Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

Since October 2016, I have served as a Fire Board Director for the East Contra Costa Fire Protection District (ECCFPD). Initially appointed by the City of Oakley, serving the dependent special district and then elected in November 2018, as the district became an independent special district. As ECCFPD is expected to annex into the Contra Costa County Fire Protection District (CCCFPD) in July 2022 and the current ECCFPD Fire Board will be dissolved, I believe that I can provide historical perspective and value, from my time served on the Board. I have also built strong relationships with community members in East Contra Costa County, as well as Elected Officials throughout the State of California. I believe that I am level headed, have excellent communication skills and the ability to build consensus. For all of the reasons above, I would respectfully ask that you consider my appointment to this commission.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

In June 2017 I was appointed as the Vice President of the ECCFPD Fire Board. I served in that position until January 2018, when I was appointed as the Board President. I have continuously served as the Board Chair since 2018 and have been humbled by the confidence of my fellow Board Directors, to keep me in Chair position. During that time I have attended the 2017 and 2018 Special District Leadership Academy and have received recognition in Special District Governance. In March 2020, I received the EMS Advocate of the year award, from the National Association of Emergency Medical Technicians. As you will see from my CV, I have a significant amount of experience and understanding of the Fire Service, Emergency Medical Services and Public Safety. I have been identified as a Subject Matter Expert in the related fields above and believe I would blend nicely with the current Advisory Fire Commission.
