GENERAL INFORMATION

The Board meets in its capacity as the Board of Directors of the Contra Costa County Fire Protection District pursuant to Ordinance Code Section 24-2.402. Persons who wish to address the Board of Directors should complete the form provided for that purpose and furnish a copy of any written statement to the Clerk.

Any disclosable public records related to an open session item on a regular meeting agenda and distributed by the Clerk of the Board to a majority of the members of the Board of Directors less than 72 hours prior to that meeting are available for public inspection at 1025 Escobar Street, First Floor, Martinez, CA 94553, during normal business hours. All matters listed under CONSENT ITEMS are considered by the Board of Directors to be routine and will be enacted by one motion. There will be no separate discussion of these items unless requested by a member of the Board or a member of the public prior to the time the Commission votes on the motion to adopt. Persons who wish to speak on matters set for PUBLIC HEARINGS will be heard when the Chair calls for comments from those persons who are in support thereof or in opposition thereto. After persons have spoken, the hearing is closed and the matter is subject to discussion and action by the Board. Comments on matters listed on the agenda or otherwise within the purview of the Board of Directors can be submitted to the office of the Clerk of the Board via mail: Contra Costa County Fire Protection District Board of Directors, 1025 Escobar Street first floor, Martinez, CA 94553; by fax: 925-655-2006 or to clerkoftheboard@cob.cccounty.us.

The District will provide reasonable accommodations for persons with disabilities planning to attend Board meetings who contact the Clerk of the Board at least 24 hours before the meeting, at (925) 655-2000. An assistive listening device is available from the Clerk, First Floor. Copies of recordings of all or portions of a Board meeting may be purchased from the Clerk of the Board. Please telephone the Office of the Clerk of the Board, (925) 655-2000, to make the necessary arrangements. Applications for personal subscriptions to the Board Agenda may be obtained by calling the Office of the Clerk of the Board, (925) 655-2000. The Board of Directors' agenda and meeting materials are available for inspection at least 96 hours prior to each meeting at the Office of the Clerk of the Board, 1025 Escobar Street, First floor, Martinez, California.

Construction Update

CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

July 12, 2022

TO: Board of Directors

FROM: Aaron J. McAlister, Deputy Fire Chief

RE: Update on Fire Station Construction Projects

- **Fire Station 86 – Bay Point**

The building has power and final fiber, and IT infrastructure connections are in progress for emergency alerting and communications. Final test and balance of building systems is underway. The punch list will be established the second week of July and corrected. We still anticipate occupying the building in July. A ceremony will most likely be held in early August with a final date to be announced.

- **Fire Station 9 – Pacheco**

Public Works Environmental is coordinating an environmental consultant to update reports required by the FAA and CEQA. These reports are due to us in late July 2022.

- **Fire Station 54 – Downtown Brentwood**

An architect is developing the demolition plans. A contractor has been identified to perform the demolition. The hazardous materials abatement is in progress. We anticipate beginning demolition in July 2022.

Together with Public Works Capital Projects, we will review the responses submitted to our RFQ for architects. The architect will be selected quickly for this station as a result of this process.

Fire District staff will be meeting with the Veteran organizations in the neighboring Veterans Hall. There is a possibility of a lot line adjustment, involving County property on both sides, that will help increase the success of the project.

- **Contra Costa Regional Fire Communications Center (CCRFCC) – Pleasant Hill**

Conceptual design drawings are nearly complete. The architect is developing a final package that can be used for planning level submissions to the City of Pleasant Hill. During this phase, estimates for construction costs will also be obtained. If the project gets internal approval and planning approval, we will move to construction drawings in anticipation of putting the project out to bid.

- **Fire Station 51 – Brentwood**

A kick off meeting with the architectural firm will be held this month. This facility will be located at Empire and Grant in Brentwood. In addition to a fire station, a branch office for the Fire Prevention Division will be located on this site.

Fire Chief's July
Report

CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

July 12, 2022

TO: Board of Directors

FROM: Lewis T. Broschard III, Fire Chief

RE: Fire Chief's Report

- Annexation Update. On June 30, at midnight, our years of planning came to fruition with the official annexation of East Contra Costa Fire Protection District into the Con Fire family. As of July 1, all former ECCFPD people, facilities, and resources are part of our larger District.

Today, with the addition of ECCFPD people and resources, Con Fire consists of 30 stations with 33 on-duty crews, serving a population of 753,000 across 553 square miles. Our workforce now includes some 494 employees, including 389 firefighters.

On Friday, July 1, at 10 a.m., we hosted an historic transfer of command ceremony in Brentwood City Park, marking the annexation occasion. It was attended by more than 200 elected and fire officials, firefighters and their families, and residents. In addition to the ceremony itself, attendees were able to view numerous static displays and learn more about Con Fire and our specialized capabilities.

- Pinole Fire Contract for Service Initiative. We continue to work with the City of Pinole executive staff, County Counsel, and County Administrator's Office. District and City Staff and County Counsel are preparing initial drafts of the service plan and contract for service and continue to meet on a regular basis.
- Operations Update. Protecting our communities from the widespread use of illegal fireworks on Independence Day and throughout the long holiday weekend was a major operational focus in recent weeks. Much planning goes into our preparations to provide the rapid and overwhelming responses necessary to limit damage from these potentially dangerous and destructive fires.

Over the long holiday weekend, from 6 p.m. on Friday, July 1 through 1 a.m. on July 5, Con Fire responded to some 79 fire-related incidents. Of these, fully 68 were either known or suspected to have been caused by fireworks use. While incidents were down approximately 18% year-over-year, it was another dangerous year for residents around the County with a total of seven structure fires and multiple grass and vegetation fires. One structure fire in Pittsburg significantly damaged the home,

displacing a family. Of the many grass fires, the largest in Bay Point burned 6.5 acres along Port Chicago Highway, potentially threatening neighbors nearby.

We believe several factors influenced the slight improvement in total incident numbers this year. Chief among them were the favorable weather conditions with unseasonably low temperatures and high humidity seeing more people celebrating indoors and inhibiting the start and slowing the spread of fires. Additionally, we believe our joint fire/law enforcement fireworks campaign efforts resulted in more visibility for law enforcement, helping to further reduce fireworks use.

- **Training Update.** The Training and Safety Division collaborated with Operations on enhancements to our Freeway/Highway Operations Policy. Operating on the freeway is one of the most dangerous duties that our firefighters perform. Operations personnel were provided with an updated policy and additional training to improve our safety while operating on these dangerous roadways.

Advanced preparations are already underway to prepare for our next Entry-Level Fire Academy, Academy 58, which will begin October 3. Candidates will be participating in outreach events in the coming months to be sized for personal protective equipment, participate in physical fitness workouts, and receive other valuable tips to prepare for successful completion of their fire academy.

Training and Safety is committed to supporting our operations during the hot summer months to protect personnel from heat illness and injury. More than 20 of our District Aides staff the Hydration and Cooling Unit on a rotating basis to support our incident operations. This unit recently supported not only our personnel but police officers, EMS personnel, and BART passengers who were involved in a derailment in Concord during triple digit temperatures. The unit, along with an AMR ambulance crew, also provided precautionary support to attendees at the transfer of command ceremony on July 1 in Brentwood.

- **Fire Prevention Update.** We received the welcome news last month that Con Fire's application for the Lafayette / Walnut Creek Shaded Fuel Break had been approved. This is additional good news for our residents who will be better protected as a result of this 12-mile long, 194-acre fuel break in Walnut Creek and Lafayette. The total amount awarded was \$3 million.

Recruitment began this month for two much-needed Fire Inspector I positions and one Fire Inspector II. Interviews are expected to begin in August.

Annual exterior hazard inspections are proceeding well with more than 1,500 inspections completed as of the end of June and 89 work orders issued to our contractor to abate non-compliant properties.

- Communications Update. We continue to work with the architect on our dispatch remodel project with the design drawings more than 50% complete at this point.

A new dispatcher was on-boarded last week and we are launching a recruitment later this month for additional dispatchers to support our new eight-dispatcher staffing level that began on July 1.

Communication staff have successfully implemented myriad changes, including CAD, and radio and response area conventions, to support the July 1 annexation.

To: Contra Costa County Fire Protection District Board of Directors
From: Lewis T. Broschard III, Chief, Contra Costa Fire Protection District
Date: July 12, 2022

Subject: Lease Agreement with American Red Cross

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a license agreement with the American National Red Cross to store vehicles and associated disaster equipment at the Contra Costa County Fire Protection District training grounds, located at 2945 Treat Boulevard in Concord through May 31, 2023.

FISCAL IMPACT:

There is no fiscal impact associated with this lease.

BACKGROUND:

The American Red Cross has been a long established partner of Contra Costa County Fire Protection District (District), Contra Costa County (County), and the greater emergency response community in the County. In early 2021, the Red Cross approached the District about the need to store a number of emergency response vehicles and associated disaster support equipment. This need is due to the national decision of the Red Cross to divest themselves of real estate holdings. The local chapter of the Red Cross is searching for a new headquarters in the area. In order to fill the gap in time, and due to the longstanding nature of the relationship, the District recommends accommodating the request. There is space available adjacent to the District's training grounds where the Red Cross can store the vehicles and equipment.

To: Contra Costa County Fire Protection District Board of Directors

From: INTERNAL OPERATIONS COMMITTEE

Date: July 12, 2022

Subject: ROLE AND RESPONSIBILITIES OF CCCFPD ADVISORY FIRE COMMISSION AND BYLAWS UPDATE

RECOMMENDATION(S):

1. ADOPT Resolution No. 2022/9 delegating powers to the Advisory Fire Commission of the Contra Costa County Fire Protection District.
2. APPROVE the revised bylaws of the Advisory Fire Commission of the Contra Costa County Fire Protection District reflecting changes to At Large seat designations approved by the Board on May 17, 2022 and the revised delegation of powers to the Commission.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

In 1995, the Board of Supervisors adopted Resolution No. 95/475 delegating a broad range of its board of directors functions and responsibilities to advisory fire commissions of the, then, six dependent fire protection districts within the county. Through consolidation and dissolution, only two of the six county fire districts remain: Contra Costa and Crockett-Carquinez. In 1999, the Board adopted Resolution No. 99/138 updating the delegation of powers to the Contra Costa County Fire Protection District Advisory Fire Commission.

In 2014, the Board of Supervisors began convening monthly as the Contra Costa County Fire Protection District board of directors fulfilling, in effect, many of the functions and responsibilities that, in 1999, had been delegated to the Advisory Fire Commission for that district. On March 9, 2022, the Contra Costa County Local Area Formation Commission (LAFCo) unanimously approved the annexation of East Contra Costa Fire Protection District (ECCFPD) to the CCCFPD and the dissolution of ECCFPD, requiring a modification to the membership of the CCCFPD Advisory Fire Commission to include representation of East County service areas. The Board of Supervisors, on May 17, 2022, redesignated the At Large #2 seat on the AFC to represent the area former served by the ECCFPD and the At Large #1 seat to represent all remaining areas of the CCCFPD. The three Alternate seats continue to be representative of the entire District.

By: , Deputy

cc: CCCFPD AFC Staff, CCCFPD Chief, CAO (Reyes), CAO (Enea)

BACKGROUND: (CONT'D)

Along with the modification to membership, it is recommended that the delegation of board of directors duties also be updated to reflect the board's current, higher level of District oversight than in 1999. It is recommended that the following delegation of duties be removed from the CCCFPD Advisory Fire Commission since the Board of Supervisors now acts directly on these matters:

- To review and advise on annual operations and capital budgets
- To review district expenditures
- To review and advise on long-range capital improvement plans
- To advise the Fire Chief on district service matters
- To review performance of the Fire District against objectives
- To meet jointly with the Board of Supervisors
- To communicate with the other fire district advisory commissions on services and functional integration
- To assist in the Fire Chief's selection process as required

Update of the CCCFPD Advisory Fire Commission role and responsibilities will provide clarity and proper focus of the Commission's time and energy towards duties that will complement rather than duplicate the functions of the Board of Directors. The Internal Operations Committee recommends the following revised delegation of duties to the AFC as reconstituted pursuant to the annexation agreement:

"The functions of the fire commissioners are to review the goals and objectives of the District; provide liaison with the community, and provide advice and information on fire protection matters to the Board of Directors. This Board hereby delegates to the CCCFPD Advisory Fire Commission the following powers and responsibilities:

- a. Pursuant to district ordinance, to serve as the Appeals Board on weed abatement matters;*
- b. To review and make recommendations on Fire District goals and objectives;*
- c. To provide advice and information to the Board of Directors on fire protection matters as needed;*
- d. To serve as liaison between the Board of Directors and the community served by the district;*
- e. To perform such other duties and responsibilities as may be assigned and as directed by the Board of Directors."*

The AFC considered these modifications at its regular meeting on June 13 and concurs with the IOC recommendations.

Resolution No. 2022/9

IN THE MATTER OF DELEGATING POWERS TO THE ADVISORY FIRE COMMISSION OF THE CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

WHEREAS, the Board of Supervisors is the Board of Directors of the Contra Costa County Fire Protection District under the Fire Protection Laws of 1961 and 1987 (Health & Saf. Code, § 13800 et seq.); and

WHEREAS, the Board of Supervisors, since 2014, monthly convenes as the Contra Costa County Fire Protection District (CCCFPD) Board of Directors; and

WHEREAS, the Board of Supervisors intends to continue its long practice of appointing an Advisory Fire Commission in the CCCFPD pursuant to section 13844 (Fire Protection Law of 1987, Health & Saf. Code, § 13800 et seq.); and

WHEREAS, on March 9, 2022, the Contra Costa County Local Area Formation Commission (LAFCo) unanimously approved the annexation of East Contra Costa Fire Protection District (ECCFPD) to the CCCFPD and the dissolution of ECCFPD, requiring a modification to the membership of the Advisory Fire Commission to include representation of East County service areas; and

WHEREAS, on May 17, 2022, the Board of Supervisors the At Large #2 seat on the Advisory Fire Commission to represent the area former served by the ECCFPD and the At Large #1 seat to represent all remaining areas of the CCCFPD;

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT RESOLVES THAT:

1. The Contra Costa County Fire Protection District Advisory Fire Commission is hereby reconstituted with the following membership: ten (10) seats that are appointed by the Contra Costa County Board of Supervisors: Five (5) Supervisors District seats with one representing each Supervisorial District; and Two (2) At Large seats, one representing the area formerly served by the East Contra Costa Fire Protection District and one representing the remainder of the CCCFPD; and Two At Large Alternate seats, one designated for each of the At Large seats. All current membership remains appointed for their regular terms of office. The terms of the At Large Alternate seats are to run concurrent to the terms of their respective At Large seats.
2. The functions of the fire commissioners are to review the goals and objectives of the District; provide liaison with the community, and provide advice and information on fire protection matters to the Board of Supervisors. This Board hereby delegates to the CCCFPD Advisory Fire Commission the following functions and responsibilities:
 - a. Pursuant to district ordinance, to serve as the Appeals Board on weed abatement matters;
 - b. To review and make recommendations on Fire District goals and objectives, and review performance of the Fire District against objectives;
 - c. To provide advice and information to the Board of Directors on fire protection matters as needed;
 - d. To serve as liaison between the Board of Directors and the community served by the district;
 - e. To perform such other duties and responsibilities as may be assigned and as directed by the Board of Directors.
3. The Board reserves the right to act on any matter within the general powers hereby delegated to the Fire District Advisory Commission and thereby bind the Fire District Advisory Commission and district.
4. This resolution supersedes Resolution No. 99/138 as applicable to the CCCFPD Advisory Fire Commission.

On November 14, 1994, in discussing filling the last at-large seat on the Contra Costa County Fire Protection District's Advisory Fire Commission, the Internal Operations Committee asked that this item be reported back to the 1994 Internal Operations Committee prior to the December 6, 1994 Board meeting at which an orientation of the new Advisory Fire Commission was planned.

As a result of the Internal Operations Committee's discussion of this subject on November 28, 1994, the Board of Supervisors on December 13, 1994 adopted a report which included the following direction to staff:

1. **APPROVE in concept the attached report from the Chief Assistant County Administrator outlining proposed duties and responsibilities for the members of the Contra Costa County Fire Protection District's Advisory Fire Commission.**
2. **DIRECT the County Counsel to prepare, in conjunction with the County Administrator's Office, a Resolution which would supersede Resolution 80/216 for the Contra Costa County Fire Protection District, outlining the role, duties and responsibilities of the Advisory Fire Commission and RETURN that Resolution to the Board of Supervisors for subsequent consideration.**
3. **DIRECT the County Administrator to prepare a matrix outlining the proposed role, duties and responsibilities of the advisory fire commission for each of the dependent fire districts which provides for appropriate variations in duties among the advisory fire commissions and PRESENT his report to the 1995 Internal Operations Committee by March 1, 1995, and for this purpose REFER this matter to the 1995 Internal Operations Committee.**

On March 28, 1995, the Board of Supervisors approved a report from our Committee on this subject which included the following recommendations:

1. **REQUEST the County Administrator to circulate to the Advisory Fire Commissions for the Fire Protection Districts governed by the Board of Supervisors the attached proposed Resolution and matrix setting forth the duties, role and responsibilities of the advisory fire commissions, the fire chiefs, County Administrator and Board of Supervisors.**
2. **REQUEST the advisory fire commissions to review the proposed Resolution and matrix and provide their comments to our Committee on May 15, 1995 at 9:30 A.M.**

On May 15, 1995, several member of the Advisory Fire Commission for the Contra Costa County Fire Protection District appeared before our Committee with comments on behalf of the Commission regarding the proposed role and responsibilities of the Advisory Fire Commissions. However, since no noticed meeting had been held to consider these comments in public, our Committee declined to hear the item and told the Commissioners to come back to our Committee after they had held noticed public meetings on the subject.

Attached is a copy of staff's report to our Committee on this subject, which includes a summary of the process which has been followed and a copy of proposed matrix and Resolution which outline the roles and responsibilities which staff is suggesting should be delegated to the Advisory Fire Commissions by the Board of Supervisors.

On October 2, 1995, our Committee met with Chief Allen Little and Chief Paul Hein, along with members of the Contra Costa County Fire Protection District's Advisory Fire Commission, a representative from Local 1230, Chief Assistant County Administrator Scott Tandy and County Counsel Vic Westman.

Mr. Tandy reviewed the attached Resolution and matrix with our Committee. Ed Haynes, Chair of the Contra Costa County Fire Protection District's Advisory Fire Commission asked that a second footnote be added to the matrix in case the voters in any of the other fire districts approve a special fire flow tax, as have Moraga's voters. We agreed to add this second footnote. No other additions or changes to the Resolution or matrix were requested or suggested and we believe that the Resolution and matrix properly outline the roles and responsibilities of the advisory fire commissions in the six dependent fire protection districts:

Mr. Tandy emphasized the advisory nature of the advisory fire commission's role. He noted that the commissions can advise and make recommendations to the fire chief and Board of Supervisors. He also noted that the advisory fire commissions in Contra Costa County are essentially unique in California since other urban fire protection districts do not have similar advisory fire commissions.

The commissioners clarified that they understand that they can recommend both approval or disapproval of actions. In response to a question from Chairman Haynes about whether the Board of Supervisors wanted the advisory fire commissions to undertake any additional assignments, Supervisor DeSaulnier indicated that he felt the Resolution was complete in itself and did not require further expansion.

We did discuss the possibility of a public safety day at area malls sponsored jointly by the fire protection districts and Sheriff's Office. Ron Walker from Local 1230 suggested an open house at the Contra Costa County Fire Protection District's Training Facility, perhaps done in conjunction with EMS staff. This might be done next spring or summer or might be coordinated with fire prevention week. Chief Little indicated that a number of similar activities had been undertaken in the past but that it was more difficult to do them now because of a lack of funds. We would, however, like the fire chiefs and advisory fire commissions to at least consider the feasibility of undertaking some public education and recognition efforts along these lines.

Ron Walker asked for some clarification of the use of the term "Review any agreements with employee groups". Mr. Tandy clarified that the operative word was "review". It is not the intent of this language to imply that the advisory fire commissions have any role in negotiating with Local 1230. Mr. Haynes indicated that their commission simply wants to be fully aware of the provisions of any agreements entered into by the Board of Supervisors with Local 1230. Mr. Walker indicated that Local 1230 would be happy to make a presentation to the advisory fire commission at any time.

In the Matter of Delegating Powers)	Resolution No. 95/ <u>475</u>
to Fire District Advisory)	(Health & Saf. Code, § 13844)
Commissions)	
_____)	

The Board of Supervisors of Contra Costa County RESOLVES THAT:

1. The Board of Supervisors is the Board of Directors of the following Fire Protection Districts in this County under the Fire Protection Laws of 1961 and 1987 (Health & Saf. Code, § 13800 et seq.): Bethel Island, Contra Costa County, Crockett-Carquinez, East Diablo, Moraga, and Orinda, Fire Protection Districts ("Districts"); and the Board of Supervisors intends to continue its long practice of appointing Fire District Advisory Commissions in each of these Districts, pursuant to section 13844 (Fire Protection Law of 1987, Health & Saf. Code, § 13800 et seq.)

2. The function of the fire commissioners is to review the operations, goals and objectives of each of their respective districts; provide liaison with the community and provide advice and information on fire protection matters to the Board of Supervisors. This Board hereby delegates to each of the Fire District Advisory Commissions of the listed districts the following functions and responsibilities:

- a. To review and advise on annual operations and capital budgets;
- b. To review district expenditures;
- c. To review and advise on long-range capital improvement plans;
- d. Pursuant to district ordinance, to serve as the Appeals Board on weed abatement matters;
- e. To advise the Fire Chief on district service matters;
- f. To meet jointly with the Board of Supervisors and provide advice to the Board as needed;
- g. To communicate with the other fire district advisory commissions on services and functional integration;
- h. To assist in the Fire Chief's selection process as required;
- i. To serve as liaison between the Board of Supervisors and the community served by each district;
- j. To perform such other duties and responsibilities as may be assigned and as directed by the Board of Supervisors;
- k. Pursuant to Ordinance No. 80-19, the Moraga Fire District Advisory Commission shall annually recommend a special tax rate and hear and determine any tax rate appeals.

3. The attachment page of this Resolution is an example of the duties and the relationship among the Board of Supervisors, the County Administrator, the Fire Chief and the Fire District Advisory Commissions.

4. The Board reserves the right to act on any matter within the general powers hereby delegated to the Fire District Advisory Commissions and thereby bind the affected Fire District Advisory Commission and district.

5. Resolution No. 80/216 of February 26, 1980 on this same subject is hereby rescinded.

SUBJECT: ROLE AND RESPONSIBILITIES OF ADVISORY COMMISSIONS FOR THE
SIX COUNTY FIRE PROTECTION DISTRICTS

The subject issue was last scheduled for consideration by the Internal Operations Committee on May 15, 1995. Action on a proposed Resolution and matrix had been postponed until that date to allow the Contra Costa County Advisory Fire Commission time to develop a position on the issue.

On May 15, 1995 it was necessary to further postpone action on the issue because the Contra Costa County Advisory Fire Commission had not adopted a position on this matter at a publicly-noticed meeting as required by the Brown Act.

Since the May 15, 1995 Internal Operations Committee meeting, the Contra Costa County Advisory Fire Commission has held two public meetings to discuss the issues and develop a position on the matrix. The discussions, which involved Chief Little and Scott Tandy, resulted in the development by the Commission of a proposed matrix which was distributed to the Internal Operations Committee and the other fire district advisory commissions.

Attached are a proposed Resolution and revised matrix regarding the role and responsibilities of fire advisory commissions which would supersede and repeal the current Fire Advisory Commission Resolution No. 80/216. The new Resolution will apply to all County fire districts.

The attached revised matrix is based on the matrix proposed by the Contra Costa County Advisory Fire Commission. In addition to some minor changes to the Contra Costa County matrix, a footnote statement has been added about the role of the Moraga Advisory Fire Commission in recommending action on the District's Fire Flow Tax.

By a copy of this memorandum, the Fire Chiefs of the six County fire districts are requested to distribute the attached proposed Resolution and matrix to their advisory fire commissioners prior to the October 2, 1995 meeting of the Internal Operations Committee.

Subject: Donation of Surplus Equipment

RECOMMENDATION(S):

APPROVE the donation of Contra Costa County Fire Protection District surplus equipment to Task Force Joint Guardian.

FISCAL IMPACT:

There is no fiscal impact to the donation of this equipment, as the equipment has reached the end of its useful within the District.

BACKGROUND:

The Contra Costa County Fire Protection District (District) routinely surpluses outdated items that no longer have value in our system. Two firefighters from the District participated in a mission to Ukraine with firefighters from other agencies throughout the State of California. These missions were conducted through volunteer organizations who organized travel, support and donations of supplies. These missions operated much like missions that have occurred regularly to the Country of Mexico.

BACKGROUND: (CONT'D)

Following the return of District firefighters from the Ukraine mission, they identified District-owned surplus equipment that is a critical need to those who are providing service in Ukraine. The District desires to donate the equipment to Task Force Joint Guardian, a group that is supporting the Ukraine mission.

The Advisory Fire Commission has approved the surplus of equipment.

CONSEQUENCE OF NEGATIVE ACTION:

If unapproved, the District would not donate this equipment.
