2. **Please briefly describe any special skills, relationships, or resources you would bring to this specific seat. If applicable, please describe any experiences that demonstrate a past professional or personal commitment to addressing and alleviating homelessness within the topic or field related to the vacant seat.** (400 word maximum) *

I currently work with the homeless at the shower trail and food distribution. As someone that is trying to get others housed I can bring insight to where some weaknesses are and where there's strengths. I am also navigating Hope Solutions and will be housed this week. I've been homeless as a sober adult and I've been a homeless addict before and can share both spectrums.

3. **Please identify your personal connections with homelessness by selecting one of the options below:** *

- I am a person currently experiencing homelessness and living in a shelter or location not meant for human habitation (e.g., in a tent).
- I am a person who experienced homelessness within the past 5 years but is currently housed.
- I am a person who experienced homelessness more than 5 years ago but is currently housed.
- I am a family member of someone who has experienced homelessness
- I am none of the above but still invested in addressing homelessness in Contra Costa County.
- I would prefer not to respond

4. **Individuals experiencing homelessness in Contra Costa County come from diverse backgrounds (in terms of abilities, ages, sexual and gender identities, immigration statuses, and racial, ethnic, and cultural backgrounds). Please describe your approach and experience working with and in diverse populations.** (400 words maximum) *

I'm currently taking a Cultural Competence in Health and Social Service class as well as a Group Process and leadership class for my Addiction Studies degree. I approach everyone with respect for who they are and where they're at in life. I believe in treating others the way you want to be treated and accepting and loving all people.

5. **Please describe your affiliations with organizations or agencies who serve various homeless subpopulations such as: persons with chronic substance abuse issues, persons with serious mental illness, persons experiencing chronic homelessness, persons with HIV/AIDS, veterans, families with children, unaccompanied youth, victims of domestic violence, dating violence, sexual assault, and stalking, and seniors.** (400 word maximum) *

I serve people in all of these categories in our various ministries and diverse population at our shower trailer. I was also on the streets with the diverse homeless population, my friends, and I still have many friends that are still out there from my past, and that is the reason I have a passion to help people. My people.

6. **If applicable, please describe your affiliations with any government and community-based organizations that are not currently represented on the Council on Homelessness. For a full list of current Council on Homelessness members, please see here**: https://cchealth.org/h3/coc/council.php#Members **.** (400 word maximum) *

I'm affiliated with The Bay Church. The church has an ever growing Compassion Ministry and does great things in our community and there's so much more to come.

7. **Using your personal experiences and/or professional experiences, please describe up to three (3) ways you would encourage the Contra Costa Continuum of Care to address or set priorities for addressing homelessness. Feel free to draw from current events and other sources of information.** (400 word maximum) *

I would encourage that families get more of a priority because at the current moment they're on the back burner for shelters and other housing alternatives.

8. **Please state how many Continuum of Care (CoC), Council on Homelessness (CoH), or Youth Advisory Council (YAC) meetings you have previously attended.** *

- 3 or more meetings
- 1-2 meetings

In the meetings I've attended I've heard where the funding comes from, where it's going, but I would like to hear how it is that people get help from each organization. We have a lot of clients that need housing and it would be great to get the knowledge of how best to serve them.

10. The Council is committed to the Housing First approach (meaning no barriers or requirements as a prerequisite to housing, including sobriety, religious affiliation, or other structure not required for housing) and has established this Guiding Principle: *Homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed.
