,491
- RYSE Center, \$15,491
- STAND! For Families Free of Violence, \$15,490

CONSEQUENCE OF NEGATIVE ACTION:

Without approval of the one-time only payments for the eight Call to Action Work Group partners, EHSD and Alliance would not fulfill the goal of the grant extension granted by the Blue Shield Foundation.

Subject: Approve Reissuance of Notes for Bay Point Family Apartments

RECOMMENDATION(S):

1. ADOPT Resolution No. 2022/254 approving the re-issuance of Multifamily Housing Revenue Notes in the amount of \$66,000,000 that provided financing for the construction of a 193-unit affordable rental housing development known as Bay Point Family Apartments located at 3600-3628 Willow Pass Road in the Bay Point unincorporated area of the county. Such approval is solely for the purposes of satisfying the requirements of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code");
2. ACKNOWLEDGE that adoption of the Resolution does not relieve or exempt the project sponsor from obtaining required permits or approvals, nor obligate the County to incur any obligation to provide financial assistance with respect to the Notes or the Development; and
3. AUTHORIZES the proper officers of the County to take actions and execute certificates, agreements and other documents needed in connection with modifications to the documents for the Notes, so long as the modifications do not in any way increase the obligations or liability of the County under such documents.

FISCAL IMPACT:

No impact to the General Fund. The County will be reimbursed for any costs incurred in the process of conducting the TEFRA hearing and Board of Supervisors' approval. The re-issuance authorization is for the sole purpose of meeting the provisions of the Code. No County funds are pledged to secure the repayment of the Notes.

BACKGROUND:

Contra Costa County, through the Conservation and Development Department, operates a multifamily mortgage revenue bond financing program. The purpose of the program is to increase or preserve the supply of affordable rental housing available to low and very low-income households. The County program may be undertaken within the unincorporated County and within the cities located in the County that have agreed to let the County operate the program in their jurisdiction. The County is authorized to issue multifamily housing revenue notes and bonds pursuant to Section 52075 and following of the California Health and Safety Code.

BACKGROUND: (CONT'D)

On October 23, 2018, the Board of Supervisors adopted Resolution No. 2018/512 authorizing the issuance of two series (2018 B-1 and B-2) of multifamily housing revenue notes (the "Notes") in the aggregate principal amount of \$66,000,000, and loaned the proceeds of the Notes to Bay Point Family Apartments, L.P., a California limited partnership (the "Borrower"), to provide financing for costs of the acquisition and construction by the Borrower of a 193-unit affordable rental housing development known as Bay Point Family Apartments (the "Development") located at 3600-3628 Willow Pass Road in the unincorporated Bay Point area of the County. 100% of the units are at or below 60% of the area median income (AMI).

Due to unforeseen circumstances, the completion of the construction and lease-up of the Development has been delayed, and the Borrower and the owner of one of the Notes, the Series 2018B-1, have agreed to modify some of the documents executed in connection with the issuance of the Notes, to increase the principal amount of the Series 2018B-1 Note to remain outstanding after the completion and rent-up of the Development, and to change the interest rate following the conversion of the Series 2018B-1 Note to the permanent phase of the financing (the "Modifications"). The Modifications will result in a "reissuance" of the Notes for purposes of the Code. In order for the interest on the Notes to continue to be tax-exempt, Section 147(f) of the Code requires that the Board of Supervisors approve the reissuance of the Notes following the conduct of a public hearing on the financing of the Development.

Following the conduct of a public hearing, on August 3, 2021, the Board of Supervisors adopted Resolution No. 2021/229 approving the reissuance of the Notes for purposes of the Code (the "Approving Resolution"); however, under applicable federal regulations, the approval of the Board of Supervisors must occur within one year of the effective date of the Modifications, and it is now expected that the Modifications will not become effective until more than one year after the adoption of the Approving Resolution. The Borrower has requested that the Board of Supervisors once-again approve the reissuance of the Notes in order to satisfy the requirements of section 147(f) of the Code so that the interest paid on the Notes can continue to be tax-exempt.

A public hearing was held by the Department of Conservation and Development on June 29, 2022, where members of the community were given an opportunity to speak in favor of or against the use of tax-exempt financing for the Development. A notice of the hearing was published in the East County Times (proof of publication attached) on June 21, 2022. No public comments were received prior to or at the meeting.

CONSEQUENCE OF NEGATIVE ACTION:

Without the approval of the re-issuance, the interest on the Notes will become subject to federal income taxes.

CHILDREN'S IMPACT STATEMENT:

Bay Point Family Apartments will support outcome number three: Families are Economically Self Sufficient.

Resolution No. 2022/254

Resolution No. 2022/254 Resolution Approving the Reissuance of Multifamily Housing Revenue Notes Issued to Provide Financing for Bay Point Family Apartments Located in the Bay Point Unincorporated Area of the County.

WHEREAS, the County of Contra Costa (the "County") is authorized to issue multifamily housing revenue notes and bonds pursuant to Section 52075 and following of the California Health and Safety Code; and

WHEREAS, on October 23, 2018, the Board of Supervisors adopted Resolution No. 2018/512 authorizing the issuance of two series of multifamily housing revenue notes (the "Notes") to provide financing for costs of the acquisition and construction of a 193-unit residential rental housing development located at 3600-3628 Willow Pass Road in the unincorporated Bay Point area of the County known as Bay Point Family Apartments (the "Development"), owned by Bay Point Family Apartments, L.P., a California limited partnership (the "Borrower"); and

WHEREAS, on December 20, 2018, the County issued the Notes in the principal amount of \$66,000,000, and loaned the proceeds of the Notes to the Borrower to pay costs of the acquisition and construction by the Borrower of the Development, thereby assisting in providing housing for very low or low income persons; and

WHEREAS, all of the rental units in the Development, except for one unit set aside for a resident manager, have been, or will be, rented to persons and families of very low or low income; and

WHEREAS, the interest payable on the Notes is exempt from federal income taxes under the provisions of the Internal Revenue Code of 1986, as amended (the "Code"); and

WHEREAS, due to unforeseen circumstances, the completion of the construction and lease-up of the Development was delayed, and the Borrower and the owner of one of the Notes, the Series 2018B-1 Note have agreed to modify some of the documents executed in connection with the issuance of the Notes to, among other changes, increase the principal amount of the Series 2018B-1 Note to remain outstanding and to change the interest rate on the Series 2018B-1 Note following the conversion of the Series 2018B-1 Note to the permanent phase of the financing (collectively, the "Modifications"), and the Modifications will result in a "reissuance" of the Notes for purposes of the Code; and

WHEREAS, in order for the interest on Notes to continue to be tax-exempt, Section 147(f) of the Code requires that the Board of Supervisors approve the reissuance of the Notes following the conduct of a public hearing on the financing of the Development; and

WHEREAS, following the conduct of a public hearing, on August 3, 2021, the Board of Supervisors adopted a Resolution approving the reissuance of the Notes for purposes of the Code (the "Approving Resolution"); however, under applicable federal regulations, the approval of the Board of Supervisors must occur within one year of the effective date of the Modifications and it is now expected that the Modifications will not become effective until more than one year after the adoption of the Approving Resolution; and

WHEREAS, in light of the foregoing, the Borrower has requested that the Board of Supervisors once-again approve the reissuance of the Notes in order to satisfy the requirements of section 147(f) of the Code so that the interest paid on the Notes can continue to be tax-exempt; and

WHEREAS, the Administrative Services Assistant of the Department of Conservation and Development of the Housing and Community Improvement Division of the County has, following notice duly given, held a public hearing regarding the reissuance of the Notes and the Development, and a summary of any oral or written testimony received at the public hearing has been

presented to the Board of Supervisors for its consideration; and

WHEREAS, the Board now desires to once-again approve the reissuance of the Notes.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Contra Costa, as follows:

Section 1. The Board hereby finds and declares that the foregoing recitals are true and correct.

Section 2. The Board hereby approves the reissuance of the Notes for purposes of Section 147(f) of the Code.

Section 3. The adoption of this Resolution does not (i) relieve or exempt the Borrower from obtaining any permits or approvals that are required by, or determined to be necessary from, the County in connection with the Development, nor (ii) obligate the County to incur any obligation or provide financial assistance with respect to the Notes or the Development.

Section 4. All actions heretofore taken by the officers and agents of the County with respect to the financing of the Development and the issuance of Notes are hereby approved, ratified and confirmed, and any authorized officer of the County is hereby authorized and directed, for and in the name and on behalf of the County, to do any and all things and take any and all actions and execute and deliver any and all certificates, agreements and other documents needed in connection with the modifications to the documents for the Notes so long as the modifications do not in any way increase the obligations or liability of the County under such documents.

Section 5. This Resolution shall take effect upon its adoption.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

TRANSCRIPT FOR THE TEFRA HEARING

June 29, 2022 9:00 a.m.

This noticed public hearing is required by Section 147(f) of the Internal Revenue Code of 1986, as amended. The hearing is with regard to the proposed reissuance of multifamily housing revenue notes and bonds by the County of Contra Costa (the "County") in the amount of sixty-six million dollars (\$66,000,000). Proceeds from the sale of the notes were used to provide financing for costs of the acquisition and construction of a multifamily residential rental housing development known as Baypoint Family Apartments by Baypoint Family Apartments, L.P., a California limited partnership. Baypoint Family Apartments is a 193-unit rental housing development located at 3600-3628 Willow Pass Road in the Bay Point unincorporated area of the County. Proposed amendments to the documents for the notes will result in a reissuance of the notes for purposes of the Internal Revenue Code of 1986, as amended.

The Board of Supervisors may consider adoption of a resolution approving the reissuance of the notes on July 26, 2022. Any comments provided at this hearing will be made available to the Board of Supervisors prior to their taking action on July 26th or on such later date as the matter may be considered by the Board of Supervisors.

If there are parties who wish to voice their opinion and provide comments on the proposed financing of the development or the reissuance of the notes and the bonds, I would ask that they be recognized now. I will then let each person provide any written or oral testimony that they may wish to provide on this matter.

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Administrative Services Assistant of the Department of Conservation and Development, Housing and Community Improvement Division of the County of Contra Costa (the "County") on Wednesday, June 29, 2022 at the hour of 9:00 a.m., or as soon thereafter as the matter may be heard, will hold a public hearing in accordance with Section 147(f) of the Internal Revenue Code of 1986 with respect to the prospective reissuance by the County of multifamily housing revenue notes issued by the County in the aggregate principal amount of \$66,000,000. Proposed amendments to the documents for the notes that were issued by the County in December of 2018 will result in a reissuance of the notes for purposes of the Internal Revenue Code of 1986, as amended.

The notes were issued in order to finance costs of the acquisition and construction by Baypoint Family Apartments, L.P., a California limited partnership, of a 193-unit rental housing development known as Baypoint Family Apartments located at 3600-3628 Willow Pass Road in the Bay Point unincorporated area of the County. All of the rental units in the housing development, except for one unit set aside for a resident manager, have been or will be rented to persons and families of very low or low income.

Notice is further given that at said hearing, all proponents and opponents of the multifamily housing development and the financing thereof will have an opportunity to be heard on the question as to whether or not such multifamily housing revenue notes should be reissued and all interested parties will be given the opportunity to be heard. The hearing will commence at 9:00 a.m. on June 29, 2022 or as soon thereafter as the matter can be heard.

As a public health and safety precaution, no physical location will be available for the hearing. The hearing will be conducted by toll-free teleconference only. Interested persons wishing to express their views on the reissuance of the notes and the bonds may provide public comments during the hearing by dialing (888) 278-0254, then, following the prompt, dialing access code 198675#; or by accessing the following Zoom link, Meeting ID: 812 1186 1369. Public comments may also be submitted by email to deidre.hodgers@dcd.cccounty.us, or by mail to 30 Muir Road, Martinez, CA 94553, Attention Deidre Hodgers, at least 24 hours in advance of the hearing. All timely public comments will be provided to the Board of Supervisors prior to the consideration by the Board of Supervisors of the approval of the reissuance of the notes, and will become part of the public record.

Subject: Purchase Order for Computer Equipment R-Computer

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of the Sheriff-Coroner, a purchase order with R-Computer in an amount not to exceed \$450,000 to provide computer hardware, peripherals, cameras, GPS units and other computer-related equipment and supplies, for the period July 1, 2022 through June 30, 2025.

FISCAL IMPACT:

\$450,000. 100% County General Fund; Budgeted.

BACKGROUND:

With years of experience with our unique, public safety-related information technology (IT), network and mobile data needs, R-Computer consistently supplies our department with the needed computers, electronic equipment and peripherals in a timely manner. R-Computer works with our IT Division to ensure that we get the best product for the best price to match our needs. They provide advice and guidance about products and know our network structure and the IT needs of the Sheriff's Office. R-Computer is reliable, dependable, and competitively priced.

The Sheriff's IT unit supports 58 servers, 587 desktop computers, 90 laptop computers, as well as printers, copiers and fax machines. In order to respond to our user's needs, we need to have a reliable vendor who can process our orders quickly and efficiently. Locally owned, small business R-Computer is able to do this, and understands the unique needs of the Sheriff's Office and the need to keep critical processes functioning for public safety.

CONSEQUENCE OF NEGATIVE ACTION:

The Sheriff-Coroner will be unable to acquire various computer hardware and equipment needed to keep critical processes functioning for public safety.

Subject: Authorization to Release Funds from the County Fish and Wildlife Propagation Fund to Host the 20th Annual Fall Forum

RECOMMENDATION(S):

1. APPROVE and AUTHORIZE the Fish and Wildlife Committee to host the 20th annual Fall Forum event for law enforcement agencies to discuss fish and wildlife conservation and enforcement of fish and wildlife regulations in Contra Costa County.
2. AUTHORIZE and REQUEST the Auditor-Controller to release an amount not to exceed \$3,000 from the Fish and Wildlife Propagation Fund for costs associated with hosting the 20th annual Fall Forum.

FISCAL IMPACT:

No impact to the General Fund. A portion of the fines collected from violations of fish and game regulations in the County is deposited in the Fish and Wildlife Propagation Fund (Fund), which as of June 13, 2022, had a current available balance of \$108,225.27. State law defines how money in this fund may be spent. The Board of Supervisors is responsible for authorizing specific expenditures. The recommended expenditure is for the purpose of education and outreach on wildlife protection issues, which is consistent with the criteria for expenditures established by the State Law. Donations of items and time have also been obtained to help defray the cost of the Fall Forum.

BACKGROUND:

A specific component of the Fish and Wildlife Committee's (Committee) charge is to advise the Board of Supervisors on issues related to the enforcement of regulations protecting fish and wildlife. The Committee has participated in a number of discussions with law enforcement agencies on the challenges and needs for protecting wildlife resources from illegal activities. The annual Fall Forum event has become a successful means for improving coordination of enforcement issues and providing information on the valuable fish and wildlife resources in the County. The first Fall Forum was held in 1999. Participants have indicated these events have been helpful in providing a forum to identify opportunities for cooperatively improving the regulatory process to protect fish and wildlife. Participants see the value in the grants funded by the Fish and Wildlife Propagation Fund which depends on proper enforcement of regulations for wildlife protection.

The Committee believes the annual Fall Forum is a prudent use of funds that have been dedicated to protection of wildlife resources and recommends that the Fall Forum be held again this year. Should the Board provide its authorization, the Committee intends to hold the event on Thursday, September 22, 2022 from 5:00 to 7:00 P.M. at an outdoor location contingent upon Covid-19 pandemic guidelines and what is

deemed advisable in September 2022. Invited attendees would include representatives of the California Department of Fish and Wildlife, Sheriff's Department, District Attorney's Office, Superior Court, Public Defender's Office, and the East Bay Regional Park District Police. Participation by the Board of Supervisors' is welcome. The event will be a public event hosted by the Fish and Wildlife Committee. Approximately 50 - 100 people have attended past Fall Forums. Any interested individuals are welcome to attend. There is no charge to attend and enjoy the volunteer-cooked meal. Each year a guest speaker is invited to present about the natural resources in the County. This year Bob Simmons, Walnut Creek Watershed Council President, will provide a feature presentation regarding the problems caused by the invasive plant "Arundo" and efforts to address the problem. There will also be poster presentations provided by recipients of grants from the Fish and Wildlife Propagation Fund.

On June 15, 2022, the Committee unanimously agreed to recommend that no more than \$3,000 from the Fish and Wildlife Propagation Fund be used to cover any expenses that are not covered through material donations. This expenditure is consistent with Fish and Game Code Section 13103 (a), which provides that the Fish and Wildlife Propagation Fund may be spent on public education relating to the scientific principles of fish and wildlife conservation. All food preparation will be done by volunteers.

CONSEQUENCE OF NEGATIVE ACTION:

The Fall Forum would not be held or would be reduced in scope to require no expenditure.

Subject: Unpaid Student Training Agreement #26-119-15 with San Jose State University

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Unpaid Student Training Agreement #26-119-15 with San Jose State University, an educational institution, to provide supervised field instruction at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers to occupational therapy students, for the period August 1, 2022 through July 31, 2024.

FISCAL IMPACT:

This is a nonfinancial agreement.

BACKGROUND:

The purpose of this agreement is to provide San Jose State University students with the opportunity to integrate academic knowledge with applied skills at progressively higher levels of performance and responsibility. Supervised fieldwork experience for students is considered to be an integral part of both educational and professional preparation. The Health Services Department can provide the requisite field education, while at the same time, benefiting from the students' services to patients.

The County's Health Services Department has been contracting with San Jose State University since November 1, 1985.

On April 9, 2019, the Board of Supervisors approved contract #26-119-13 with San Jose State University for the provision of clinical field experience and instruction to occupational therapy students from the County's Health Services Department, for the period from July 1, 2019 through June 30, 2021.

Approval of Unpaid Student Training Agreement #26-119-15 will allow San Jose State University students to receive supervised fieldwork instruction and experience at CCRMC and Contra Costa Health Centers, through July 31, 2024.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, students will not receive clinical field experience and instruction at CCRMC and Contra Costa Health Centers.

UNPAID STUDENT TRAINING AGREEMENT

Number 26-119-15

1. Contract Identification.

Department: Health Services

Subject: Unpaid student training agreement with Department, sponsored by Contractor

2. Parties. The County of Contra Costa, California (County), for its Department named above, and the following named Contractor mutually agree and promise as follows:

Contractor: SAN JOSE STATE UNIVERSITY, DEPARTMENT OF OCCUPATIONAL THERAPY

Capacity: Educational Institution

Legal Address: 1 Washington Square, San Jose, California 951920059

3. Term. The effective date of this Agreement is August 1, 2022, and it terminates July 31, 2024, unless sooner terminated as provided herein.

4. Termination. This Agreement may be terminated by either party, at its sole discretion, upon seven-day advance written notice thereof to the other, or canceled immediately by written mutual consent, subject to termination conditions (if any) set forth in the Program Plan attached hereto and incorporated herein by reference.

5. Program. By this Agreement County agrees to permit unpaid student training by persons ("Participants") sponsored by Contractor, on behalf of its San Jose State University, Department of Occupational Therapy, under the following conditions:

- a. Services provided under this Agreement are volunteer services, and Participants obtain no employment rights with, or employment benefits from, the County, by virtue of this Agreement or service hereunder. Each Participant agrees to the foregoing and must execute the Unpaid Student Training Participation Agreement form attached hereto, and incorporated herein by this reference.
- b. Contract terms and conditions are expressed in the Program Plan attached hereto and incorporated herein by reference.

6. Independent Contractor Status. This Agreement is by and between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association.

7. Indemnification. Contractor shall defend, indemnify, save and hold harmless County and its officers and employees from any and all claims, costs and liability for any damages, sickness, death or injury to person or property, including without limitation all consequential damages, from any cause whatsoever arising directly or indirectly from or connected with the operation or services provided hereunder by Contractor, its agents, servants, employees, subcontractors, or Participants as described herein, save and except claims or litigation arising through the sole negligence or sole willful misconduct of County or its officers or employees.

County shall indemnify, defend and hold harmless SJSU, its officers, agents and employees from any claim, liability, loss, injury or damage arising out of the performance of this Agreement by County and/or its agents, employees, subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct or personnel employed by the SJSU. County shall reimburse SJSU for all costs, attorneys' fees, expenses and liabilities incurred with respect to any claim or litigation for which Facility is obligated to indemnify, defend and hold harmless SJSU under this Agreement.

8. **COVID-19.** County is aware of and informed about the hazards currently known to be associated with the novel coronavirus referred to as "COVID-19". County is familiar with and informed about the Centers for Disease Control and Prevention ("CDC") current guidelines regarding COVID-19 as well as applicable federal, state, and local governmental directives regarding COVID-19. County, to the best of its knowledge and belief, is in compliance with those current CDC guidelines and applicable governmental directives. If the current CDC guidelines or applicable government directives are modified, changed or updated, the County will take steps to comply with the modified, changed or updated guidelines or directives. If at any time, the County becomes aware that it is not in compliance with CDC guidelines or an applicable governmental directive, it will notify the University of that fact.
9. **Legal Authority.** This Agreement is entered into under and subject to the following legal authority: California Government Code § 26227.
10. **Signatures.** These signatures attest the parties' agreement hereto:

PROGRAM PLAN

Number 26-119-15

1. **Purpose of the Program.** San Jose State University, Department of Occupational Therapy, (hereinafter referred to as "Contractor") conducts an occupational therapy training program for its participating students, in cooperation with County's Department. The Contractor desires to have its occupational therapy students enrolled in this program to receive clinical field experience and instruction from the County, and the County is willing to provide such clinical experience and instruction under the terms and conditions hereinafter set forth. Therefore, the parties will undertake a program whereby such instruction and experience will be provided in accordance with this Agreement (Program), mutually agreed to by the parties.

2. **Contractor's Obligations.** Contractor shall:
 - a. Designate participant students for participation in the Program conducted pursuant to this Agreement (Participants)
 - b. Suggest dates for the clinical field experience, and cooperate with County's Department in establishing assignment schedules consisting of specific dates for the placement of a specific number of Participants with the County for training;
 - c. Assign for clinical field experience, only those Participants who are considered adequate by mutual written agreement of the parties hereto;
 - d. Make all necessary arrangements so that each Participant will:
 - (1) Have completed all the necessary courses required by the Contractor as preparation for said clinical field experience;
 - (2) Execute the County's Unpaid Student Training Participant Agreement (attached as Exhibit A) upon referral to the training Program;
 - (3) Arrange for their own transportation to and from the Health Services Department, and for maintenance and housing during field instruction;
 - (4) Channel educational problems to the appropriate instructor(s) in Contractor's school;
 - (5) Promptly report any illnesses and absences from duty; *and*
 - (6) Comply with regulations and standards of conduct governing professional personnel in the County Health Services Department.
 - e. Agree to have each Participant furnish to County, upon request, such evidence as Contractor may require showing that the Participant assigned for training is physically, psychologically and/or medically fit. If Contractor needs to provide any confidential medical information regarding Participant, County will have Participant sign a release for such information and forward the release to Contractor; *and*
 - f. Provide County with evidence that the Contractor has in full force and effect, during the term of this Agreement, general liability insurance for Participants designated for participation pursuant to this Agreement with coverage of at least Five Hundred Thousand Dollars (\$500,000) for the activities of the Participants pursuant to this Agreement.

g. Contractor will retain ultimate responsibility for the education of its students. The Contractor's representative for this Agreement will be a faculty member appointed and assigned by the Contractor, as liaison to the County.

3. **County's Obligations.** County shall:

- a. Comply with all State statutes and regulations applicable to the training of Participants enrolled in the Program;
- b. Accept for clinical field experience those Participants assigned by the Contractor for such a period and in such numbers as may be mutually agreed in writing;
- c. Provide the Participants with learning experiences needed to meet the objectives of the training Program, which will be mutually agreed to by the parties in accordance with this Agreement;
- d. Have the right to terminate the participation of any Participant in the clinical field experience for failure to follow the instructions of County, or for any other lawful reason. In the event of such termination, County shall give prompt written notice to the Contractor; *and*
- e. Comply with applicable state and federal workplace safety laws and regulations. In the event a Participant is exposed to an infectious or environmental hazard or other occupational injury (i.e. needle stick) while at the County, the County, upon notice of such incident from the student, will provide such emergency care as is provided to its employees or students, where applicable.

4. **Joint Obligations.** County and Contractor shall jointly:

- a. Plan the student-training Program, including course content and Participant assignment schedule, so as to provide a sound and effective educational Program;
- b. Review the Program at the end of each training period in order to evaluate progress and recommend changes for the next consecutive training period; *and*
- c. Plan for periodic review of this Agreement.

5. **Participants' Obligations.** Contractor shall ensure that its Participants:

- a. Execute the County's Unpaid Student Training Participant Agreement (attached as Exhibit A hereto) upon referral to the training Program;
- b. Abide by County policies and regulations;
- c. Conduct themselves in an appropriate professional manner consistent with responsibility;
- d. Observe and respect patient's rights, privacy, and dignity; *and*
- e. Comply with applicable County, State, and Federal regulations respecting disclosure of patients' health information and access to, and removal of, medical records and/or information contained therein.

UNPAID STUDENT TRAINING PARTICIPANT AGREEMENT

The County of Contra Costa ("County") and the Participant named below agree as follows:

1. Participant will engage in training for a County department pursuant to a contract between the County and a contractor sponsoring the Participant, hereinafter the "Training Program."
2. Participant agrees that in connection with Training Program, Participant is a volunteer, and will obtain no employment rights or employment benefits from the County and waives any claim to any employment rights or employment benefits from the County based upon Participant's training services, whether or not authorized under such contract. Participant is not entitled to any monetary compensation or expense reimbursement from County for participation in Training Program; Participant acknowledges that his/her participation in the Training Program is for his/her personal benefit and solely for educational purposes, and that he/she may receive course credit from the educational institution at which he/she is enrolled.
3. Participant further agrees that he/she has read and understands the Unpaid Student Training Agreement (identified in paragraph 8, below) between the County and Participant's sponsoring contractor.
4. County or Participant may terminate this agreement upon three day's notice, or without prior notice by mutual consent or for cause. Otherwise this agreement terminates upon termination of the Contract between the County and Participant's sponsoring contractor.
5. The term of this agreement commences on the date that it is executed by both the County and Participant and terminates on the date that Participant completes his/her assigned placement in the Health Services Department under the contract between the County and the Contractor identified in Paragraph 8 below. The County or Participant may terminate this agreement upon three day's written notice, or without prior notice by mutual consent or for cause.
6. Neither the County nor any agent, officer, servant, or employee of the County shall undertake or incur any liability or other responsibility respecting the quantity, quality, kind, or value of the training of Participant and no warranty, express or implied, shall exist in that regard.
7. Entire Contract. This Agreement contains all the terms and conditions agreed upon by the parties. Except as expressly provided herein, no other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.

RECOMMENDATION(S): (CONT'D)

FISCAL IMPACT:

There is no impact on the County General Fund.

BACKGROUND:

The above action for County Service Area P-2 Zone A is required by County Ordinance No. 2019-40. The rates have increased for Fiscal Year 2022-2023. Setting the special tax levy for police services will permit the Sheriff to continue to provide police services in the Blackhawk Area. It is estimated that the special tax levy will raise an estimated \$1,076,580 for Fiscal Year 2022-2023.

The above action for County Service Area P-2 Zone B is required by County Ordinance No. 2021-01. The rates have decreased for Fiscal Year 2022-2023. Setting the special tax levy for police services will permit the Sheriff to continue to provide police services in the Alamo area. It is estimated that the special tax levy will raise approximately \$252,610 for Fiscal Year 2022-2023.

The above action for County Service Area P-5 is required by County Ordinance No. 2019-02. Parcels *not used* for commercial recreational purposes will have a special tax levy of \$470. The rate for parcels used for commercial recreational purposes is set at \$932. Setting the special tax levy for police services will permit the Sheriff to continue to provide police services in the Round Hill area. It is estimated that the special tax levy will raise an estimated \$354,682 for Fiscal Year 2022-2023.

CONSEQUENCE OF NEGATIVE ACTION:

The special tax levy will not be authorized by the Board of Supervisors resulting in the tax not being included on the 2022/2023 Property Tax Roll.

CHILDREN'S IMPACT STATEMENT:

No impact.

Subject: Setting Special Tax Levy for County Service Areas P-6 Zones

RECOMMENDATION(S):

SET the special tax levy for police services Zones in County Service Area P-6 for Fiscal Year 2022-2023 as set forth in Exhibit A.

FISCAL IMPACT:

It is estimated the department will receive \$2.5 million cumulative revenue for all zones within County Service Area (CSA) P-6 in fiscal year 2022/23. This amount reflects a 5.0% increase from the fiscal year 2021/22 cumulative amount of approximately \$2.4 million. The special tax levy for parcels in each zone within CSA P-6 is adjusted annually based on the April Urban Area Consumer Price Index (CPI-U) for the San Francisco Bay Area.

BACKGROUND:

The above action fixes the tax rates per parcel in the P-6 Zones as outlined in their respective ordinances. In July of each calendar year, the Board of Supervisors sets the special tax levy for parcels in each CSA P-6 zone based on the April CPI-U indicator released by the Bureau of Labor Statistics as discussed in the fiscal impact section.

CONSEQUENCE OF NEGATIVE ACTION:

The special tax levy will not be authorized by the Board of Supervisors, and the taxes will not be included on the 2022/2023 Property Tax Roll.

CHILDREN'S IMPACT STATEMENT:

No impact.

County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Amendment to Purchase Order with Microsoft Corporation (PO #24990)

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Health Services Director, an amendment to Purchase Order #24990 with Microsoft Corporation to amend the term of January 20, 2022 through January 19, 2023 to a term of April 6, 2022 through April 5, 2023, with no change to the payment limit of \$315,694 to purchase Microsoft’s Unified Support for licensed products.

FISCAL IMPACT:

Approval of this action will result in annual expenditures of up to \$315,694 and will be funded 100% by the Hospital Enterprise Fund I revenues.

BACKGROUND:

The County Health Services Department has used the Unified Support from Microsoft for advanced support on all Microsoft licenses on the Enterprise Agreement since 2019. Unified provides advanced support, faster response times, automatic escalations, and a dedicated account manager to assist in recovery solutions. The service also includes proactive support engagements for building ad-hoc solutions and upgrades.

On March 29th, Board Order C.44 was approved and Purchase Order #24990 was issued. Microsoft requested the PO be updated with a new address, which caused a delay in starting the term cycle, and therefore requires a new PO term.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to approve the requested change may result in a drastic increase in resolution times, decreased solution flexibility, and an overall reduction in resolution resources.

From: John Kopchik, Director, Conservation & Development Department
Date: July 26, 2022

Subject: RESOLUTION OF INTENTION TO FORM ZONE 506 OF COUNTY SERVICE AREA P-6 IN THE DISCOVERY BAY OF THE COUNTY (DISTRICT III).

RECOMMENDATION(S):

1. ADOPT Resolution No. 2022/555, initiating proceedings for the formation of a new zone, Zone 506, within County Service Area P-6, in the Discovery Bay area of the county.
2. FIX a public hearing for August 16, 2022, at 9:00 a.m., on the formation of Zone 506 within County Service Area P-6.
3. FIX a public hearing for August 16, 2022, at 9:00 a.m., to consider the adoption of Ordinance 2022-11, which would authorize the levy of a special tax to augment funding for police protection services in proposed Zone 506, and to authorize submission of the ordinance to the voters for approval at the October 18, 2022, election.

FISCAL IMPACT:

The cost of establishing the proposed Police Services Special Tax District is paid for by the developer of the subdivision.

BACKGROUND:

Per the conditions of approval for Subdivision 9527 (County File #SD19-9527), the developer of the property located at the eastern end of Point of Timber Road in the Discovery Bay area is required to establish a Special Police Services Tax District for the 277-lot subdivision prior to recording the final map for the subdivision. The proposed special tax district would fund an increase in the level of police protection services that is provided in the Discovery Bay area.

Adoption of a resolution of intent to form a new tax district (Resolution No. 2022/555) is required by Government Code Section 25217, subdivision (b), as the first step in forming the proposed zone, which will serve as the vehicle to collect special taxes within the proposed zone if the tax measure is approved by the voters on the October 18, 2022, ballot. The resolution includes information regarding the name and boundaries of the zone, the different level of services to be provided, and the method by which the increased level of service is to be funded. The resolution also directs the Clerk of the Board to publish and mail notice of a public hearing regarding the proposed zone formation. It is recommended that the Board set this hearing for 9:00 a.m. on August 16, 2022. If at the conclusion of that public hearing the Board determines that more than 50% of the total number of voters residing within the proposed zone have filed written objections to the formation, Government

BACKGROUND: (CONT'D)

Code Section 25217.1, subdivision (b)(1), would require the Board to determine that a majority protest exists and to terminate the proceedings. The proposed police service district currently consists of an approximately 162-acre property owned by the C&D Discovery Bay LLC and Waterfront Lots LLC, who per the conditions of approval for the subdivision are required to establish the police service district prior to recording the final map.

If there is no majority protest and the Board elects to proceed with the formation of the zone, a second public hearing would be required to consider the approval of Ordinance No. 2022-11, pertaining to the proposed levy of a special tax on the subject parcel within Zone 506 for police protection services and submission of the measure to the voters, pursuant to Government Code Section 50077, subdivision (a). It is recommended that this hearing be set at 9:00 a.m. on August 16, 2022, immediately following the hearing on the zone formation. If the Board thereafter adopts Ordinance No. 2022-11, then the tax measure would be submitted for placement on the October 18, 2022, ballot.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, Ordinance No. 2022-11 will not be adopted, formation of Special Tax Zone 506 will not occur, and the Special Tax District will not be established at the August 16, 2022, hearing.

RECUSE:

Resolution No. 2022/255

RESOLUTION OF INTENTION TO FORM ZONE 506 OF COUNTY SERVICE AREA P-6 IN THE DISCOVERY BAY AREA

The Board of Supervisors of Contra Costa County RESOLVES:

1. The Board of Supervisors of Contra Costa County proposes the formation of new zone in the Discovery Bay area of County Service Area (CSA) P-6, pursuant to Article 8 of Chapter 2.3 of Part 2 of Division 2 of Title 3 of the California Government Code.
2. The boundaries of the territory to be included in the zone area are described in 'Exhibit A' and shown in 'Exhibit B', both of which are attached hereto and incorporated herein by this reference.
3. The formation of Zone 506 is proposed to provide the County of Contra Costa with a method of financing an increased level of police protection services to the area within the zone.
4. The proposed zone would provide a level of police protection services that exceeds the level of service outside the zone, and if approved by the voters, the proposed zone would generate additional revenue in the form of special taxes to fund the increase in this level of service.
5. The increase in the level of service would be financed through the levy of a voter-approved special tax on all taxable parcels within the zone.
6. The name proposed for the zone is "Zone 506" of CSA P-6.

NOW, THEREFORE, BE IT RESOLVED THAT at 9:00 a.m. on August 16, 2022, in the Chamber of the Board of Supervisors, County Administration Building, 1025 Escobar Street, Martinez, CA 94553, this Board will conduct a public hearing upon the proposed formation of Zone 506 of CSA P-6. The Clerk of the Board is hereby directed to give notice of the public hearing by (1) publishing a notice that complies with Government Code Section 25217, subdivision (d)(1), pursuant to Government Code Section 6061; (2) mailing the notice to all owners of property within the proposed zone; (3) mailing the notice to each city and special district that contains, or whose sphere of influence contains the proposed zone; and (4) verifying that the notice is posted in at least three public places within the territory of the proposed zone.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

To: Board of Supervisors
From: Beth Ward, Animal Services Director
Date: July 26, 2022

Subject: Discharge from Accountability for Uncollected Delinquent Animal Services Accounts

RECOMMENDATION(S):

AUTHORIZE the discharge from accountability for uncollected Animal Services Department accounts totaling \$865,480, which have been deemed uncollectible, as recommended by the Animal Services Director.

FISCAL IMPACT:

The accounts to be discharged total \$865,480 (100% User Fee revenues).

BACKGROUND:

The Animal Services Department determined that \$46,625 of the uncollected permit fees and penalties owed for Potentially Dangerous and Dangerous Animals are uncollectible due to the statute of limitations for pursuing recovery of the debt expiring.

Additionally, the Animal Services Department received confirmation from their contracted debt collection agency that accounts totaling \$818,855 are not recoverable due to one or more of the following reasons: the accounts are being discharged in bankruptcy; the debtors are deceased; the statute of limitations for pursuing recovery of the debt has expired; the cost of recovery is excessive; and/or the

debtor no longer resides in the state. Based on the stated facts, the Animal Services Department should discharge these accounts from accountability as uncollectible.

Approval of the recommended action to discharge from accountability the accounts totaling \$865,480 will allow the Animal Services Department to purge these records from their system, thereby creating an accurate inventory of recoverable accounts.

CONSEQUENCE OF NEGATIVE ACTION:

The Animal Services Department will continue to carry the uncollectible accounts creating an overstatement of accounts receivables.

County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Approve New and Recredentialing Providers in Contra Costa Health Plan's Community Provider Network

RECOMMENDATION(S):

APPROVE the list of providers recommended by Contra Costa Health Plan's Medical Director and the Health Services Director on June 16 and 20, 2022, as required by the State Departments of Health Care Services and Managed Health Care, and the Centers for Medicare and Medicaid Services.

FISCAL IMPACT:

There is no fiscal impact for this action.

BACKGROUND:

The National Committee on Quality Assurance (NCQA) requires that evidence of Board of Supervisors' approval must be contained within each Contra Costa Health Plan (CCHP) provider's credentials file. Approval of this list of providers as recommended by the CCHP Medical Director will enable the Contra Costa Health Plan to comply with this requirement.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, Contra Costa Health Plan's Providers would not be appropriately credentialed and not be in compliance with the NCQA.

Subject: CSA EM-1 Final Report (Measure H) - FY 2022-23

RECOMMENDATION(S):

ADOPT Resolution No. 2022/257 confirming the Final Report for CSA EM-1 (Emergency Medical Services) and setting assessments to be collected with the FY 2022-23 property taxes.

FISCAL IMPACT:

Proposed FY 2022-23 assessments for CSA EM-1 total \$4,874,198.06. The basic assessment rate proposed for Zone B, comprising all the area of Contra Costa County except for San Ramon Valley, is \$10.00 per single-family residence or benefit unit. The rate proposed for Zone A (San Ramon Valley), which does not include paramedic subsidy, is \$3.94. These rates are unchanged from the prior year. There is no General Fund impact.

BACKGROUND:

On July 12, 2022, the Board held a public hearing on the Tentative Report for CSA EM-1 and adopted Resolution No. 2021/213 declaring the Board's intent to levy assessments set forth in that report. Pursuant to Ordinance Code Section 1012-2.612, the attached Final Report for CSA EM-1 updates the Tentative Report based solely upon changes in ownership, changes of address, subdivision of existing parcels, and changes in the class of use of parcels.

Revenues from the CSA EM-1 assessments are used to provide an enhanced countywide emergency medical service system as approved by the voters with the passage of Measure

Resolution No. 2022/257

IN THE MATTER OF: Confirmation of the Final Report for County Service Area EM-1 (Emergency Medical Services) Fiscal Year 2022-23 and Approval of Assessments.

WHEREAS County Service Area EM-1 has been established to provide enhanced emergency medical services as miscellaneous extended services pursuant to the County Service Area Law (Government Code Sections 25210.1 and following).

WHEREAS, the Board, on July 12, 2022, held a public hearing and thereafter adopted Tentative Report for CSA EM-1, Fiscal Year 2022-23 has been filed with the Clerk of the Board pursuant to Ordinance Code Section 1012-2.602.

WHEREAS the Tentative Report sets forth proposed assessments for Zone A and Zone B, which have been established within CSA EM-1 to receive specified miscellaneous services.

WHEREAS notice of a Board hearing on the Tentative Report was published pursuant to Government Code Section 6066; and

WHEREAS, at the public hearing, the Board afforded to every interested person an opportunity to protest or object to the Tentative Report, either in writing or orally, and the Board has considered each protest and objection.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors hereby confirms the Tentative Report for CSA EM-1, Fiscal Year 2022-23, and the assessments identified therein for Fiscal Year 2022-23.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

County Service Area EM-1 (Zones A and B)

Final Report

Fiscal Year 2022-23

County Service Area EM-1 has been established to provide enhanced emergency medical services as a miscellaneous extended service within two designated zones:

Zone A: Those parcels located within the territory of the San Ramon Valley Fire Protection District.

Zone B: Those parcels located within Contra Costa County, but not within Zone A, above.

ASSESSMENTS will be levied on each parcel based upon a formula using the following factors:

BENEFIT UNIT: A number of BENEFIT UNITS has been assigned to each parcel based upon the Assessor's Use Code classification. For example, a single-family residence (Use Code 11) is assigned one BENEFIT UNIT. Parcels with other Use Code classifications are assigned a number of BENEFIT UNITS based upon the relative benefit from the miscellaneous extended services provided under CSA EM-1. Exhibit A is a Table of BENEFIT UNITS showing the number of BENEFIT UNITS assigned parcels for each Use Code classification.

RATE: The RATE is the dollar amount of the ASSESSMENT levied per BENEFIT UNIT. Separate RATES have been established for each zone based upon the miscellaneous extended services to be provided within that zone.

The formula for calculating the ASSESSMENT on each parcel is as follows:

ASSESSMENT = BENEFIT UNITS x RATE

Zone A

The RATE that has been established for Zone A is:

\$3.94 per BENEFIT UNIT

Exhibit B is the "Zone A - Table of Assessments," showing the ASSESSMENT established for each parcel according to its USE CODE. A description of each parcel and the USE CODE number assigned thereto is contained in Exhibit C.

The total ASSESSMENTS for Zone A are \$238,563.06 based upon 51,927 ASSESSED PARCELS.

Zone B

The RATE that has been established for Zone B is:

\$10.00 per BENEFIT UNIT

Exhibit D is the "Zone B - Table of Assessments," showing the ASSESSMENT established for each parcel according to its USE CODE. A description of each parcel and the USE CODE number of assigned thereto is contained in Exhibit E.

The total ASSESSMENTS for Zone B are \$4,635,635.00 based upon 301,038 ASSESSED PARCELS.

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: July 26, 2022

Subject: Rescind Prior Board Action Pertaining to Clarification of Board Action of April 12, 2022, Item (C.94)

RECOMMENDATION(S):

RESCIND Board Action of April 12, 2022 (C.94), which pertained to a contract with the University of California, San Francisco (dba UCSF Medical Center), and AUTHORIZE the Auditor-Controller to pay the University of California, San Francisco (dba UCSF Medical Center) in the amount of \$54,590, for the provision of outside laboratory services provided to Contra Costa Regional Medical Center (CCRMC) for the period October 1, 2019 through June 30, 2021.

FISCAL IMPACT:

Approval of this action will authorize payment in an amount of \$54,590 and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:

CCRMC has an obligation to provide certain specialized laboratory testing services for its members under the terms of their Individual and Group Health Plan membership contracts with the County, therefore, the County contracts with outside laboratory testing services in order to provide testing services not available at County facilities, to ensure patient care is provided as required. The contractor has been providing outside laboratory testing services for several years, formerly under a Memorandum of Understanding (MOU) with CCRMC and was required to convert to a County contract.

On November 2, 2021, the Board of Supervisors approved Item (C.59) that authorized the Auditor-Controller to pay the University of California, San Francisco (dba UCSF Medical Center) an amount not to exceed \$44,193 for outside laboratory services provided to Contra Costa Regional Medical Center (CCRMC) for the period November 1, 2019 through June 30, 2021.

On April 12, 2022, the Board of Supervisors approved Clarification of Board Item (C.94) which authorized the Auditor-Controller

BACKGROUND: (CONT'D)

to pay the University of California, San Francisco (dba UCSF Medical Center) an amount not to exceed \$41,193 for outside laboratory services provided to Contra Costa Regional Medical Center (CCRMC) to correct the term to include the month of October to a revised term of October 1, 2019 through June 30, 2021.

The Health Services Department now requests that the prior Board actions be rescinded due to the prior requested payment amount of \$41,193 being incorrect. The total amount due for services rendered in good faith by the contractor without the department having an executed contract in place for outside laboratory services during the period October 1, 2019 through June 30, 2021, is \$54,590. This correction will allow the Auditor-Controller to issue payment in the correct amount due.

CONSEQUENCE OF NEGATIVE ACTION:

If this recommendation is not approved, the prior Board action will not be corrected and the payment for services to the contractor will not be paid in full due to the error in clarification board action Item (C.94) approved on April 12, 2022.

To: Board of Supervisors
From: John Kopchik, Director, Conservation & Development Department
Date: July 26, 2022

Subject: Tolling Agreement-Discover Builders

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Conservation and Development Director, or designee, to enter into a tolling agreement amendment with Discovery Builders, Inc., and affiliated entities, and with Pacific West Communities, to toll the limitations period for potential litigation related to the May 24, 2022 approval of the Master Development Agreement and the Disposition and Development Agreement between the County and Pacific West Communities for the development of Ambrose Village/Orbisonia Heights, through October 28, 2022.

FISCAL IMPACT:

None

BACKGROUND:

On May 24, 2022, the Board of Supervisors approved (i) a Master Development Agreement (MDA) between the County and Pacific West Communities, Inc., for the development of approximately seven acres of County-owned property located between State Route 4, Bailey Road, East Leland and Ambrose Park in the unincorporated area of Bay Point with 384 multi-family residential rental units, a County-owned library and approximately 11,558 sq. ft. of commercial retail space in three phases, and (ii) a Disposition Development and Loan Agreement (DDLA), between the County and Pacific West Communities, Inc. or an affiliated limited liability company (the Borrower), for the sale of approximately 3.3 acres of the Property (Site A) for the development of 150 residential rental units and an approximately 20,000 square-foot library as the first phase of the development and the loan of \$1,796,875 to the Borrower. On May 24, 2022, a California Environmental Quality Act (CEQA) notice of exemption was filed for the project.

Discovery Builders, Inc., and affiliated entities are property owners in the vicinity of the project site and have expressed concern about public safety. These parties are engaged in discussions with County staff and Pacific West Communities to try to resolve their concerns without incurring the cost and expense of litigation. The Board approved a tolling agreement on June 21, 2022 to toll (suspend), for 30 days, the statutory limitations period for filing a CEQA lawsuit against the County to July 28, 2022. The purpose of the tolling agreement amendment is to allow the discussions among the parties to continue. The amendment would toll the statutory limitations period to October 28, 2022. Without the amending the tolling agreement, the statute of limitations for filing a CEQA lawsuit would expire on July 28, 2022.
