Subject: INVESTMENT REPORT FOR THE QUARTER ENDING MARCH 31, 2022

RECOMMENDATIONS

RECEIVE the Housing Authority of the County of Contra Costa's investment report for the quarter ending March 31, 2022.

BACKGROUND

California Government Code (CGC) Section 53646 requires the Housing Authority of the County of Contra Costa (HACCC) to present the Board of Commissioners with a quarterly investment report that provides a complete description of HACCC's portfolio. The report is required to show the issuers, type of investments, maturity dates, par values (equal to market value here) and the current market values of each component of the portfolio, including funds managed by third party contractors. It must also include the source of the portfolio valuation (in HACCC's case it is the issuer). Finally, the report must provide certifications that (1) all investment actions executed since the last report have been made in full compliance with the Investment Policy and; (2) HACCC will meet its expenditure obligations for the next six months. (CGC 53646(b)).

The state-mandated report has been amended to indicate the amount of interest earned and how the interest was allocated. The amended report is attached.

In summary, HACCC had \$20,692.18 in interest earnings for the quarter ending March 31, 2022. That interest was earned within discrete programs and most of the interest earned is available only for use within the program which earned the interest. Further, interest earnings may be restricted to specific purposes within a given program.

The Housing Choice Voucher Program reserve as of 12/31/2013 held in cash and investments was transitioned to HUD held program reserve account.

Non-restricted interest earnings within both the voucher and public housing programs must be used solely within those programs, but such interest earnings can be used for a wider range of purposes within the individual programs. The interest earned in the State and Local fund can be used for any purpose within HACCC's scope of operations.

Subject: CONTRACT WITH NAN MCKAY ASSOCIATES, INC., FOR HOUSING QUALITY STANDARDS AND UNIFORM PHYSICAL CONDITION STANDARDS INSPECTIONS

RECOMMENDATIONS

APPROVE and AUTHORIZE the Executive Director to execute a contract with Nan McKay Associates, Inc. (NAMI), for Housing Quality Standards (HQS) and Uniform Physical Condition Standards (UPCS) inspections for the period of July 1, 2022, through June 30, 2027.

BACKGROUND

HUD requires housing authorities to conduct an annual Housing Quality Standards (HQS) inspection of every unit leased under the voucher program and a Uniform Physical Condition Standards (UPCS) inspection of every public housing unit. Additional inspections are required as a follow up to any failed inspections, in response to complaints, and as deemed appropriate to ensure compliance with federal program regulations.

Housing authorities are required to issue a competitive request for proposals to find the most cost-effective and best-qualified vendor to provide services. HUD procurement regulations permit for cooperative procurement agreements amongst governmental agencies whereby one agency's competitive solicitation for inspection services can be utilized by another agency if the terms and conditions of the contract are substantially the same.

HACCC conducted a competitive procurement process to secure the services of NAMI for this latest contract. On March 10, 2022, HACCC issued a Request for Proposals from interested bidders for inspection services. Three firms submitted proposals by the April 21, 2022 deadline. Nan McKay Associates, Inc., was far and away the most responsive and affordable of the three proposals submitted with an overall score of 96 points out of a possible 100 points.

The cost per inspection charged by NAMI has stayed below the cost charged by many competitors and NAMI continues to be the most economically viable solution for inspection services. NAMI is a new venture in partnership with the former Sterling Inspection Services Director of Operations, who is the outgoing inspection services contractor. With that, the transition to NAMI from Sterling should be smooth and quick.

BACKGROUND (CONT'D)

In 2015, HUD permitted housing authorities to implement biennial inspections for the Housing Choice Voucher (HCV) Program. As a result, the overall number of inspections has been significantly reduced. The annual costs indicated above reflects an average per year. In alternating years, the costs will be significantly higher or lower than the \$585,000 indicated, but on average the costs will be approximately \$585,000 per year. Every two years, each HCV unit will be inspected and every year, all public housing units will undergo UPCS inspections.

FISCAL IMPACT

The total annual cost for this contract averages out to approximately \$585,000 per year and up to \$2,925,000 over a five-year period. Funding for this contract is included in the Housing Authority's (HACCC) budget.

CONSEQUENCE OF NEGATIVE ACTION

Should the Board of Commissioners not approve a contract amendment with Nan McKay Associates, Inc., HQS and UPCS inspections may not be conducted in a timely manner. This would cause HACCC to fall out of compliance with HUD regulations.

A total of 58 accounts are being recommended for write-off, representing an average of \$2,103.50 per account.

The following table illustrates the collection losses for the past years.

Conventional Program

THIS QUARTER	
03/31/2022	\$122,003.10
03/31/2021	\$81,269.90
03/31/2020	\$40,644.89
12/31/2019	\$97,148.32

Prior to submission of an account for write-off, the staff makes every effort to collect money owed to HACCC. Once the account is written off, staff uploads debt amount to HUD's Debts Owed System, to further Housing Authorities efforts to collect monies owed. Past participants that owe Housing Agencies may be denied admission to public housing or housing choice voucher programs in the future unless debt is repaid.

FISCAL IMPACT

Uncollectible amounts impact the budget by reducing total rental income. The Housing Authority of the County of Contra Costa (HACCC) regularly writes off those accounts that have been determined to be uncollectible. Once an account is written off, it can be turned over to a collection agency. For the period ending March 31, 2022, the collection loss write-off total is \$122,003.10.

CONSEQUENCE OF NEGATIVE ACTION

Should the Board of Commissioners elect not to adopt Resolution No. 5242, these accounts would inflate the total accounts receivable for HACCC and present an inaccurate financial position.
