It is very important to me I become more involved in serving my community, at a local level. I currently teach at UC Berkeley and serve on a board for independent hearing officers in the office of student code of conduct. As someone who see's cases where mental health is often manifested in that age group, left untreated it can turn to drug use as a form of self medication. Additionally I have witnessed this amongst family members and am very passionate about providing the appropriate care and support to people not only in these situations but in a preventative measure as well. I am more than willing to go through additional training and learn as much as I can to add value.

## **Qualifications and Volunteer Experience**

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)**

---

I am not certain I am entirely qualified. I work full time in the technology industry. I have also taught at UC Berkeley more so because it is my passion, going on 7 years now. My experience in teaching has led me to take on several mentorship roles over the years and inspired me to become more active in serving my community. I joined the contra costa county republican party, I serve on a board with UC Berkeley, and I did spend several years living in San Francisco and volunteering with Big Brothers Big Sisters as well as Hands on Bay Area. I am hoping to contribute to society in a more meaningful and consistent way and in an area that has some of the most personal and profound impact.
