Activities and Accomplishments

The primary goals of the Knightsen TAC in 2022 were to increase community awareness and participation at the monthly TAC meetings and to represent the community's interests, concerns and voice to the Board of Supervisors.

The TAC's activities and efforts have resulted in improvements and changes in 2022:

- A successful Community Clean-Up Day was held September 10, 2022. The Mount Diablo Resource and Recovery donated dumpster bins and staff time for the event. The community cleanup was free of charge to all rate paying residents of Knightsen.
- Continuing to work with the Sheriff's Department, Contra Costa Fire Protection District, Code Enforcement and California Highway Patrol on safety concerns within the Knightsen community.
- Preservation of Historic monuments within the community of Knightsen (i.e. Knightsen Heritage Tree will become a bench at the school with the plaque built into the bench)

The TAC receives monthly reports from the following agencies:

- California Highway Patrol – Officer Donnie Thomas
- Contra Costa Sheriff's Department – Lt. Mark Johnson
- East Contra Costa Fire Protection District – Battalion Chief Ross Macumber and Director Stephen Smith reported until June 2022
Contra Costa Fire is working on staffing to report quarterly
- Knightsen Community Services District – Chair, Trish Bello-Kunkel

- Office of Supervisor Diane Burgis – Alicia Nuchols, Deputy Chief of Staff

The TAC has become a place where Knightsen residents can receive updated information on services provided by Contra Costa County and/or other local agencies such as public health, safety, welfare, public works and planning.
