## About the Supplemental Questions for the Council on Homelessness Membership Application

The following questions will be used by the Council on Homelessness' Nominating Panel to identify diverse applicants that can contribute unique expertise and perspectives to the Council. Answers to these questions will be evaluated in relation to the experience and qualifications desired for available member seats. Please carefully consider how your personal experiences, professional experiences, and values will contribute meaningfully to the Council on Homelessness' and the Contra Costa County Homeless Continuum of Care's efforts to make homelessness rare, brief, and non-recurring.

Please note, there are two required elements of the Council on Homelessness application, these "Supplemental Questions" and the County Application. Once you submit this application, you will get an response that will include the link to the County Application. You must submit the County application by 5 pm Friday, September 30, 2022 to be considered.

If applicable, please describe any experiences that demonstrate a past professional or personal commitment to addressing and alleviating homelessness within the topic or field related to the vacant seat. (400 word maximum) \*

For the past decade I have worked in treatment centers, worked as a community health worker, an outreach specialist, and now am a program manager for Lifelong Medical Care serving both Alameda County and Contra Costa County.

3. **Please identify your personal connections with homelessness by selecting one of the options below: \***

- ☐ I am a person currently experiencing homelessness and living in a shelter or location not meant for human habitation (e.g., in a tent).
- ☐ I am a person who experienced homelessness within the past 5 years but is currently housed.
- ☒ I am a person who experienced homelessness more than 5 years ago but is currently housed.
- ☐ I am a family member of someone who has experienced homelessness
- ☐ I am none of the above but still invested in addressing homelessness in Contra Costa County.
- ☐ I would prefer not to respond

4. **Individuals experiencing homelessness in Contra Costa County come from diverse backgrounds (in terms of abilities, ages, sexual and gender identities, immigration statuses, and racial, ethnic, and cultural backgrounds). Please describe your approach and experience working with and in diverse populations. (400 words maximum) \***

That is very true. A large number of people right now are one paycheck or emergency away from homelessness. My approach to those that are currently homeless is to find what resources they need the most. For some, it is health care, housing, food, or work. We serve anyone, no matter what their background is. We have found over the years that the best way to approach each person is through harm-reductive, client-centered care.

5. **Please describe your affiliations with organizations or agencies who serve various homeless subpopulations such as: persons with chronic substance abuse issues, persons with serious mental illness, persons experiencing chronic homelessness, persons with HIV/AIDS, veterans, families with children, unaccompanied youth, victims of domestic violence, dating violence, sexual assault, and stalking, and seniors. (400 word maximum) \***

I have worked with the Salvation Army Adult Rehabilitation Center, the East Bay Community Recovery Project, and Lifelong Medical Care. Everything mentioned in the question described the population I have worked with for the past decade.

6. **If applicable, please describe your affiliations with any government and community-based organizations that are not currently represented on the Council on Homelessness. For a full list of current Council on Homelessness members, please see here: <https://cchealth.org/h3/coc/council.php#Members> . (400 word maximum) \***

7. **Using your personal experiences and/or professional experiences, please describe up to three (3) ways you would encourage the Contra Costa Continuum of Care to address or set priorities for addressing homelessness. Feel free to draw from current events and other sources of information. (400 word maximum) \***

From my work with San Francisco county, Alameda County, and Contra Costa County, the one that is a step behind the rest is Contra Costa County. I believe there is a huge problem with communication and referrals to supportive housing. One of the properties I have staff working at is called the Idaho Property in El Cerrito. We have struggled to fill these HOPWA beds for the past year, and there were rooms that say empty due to the grant being written incorrectly. There needs to be more support staff like the Housing Navigators I supervise in Alameda County. These HN help the homeless clients become document ready and continue to support the client after they are housed.

8. **Please state how many Continuum of Care (CoC), Council on Homelessness (CoH), or Youth Advisory Council (YAC) meetings you have previously attended. \***

- ☒ 3 or more meetings
- ☐ 1-2 meetings
- ☐ 0 meetings

9. **Please provide up to three (3) recommendations or thoughts you had from CoC, CoH, or YAC meetings. If you have not attended a CoC, CoH, or YAC meetings, please briefly describe any recent relevant participation in similar meetings and your recommendations or thoughts. (400 word maximum) \***

The CoC should be mandatory for all staff at every agency to attend. The trainings are fantastic, and I have all my staff attending the Trauma-informed training on 10/24/2022.

10. The Council is committed to the Housing First approach (meaning no barriers or requirements as a prerequisite to housing, including sobriety, religious affiliation, or other structure not required for housing) and has established this Guiding Principle: *Homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed. Our system must be nimble and flexible enough to respond through the shared responsibility, accountability, and transparency of the community.* **Are you in support of the Housing First approach and Guiding Principle described above?** \*

☒ Yes

☐ No

11. **Please identify the level of commitment you can provide to the Council on Homelessness by selecting one of the options below:** \*

☐ I can be available **only for the standing monthly COH meeting** the first Thursday of every month from 1pm to 3pm.

☐ I am **not available** for the standing monthly COH meeting, **but can make other meetings 2 or more times** per month.

18. Is there any other information you would like to share, including anything that would help us understand how you would contribute to the diverse representation of people and experiences on the Council (for example: lived experience of homelessness, abilities, immigration status, ethnic background, or cultural background)?

I have a lot of lived experience. I have struggled many years ago, but successfully turned my life around. I have made it my life's work to help others. For many years now, I have seen some issues that need to be addressed in Contra Costa County and living here my entire life I believe I have a very strong sense of what needs to change. I would love to be a part of this change and bring in some fresh ideas. t

### Qualifications and Volunteer Experience

#### Please explain why you would like to serve on this particular board, committee, or commission.

With my own lived experience, I have seen many flaws in the system. I do not think there was sufficient support for someone who experienced what I experienced. For the past decade, I have made it my lives work to help people in need. I have now seen the changes that need to take place from both sides. Yes, there is important work by many people currently happening in Contra Costa County, but the communication happening at a systemwide level is flawed. I would love to be a part of the solution of how we can serve the homeless population more efficiently and prevent organizations from doing double the work.
