following criteria will be paid a prorated one-time, lump sum payment. The prorated lump sum payment will be calculated by multiplying two thousand five-hundred dollars (\$2,500) by the percentage that the employee's approved position hours are to forty (40) hours (for example: \$2,500 x (20/40) = \$1,250).

Temporary Employees. Temporary employees who meet all of the following criteria will be paid a one-time, lump sum COVID Pandemic Service Relief Payment (PSRP) of one thousand two hundred and fifty dollars (\$1,250) on the 10th of the month following approval of this MOU by the Board of Supervisors. Employees who met the criteria as a temporary employee but achieved permanent status by the date of the approval of this MOU by the Board of Supervisors will receive the PSRP in accordance with the formula set forth for permanent employees.

Criteria:

- a. The employee must be employed with the County on the date the MOU is approved by the Board of Supervisors.
- b. The employee must have been in paid status and actively working for at least twelve (12) months during the time period of April 1, 2020 through December 31, 2021.
- c. The COVID PSRP will be subject to any required deductions and/or withholdings.
- d. Per diem employees are not eligible for the payment.

5.18 Compensation Study

- A. The County shall complete its classification & compensation study with Koff and Associates regarding the below specified classifications in the Employment and Human Services Department.

- C. The contractor and County will complete the studies and the County will notify the Union of the studies' findings no later than June 30, 2023. Upon request of the Union, the County and Union will discuss the findings of the salary studies. Where a study determines that a salary for a classification is more than twelve and one-half percent (12.5%) below the median of the comparator agencies, upon request of the

Union, the parties will discuss appropriate salary adjustments, taking into consideration all relevant factors including any scheduled salary increases, any current recruitment and retention problems for the classification, the overall financial condition of the County and/or Department, and the overall budgetary impacts of any salary increases. The parties may also discuss internal compaction issues that may result from any adjustments to a benchmark classification. For example, a salary adjustment to a Planner II (5AVA) may lead to consideration of an adjustment to the Planner III (5ATA), depending on the nature of the resulting salary compaction and the relationship of the classes in the Planner series. Nothing in this Section shall be construed to require the County to agree to adjust the salary of a particular classification or to adjust salaries to a specific market position.

SECTION 19 – MEDICAL, DENTAL & LIFE INSURANCE

19.1 Health Plan Coverages.

The County will provide the medical and dental coverage for permanent employees regularly scheduled to work twenty (20) or more hours per week and for their eligible family members, expressed in one of the Medical Plan contracts and one of the Dental Plan contracts between the County and the following providers:

1. Contra Costa Health Plans (CCHP)
2. Kaiser Permanente Health Plan
3. Health Net
4. Delta Dental

Medical Plans:

All employees will have access to the following medical plans:

1. CCHP Plan A & Plan B

3. Health Net HMO Plan A & Plan B
4. Health Net PPO Plan A
5. Kaiser High Deductible Health Plan

Health Net PPO Plan B was eliminated for all employees beginning January 1, 2018.

In the event that one of the medical plans listed above meets the criteria for a high cost employer-sponsored health plan that may be subject to an excise penalty (a.k.a. Cadillac Tax) under the federal Patient Protection and Affordable Care Act (“ACA”) (42 U.S.C. § 18081), the Joint Labor/Management Benefit Committee will meet to consider plan design and other changes in an effort to mitigate the negative impact of the excise penalty. If the Committee is unable to make sufficient plan changes and the plan(s) continue to meet the criteria for high cost employer-sponsored health plan(s), such plan(s) will be eliminated for all employees beginning January 1, 2018.

19.2 Monthly Premium Subsidy:

- A. The monthly premium subsidy in effect on January 1, 2015, for each medical and/or dental plan, is a set dollar amount and is not a percentage of the premium charged by the plan. The County will pay the following monthly premium subsidy:

- B. If the County contracts with a health and/or dental plan provider not listed above, the amount of the premium subsidy that the County will pay to that health and/or dental plan provider for employees and their eligible family members shall not exceed the amount of the premium subsidy that the County would have paid to the former plan provider.
- C. In the event that the County premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any health and/or dental plan, for any plan year, the County's contribution will not exceed one hundred percent (100%) of the applicable plan premium.
- D. **Joint Labor/Management Benefit Committee.**
1. The Unions and County agree to create a Joint Labor/Management Benefit Committee ("Benefit Committee"). The Benefit Committee will be composed of two (2) representatives (not including Union/Association staff) from each Union/Association in the County and Management representatives to be determined. The Benefit Committee replaces the existing Healthcare Oversight Committee. The existing Healthcare Coalition will remain, but may meet quarterly. The Benefit Committee will convene no later than February 1, 2016, after ratification of this Agreement.
 2. The Benefit Committee will convene in order to 1) select a replacement medical or dental plan in the event that a plan listed in this Section 19 is no longer available; 2) design a wellness program; 3) discuss future medical, dental, or vision plan design; or 4) assess the future impact of any excise tax pursuant to the federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C. § 18081) on

If the Benefits Committee is selecting a replacement medical or dental plan for a plan that is no longer available, the selection must be unanimously agreed upon by the Union/Association representatives on the Committee and any such selected plan will be available to employees represented by the Unions and incorporated into their respective MOUs after ratification by each Union/Association.

3. Immediately upon adoption of an overall contract extension package agreement, the County and the Coalition Union/Association Benefit Committee representatives will work together as equal partners to 1) identify a new medical plan carrier to replace Health Net, and 2) explore the costs of CalPERS Health and other plan options including but not limited to the SEIU Taft-Hartley Trust plans as possible future replacements with the goal of beginning with the 2020 plan year. Any replacement plans selected must not increase the County's retiree health costs.
4. The new medical plan carrier that will replace Health Net must include an HMO plan and one plan providing out-of-network provider coverage.
5. Once all nine (9) Coalition Union/Association representatives on the Benefit Committee and the County have agreed on the new medical plan carrier to replace Health Net, the new medical plan will replace Health Net for all Coalition Unions/Associations the following January 1.
6. Each year, County will coordinate a team composed of the County, the County's benefits consultant, and Union/Association Benefit Committee representatives, to work as equal partners to provide input for the annual negotiations with the medical plan providers over the plan premiums for the next plan year. The team will have authority to make information requests, request and observe presentations by the County's healthcare consultant regarding premium rates and ask questions, and help guide the strategy of the County in the annual negotiations.
7. County and Unions/Associations of the Coalition will jointly work to educate employees regarding the cost benefits of lower cost plans, including the Kaiser High Deductible Health Plan.
8. County and Union/Association Benefit Committee representatives will jointly work as equal partners to seek plan design changes across all plans that would reduce costs and improve quality of care.

9. During the term of the 2022-2026 MOU, the parties will utilize the existing Joint-Labor Management Benefits Committee as a forum for exploring the options for a healthcare trust or savings vehicle for retirement. The County Benefits Manager, Human Resources Director, and relevant benefits consultants will participate in these discussions.

19.3 Retirement Coverage:

A. Upon Retirement:

1. Upon retirement, eligible employees and their eligible family members may remain in their County health/dental plan, but without County-paid life insurance coverage, if immediately before their proposed retirement the employees and dependents are either active subscribers to one of the County contracted health/dental plans or if while on authorized leave of absence without pay, they have retained continuous coverage during the leave period. The County will pay the health/dental plan monthly premium subsidies set forth in Section 19.2 for eligible retirees and their eligible family members.
2. Any person who becomes age 65 on or after January 1, 2010 and who is eligible for Medicare must immediately enroll in Medicare Parts A and B.
3. For employees hired on or after January 1, 2010 and their eligible family members, no monthly premium subsidy will be paid by the County for any health and/or dental plan after they separate from County employment. 4. Deferred retirees who elect continued health benefits hereunder and their eligible family members may maintain continuous membership in their County health and/or dental plan group during the period of deferred retirement by paying the full premium for health and dental coverage on or before the 10th of each month, to the Contra Costa County Human Resources Department-Employee Benefits Division. When the deferred retirees begin to receive retirement benefits, they will qualify for the same health and/or dental coverage pursuant to subsection A above, as similarly situated retirees who did not defer retirement.
5. Deferred retirees may elect retiree health benefits hereunder without electing to maintain participation in their County health and/or dental plan during their deferred retirement period. When they begin to receive retirement benefits they will qualify for the same health and/or dental coverage pursuant to subsection A above, as similarly situated retirees who did not defer retirement, provided reinstatement to a County group health and/or dental plan will only occur following a three (3) full calendar month waiting period after the month in which their retirement allowance commences.

The entire cost of coverage shall be paid at a place and time specified by the County. Late payment may result in cancellation of health plan coverage with no reinstatement allowed.

COUNTY PROPOSAL NO. 3
SEIU, Local 1021, Service Line Supervisors Unit
Section 14 – Sick Leave
Section 15 – Workers Compensation and Continuing Pay
Presented on: 6/10/22

SECTION 14 – SICK LEAVE

14.1 Purpose of Sick Leave. The primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. It is a benefit extended by the County and may be used only as authorized; it is not paid time off which employees may use for personal activities.

14.2 Credits to and Charges Against Sick Leave. Sick leave credits accrue at the rate of eight (8) working hour's credit for each completed month of service, as prescribed by County Salary Regulations and memoranda of understanding. Employees who work a portion of a month are entitled to a pro rata share of the monthly sick leave credit computed on the same basis as is partial month compensation.

Credits to and charges against sick leave are made in minimum amounts of one (1) minute increments and may not be rounded.

Unused sick leave credits accumulate from year to year.

When an employee is separated other than through retirement, accumulated sick leave credits shall be canceled, unless the separation results from layoff, in which case the accumulated credits shall be restored if reemployed in a permanent position within the period of lay off eligibility.

As of the date of retirement, an employee's accumulated sick leave is converted to retirement on the basis of one (1) day of retirement service credit for each day of accumulated sick leave credit.

14.3 Policies Governing the Use of Paid Sick Leave. As indicated above, the primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. The following definitions apply:

Immediate Family means and includes only the spouse, son, stepson, daughter, stepdaughter, father, stepfather, mother, stepmother, brother, sister, grandparent, grandchild, niece, nephew, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, foster children, aunt, uncle, cousin, stepbrother, stepsister, or domestic partner of an employee and/or includes any other person for whom the employee is the legal guardian or conservator, or any person who is claimed as a "dependent" for IRS reporting purposes by the employee.

COUNTY PROPOSAL NO. 3
SEIU, Local 1021, Service Line Supervisors Unit
Section 14 – Sick Leave
Section 15 – Workers Compensation and Continuing Pay
Presented on: 6/10/22

Employee means any person employed by Contra Costa County in an allocated position in the County service.

Paid Sick Leave Credits means those sick leave credits provided for by County Salary Regulations and memoranda of understanding.

Condition/Reason. With respect to necessary verbal contacts and confirmations which occur between the department and the employee when sick leave is requested or verified, a brief statement in non-technical terms from the employee regarding inability to work due to injury or illness is sufficient.

Accumulated paid sick leave credits may be used, subject to appointing authority approval, by an employee in pay status, but only in the following instances:

- A. Temporary Illness or Injury of an Employee. Paid sick leave credits may be used when the employee is off work because of a temporary illness or injury.

- B. Permanent Disability Sick Leave. Permanent disability means the employee suffers from a disabling physical injury or illness and is thereby prevented from engaging in any County occupation for which the employee is qualified by reason of education, training or experience. Sick leave may be used by permanently disabled employees until all accruals of the employee have been exhausted or until the employee is retired by the Retirement Board, subject to the following conditions:
 - 1. An application for retirement due to disability has been filed with the Retirement Board.
 - 2. Satisfactory medical evidence of such disability is received by the appointing authority within thirty (30) days of the start of use of sick leave for permanent disability.
 - 3. The appointing authority may review medical evidence and order further examination as deemed necessary, and may terminate use of sick leave when such further examination demonstrates that the employee is not disabled, or when the appointing authority determines that the medical evidence submitted by the employee is insufficient, or where the above conditions have not been met.

- C. Communicable Disease. An employee may use paid sick leave credits when under a physician's order to remain secluded due to exposure to a communicable disease.

COUNTY PROPOSAL NO. 3

Section 15 – Workers Compensation and Continuing Pay

D. Sick Leave Utilization for Pregnancy Disability. Employees whose disability is caused or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery therefrom, shall be allowed to utilize sick leave credit to the maximum accrued by such employee during the period of such disability under the conditions set forth below:

1. Application for such leave must be made by the employee to the appointing authority accompanied by a written statement of disability from the employee's attending physician. The statement must address itself to the employee's general physical condition having considered the nature of the work performed by the employee, and it must indicate the date of the commencement of the disability as well as the date the physician anticipates the disability to terminate.
2. If an employee does not apply for leave and the appointing authority believes that the employee is not able to properly perform her work or that her general health is impaired due to disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth or recovery therefrom the employee shall be required to undergo a physical examination by a physician selected by the County. Should the medical report so recommend, a mandatory leave shall be imposed upon the employee for the duration of the disability.
3. ~~Except as set forth in Section 14.3 H Baby/Child Bonding, sick leave may not be utilized after the employee has been released from the hospital unless the employee has provided the County with a written statement from her attending physician stating that her disability continues and the projected dates of the employee's recovery from such disability.~~ If all accrued sick leave has been utilized by the employee, the employee shall be considered on an approved leave without pay unless the employee chooses to use vacation or other non-sick leave accruals.

E. Medical and Dental Appointments. An employee may use paid sick leave credits:

1. For working time used in keeping medical and dental appointments for the employee's own care; and
2. For working time used by an employee for prescheduled medical and dental appointments for an immediate family member.

COUNTY PROPOSAL NO. 3
SEIU, Local 1021, Service Line Supervisors Unit

- F. Emergency Care of Family. An employee may use paid sick leave credits for working time used in cases of illness or injury to an immediate family member.
- G. Death of Family Member. An employee may use paid sick leave credits for working time used because of a death in the employee's immediate family or of the employee's domestic partner, but this shall not exceed three (3) working days, plus up to two (2) days of work time for necessary travel. Use of additional accruals including sick leave when appropriate, may be authorized in conjunction with the bereavement leave at the discretion of the appointing authority.
- H. Baby/Child Bonding. ~~Upon the birth or adoption of a child, an employee eligible for baby bonding leave pursuant to the California Family Rights Act may use sick leave credits for such baby bonding leave~~ To bond with the employee's newborn or placement of a child in an employee's family through adoption or foster care, an employee eligible for baby/child bonding leave pursuant to the Family and Medical Leave Act (FMLA) and California Family Rights Act (CFRA) may use sick leave credits for such baby/child bonding leave.
- I. Accumulated paid sick leave credits may not be used in the following situations:
1. Vacation. Paid sick leave credits may not be used for an employee's illness or injury which occurs while he is on vacation but the County Administrator may authorize it when extenuating circumstances exist and the appointing authority approves.
 2. Not in Pay Status. Paid sick leave credits may not be used when the employee would otherwise be eligible to use paid sick leave credits but is not in pay status.

14.4 Administration of Sick Leave. The proper administration of sick leave is a responsibility of the employee and the Department Head. The following procedures apply:

- A. Employee Responsibilities.
1. Employees are responsible for notifying their department of an absence prior to the commencement of their work shift or as soon thereafter as possible. Notification shall include the reason and possible duration of the absence.

COUNTY PROPOSAL NO. 3
SEIU, Local 1021, Service Line Supervisors Unit
Section 14 – Sick Leave
Section 15 – Workers Compensation and Continuing Pay
Presented on: 6/10/22

2. Employees are responsible for keeping their department informed on a continuing basis of their condition and probable date of return to work.
3. Employees are responsible for obtaining advance approval from their supervisor for the scheduled time of pre-arranged personal or family medical and dental appointment.
4. Employees are encouraged to keep the department advised of (1) a current telephone number to which sick leave related inquiries may be directed, and (2) any condition(s) and/or restriction(s) that may reasonably be imposed regarding specific locations and/or persons the department may contact to verify the employee's sick leave.

- B. Department Responsibilities. The use of sick leave may properly be denied if these procedures are not followed. Abuse of sick leave on the part of the employee is cause for disciplinary action.

Departmental approval of sick leave is a certification of the legitimacy of the sick leave claim. The Department Head or designee may make reasonable inquiries about employee absences. The department may require medical verification for an absence of three (3) or more working days. The department may also require medical verification for absences of less than three (3) working days for probable cause if the employee had been notified in advance in writing that such verification was necessary. Inquiries may be made in the following ways:

1. Calling the employee's residence telephone number or other contact telephone number provided by the employee if telephone notification was not made in accordance with departmental sick leave call-in guidelines. These inquiries shall be subject to any restrictions imposed by the employee under Section 14.4.A.
2. Obtaining the employee's signature on the Absence/Overtime Record, or on another form established for that purpose, as employee certification of the legitimacy of the claim.
3. Obtaining the employee's written statement of explanation regarding the sick leave claim.
4. Requiring the employee to obtain a physician's certificate or verification of the employee's illness, date(s) the employee was incapacitated, and the employee's ability to return to work, as specified above.

COUNTY PROPOSAL NO. 3

Section 15 – Workers Compensation and Continuing Pay
Presented on: 6/10/22

5. In absences of an extended nature, requiring the employee to obtain from their physician a statement of progress and anticipated date on which the employee will be able to return to work, as specified above.

Department Heads are responsible for establishing timekeeping procedures which will insure the submission of a time card covering each employee absence and for operating their respective offices in accordance with these policies and with clarifying regulations issued by the Office of the County Administrator.

To help assure uniform policy application, the Director of Human Resources or designated management staff of the County Human Resources Department should be contacted with respect to sick leave determinations about which the department is in doubt.

14.5 Disability.

- A. An employee physically or mentally incapacitated for the performance of duty is subject to dismissal, suspension or demotion, subject to the County Employees Retirement Law of 1937. An appointing authority after giving notice may place an employee on leave if the appointing authority has filed an application for disability retirement for the employee, or whom the appointing authority believes to be temporarily or permanently physically or mentally incapacitated for the performance of the employee's duties.
- B. An appointing authority who has reasonable cause to believe that there are physical or mental health conditions present in an employee which endanger the health or safety of the employee, other employees, or the public, or which impair the employee's performance of duty, may order the employee to undergo at County expense and on the employee's paid time, a physical, medical examination by a licensed physician and/or psychiatric examination by a licensed physician or psychologist, and receive a report of the findings on such examination. Whenever an employee who has been injured on the job and has returned to work is required by an attending physician or Family Nurse Practitioner to leave work for treatment during working hours, the employee shall be allowed time off up to three (3) hours for such treatment without loss of pay or benefits, provided the employee notifies his/her supervisor of the appointment at least three (3) business office days prior to the appointment. Said visits are to be scheduled contiguous to either the beginning or end of the scheduled workday whenever possible. This provision applies only to injuries/illnesses that have been accepted by the County as work related.

C. ~~Full~~ Applicable Pay Beyond One (1) Year. D. ~~Rehabilitation Integration. An injured employee who is eligible for Workers' Compensation Rehabilitation Temporary Disability benefits and whose disability is medically permanent and stationary and/or reaches maximum medical improvement, will continue to receive his/her applicable salary by integrating sick leave and/or vacation accruals with Workers' Compensation Rehabilitation Temporary Disability benefits until those accruals are exhausted. ~~required to make application for SDI benefits and to have those benefits integrated with the use of their sick leave accruals on the following basis:~~

~~**15.43 State Disability Insurance (SDI) - General Provisions.** The California SDI program provides disability benefits beginning on the eighth (8) calendar day of a qualifying disability unless the employee is hospitalized. Upon hospitalization, benefits can be payable from the first day of the disability. If the disability exceeds fourteen (14) calendar days, benefits can be payable from the first day of the disability. The maximum period of state disability payments is up to one (1) year. Contra Costa County participates in the State Disability Insurance (SDI) Program, subject to the rules and procedures established by the State of California. The County augments the SDI Program with its SDI Integration Program. Changes to the State Disability Insurance program could affect the County's SDI Integration Program. Determination of SDI payments and eligibility to receive payments is at the sole discretion of the State of California. Employees eligible for SDI benefits are required to apply for SDI benefits and to have those benefits integrated with the use of their sick leave accruals on the following basis:~~

Integration means that employees will be required to use their sick leave accruals to supplement the difference between the amount of the SDI payment and the employee's base monthly salary to the extent that the total payment does not exceed the employee's base monthly salary. Integration of sick leave with the SDI benefit is automatic and cannot be waived. Integration applies to all SDI benefits paid. For employees off ~~on SDI~~ work, on disability, and receiving SDI, the department will make appropriate integration adjustments, including retroactive adjustments if necessary. Employees must inform their department of ~~hospitalization~~ their application for SDI in a timely manner in order for the department to make appropriate integration adjustments.

State Disability benefit payments will be sent directly to the employees ~~at their home address~~ by the State of California.

When there are insufficient sick leave accruals available to fully supplement the difference between the SDI payment and the employee's base monthly salary, accruals other than sick leave may be used to supplement the difference between the amount of the SDI payment and the employee's base monthly salary. These accruals may be used only to the extent that total payments do not exceed the employee's base monthly salary.

15.54 Procedures. Employees with more than 1.2 hours of sick leave accruals at the beginning of the disability integration period must integrate their sick leave accrual usage with their SDI benefit to the maximum extent possible.

When employees have 1.2 hours or less of sick leave accruals at the beginning of the disability integration period, the department ~~shall~~ will automatically use 0.1 hour of sick leave per month for the duration of their SDI benefit.

When sick leave accruals are totally exhausted, integration with the SDI benefit terminates. An employee may use any other accruals without reference to ~~or integration with~~ the SDI Integration Program benefit.

When the SDI benefit is exhausted, ~~sick leave~~ integration terminates. ~~Then t~~The employee then may continue to use sick leave without integration and/or other accruals.

Employees with no sick leave balance at the beginning of their SDI disability integration period may use any other accruals without reference to ~~or the SDI~~ Integration Program with the SDI benefit.

Employees whose SDI claims are denied must present a copy of their claim denial to their department. The department will then authorize the use of unused sick leave and ~~or shall authorize the use of~~ other accruals as appropriate.

Employees may contact the Human Resources Department, Benefits Division, for assistance in resolving problems.

~~**15.65 Method of Integration.** Until an employee has a balance of 1.2 hours of sick leave, the employee's sick leave accrual charges while receiving SDI benefits shall be calculated each month.~~

~~The amount of sick leave charged each employee will be calculated in the following manner:~~

~~The percentage of base monthly salary not covered by the SDI benefit will be applied to the daily hours in the employee's schedule and that number of sick leave hours will be charged against the employee's sick leave accruals.~~

For purposes of integration with the SDI program, all full-time employees' schedules will be converted to 8-hour/5-day weekly work schedules during the period of integration.

The formula for full-time employees' sick leave integration charges is shown below:

$$L = [(S-D) \div S] \times 8$$
$$S = \text{Employee Base Monthly Salary}$$

15.7 No Buy-Back – Employees will not be allowed to buy back sick leave hours used by the employee while on SDI.

~~**15.8 Conversion to the New SDI Program.** For all employees receiving SDI benefits prior to July 1, 1994, conversion to the new SDI program operated by departmental payroll staff will be coordinated by the Human Resources Department, Benefits Division.~~

~~All employee SDI benefit checks received in the Human Resources Department and signed over to the County by June 30, 1994, will be deposited and used to buy back the employee's sick leave, with sick leave credits appearing on the July 10th pay warrants insofar as possible.~~

~~All Employee SDI benefit checks received, but not signed over to the County, by June 30, 1994, will be returned to the employee. All employee SDI benefit checks received after June 30, 1994, will be returned to the employee. In both these situations, no sick leave buy back will be made, regardless of the calendar period to which the benefit checks pertain. Program transfer to departmental payroll staff will be effective July 1, 1994 for the month of July with the first computation of SDI benefits and integration with sick leave under the new program made on the August 10, 1994 pay warrants covering the July 1994 payroll period.~~

~~**17.15 Reinstatement From Family Care Medical Leave.** In the case of a family care or medical leave, an employee on a 5/40 schedule shall be reinstated to the same or comparable position if the return to work is after no more than ninety (90) workdays of leave from the initial date of a continuous leave, including use of accruals, or within the equivalent on an alternate work schedule. A full-time employee taking an intermittent or reduced work schedule leave shall be reinstated to the same or comparable position if the return to work on a full schedule is after no more than seven hundred twenty (720) hours, including use of accruals, of intermittent or reduced schedule leave. At the time the original leave is approved, the appointing authority shall notify the employee in writing of the final date to return to work, or the maximum number of hours of leave, in order to guarantee reinstatement to the same or comparable position. An employee on a schedule other than 5/40 shall have the time frame for reinstatement to the same or comparable position adjusted on a pro rata basis.~~

~~17.18 Non-Exclusivity. Other MOU language on this subject, not in conflict, shall remain in effect.~~

17.196 Time Off to Vote. Employees represented by the Union who do not have sufficient time outside of working hours to vote at a statewide election, may, without loss of pay, take off enough working time which will enable the employee to vote.

No more than two (2) hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift.
