2. Please briefly describe any special skills, relationships, or resources you would bring to this specific seat. If applicable, please describe any experiences that demonstrate a past professional or personal commitment to addressing and alleviating homelessness within the topic or field related to the vacant seat. (400 word maximum) *

For relevant special skills, I bring my previous experience from participating on the CoH and my experience as a YAC member. Additionally, I have recently experienced homelessness and am now in stable housing (for a year and a half now, yay!). When I was homeless and in the time after acquiring stable housing, I made many personal connections and relationships that shifted my approach towards system decisions. These connections alongside my lived experience/identity and previous time on the CoH inform my overall skill set.

3. Please identify your personal connections with homelessness by selecting one of the options below: *

- I am a person currently experiencing homelessness and living in a shelter or location not meant for human habitation (e.g., in a tent).
- I am a person who experienced homelessness within the past 5 years but is currently housed.
- I am a person who experienced homelessness more than 5 years ago but is currently housed.
- I am a family member of someone who has experienced homelessness
- I am none of the above but still invested in addressing homelessness in Contra Costa County.
- I would prefer not to respond

4. Individuals experiencing homelessness in Contra Costa County come from diverse backgrounds (in terms of abilities, ages, sexual and gender identities, immigration statuses, and racial, ethnic, and cultural backgrounds). Please describe your approach and experience working with and in diverse populations. (400 words maximum) *

When I was in program I felt my experience revealed system inefficiencies that could be improved upon to be made more inclusive for supporting diverse populations. These experiences informed my decision to originally join the CoH and continues to inform the priorities I place on uplifting the voices of some of our most diverse and at risk populations like LGBTQ Youth and Foster Youth. I've continued to focus on this specific work through my ongoing participation in YAC.

5. Please describe your affiliations with organizations or agencies who serve various homeless subpopulations such as: persons with chronic substance abuse issues, persons with serious mental illness, persons experiencing chronic homelessness, persons with HIV/AIDS, veterans, families with children, unaccompanied youth, victims of domestic violence, dating violence, sexual assault, and stalking, and seniors. (400 word maximum) *

I am affiliated with:
1.) YAC (the Youth Action Council), being a veteran member and active participant.
2.) Oakland LGBT Center, having worked alongside them in support of local events like Oakland Pride.
3.) Rainbow Center, I worked closely with Rainbow Center during my time in program. The support I received through my connections there were pivotal for securing employment and transportation assistance for myself and my peers.
4.) Local connections, Having experienced homelessness in Contra Costa County I developed many relationships with the local homeless community. Those connections still inform my daily work.
5.) Lived experience of local services, Throughout my time receiving services in the county I directly experienced 3 different CCYCS shelters. My involvement in those programs allowed me to identify spots of potential systemic failure from the viewpoint of a youth experiencing homelessness within the CCYCS.

6. If applicable, please describe your affiliations with any government and community-based organizations that are not currently represented on the Council on Homelessness. For a full list of current Council on Homelessness members, please see here: <https://cchealth.org/h3/coc/council.php#Members> . (400 word maximum) *

N/A

7. Using your personal experiences and/or professional experiences, please describe up to three (3) ways you would encourage the Contra Costa Continuum of Care to address or set priorities for addressing homelessness. Feel free to draw from current events and other sources of information. (400 word maximum) *

Outline additional guidelines for CCYCS case managers, shelter staff, etc... so that they can better assist and support LGBTQ Youth during their time in program. Additionally this includes providing support for Youth who might be considering or are currently engaged in hormone therapy, as such treatments can be life saving or crucially stabilizing. Furthermore, some Youth may need support for accessing our finding informed consent resources in order to access their necessary treatments. In the case that the Youth is fleeing a potentially unsafe environment involving a parent, guardian or domestic partner they were financially dependent on, this support may be crucial.

8. Please state how many Continuum of Care (CoC), Council on Homelessness (CoH), or Youth Advisory Council (YAC) meetings you have previously attended. *

- 3 or more meetings
- 1-2 meetings
- 0 meetings

9. Please provide up to three (3) recommendations or thoughts you had from CoC, CoH, or YAC meetings. If you have not attended a CoC, CoH, or YAC meetings, please briefly describe any recent relevant participation in similar meetings and your recommendations or thoughts. (400 word maximum) *

- 1) If there is another special NOFO I think it's great to prioritize recruiting from regular NOFO panelists, however I also think orientation should highlight on the fact that scoring itself is prioritized differently in the special NOFO environment.
- 2) Though I know safety is the most important, it would be nice to be able to have at least 1 CoH meeting a year in person so that we can all know each other a bit more.
- 3) YAC needs the freedom to be able to operate its own website/social media presence so that it can more efficiently recruit new members.

10. The Council is committed to the Housing First approach (meaning no barriers or requirements as a prerequisite to housing, including sobriety, religious affiliation, or other structure not required for housing) and has established this Guiding Principle: *Homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed. Our system must be nimble and flexible enough to respond through the shared responsibility, accountability, and transparency of the community.* Are you in support of the Housing First approach and Guiding Principle described above? *

- Yes
- No

11. Please identify the level of commitment you can provide to the Council on Homelessness by selecting one of the options below: *

- I can be available **only for the standing monthly COH meeting** the first Thursday of every month from 1pm to 3pm.
- I am **not available** for the standing monthly COH meeting, **but can make other meetings 2 or more times** per month.
- I am **not available** for the standing monthly COH meeting and **may not be able to make other meetings** more than once per month.
