**Subject:** Assembly District - I provided some incorrect info earlier.

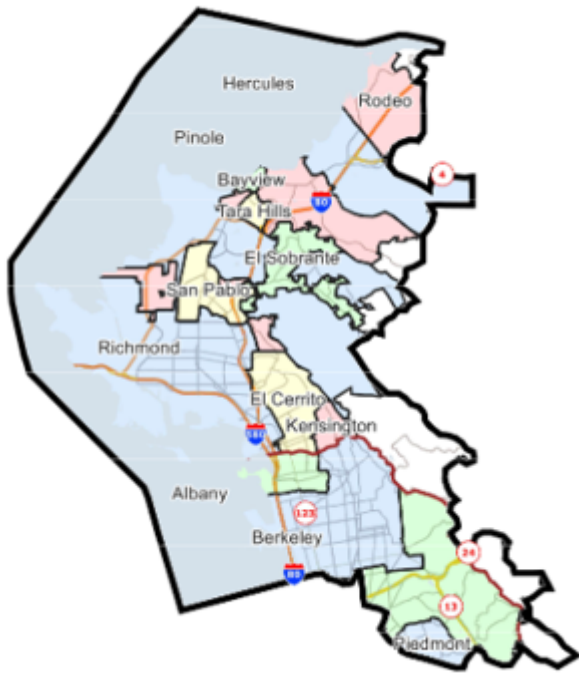

I need to correct my incorrect reading of the new district maps that I summarized recently. There was an issue I had with the designated district numbers.

Clearly, the maps that follow below show AD 14 (Wicks is running unopposed) on CC County west shore and AD 15 (Grayson has a single challenger). Also, AD 11 (Lori Wilson) has a small piece of the county that contains Oakley and rounding out the representation, Asm. Bauer Kahan in AD 16 covers the 680 corridor down into Alameda county.

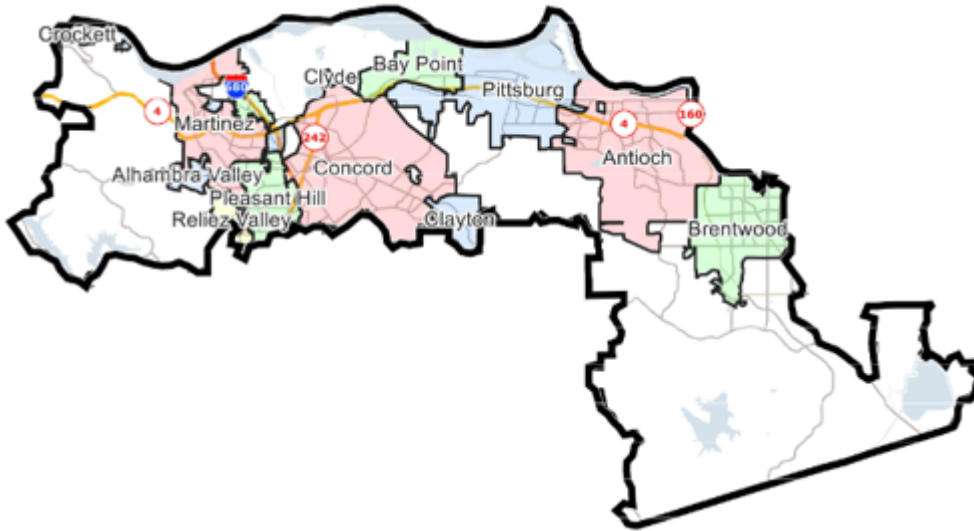

### AD 11 – (Candidates: L. Wilson and Jenny Leilani Callison)

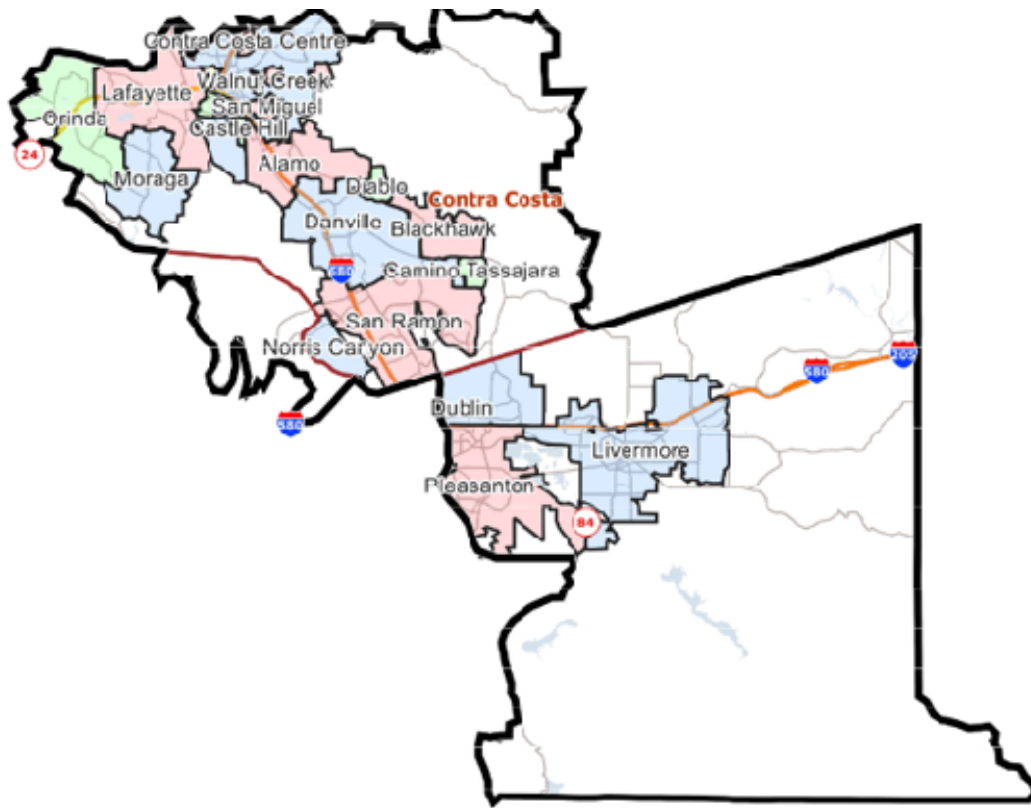

### AD 14 – Wicks (No opposition)

**AD 15 – (Candidates Grayson and Janell Elizabeth Proctor)**

**AD 16 – (Candidates Bauer-Kahan Joseph Rubay)**
