About the Supplemental Questions for the Council on Homelessness Membership Application

The following questions will be used by the Council on Homelessness' Nominating Panel to identify diverse applicants that can contribute unique expertise and perspectives to the Council. Answers to these questions will be evaluated in relation to the experience and qualifications desired for available member seats. Please carefully consider how your personal experiences, professional experiences, and values will contribute meaningfully to the Council on Homelessness' and the Contra Costa County Homeless Continuum of Care's efforts to make homelessness rare, brief, and non-recurring.

Please note, there are two required elements of the Council on Homelessness application, these "Supplemental Questions" and the County Application. Once you submit this application, you will get an response that will include the link to the County Application. You must submit the County application by 5 pm Friday, September 30, 2022 to be considered.

REMINDER: To be considered for the Council, you must complete **BOTH** components of the application.

Please note, this form can be filled out as a Word document and emailed to Council on Homelessness Chomelesscouncil@cchealth.org by the deadline or submitted via this online form.

I have over 20 years of providing mental health services to adults, families, children and youth. I have worked in various settings urban and rural settings. I understand the impact of homelessness on individuals, communities and families. Having a safe, secure home base allows individuals to make healthy choices for themselves. Being on the streets is a traumatizing experience. The shelter systems should be humanized and be safe haven for unhoused persons.

3. F	lease identify your personal connections with homelessness by selecting one of the options below: *
	I am a person currently experiencing homelessness and living in a shelter or location not meant for human habitation (e.g., in a tent).
	I am a person who experienced homelessness within the past 5 years but is currently housed.
	I am a person who experienced homelessness more than 5 years ago but is currently housed.
	I am a family member of someone who has experienced homelessness
	I am none of the above but still invested in addressing homelessness in Contra Costa County.
	I would prefer not to respond
i	Individuals experiencing homelessness in Contra Costa County come from diverse backgrounds (in terms of abilities, ages, sexual and gender dentities, immigration statuses, and racial, ethnic, and cultural backgrounds). Please describe your approach and experience working with and in diverse populations. (400 words maximum) * My varied work experience has included providing group, individual and family psychotherapy to community members in non profit and county settings. I have worked with Latino immigrants, African American, Formerly incarcerated individuals, Native Americans, LGBTQ youth and adults, elders and individuals of varied educational and economic backgrounds. I am open to learning and
	never make assumptions about individuals and their cultures or ethnic background. I ask questions to learn. I approach individuals with an open mind.
s	Please describe your affiliations with organizations or agencies who serve various homeless subpopulations such as: persons with chronic ubstance abuse issues, persons with serious mental illness, persons experiencing chronic homelessness, persons with HIV/AIDS, veterans, amilies with children, unaccompanied youth, victims of domestic violence, dating violence, sexual assault, and stalking, and seniors. (400 word naximum) *
	I volunteered with the San Francisco City and County Human Rights Commission in San Francisco from March 2010 to December 2017. I served my full term. I was a member of the LGBTQ Advisory Committee. I participated and organized community forums on LGBTQ housing issues for seniors, LGBTQ issues for youth such as homelessness, increasing safe welcoming community services, decreasing isolation, reducing the impact of violence on the Trans-Latinex Community. I have made choices to work in settings that provide support to individuals affected by trauma, substance use, mental health issues and access to health care services. I have been in search of a community organization to share my expertise and knowledge. I want to be part of a solution to improve our
	communities and to reduce pain and suffering.
