Please explain why you would like to serve on this particular board, committee, or commission.

For a number of years I attended the LPC meetings when Library Administration was directly next door to the County Office of Education and I always found them an interesting insight into education and child care for preschool children. I would like to serve on the council in order to assist with countywide policy development issues and priorities for child care funding and planning. The library is one of the greatest resources in the community for early literacy materials, programming and support and by serving on the council I can make sure that the library is always aware of the needs of the community in order to be ready to partner with early education programs and families.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume).

I have been a Librarian in Contra Costa County for 18 years and I've worked in various parts of the County. I am currently a Librarian III for Library Administration in charge of the programs and services for children and families for the entire system. Youth Services Librarians are experts in early literacy and I have been providing direct literacy building programming including storytimes and parent and community educational presentations for my entire career. My current position also allows me the opportunity to provide lots of outreach and I have connections and partnerships set up with many community organizations that serve children, teens and families.
