About the Supplemental Questions for the Council on Homelessness Membership Application

The following questions will be used by the Council on Homelessness' Nominating Panel to identify diverse applicants that can contribute unique expertise and perspectives to the Council. Answers to these questions will be evaluated in relation to the experience and qualifications desired for available member seats. Please carefully consider how your personal experiences, professional experiences, and values will contribute meaningfully to the Council on Homelessness' and the Contra Costa County Homeless Continuum of Care's efforts to make homelessness rare, brief, and non-recurring.

Please note, there are two required elements of the Council on Homelessness application, these "Supplemental Questions" and the County Application. Once you submit this application, you will get an response that will include the link to the County Application. You must submit the County application by 5 pm Friday, September 30, 2022 to be considered.

REMINDER: To be considered for the Council, you must complete BOTH components of the application.

2. Please briefly describe any special skills, relationships, or resources you would bring to this specific seat. If applicable, please describe any experiences that demonstrate a past professional or personal commitment to addressing and alleviating homelessness within the topic or field related to the vacant seat. (400 word maximum) *

I have direct experience with homelessness. I have been homeless multiple times throughout my life, both as a child and a young adult. I believe that I can provide a personal perspective as well as empathy, constructive criticism, and creative solutions to any council topics. I have also worked as a CalFresh Student Ambassador at Diablo Valley College and found that my experience with homelessness and food insecurity aided my approach to discussion with people currently facing these issues and those who have not experienced these issues but wish to understand how to help.

3. **Please identify your personal connections with homelessness by selecting one of the options below: ***

- ☐ I am a person currently experiencing homelessness and living in a shelter or location not meant for human habitation (e.g., in a tent).
- ☒ I am a person who experienced homelessness within the past 5 years but is currently housed.
- ☐ I am a person who experienced homelessness more than 5 years ago but is currently housed.
- ☐ I am a family member of someone who has experienced homelessness
- ☐ I am none of the above but still invested in addressing homelessness in Contra Costa County.
- ☐ I would prefer not to respond

4. **Individuals experiencing homelessness in Contra Costa County come from diverse backgrounds (in terms of abilities, ages, sexual and gender identities, immigration statuses, and racial, ethnic, and cultural backgrounds). Please describe your approach and experience working with and in diverse populations. (400 words maximum) ***

I have found that the best way to work with and in diverse populations is to listen first, avoid judgement altogether, and communicate no different than I would with people in my own life. Having a diverse background does not make someone more or less difficult to talk to. I like to approach every interaction with respect and understanding. I tailor my responses to the reactions and answers I get from the other person because I want to make it known that I am someone they can trust above all else, not specifically because I think they are different from myself and deserve a different response.

5. **Please describe your affiliations with organizations or agencies who serve various homeless subpopulations such as: persons with chronic substance abuse issues, persons with serious mental illness, persons experiencing chronic homelessness, persons with HIV/AIDS, veterans, families with children, unaccompanied youth, victims of domestic violence, dating violence, sexual assault, and stalking, and seniors. (400 word maximum) ***

I have no current affiliations to any such organizations. However, earlier this year and part of last year (Sept. 2021 - Jun 2022) I worked with DVC Basic Needs and Foundations for California Community Colleges as a student ambassador to spread awareness about and combat food insecurity. We gave presentations, held sign up events, and sent out informational emails to inform students of the food and financial aid resources available to them. People experiencing homelessness, former foster youth, families with children, and single parents were our targeted demographics.

6. **If applicable, please describe your affiliations with any government and community-based organizations that are not currently represented on the Council on Homelessness. For a full list of current Council on Homelessness members, please see here: <https://cchealth.org/h3/coc/council.php#Members> . (400 word maximum) ***

N/A

7. **Using your personal experiences and/or professional experiences, please describe up to three (3) ways you would encourage the Contra Costa Continuum of Care to address or set priorities for addressing homelessness. Feel free to draw from current events and other sources of information. (400 word maximum) ***

I think that sharing my personal experience with homelessness, presenting three tiered arguments, and providing thorough research would all help my efforts to encourage the Contra Costa Continuum of Care to address homelessness. I find that others respond best and are inspired to act when they can see all the information set out, digest the material provided, and sympathize with what is stated.

8. **Please state how many Continuum of Care (CoC), Council on Homelessness (CoH), or Youth Advisory Council (YAC) meetings you have previously attended. ***

- ☐ 3 or more meetings
- ☒ 1-2 meetings
- ☐ 0 meetings

9. **Please provide up to three (3) recommendations or thoughts you had from CoC, CoH, or YAC meetings. If you have not attended a CoC, CoH, or YAC meetings, please briefly describe any recent relevant participation in similar meetings and your recommendations or thoughts. (400 word maximum) ***

When I was homeless, 3 of the biggest issues that my family and I faced were finding safe places to go throughout the day, getting jobs without a permanent address, and hours of service for aid programs in our area. I would encourage the Contra Costa Continuum of Care to consider extending services to designate safe zones or areas to rest, provide PO Boxes, and extend after school programs and meal services. I would also suggest that, instead of assuming what would for best to aid those affected by homelessness, they simply ask or take not by questionnaire. It would be helpful to hear directly from people in need of such assistance.

10. The Council is committed to the Housing First approach (meaning no barriers or requirements as a prerequisite to housing, including sobriety, religious affiliation, or other structure not required for housing) and has established this Guiding Principle: *Homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed. Our system must be nimble and flexible enough to respond through the shared responsibility, accountability, and transparency of the community.* **Are you in support of the Housing First approach and Guiding Principle described above?** *
- ☒ Yes
- ☐ No

11. Please identify the level of commitment you can provide to the Council on Homelessness by selecting one of the options below: *

- ☐ I am **not available** for the standing monthly COH meeting, **but can make other meetings 2 or more times** per month.
- ☐ I am **not available** for the standing monthly COH meeting and **may not be able to make other meetings** more than once per month.
